WRITING GUIDE

六级写作总攻略

先读这一章

评分标准 · 结构 · 模板 · 避坑

六级作文拿高分，靠的不是背一篇“万能模板”，而是三件事：切题（题目里的每一条要求都落实）、结构清楚（三段各管一件事，衔接自然）、语言准确又有变化。这一章先讲通用方法；后面用 2021—2026 年的 31 套真题范文逐篇示范，每篇都从审题讲起，讲清题目要求怎么逐条落实、思路怎么一步一步展开、为什么能进满分档，再把普通句子一步一步升格成满分句。

1 阅卷老师看什么

六级写作满分 15 分，占全卷的 15%。阅卷采用总体印象评分：老师读完全文，先判断属于哪一个档次，再在档内微调，而不是一处错误扣一分。档次从高到低共五档，最高一档是 13—15 分。所以真正决定分数的，是整篇文章给人的印象。

最高档的样子

- 切题：题目给的首句一字不差照抄，题目要求的每一项（评论、举例、对策、描述图表……）都写到
- 思想表达清楚：每段一个中心，观点明确，有理由、有例子
- 文字通顺、连贯：段落之间、句子之间有恰当的衔接，读者一眼看清思路
- 语言准确：基本没有语法错误，句式和词汇有变化，但不用拿不准的生僻词

一下子掉档的情况

- 偏题：写的不是题目要求的内容，或者只写了一部分要求
- 给定首句没有照抄、抄错，或者改了其中的词
- 字数明显不足（远少于 150 词）
- 图表作文的数字、年份抄错，或者只罗列数字、不做评论
- 主谓一致、时态、冠词等基础语法错误成片出现，大量中式英语

2 六级常考的三种题型

2021—2026 年的 31 套真题只考了三种题型。近几年几乎都是“给定首句”的议论文；短文评论和图表作文出现在 2021 年。三种题型都用三段式，每段管一件事。

给定首句的议论文（2022 年 6 月以来的全部考题）

第一段：照抄给定首句 + 一两句说明背景或为什么重要。
第二段：用两三个理由（或两个层面）展开，至少一个具体例子。
第三段：提出做法（个人、学校、家庭、社会），最后一句总结或升华。

题目要求照抄首句时，首句一个字母都不能改。2023 年 12 月三套题目写明字数不含首句，正文要多写一句话。

短文评论：现象 + 对策（2021 年 12 月）

第一段：用自己的话概括短文描述的现象（不要照抄短文）。
第二段：评论——这个现象带来什么问题、原因是什么。
第三段：提出两三条具体对策，最后一句收尾。

题目要求“comment on the phenomenon and suggest measures”，评论和对策两项缺一不可。

图表作文：描述 + 评论（2021 年 6 月）

第一段：简要描述图表——总趋势 + 两三个关键数字（起点、终点、转折点）。
第二段：评论图表反映的成就或意义，用理由和例子展开。
第三段：指出还要注意的问题、提出展望。

数字和年份必须与图表完全一致；描述要“简要”，篇幅留给评论。

3 30 分钟写作流程

- 读题（约 3 分钟）：圈出要照抄的首句、每一条写作要求、字数要求
- 定立场和要点（约 3 分钟）：想清楚要证明什么，选两三个最好写、最有说服力的理由，准备一个具体例子
- 列提纲（约 2 分钟）：三段各写一行英文关键词，确认每条题目要求都落在某一段里
- 写正文（约 17 分钟）：先照抄首句，再按提纲写；每段第一句点明这一段讲什么
- 检查（约 5 分钟）：数字数，查主谓一致、时态、单复数、冠词、拼写，确认首句一字未改

4 字数怎么控制

- 题目要求 150—200 词：写到 190—200 词最稳，既不像卡着最低字数，又绝不超过 200 词
- 题目写明不含给定首句（not including the sentence given）时，首句不计入字数
- 考场上按行估算：先数一行大约多少词，再乘以行数；写到 180 词左右时，用一句总结收尾
- 宁可删掉一个可有可无的例子，也不要为了凑字数重复前面的意思

5 中式英语黑名单（都来自本书范文复核时真实改掉的说法）

不要这样写	改成	为什么
~~strengthen supervision~~	tighten their oversight	“加强监管”逐字翻译不地道
~~with joint efforts~~	is a shared task / everyone has a role to play	“共同努力”逐字翻译是中式英语
~~chase stars / star chasing~~	be devoted fans of pop stars	“追星”不能逐字翻译
~~be eager for quick success~~	be impatient for quick results	“急于求成”的地道说法
~~a harmonious community~~	a warmer, friendlier neighborhood	harmonious 用来形容社区很生硬
~~guide teenagers to do~~	help teenagers do	guide sb to do 是中式搭配
~~runs through the whole of college life~~	spans all four years of college	“贯穿”不要逐字翻译

最常见的语法扣分点

- 主谓一致：time spent in green spaces relieves stress（主语是 time，动词用单数）
- 不可数名词：seek professional help，不能写 helps
- 冠词：book a doctor’s appointment，可数名词单数前要有冠词
- 悬垂结构：Used wisely, AI can …（AI 是被使用的，用过去分词）
- 代词指代：every obstacle students overcome（离先行词太远时直接写出名词，不用 they）

6 怎么用这本讲义

- 每篇先自己读题、列提纲、限时 30 分钟写一遍，再看讲义对照
- 重点看“题目要求逐条落实”和“为什么是满分档”：学会用要求检查自己的作文
- “升格示范”教你把普通句子一步一步改好，自己的作文也照这个方法改
- “高分句式”每个都有公式和两个仿写例句，先仿写、再背范文原句
- 配套的默写卡：先填关键表达，再看中文默写整句

学习传统文化增强文化自信

1 原题

Part I **Writing** **(30 minutes)**

Directions: *For this part, you are allowed 30 minutes to write an essay that begins with the sentence "**Faced with growing globalization, students realize that a deep understanding of traditional Chinese culture helps cultivate cultural confidence.**" You can make comments, cite examples or use your personal experiences to develop your essay. You should write at least 150 words but no more than 200 words.*

You should copy the sentence given in quotes at the beginning of your essay.

题目译文

这一部分（For this part），你有 30 分钟（30 minutes）写一篇文章（essay），文章要以给出的这句话开头（begins with the sentence）："面对日益加深的全球化（growing globalization），学生们认识到，深入了解中国传统文化（traditional Chinese culture）有助于培养文化自信（cultural confidence）。"（Faced with growing globalization, students realize that a deep understanding of traditional Chinese culture helps cultivate cultural confidence.）

你可以发表评论（make comments）、举例说明（cite examples），或者用自己的亲身经历（use your personal experiences）来展开文章（develop your essay）。

字数：至少 150 词（at least 150 words），但不超过 200 词（no more than 200 words）。

必须把引号里给出的这句话原样抄写在文章开头（copy the sentence given in quotes at the beginning of your essay），作为第一句。

2 审题

先弄清楚要写什么，再动笔

议论文（给定首句）：了解传统文化，培养文化自信

150—200 词（题目要求 at least 150 words but no more than 200 words，首句也算在内）；范文写到 190—200 词，本篇 192 词。不要卡着 150 词的最低线写，也绝不能超过 200 词

- [ ] 用题目给的句子开头，一字不差照抄，放在全文第一句
- [ ] 围绕首句展开论述：说明为什么深入了解中国传统文化能培养文化自信
- [ ] 用评论、举例或亲身经历来支撑观点（题目点明的三种方法，至少用好一两种）
- [ ] 顺着话题说清学生该怎样了解传统文化，并有一个有力的结尾，让文章完整

语气与身份：正式、客观的议论语气：以第三人称论述为主，用 should、can 提出建议；举身边人的例子时可以用 a friend of mine，但不用口语化的表达

容易失分的地方

- 首句必须一字不差照抄：Faced with、growing globalization、helps cultivate 一个词都不能改（不要擅自改成 helps to cultivate），句末的句号也要照抄
- 首句的观点是“了解传统文化 → 增强文化自信”，后文要紧扣这条因果关系，不要跑题写成“全球化的利与弊”或“中外文化谁更好”
- 例子要具体：写清是哪部经典、哪种传统艺术、谁在什么场合做了什么，不要只喊“我们要热爱传统文化”的口号
- 首句算在字数里，写长了容易超过 200 词，动笔前先规划好每段几句

3 题目要求逐条落实

每一条要求 → 范文里的哪一句

题目要求	范文原句	怎么做到的
用给定的句子开头	Faced with growing globalization, students realize that a deep understanding of traditional Chinese culture helps cultivate cultural confidence.	全文第一句原样照抄题目给的句子，一个词、一个标点都没有改。
论述为什么能培养自信（评论）	Such understanding builds confidence in two ways.	第二段先总起“两个方面”，再用 To begin with 和 Moreover 分别写“给学生坚定的身份认同”和“让学生自信地向世界介绍中国”，理由清楚、层次分明。
用例子支撑观点（举例、身边人的经历）	A friend of mine who studied in Britain told me that her classmates were fascinated when she explained the meaning behind Spring Festival couplets	用朋友在英国留学时讲解春联的真实场景，证明“懂自己的文化，就能自信地介绍中国”；题目给的“评论、举例、亲身经历”三种方法，本文用了评论和举例，另外还点了《论语》、唐诗等具体经典。
说清学生该怎么做	students should make a conscious effort to explore traditional culture, whether by reading classical works, visiting museums or learning a traditional art such as calligraphy	用 should 提出建议，再用 whether by 列出读经典、逛博物馆、学书法三条具体途径，学生读完就知道从哪里做起。
有力的结尾	Firmly rooted in their own culture, young people can stay open-minded without losing themselves in a globalized world.	a globalized world 呼应首句的 globalization，“扎根自身文化、保持开放而不迷失”回到“文化自信”这个中心，首尾照应。
字数 150—200 词	Faced with growing globalization	全文共 192 词（含首句）：第一段 3 句，第二段 5 句，第三段 2 句，落在 190—200 词的目标区间内，没有超过 200 词。

4 写作思路

先列提纲，每段一个任务

第一段

照抄首句，说明问题的背景

首句（了解传统文化有助于培养文化自信）→ 反面说明：外来文化大量涌入，不了解自己文化的年轻人容易迷失方向 → 有人甚至认为传统习俗过时

第二段

论证为什么能增强自信

总起：两个方面 → 第一，给学生坚定的身份认同（读懂《论语》和唐诗，就会把文化看作骄傲）→ 第二，让学生自信地向世界介绍中国 → 事例：朋友在英国讲解春联

第三段

提出做法并收尾

建议：学生有意识地探索传统文化（读经典、逛博物馆、学书法）→ 结尾：扎根自身文化，在全球化的世界里既开放又不迷失

5 满分范文

荧光笔 + 圆圈编号 = 下面讲的高分句式

[1] Faced with growing globalization, students realize that a deep understanding of traditional Chinese culture helps cultivate cultural confidence. [2] Amid the flood of foreign films, brands and ideas, young people who know little about their own heritage may easily lose their bearings①. [3] Some even dismiss traditional customs as outdated and irrelevant to modern life②.

[4] Such understanding builds confidence in two ways. [5] To begin with, it gives students a firm sense of identity. [6] Once they appreciate the wisdom of classics such as The Analects or the beauty of Tang poetry, they see their culture not as old-fashioned but as a source of pride③. [7] Moreover, it allows them to introduce China to the world with confidence. [8] A friend of mine who studied in Britain told me that her classmates were fascinated when she explained the meaning behind Spring Festival couplets, an experience that made her proud of where she came from④.

[9] Therefore, students should make a conscious effort to explore traditional culture, whether by reading classical works, visiting museums or learning a traditional art such as calligraphy⑤. [10] Firmly rooted in their own culture, young people can stay open-minded without losing themselves in a globalized world⑥.

参考译文

面对日益加深的全球化，学生们认识到，深入了解中国传统文化有助于培养文化自信。在外国电影、品牌和思想的洪流中，对自身文化遗产知之甚少的年轻人很容易迷失方向。有些人甚至认为传统习俗过时了，与现代生活毫不相干，对其不屑一顾。

这种了解从两个方面增强自信。首先，它让学生拥有坚定的身份认同感。一旦领会了《论语》等经典的智慧或唐诗之美，他们就不会把自己的文化看作陈旧过时的东西，而是视为自豪的源泉。此外，它让他们能够自信地向世界介绍中国。我的一位在英国留学的朋友告诉我，当她讲解春联背后的含义时，同学们都听得入了迷，这段经历让她为自己的出身感到自豪。

因此，学生应当有意识地努力探索传统文化，无论是通过阅读经典著作、参观博物馆，还是学习书法等传统艺术。年轻人深深扎根于自身文化，就能在全球化的世界中保持开放的心态，而不迷失自我。

6 一步一步写出这篇范文

01 一字不差照抄首句

把题目给的句子原样写在开头，抄完逐词核对一遍，尤其是 Faced with、growing globalization、helps cultivate 和句末句号。

> 1 Faced with growing globalization, students realize that a deep understanding of traditional Chinese culture helps cultivate cultural confidence.
> 面对日益加深的全球化，学生们认识到，深入了解中国传统文化有助于培养文化自信。

02 从反面说明“为什么需要文化自信”

首句给出观点后，用 Amid the flood of 写出外来文化大量涌入的背景，再用 who know little about their own heritage 点明“不了解传统”的人会迷失方向；下一句用 Some even 再推进一步，说明问题确实存在。从反面写，观点更有说服力。

> 2 Amid the flood of foreign films, brands and ideas, young people who know little about their own heritage may easily lose their bearings.
> 在外国电影、品牌和思想的洪流中，对自身文化遗产知之甚少的年轻人很容易迷失方向。
> 3 Some even dismiss traditional customs as outdated and irrelevant to modern life.
> 有些人甚至认为传统习俗过时了，与现代生活毫不相干，对其不屑一顾。

03 用“两个方面”总起论证段

第二段第一句先说 builds confidence in two ways，告诉读者下面要分两层写；Such understanding 指回首句的 a deep understanding，前后连得很紧。

> 4 Such understanding builds confidence in two ways.
> 这种了解从两个方面增强自信。

04 第一层：观点 + 具体经典

用 To begin with 开头先给观点（坚定的身份认同），下一句用 Once 写出条件（读懂《论语》、欣赏唐诗），再用 not as … but as … 写出态度的转变：从觉得过时到感到骄傲。

> 5 To begin with, it gives students a firm sense of identity.
> 首先，它让学生拥有坚定的身份认同感。
> 6 Once they appreciate the wisdom of classics such as The Analects or the beauty of Tang poetry, they see their culture not as old-fashioned but as a source of pride.
> 一旦领会了《论语》等经典的智慧或唐诗之美，他们就不会把自己的文化看作陈旧过时的东西，而是视为自豪的源泉。

05 第二层：观点 + 身边人的事例

用 Moreover 引出第二层观点（自信地向世界介绍中国），紧接着讲朋友在英国讲解春联、同学们听得入迷的事，最后用 an experience that … 一句话点明这件事说明了什么。

> 7 Moreover, it allows them to introduce China to the world with confidence.
> 此外，它让他们能够自信地向世界介绍中国。
> 8 A friend of mine who studied in Britain told me that her classmates were fascinated when she explained the meaning behind Spring Festival couplets, an experience that made her proud of where she came from.
> 我的一位在英国留学的朋友告诉我，当她讲解春联背后的含义时，同学们都听得入了迷，这段经历让她为自己的出身感到自豪。

06 提出具体可行的做法

用 Therefore 承接上文，students should make a conscious effort to 提出建议，再用 whether by 接三个动名词短语（读经典、逛博物馆、学书法），把建议落到具体行动上。

> 9 Therefore, students should make a conscious effort to explore traditional culture, whether by reading classical works, visiting museums or learning a traditional art such as calligraphy.
> 因此，学生应当有意识地努力探索传统文化，无论是通过阅读经典著作、参观博物馆，还是学习书法等传统艺术。

07 用过去分词短语收尾、呼应首句

Firmly rooted in their own culture 放句首说明条件，主句写结果；a globalized world 呼应首句的 globalization，首尾照应。

> 10 Firmly rooted in their own culture, young people can stay open-minded without losing themselves in a globalized world.
> 年轻人深深扎根于自身文化，就能在全球化的世界中保持开放的心态，而不迷失自我。

7 为什么是满分档

切题 · 结构与连贯 · 语言

切题

首句一字不差照抄，后文每一段都紧扣“了解传统文化 → 文化自信”这条因果关系：第一段从反面说明不了解传统的后果，第二段从身份认同和向世界介绍中国两个方面论证，并举出《论语》、唐诗和春联的具体例子，第三段说明学生该怎么做，结尾又回到“全球化”和“自身文化”。题目提示的“评论、举例”都用上了，没有一句跑题。满分档作文的特点就是：观点明确，每一部分都在为中心服务。

Faced with growing globalization, students realize that a deep understanding of traditional Chinese culture helps cultivate cultural confidence.

young people who know little about their own heritage may easily lose their bearings

Such understanding builds confidence in two ways.

explained the meaning behind Spring Festival couplets

Firmly rooted in their own culture

结构与连贯

三段式结构清楚：提出观点并说明背景 → 论证为什么 → 说明怎么做。第二段先用总起句（in two ways）交代本段要写什么，再用 To begin with、Moreover 分两层展开；Such understanding 指回首句，Therefore 引出建议，结尾的 a globalized world 呼应首句的 globalization。读者能顺着思路一步步读下去，这正是满分档作文在结构上的表现。

Such understanding builds confidence in two ways | To begin with | Moreover | Therefore | a globalized world

语言

句式丰富而且用得准确：Amid 引出背景、who 定语从句、dismiss … as …、Once 引导的条件句、not as … but as … 对比、同位语 an experience that、过去分词短语 Firmly rooted in 加 without doing；用词具体、正式，如 lose their bearings、heritage、a source of pride、make a conscious effort；同一意思换着说（traditional culture、heritage、their own culture），避免重复。全文没有语法错误，表达自然，满分档作文的语言就是这样准确、多样又地道。

Amid the flood of foreign films, brands and ideas

dismiss traditional customs as outdated and irrelevant to modern life

they see their culture not as old-fashioned but as a source of pride

an experience that made her proud of where she came from | make a conscious effort to explore traditional culture

stay open-minded without losing themselves in a globalized world

8 升格示范

普通写法一步一步改成满分句

升格 1

第 1 步 Many young people do not know traditional culture well.
只是一句笼统的陈述，没有说出背景，也没有说出“不了解”会带来什么后果，起不到论证作用。

第 2 步 There are many foreign films and brands today, so some young people may get lost.
有了背景和后果，但 There are 和 get lost 都很普通，so 连接的因果也比较生硬，没有说清是哪些年轻人会迷失。

第 3 步 Amid the flood of foreign films, brands and ideas, many young people may easily lose their bearings.
用 Amid the flood of 写出外来文化大量涌入的画面，lose their bearings 更地道；但 many young people 范围太大，还没点明“不了解自己文化的人”才会迷失，和首句的联系不够紧。

满分句 **Amid the flood of foreign films, brands and ideas, young people who know little about their own heritage may easily lose their bearings.**

升格 2

第 1 步 Traditional culture can make students proud.
观点说出来了，但没有任何具体内容，读者看不出“怎样”让学生自豪。

第 2 步 When students read The Analects and Tang poetry, they will think their culture is good.
加上了具体的经典，例子实了；但 read、think … is good 太口语，没写出看法的变化。

第 3 步 Once they appreciate the wisdom of The Analects or the beauty of Tang poetry, they become proud of their culture.
appreciate the wisdom of、the beauty of 更有文采；但只写了结果，没有用对比写出“从觉得过时到感到骄傲”的转变，力度还不够。

满分句 **Once they appreciate the wisdom of classics such as The Analects or the beauty of Tang poetry, they see their culture not as old-fashioned but as a source of pride.**

升格 3

第 1 步 Therefore, students should learn more about traditional culture.
说了要做什么，却没说怎么做，learn more 太空泛，阅卷老师看不到具体建议。

第 2 步 Therefore, students should try to learn traditional culture by reading books and going to museums.
有了具体途径，但 try to、going to museums 比较口语，只有两条途径，也没有更具体的例子。

第 3 步 Therefore, students should make a conscious effort to explore traditional culture by reading classical works and visiting museums.
换成 make a conscious effort to、explore、classical works 等正式表达；但途径还可以更丰富：用 whether by 列出三条，再加上 such as calligraphy 这样的具体例子。

满分句 **Therefore, students should make a conscious effort to explore traditional culture, whether by reading classical works, visiting museums or learning a traditional art such as calligraphy.**

9 高分句式

公式 → 原句 → 讲解 → 仿写

① Amid 背景 + who 定语从句

这个句式表达 表达“在……的大环境中，具有某种特点的人很容易……”，先交代背景，再指出问题

公式 Amid + 背景名词, 人 + who + 特点 + may easily + 动词原形 …

范文原句 Amid the flood of foreign films, brands and ideas, young people who know little about their own heritage may easily lose their bearings

在外国电影、品牌和思想的洪流中，对自身文化遗产知之甚少的年轻人很容易迷失方向

Amid 是介词，意思是“在……之中”，比 In 更有画面感；the flood of 意思是“大量涌入的……”。who 定语从句把“哪些年轻人”说清楚，避免一竿子打翻所有人。lose their bearings 意思是“迷失方向”，比 get lost 更地道。

例1 Amid the flood of online information, students who cannot judge sources may easily be misled.
在网络信息的洪流中，不会判断信息来源的学生很容易被误导。

例2 Amid fierce competition, young people who lack clear goals may easily feel anxious.

在激烈的竞争中，缺乏明确目标的年轻人很容易感到焦虑。

也可以这样说

In an age of ..., those who ... are likely to ...

在……的时代，那些……的人很可能……

Surrounded by ..., people who ... tend to ...

被……包围，那些……的人往往……

② dismiss … as … 否定态度句

这个句式表达 表达“有人把某事看作……而不予理会”，用来写出一种需要纠正的错误看法

公式 主语（如 Some / Some people）+ (even) + dismiss + 对象 + as + 形容词 / 名词 …

范文原句 Some even dismiss traditional customs as outdated and irrelevant to modern life

有些人甚至认为传统习俗过时了，与现代生活毫不相干，对其不屑一顾

dismiss … as … 意思是“把……视为……而不予理会”，一个短语就写出了“看不起”的态度，比 think … is not useful 简洁得多。even 表示程度更进一步，为后文的论证制造必要性。

例1 Some people even dismiss reading paper books as a waste of time.

有些人甚至认为读纸质书是浪费时间，对其不屑一顾。

例2 Before exams, many students dismiss physical exercise as unimportant.

许多学生在考试前把体育锻炼看作无关紧要的事。

也可以这样说

Some regard ... as ...

有些人把……看作……

... is often looked down upon as ...

……常常被轻视为……

③ see A not as B but as C 态度转变句

这个句式表达 表达“不再把某事看作……，而是看作……”，写出看法由负面到正面的转变

公式 主语 + see / regard + 对象 + not as + B + but as + C

范文原句 they see their culture not as old-fashioned but as a source of pride

他们就不会把自己的文化看作陈旧过时的东西，而是视为自豪的源泉

not as … but as … 把两种看法放在一起对比，前面否定错误看法，后面肯定正确看法，观点鲜明。a source of pride 意思是“自豪的源泉”，比 something good 具体得多。

例1 Successful people see failure not as an end but as a chance to learn.

成功的人不把失败看作终点，而是看作学习的机会。

例2 We should see challenges not as obstacles but as opportunities for growth.

我们不应把挑战看作障碍，而应把它们看作成长的机会。

也可以这样说

Instead of viewing ... as ..., they regard it as ...

他们不再把……看作……，而是视为……

Rather than ..., ... becomes ...

……不再是……，而成了……

④ an experience that 同位语总结句

这个句式表达 表达“这段经历让某人……”，讲完事例后用一个名词短语总结它的意义

公式 事例句, an experience / a moment + that + 动词（如 made + 人 + 形容词 / taught + 人 + 名词）…

范文原句 an experience that made her proud of where she came from

这段经历让她为自己的出身感到自豪

an experience 是同位语，指代逗号前面整件事，后面用 that 从句说出这件事的意义。这样不用另起一句 This experience made …，句子更紧凑。where she came from 意思是“她的出身、她来自哪里”。

例1 I once got lost in a foreign city and was helped by a stranger, an experience that taught me the value of kindness.

我曾在一座外国城市迷路，得到一位陌生人的帮助，这段经历让我懂得了善意的可贵。

例2 Our team finished the project after weeks of hard work, an experience that made us more confident.

我们团队经过几周的努力完成了项目，这段经历让我们更加自信。

也可以这样说

..., which made her proud of ...

……，这让她为……感到自豪

This experience made her realize that ...

这段经历让她认识到……

⑤ make a conscious effort to + whether by 建议句

这个句式表达 表达“某人应当有意识地努力做……，无论是通过A、B还是C”，提出建议并列出具体途径

公式 主语 + should make a conscious effort to + 动词原形, whether by doing A, doing B or doing C

范文原句 students should make a conscious effort to explore traditional culture, whether by reading classical works, visiting museums or learning a traditional art such as calligraphy

学生应当有意识地努力探索传统文化，无论是通过阅读经典著作、参观博物馆，还是学习书法等传统艺术

make a conscious effort to 意思是“有意识地努力做……”，比 try to 更正式。whether by 后面接三个动名词短语，形式整齐，把空泛的建议变成具体的行动。such as calligraphy 再举一个例子，让建议更实在。

例1 We should make a conscious effort to protect the environment, whether by saving water, sorting waste or taking public transport.

我们应当有意识地努力保护环境，无论是通过节约用水、垃圾分类，还是乘坐公共交通。

例2 Students should make a conscious effort to improve their English, whether by reading newspapers, watching films or talking with classmates.

学生应当有意识地努力提高英语水平，无论是通过读报纸、看电影，还是和同学交谈。

也可以这样说

... should take every opportunity to ..., such as ...

……应当抓住一切机会……，比如……

There are many ways to ...: ...

……的方法有很多：……

⑥ 过去分词短语开头 + without doing 收尾句

这个句式表达 表达“扎根于……，某人就能……而不……”，句首写条件，句尾写出两全其美的结果

公式 过去分词短语, 主语 + can + 动词原形 … + without + doing …

范文原句 Firmly rooted in their own culture, young people can stay open-minded without losing themselves in a globalized world

年轻人深深扎根于自身文化，就能在全球化的世界中保持开放的心态，而不迷失自我

Firmly rooted in 是过去分词短语，逻辑主语就是后面的 young people，相当于 If young people are firmly rooted in …。without losing themselves 意思是“而不迷失自我”，和 stay open-minded 合在一起，写出“既开放又不迷失”的平衡，结尾有分量。

例1 Equipped with solid knowledge, graduates can face any challenge without losing confidence.

具备扎实的知识，毕业生就能面对任何挑战而不失去信心。

例2 Guided by clear goals, students can enjoy college life without wasting their time.

在明确目标的指引下，学生就能享受大学生活而不浪费时间。

也可以这样说

With deep roots in ..., ...

深深扎根于……，……

Only when ... can they ... without ...

只有……，他们才能……而不……

10 亮点词汇

把普通说法换成高分说法

高分表达	意思	替代的普通说法
globalization	n. 全球化	the world becoming closer
cultivate	v. 培养	build
heritage	n. （文化）遗产	tradition
lose one's bearings	迷失方向；不知所措	get lost
dismiss ... as ...	把……视为……而不予理会	think ... is ...
outdated	adj. 过时的	old
appreciate	v. 领会；欣赏	understand
fascinated	adj. 着迷的；被深深吸引的	very interested
make a conscious effort to	有意识地努力做……	try to
rooted in	扎根于；根植于	connected to

城市居民热爱自然

2026年6月大学英语六级 第2套 · 写作 Part I
议论文 · 范文 192 词

1 原题

Part I **Writing** **(30 minutes)**

Directions: *For this part, you are allowed 30 minutes to write an essay that begins with the sentence* ***"With the trend of urbanization, it is vitally important for city residents to develop a stronger love for nature."*** *You can make comments, cite examples or use your personal experiences to develop your essay. You should write at least 150 words but no more than 200 words.*

You should copy the sentence given in quotes at the beginning of your essay.

题目译文

这一部分（For this part），你有 30 分钟（30 minutes）写一篇文章（essay），文章要以给出的这句话开头（begins with the sentence）："随着城镇化的趋势（the trend of urbanization），城市居民（city residents）培养对大自然更深的热爱，是非常重要的（vitally important）。"（With the trend of urbanization, it is vitally important for city residents to develop a stronger love for nature.）

你可以发表评论（make comments）、举例说明（cite examples），或者用自己的亲身经历（use your personal experiences）来展开文章（develop your essay）。

字数：至少 150 词（at least 150 words），但不超过 200 词（no more than 200 words）。

必须把引号里给出的这句话原样抄写在文章开头（copy the sentence given in quotes at the beginning of your essay），作为第一句。

2 审题

先弄清楚要写什么，再动笔

议论文（给定首句）：城市居民培养对自然的热爱

150—200 词（题目要求 at least 150 words but no more than 200 words，首句也算在内）；范文写到 190—200 词，本篇 192 词。不要卡着 150 词的最低线写，也绝不能超过 200 词

- [ ] 用题目给的句子开头，一字不差照抄，放在全文第一句
- [ ] 围绕首句展开论述：说明为什么城市居民培养对自然的热爱很重要
- [ ] 用评论、举例或亲身经历来支撑观点（题目点明的三种方法，至少用好一两种）
- [ ] 顺着话题说清怎样培养这份热爱，并有一个有力的结尾，让文章完整

语气与身份：正式、客观的议论语气：以第三人称论述为主，描写日常场景时可以用 our mood、our phones 拉近和读者的距离，用 should、can 提出建议，不用口语化的表达

容易失分的地方

- 首句必须一字不差照抄：With the trend of urbanization、vitally important、city residents、a stronger love for nature 一个词都不能改，句末的句号也要照抄
- 题目的主语是“城市居民”，话题是“热爱自然”，不要跑题写成“城市化的利与弊”或“环境污染有多严重”
- 论证要落到具体场景和行为上：在公园散步、垃圾分类、节约用水，不要只写“自然很美、我们要爱护自然”
- 首句算在字数里，写长了容易超过 200 词，动笔前先规划好每段几句

3 题目要求逐条落实

每一条要求 → 范文里的哪一句

题目要求	范文原句	怎么做到的
用给定的句子开头	With the trend of urbanization, it is vitally important for city residents to develop a stronger love for nature.	全文第一句原样照抄题目给的句子，一个词、一个标点都没有改。
论述为什么重要（评论）	A deeper love for nature benefits both individuals and the city as a whole.	第二段先总起“既有益于个人，也有益于整个城市”，再用 For one thing 和 For another 分别论证，理由清楚、层次分明。
用具体场景举例（个人层面）	After a busy week, a walk in a park or along a river can do more for our mood than hours of scrolling through our phones.	用“忙碌一周后去散步”和“刷几个小时手机”作对比，每个读者都有体会，证明亲近自然能缓解压力。
用具体行为举例（城市层面）	They tend to sort their waste, save water and use public transportation, making the city cleaner and more livable.	垃圾分类、节约用水、乘坐公共交通三个具体行为，证明热爱自然的人会让城市更干净、更宜居；题目给的“评论、举例、亲身经历”三种方法，本文用了评论和举例。
说清怎样培养这份热爱	To nurture this love, city governments should build more parks and green spaces in every neighborhood	第三段把做法分给政府、学校和居民自己三个主体，每个主体都有具体做法：修公园、组织户外活动、走出家门。
有力的结尾	After all, a city that respects nature is a better home for everyone.	用 After all 收尾，把“热爱自然”提升到“城市成为更好的家园”，呼应首句的“城市化”和“热爱自然”。
字数 150—200 词	With the trend of urbanization	全文共 192 词（含首句）：第一段 2 句，第二段 5 句，第三段 3 句，落在 190—200 词的目标区间内，没有超过 200 词。

4 写作思路

先列提纲，每段一个任务

第一段

照抄首句，写出现状

首句（城市居民培养对自然的热爱至关重要）→ 现状：被水泥建筑包围，人们大多待在室内，很少留意季节变化，更别说身边的鸟和树

第二段

论证为什么重要

总起：对个人和城市都有益 → 一方面：绿地缓解压力（散步胜过刷手机）→ 另一方面：热爱自然的人更愿意保护它（垃圾分类、节水、坐公交），城市因此更干净宜居

第三段

提出做法并收尾

政府：在每个社区建公园和绿地；学校：组织户外活动 → 居民自己：走出家门、欣赏自然 → 结尾：尊重自然的城市是更好的家园

5 满分范文

荧光笔 + 圆圈编号 = 下面讲的高分句式

[1] With the trend of urbanization, it is vitally important for city residents to develop a stronger love for nature. [2] Surrounded by concrete buildings, many people now spend most of their time indoors① and seldom notice the changing seasons, let alone the birds and trees around them②.

[3] A deeper love for nature benefits both individuals and the city as a whole③. [4] For one thing, time spent in green spaces relieves stress and refreshes the mind. [5] After a busy week, a walk in a park or along a river can do more for our mood than hours of scrolling through our phones④. [6] For another, people who cherish nature are more willing to protect it in their daily lives. [7] They tend to sort their waste, save water and use public transportation, making the city cleaner and more livable⑤.

[8] To nurture this love, city governments should build more parks and green spaces in every neighborhood⑥, and schools can organize outdoor activities so that children learn to observe plants and animals. [9] Residents, too, can start simply by stepping outside and appreciating the natural world. [10] After all, a city that respects nature is a better home for everyone⑦.

参考译文

随着城市化的推进，城市居民培养对自然更深厚的热爱至关重要。被混凝土建筑包围，如今许多人大部分时间都待在室内，很少留意季节的变换，更不用说身边的鸟儿和树木了。

对自然更深的热爱既有益于个人，也有益于整个城市。一方面，在绿地中度过的时光能缓解压力、让头脑焕然一新。忙碌了一周之后，去公园或沿着河边散散步，对我们心情的改善可能比花几个小时刷手机还要大。另一方面，珍爱自然的人在日常生活中更愿意保护它。他们往往会进行垃圾分类、节约用水、乘坐公共交通，让城市变得更加干净、更加宜居。

为了培养这份热爱，城市政府应在每个社区修建更多公园和绿地，学校则可以组织户外活动，让孩子们学会观察动植物。居民们也可以简单地从走出家门、欣赏大自然做起。毕竟，一座尊重自然的城市对每个人来说都是更好的家园。

6 一步一步写出这篇范文

01 一字不差照抄首句

把题目给的句子原样写在开头，抄完逐词核对一遍，尤其是 With the trend of、vitally important 和句末句号。

> 1 With the trend of urbanization, it is vitally important for city residents to develop a stronger love for nature.
> 随着城市化的推进，城市居民培养对自然更深厚的热爱至关重要。

02 用一幅画面写出现状

首句之后不急着讲道理，先用 Surrounded by concrete buildings 描写城市人的处境，再用 let alone 层层递进（连季节都不留意，更别说鸟和树），让读者感到“热爱自然”确实很必要。

> 2 Surrounded by concrete buildings, many people now spend most of their time indoors and seldom notice the changing seasons, let alone the birds and trees around them.
> 被混凝土建筑包围，如今许多人大部分时间都待在室内，很少留意季节的变换，更不用说身边的鸟儿和树木了。

03 用 both … and … 总起论证段

第二段第一句先说 benefits both individuals and the city as a whole，告诉读者下面分个人和城市两层写，结构一目了然。

> 3 A deeper love for nature benefits both individuals and the city as a whole.
> 对自然更深的热爱既有益于个人，也有益于整个城市。

04 个人层面：观点 + 生活场景

用 For one thing 开头先给观点（缓解压力、让头脑焕然一新），下一句用 After a busy week 引出散步的场景，再用 do more for … than … 和刷手机作对比，观点有画面感。

> 4 For one thing, time spent in green spaces relieves stress and refreshes the mind.
> 一方面，在绿地中度过的时光能缓解压力、让头脑焕然一新。
>
> 5 After a busy week, a walk in a park or along a river can do more for our mood than hours of scrolling through our phones.
> 忙碌了一周之后，去公园或沿着河边散散步，对我们心情的改善可能比花几个小时刷手机还要大。

05 城市层面：观点 + 具体行为 + 结果

用 For another 开头先给观点（热爱自然的人更愿意保护它），下一句列出三个具体行为，最后用现在分词 making 点明结果：城市更干净、更宜居。

> 6 For another, people who cherish nature are more willing to protect it in their daily lives.
> 另一方面，珍爱自然的人在日常生活中更愿意保护它。
>
> 7 They tend to sort their waste, save water and use public transportation, making the city cleaner and more livable.
> 他们往往会进行垃圾分类、节约用水、乘坐公共交通，让城市变得更加干净、更加宜居。

06 做法分给不同主体

用 To nurture this love 开头点明目的，政府和学校的做法用 and 连成一句，学校的做法后面用 so that 说明目的；再用 Residents, too 补上居民自己能做的小事。

> 8 To nurture this love, city governments should build more parks and green spaces in every neighborhood, and schools can organize outdoor activities so that children learn to observe plants and animals.
> 为了培养这份热爱，城市政府应在每个社区修建更多公园和绿地，学校则可以组织户外活动，让孩子们学会观察动植物。
> 9 Residents, too, can start simply by stepping outside and appreciating the natural world.
> 居民们也可以简单地从走出家门、欣赏大自然做起。

07 用 After all 收尾、升华

After all 意思是“毕竟”，用一句简短有力的话总结全文：尊重自然的城市对每个人都是更好的家园，呼应首句的城市和自然。

> 10 After all, a city that respects nature is a better home for everyone.
> 毕竟，一座尊重自然的城市对每个人来说都是更好的家园。

7 为什么是满分档

切题 · 结构与连贯 · 语言

切题

首句一字不差照抄，后文每一段都紧扣“城市居民热爱自然”：第一段写出城市人远离自然的现状，第二段从个人和城市两个层面论证热爱自然的好处，并举出散步、垃圾分类等具体场景和行为，第三段说明政府、学校、居民分别该怎么做，结尾又回到“城市”和“自然”。题目提示的“评论、举例”都用上了，没有一句跑题。满分档作文的特点就是：观点明确，每一部分都在为中心服务。

With the trend of urbanization, it is vitally important for city residents to develop a stronger love for nature.

seldom notice the changing seasons

A deeper love for nature benefits both individuals and the city as a whole.

To nurture this love

a city that respects nature is a better home for everyone

结构与连贯

三段式结构清楚：提出观点并写出现状 → 论证为什么 → 说明怎么做。第二段先用总起句（benefits both … and …）交代本段要写什么，再用 For one thing、For another 分两层展开；第三段 To nurture this love 指回前文，Residents, too 补上第三个主体，After all 收尾。读者能顺着思路一步步读下去，这正是满分档作文在结构上的表现。

benefits both individuals and the city as a whole

For one thing

For another

To nurture this love

Residents, too

After all

语言

句式丰富而且用得准确：过去分词短语 Surrounded by、let alone 递进、do more for … than … 对比、who 定语从句、现在分词 making 表结果、so that 目的从句、that 定语从句收尾；用词具体、正式，如 relieves stress、refreshes the mind、cherish、livable、nurture；同一意思换着说（green spaces、a park、the natural world），避免重复。全文没有语法错误，表达自然，满分档作文的语言就是这样准确、多样又地道。

Surrounded by concrete buildings | let alone the birds and trees around them

relieves stress and refreshes the mind | can do more for our mood than hours of scrolling through our phones

making the city cleaner and more livable | so that children learn to observe plants and animals

8 升格示范

普通写法一步一步改成满分句

升格 1

第 1 步 People in cities do not have much contact with nature.
只是一句笼统的陈述，看不到任何画面，读者体会不到问题有多严重。

第 2 步 Many people live in tall buildings and stay indoors most of the time.
有了具体的生活状态，但 live in tall buildings 很普通，也没有写出“远离自然”到了什么程度。

第 3 步 Surrounded by concrete buildings, many people now spend most of their time indoors and seldom notice the changing seasons.
用过去分词短语 Surrounded by 开头，画面感强，seldom notice the changing seasons 写出了远离自然的后果；但还可以再进一步，用 let alone 推进一层。

满分句 **Surrounded by concrete buildings, many people now spend most of their time indoors and seldom notice the changing seasons, let alone the birds and trees around them.**

升格 2

第 1 步 Walking in a park is good for our mood.
观点对，但只是一句干巴巴的结论，没有场景，也没有对比。

第 2 步 After a busy week, walking in a park can make us feel better.
加上 After a busy week，场景出来了；但 make us feel better 很口语，读者还是看不出散步到底好在哪里。

第 3 步 After a busy week, a walk in a park or along a river is better for our mood than using our phones.
多了一个地点，也有了对比；但 is better for、using our phones 比较平淡，换成 do more for 和 hours of scrolling through our phones，对比会更鲜明。

满分句 **After a busy week, a walk in a park or along a river can do more for our mood than hours of scrolling through our phones.**

升格 3

第 1 步 The government and schools should help people love nature.
说了谁来做，却没说做什么，help 太空泛，阅卷老师看不到具体建议。

第 2 步 The government should build more parks, and schools should take students outside.
建议具体了，但 take students outside 很口语，两个 should 重复，也没有和前文连起来。

第 3 步 To nurture this love, city governments should build more parks and green spaces in every neighborhood, and schools can organize outdoor activities.
用 To nurture this love 承接上文，should 和 can 轮换；但学校这一条只说了做什么，还可以用 so that 说出目的：让孩子学会观察动植物。

满分句 **To nurture this love, city governments should build more parks and green spaces in every neighborhood, and schools can organize outdoor activities so that children learn to observe plants and animals.**

9 高分句式

公式 → 原句 → 讲解 → 仿写

① 过去分词短语描写处境

这个句式表达 表达“处在……的环境中，某人……”，先写处境，再写人的状态

公式 过去分词短语（Surrounded by …），主语 + 谓语 …

范文原句 Surrounded by concrete buildings, many people now spend most of their time indoors

被混凝土建筑包围，如今许多人大部分时间都待在室内

Surrounded by 是过去分词短语，逻辑主语就是后面的 many people，相当于 Because they are surrounded by …。用它开头，一下子就把城市生活的画面摆在读者眼前，比 People live in cities 生动得多。

例1 Surrounded by electronic devices, children today rarely play outdoors.
被各种电子设备包围，如今的孩子很少到户外玩耍。

例2 Weighed down by heavy workloads, many office workers have little time for exercise.
被繁重的工作压得喘不过气，许多上班族几乎没有时间锻炼。

也可以这样说

Living in a world of ..., people ...
生活在……的世界里，人们……

Because they are surrounded by ..., ...
因为被……包围，……

② let alone 递进句

这个句式表达 表达“连……都不……，更不用说……了”，用来强调程度之深

公式 否定句（seldom / hardly / not）…, let alone + 名词 / 动词原形

范文原句 let alone the birds and trees around them

更不用说身边的鸟儿和树木了

let alone 前面要有否定意思（这里是 seldom notice），后面接更进一步的内容。前面说“连季节变化都很少留意”，后面说“更别说鸟和树”，一层比一层具体，把人们远离自然的程度写得很到位。

例1 Many students seldom read the news, let alone think about it critically.

许多学生很少看新闻，更不用说批判性地思考了。

例2 He can hardly afford a bike, let alone a car.

他连自行车都买不起，更不用说汽车了。

也可以这样说

..., not to mention ...

……，更不用说……

..., still less ...

……，更不必说……

③ benefits both A and B 总起句

这个句式表达 表达“某事既有益于A，也有益于B”，为下面分层论证开路

公式 A + benefits both + B + and + C (as a whole)（后文可用 For one thing, … For another, … 展开）

范文原句 A deeper love for nature benefits both individuals and the city as a whole

对自然更深的热爱既有益于个人，也有益于整个城市

benefit 作动词，意思是“有益于”。both … and … 先告诉读者下面要写两层，再用 For one thing、For another 分别展开；as a whole 意思是“整体上”，强调整个城市都受益。

例1 Volunteer work benefits both the people being helped and the volunteers themselves.

志愿服务既有益于受助的人，也有益于志愿者自己。

例2 Online learning benefits both students in remote areas and society as a whole.

网络学习既有益于偏远地区的学生，也有益于整个社会。

也可以这样说

... is good not only for ... but also for ...

……不仅对……有好处，对……也有好处

... brings benefits to both ... and ...

……给……和……都带来好处

④ do more for ... than ... 对比句

这个句式表达 表达“A 对……的帮助比 B 还要大”，用两种做法作对比，突出 A 的好处

公式 A + can do more for + 对象 + than + B

范文原句 can do more for our mood than hours of scrolling through our phones

对我们心情的改善可能比花几个小时刷手机还要大

do more for 意思是“对……更有帮助”，比 is better for 更自然。拿散步和读者最熟悉的“刷手机”作对比，不用讲大道理，读者自己就能体会到亲近自然的好处。scroll through one's phone 意思是“刷手机”。

例1 A good night's sleep can do more for your exam results than staying up all night.

睡一个好觉对考试成绩的帮助，可能比熬一整夜还要大。

例2 A face-to-face talk can do more for a friendship than hundreds of online messages.

一次面对面的交谈对友谊的帮助，可能比几百条网上留言还要大。

也可以这样说

... is far more helpful than ...

……比……有用得多

Compared with ..., ... works much better.

与……相比，……效果好得多。

⑤ 现在分词 making 表结果

这个句式表达 表达“（这些做法）使……变得……”，在句末补出前面行为带来的结果

公式 主句（具体行为），making + 宾语 + 形容词比较级

范文原句 making the city cleaner and more livable

让城市变得更加干净、更加宜居

现在分词 making 接在句末，逻辑主语是前面整件事，表示“从而使……”。列完具体行为后马上说出结果，例子就和观点挂上了钩。cleaner and more livable 两个比较级并列，节奏整齐。

例1 More and more people shop online, making daily life more convenient.

越来越多的人在网上购物，让日常生活更加便利。

例2 The school opened its library at night, making it easier for students to study.

学校晚上开放图书馆，让学生学习更加方便。

也可以这样说

..., which makes ...

……，这使得……

..., so that ... becomes ...

……，从而使……变得……

⑥ To 目的状语开头的建议句

这个句式表达 表达“为了……，某人应当……”，先点明目的，再提出具体做法

公式 To + 动词原形 …, 主语 + should + 具体做法 …

范文原句 To nurture this love, city governments should build more parks and green spaces in every neighborhood

为了培养这份热爱，城市政府应在每个社区修建更多公园和绿地

To nurture this love 放在句首，既点明目的，this love 又指回前文，起到承上启下的作用。nurture 意思是“培养、养育”，比 develop 更有温度。建议要具体：build more parks、in every neighborhood，而不是只说 do something。

例1 To reduce traffic jams, the government should improve public transport.

为了减少交通拥堵，政府应当改善公共交通。

例2 To develop good reading habits, students should set aside time for reading every day.

为了养成良好的阅读习惯，学生应当每天留出时间读书。

也可以这样说

In order to ..., ...

为了……，……

One effective way to ... is to ...

……的一个有效方法是……

⑦ After all 总结收尾句

这个句式表达 表达“毕竟，……”，用一个大家都认同的道理收尾，让结论更有说服力

公式 After all, a + 名词 + that + 从句 + is a better + 名词 (+ for everyone / for all / to do …).

范文原句 After all, a city that respects nature is a better home for everyone

毕竟，一座尊重自然的城市对每个人来说都是更好的家园

After all 意思是“毕竟”，引出一个无须争辩的道理。that respects nature 是定语从句，说明什么样的城市；a better home for everyone 把话题从个人提升到所有人，结尾简短有力。

例1 After all, a school that values every student is a better place to learn.

毕竟，一所重视每一个学生的学校是更好的学习场所。

例2 After all, a society that cares for the elderly is a better place for all.

毕竟，一个关爱老人的社会对所有人来说都是更美好的地方。

也可以这样说

Ultimately, ...

归根结底，……

Only in this way can ...

只有这样，……才能……

10 亮点词汇

把普通说法换成高分说法

高分表达	意思	替代的普通说法
urbanization	n. 城市化	the growth of cities
resident	n. 居民	people living in a place
concrete	adj. 混凝土的	cement
seldom	adv. 很少	not often
relieve	v. 缓解；减轻	reduce
refresh	v. 使焕然一新；使恢复精力	make ... feel better
cherish	v. 珍爱；珍惜	love
livable	adj. 宜居的	nice to live in
nurture	v. 培养；养育	develop
appreciate	v. 欣赏	enjoy

增强青年责任感

2026年6月大学英语六级 第3套 · 写作 Part I
议论文 · 范文 197 词

1 原题

Part I **Writing** **(30 minutes)**

Directions: *For this part, you are allowed 30 minutes to write an essay that begins with the sentence* ***"In an era of rapid social development, it is vitally important to enhance young people's sense of responsibility."*** *You can make comments, cite examples or use your personal experiences to develop your essay. You should write at least 150 words but no more than 200 words.*

You should copy the sentence given in quotes at the beginning of your essay.

题目译文

这一部分（For this part），你有 30 分钟（30 minutes）写一篇文章（essay），文章要以给出的这句话开头（begins with the sentence）："在社会快速发展的时代（an era of rapid social development），增强年轻人的责任感（sense of responsibility）是非常重要的（vitally important）。"（In an era of rapid social development, it is vitally important to enhance young people's sense of responsibility.）

你可以发表评论（make comments）、举例说明（cite examples），或者用自己的亲身经历（use your personal experiences）来展开文章（develop your essay）。

字数：至少 150 词（at least 150 words），但不超过 200 词（no more than 200 words）。

必须把引号里给出的这句话原样抄写在文章开头（copy the sentence given in quotes at the beginning of your essay），作为第一句。

2 审题

先弄清楚要写什么，再动笔

议论文（给定首句）：增强青年的责任感

150—200 词（题目要求 at least 150 words but no more than 200 words，首句也算在内）；范文写到 190—200 词，本篇 197 词。不要卡着 150 词的最低线写，也绝不能超过 200 词

- [ ] 用题目给的句子开头，一字不差照抄，放在全文第一句
- [ ] 围绕首句展开论述：说明为什么增强青年的责任感很重要
- [ ] 用评论、举例或亲身经历来支撑观点（题目点明的三种方法，至少用好一两种）
- [ ] 顺着话题说清怎样增强责任感，并有一个有力的结尾，让文章完整

语气与身份：正式、客观的议论语气：以第三人称论述为主，用 should、can 提出建议，不用口语化的表达

容易失分的地方

- 首句必须一字不差照抄：vitally important、young people's、sense of responsibility 一个词都不能改，句末的句号也要照抄
- 首句已经亮出观点（增强责任感至关重要），后文要紧扣这个观点，不要跑题写成“年轻人压力大”或“年轻人缺点多”
- 例子要具体：写清谁、做了什么，不要只喊“青年要有责任感”的口号
- 首句算在字数里，写长了容易超过 200 词，动笔前先规划好每段几句

3 题目要求逐条落实

每一条要求 → 范文里的哪一句

题目要求	范文原句	怎么做到的
用给定的句子开头	In an era of rapid social development, it is vitally important to enhance young people's sense of responsibility.	全文第一句原样照抄题目给的句子，一个词、一个标点都没有改。
论述为什么重要（评论）	A strong sense of responsibility matters on two levels.	第二段先总起“两个层面”，再分别从个人（成功的基础）和社会（进步的推动力）两方面论证，理由清楚、层次分明。
举例支撑观点	countless young volunteers have taught in rural schools, cared for elderly residents and joined environmental campaigns	用青年志愿者支教、照顾老人、参加环保活动三个具体事例证明“责任感能变成行动”；题目给的“评论、举例、亲身经历”三种方法，本文用了评论和举例。
说清怎样增强责任感	Enhancing this sense of responsibility is a shared task.	第三段总起“这是共同的任务”，再分给家庭、学校、青年自己三个主体，每个主体都有具体做法。
有力的结尾	Only in this way can they shoulder the responsibilities of their time.	用 Only in this way 倒装句收尾，呼应首句的“时代”（era）和“责任感”，首尾照应。
字数 150—200 词	In an era of rapid social development	全文共 197 词（含首句）：第一段 2 句，第二段 4 句，第三段 4 句，落在 190—200 词的目标区间内，没有超过 200 词。

4 写作思路

先列提纲，每段一个任务

第一段

照抄首句，引出论点

首句（增强青年责任感至关重要）→ 补充一句理由：青年是国家未来的建设者，他们是否负责将塑造明天的社会

第二段

论证为什么重要

总起：两个层面 → 个人：责任感是成功的基础（认真学习、信守承诺的学生更受信任）→ 社会：青年是进步的推动力 → 事例：志愿者支教、照顾老人、参加环保活动

第三段

提出做法并收尾

总起：共同的任务 → 家庭：让孩子自己处理事务、承担后果；学校：提供社区服务机会 → 最重要：青年自己从小事做起 → 倒装句收尾

5 满分范文

荧光笔 + 圆圈编号 = 下面讲的高分句式

[1] In an era of rapid social development, it is vitally important to enhance young people's sense of responsibility. [2] As the future builders of the country, young people will soon take on key roles in every field①, and how responsibly they act will largely shape the society of tomorrow②.

[3] A strong sense of responsibility matters on two levels③. [4] For individuals, it is the foundation of success: students who take their studies seriously and keep their promises are far more likely to earn the trust of teachers, employers and friends④. [5] For society, responsible young people are a major driving force behind progress. [6] In recent years, countless young volunteers have taught in rural schools, cared for elderly residents and joined environmental campaigns, showing that a sense of duty can turn into concrete action⑤.

[7] Enhancing this sense of responsibility is a shared task. [8] Families should let children handle their own affairs and face the consequences of their choices, while schools can offer more opportunities for community service⑥. [9] Most importantly, young people themselves should start with small things, such as finishing every task carefully and caring for those around them. [10] Only in this way can they shoulder the responsibilities of their time⑦.

参考译文

在社会快速发展的时代，增强年轻人的责任感至关重要。作为国家未来的建设者，年轻人很快将在各个领域担当关键角色，他们以怎样负责的态度行事，将在很大程度上塑造明天的社会。

强烈的责任感在两个层面上都很重要。对个人而言，责任感是成功的基础：认真对待学业、信守承诺的学生，远比别人更有可能赢得老师、雇主和朋友的信任。对社会而言，有责任感的年轻人是推动进步的重要力量。近年来，无数年轻志愿者到乡村学校支教、照顾老年居民、参加环保活动，这表明责任感能够转化为实实在在的行动。

增强这种责任感是一项共同的任务。家庭应让孩子自己处理自己的事务，并承担自己选择带来的后果，而学校可以提供更多参与社区服务的机会。最重要的是，年轻人自身应从小事做起，比如认真完成每一项任务、关心身边的人。只有这样，他们才能担负起时代赋予的责任。

6 一步一步写出这篇范文

01 一字不差照抄首句

把题目给的句子原样写在开头，抄完逐词核对一遍，尤其是 vitally、young people's 和句末句号。

> 1 In an era of rapid social development, it is vitally important to enhance young people's sense of responsibility.
> 在社会快速发展的时代，增强年轻人的责任感至关重要。

02 紧跟一句说出“为什么”

首句只给了观点，第二句马上补上理由：用 As the future builders of the country 点明青年的身份，再用 how responsibly they act 作主语，说明他们的态度会影响未来的社会。

> 2 As the future builders of the country, young people will soon take on key roles in every field, and how responsibly they act will largely shape the society of tomorrow.
> 作为国家未来的建设者，年轻人很快将在各个领域担当关键角色，他们以怎样负责的态度行事，将在很大程度上塑造明天的社会。

03 用“两个层面”总起论证段

第二段第一句先说 matters on two levels，告诉读者下面要分两层写，结构一目了然。

> 3 A strong sense of responsibility matters on two levels.
> 强烈的责任感在两个层面上都很重要。

04 个人层面：观点 + 具体的人

用 For individuals 开头，先说“责任感是成功的基础”，冒号后面写出具体的学生形象（认真学习、信守承诺），再说出结果（更容易赢得信任）。

> 4 For individuals, it is the foundation of success: students who take their studies seriously and keep their promises are far more likely to earn the trust of teachers, employers and friends.
> 对个人而言，责任感是成功的基础：认真对待学业、信守承诺的学生，远比别人更有可能赢得老师、雇主和朋友的信任。

05 社会层面：观点 + 事例

用 For society 开头先给观点，下一句用 In recent years 引出志愿者的三个具体行动，最后用 showing that 点明事例证明了什么。

> 5 For society, responsible young people are a major driving force behind progress.
> 对社会而言，有责任感的年轻人是推动进步的重要力量。
>
> 6 In recent years, countless young volunteers have taught in rural schools, cared for elderly residents and joined environmental campaigns, showing that a sense of duty can turn into concrete action.
> 近年来，无数年轻志愿者到乡村学校支教、照顾老年居民、参加环保活动，这表明责任感能够转化为实实在在的行动。

06 做法分给不同主体，突出最重要的一个

先总起“共同的任务”，再用 while 把家庭和学校的做法连成一句，最后用 Most importantly 突出青年自己，并用 such as 给出可以马上做到的小事。

> 7 Enhancing this sense of responsibility is a shared task.
> 增强这种责任感是一项共同的任务。
> 8 Families should let children handle their own affairs and face the consequences of their choices, while schools can offer more opportunities for community service.
> 家庭应让孩子自己处理自己的事务，并承担自己选择带来的后果，而学校可以提供更多参与社区服务的机会。
> 9 Most importantly, young people themselves should start with small things, such as finishing every task carefully and caring for those around them.
> 最重要的是，年轻人自身应从小事做起，比如认真完成每一项任务、关心身边的人。

07 用倒装句收尾、呼应首句

Only in this way 放句首，后面部分倒装；the responsibilities of their time 呼应首句的 era 和 responsibility，首尾照应。

> 10 Only in this way can they shoulder the responsibilities of their time.
> 只有这样，他们才能担负起时代赋予的责任。

7 为什么是满分档

切题 · 结构与连贯 · 语言

切题

首句一字不差照抄，后文每一段都紧扣“增强青年责任感”：第一段说明为什么重要，第二段从个人和社会两个层面论证并举出志愿者的具体事例，第三段说明家庭、学校、青年自己分别该怎么做，结尾又回到“责任”。题目提示的“评论、举例”都用上了，没有一句跑题。满分档作文的特点就是：观点明确，每一部分都在为中心服务。

In an era of rapid social development, it is vitally important to enhance young people's sense of responsibility.
A strong sense of responsibility matters on two levels.
countless young volunteers have taught in rural schools
Enhancing this sense of responsibility is a shared task.
the responsibilities of their time

结构与连贯

三段式结构清楚：提出观点 → 论证为什么 → 说明怎么做。第二、三段都先用总起句（matters on two levels、a shared task）交代本段要写什么，再分层展开；段内用 For individuals、For society、while、Most importantly 等标出层次；指代词 this sense of responsibility 把第三段和前文连起来；结尾 Only in this way 呼应首句。读者能顺着思路一步步读下去，这正是满分档作文在结构上的表现。

matters on two levels
For individuals
For society
Enhancing this sense of responsibility
Most importantly
Only in this way can

语言

句式丰富而且用得准确：As 引出身份、how 主语从句、who 定语从句、现在分词 showing that、while 连接的对比句、Only in this way 倒装句；用词具体、正式，如 take on key roles、driving force、concrete action、shoulder；同一意思换着说（sense of responsibility、sense of duty），避免重复。全文没有语法错误，表达自然，满分档作文的语言就是这样准确、多样又地道。

As the future builders of the country | how responsibly they act will largely shape the society of tomorrow | students who take their studies seriously and keep their promises | a major driving force behind progress | showing that a sense of duty can turn into concrete action | shoulder the responsibilities of their time

8 升格示范

普通写法一步一步改成满分句

升格 1

第 1 步 Young people are important because they will build the country.
理由说出来了，但只有一层意思，important 也很普通，读起来像口号。

第 2 步 Young people will build the country in the future, and they will have important jobs in every field.
内容多了一层（在各个领域担当重任），但 have important jobs 太口语，两个分句都是“主语 + will + 动词”的句式，句式单调。

第 3 步 As the future builders of the country, young people will soon take on key roles in every field.
用 As 把身份放到句首，take on key roles 更正式；但还没有说出“他们是否负责会影响什么”，和“责任感”的联系不够紧。

满分句 **As the future builders of the country, young people will soon take on key roles in every field, and how responsibly they act will largely shape the society of tomorrow.**

升格 2

第 1 步 Many young people do volunteer work.
只是一句笼统的说法，没有具体做了什么，起不到举例的作用。

第 2 步 In recent years, many young volunteers have taught in rural schools and cared for old people.
有了具体行动，例子实了；但 many、old people 比较普通，只有两个例子，力度还不够。

第 3 步 In recent years, countless young volunteers have taught in rural schools, cared for elderly residents and joined environmental campaigns.
三个行动排成一组，节奏感强；countless、elderly residents 更正式。但只摆了例子，没有说出例子证明了什么。

满分句 **In recent years, countless young volunteers have taught in rural schools, cared for elderly residents and joined environmental campaigns, showing that a sense of duty can turn into concrete action.**

升格 3

第 1 步 Families and schools should help young people.
说了谁来做，却没说做什么，help 太空泛，阅卷老师看不到具体建议。

第 2 步 Families should let children do things by themselves, and schools should give them more chances to help others.
建议具体了，但 do things、give chances 很口语，两个 should 重复。

第 3 步 Families should let children handle their own affairs, and schools can offer more opportunities for community service.
换成 handle their own affairs、community service 等正式表达，should 和 can 轮换；但家庭这一条还可以更深入：不只让孩子做事，还要让他们承担后果。

满分句 **Families should let children handle their own affairs and face the consequences of their choices, while schools can offer more opportunities for community service.**

9 高分句式

公式 → 原句 → 讲解 → 仿写

① As + 身份开头句

这个句式表达 表达“作为……（身份），某人将……”，先点明身份，再说他要承担的作用

公式 As + 身份名词, 主语 + will / should + 动词 …

范文原句 As the future builders of the country, young people will soon take on key roles in every field
作为国家未来的建设者，年轻人很快将在各个领域担当关键角色

As 在这里是介词，意思是“作为”；身份放在句首，自然引出后面的责任。take on key roles 意思是“担当关键角色”，比 do important jobs 更正式。

例1 As the main users of the Internet, young people should set an example by spreading positive messages.
作为互联网的主要使用者，年轻人应当在传播正能量方面树立榜样。

例2 As college students, we will soon take on important roles in society.
作为大学生，我们很快将在社会中担当重要角色。

也可以这样说

Being the hope of the nation, young people ...
作为国家的希望，年轻人……

Since young people are the future of the country, ...
既然年轻人是国家的未来，……

② how 主语从句

这个句式表达 表达“某人以怎样的方式做事，将在很大程度上决定……”

公式 how + 形容词 / 副词 + 主语 + 谓语 + will largely shape / determine + 宾语

范文原句 how responsibly they act will largely shape the society of tomorrow

他们以怎样负责的态度行事，将在很大程度上塑造明天的社会

how responsibly they act 是一个从句，整体作主语，谓语动词按单数处理（一般现在时要写 shapes），这里用 will shape。largely 意思是“在很大程度上”，让语气客观、不绝对。

例1 How well we use our time at college will largely shape our future careers.

我们在大学里如何利用时间，将在很大程度上影响我们未来的职业。

例2 How seriously a company treats safety will largely determine its reputation.

一家公司对安全的重视程度，将在很大程度上决定它的声誉。

也可以这样说

What we do today will decide ...

我们今天的所作所为将决定……

... has a great influence on ...

……对……有很大影响

③ 两个层面总起句

这个句式表达 表达“某事在两个层面上都很重要”，为下面分层论证开路

公式 A + matter(s) on two levels（后面分两层展开，如 For individuals, … For society, … / : … and … / both for … and for …）

范文原句 A strong sense of responsibility matters on two levels

强烈的责任感在两个层面上都很重要

matter 作动词，意思是“重要、要紧”。这句先告诉读者下面分两层写，再用 For individuals、For society 分别展开，阅卷老师一眼就能看清论证结构。

例1 Reading matters on two levels: it enriches individuals and strengthens society.

阅读在两个层面上都很重要：它充实个人，也增强社会的力量。

例2 Good manners matter on two levels, both for personal growth and for social harmony.

良好的礼貌在两个层面上都很重要，既关乎个人成长，也关乎社会和谐。

也可以这样说

... is important for both individuals and society.

……对个人和社会都很重要。

On the one hand, ... On the other hand, ...

一方面，……另一方面，……

④ 定语从句 + 比较级结果句

这个句式表达 表达“具有某种品质的人，远比别人更有可能得到某种结果”

公式 人 + who + 具体做法 + are far more likely to + 动词原形 …

范文原句 students who take their studies seriously and keep their promises are far more likely to earn the trust of teachers, employers and friends

认真对待学业、信守承诺的学生，远比别人更有可能赢得老师、雇主和朋友的信任

who 引导的定语从句把抽象的“责任感”变成具体的行为（认真学习、信守承诺）；be likely to 意思是“很可能”，far more 加强比较。这样写，观点有画面感、有说服力。

例1 People who exercise regularly are far more likely to stay healthy in old age.

经常锻炼的人，到老年时远比别人更有可能保持健康。

例2 Students who read widely are far more likely to write well.

广泛阅读的学生，远比别人更有可能写出好文章。

也可以这样说

Those who ... tend to ...

那些……的人往往……

... stand a better chance of ...

……更有机会……

⑤ showing that 点明事例句

这个句式表达 表达“这些事例表明……”，在例子后面点明它证明了什么

公式 事例句, showing that + 完整句子（观点）

范文原句 showing that a sense of duty can turn into concrete action

这表明责任感能够转化为实实在在的行动

现在分词 showing that 接在事例后面，把例子和观点挂钩。举完例子一定要说出“这说明了什么”，否则例子只是罗列，起不到论证作用。

例1 Many retired teachers give free lessons in their communities, showing that age is no barrier to helping others.

许多退休教师在社区免费授课，这表明年龄并不妨碍帮助他人。

例2 Millions of people joined the online campaign, showing that small actions can make a big difference.
数百万人参加了这次网上活动，这表明小行动也能带来大改变。

也可以这样说

..., which proves that ...
……，这证明了……

These examples show that ...
这些例子表明……

⑥ 多主体建议句

这个句式表达 表达“A 应当做……，而 B 可以做……”，一句话给两个主体提出具体建议

公式 A should + 做法1, while B can + 做法2

范文原句 Families should let children handle their own affairs and face the consequences of their choices, while schools can offer more opportunities for community service
家庭应让孩子自己处理自己的事务，并承担自己选择带来的后果，而学校可以提供更多参与社区服务的机会

while 连接两个主体的建议，表示对比和并列；should 和 can 轮换使用，避免重复。建议要具体到“做什么”，如 handle their own affairs、community service，不能只说 help young people。

例1 Parents should limit their children's screen time, while schools can organize more outdoor activities.
父母应当限制孩子使用电子产品的时间，而学校可以组织更多户外活动。

例2 The government should improve public transport, while citizens can choose to cycle or walk more often.
政府应当改善公共交通，而市民可以更多地选择骑车或步行。

也可以这样说

As far as families are concerned, ... As for schools, ...
就家庭而言，……至于学校，……

Not only should families ..., but schools should also ...
不仅家庭应当……，学校也应当……

⑦ Only in this way 倒装收尾句

这个句式表达 表达“只有这样，才能……”，把前面的做法和最终目标连起来收尾

公式 Only in this way + can / will + 主语 + 动词原形 …

范文原句 Only in this way can they shoulder the responsibilities of their time
只有这样，他们才能担负起时代赋予的责任

only 加状语放在句首时，主句要部分倒装：把 can 提到主语前面。shoulder 作动词，意思是“担负”，比 take 更生动。用它收尾，语气有力，还呼应了首句。

例1 Only in this way can young people grow into responsible citizens.

只有这样，年轻人才能成长为有责任感的公民。

例2 Only in this way can we build a society where everyone helps each other.

只有这样，我们才能建设一个人人互助的社会。

也可以这样说

Only then can ...

只有到那时，……才能……

Only by doing so can ...

只有这样做，……才能……

10 亮点词汇

把普通说法换成高分说法

高分表达	意思	替代的普通说法
vitally important	至关重要的	very important
enhance	v. 增强；提高	make stronger
take on	承担；担当	have
largely	adv. 在很大程度上	mostly
foundation	n. 基础	base
driving force	推动力；动力	big help
countless	adj. 无数的	many
concrete	adj. 具体的；实在的	real
handle	v. 处理；应对	deal with
shoulder	v. 承担；担负	take on

青年实现自我价值

2025年12月大学英语六级 第1套 · 写作 Part I
议论文 · 范文 193 词

1 原题

Part I **Writing** **(30 minutes)**

Directions: *For this part, you are allowed 30 minutes to write an essay that begins with the sentence* ***"While striving for the Chinese Dream, young people enjoy more opportunities to realize their self-worth."*** *You can make comments, cite examples or use your personal experiences to develop your essay. You should write at least 150 words but no more than 200 words.*

You should copy the sentence given in quotes at the beginning of your essay.

题目译文

这一部分（For this part），你有 30 分钟（30 minutes）写一篇文章（essay），文章要以给出的这句话开头（begins with the sentence）："在为实现中国梦（the Chinese Dream）而奋斗的过程中（While striving for），年轻人拥有更多实现自我价值（realize their self-worth）的机会。"（While striving for the Chinese Dream, young people enjoy more opportunities to realize their self-worth.）

你可以发表评论（make comments）、举例说明（cite examples），或者用自己的亲身经历（use your personal experiences）来展开文章（develop your essay）。

字数：至少 150 词（at least 150 words），但不超过 200 词（no more than 200 words）。

必须把引号里给出的这句话原样抄写在文章开头（copy the sentence given in quotes at the beginning of your essay），作为第一句。

2 审题

先弄清楚要写什么，再动笔

议论文（给定首句）：中国梦与青年实现自我价值的机会

150—200 词（题目要求 at least 150 words but no more than 200 words，首句也算在内）；范文写到 190—200 词，本篇 193 词。不要卡着 150 词的最低线写，也绝不能超过 200 词

- [ ] 用题目给的句子开头，一字不差照抄，放在全文第一句
- [ ] 围绕首句展开论述：说明年轻人为什么、在哪些方面拥有更多实现自我价值的机会
- [ ] 用评论、举例或亲身经历来支撑观点（题目点明的三种方法，至少用好一两种）
- [ ] 顺着话题说清年轻人该怎样抓住机会，并把个人价值和中国梦联系起来收尾，让文章完整

语气与身份：正式、客观、积极向上的议论语气：以第三人称论述为主，描述正在发生的变化用现在进行时（are opening、are taking part），用 should 提出建议，不用口语化的表达

容易失分的地方

- 首句必须一字不差照抄：While striving for、the Chinese Dream、realize their self-worth 一个词都不能改，self-worth 的连字符也要照抄，句末的句号也要照抄
- 首句有两个关键词：“机会”和“自我价值”，还有一个大背景“中国梦”；只写机会多、不写个人与国家的关系，文章就少了一半
- 例子要具体：写清是哪些领域、年轻人做了什么（参与航天项目、回乡创业），不要只喊“青年大有可为”的口号
- 首句算在字数里，写长了容易超过 200 词，动笔前先规划好每段几句

3 题目要求逐条落实

每一条要求 → 范文里的哪一句

题目要求	范文原句	怎么做到的
用给定的句子开头	While striving for the Chinese Dream, young people enjoy more opportunities to realize their self-worth.	全文第一句原样照抄题目给的句子，一个词、一个标点都没有改。
说明机会从哪里来（评论）	As the country develops rapidly, fields such as science and technology, rural development and cultural innovation are opening their doors wide to young talent.	紧跟首句说明机会多的原因：国家快速发展，科技、乡村、文化等领域向年轻人敞开大门，点出了具体领域。
举例支撑观点（科研领域）	Young researchers are taking part in major national projects, from space exploration to new energy	用年轻科研人员参与航天、新能源等国家重大项目的事例，证明年轻人在科技领域大有作为。
举例支撑观点（乡村领域）	Others are returning to their hometowns to start businesses, selling local products online, creating jobs and helping their neighbors earn a better living.	再举回乡创业、网上卖特产、带动乡亲致富的事例，和上一句一个科研、一个乡村，覆盖面广；题目给的“评论、举例、亲身经历”三种方法，本文用了评论和举例。
说明个人价值与国家发展的关系	For them, personal success and national progress go hand in hand.	举完例子后点明意义：个人成功和国家进步相辅相成，把“自我价值”和“中国梦”连在一起，回扣首句。
说清年轻人该怎么做	Young people should study hard, think independently and have the courage to take on difficult tasks that others shy away from.	先用 Of course 一句话提出“机会青睐有准备的人”，再用三个并列的动词短语提出具体建议，说清怎样抓住机会。
有力的结尾	Only by linking their personal dreams with the future of the nation can they truly realize their self-worth and contribute to the Chinese Dream.	用 Only by 倒装句收尾，realize their self-worth 和 the Chinese Dream 都直接呼应首句，首尾照应。

字数 150—200 词	While striving for the Chinese Dream	全文共 193 词（含首句）：第一段 3 句，第二段 5 句，第三段 3 句，落在 190—200 词的目标区间内，没有超过 200 词。

4 写作思路

先列提纲，每段一个任务

第一段

照抄首句，说明机会从哪里来

首句（年轻人有更多实现自我价值的机会）→ 原因：国家快速发展，科技、乡村、文化等领域向青年敞开大门 → 小结：如今的年轻人比以往更有途径把能力变成成就

第二段

举例说明机会与意义

总起：机会形式多样 → 事例一：年轻科研人员参与国家重大项目 → 事例二：回乡创业、带动乡亲致富 → 意义：找到金钱买不到的使命感，个人成功与国家进步相辅相成

第三段

提出做法并收尾

让步：机会青睐有准备的人 → 建议：努力学习、独立思考、敢挑重担 → 倒装句收尾：把个人梦想和国家前途连在一起，才能实现自我价值

5 满分范文

荧光笔 + 圆圈编号 = 下面讲的高分句式

[1] While striving for the Chinese Dream, young people enjoy more opportunities to realize their self-worth. [2] As the country develops rapidly, fields such as science and technology, rural development and cultural innovation are opening their doors wide to young talent①. [3] Today's young people have more ways than ever to turn their abilities into achievements②.

[4] These opportunities come in many forms. [5] Young researchers are taking part in major national projects, from space exploration to new energy, and many of them are making their mark at an early age. [6] Others are returning to their hometowns to start businesses, selling local products online, creating jobs and helping their neighbors earn a better living③. [7] In contributing to their country's growth, they also find a sense of purpose and achievement that money alone cannot bring④. [8] For them, personal success and national progress go hand in hand⑤.

[9] Of course, opportunity favors those who are prepared⑥. [10] Young people should study hard, think independently and have the courage to take on difficult tasks that others shy away from. [11] Only by linking their personal dreams with the future of the nation can they truly realize their self-worth⑦ and contribute to the Chinese Dream.

参考译文

在为实现中国梦而奋斗的过程中，年轻人拥有更多实现自我价值的机会。随着国家的快速发展，科技、乡村发展、文化创新等领域正在向年轻人才敞开大门。如今的年轻人比以往任何时候都有更多途径把自己的能力转化为成就。

这些机会有多种形式。年轻的科研人员正在参与从太空探索到新能源等国家重大项目，其中许多人年纪轻轻就崭露头角。还有一些人回到家乡创业，在网上销售当地特产，创造就业岗位，帮助乡亲们过上更好的生活。在为国家发展作贡献的过程中，他们也找到了单靠金钱无法带来的使命感和成就感。对他们来说，个人成功与国家进步是相辅相成的。

当然，机会总是青睐有准备的人。年轻人应努力学习、独立思考，并有勇气承担别人退缩不前的艰巨任务。只有把个人梦想与国家前途联系起来，他们才能真正实现自我价值，为中国梦作出贡献。

6 一步一步写出这篇范文

01 一字不差照抄首句

把题目给的句子原样写在开头，抄完逐词核对一遍，尤其是 While striving for、self-worth 的连字符和句末句号。

> 1 While striving for the Chinese Dream, young people enjoy more opportunities to realize their self-worth.
> 在为实现中国梦而奋斗的过程中，年轻人拥有更多实现自我价值的机会。

02 说出机会从哪里来，再小结一句

用 As the country develops rapidly 说明原因，fields such as 列出三个具体领域；下一句用 more ways than ever 小结：如今的年轻人比以往任何时候都更有机会。

> 2 As the country develops rapidly, fields such as science and technology, rural development and cultural innovation are opening their doors wide to young talent.
> 随着国家的快速发展，科技、乡村发展、文化创新等领域正在向年轻人才敞开大门。
> 3 Today's young people have more ways than ever to turn their abilities into achievements.
> 如今的年轻人比以往任何时候都有更多途径把自己的能力转化为成就。

03 一句短句总起论证段

第二段第一句只用六个词：These opportunities come in many forms，告诉读者下面要举不同形式的机会；These opportunities 指回上一段，衔接自然。

> 4 These opportunities come in many forms.
> 这些机会有多种形式。

04 两类年轻人，两个领域的例子

先写 Young researchers（科研，用 from … to … 举出航天和新能源），再用 Others 引出回乡创业的年轻人，并用一串现在分词写出他们做的事。两个例子一个“高大上”、一个接地气，覆盖面广。

> 5 Young researchers are taking part in major national projects, from space exploration to new energy, and many of them are making their mark at an early age.
> 年轻的科研人员正在参与从太空探索到新能源等国家重大项目，其中许多人年纪轻轻就崭露头角。
> 6 Others are returning to their hometowns to start businesses, selling local products online, creating jobs and helping their neighbors earn a better living.
> 还有一些人回到家乡创业，在网上销售当地特产，创造就业岗位，帮助乡亲们过上更好的生活。

05 举完例子点明意义，回扣首句

用 In contributing to their country's growth 说明他们在为国家作贡献，再用 that money alone cannot bring 写出收获的可贵；最后用 go hand in hand 一句话总结：个人和国家相辅相成。

> 7 In contributing to their country's growth, they also find a sense of purpose and achievement that money alone cannot bring.
> 在为国家发展作贡献的过程中，他们也找到了单靠金钱无法带来的使命感和成就感。
> 8 For them, personal success and national progress go hand in hand.
> 对他们来说，个人成功与国家进步是相辅相成的。

06 让步转折，提出建议

用 Of course 加一句谚语式的话（机会青睐有准备的人）转向建议，再用 should 接三个并列的动词短语，说清年轻人具体该怎么做。

> 9 Of course, opportunity favors those who are prepared.
> 当然，机会总是青睐有准备的人。
> 10 Young people should study hard, think independently and have the courage to take on difficult tasks that others shy away from.
> 年轻人应努力学习、独立思考，并有勇气承担别人退缩不前的艰巨任务。

07 用 Only by 倒装句收尾、呼应首句

Only by linking … 放句首，后面的主句倒装（can they）；realize their self-worth 和 the Chinese Dream 直接回到首句的关键词。

> 11 Only by linking their personal dreams with the future of the nation can they truly realize their self-worth and contribute to the Chinese Dream.
> 只有把个人梦想与国家前途联系起来，他们才能真正实现自我价值，为中国梦作出贡献。

7 为什么是满分档

切题 · 结构与连贯 · 语言

切题

首句一字不差照抄，后文每一段都紧扣“机会”和“自我价值”：第一段说明机会从哪里来，第二段举出科研和回乡创业两类具体事例，并点明个人成功与国家进步相辅相成，第三段说明年轻人该怎样抓住机会，结尾又回到“自我价值”和“中国梦”。题目提示的“评论、举例”都用上了，没有一句跑题。满分档作文的特点就是：观点明确，每一部分都在为中心服务。

While striving for the Chinese Dream, young people enjoy more opportunities to realize their self-worth.

These opportunities come in many forms. | Young researchers are taking part in major national projects

personal success and national progress go hand in hand

realize their self-worth and contribute to the Chinese Dream

结构与连贯

三段式结构清楚：提出观点并说明原因 → 举例说明机会和意义 → 提出建议并收尾。第二段先用一句短短的总起句交代本段要写什么，再用 Young researchers 和 Others 分出两类人；These opportunities 指回上一段，For them 总结事例，Of course 转向建议，结尾 Only by 呼应首句。读者能顺着思路一步步读下去，这正是满分档作文在结构上的表现。

These opportunities come in many forms | Young researchers | Others are returning | For them | Of course | Only by linking

语言

句式丰富而且用得准确：As 表示“随着”、than ever 比较、from … to … 举例、一串现在分词写连续动作、In contributing 介词短语、that 定语从句、Only by 倒装句；用词具体、生动，如 opening their doors wide、making their mark、go hand in hand、shy away from；同一意思换着说（opportunities、ways、doors），避免重复。全文没有语法错误，表达自然，满分档作文的语言就是这样准确、多样又地道。

are opening their doors wide to young talent | have more ways than ever to turn their abilities into achievements | from space exploration to new energy | making their mark at an early age | a sense of purpose and achievement that money alone cannot bring | take on difficult tasks that others shy away from

8 升格示范

普通写法一步一步改成满分句

升格 1

第 1 步 Young people today can succeed more easily.
意思说到了，但 succeed more easily 太笼统，也看不出和过去相比变化有多大。

第 2 步 Today's young people have more chances than before to be successful.
有了今昔对比，但 than before 力度不够，be successful 很普通，没有写出“靠什么”成功。

第 3 步 Today's young people have more ways than ever to achieve success.
换成 than ever，对比更强烈；但 achieve success 还是空泛，换成 turn their abilities into achievements，就写出了“能力变成成就”，正好对应首句的“自我价值”。

满分句 **Today's young people have more ways than ever to turn their abilities into achievements.**

升格 2

第 1 步 Some young people go back home to start businesses.
有了一个具体行动，但只写了做什么，没写出这样做的意义。

第 2 步 Some young people go back home to start businesses, and they sell local products on the Internet.
内容多了一层，但 and they 把句子拆得松散，go back home 也比较口语。

第 3 步 Others are returning to their hometowns to start businesses, selling local products online and creating jobs.
用 Others 和上一句的 Young researchers 对应，后面用现在分词串起动作，句子紧凑；但还可以再推进一层，写出他们帮助乡亲们过上更好的生活，意义更完整。

满分句 **Others are returning to their hometowns to start businesses, selling local products online, creating jobs and helping their neighbors earn a better living.**

升格 3

第 1 步 Young people should connect their dreams with the country.
说了一个道理，但只是一句普通建议，没有说出这样做的结果，结尾不够有力。

第 2 步 If young people link their dreams with the future of the nation, they can realize their self-worth.
条件和结果都有了，也回到了首句的 self-worth；但 If 句很平淡，读起来不像结尾。

第 3 步 Only by linking their personal dreams with the future of the nation can they realize their self-worth.
用 Only by 倒装句，语气一下子有力了；再加上 truly 和 contribute to the Chinese Dream，就能把首句的两个关键词都收回来，首尾完全照应。

满分句 **Only by linking their personal dreams with the future of the nation can they truly realize their self-worth and contribute to the Chinese Dream.**

9 高分句式

公式 → 原句 → 讲解 → 仿写

① As 随着句 + open doors to

这个句式表达 表达“随着……发展，……领域正向……敞开大门”，说明机会增多的原因

公式 As + 主语 + develops / grows …, 主语（如 领域 such as A, B (and C)）+ are opening their doors (wide) to + 人群

范文原句 As the country develops rapidly, fields such as science and technology, rural development and cultural innovation are opening their doors wide to young talent
随着国家的快速发展，科技、乡村发展、文化创新等领域正在向年轻人才敞开大门

As 在这里表示“随着”，后面接变化的过程。open their doors wide to 是比喻，意思是“向……敞开大门”，比 give chances to 生动得多。fields such as 后面列出三个领域，让“机会多”变得具体可见。

例1 As technology advances, many industries are opening their doors to people with digital skills.
随着科技进步，许多行业正在向具备数字技能的人敞开大门。

例2 As the economy grows, cities such as Chengdu and Hangzhou are opening their doors wide to college graduates.

随着经济发展，成都、杭州等城市正在向大学毕业生敞开大门。

也可以这样说

With the rapid development of ..., ...

随着……的快速发展，……

... offer more and more opportunities to ...

……为……提供越来越多的机会

② more … than ever 比较句

这个句式表达 表达“比以往任何时候都更……”，强调今天和过去相比变化之大

公式 主语 + have more + 名词 + than ever + to do …

范文原句 Today's young people have more ways than ever to turn their abilities into achievements

如今的年轻人比以往任何时候都有更多途径把自己的能力转化为成就

than ever 意思是“比以往任何时候都”，一下子就写出了今昔对比。turn A into B 意思是“把A变成B”，turn their abilities into achievements 把“能力”和“成就”连起来，正好对应首句的“实现自我价值”。

例1 Thanks to the Internet, students have more ways than ever to learn on their own.

多亏了互联网，学生比以往任何时候都有更多途径自主学习。

例2 Today's farmers have more ways than ever to sell their products.

如今的农民比以往任何时候都有更多途径销售自己的产品。

也可以这样说

... than at any time in the past

比过去任何时候都……

Never before have ... had so many ...

……从来没有像现在这样有这么多……

③ 一串现在分词写连续动作

这个句式表达 表达“某人做了……，同时还……、……”，一句话写出一连串相关的行动

公式 主语 + 谓语 (+ to do) …, doing A, doing B and doing C

范文原句 Others are returning to their hometowns to start businesses, selling local products online, creating jobs and helping their neighbors earn a better living

还有一些人回到家乡创业，在网上销售当地特产，创造就业岗位，帮助乡亲们过上更好的生活

主句写主要动作（回乡创业），后面三个现在分词短语依次写出他们具体做了什么，从个人做事一直写到帮助别人，层层推进。Others 和上一句的 Young researchers 对应，表示“另一些人”。

例1 Many retired people have joined community groups, learning new skills, making friends and staying active.
许多退休老人加入社区团体，学习新技能，结交朋友，保持活力。

例2 Volunteers went to the village to help, repairing houses, teaching children and caring for the elderly.
志愿者到村里帮忙，修缮房屋，给孩子上课，照顾老人。

也可以这样说

..., and at the same time they ...
……，同时他们还……

Some ..., while others ...
一些人……，另一些人……

④ that 定语从句写可贵收获

这个句式表达 表达“找到了单靠……无法带来的……”，突出一种收获的可贵

公式 主语 + find / gain / give + 名词（如 a sense of …）+ that + money alone cannot + 动词 / no + 名词 + can + 动词

范文原句 they also find a sense of purpose and achievement that money alone cannot bring

他们也找到了单靠金钱无法带来的使命感和成就感

a sense of purpose 意思是“使命感”，a sense of achievement 意思是“成就感”，两个合在一起。that money alone cannot bring 是定语从句，alone 意思是“单单”，用“钱买不到”来衬托这种收获的价值，比 they feel very happy 深刻得多。

例1 By helping others, volunteers gain a kind of joy that money alone cannot buy.
通过帮助他人，志愿者收获了一种单靠金钱买不到的快乐。

例2 Reading gives us a richness of mind that no screen can offer.
读书给我们带来一种任何屏幕都给不了的精神上的丰富。

也可以这样说

... is something money can never buy.

……是金钱永远买不到的。

... brings them a deep sense of fulfillment.

……给他们带来深深的满足感。

⑤ A and B go hand in hand 关系句

这个句式表达 表达“A和B相辅相成、密不可分”，用来点明两件事之间的紧密关系

公式 A + and + B + go hand in hand.

范文原句 personal success and national progress go hand in hand

个人成功与国家进步是相辅相成的

go hand in hand 字面意思是“手拉手一起走”，比喻两件事相互关联、同步发展。这个短语特别适合在举例之后一句话总结关系，个人与社会、学习与实践、发展与环保等话题都能用。

例1 Economic growth and environmental protection can go hand in hand.

经济增长和环境保护可以相辅相成。

例2 For college students, learning and practice should go hand in hand.

对大学生来说，学习和实践应当相辅相成。

也可以这样说

A is closely linked to B.

A和B密切相关。

A and B depend on each other.

A和B相互依存。

⑥ Of course 让步谚语句

这个句式表达 表达“当然，机会青睐有准备的人”，用一句谚语式的话从“机会”转到“建议”

公式 Of course, 名词 + favors / belongs to + those who …

范文原句 opportunity favors those who are prepared

机会总是青睐有准备的人

favor 作动词，意思是“青睐、偏爱”；those who 意思是“那些……的人”。前面一直在说机会多，Of course 一转，提醒读者机会不会自动送上门，自然引出下面的建议。这类简短有力的道理句，放在建议段开头最合适。

例1 Of course, success belongs to those who never give up.

当然，成功属于那些永不放弃的人。

例2 Of course, luck favors those who work hard.

当然，好运总是青睐勤奋的人。

也可以这样说

However, opportunities only come to those who ...

然而，机会只留给那些……的人

Admittedly, ...

诚然，……

⑦ Only by doing 倒装收尾句

这个句式表达 表达“只有通过……，某人才能……”，把做法和最终目标连起来收尾

公式 Only by + doing … + can + 主语 + 动词原形 …

范文原句 Only by linking their personal dreams with the future of the nation can they truly realize their self-worth

只有把个人梦想与国家前途联系起来，他们才能真正实现自我价值

Only by doing 放在句首时，主句要部分倒装：把 can 提到主语 they 前面。link A with B 意思是“把A和B联系起来”。用它收尾，语气有力，realize their self-worth 又回到首句，首尾照应。

例1 Only by working together can we solve the problem of pollution.

只有齐心协力，我们才能解决污染问题。

例2 Only by reading widely can students broaden their horizons.

只有广泛阅读，学生才能开阔视野。

也可以这样说

Only in this way can ...

只有这样，……才能……

It is only by ... that ...

只有通过……，才能……

10 亮点词汇

把普通说法换成高分说法

高分表达	意思	替代的普通说法
strive for	为……而奋斗	work hard for
self-worth	n. 自我价值	personal value
talent	n. 人才	able people
innovation	n. 创新	new ideas
make one's mark	崭露头角；获得成功	become successful
earn a better living	过上更好的生活；挣得更好的生计	make more money
a sense of purpose	使命感；目标感	a goal
go hand in hand	相辅相成；密切相关	be connected
favor	v. 青睐；偏爱	like
shy away from	回避；退缩	avoid

教师对学生的深远影响

2025年12月大学英语六级 第2套 · 写作 Part I
议论文 · 范文 196 词

1 原题

Part I **Writing** **(30 minutes)**

Directions: *For this part, you are allowed 30 minutes to write an essay that begins with the sentence* ***"It is believed that teachers can exert a profound influence on their students' academic pursuit and personal development."*** *You can make comments, cite examples or use your personal experiences to develop your essay. You should write at least 150 words but no more than 200 words.*

You should copy the sentence given in quotes at the beginning of your essay.

题目译文

这一部分（For this part），你有 30 分钟（30 minutes）写一篇文章（essay），文章要以给出的这句话开头（begins with the sentence）："人们相信（It is believed that），老师能对学生的学业追求（academic pursuit）和个人发展（personal development）产生深远的影响（exert a profound influence）。"（It is believed that teachers can exert a profound influence on their students' academic pursuit and personal development.）

你可以发表评论（make comments）、举例说明（cite examples），或者用自己的亲身经历（use your personal experiences）来展开文章（develop your essay）。

字数：至少 150 词（at least 150 words），但不超过 200 词（no more than 200 words）。

必须把引号里给出的这句话原样抄写在文章开头（copy the sentence given in quotes at the beginning of your essay），作为第一句。

2 审题

先弄清楚要写什么，再动笔

议论文（给定首句）：教师对学生学业和个人发展的影响

150—200 词（题目要求 at least 150 words but no more than 200 words，首句也算在内）；范文写到 190—200 词，本篇 196 词。不要卡着 150 词的最低线写，也绝不能超过 200 词

- [ ] 用题目给的句子开头，一字不差照抄，放在全文第一句
- [ ] 围绕首句展开论述：分别说明教师对学生"学业追求"和"个人发展"有怎样的影响
- [ ] 用评论、举例或亲身经历来支撑观点（题目点明的三种方法，至少用好一两种）
- [ ] 顺着话题说清教师和学生各自该怎么做，并有一个有力的结尾，让文章完整

语气与身份：正式、客观的议论语气：论述部分用第三人称，讲自己的老师时可以用第一人称 I、my，但用词仍要正式，用 should 提出建议，不用口语化的表达

容易失分的地方

- 首句必须一字不差照抄：It is believed that、exert a profound influence on、students' 的撇号位置（复数所有格在 s 后面）一个都不能改，句末的句号也要照抄
- 首句已经给出两个方面：academic pursuit（学业追求）和 personal development（个人发展），正文要分别写到，只写“老师教知识”就漏了一半
- 亲身经历要具体：写清哪位老师、用了什么方法、对你产生了什么影响，不要只写“我的老师对我很好”
- 首句算在字数里，写长了容易超过 200 词，动笔前先规划好每段几句

3 题目要求逐条落实

每一条要求 → 范文里的哪一句

题目要求	范文原句	怎么做到的
用给定的句子开头	It is believed that teachers can exert a profound influence on their students' academic pursuit and personal development.	全文第一句原样照抄题目给的句子，一个词、一个标点都没有改。
补充说明影响有多大（评论）	Beyond passing on knowledge, a good teacher can shape how students think, what they value and even which path they choose in life.	紧跟首句说明影响不只是传授知识，还会塑造思维、价值观和人生道路，把首句的“深远影响”说具体。
论述对学业追求的影响	Academically, teachers act as guides who spark curiosity.	第二段先写首句的第一个方面：学业上，老师是激发好奇心的引路人。
用亲身经历支撑观点	My high school physics teacher, for example, often used simple experiments to explain difficult concepts	用自己高中物理老师的真实经历，证明一位好老师能唤起学生对一门学科终身的兴趣；题目给的“评论、举例、亲身经历”三种方法，本文用了评论和亲身经历。
论述对个人发展的影响	In terms of personal development, teachers serve as role models.	再写首句的第二个方面：在个人发展方面，老师是学生的榜样，并用诚实、耐心、责任感三种品质说明具体怎样影响学生。
说清教师和学生该怎么做	Given such influence, teachers should not only improve their teaching skills but also care about the growth of every student	第三段从教师和学生两方面提出建议：教师提高教学技能、关心每个学生，学生抓住机会提问、向老师学习。
有力的结尾	When teachers and students respect and inspire each other, education can truly fulfill its purpose.	用“师生相互尊重、相互激励”收尾，把话题提升到“教育的目的”，和首句的“教师影响学生”呼应。

字数 150—200 词	It is believed that teachers	全文共 196 词（含首句）：第一段 2 句，第二段 5 句，第三段 3 句，落在 190—200 词的目标区间内，没有超过 200 词。

4 写作思路

先列提纲，每段一个任务

第一段

照抄首句，说明影响有多大

首句（教师对学生的学业和个人发展影响深远）→ 补充：好老师不只传授知识，还塑造学生的思维、价值观和人生道路

第二段

分两方面论证影响

学业：老师是激发好奇心的引路人 → 一堂课、一句鼓励就能唤起终身兴趣 → 亲身经历：高中物理老师用实验讲概念，让我萌生工程师梦想 → 个人发展：老师是榜样 → 诚实、耐心、责任感教会学生待人处事

第三段

提出做法并收尾

教师：提高教学技能，关心每个学生，尤其是学习吃力的 → 学生：抓住机会提问、向老师学习 → 结尾：师生相互尊重、相互激励，教育才能实现它的目的

5 满分范文

荧光笔 + 圆圈编号 = 下面讲的高分句式

[1] It is believed that teachers can exert a profound influence on their students' academic pursuit and personal development. [2] Beyond passing on knowledge, a good teacher can shape how students think, what they value and even which path they choose in life①.

[3] Academically, teachers act as guides who spark curiosity②. [4] An inspiring lecture or a single word of encouragement may awaken a lifelong interest in a subject③. [5] My high school physics teacher, for example, often used simple experiments to explain difficult concepts, and it was in her class that I first dreamed of becoming an engineer④, a dream I am still pursuing today. [6] In terms of personal development, teachers serve as role models. [7] Their honesty, patience and sense of responsibility quietly teach students how to treat others and how to cope with difficulties⑤.

[8] Given such influence, teachers should not only improve their teaching skills but also care about the growth of every student⑥, especially those who are struggling. [9] Students, in turn, should make the most of every chance to ask questions and learn from their teachers, both inside and outside the classroom. [10] When teachers and students respect and inspire each other, education can truly fulfill its purpose⑦.

参考译文

人们认为，教师能够对学生的学业追求和个人发展产生深远的影响。好老师除了传授知识，还能塑造学生的思维方式、价值取向，甚至影响他们人生道路的选择。

在学业上，教师是激发好奇心的引路人。一堂鼓舞人心的讲座或一句鼓励的话，就可能唤起人对某门学科终身的兴趣。比如，我的高中物理老师常常用简单的实验来讲解难懂的概念，正是在她的课上，我第一次萌生了当工程师的梦想，这个梦想我至今仍在追求。在个人发展方面，教师是学生的榜样。他们的诚实、耐心和责任感，会潜移默化地教会学生如何待人、如何应对困难。

鉴于这样的影响，教师不仅应该提高自己的教学技能，还应关心每一个学生的成长，尤其是那些学习吃力的学生。学生则应充分利用每一次机会提问、向老师学习，无论在课堂内外。当师生相互尊重、相互激励时，教育才能真正实现它的目的。

6 一步一步写出这篇范文

01 一字不差照抄首句

把题目给的句子原样写在开头，抄完逐词核对一遍，尤其是 exert a profound influence on、students' 的撇号和句末句号。

> 1 It is believed that teachers can exert a profound influence on their students' academic pursuit and personal development.
> 人们认为，教师能够对学生的学业追求和个人发展产生深远的影响。

02 第二句把“深远影响”说具体

用 Beyond passing on knowledge 先排除最普通的一层（传授知识），再用 how、what、which 三个从句写出更深的影响：怎么想、看重什么、走哪条路。

> 2 Beyond passing on knowledge, a good teacher can shape how students think, what they value and even which path they choose in life.
> 好老师除了传授知识，还能塑造学生的思维方式、价值取向，甚至影响他们人生道路的选择。

03 学业方面：观点 + 道理

用 Academically 一个词点明本层写学业，act as guides 给出观点；下一句用“一堂讲座、一句鼓励”这样的小事，说明老师的影响可以很深远。

> 3 Academically, teachers act as guides who spark curiosity.
> 在学业上，教师是激发好奇心的引路人。
>
> 4 An inspiring lecture or a single word of encouragement may awaken a lifelong interest in a subject.
> 一堂鼓舞人心的讲座或一句鼓励的话，就可能唤起人对某门学科终身的兴趣。

04 插入亲身经历，让论证落地

用 My high school physics teacher, for example 引出自己的经历：老师怎么做（用实验讲概念）→ 对我有什么影响（萌生工程师梦想）→ 影响到今天（a dream I am still pursuing today）。

> 5 My high school physics teacher, for example, often used simple experiments to explain difficult concepts, and it was in her class that I first dreamed of becoming an engineer, a dream I am still pursuing today.
> 比如，我的高中物理老师常常用简单的实验来讲解难懂的概念，正是在她的课上，我第一次萌生了当工程师的梦想，这个梦想我至今仍在追求。

05 个人发展方面：观点 + 具体品质

用 In terms of personal development 点明第二层，serve as role models 给出观点；下一句列出诚实、耐心、责任感三种品质，再用两个 how to 写出学生学到了什么。

> 6 In terms of personal development, teachers serve as role models.
> 在个人发展方面，教师是学生的榜样。
> 7 Their honesty, patience and sense of responsibility quietly teach students how to treat others and how to cope with difficulties.
> 他们的诚实、耐心和责任感，会潜移默化地教会学生如何待人、如何应对困难。

06 教师、学生双方都提建议

用 Given such influence 承接上文，教师一方用 not only … but also … 提两条建议；学生一方用 in turn 表示“反过来”，提出主动提问、向老师学习。

> 8 Given such influence, teachers should not only improve their teaching skills but also care about the growth of every student, especially those who are struggling.
> 鉴于这样的影响，教师不仅应该提高自己的教学技能，还应关心每一个学生的成长，尤其是那些学习吃力的学生。
> 9 Students, in turn, should make the most of every chance to ask questions and learn from their teachers, both inside and outside the classroom.
> 学生则应充分利用每一次机会提问、向老师学习，无论在课堂内外。

07 用 When 从句收尾、升华

When teachers and students respect and inspire each other 写出理想的师生关系，主句 education can truly fulfill its purpose 把话题提升到教育本身，收尾有分量。

> 10 When teachers and students respect and inspire each other, education can truly fulfill its purpose.
> 当师生相互尊重、相互激励时，教育才能真正实现它的目的。

7 为什么是满分档

切题 · 结构与连贯 · 语言

切题

首句一字不差照抄，后文紧扣首句给出的两个方面：第二段先写学业（激发好奇心，并用自己物理老师的经历证明），再写个人发展（榜样作用），第三段从教师和学生两方面提出建议，结尾又回到“教育”。题目提示的“评论、亲身经历”都用上了，没有一句跑题。满分档作文的特点就是：观点明确，每一部分都在为中心服务。

It is believed that teachers can exert a profound influence on their students' academic pursuit and personal development.

Academically, teachers act as guides who spark curiosity. | My high school physics teacher, for example

In terms of personal development, teachers serve as role models. | education can truly fulfill its purpose

结构与连贯

三段式结构清楚：提出观点并补充说明 → 分两方面论证 → 提出建议并收尾。第二段直接按首句的顺序展开，用 Academically 和 In terms of personal development 标出两层，读者一眼就能对上首句的 academic pursuit 和 personal development；for example 引出经历，Given such influence 承接上文，in turn 引出学生一方，结尾 When 从句收束全文。读者能顺着思路一步步读下去，这正是满分档作文在结构上的表现。

Academically | In terms of personal development | for example | Given such influence | Students, in turn

语言

句式丰富而且用得准确：Beyond 引出三个 wh 从句、who 定语从句、it was … that … 强调句、同位语 a dream I am still pursuing today、两个并列的 how to、not only … but also …、When 从句收尾；用词具体、正式，如 spark curiosity、a lifelong interest、role models、cope with difficulties、fulfill its purpose；同一意思换着说（act as、serve as），避免重复。全文没有语法错误，表达自然，满分档作文的语言就是这样准确、多样又地道。

Beyond passing on knowledge | how students think, what they value and even which path they choose in life | teachers act as guides who spark curiosity | it was in her class that I first dreamed of becoming an engineer | a dream I am still pursuing today | how to treat others and how to cope with difficulties

8 升格示范

普通写法一步一步改成满分句

升格 1

第 1 步 Teachers teach students knowledge and also influence them in other ways.
意思说到了，但 in other ways 太空泛，读者不知道“其他方面”指什么。

第 2 步 A good teacher not only teaches knowledge but also changes students' thoughts.
有了对比，但只写了一层影响，changes students' thoughts 也比较笼统。

第 3 步 Beyond passing on knowledge, a good teacher can shape how students think and what they value.
用 Beyond 开头，passing on、shape 更正式，两个 wh 从句把影响写具体了；再加上 even which path they choose in life，影响一层比一层深，句子更有分量。

满分句 **Beyond passing on knowledge, a good teacher can shape how students think, what they value and even which path they choose in life.**

升格 2

第 1 步 For example, my physics teacher was very good and helped me a lot.
只说老师好、帮助大，没有任何具体内容，算不上真正的经历。

第 2 步 For example, my physics teacher used experiments to explain concepts, and I wanted to be an engineer.
有了老师的做法和对我的影响，但两件事只用 and 连起来，看不出老师和我的梦想之间的关系。

第 3 步 My high school physics teacher, for example, often used simple experiments to explain difficult concepts, and it was in her class that I first dreamed of becoming an engineer.
用 it was … that … 强调“正是在她的课上”，老师的作用一下子突出了；最后再加上同位语 a dream I am still pursuing today，说明影响延续到今天，正好呼应首句的“深远影响”。

满分句 **My high school physics teacher, for example, often used simple experiments to explain difficult concepts, and it was in her class that I first dreamed of becoming an engineer, a dream I am still pursuing today.**

升格 3

第 1 步 Teachers should do their job well.
建议太空泛，do their job well 说了等于没说，阅卷老师看不到具体做法。

第 2 步 So teachers should teach better and care about their students.
有了两条建议，但 So、teach better 很口语，也没有和上文的“影响”连起来。

第 3 步 Given such influence, teachers should not only improve their teaching skills but also care about their students.
用 Given such influence 承接上文，not only … but also … 让两条建议有层次；把 their students 换成 the growth of every student，再补上 especially those who are struggling，关怀就更具体、更有温度。

满分句 **Given such influence, teachers should not only improve their teaching skills but also care about the growth of every student, especially those who are struggling.**

9 高分句式

公式 → 原句 → 讲解 → 仿写

① Beyond doing + 三个 wh 从句

这个句式表达 表达“除了……之外，某人还能影响……、……甚至……”，把影响由浅入深写具体

公式 Beyond + doing …, 主语 + can shape + wh 从句（how / what / which / whom …，可以两三项并列，最后一项前可加 even）

范文原句 Beyond passing on knowledge, a good teacher can shape how students think, what they value and even which path they choose in life

好老师除了传授知识，还能塑造学生的思维方式、价值取向，甚至影响他们人生道路的选择

Beyond 是介词，意思是“除了……之外（还）”，先排除普通的一层，再写更深的影响。how、what、which 三个从句并列作 shape 的宾语，形式整齐；even 放在最后一项前面，表示影响一层比一层深。

例1 Beyond providing information, the Internet can shape how we think, what we buy and even whom we trust.
除了提供信息，互联网还能影响我们怎么思考、买什么，甚至相信谁。

例2 Beyond offering entertainment, books can shape what we believe and even how we live.
书籍除了提供娱乐，还能影响我们的信念，甚至我们的生活方式。

也可以这样说

In addition to ..., ... also ...
除了……之外，……还……

Not only does ... but it also ...
……不仅……，而且……

② act as / serve as 角色句

这个句式表达 表达“某人充当……的角色”，用一个比喻性的身份概括某人的作用

公式 主语 + act as / serve as + 角色名词 (+ who …)

范文原句 Academically, teachers act as guides who spark curiosity
在学业上，教师是激发好奇心的引路人

act as 意思是“充当、起……作用”，第六句又换成 serve as，同一个意思换着说，避免重复。who spark curiosity 是定语从句，说明是什么样的引路人；spark 原意是“点燃火花”，用来说激发好奇心很生动。Academically 一个副词就交代了本层写什么。

例1 Parents act as their children's first teachers.
父母是孩子的第一任老师。

例2 Libraries serve as quiet places where students can study and think.
图书馆是学生可以安静学习和思考的地方。

也可以这样说

... play the role of ...
……扮演……的角色

... function as ...
……起到……的作用

③ A or B may awaken … 以小见大句

这个句式表达 表达“一件小事就可能带来深远的影响”，用小原因衬托大结果

公式 A / An + 形容词 + 名词 or a single + 名词 + may awaken / change + …

范文原句 An inspiring lecture or a single word of encouragement may awaken a lifelong interest in a subject

一堂鼓舞人心的讲座或一句鼓励的话，就可能唤起人对某门学科终身的兴趣

a single word of encouragement 强调“仅仅一句”，lifelong interest 强调“一辈子”，一小一大形成对比，老师影响之深就不言自明了。awaken 意思是“唤起”，比 create 更形象。

例1 A kind smile or a single word of thanks may brighten someone's whole day.

一个友善的微笑或一句感谢的话，就可能让别人一整天都心情愉快。

例2 A good book or a single conversation may change the course of a person's life.

一本好书或一次谈话，就可能改变一个人的人生轨迹。

也可以这样说

Even a small … can make a big difference.

即使一个小小的……也能带来很大的改变。

Sometimes all it takes is …

有时只需要……就够了

④ it was … that … 强调句

这个句式表达 表达“正是……，某人才……”，突出某件事发生的地点、时间或原因

公式 it was + 被强调的部分（时间 / 地点 / 原因 / 人物）+ that（强调人时也可用 who）+ 句子其余部分 …

范文原句 it was in her class that I first dreamed of becoming an engineer

正是在她的课上，我第一次萌生了当工程师的梦想

it was … that … 是强调句，把 in her class 放在中间加以强调，意思是“正是在她的课上”。去掉 it was 和 that，句子仍然完整（I first dreamed … in her class），这是判断强调句的方法。讲亲身经历时用它，能把老师的作用一下子突出出来。

例1 It was during a volunteer trip that I realized the value of helping others.

正是在一次志愿服务之旅中，我认识到了帮助他人的价值。

例2 It was my grandfather who first taught me to love reading.

正是我的祖父最先教会我热爱阅读。

也可以这样说

Her class was where I first ...

她的课堂就是我第一次……的地方

Thanks to her, I ...

多亏了她，我……

⑤ teach sb. how to ... and how to ... 并列句

这个句式表达 表达“教会某人如何……以及如何……”，具体写出学到的本领

公式 主语 + teach + 人 + how to do A and how to do B

范文原句 quietly teach students how to treat others and how to cope with difficulties

会潜移默化地教会学生如何待人、如何应对困难

两个 how to 并列，一个讲待人，一个讲处事，写出个人发展的两个方面。quietly 意思是“默默地”，说明榜样的影响不是靠说教，而是潜移默化，用词很准确。cope with 意思是“（设法）应对”，常和 difficulties、stress 搭配，侧重成功应付困难。

例1 Team sports teach young people how to work with others and how to accept failure.

团体运动教会年轻人如何与他人合作、如何接受失败。

例2 Living away from home teaches students how to manage money and how to solve problems on their own.

离家生活教会学生如何理财、如何独立解决问题。

也可以这样说

... help students learn to ...

……帮助学生学会……

From ..., students learn ...

从……身上，学生学到了……

⑥ Given ... + not only ... but also ... 建议句

这个句式表达 表达“鉴于……，某人不仅应当……，还应当……”，承接上文提出两条建议

公式 Given + 名词短语, 主语 + should not only + 动词原形 A + but also + 动词原形 B

范文原句 Given such influence, teachers should not only improve their teaching skills but also care about the growth of every student

鉴于这样的影响，教师不仅应该提高自己的教学技能，还应关心每一个学生的成长

Given 在这里是介词，意思是“鉴于、考虑到”，such influence 指回前一段的内容，承上启下。not only … but also … 连接两条建议，后一条（关心每个学生）比前一条更进一步。

例1 Given the importance of health, students should not only study hard but also exercise regularly.
鉴于健康的重要性，学生不仅应当努力学习，还应当经常锻炼。

例2 Given these problems, the government should not only make stricter rules but also raise public awareness.
鉴于这些问题，政府不仅应当制定更严格的规定，还应当提高公众意识。

也可以这样说

Considering ..., ...
考虑到……，……

In view of ..., ...
鉴于……，……

⑦ When 双方互动收尾句

这个句式表达 表达“当A和B相互……时，……才能真正……”，用理想的状态收尾

公式 When + A and B + 动词 + each other, 主语 + can truly + 动词原形 …

范文原句 When teachers and students respect and inspire each other, education can truly fulfill its purpose
当师生相互尊重、相互激励时，教育才能真正实现它的目的

When 从句写出理想的师生关系，respect and inspire each other 两个动词共用宾语 each other，简洁有力。主句的 truly 加强语气，fulfill its purpose 意思是“实现它的目的”，把话题从师生提升到教育本身。

例1 When parents and children listen to each other, family life can truly be happy.
当父母和孩子相互倾听时，家庭生活才能真正幸福。

例2 When people and nature live in harmony, development can truly be sustainable.
当人与自然和谐相处时，发展才能真正可持续。

也可以这样说

Only when ... can ...
只有当……时，……才能……

As long as ..., ...
只要……，……

10 亮点词汇

把普通说法换成高分说法

高分表达	意思	替代的普通说法
exert a profound influence on	对……产生深远的影响	greatly affect
pursuit	n. 追求	goal
pass on	传授；传递	give
spark	v. 激发；引发	start
inspiring	adj. 鼓舞人心的	good
awaken	v. 唤起；唤醒	create
role model	榜样	good example
cope with	应对；处理	deal with
make the most of	充分利用	use well
fulfill	v. 实现；履行	achieve

大学生积极迎接挑战

2025年12月大学英语六级 第3套 · 写作 Part I
议论文 · 范文 195 词

1 原题

Part I **Writing** **(30 minutes)**

Directions: *For this part, you are allowed 30 minutes to write an essay that begins with the sentence* ***"Living in an increasingly competitive world, college students should better prepare themselves to confront various challenges."*** *You can make comments, cite examples or use your personal experiences to develop your essay. You should write at least 150 words but no more than 200 words.*

You should copy the sentence given in quotes at the beginning of your essay.

题目译文

这一部分（For this part），你有 30 分钟（30 minutes）写一篇文章（essay），文章要以给出的这句话开头（begins with the sentence）："生活在一个竞争日益激烈的世界里（increasingly competitive world），大学生应当更好地做好准备，去应对各种挑战（confront various challenges）。"（Living in an increasingly competitive world, college students should better prepare themselves to confront various challenges.）

你可以发表评论（make comments）、举例说明（cite examples），或者用自己的亲身经历（use your personal experiences）来展开文章（develop your essay）。

字数：至少 150 词（at least 150 words），但不超过 200 词（no more than 200 words）。

必须把引号里给出的这句话原样抄写在文章开头（copy the sentence given in quotes at the beginning of your essay），作为第一句。

2 审题

先弄清楚要写什么，再动笔

议论文（给定首句）：大学生要做好准备迎接挑战

150—200 词（题目要求 at least 150 words but no more than 200 words，首句也算在内）；范文写到 190—200 词，本篇 195 词。不要卡着 150 词的最低线写，也绝不能超过 200 词

- [ ] 用题目给的句子开头，一字不差照抄，放在全文第一句
- [ ] 围绕首句展开：先说清大学生面临哪些挑战，再说明应该怎样做好准备（这是文章的主体）
- [ ] 用评论、举例或亲身经历来支撑观点（题目点明的三种方法，至少用好一两种）
- [ ] 有一个有力的结尾，回到"迎接挑战"，让文章完整

语气与身份：正式、积极的议论语气：以第三人称论述为主，用 should、need、must 提出建议，举例时可以写身边认识的人，但不用口语化的表达

容易失分的地方

- 首句必须一字不差照抄：increasingly competitive、better prepare themselves、confront various challenges 一个词都不能改，句末的句号也要照抄
- 首句的重点是“做好准备”（prepare），主体段要写怎样准备，不要写成大段抱怨“竞争太激烈、压力太大”
- “准备”不能只写一条“好好学习”：要分几个方面（知识技能、学习习惯、心理素质），每一条都说出具体做法
- 例子要具体：写清谁、遇到了什么挫折、怎么做、结果如何，不要只说“很多人都成功了”
- 首句算在字数里，写长了容易超过 200 词，动笔前先规划好每段几句

3 题目要求逐条落实

每一条要求 → 范文里的哪一句

题目要求	范文原句	怎么做到的
用给定的句子开头	Living in an increasingly competitive world, college students should better prepare themselves to confront various challenges.	全文第一句原样照抄题目给的句子，一个词、一个标点都没有改。
说清面临哪些挑战	Whether it is a tough job market, rapid technological change or an unexpected setback	首句只说了“各种挑战”（various challenges），第二句马上点出三种具体挑战：就业难、技术变化快、意外挫折，让“挑战”不再空洞。
发表评论：怎样做好准备	Good preparation involves more than earning high grades.	第二段先用一句总起亮出观点（准备不只是拿高分），再用 First、Second、Third 分三点说明要准备什么，每一点都有具体做法和理由。
举例或用亲身经历支撑观点	A senior student I know failed his first three job interviews	用身边一位学长的真实经历（三次面试失败 → 分析不足、练习 → 拿到心仪公司的录用）证明第三点“心理素质”的作用；题目给的“评论、举例、亲身经历”三种方法，本文用了评论和身边人的经历。
有力的结尾，回到“迎接挑战”	they will be able to face whatever comes their way calmly and confidently	结尾用 If 条件句把前文的做法（提升技能、磨炼品格）和结果（从容自信地面对一切）连起来，face 呼应首句的 confront，首尾照应。
字数 150—200 词	Living in an increasingly competitive world	全文共 195 词（含首句）：第一段 2 句，第二段 5 句，第三段 3 句，落在 190—200 词的目标区间内，没有超过 200 词。

4 写作思路

先列提纲，每段一个任务

第一段

照抄首句，点明挑战

首句（大学生应做好准备迎接挑战）→ 用“无论是……还是……”列出三种具体挑战：严峻的就业市场、快速的技术变革、意外的挫折，说明挑战比以往更复杂

第二段

说明怎样做好准备

总起：准备不只是拿高分 → 第一：扎实的专业知识和实践技能（课程项目、学术竞赛、兼职）→ 第二：终身学习的习惯（大学所学有些可能很快过时）→ 第三，也是最重要的：心理素质 → 事例：学长三次面试失败后不灰心，最终拿到录用

第三段

总结并收尾

总结：挑战不可避免，但不必害怕 → 补充：每克服一个障碍都会更强大 → If 条件句收尾：用好大学四年，就能从容自信地面对一切

5 满分范文

荧光笔 + 圆圈编号 = 下面讲的高分句式

[1] Living in an increasingly competitive world, college students should better prepare themselves to confront various challenges. [2] Whether it is a tough job market, rapid technological change or an unexpected setback, the challenges awaiting today's graduates are more complex than ever before①.

[3] Good preparation involves more than earning high grades②. [4] First, students need solid professional knowledge and practical skills, which they can gain through course projects, academic competitions and part-time jobs. [5] Second, they should develop the habit of lifelong learning, because some of what they learn in college may soon become outdated. [6] Third, and perhaps most importantly, they must build mental strength so that setbacks do not defeat them③. [7] A senior student I know failed his first three job interviews, but instead of losing heart, he analyzed his weaknesses, practiced with friends and finally received an offer from a company he had long admired④.

[8] In short, challenges are inevitable, but they need not be frightening⑤. [9] In fact, every obstacle students overcome will make them stronger. [10] If college students make full use of their four years to sharpen their skills and strengthen their character, they will be able to face whatever comes their way calmly and confidently⑥.

参考译文

生活在一个竞争日益激烈的世界里，大学生应该让自己做好更充分的准备，以应对各种挑战。无论是严峻的就业市场、快速的技术变革，还是意想不到的挫折，如今毕业生面临的挑战都比以往任何时候更加复杂。

充分的准备不只是取得高分。首先，学生需要扎实的专业知识和实践技能，这些可以通过课程项目、学术竞赛和兼职工作获得。其次，他们应该养成终身学习的习惯，因为他们在大学里学到的一些东西可能很快就会过时。第三，也许也是最重要的一点，他们必须锻炼强大的心理素质，这样挫折才不会把他们击垮。我认识的一位大四学生前三次求职面试都失败了，但他没有灰心，而是分析自己的不足，和朋友一起练习，最终拿到了一家他仰慕已久的公司的录用通知。

总之，挑战是不可避免的，但它们不必令人害怕。事实上，学生克服的每一个障碍都会让他们变得更加强大。如果大学生充分利用四年时光来提升技能、磨炼品格，他们就能够沉着、自信地面对人生道路上的一切。

6 一步一步写出这篇范文

01 一字不差照抄首句

把题目给的句子原样写在开头，抄完逐词核对一遍，尤其是 increasingly、better prepare themselves 和句末句号。

> 1 Living in an increasingly competitive world, college students should better prepare themselves to confront various challenges.
> 生活在一个竞争日益激烈的世界里，大学生应该让自己做好更充分的准备，以应对各种挑战。

02 第二句把“各种挑战”说具体

首句说的 various challenges 很抽象，第二句用 Whether it is A, B or C 列出三种具体挑战，再用 more complex than ever before 说明挑战比以往更难，为下文“必须做好准备”铺路。

> 2 Whether it is a tough job market, rapid technological change or an unexpected setback, the challenges awaiting today's graduates are more complex than ever before.
> 无论是严峻的就业市场、快速的技术变革，还是意想不到的挫折，如今毕业生面临的挑战都比以往任何时候更加复杂。

03 用一句话总起论证段

第二段第一句用 involves more than earning high grades 先否定“只拿高分”的狭隘想法，告诉读者下面要讲更全面的准备。

> 3 Good preparation involves more than earning high grades.
> 充分的准备不只是取得高分。

04 分三点写“准备什么”，每点带理由或做法

用 First、Second、Third 排出三点：第一点用 which 从句说出技能从哪里来，第二点用 because 说出理由，第三点加上 and perhaps most importantly 突出最重要的一条，并用 so that 说出目的。

> 4 First, students need solid professional knowledge and practical skills, which they can gain through course projects, academic competitions and part-time jobs.
> 首先，学生需要扎实的专业知识和实践技能，这些可以通过课程项目、学术竞赛和兼职工作获得。
> 5 Second, they should develop the habit of lifelong learning, because some of what they learn in college may soon become outdated.
> 其次，他们应该养成终身学习的习惯，因为他们在大学里学到的一些东西可能很快就会过时。
> 6 Third, and perhaps most importantly, they must build mental strength so that setbacks do not defeat them.
> 第三，也许也是最重要的一点，他们必须锻炼强大的心理素质，这样挫折才不会把他们击垮。

05 紧跟最重要的一点举一个身边的例子

例子只写一句，但要有完整的故事：挫折（三次面试失败）→ 转折（instead of losing heart）→ 三个行动 → 好结果，正好证明“心理素质”这一点。

> 7 A senior student I know failed his first three job interviews, but instead of losing heart, he analyzed his weaknesses, practiced with friends and finally received an offer from a company he had long admired.
> 我认识的一位大四学生前三次求职面试都失败了，但他没有灰心，而是分析自己的不足，和朋友一起练习，最终拿到了一家他仰慕已久的公司的录用通知。

06 先总结，再补一句积极的看法

用 In short 开头，用 but 把“挑战不可避免”和“不必害怕”放在一句里；再用 In fact 补一句“每个障碍都让人更强大”，把语气从紧张转为积极。

> 8 In short, challenges are inevitable, but they need not be frightening.
> 总之，挑战是不可避免的，但它们不必令人害怕。
> 9 In fact, every obstacle students overcome will make them stronger.
> 事实上，学生克服的每一个障碍都会让他们变得更加强大。

07 用 If 条件句收尾、呼应首句

If 从句写做法（充分利用四年时光提升技能、磨炼品格），主句写结果（从容自信地面对一切），face 呼应首句的 confront。

> 10 If college students make full use of their four years to sharpen their skills and strengthen their character, they will be able to face whatever comes their way calmly and confidently.
> 如果大学生充分利用四年时光来提升技能、磨炼品格，他们就能够沉着、自信地面对人生道路上的一切。

7 为什么是满分档

切题 · 结构与连贯 · 语言

切题

首句一字不差照抄，后文紧扣“做好准备迎接挑战”：第一段点出三种具体挑战，第二段从知识技能、终身学习、心理素质三方面说明怎样准备，并用学长求职的经历作证，第三段回到“挑战”并给出积极的结论。题目提示的“评论、举例”都用上了，没有一句跑题。满分档作文的特点就是：观点明确，每一部分都在为中心服务。

Living in an increasingly competitive world, college students should better prepare themselves to confront various challenges.

the challenges awaiting today's graduates are more complex than ever before

Good preparation involves more than earning high grades.

A senior student I know failed his first three job interviews

challenges are inevitable, but they need not be frightening

结构与连贯

三段式结构清楚：点明挑战 → 说明怎样准备 → 总结收尾。第二段先用总起句交代本段要写什么，再用 First、Second、Third 排出三点，最重要的一点后面紧跟例子；第三段用 In short 总结、In fact 补充、If 条件句收尾。段内还用 which、because、so that 把理由和目的写清楚。读者能顺着思路一步步读下去，这正是满分档作文在结构上的表现。

Good preparation involves more than earning high grades. | First, students need | Second, they should | Third, and perhaps most importantly | In short | In fact

语言

句式丰富而且用得准确：Whether it is 列举、现在分词作后置定语 awaiting、which 非限制性定语从句、so that 目的从句、instead of 转折、If 条件句；用词具体、正式，如 confront、setback、solid、outdated、inevitable、sharpen；need、should、must 层层加强语气。全文没有语法错误，表达自然，满分档作文的语言就是这样准确、多样又地道。

Whether it is a tough job market, rapid technological change or an unexpected setback | which they can gain through course projects, academic competitions and part-time jobs | they must build mental strength so that setbacks do not defeat them | instead of losing heart | every obstacle students overcome will make them stronger | face whatever comes their way calmly and confidently

8 升格示范

普通写法一步一步改成满分句

升格 1

第 1 步 College students face many challenges today.
只是把首句换了个说法，many challenges 到底是什么，读者还是不知道。

第 2 步 College students face many challenges today, such as finding jobs and dealing with new technology.
用 such as 补上了具体挑战，内容实了；但 finding jobs、dealing with 比较口语，也没说出挑战有多难。

第 3 步 Whether it is a tough job market or rapid technological change, today's graduates face many challenges.
改用 Whether it is 句式列举，tough job market、rapid technological change 更正式；但只有两项，后半句也没有比较，力度还不够。

满分句 **Whether it is a tough job market, rapid technological change or an unexpected setback, the challenges awaiting today's graduates are more complex than ever before.**

升格 2

第 1 步 My friend failed some interviews, but he found a job at last.
有失败也有结果，但中间“他做了什么”完全没写，例子证明不了“心理素质”的作用。

第 2 步 A senior student I know failed his first three job interviews, but he did not give up and found a good job.
人物和挫折写具体了（三次面试失败），但 did not give up、a good job 很普通，还是没写出具体行动。

第 3 步 A senior student I know failed his first three job interviews, but instead of losing heart, he analyzed his weaknesses and finally got a job offer.
用 instead of losing heart 写出转折，加上具体行动“分析不足”；但行动只有一个，结果也可以写得更打动人：不是随便一份工作，而是心仪已久的公司。

满分句 **A senior student I know failed his first three job interviews, but instead of losing heart, he analyzed his weaknesses, practiced with friends and finally received an offer from a company he had long admired.**

升格 3

第 1 步 College students should study hard so that they can face challenges.
方向对，但 study hard 太笼统，和前文的三点准备联系不紧，结尾显得平淡。

第 2 步 If college students use their time well, they will be able to face challenges.
用 If 条件句把做法和结果连起来，结构对了；但 use their time well 很空，face challenges 只是重复首句。

第 3 步 If college students make full use of their four years to improve their skills, they will be able to face challenges calmly.
换成 make full use of their four years，具体到大学四年；但只写了“技能”，漏了前文强调的心理素质，结果也可以写得更有气势。

满分句 **If college students make full use of their four years to sharpen their skills and strengthen their character, they will be able to face whatever comes their way calmly and confidently.**

9 高分句式

公式 → 原句 → 讲解 → 仿写

① Whether it is A, B or C 列举句

这个句式表达 表达“无论是 A、B 还是 C，……都……”，一口气列出几种具体情况，再说出它们的共同点

公式 Whether it is A, B or C（可以两三项）, 主语 + 谓语 …

范文原句 Whether it is a tough job market, rapid technological change or an unexpected setback, the challenges awaiting today's graduates are more complex than ever before

无论是严峻的就业市场、快速的技术变革，还是意想不到的挫折，如今毕业生面临的挑战都比以往任何时候更加复杂

Whether it is 后面接三个名词短语，用逗号和 or 连起来，把抽象的“挑战”变成具体的例子。awaiting today's graduates 是现在分词作后置定语，意思是“等待着毕业生的”。more complex than ever before 表示“比以往任何时候都更……”，强调程度。

例1 Whether it is a math problem or a personal conflict, patience is the key to solving it.

无论是数学难题还是人际冲突，耐心都是解决问题的关键。

例2 Whether it is air pollution, plastic waste or climate change, environmental problems are more serious than ever before.

无论是空气污染、塑料垃圾还是气候变化，环境问题都比以往任何时候更加严重。

也可以这样说

Regardless of whether ..., ...

不管是否……，……

..., be it A, B or C.

……，无论是 A、B 还是 C。

② involves more than 总起句

这个句式表达 表达“做好某件事不只是……”，先否定一个狭隘的看法，再引出更全面的内容

公式 主语（名词短语，如 Good + 名词 / 动名词短语）+ involves more than + 动名词 …

范文原句 Good preparation involves more than earning high grades

充分的准备不只是取得高分

involve 意思是“包含、涉及”，more than 意思是“不只是”，后面接动名词 earning。这句话先否定“准备就是考高分”，读者自然会问“那还要准备什么”，下文的三点就顺理成章地展开了。

例1 Being a good friend involves more than sharing happy moments.

做一个好朋友不只是分享快乐的时光。

例2 Protecting the environment involves more than sorting garbage at home.

保护环境不只是在家给垃圾分类。

也可以这样说

... is not just about ...

……不仅仅是……

... means much more than ...

……的意义远不止……

③ 分点递进句

这个句式表达 表达“第三，也许也是最重要的一点，……”，在分点论述时突出最关键的一条

公式 First, … Second, … Third / Finally, and perhaps most importantly, 主语 + must + 动词 … so that …

范文原句 Third, and perhaps most importantly, they must build mental strength so that setbacks do not defeat them

第三，也许也是最重要的一点，他们必须锻炼强大的心理素质，这样挫折才不会把他们击垮

First、Second、Third 让三点一目了然；第三点插入 and perhaps most importantly，告诉阅卷老师“这是重点”，perhaps 让语气不绝对。表建议的动词从 need、should 升到 must，语气一层比一层强。so that 引出目的“这样挫折才不会击垮他们”。

例1 Third, and perhaps most importantly, parents must set a good example so that children learn by watching.
第三，也许也是最重要的一点，父母必须树立好榜样，这样孩子才能耳濡目染地学习。

例2 Finally, and perhaps most importantly, we must stay patient so that small failures do not stop us.
最后，也许也是最重要的一点，我们必须保持耐心，这样小小的失败才不会让我们止步。

也可以这样说

Last but not least, ...
最后但同样重要的是，……

Above all, ...
最重要的是，……

④ instead of 转折事例句

这个句式表达 表达“某人遇到挫折后没有……，而是做了……，最终……”，用一句话讲完一个完整的小故事

公式 人 + 遭遇挫折, but instead of + 动名词, 主语 + 行动1 (, 行动2) and finally + 结果

范文原句 but instead of losing heart, he analyzed his weaknesses, practiced with friends and finally received an offer from a company he had long admired

但他没有灰心，而是分析自己的不足，和朋友一起练习，最终拿到了一家他仰慕已久的公司的录用通知

instead of losing heart 意思是“没有灰心，而是……”，是故事的转折点；后面三个动词 analyzed、practiced、received 排成一组，写出具体行动，finally 引出结果。a company he had long admired 省略了 that，用过去完成时表示“早就仰慕”。一句话有挫折、有行动、有结果，例子就有说服力。

例1 She failed the driving test twice, but instead of giving up, she practiced every weekend and finally passed it.
她两次没通过驾照考试，但她没有放弃，而是每个周末都练习，最终通过了考试。

例2 Our team lost the first match, but instead of blaming each other, we studied our mistakes and finally won the championship.

我们队输掉了第一场比赛，但我们没有互相埋怨，而是研究自己的失误，最终赢得了冠军。

也可以这样说

Rather than giving up, ...

他没有放弃，而是……

Far from being discouraged, ...

他非但没有气馁，反而……

⑤ 让步收束句

这个句式表达 表达“某事不可避免，但不必……”，先承认事实，再给出积极的态度

公式 (In short,) 主语 + is / are inevitable, but it / they need not be + 形容词 / 名词

范文原句 challenges are inevitable, but they need not be frightening

挑战是不可避免的，但它们不必令人害怕

inevitable 意思是“不可避免的”，先承认事实；but 一转，need not be 意思是“不必”（need 在这里是情态动词，后面直接接动词原形）。一句话里一退一进，语气平和又积极，很适合放在结尾段开头总结全文。

例1 Mistakes are inevitable, but they need not be a source of shame.

错误是不可避免的，但它们不必成为羞耻的来源。

例2 Change is inevitable, but it need not be painful.

变化是不可避免的，但它不必令人痛苦。

也可以这样说

Although ... cannot be avoided, ...

虽然……无法避免，但……

There is no need to be afraid of ...

没有必要害怕……

⑥ If 条件收尾句

这个句式表达 表达“如果某人充分利用……来做……，就能够……”，把前文的做法和最终的好结果连起来收尾

公式 If + 主语 + make full use of + 名词 + to do …, 主语 + will be able to + 动词原形 …

范文原句 If college students make full use of their four years to sharpen their skills and strengthen their character, they will be able to face whatever comes their way calmly and confidently

如果大学生充分利用四年时光来提升技能、磨炼品格，他们就能够沉着、自信地面对人生道路上的一切

make full use of 意思是“充分利用”，后面用不定式说出目的；sharpen their skills 和 strengthen their character 两个动宾短语对仗工整。主句里 whatever comes their way 意思是“无论遇到什么”，calmly and confidently 两个副词收尾，读起来有力。条件句主句用 will，从句用一般现在时。

例1 If we make full use of our spare time to read widely, we will be able to broaden our horizons.

如果我们充分利用业余时间广泛阅读，就能够开阔眼界。

例2 If young people make full use of online resources to keep learning, they will be able to keep up with the times.

如果年轻人充分利用网络资源不断学习，就能够跟上时代的步伐。

也可以这样说

As long as ..., ... will ...

只要……，就会……

By making the most of ..., ... can ...

通过充分利用……，……能够……

10 亮点词汇

把普通说法换成高分说法

高分表达	意思	替代的普通说法
competitive	adj. 竞争激烈的	full of competition
confront	v. 面对；应对	face
setback	n. 挫折	failure
solid	adj. 扎实的；坚实的	good
outdated	adj. 过时的	out of date
mental strength	心理素质；精神力量	a strong mind
admire	v. 钦佩；仰慕	like
inevitable	adj. 不可避免的	certain to happen
obstacle	n. 障碍	problem
sharpen	v. 提升；使敏锐	improve

合理负责地使用社交媒体

2025年6月大学英语六级 第1套 · 写作 Part I
议论文 · 范文 192 词

1 原题

Part I **Writing** **(30 minutes)**

Directions: *For this part, you are allowed 30 minutes to write an essay that begins with the sentence* ***"As social media is used more and more extensively, there is a growing awareness of the importance of using it properly and responsibly."*** *You can make comments, cite examples or use your personal experiences to develop your essay. You should write at least 150 words but no more than 200 words.*

You should copy the sentence given in quotes at the beginning of your essay.

题目译文

这一部分（For this part），你有 30 分钟（30 minutes）写一篇文章（essay），文章要以给出的这句话开头（begins with the sentence）："随着社交媒体（social media）的使用越来越广泛（extensively），人们越来越意识到（a growing awareness）恰当地、负责任地（properly and responsibly）使用社交媒体的重要性。"（As social media is used more and more extensively, there is a growing awareness of the importance of using it properly and responsibly.）

你可以发表评论（make comments）、举例说明（cite examples），或者用自己的亲身经历（use your personal experiences）来展开文章（develop your essay）。

字数：至少 150 词（at least 150 words），但不超过 200 词（no more than 200 words）。

必须把引号里给出的这句话原样抄写在文章开头（copy the sentence given in quotes at the beginning of your essay），作为第一句。

2 审题

先弄清楚要写什么，再动笔

议论文（给定首句）：合理、负责地使用社交媒体

150—200 词（题目要求 at least 150 words but no more than 200 words，首句也算在内）；范文写到 190—200 词，本篇 192 词。不要卡着 150 词的最低线写，也绝不能超过 200 词

- [ ] 用题目给的句子开头，一字不差照抄，放在全文第一句
- [ ] 围绕首句里的两个关键词展开：什么是"合理地"（properly）使用，什么是"负责地"（responsibly）使用，为什么重要
- [ ] 用评论、举例或亲身经历来支撑观点（题目点明的三种方法，至少用好一两种）
- [ ] 说明怎样做到，并有一个有力的结尾，让文章完整

语气与身份：正式、客观的议论语气：可以用 we、our 拉近和读者的距离，用 should 提出建议，不用 LOL、OMG 这类网络口语

容易失分的地方

- 首句必须一字不差照抄：more and more extensively、a growing awareness of、properly and responsibly 一个词都不能改，句末的句号也要照抄
- 首句的重点是“合理、负责地使用”，不是“社交媒体好不好”：不要写成社交媒体的利弊对比，更不能主张“不要用社交媒体”
- properly 和 responsibly 是两个不同的要求：前者管“自己怎么用”（适度），后者管“对别人的影响”（不传谣、不伤人、护隐私），两个都要写到
- 举例要具体：写出谣言、网络暴力、刷手机成瘾等真实问题，不要只说“社交媒体有很多问题”
- 首句算在字数里，写长了容易超过 200 词，动笔前先规划好每段几句

3 题目要求逐条落实

每一条要求 → 范文里的哪一句

题目要求	范文原句	怎么做到的
用给定的句子开头	As social media is used more and more extensively, there is a growing awareness of the importance of using it properly and responsibly.	全文第一句原样照抄题目给的句子，一个词、一个标点都没有改。
说明为什么重要（评论）	they have also brought problems like rumors, online abuse and addiction	第二句先肯定社交媒体方便分享信息，再用 but 指出谣言、网络暴力、成瘾三个问题，正好说明“为什么要合理、负责地使用”。
解释“合理地使用”	Using social media properly means, first of all, using it in moderation.	直接拿首句的 properly 下定义：合理就是适度；下一句写出不适度的后果（浪费时间、损害睡眠和注意力）。
解释“负责地使用”，并举例	Using it responsibly means thinking twice before posting or sharing anything.	再拿首句的 responsibly 下定义：负责就是发帖、转发前三思；接着举出随手转发谣言、一句欠考虑的评论两个具体例子，再补充保护隐私一点。
说明怎样做到，有力的结尾	To achieve this, each of us should develop good habits	第三段分个人和平台两个主体给出具体做法，最后用 If 条件句收尾，acts responsibly 呼应首句的 responsibly，首尾照应。
字数 150—200 词	As social media is used more and more extensively	全文共 192 词（含首句）：第一段 2 句，第二段 5 句，第三段 3 句，落在 190—200 词的目标区间内，没有超过 200 词。

4 写作思路

先列提纲，每段一个任务

第一段

照抄首句，说明背景

首句（人们日益认识到合理、负责使用社交媒体的重要性）→ 微信、微博让分享信息更容易，但也带来谣言、网络暴力、成瘾等问题

第二段

分别解释“合理”和“负责”

合理 = 适度使用 → 刷几个小时浪费时间、损害睡眠和注意力；负责 = 发帖、转发前三思 → 谣言引起恐慌、评论伤害陌生人 → 此外：保护自己和他人的隐私

第三段

提出做法并收尾

个人：设定时间限制、转发前核实来源 → 平台：加强内容监管、及时删除虚假有害的帖子 → If 条件句收尾：人人负责，社交媒体就会成为积极的力量

5 满分范文

荧光笔 + 圆圈编号 = 下面讲的高分句式

[1] As social media is used more and more extensively, there is a growing awareness of the importance of using it properly and responsibly. [2] Platforms such as WeChat and Weibo have made it easier than ever to share information①, but they have also brought problems like rumors, online abuse and addiction.

[3] Using social media properly means, first of all, using it in moderation②. [4] Spending hours scrolling through endless posts not only wastes valuable time but also harms our sleep and concentration③. [5] Using it responsibly means thinking twice before posting or sharing anything. [6] A rumor forwarded carelessly can cause panic, and a thoughtless comment may deeply hurt someone we have never met④. [7] Moreover, we should protect our own privacy and respect that of others, since personal information, once posted online, is very hard to take back⑤.

[8] To achieve this, each of us should develop good habits, such as setting time limits and checking the source of a message before passing it on. [9] Platforms, for their part, should tighten their oversight of content and remove false or harmful posts promptly⑥. [10] If everyone acts responsibly, social media will become a truly positive force in our lives.

参考译文

随着社交媒体的使用越来越广泛，人们日益认识到合理、负责地使用它的重要性。微信、微博等平台让分享信息变得前所未有的容易，但它们也带来了谣言、网络暴力和成瘾等问题。

合理使用社交媒体，首先意味着要适度使用。花几个小时刷看无穷无尽的帖子，不仅浪费宝贵的时间，还会损害我们的睡眠和注意力。负责任地使用社交媒体，意味着在发布或转发任何内容之前都要三思。随手转发的一条谣言可能引起恐慌，一句欠考虑的评论可能深深伤害一个我们素未谋面的人。此外，我们应该保护自己的隐私，也要尊重他人的隐私，因为个人信息一旦发布到网上，就很难收回。

要做到这一点，我们每个人都应该养成良好的习惯，比如设定时间限制，在转发信息之前核实其来源。平台方面，则应加强对内容的监管，及时删除虚假或有害的帖子。如果每个人都负责任地行事，社交媒体就会成为我们生活

中一股真正积极的力量。

6 一步一步写出这篇范文

01 一字不差照抄首句

把题目给的句子原样写在开头，抄完逐词核对一遍，尤其是 extensively、awareness 和 properly and responsibly。

> 1 As social media is used more and more extensively, there is a growing awareness of the importance of using it properly and responsibly.
> 随着社交媒体的使用越来越广泛，人们日益认识到合理、负责地使用它的重要性。

02 先肯定，再用 but 引出问题

第二句前半句用 made it easier than ever to 说出社交媒体的好处，后半句用 but 和 like 列出三个问题，说明“为什么要合理、负责地使用”，评论显得客观。

> 2 Platforms such as WeChat and Weibo have made it easier than ever to share information, but they have also brought problems like rumors, online abuse and addiction.
> 微信、微博等平台让分享信息变得前所未有的容易，但它们也带来了谣言、网络暴力和成瘾等问题。

03 拆开首句的两个关键词，逐个下定义

第二段用两个结构相同的句子 Using … properly means … 和 Using it responsibly means … 分别解释两个关键词，阅卷老师一眼就能看出文章紧扣首句。

> 3 Using social media properly means, first of all, using it in moderation.
> 合理使用社交媒体，首先意味着要适度使用。
> 5 Using it responsibly means thinking twice before posting or sharing anything.
> 负责任地使用社交媒体，意味着在发布或转发任何内容之前都要三思。

04 每个定义后面紧跟后果或例子

“合理”后面用 not only … but also 写出过度使用的两个后果；“负责”后面用两个对称的小句举出谣言和伤人评论的例子，让定义有说服力。

> 4 Spending hours scrolling through endless posts not only wastes valuable time but also harms our sleep and concentration.
> 花几个小时刷看无穷无尽的帖子，不仅浪费宝贵的时间，还会损害我们的睡眠和注意力。
> 6 A rumor forwarded carelessly can cause panic, and a thoughtless comment may deeply hurt someone we have never met.
> 随手转发的一条谣言可能引起恐慌，一句欠考虑的评论可能深深伤害一个我们素未谋面的人。

05 用 Moreover 补充一点

用 Moreover 加上“保护隐私”这一点，并用 since 说出理由：信息一旦发到网上就很难收回。

> 7 Moreover, we should protect our own privacy and respect that of others, since personal information, once posted online, is very hard to take back.
> 此外，我们应该保护自己的隐私，也要尊重他人的隐私，因为个人信息一旦发布到网上，就很难收回。

06 做法分给个人和平台两个主体

用 To achieve this 承接上文，先写个人（用 such as 给出两个具体习惯），再用 for their part 转到平台，两方面都有可以马上做的事。

> 8 To achieve this, each of us should develop good habits, such as setting time limits and checking the source of a message before passing it on.
> 要做到这一点，我们每个人都应该养成良好的习惯，比如设定时间限制，在转发信息之前核实其来源。
> 9 Platforms, for their part, should tighten their oversight of content and remove false or harmful posts promptly.
> 平台方面，则应加强对内容的监管，及时删除虚假或有害的帖子。

07 用 If 条件句收尾、呼应首句

If everyone acts responsibly 呼应首句的 responsibly，主句说出美好的结果：社交媒体成为真正积极的力量。

> 10 If everyone acts responsibly, social media will become a truly positive force in our lives.
> 如果每个人都负责任地行事，社交媒体就会成为我们生活中一股真正积极的力量。

7 为什么是满分档

切题 · 结构与连贯 · 语言

切题

首句一字不差照抄，后文紧扣首句里的两个关键词：第二段用两个定义句分别解释 properly（适度）和 responsibly（三思、护隐私），第三段说明个人和平台怎样做到，结尾又回到 responsibly。谣言、网络暴力、刷手机等例子都是真实问题，题目提示的“评论、举例”都用上了。满分档作文的特点就是：观点明确，每一部分都在为中心服务。

As social media is used more and more extensively, there is a growing awareness of the importance of using it properly and responsibly.

Using social media properly means, first of all, using it in moderation.

Using it responsibly means thinking twice before posting or sharing anything.

A rumor forwarded carelessly can cause panic

If everyone acts responsibly

结构与连贯

三段式结构清楚：背景与问题 → 解释“合理”和“负责” → 怎样做到。第二段用两个结构相同的定义句撑起全段，每个定义后面紧跟后果或例子，再用 Moreover 补充；第三段用 To achieve this 承接上文，for their part 从个人转到平台。代词 this、it 前后指代清楚。读者能顺着思路一步步读下去，这正是满分档作文在结构上的表现。

but they have also brought problems

first of all

Moreover

To achieve this

for their part

语言

句式丰富而且用得准确：形式宾语 it、动名词作主语和宾语、not only … but also、过去分词后置定语 forwarded carelessly、once posted online 省略句、for their part 插入语；用词具体、地道，如 scrolling through endless posts、in moderation、thinking twice、tighten their oversight of content；用 that of others 避免重复。全文没有语法错误，表达自然，满分档作文的语言就是这样准确、多样又地道。

have made it easier than ever to share information

Spending hours scrolling through endless posts not only wastes valuable time but also harms our sleep and concentration.

a thoughtless comment may deeply hurt someone we have never met

respect that of others

once posted online

tighten their oversight of content

8 升格示范

普通写法一步一步改成满分句

升格 1

第 1 步 Using social media too much is bad.
意思对，但 bad 太笼统，没有说出“坏在哪里”，阅卷老师看不到具体内容。

第 2 步 If we use social media for a long time, we will waste time and sleep badly.
说出了两个后果，内容实了；但 use … for a long time、sleep badly 比较口语，两个后果只用 and 连接，句子显得平。

第 3 步 Spending hours on social media not only wastes time but also harms our sleep.
改用动名词作主语，加上 not only … but also，结构紧凑；但 on social media 不够生动，还可以写出“刷帖”的画面，并补上注意力这一后果。

满分句 **Spending hours scrolling through endless posts not only wastes valuable time but also harms our sleep and concentration.**

升格 2

第 1 步 Some posts online can hurt other people.
说法太空泛，some posts 是什么帖子、怎么伤人，都没说清楚。

第 2 步 If we share a rumor, it can cause panic. If we write a bad comment, it may hurt others.
有了两个具体例子（谣言、坏评论），但两个 If 句重复，bad comment、others 很普通。

第 3 步 A rumor shared carelessly can cause panic, and a rude comment may hurt others.
用过去分词 shared carelessly 作后置定语，两个小句合成一句，节奏好多了；但 rude、others 还可以换得更准确：thoughtless 点出“欠考虑”，someone we have never met 更打动人。

满分句 **A rumor forwarded carelessly can cause panic, and a thoughtless comment may deeply hurt someone we have never met.**

升格 3

第 1 步 We should use social media in a good way.
只是重复了要求，in a good way 太空，读者不知道具体该怎么做。

第 2 步 We should develop good habits when we use social media.
提出了“养成好习惯”，方向对了；但到底是哪些习惯，还是没有说出来。

第 3 步 To achieve this, each of us should develop good habits, such as checking a message before sharing it.
用 To achieve this 承接上文，用 such as 给出一个具体习惯；但只有一个，而且只对应“负责”，还缺对应“合理”（适度）的设定时间限制。

满分句 **To achieve this, each of us should develop good habits, such as setting time limits and checking the source of a message before passing it on.**

9 高分句式

公式 → 原句 → 讲解 → 仿写

① 形式宾语 it 句

这个句式表达 表达“某事物让做某事变得比以往任何时候都容易”，说明新事物带来的便利

公式 主语 + have / has made it easier than ever to + 动词原形 …

范文原句 Platforms such as WeChat and Weibo have made it easier than ever to share information
微信、微博等平台让分享信息变得前所未有的容易

it 是形式宾语，真正的宾语是后面的 to share information。easier than ever 意思是“比以往任何时候都容易”。用它先肯定好处，再用 but 转到问题，评论就显得客观、全面。

例1 Online shopping has made it easier than ever to buy goods from all over the world.
网上购物让购买世界各地的商品变得前所未有的容易。

例2 High-speed trains have made it easier than ever to travel between big cities.
高铁让在大城市之间出行变得前所未有的方便。

也可以这样说

... makes it possible for us to ...
……使我们能够……

Thanks to ..., it has never been easier to ...
多亏了……，做……从未如此容易。

② 动名词下定义句

这个句式表达 表达“做好某事意味着……”，给题目里的关键词下一个具体的定义

公式 动名词短语（如 Using + 宾语 + 副词）+ means, first of all, + 动名词 …

范文原句 Using social media properly means, first of all, using it in moderation

合理使用社交媒体，首先意味着要适度使用

主语和宾语都是动名词短语：Using social media properly 是主语，using it in moderation 是宾语。first of all 插在中间，表示“首先”。下文 Using it responsibly means thinking twice 用同样的结构，两个关键词各下一个定义，结构对称、思路清楚。

例1 Studying effectively means, first of all, setting clear goals.

高效学习，首先意味着设定明确的目标。

例2 Being a good leader means, first of all, listening to others.

做一个好的领导者，首先意味着倾听他人。

也可以这样说

To use ... properly is to ...

合理地使用……就是要……

The first step to ... is ...

做到……的第一步是……

③ not only … but also 后果句

这个句式表达 表达“做某事不仅……，而且……”，一句话说出两个后果

公式 动名词短语（主语）+ not only + 谓语1 + but also + 谓语2

范文原句 Spending hours scrolling through endless posts not only wastes valuable time but also harms our sleep and concentration

花几个小时刷看无穷无尽的帖子，不仅浪费宝贵的时间，还会损害我们的睡眠和注意力

动名词短语作主语，谓语用单数 wastes、harms。spend hours doing 意思是“花几个小时做某事”，scroll through 意思是“刷（手机、帖子）”，很地道。not only … but also 连接两个谓语，后果一层比一层重。

例1 Staying up late not only makes us tired but also weakens our immune system.

熬夜不仅让我们疲惫，还会削弱我们的免疫力。

例2 Reading widely not only broadens our horizons but also improves our writing.

广泛阅读不仅开阔我们的眼界，还能提高我们的写作水平。

也可以这样说

... wastes time; worse still, it ...

……浪费时间；更糟的是，它还……

... does harm to both ... and ...

……对……和……都有害

④ 过去分词后置的对称句

这个句式表达 表达“一条随手转发的谣言可能……，一句欠考虑的评论可能……”，用两个对称的小句举例说明危害

公式 (A) + 名词 + 过去分词 (+ 副词 / 介词短语) + can + 后果1, and a + 形容词 + B + may + 后果2

范文原句 A rumor forwarded carelessly can cause panic, and a thoughtless comment may deeply hurt someone we have never met

随手转发的一条谣言可能引起恐慌，一句欠考虑的评论可能深深伤害一个我们素未谋面的人

forwarded carelessly 是过去分词短语作后置定语，修饰 a rumor；thoughtless 是前置形容词，修饰 comment。两个小句长短相近，用 can、may 轮换，读起来有节奏。someone we have never met 省略了关系代词，强调伤害的是陌生人，更打动人。

例1 A promise made lightly can damage trust, and a careless word may end a friendship.

轻易许下的承诺可能损害信任，一句不经意的话可能断送一段友谊。

例2 Food wasted in restaurants can add to pollution, and a single plastic bag may harm sea animals for years.

饭店里浪费的食物会加重污染，一个塑料袋就可能伤害海洋动物好多年。

也可以这样说

For example, a false message may ...

例如，一条虚假信息可能……

..., which may lead to serious consequences.

……，这可能会导致严重的后果。

⑤ since + once 插入语原因句

这个句式表达 表达“我们应该……，因为某物一旦……，就……”，在建议后面说出理由

公式 主语 + should + 动词 …, since + 主语, once + 过去分词, + 谓语 …

范文原句 since personal information, once posted online, is very hard to take back

因为个人信息一旦发布到网上，就很难收回

since 引出理由，意思是“因为、既然”；once posted online 是省略句，完整形式是 once it is posted online，插在主语和谓语之间，意思是“一旦发到网上”。前面的 respect that of others 里 that 指代 privacy，避免重复。

例1 We should think carefully before we speak, since words, once spoken, cannot be taken back.

我们说话前应该仔细想想，因为话一旦说出口，就收不回来了。

例2 We must protect forests, since trees, once cut down, take decades to grow back.

我们必须保护森林，因为树木一旦被砍伐，需要几十年才能重新长成。

也可以这样说

…, because once … is …, it …

……，因为一旦……，它就……

…, for it is almost impossible to …

……，因为几乎不可能……

⑥ for their part 分主体建议句

这个句式表达 表达“就某一方而言，他们应该……”，在建议段里从一个主体转到另一个主体

公式 主体, for their / its part, should + 动词1 … (and + 动词2 …)

范文原句 Platforms, for their part, should tighten their oversight of content and remove false or harmful posts promptly

平台方面，则应加强对内容的监管，及时删除虚假或有害的帖子

for their part 意思是“就他们而言”，插在主语后面，表示“上面说了个人，现在说平台”，转换自然。tighten their oversight of content 意思是“加强对内容的监管”，比 manage content better 正式得多；promptly 意思是“及时地”。

例1 Schools, for their part, should offer more courses on mental health.

学校方面，则应开设更多心理健康课程。

例2 The government, for its part, should tighten its oversight of food safety.

政府方面，则应加强对食品安全的监管。

也可以这样说

As for platforms, ...

至于平台，……

As far as the government is concerned, ...

就政府而言，……

10 亮点词汇

把普通说法换成高分说法

高分表达	意思	替代的普通说法
extensively	adv. 广泛地	widely
awareness	n. 意识；认识	understanding
online abuse	网络暴力；网络谩骂	online bullying
addiction	n. 成瘾；沉迷	using too much
in moderation	适度地	not too much
concentration	n. 注意力；专注力	attention
thoughtless	adj. 欠考虑的；轻率的	careless
privacy	n. 隐私	personal information
oversight	n. 监管；监督	control
promptly	adv. 及时地；迅速地	quickly

大学生为未来职业做准备

1 原题

Part I **Writing** **(30 minutes)**

Directions: *For this part, you are allowed 30 minutes to write an essay that begins with the sentence* ***"As requirements for job applications are getting increasingly higher, college students ought to be better prepared for their future career."*** *You can make comments, cite examples or use your personal experiences to develop your essay. You should write at least 150 words but no more than 200 words.*

You should copy the sentence given in quotes at the beginning of your essay.

题目译文

这一部分（For this part），你有 30 分钟（30 minutes）写一篇文章（essay），文章要以给出的这句话开头（begins with the sentence）："随着求职的要求（requirements for job applications）越来越高，大学生应当为将来的职业（future career）做好更充分的准备。"（As requirements for job applications are getting increasingly higher, college students ought to be better prepared for their future career.）

你可以发表评论（make comments）、举例说明（cite examples），或者用自己的亲身经历（use your personal experiences）来展开文章（develop your essay）。

字数：至少 150 词（at least 150 words），但不超过 200 词（no more than 200 words）。

必须把引号里给出的这句话原样抄写在文章开头（copy the sentence given in quotes at the beginning of your essay），作为第一句。

2 审题

先弄清楚要写什么，再动笔

议论文（给定首句）：大学生要为未来职业做好准备

150—200 词（题目要求 at least 150 words but no more than 200 words，首句也算在内）；范文写到 190—200 词，本篇 193 词。不要卡着 150 词的最低线写，也绝不能超过 200 词

- [ ] 用题目给的句子开头，一字不差照抄，放在全文第一句
- [ ] 围绕首句展开：先说清用人单位的要求高在哪里，再说明大学生应该怎样为职业做准备（这是文章的主体）
- [ ] 用评论、举例或亲身经历来支撑观点（题目点明的三种方法，至少用好一两种）
- [ ] 有一个有力的结尾，点明职业准备应该怎样对待，让文章完整

语气与身份：正式、务实的议论语气：以第三人称论述为主，用 should、can 提出建议，举例时可以写自己的同学，但不用口语化的表达

容易失分的地方

- 首句必须一字不差照抄：requirements for job applications、increasingly higher、ought to be better prepared 一个词都不能改，句末的句号也要照抄
- 首句的重点是“做好准备”，主体段要写具体怎么准备，不要写成大段抱怨“找工作太难”
- 做法要有顺序、有层次：可以按时间（大一 → 之后 → 毕业前）或按方面（专业技能 → 软技能）安排，不要把建议堆在一起
- 例子要具体：写清谁、想做什么工作、做了什么、结果如何，不要只说“有经验的人更容易找到工作”
- 首句算在字数里，写长了容易超过 200 词，动笔前先规划好每段几句

3 题目要求逐条落实

每一条要求 → 范文里的哪一句

题目要求	范文原句	怎么做到的
用给定的句子开头	As requirements for job applications are getting increasingly higher, college students ought to be better prepared for their future career.	全文第一句原样照抄题目给的句子，一个词、一个标点都没有改。
说清要求高在哪里	Employers today expect not only good academic records but also practical experience, teamwork skills and the ability to adapt quickly to new situations.	首句只说“要求越来越高”，第二句马上具体化：雇主除了成绩，还要实践经验、团队合作能力和适应能力，为下文“怎样准备”定下方向。
发表评论：怎样做好准备	To meet these expectations, students should start planning early.	第二段先用一句总起（尽早规划），再按时间顺序写：大一探索兴趣、定目标 → 之后逐步培养专业技能 → 同样重要的软技能，每一步都有具体做法。
举例或用亲身经历支撑观点	A classmate of mine who wanted to work in marketing spent two summers interning at local companies	用自己同学的经历（两个暑假在当地公司实习 → 从众多求职者中脱颖而出）证明“实践经验”的作用；题目给的“评论、举例、亲身经历”三种方法，本文用了评论和身边人的经历。
有力的结尾	Career preparation is not a last-minute task before graduation but a process that spans all four years of college.	结尾段用 not … but … 纠正“临时抱佛脚”的想法，再用 Those who 一句收尾，prepare、ready 呼应首句的 prepared，首尾照应。
字数 150—200 词	As requirements for job applications are getting increasingly higher	全文共 193 词（含首句）：第一段 2 句，第二段 5 句，第三段 3 句，落在 190—200 词的目标区间内，没有超过 200 词。

4 写作思路

先列提纲，每段一个任务

第一段

照抄首句，说明要求

首句（求职要求越来越高，大学生应做好准备）→ 雇主要的不只是成绩，还有实践经验、团队合作能力、适应能力

第二段

说明怎样准备

总起：尽早规划 → 大一：探索兴趣、确立职业目标 → 之后：通过实习、科研项目逐步培养专业技能 → 同样重要：通过社团、志愿工作培养软技能 → 事例：同学两个暑假实习，脱颖而出、得到心仪工作

第三段

补充一点并收尾

补充：关注就业市场变化、及时更新知识 → 点明：职业准备是贯穿四年的过程，不是毕业前的临时任务 → 收尾：尽早、稳步准备的人，机会来时就能抓住

5 满分范文

荧光笔 + 圆圈编号 = 下面讲的高分句式

[1] As requirements for job applications are getting increasingly higher, college students ought to be better prepared for their future career. [2] Employers today expect not only good academic records but also practical experience, teamwork skills and the ability to adapt quickly to new situations.

[3] To meet these expectations, students should start planning early①. [4] In their first year, they can explore their interests and set clear career goals. [5] After that, they should build relevant skills step by step, for example by doing internships or joining research projects related to their major②. [6] Equally important are soft skills such as communication and problem-solving, which can be developed through club activities and volunteer work③. [7] A classmate of mine who wanted to work in marketing spent two summers interning at local companies④, and this experience helped her stand out among many applicants and secure the job she had hoped for.

[8] In addition, students should keep an eye on changes in the job market and update their knowledge accordingly. [9] Career preparation is not a last-minute task before graduation but a process that spans all four years of college⑤. [10] Those who prepare early and steadily will be ready when opportunities arrive⑥.

参考译文

随着求职要求越来越高，大学生应该为未来的职业做好更充分的准备。如今的雇主不仅希望求职者有良好的学习成绩，还希望他们具备实践经验、团队合作能力以及快速适应新环境的能力。

为了达到这些期望，学生应该尽早开始规划。在大一，他们可以探索自己的兴趣，确立明确的职业目标。此后，他们应该逐步培养相关技能，例如去实习，或参加与本专业相关的科研项目。同样重要的是沟通能力和解决问题能力等软技能，它们可以通过社团活动和志愿工作来培养。我的一位同学想从事市场营销工作，她用两个暑假在当地公司实习，这段经历帮助她从众多求职者中脱颖而出，得到了她一直期盼的工作。

此外，学生应该关注就业市场的变化，并相应地更新自己的知识。职业准备不是毕业前临时抱佛脚的任务，而是一个贯穿大学四年的过程。那些尽早、稳步做准备的人，在机会到来时就会有所准备。

6 一步一步写出这篇范文

01 一字不差照抄首句

把题目给的句子原样写在开头，抄完逐词核对一遍，尤其是 increasingly higher、ought to 和句末句号。

> 1 As requirements for job applications are getting increasingly higher, college students ought to be better prepared for their future career.
> 随着求职要求越来越高，大学生应该为未来的职业做好更充分的准备。

02 第二句把“要求更高”说具体

用 not only … but also 写出雇主的期望：成绩之外还有三项能力。这三项能力正好是下文要讲的准备方向，开头就把全文串起来了。

> 2 Employers today expect not only good academic records but also practical experience, teamwork skills and the ability to adapt quickly to new situations.
> 如今的雇主不仅希望求职者有良好的学习成绩，还希望他们具备实践经验、团队合作能力以及快速适应新环境的能力。

03 用目的状语承接，总起论证段

第二段第一句用 To meet these expectations 接住上一段的“期望”，再亮出总观点：尽早规划。

> 3 To meet these expectations, students should start planning early.
> 为了达到这些期望，学生应该尽早开始规划。

04 按时间顺序写做法

In their first year 写第一步（探索兴趣、定目标），After that 写第二步（逐步培养相关技能，用 for example by doing 给出实习、科研两个具体途径），时间线清楚。

> 4 In their first year, they can explore their interests and set clear career goals.
> 在大一，他们可以探索自己的兴趣，确立明确的职业目标。
> 5 After that, they should build relevant skills step by step, for example by doing internships or joining research projects related to their major.
> 此后，他们应该逐步培养相关技能，例如去实习，或参加与本专业相关的科研项目。

05 用倒装句补上软技能

Equally important are 放在句首，告诉读者“下面这点同样重要”，再用 which 从句说出软技能从哪里培养。

> 6 Equally important are soft skills such as communication and problem-solving, which can be developed through club activities and volunteer work.
> 同样重要的是沟通能力和解决问题能力等软技能，它们可以通过社团活动和志愿工作来培养。

06 用同学的经历作证

例子写清四件事：谁（我的一位同学）、目标（想做市场营销）、做了什么（两个暑假实习）、结果（脱颖而出、得到心仪工作），用 this experience 把行动和结果连起来。

> 7 A classmate of mine who wanted to work in marketing spent two summers interning at local companies, and this experience helped her stand out among many applicants and secure the job she had hoped for.
> 我的一位同学想从事市场营销工作，她用两个暑假在当地公司实习，这段经历帮助她从众多求职者中脱颖而出，得到了她一直期盼的工作。

07 补充一点，再纠正误区、收尾

In addition 补上“关注就业市场”；接着用 not … but … 纠正“毕业前才准备”的误区；最后用 Those who … will … 收尾，说出尽早准备的好结果。

> 8 In addition, students should keep an eye on changes in the job market and update their knowledge accordingly.
> 此外，学生应该关注就业市场的变化，并相应地更新自己的知识。
>
> 9 Career preparation is not a last-minute task before graduation but a process that spans all four years of college.
> 职业准备不是毕业前临时抱佛脚的任务，而是一个贯穿大学四年的过程。
>
> 10 Those who prepare early and steadily will be ready when opportunities arrive.
> 那些尽早、稳步做准备的人，在机会到来时就会有所准备。

7 为什么是满分档

切题 · 结构与连贯 · 语言

切题

首句一字不差照抄，后文紧扣“为职业做好准备”：第一段说清雇主的具体要求，第二段按时间顺序说明怎样准备，并用同学实习的经历作证，第三段补充一点后点明“准备要贯穿四年”。这些建议大都对应第一段提到的要求（实践经验、团队合作、适应能力），题目提示的“评论、举例”都用上了。满分档作文的特点就是：观点明确，每一部分都在为中心服务。

As requirements for job applications are getting increasingly higher, college students ought to be better prepared for their future career.

Employers today expect not only good academic records but also practical experience

To meet these expectations, students should start planning early.

spent two summers interning at local companies

a process that spans all four years of college

结构与连贯

三段式结构清楚：要求 → 怎样准备 → 补充与收尾。第二段用 To meet these expectations 接住上一段的内容，再按时间顺序展开（In their first year、After that），用 Equally important are 引出软技能，例子紧跟在后；第三段用 In addition 补充，用 not … but … 点题，最后一句收尾。读者能顺着思路一步步读下去，这正是满分档作文在结构上的表现。

To meet these expectations

In their first year

After that

Equally important are

this experience helped her stand out

In addition

语言

句式丰富而且用得准确：not only … but also、不定式作目的状语、by doing 表示方式、Equally important are 倒装句、which 非限制性定语从句、a classmate of mine 双重所有格、not … but …、Those who 结构；用词具体、正式，如 academic records、relevant skills、stand out、secure、accordingly、spans。全文没有语法错误，表达自然，满分档作文的语言就是这样准确、多样又地道。

the ability to adapt quickly to new situations

for example by doing internships or joining research projects related to their major

Equally important are soft skills such as communication and problem-solving

stand out among many applicants and secure the job she had hoped for

update their knowledge accordingly

Those who prepare early and steadily will be ready when opportunities arrive.

8 升格示范

普通写法一步一步改成满分句

升格 1

第 1 步 Then they should learn more skills.

方向对，但 learn more skills 太空泛：什么技能、怎么学，都没说。

第 2 步 After that, they should learn useful skills by doing internships.

加上了具体途径（实习），建议实了；但 learn useful skills 比较普通，途径也只有一个。

第 3 步 After that, they should build relevant skills step by step, for example by doing internships.

换成 build relevant skills，加上 step by step 说明是一个过程，for example by doing 引出途径；但还可以再补一个和专业有关的途径，让建议更全面。

满分句 **After that, they should build relevant skills step by step, for example by doing internships or joining research projects related to their major.**

升格 2

第 1 步 My classmate did internships and found a good job.

有行动也有结果，但太简单：她想做什么工作、实习了多久、为什么能成功，都没写出来。

第 2 步 A classmate of mine did internships for two summers, so she found a good job easily.

加上了时间（两个暑假），例子具体了一些；但 found a good job easily 很普通，也没说出实习和成功之间的联系。

第 3 步 A classmate of mine who wanted to work in marketing spent two summers interning at local companies, and this experience helped her find a good job.

用 who 从句交代她的目标，用 spent two summers interning 写出行动，用 this experience 把行动和结果连起来；但结果还可以写得更有力：从众多求职者中脱颖而出，得到的是心仪的工作。

满分句 **A classmate of mine who wanted to work in marketing spent two summers interning at local companies, and this experience helped her stand out among many applicants and secure the job she had hoped for.**

升格 3

第 1 步 Students should not prepare for their career only before graduation.
说出了“不要临时准备”，但只有否定、没有肯定，读者不知道正确的做法是什么。

第 2 步 Career preparation should not happen just before graduation. It should last for four years.
有了正反两面，但拆成两个短句，读起来断断续续，last for four years 也比较平。

第 3 步 Career preparation is not a task before graduation but a process that lasts four years.
用 not … but … 把正反两面合成一句，观点鲜明；但还可以用 last-minute 点出“临时抱佛脚”，用 spans all four years of college 写得更准确。

满分句 **Career preparation is not a last-minute task before graduation but a process that spans all four years of college.**

9 高分句式

公式 → 原句 → 讲解 → 仿写

① To do 目的状语承接句

这个句式表达 表达“为了达到这些要求，某人应该……”，接住上一段的内容，引出建议

公式 To meet + 名词（如 these expectations / requirements / the needs of …），主语 + should + 动词原形 …

范文原句 To meet these expectations, students should start planning early
为了达到这些期望，学生应该尽早开始规划

To meet these expectations 是不定式作目的状语，these expectations 指代上一段雇主的期望，一句话完成段落过渡。meet 意思是“满足、达到”，常和 expectations、requirements、needs 搭配。start doing 意思是“开始做某事”。

例1 To meet these requirements, applicants should improve their English as early as possible.
为了达到这些要求，求职者应该尽早提高自己的英语水平。

例2 To meet the needs of an aging society, the government should build more care homes.
为了满足老龄化社会的需求，政府应该建设更多的养老院。

也可以这样说

In order to live up to these expectations, ...
为了不辜负这些期望，……

Faced with these demands, ...
面对这些要求，……

② for example by doing 方式句

这个句式表达 表达“某人应该逐步做……，例如通过做……或……”，在建议后面给出具体途径

公式 主语 + should / can + 动词 … (step by step), for example by doing A or doing B

范文原句 they should build relevant skills step by step, for example by doing internships or joining research projects related to their major

他们应该逐步培养相关技能，例如去实习，或参加与本专业相关的科研项目

step by step 意思是“逐步地”，说明准备是一个过程。for example by doing 引出具体方式：by 加动名词表示“通过……”，后面两个动名词 doing、joining 用 or 并列。related to their major 是过去分词短语作后置定语。建议加上具体途径，就不再是空话。

例1 We should improve our spoken English step by step, for example by joining an English club or talking with foreign friends.

我们应该逐步提高英语口语，例如参加英语俱乐部，或者和外国朋友交谈。

例2 Students can reduce stress, for example by playing sports or keeping a diary.

学生可以减轻压力，例如通过运动或者写日记。

也可以这样说

..., such as doing ... or ...

……，比如做……或……

One effective way is to ...

一种有效的方法是……

③ Equally important are 倒装句

这个句式表达 表达“同样重要的是……”，在列举做法时引出另一个同样关键的方面

公式 Equally important are / is + 主语（名词）(, which + 补充说明，如 can be + 过去分词 + through …)

范文原句 Equally important are soft skills such as communication and problem-solving, which can be developed through club activities and volunteer work

同样重要的是沟通能力和解决问题能力等软技能，它们可以通过社团活动和志愿工作来培养

正常语序是 Soft skills … are equally important，把表语 Equally important 提到句首，句子就倒装了。注意 be 动词要和后面的真正主语一致：soft skills 是复数，所以用 are。倒装让过渡更自然，也让句式更多样；后面的 which 从句说出这些技能从哪里来。

例1 Equally important is a healthy lifestyle, which can protect us from many diseases.

同样重要的是健康的生活方式，它能让我们远离许多疾病。

例2 Equally important are good study habits, which can be formed through daily practice.
同样重要的是良好的学习习惯，它们可以通过日常练习养成。

也可以这样说

What is equally important is ...
同样重要的是……

In addition to ..., ... also matters.
除了……，……也很重要。

④ A ... of mine who 人物事例句

这个句式表达 表达“我的一位……（想做某事），花了多长时间做……”，引出身边人的真实经历

公式 A + 身份 + of mine who + 愿望 + spent + 时间 + doing ...

范文原句 A classmate of mine who wanted to work in marketing spent two summers interning at local companies
我的一位同学想从事市场营销工作，她用两个暑假在当地公司实习

a classmate of mine 意思是“我的一位同学”，是双重所有格；who wanted to work in marketing 交代她的目标，让例子有针对性。spend + 时间 + doing 意思是“花多长时间做某事”，two summers 让行动具体可信。后面再用 this experience helped her … 说出结果，例子就完整了。

例1 A friend of mine who dreamed of becoming a teacher spent a year teaching in a rural school.
我的一位朋友梦想成为老师，他花了一年时间在一所乡村学校任教。

例2 A cousin of mine who wanted to study abroad spent every weekend practicing English.
我的一位表妹想出国留学，她每个周末都在练习英语。

也可以这样说

Take my roommate as an example. ...
以我的室友为例。……

I know a student who ...
我认识一个学生，他……

⑤ not … but … 纠正误区句

这个句式表达 表达“某事不是……，而是……”，纠正一种错误的看法，说出正确的认识

公式 主语 + is not + A + but + B（名词 + that 从句）

范文原句 Career preparation is not a last-minute task before graduation but a process that spans all four years of college

职业准备不是毕业前临时抱佛脚的任务，而是一个贯穿大学四年的过程

not A but B 意思是“不是 A 而是 B”，A 是常见的误区（临时任务），B 是正确的看法（长期过程）。last-minute 意思是“最后一刻的、临时的”；span 作动词，意思是“贯穿、跨越（一段时间）”。这种句子观点鲜明，很适合放在结尾段点题。

例1 Learning a language is not a short-term task but a journey that lasts a lifetime.

学习一门语言不是一项短期任务，而是一段持续终生的旅程。

例2 Protecting the environment is not the job of the government alone but a duty that everyone shares.

保护环境不是政府一方的工作，而是每个人共同的责任。

也可以这样说

... should be seen as ... rather than ...

……应被看作……而不是……

Rather than ..., ... is ...

……不是……，而是……

⑥ Those who … will … 收尾句

这个句式表达 表达“那些……的人，将会……”，把前文的做法浓缩成一句有力的结论

公式 Those who + 动词 + 副词 + will + 动词 … (when …)

范文原句 Those who prepare early and steadily will be ready when opportunities arrive

那些尽早、稳步做准备的人，在机会到来时就会有所准备

Those who 意思是“那些……的人”，who 从句里 early and steadily 两个副词概括了前文的全部建议（尽早规划、逐步培养）。主句 will be ready when opportunities arrive 说出结果，ready 呼应首句的 prepared。句子短而有力，像一句格言，适合作全文最后一句。

例1 Those who read widely and think deeply will write with confidence.

那些广泛阅读、深入思考的人，写作时就会充满自信。

例2 Those who exercise regularly will stay energetic when work gets busy.

那些坚持锻炼的人，在工作繁忙时也能保持精力充沛。

也可以这样说

Opportunities favor those who are prepared.

机会青睐有准备的人。

Only those who ... can ...

只有那些……的人才能……

10 亮点词汇

把普通说法换成高分说法

高分表达	意思	替代的普通说法
requirement	n. 要求；条件	need
academic records	学习成绩；学业记录	grades
adapt to	适应	get used to
relevant	adj. 相关的	related
internship	n. 实习	work experience
soft skills	软技能（沟通、合作等能力）	people skills
stand out	脱颖而出	be better than others
secure	v. 获得；争取到	get
accordingly	adv. 相应地	to match
span	v. 贯穿；持续	last

人工智能与人类创造力

2025年6月大学英语六级 第3套 · 写作 Part I
议论文 · 范文 193 词

1 原题

Part I **Writing** **(30 minutes)**

Directions: *For this part, you are allowed 30 minutes to write an essay that begins with the sentence* ***"With the increasing application of AI technology, there is a growing concern that it may negatively impact human creativity."*** *You can make comments, cite examples or use your personal experiences to develop your essay. You should write at least 150 words but no more than 200 words.*

You should copy the sentence given in quotes at the beginning of your essay.

题目译文

这一部分（For this part），你有 30 分钟（30 minutes）写一篇文章（essay），文章要以给出的这句话开头（begins with the sentence）："随着人工智能技术（AI technology）的应用越来越多，人们越来越担心（a growing concern）它可能会对人类的创造力（human creativity）产生负面影响（negatively impact）。"（With the increasing application of AI technology, there is a growing concern that it may negatively impact human creativity.）

你可以发表评论（make comments）、举例说明（cite examples），或者用自己的亲身经历（use your personal experiences）来展开文章（develop your essay）。

字数：至少 150 词（at least 150 words），但不超过 200 词（no more than 200 words）。

必须把引号里给出的这句话原样抄写在文章开头（copy the sentence given in quotes at the beginning of your essay），作为第一句。

2 审题

先弄清楚要写什么，再动笔

议论文（给定首句）：人工智能是否会削弱人类创造力

150—200 词（题目要求 at least 150 words but no more than 200 words，首句也算在内）；范文写到 190—200 词，本篇 193 词。不要卡着 150 词的最低线写，也绝不能超过 200 词

- [ ] 用题目给的句子开头，一字不差照抄，放在全文第一句
- [ ] 回应首句里的"担忧"：这种担忧有没有道理、为什么
- [ ] 用评论、举例或亲身经历来支撑观点（题目点明的三种方法，至少用好一两种）
- [ ] 给出自己的看法和做法：怎样使用人工智能才能不伤害、甚至增强创造力，并有一个有力的结尾

语气与身份：正式、客观、辩证的议论语气：以第三人称和 we 论述，先承认担忧再提出看法，不走极端，不用口语化的表达

容易失分的地方

- 首句必须一字不差照抄：increasing application、a growing concern that、negatively impact human creativity 一个词都不能改，句末的句号也要照抄
- 首句只是交代“有人担忧”，不是作者的结论：后文要回应这种担忧，可以承认它有道理，但最好辩证地看，不要一味喊“人工智能很可怕”
- 话题是“创造力”（creativity），不要跑题写成人工智能会不会抢走工作、泄露隐私
- 承认担忧和提出看法之间要有清楚的转折（However），否则读者分不清作者到底站在哪一边
- 首句算在字数里，写长了容易超过 200 词，动笔前先规划好每段几句

3 题目要求逐条落实

每一条要求 → 范文里的哪一句

题目要求	范文原句	怎么做到的
用给定的句子开头	With the increasing application of AI technology, there is a growing concern that it may negatively impact human creativity.	全文第一句原样照抄题目给的句子，一个词、一个标点都没有改。
说清担忧从何而来	Now that AI can write poems, compose music and create paintings in seconds	第二句用写诗、作曲、绘画三个例子说明人工智能已经能“创作”，自然引出人们的担心：我们会逐渐不再独立思考。
评论：担忧有道理（举例）	This concern is not groundless.	先用一个短句表态，再举学生让人工智能代写作文的例子，并说出道理：创造力恰恰是在苦思中成长的，过度依赖会削弱想象力。
辩证看待：人工智能也有好处（举例）	However, AI is not the enemy.	用 However 转折，指出用得明智，人工智能能省去重复劳动、带来灵感，并举设计师用人工智能生成草图、再精心完善的例子。
给出看法和做法，有力的结尾	The key, therefore, lies in how we use AI.	第三段先点明关键在于“怎么用”，再给出个人和学校的做法，最后一句 enrich human creativity 回应首句的 impact human creativity，首尾照应。
字数 150—200 词	With the increasing application of AI technology	全文共 193 词（含首句）：第一段 2 句，第二段 6 句，第三段 4 句，落在 190—200 词的目标区间内，没有超过 200 词。

4 写作思路

先列提纲，每段一个任务

第一段

照抄首句，说明担忧

首句（人们担心人工智能会削弱人类创造力）→ 人工智能几秒钟就能写诗、作曲、绘画，有人担心我们会不再独立思考

第二段

辩证分析：先承认，再转折

承认：担忧并非毫无根据 → 例子：学生让人工智能代写作文，失去在苦思中成长的机会 → 过度依赖削弱想象力 → 转折：人工智能不是敌人 → 用得明智能省去重复劳动、带来灵感 → 例子：设计师生成草图、完善最有创意的一幅

第三段

提出看法和做法并收尾

点明：关键在于怎么用 → 个人：把它当助手而非替代品，最终判断自己做 → 学校：鼓励学生先独立思考 → 收尾：这样人工智能就能丰富而不是取代创造力

5 满分范文

荧光笔 + 圆圈编号 = 下面讲的高分句式

[1] With the increasing application of AI technology, there is a growing concern that it may negatively impact human creativity. [2] Now that AI can write poems, compose music and create paintings in seconds, some people fear that we will gradually stop thinking for ourselves①.

[3] This concern is not groundless②. [4] When a ready-made answer is just a click away, students may be tempted to let AI write their essays instead of struggling with their own ideas, yet it is exactly through such struggle that creativity grows③. [5] Over time, overreliance on AI could weaken our imagination. [6] However, AI is not the enemy. [7] Used wisely, it can free us from repetitive work and offer fresh inspiration④. [8] A designer, for instance, can generate dozens of sketches with AI and then devote more time to refining the most original one.

[9] The key, therefore, lies in how we use AI⑤. [10] We should treat it as an assistant rather than a substitute, using it to explore possibilities while keeping the final judgment in our own hands⑥. [11] Schools should encourage students to think independently before turning to AI for help. [12] In this way, AI can enrich human creativity instead of replacing it.

参考译文

随着人工智能技术的应用日益广泛，越来越多的人担心它可能会对人类的创造力产生负面影响。既然人工智能几秒钟就能写诗、作曲、绘画，一些人担心我们会逐渐不再独立思考。

这种担忧并非毫无根据。当现成的答案只需点一下鼠标就能得到时，学生可能会忍不住让人工智能替他们写作文，而不去苦苦琢磨自己的想法；然而，恰恰是通过这样的苦思，创造力才得以成长。久而久之，过度依赖人工智能可能会削弱我们的想象力。然而，人工智能并不是敌人。如果运用得当，它能把我们从重复性的工作中解放出来，并带来新的灵感。例如，设计师可以用人工智能生成几十幅草图，然后把更多时间用来完善其中最有创意的那一幅。

因此，关键在于我们如何使用人工智能。我们应该把它当作助手而不是替代品，用它来探索各种可能性，同时把最终的判断权掌握在自己手中。学校应该鼓励学生先独立思考，再求助于人工智能。这样，人工智能就能丰富人类的创造力，而不是取代它。

6 一步一步写出这篇范文

01 一字不差照抄首句

把题目给的句子原样写在开头，抄完逐词核对一遍，尤其是 application、concern that 和 negatively impact。

> 1 With the increasing application of AI technology, there is a growing concern that it may negatively impact human creativity.
> 随着人工智能技术的应用日益广泛，越来越多的人担心它可能会对人类的创造力产生负面影响。

02 第二句说清担忧从何而来

用 Now that 引出原因：人工智能能写诗、作曲、绘画，再用 some people fear that 说出具体的担心，让首句的 concern 有了内容。

> 2 Now that AI can write poems, compose music and create paintings in seconds, some people fear that we will gradually stop thinking for ourselves.
> 既然人工智能几秒钟就能写诗、作曲、绘画，一些人担心我们会逐渐不再独立思考。

03 先承认担忧有道理，并说出理由

第二段用一个短句 This concern is not groundless 表态；接着举学生代写作文的例子，用强调句点出“创造力在苦思中成长”；再用 Over time 说出长期后果。

> 3 This concern is not groundless.
> 这种担忧并非毫无根据。
>
> 4 When a ready-made answer is just a click away, students may be tempted to let AI write their essays instead of struggling with their own ideas, yet it is exactly through such struggle that creativity grows.
> 当现成的答案只需点一下鼠标就能得到时，学生可能会忍不住让人工智能替他们写作文，而不去苦苦琢磨自己的想法；然而，恰恰是通过这样的苦思，创造力才得以成长。
>
> 5 Over time, overreliance on AI could weaken our imagination.
> 久而久之，过度依赖人工智能可能会削弱我们的想象力。

04 用 However 转折，写出另一面

再用一个短句 However, AI is not the enemy 转折，两个短句一前一后，立场变化一目了然；然后用 Used wisely 说出好处，用 for instance 举设计师的例子。

> 6 However, AI is not the enemy.
> 然而，人工智能并不是敌人。
>
> 7 Used wisely, it can free us from repetitive work and offer fresh inspiration.
> 如果运用得当，它能把我们从重复性的工作中解放出来，并带来新的灵感。
>
> 8 A designer, for instance, can generate dozens of sketches with AI and then devote more time to refining the most original one.
> 例如，设计师可以用人工智能生成几十幅草图，然后把更多时间用来完善其中最有创意的那一幅。

05 点明关键，给出具体做法

第三段用 The key lies in how we use AI 亮出结论，接着分两个主体给做法：我们自己把它当助手、最终判断自己做；学校鼓励学生先独立思考。

> 9 The key, therefore, lies in how we use AI.
> 因此，关键在于我们如何使用人工智能。
> 10 We should treat it as an assistant rather than a substitute, using it to explore possibilities while keeping the final judgment in our own hands.
> 我们应该把它当作助手而不是替代品，用它来探索各种可能性，同时把最终的判断权掌握在自己手中。
> 11 Schools should encourage students to think independently before turning to AI for help.
> 学校应该鼓励学生先独立思考，再求助于人工智能。

06 用 In this way 收尾、回应首句

In this way 总结上面的做法，enrich … instead of replacing 正面回答首句的担忧：用对了，人工智能会丰富创造力，而不是取代它。

> 12 In this way, AI can enrich human creativity instead of replacing it.
> 这样，人工智能就能丰富人类的创造力，而不是取代它。

7 为什么是满分档

切题 · 结构与连贯 · 语言

切题

首句一字不差照抄，后文始终围绕“人工智能会不会削弱创造力”：第一段说清担忧从何而来，第二段先承认担忧有道理、再指出人工智能用得明智也能带来灵感，两边各举一个具体例子（学生代写作文、设计师生成草图），第三段给出“关键在于怎么用”的结论和做法，结尾正面回答首句。没有跑题去谈就业、隐私。满分档作文的特点就是：观点明确，每一部分都在为中心服务。

With the increasing application of AI technology, there is a growing concern that it may negatively impact human creativity.

This concern is not groundless. | students may be tempted to let AI write their essays

A designer, for instance, can generate dozens of sketches with AI | The key, therefore, lies in how we use AI.

AI can enrich human creativity instead of replacing it

结构与连贯

三段式结构清楚：提出担忧 → 辩证分析 → 结论与做法。第二段用两个短句（This concern is not groundless、However, AI is not the enemy）把正反两面分开，每一面都有理由和例子；第三段用 therefore 引出结论，In this way 收尾。段内还用 Over time、for instance 等词把句子串起来。读者一看就知道作者先退一步、再进一步，这正是满分档作文在结构上的表现。

This concern is not groundless. | Over time | However, AI is not the enemy. | for instance | therefore | In this way

语言

句式丰富而且用得准确：now that 原因从句、it is … that 强调句、过去分词 Used wisely 表示条件、lie in 加 how 从句、treat … as … rather than …、现在分词 using 补充做法；长短句交替，短句有力、长句说理。用词具体、正式，如 groundless、ready-made、overreliance、repetitive、refining、substitute。全文没有语法错误，表达自然，满分档作文的语言就是这样准确、多样又地道。

Now that AI can write poems, compose music and create paintings in seconds

When a ready-made answer is just a click away

it is exactly through such struggle that creativity grows

overreliance on AI could weaken our imagination

Used wisely, it can free us from repetitive work and offer fresh inspiration.

treat it as an assistant rather than a substitute

8 升格示范

普通写法一步一步改成满分句

升格 1

第 1 步 AI is useful for us.

只说了“有用”，useful 太笼统，读者不知道有用在哪里。

第 2 步 If we use AI well, it can help us do boring work and give us new ideas.

说出了条件和两个好处，内容实了；但 help us do boring work、give us new ideas 比较口语。

第 3 步 If it is used wisely, AI can free us from repetitive work and give us new ideas.

换成 free us from repetitive work，表达更准确；但 If it is used wisely 还可以压缩成分词 Used wisely，give us new ideas 也可以换成 offer fresh inspiration。

满分句 **Used wisely, it can free us from repetitive work and offer fresh inspiration.**

升格 2

第 1 步 For example, designers can use AI to work.

举了“设计师”，但 use AI to work 没有说出具体怎么用、带来什么好处，例子起不到证明作用。

第 2 步 For example, a designer can use AI to draw many pictures quickly and then choose the best one.

有了具体做法（快速画很多图、挑最好的），例子实了；但 draw many pictures、choose 比较普通，也没体现“人自己的创造”。

第 3 步 A designer, for instance, can generate dozens of sketches with AI and then spend more time improving the best one.

换成 generate dozens of sketches，for instance 插在主语后面更自然；但 the best one 还可以改成 the most original one，突出“创造力”，devote … to refining 也比 spend … improving 更正式。

满分句 **A designer, for instance, can generate dozens of sketches with AI and then devote more time to refining the most original one.**

升格 3

第 1 步 We should not depend on AI too much.
只说了“不要做什么”，没有说出应该怎样用，建议不完整。

第 2 步 We should use AI as a helper, not as a replacement for our own thinking.
提出了正确的态度（当帮手、不当替代），但 helper、not as 比较口语，也没有具体做法。

第 3 步 We should treat it as an assistant rather than a substitute, using it to explore possibilities.
用 treat … as … rather than … 表达态度，再用现在分词补上具体做法；但还缺一个原则：最终的判断要由我们自己来做。

满分句 **We should treat it as an assistant rather than a substitute, using it to explore possibilities while keeping the final judgment in our own hands.**

9 高分句式

公式 → 原句 → 讲解 → 仿写

① Now that 原因句

这个句式表达 表达“既然（现在）……，有人担心……”，先说出新情况，再引出它带来的担忧

公式 Now that + 主语 + can + 动词短语（可并列几个）…, some people fear that + 完整句子

范文原句 Now that AI can write poems, compose music and create paintings in seconds, some people fear that we will gradually stop thinking for ourselves

既然人工智能几秒钟就能写诗、作曲、绘画，一些人担心我们会逐渐不再独立思考

now that 意思是“既然、由于（现在）”，强调一种新出现的情况。三个动词短语 write poems、compose music、create paintings 排成一组，in seconds 突出速度之快。some people fear that 引出别人的担心，作者自己的态度留到下文再说。stop doing 意思是“停止做某事”，think for oneself 意思是“独立思考”。

例1 Now that smartphones can do almost everything, some people fear that we will lose the habit of reading books.
既然智能手机几乎无所不能，一些人担心我们会丢掉读书的习惯。

例2 Now that online translators can translate a whole article in seconds, some people fear that students will stop learning foreign languages.
既然网络翻译工具几秒钟就能译完一整篇文章，一些人担心学生会不再学外语。

也可以这样说

Since ..., some people worry that ...
由于……，一些人担心……

As ..., there are fears that ...
随着……，有人担心……

② 短句表态句

这个句式表达 表达“这种担忧并非毫无根据”，用一个短句先承认对方观点，再展开说明

公式 This / Their + concern / worry / view … + is not groundless (, for / since + 理由).

范文原句 This concern is not groundless

这种担忧并非毫无根据

groundless 意思是“毫无根据的”，not groundless 是双重否定，语气比 reasonable 更委婉、客观。长句中间放一个短句，节奏有变化，立场也一目了然。下文的 However, AI is not the enemy 也是一个短句，两个短句一个承认、一个转折，撑起整段的辩证结构。

例1 This worry is not groundless, for many children spend hours playing video games every day.
这种担忧并非毫无根据，因为许多孩子每天都要花好几个小时打电子游戏。

例2 Their complaint is not groundless, since prices have risen sharply this year.
他们的抱怨并非毫无根据，因为今年物价大幅上涨。

也可以这样说

There is some truth in this view.
这种观点有一定道理。

Admittedly, ...
诚然，……

③ it is … that 强调句

这个句式表达 表达“正是通过……，……才……”，强调某件事真正的原因或途径

公式 it is (exactly) through / by + 名词 + that + 主语 + 谓语

范文原句 it is exactly through such struggle that creativity grows

恰恰是通过这样的苦思，创造力才得以成长

强调句的结构是 it is + 被强调部分 + that + 句子的其余部分；去掉 it is 和 that，句子仍然完整（creativity grows through such struggle），这是判断强调句的方法。exactly 意思是“恰恰、正是”，进一步加强语气。这里强调“苦思”才是创造力成长的途径，说明了为什么代写作文有害。

例1 It is exactly through failure that we learn the most valuable lessons.
恰恰是通过失败，我们才学到最宝贵的经验。

例2 It is through daily practice that a beginner becomes an expert.
正是通过日常练习，新手才成长为专家。

也可以这样说

It is ... that really matters.

真正重要的是……

... is exactly what makes ... possible.

……恰恰是使……成为可能的东西。

④ 过去分词条件句

这个句式表达 表达“如果用得明智，它就能……”，用简洁的分词结构说出条件和好处

公式 Used + 副词, 主语 + can + 动词1 … (and + 动词2 …)

范文原句 Used wisely, it can free us from repetitive work and offer fresh inspiration

如果运用得当，它能把我们从重复性的工作中解放出来，并带来新的灵感

Used wisely 是过去分词短语，相当于 If it is used wisely，主语 it 和 use 是被动关系，所以用过去分词。分词放句首，比 If 从句更简洁。free … from … 意思是“把……从……中解放出来”，offer fresh inspiration 意思是“带来新的灵感”，两个好处用 and 并列。

例1 Used properly, the Internet can be a powerful tool for learning.

如果使用得当，互联网可以成为强大的学习工具。

例2 Managed well, spare time can help us develop new skills and hobbies.

如果安排得好，业余时间能帮助我们培养新的技能和爱好。

也可以这样说

If used wisely, ...

如果使用得当，……

When used in the right way, ...

如果用对了方法，……

⑤ The key lies in 结论句

这个句式表达 表达“因此，关键在于我们如何……”，在辩证分析之后亮出自己的结论

公式 The key (to …) (, therefore,) lies in + how 从句 / 名词

范文原句 The key, therefore, lies in how we use AI

因此，关键在于我们如何使用人工智能

lie in 意思是“在于”，后面接名词或 how 引导的宾语从句（注意从句用陈述语序 how we use AI）。therefore 插在主语后面，表示“因此”，承接上文的正反两面。这句话把“人工智能好不好”的争论转到“怎么用”，结论清楚又不走极端。

例1 The key, therefore, lies in how we manage our time.

因此，关键在于我们如何管理时间。

例2 The key to success lies in hard work and a positive attitude.

成功的关键在于努力和积极的态度。

也可以这样说

What matters most is how ...

最重要的是如何……

Whether ... is good or bad depends on how ...

……是好是坏，取决于怎样……

⑥ treat A as B rather than C 建议句

这个句式表达 表达“我们应该把它当作 A 而不是 B，用它来做……，同时……”，说清对待某物的正确态度和做法

公式 主语 + should treat + 对象 + as A rather than B (, using it / them to do … while + 动名词 …)

范文原句 We should treat it as an assistant rather than a substitute, using it to explore possibilities while keeping the final judgment in our own hands

我们应该把它当作助手而不是替代品，用它来探索各种可能性，同时把最终的判断权掌握在自己手中

treat A as B 意思是“把 A 当作 B”，rather than 意思是“而不是”，assistant 和 substitute 一正一反，态度鲜明。后面的现在分词 using it to explore possibilities 补充具体做法，while keeping … 说出同时要坚持的原则。keep … in our own hands 意思是“掌握在自己手中”，形象易懂。

例1 We should treat mistakes as chances to learn rather than reasons to give up.

我们应该把错误当作学习的机会，而不是放弃的理由。

例2 Students should treat online translators as a reference rather than an answer, using them to check words while doing the thinking themselves.

学生应该把网络翻译工具当作参考而不是答案，用它们来查单词，同时自己动脑思考。

也可以这样说

We should regard ... as ... instead of ...

我们应该把……看作……而不是……

... should serve us rather than control us.

……应该为我们服务，而不是控制我们。

10 亮点词汇

把普通说法换成高分说法

高分表达	意思	替代的普通说法
application	n. 应用	use
creativity	n. 创造力	the ability to think of new ideas
groundless	adj. 毫无根据的	without reason
ready-made	adj. 现成的	instant
be tempted to	忍不住想要；受诱惑去做	want to
overreliance	n. 过度依赖	relying too much
repetitive	adj. 重复的	done again and again
inspiration	n. 灵感	new ideas
refine	v. 完善；改进	make better
substitute	n. 替代品	replacement

设定目标与坚持努力

2024年12月大学英语六级 第1套 · 写作 Part I
议论文 · 范文 192 词

1 原题

Part I **Writing** **(30 minutes)**

Directions: *For this part, you are allowed 30 minutes to write an essay that begins with the sentence* ***"To increase the likelihood of success, one should set realistic goals and work persistently towards them."*** *You can make comments, cite examples or use your personal experiences to develop your essay. You should write at least 150 words but no more than 200 words.*

You should copy the sentence given in quotes at the beginning of your essay.

题目译文

这一部分（For this part），你有 30 分钟（30 minutes）写一篇文章（essay），文章要以给出的这句话开头（begins with the sentence）："要提高成功的可能性（the likelihood of success），一个人应当设定切实可行的目标（realistic goals），并坚持不懈地（persistently）朝着目标努力。"（To increase the likelihood of success, one should set realistic goals and work persistently towards them.）

你可以发表评论（make comments）、举例说明（cite examples），或者用自己的亲身经历（use your personal experiences）来展开文章（develop your essay）。

字数：至少 150 词（at least 150 words），但不超过 200 词（no more than 200 words）。

必须把引号里给出的这句话原样抄写在文章开头（copy the sentence given in quotes at the beginning of your essay），作为第一句。

2 审题

先弄清楚要写什么，再动笔

议论文（给定首句）：设定切实的目标并坚持努力

150—200 词（题目要求 at least 150 words but no more than 200 words，首句也算在内）；范文写到 190—200 词，本篇 192 词。不要卡着 150 词的最低线写，也绝不能超过 200 词

- [ ] 用题目给的句子开头，一字不差照抄，放在全文第一句
- [ ] 首句里有两个要点：设定切合实际的目标（set realistic goals）和坚持不懈地努力（work persistently），两点都要展开论述，不能只写一半
- [ ] 用评论、举例或亲身经历来支撑观点（题目点明的三种方法，至少用好一两种）
- [ ] 最后给出具体做法并收尾，回到"提高成功的可能性"这个目的上

语气与身份：正式、客观的议论语气：用 one、we 泛指所有人，用 should、must 提出建议，不用口语化的表达

容易失分的地方

- 首句必须一字不差照抄：likelihood、realistic、persistently、towards them 一个词都不能改，句末的句号也要照抄（题目用的是 towards，照抄时不要改成 toward）
- 首句有两个要点，只写“目标要切实”或只写“要坚持”都算没写全；最好一个要点一段，或在同一段里用 However 明确转到第二个要点
- “切合实际”要讲清楚是什么意思：太高会打击信心，太低没有动力，最好再举一个具体的例子，不要只重复 realistic goals
- 首句算在字数里，写长了容易超过 200 词，动笔前先规划好每段几句

3 题目要求逐条落实

每一条要求 → 范文里的哪一句

题目要求	范文原句	怎么做到的
用给定的句子开头	To increase the likelihood of success, one should set realistic goals and work persistently towards them.	全文第一句原样照抄题目给的句子，一个词、一个标点都没有改。
论述第一个要点：目标要切合实际（评论）	A realistic goal is one that matches our abilities and circumstances.	先给“切合实际的目标”下定义，再从正反两面说明目标太高、太低各有什么害处，把首句里的 realistic 讲透。
举例支撑观点	A student preparing for CET-6, for example, would do better to set a target of learning twenty new words a day than to try to memorize a whole dictionary in a month.	用备考六级的学生做例子：每天背二十个单词（切实）比一个月背完整本词典（不切实）好，例子贴近考生，一看就懂。
论述第二个要点：坚持不懈地努力	However, a sensible goal alone is not enough.	用 However 转到首句的第二个要点，接着说明成功离不开持之以恒的努力，并用滴水穿石作比喻，两个要点都写到了。
给出做法并收尾	Realistic goals combined with persistent effort will greatly increase our chances of success in any field.	第三段先给两步做法（先评估自己、定目标，再日复一日坚持），最后一句把“切实的目标”和“坚持的努力”合在一起，回到“提高成功机会”，与首句首尾呼应。
字数 150—200 词	To increase the likelihood of success	全文共 192 词（含首句）：第一段 2 句，第二段 6 句，第三段 3 句，落在 190—200 词的目标区间内，没有超过 200 词。

4 写作思路

先列提纲，每段一个任务

第一段

照抄首句，从反面引出论点

首句（定切实的目标并坚持努力）→ 反面补充：很多人失败不是因为能力不够，而是目标不切实际或半途而废（正好对应首句的两个要点）

第二段

分两层论证两个要点

要点一：什么是切实的目标 → 太高打击信心、太低没有动力 → 例子：备考六级每天背二十个单词 ‖ 转折：光有目标不够 → 要点二：成功离不开坚持，尤其是进展慢的时候 → 比喻：滴水穿石

第三段

提出做法并收尾

Therefore 先评估自己、定有挑战又可实现的目标 → Then 日复一日坚持、必要时调整方法、绝不轻言放弃 → 总结：切实的目标加上坚持的努力，大大提高成功的机会

5 满分范文

荧光笔 + 圆圈编号 = 下面讲的高分句式

[1] To increase the likelihood of success, one should set realistic goals and work persistently towards them. [2] Many people fail not because they lack ability, but because their goals are either unrealistic or abandoned halfway①.

[3] A realistic goal is one that matches our abilities and circumstances②. [4] If a goal is set too high, repeated failure may soon destroy our confidence; if it is too low, it offers little motivation③. [5] A student preparing for CET-6, for example, would do better to set a target of learning twenty new words a day than to try to memorize a whole dictionary in a month④. [6] However, a sensible goal alone is not enough⑤. [7] Success also depends on persistent effort, especially when progress seems slow. [8] Just as dripping water wears away a stone, small steps taken every day eventually add up to great achievements⑥.

[9] Therefore, we should first assess our strengths and weaknesses honestly and set goals that are challenging but achievable. [10] Then we must stick to our plans day after day, adjusting our methods when necessary but never giving up easily. [11] Realistic goals combined with persistent effort will greatly increase our chances of success in any field⑦.

参考译文

要提高成功的可能性，一个人应当设定切合实际的目标，并坚持不懈地朝着目标努力。许多人失败，不是因为缺乏能力，而是因为他们的目标要么不切实际，要么半途而废。

切合实际的目标就是与我们的能力和处境相符的目标。如果目标定得太高，接连的失败可能很快就会摧毁我们的自信；如果定得太低，它又几乎起不到激励作用。例如，一个备考六级的学生，与其试图在一个月内背下整本词典，不如定下每天学二十个新单词的目标。然而，光有合理的目标是不够的。成功还取决于坚持不懈的努力，尤其是在进展似乎很慢的时候。正如滴水能把石头磨穿，每天迈出的一小步最终会积累成巨大的成就。

因此，我们应该首先诚实地评估自己的优点和缺点，并设定有挑战性却又能实现的目标。然后，我们必须日复一日地坚持自己的计划，必要时调整方法，但绝不轻易放弃。切合实际的目标加上坚持不懈的努力，将大大提高我们在任何领域取得成功的机会。

6 一步一步写出这篇范文

01 一字不差照抄首句

把题目给的句子原样写在开头，抄完逐词核对一遍，尤其是 likelihood、persistently 和 towards them。

> 1 To increase the likelihood of success, one should set realistic goals and work persistently towards them.
> 要提高成功的可能性，一个人应当设定切合实际的目标，并坚持不懈地朝着目标努力。

02 从反面补一句，点出两个要点

第二句写“很多人失败的真正原因”：用 not because … but because 先否定一个常见的看法（能力不够），再说出真正的原因；either unrealistic or abandoned halfway 正好对应首句的两个要点，为下文分层论证埋下伏笔。

> 2 Many people fail not because they lack ability, but because their goals are either unrealistic or abandoned halfway.
> 许多人失败，不是因为缺乏能力，而是因为他们的目标要么不切实际，要么半途而废。

03 要点一：先下定义，再正反对比

用 A realistic goal is one that … 解释什么叫切合实际；接着用两个 if 分句，分号隔开，说明目标太高、太低各有什么坏处，把道理讲透。

> 3 A realistic goal is one that matches our abilities and circumstances.
> 切合实际的目标就是与我们的能力和处境相符的目标。
>
> 4 If a goal is set too high, repeated failure may soon destroy our confidence; if it is too low, it offers little motivation.
> 如果目标定得太高，接连的失败可能很快就会摧毁我们的自信；如果定得太低，它又几乎起不到激励作用。

04 用身边的例子把道理变具体

例子就选考生最熟悉的备考六级：用 would do better to … than to … 把“每天背二十个单词”和“一个月背完整本词典”放在一起比较，切实和不切实一目了然。

> 5 A student preparing for CET-6, for example, would do better to set a target of learning twenty new words a day than to try to memorize a whole dictionary in a month.
> 例如，一个备考六级的学生，与其试图在一个月内背下整本词典，不如定下每天学二十个新单词的目标。

05 用 However 转到要点二，再打个比方

先用 a sensible goal alone is not enough 承上启下，再说成功取决于坚持，especially when 点出最难坚持的时候；最后用 Just as 引出“滴水穿石”的比喻，让道理形象好记。

> 6 However, a sensible goal alone is not enough.
> 然而，光有合理的目标是不够的。
>
> 7 Success also depends on persistent effort, especially when progress seems slow.
> 成功还取决于坚持不懈的努力，尤其是在进展似乎很慢的时候。
>
> 8 Just as dripping water wears away a stone, small steps taken every day eventually add up to great achievements.
> 正如滴水能把石头磨穿，每天迈出的一小步最终会积累成巨大的成就。

06 用 Therefore、Then 给出两步做法

做法和两个要点一一对应：第一步评估自己、定有挑战又可实现的目标（对应要点一），第二步日复一日坚持、必要时调整方法（对应要点二）。

> 9 Therefore, we should first assess our strengths and weaknesses honestly and set goals that are challenging but achievable.
> 因此，我们应该首先诚实地评估自己的优点和缺点，并设定有挑战性却又能实现的目标。
> 10 Then we must stick to our plans day after day, adjusting our methods when necessary but never giving up easily.
> 然后，我们必须日复一日地坚持自己的计划，必要时调整方法，但绝不轻易放弃。

07 一句话把两个要点合起来收尾

用 Realistic goals combined with persistent effort 把两个要点合成一个主语，再说出结果（大大增加成功的机会），呼应首句的 increase the likelihood of success。

> 11 Realistic goals combined with persistent effort will greatly increase our chances of success in any field.
> 切合实际的目标加上坚持不懈的努力，将大大提高我们在任何领域取得成功的机会。

7 为什么是满分档

切题 · 结构与连贯 · 语言

切题

首句一字不差照抄，后文把首句里的两个要点都写透了：第一段从反面点出“目标不切实际”和“半途而废”两种失败原因，第二段先论证目标要切合实际（下定义、正反对比、六级备考的例子），再用 However 转到坚持努力（滴水穿石），第三段的做法也和两个要点一一对应，结尾又回到“成功的机会”。没有一句离开中心，题目提示的“评论、举例”都用上了，这正是满分档作文切题的表现。

To increase the likelihood of success, one should set realistic goals and work persistently towards them.
either unrealistic or abandoned halfway
A realistic goal is one that matches our abilities and circumstances.
A student preparing for CET-6, for example
Success also depends on persistent effort
Realistic goals combined with persistent effort

结构与连贯

三段式结构清楚：提出观点 → 分两层论证 → 给出做法。第二段内部用 However 把两个要点分开，层次一目了然；第三段用 Therefore 引出做法，用 first、Then 排出两步做法；最后一句用 combined with 把两个要点合在一起，和首句首尾呼应。读者顺着这些连接词就能看清全文的思路。

However, a sensible goal alone is not enough.
Therefore, we should first assess
Then we must stick to our plans
for example
Realistic goals combined with persistent effort will greatly increase our chances of success

语言

句式丰富而且用得准确：not because … but because 纠正原因、one that 定义句、两个 if 分句正反对比、would do better to … than to 比较、Just as 类比、combined with 总结；用词正式贴切，如 likelihood、circumstances、motivation、assess、achievable；同一个意思换着说（realistic、sensible，likelihood、chances），避免重复。全文没有语法错误，表达自然地道，体现了满分档作文的语言水平。

Many people fail not because they lack ability, but because

If a goal is set too high, repeated failure may soon destroy our confidence; if it is too low, it offers little motivation.

would do better to set a target of learning twenty new words a day than to try to memorize a whole dictionary in a month

Just as dripping water wears away a stone

set goals that are challenging but achievable

adjusting our methods when necessary but never giving up easily

8 升格示范

普通写法一步一步改成满分句

升格 1

第 1 步 Many people fail because they are not good enough.
说的是一个人人都想得到的原因，和首句的“目标”“坚持”没有关系，等于没接上首句。

第 2 步 Many people fail because their goals are too high or they give up halfway.
原因对准了首句的两个要点，切题了；但只有一层意思，too high、give up 也比较普通。

第 3 步 Many people fail not because they lack ability, but because their goals are too high or they give up halfway.
加上 not because … but because，先否定“能力不够”这个常见看法，观点更有深度；后半句还可以更整齐，用 either … or 把两个原因并列起来。

满分句 **Many people fail not because they lack ability, but because their goals are either unrealistic or abandoned halfway.**

升格 2

第 1 步 We should not set goals that are too high or too low.
只给出结论，没有说为什么，读者不知道太高、太低到底有什么坏处。

第 2 步 If a goal is too high, we will fail. If it is too low, it is not useful.
用 if 说出了两种后果，理由有了；但拆成两个短句，fail、not useful 太笼统，句子单调。

第 3 步 If a goal is set too high, we may fail again and again; if it is too low, it gives us little motivation.
两个 if 分句用分号连成一句，结构对称；motivation 更准确。前半句还可以更深入：反复失败的真正伤害是摧毁信心。

满分句 **If a goal is set too high, repeated failure may soon destroy our confidence; if it is too low, it offers little motivation.**

升格 3

第 1 步 Then we must work hard and never give up.
意思对，但 work hard、never give up 是人人都会写的口号，没有具体内容。

第 2 步 Then we must follow our plans every day and never give up.
有了具体做法（按计划做），但 follow、every day 比较平淡，也没有说遇到问题怎么办。

第 3 步 Then we must stick to our plans day after day and never give up easily.
stick to、day after day 更有“坚持”的味道；还可以再补一层：坚持不等于死守，必要时要调整方法，用现在分词短语加在句末。

满分句 **Then we must stick to our plans day after day, adjusting our methods when necessary but never giving up easily.**

9 高分句式

公式 → 原句 → 讲解 → 仿写

① not because … but because 原因纠正句

这个句式表达 表达“不是因为……，而是因为……”，先否定一个常见的看法，再说出真正的原因

公式 主语 + 谓语 + not because + 句子1, but because + 句子2

范文原句 Many people fail not because they lack ability, but because their goals are either unrealistic or abandoned halfway

许多人失败，不是因为缺乏能力，而是因为他们的目标要么不切实际，要么半途而废

先否定、再肯定，读者的注意力自然落在后面的真正原因上，观点显得有深度。后半句里 either … or … 又把原因分成两种，正好对应首句的两个要点。

例1 Many students do poorly in English not because they are lazy, but because they use the wrong methods.
许多学生英语学不好，不是因为懒惰，而是因为方法不对。

例2 Some young people stay at home not because they dislike work, but because they cannot find a job that suits them.
一些年轻人待在家里，不是因为不喜欢工作，而是因为找不到适合自己的工作。

也可以这样说

The real reason why ... is that ...
……的真正原因是……

It is not ... but ... that ...
不是……而是……才……

② one that 定义句

这个句式表达 表达“所谓……，就是……的那种”，给文章的关键词下定义

公式 A + 形容词 + 名词 + is one that / who + 谓语 …

范文原句 A realistic goal is one that matches our abilities and circumstances

切合实际的目标就是与我们的能力和处境相符的目标

one 代替前面的 goal，避免重复；that 引导定语从句说明它的特点。议论文的关键词（如 realistic、good、responsible）往往有点抽象，先下一个定义，后面的论证就有了明确的标准。

例1 A good teacher is one who inspires students to think for themselves.

好老师就是能启发学生独立思考的老师。

例2 A healthy lifestyle is one that balances work, rest and exercise.

健康的生活方式就是让工作、休息和锻炼保持平衡的生活方式。

也可以这样说

By ... I mean ...

我所说的……是指……

... refers to ...

……指的是……

③ If …; if … 正反对比句

这个句式表达 表达“如果太……，就会……；如果太……，又会……”，从两个极端说明为什么要适度

公式 If + 主语 + is too + 形容词1, 坏处1; if it / they + is / are too + 形容词2, 坏处2

范文原句 If a goal is set too high, repeated failure may soon destroy our confidence; if it is too low, it offers little motivation

如果目标定得太高，接连的失败可能很快就会摧毁我们的自信；如果定得太低，它又几乎起不到激励作用

两个 if 分句结构相同、意思相反，中间用分号连接，一句话把两种极端都否定了，“要切合实际”的道理不言自明。offers little motivation 中 little 表示“几乎没有”，是否定意义。

例1 If homework is too heavy, students may lose interest in learning; if it is too light, they may forget what they have learned.

如果作业太多，学生可能失去学习兴趣；如果作业太少，他们又可能忘掉学过的内容。

例2 If parents are too strict, children may become timid; if they are too easygoing, children may become spoiled.

如果父母太严厉，孩子可能变得胆小；如果父母太随和，孩子又可能被宠坏。

也可以这样说

Too much ... may ..., while too little ... may ...

太多……可能……，而太少……又可能……

Neither ... nor ... is good for ...

……和……都对……没有好处

④ would do better to … than to … 比较建议句

这个句式表达 表达“与其做……，不如做……”，把好做法和坏做法放在一起比较

公式 主语 + would do better to + 动词原形1 … than to + 动词原形2 …

范文原句 would do better to set a target of learning twenty new words a day than to try to memorize a whole dictionary in a month

与其试图在一个月内背下整本词典，不如定下每天学二十个新单词的目标

would do better to 意思是“最好做”，than to 后面接被否定的做法，两个 to 后面都用动词原形。举例时把一好一坏两种做法并排写出来，比只说“要定切实的目标”具体得多。

例1 Beginners would do better to read simple stories than to struggle with difficult novels.

初学者与其硬啃难懂的小说，不如读些简单的故事。

例2 We would do better to exercise for twenty minutes every day than to train for hours once a month.

与其一个月练一次、一练几个小时，不如每天锻炼二十分钟。

也可以这样说

It is wiser to ... than to ...

做……比做……更明智

... rather than ...

……而不是……

⑤ A alone is not enough 过渡句

这个句式表达 表达“光有……是不够的”，承接上一个要点，引出下一个要点

公式 (However,) 名词 + alone is / are not enough (to do …).

范文原句 However, a sensible goal alone is not enough

然而，光有合理的目标是不够的

alone 放在名词后面，意思是“仅仅、单单”。这句话前半肯定了上文（目标很重要），后半引出下文（还需要别的东西），是论证两个要点时最自然的过渡。sensible 换掉 realistic，避免重复。

例1 However, talent alone is not enough to make a great musician.

然而，光有天赋不足以成为伟大的音乐家。

例2 Good intentions alone are not enough; we also need effective action.

光有良好的愿望是不够的，我们还需要有效的行动。

也可以这样说

Apart from ..., ... is also essential.

除了……，……也必不可少。

... is necessary but not sufficient.

……是必要的，但还不够。

⑥ Just as 类比句

这个句式表达 表达“正如……一样，……也……”，用一个生活中的现象来比喻抽象的道理

公式 Just as + 生活现象, + 主语 + 谓语（要说明的道理）

范文原句 Just as dripping water wears away a stone, small steps taken every day eventually add up to great achievements

正如滴水能把石头磨穿，每天迈出的一小步最终会积累成巨大的成就

Just as 后面写大家熟悉的现象（滴水穿石），主句写要说明的道理（每天一小步积累成大成就），两边一一对应。taken every day 是过去分词短语，修饰 small steps；add up to 意思是“累积成”。一个恰当的比喻能让道理一下子变得形象。

例1 Just as a tall building rests on a solid foundation, a successful career depends on solid basic skills.

正如高楼要建在坚实的地基上，成功的事业也离不开扎实的基本功。

例2 Just as plants need sunlight to grow, children need encouragement to develop confidence.

正如植物需要阳光才能生长，孩子也需要鼓励才能建立自信。

也可以这样说

As the saying goes, ...

俗话说，……

In the same way that ..., ...

就像……一样，……

⑦ combined with 总结句

这个句式表达 表达“A 加上 B，就能……”，把文章的两个要点合在一起，说出最终结果

公式 A + combined with + B + will (greatly) + 动词原形 …

范文原句 Realistic goals combined with persistent effort will greatly increase our chances of success in any field

切合实际的目标加上坚持不懈的努力，将大大提高我们在任何领域取得成功的机会

combined with 是过去分词短语，意思是“与……相结合”，修饰主语 Realistic goals，谓语仍然跟着 goals 走。这句把两个要点并成一个主语，结尾干净有力；chances of success 与首句的 likelihood of success 同义替换，首尾呼应。

例1 Hard work combined with good methods will greatly improve your English.

勤奋加上好方法，会大大提高你的英语水平。

例2 A balanced diet combined with regular exercise will help you stay healthy.

均衡的饮食加上规律的锻炼，会帮助你保持健康。

也可以这样说

Together with ..., ... will ...

加上……，……将会……

When ... and ... go hand in hand, ...

当……与……相辅相成时，……

10 亮点词汇

把普通说法换成高分说法

高分表达	意思	替代的普通说法
likelihood	n. 可能性	chance
persistently	adv. 坚持不懈地	without giving up
abandon	v. 放弃	give up
circumstances	n. 处境；情况	situation
motivation	n. 动力；激励	reason to try
sensible	adj. 合理的；明智的	good
add up to	累积成；总计达	become
assess	v. 评估	think about
achievable	adj. 可实现的；能达到的	possible
stick to	坚持	keep doing

自律与个人成长

2024年12月大学英语六级 第2套 · 写作 Part I

议论文 · 范文 198 词

1 原题

Part I **Writing** **(30 minutes)**

Directions: *For this part, you are allowed 30 minutes to write an essay that begins with the sentence* ***"Nowadays, more and more students have realized the importance of self-discipline in their personal growth."*** *You can make comments, cite examples or use your personal experiences to develop your essay. You should write at least 150 words but no more than 200 words.*

You should copy the sentence given in quotes at the beginning of your essay.

题目译文

这一部分（For this part），你有 30 分钟（30 minutes）写一篇文章（essay），文章要以给出的这句话开头（begins with the sentence）："如今，越来越多的学生已经认识到自律（self-discipline）在个人成长（personal growth）中的重要性。"（Nowadays, more and more students have realized the importance of self-discipline in their personal growth.）

你可以发表评论（make comments）、举例说明（cite examples），或者用自己的亲身经历（use your personal experiences）来展开文章（develop your essay）。

字数：至少 150 词（at least 150 words），但不超过 200 词（no more than 200 words）。

必须把引号里给出的这句话原样抄写在文章开头（copy the sentence given in quotes at the beginning of your essay），作为第一句。

2 审题

先弄清楚要写什么，再动笔

议论文（给定首句）：自律与个人成长

150—200 词（题目要求 at least 150 words but no more than 200 words，首句也算在内）；范文写到 190—200 词，本篇 198 词。不要卡着 150 词的最低线写，也绝不能超过 200 词

- [ ] 用题目给的句子开头，一字不差照抄，放在全文第一句
- [ ] 首句说"越来越多的学生认识到自律的重要性"，后文要说明自律为什么对个人成长重要，最好分几个方面写
- [ ] 用评论、举例或亲身经历来支撑观点（题目点明的三种方法，至少用好一两种）
- [ ] 最后说说怎样培养自律，并有一个有力的结尾，让文章完整

语气与身份：正式、客观的议论语气：以 students 作主语为主，必要时用 we、us 拉近距离，用 can、should 提建议，不用口语化的表达

容易失分的地方

- 首句必须一字不差照抄：more and more、have realized、self-discipline 中间的连字符、in their personal growth 一个都不能改，句末的句号也要照抄
- 首句的中心是“自律”和“个人成长”两个词，后文每个理由都要落到“对成长有什么好处”上，不要写成“手机的危害”或“学习方法”
- 分几个方面论述时，每个方面都要有一句解释或具体的做法，不要只罗列 To begin with、Furthermore 后面的几个短句
- 首句算在字数里，三个方面加做法内容很多，容易超过 200 词，每个方面控制在两句以内

3 题目要求逐条落实

每一条要求 → 范文里的哪一句

题目要求	范文原句	怎么做到的
用给定的句子开头	Nowadays, more and more students have realized the importance of self-discipline in their personal growth.	全文第一句原样照抄题目给的句子，一个词、一个标点都没有改。
说明自律为什么重要（评论）	Self-discipline contributes to growth in several ways.	第二段先总起“从几个方面促进成长”，再分学业、身心健康、品格三个方面论述，每个方面都扣住首句里的 personal growth。
用具体内容支撑观点（举例）	Going to bed on time, exercising regularly and eating sensibly keep us energetic and in a good mood.	每个方面都落到具体的行为上：按固定计划学习对比临时抱佛脚，按时睡觉、锻炼、合理饮食，抵制诱惑、完成枯燥的任务，让“自律”看得见、摸得着。
说清怎样培养自律	Students can start by setting small, specific goals	第三段先承认“培养自律需要时间”，再给出两个具体做法：从小而具体的目标做起并坚持成习惯，每天记录进步。
有力的结尾	Once self-discipline becomes part of their character, students will find it much easier to turn their goals into achievements.	用 Once 说出自律成为品格之后的结果，character 呼应第二段的 builds character，goals 呼应上一句的目标，收得完整。
字数 150—200 词	Nowadays, more and more students	全文共 198 词（含首句）：第一段 2 句，第二段 7 句，第三段 4 句，落在 190—200 词的目标区间内，没有超过 200 词。

4 写作思路

先列提纲，每段一个任务

第一段

照抄首句，用现实背景说明为什么要自律

首句（越来越多的学生认识到自律的重要性）→ 背景：手机、游戏等诱惑近在手边，缺乏自制力的学生容易浪费时间、学业落后

第二段

分三个方面论证自律促进成长

总起：几个方面 → To begin with 学业：固定计划学习比临时抱佛脚学得好 → Furthermore 身心健康：按时睡觉、锻炼、合理饮食 → Most importantly 品格：每抵制一次诱惑，就更坚强可靠一点

第三段

提出培养方法并收尾

转折：培养自律需要时间 → 做法一：从小而具体的目标做起，坚持到成为习惯 → 做法二：每天记录进步 → 结尾：自律成为品格，目标就容易变成成就

5 满分范文

荧光笔 + 圆圈编号 = 下面讲的高分句式

[1] Nowadays, more and more students have realized the importance of self-discipline in their personal growth. [2] With smartphones, online games and countless other distractions within easy reach①, students who lack self-control can easily waste their precious time and fall behind in their studies.

[3] Self-discipline contributes to growth in several ways. [4] To begin with, it is the key to academic success. [5] Students who stick to a regular study schedule tend to learn more efficiently and perform better than those who rely on last-minute cramming②. [6] Furthermore, self-discipline benefits physical and mental health. [7] Going to bed on time, exercising regularly and eating sensibly keep us energetic and in a good mood③. [8] Most importantly, it builds character. [9] Each time we resist a temptation or finish a dull but necessary task, we become a little stronger and more reliable④.

[10] Developing self-discipline, however, takes time. [11] Students can start by setting small, specific goals, such as getting up at seven every morning or reading for thirty minutes a day⑤, and sticking to them until they become habits. [12] Keeping a daily record of their progress can also help. [13] Once self-discipline becomes part of their character, students will find it much easier to turn their goals into achievements⑥.

参考译文

如今，越来越多的学生已经认识到自律在个人成长中的重要性。智能手机、网络游戏和其他无数让人分心的东西近在手边，缺乏自制力的学生很容易浪费宝贵的时间，学业落后。

自律从几个方面促进成长。首先，它是学业成功的关键。坚持按固定学习计划学习的学生，往往比那些依赖考前临时抱佛脚的学生学得更高效、表现更好。此外，自律有益于身心健康。按时睡觉、经常锻炼、合理饮食，能让我们精力充沛、心情愉快。最重要的是，它能塑造品格。每当我们抵制住一次诱惑，或完成一项枯燥却必要的任务，我们就会变得更坚强、更可靠一点。

然而，培养自律需要时间。学生可以从设定小而具体的目标做起，比如每天早上七点起床或每天阅读三十分钟，并一直坚持，直到它们成为习惯。每天记录自己的进步也会有帮助。一旦自律成为他们品格的一部分，学生就会发现把目标变成成就要容易得多。

6 一步一步写出这篇范文

01 一字不差照抄首句

把题目给的句子原样写在开头，抄完逐词核对一遍，尤其是 have realized、self-discipline 的连字符和 personal growth。

> 1 Nowadays, more and more students have realized the importance of self-discipline in their personal growth.
> 如今，越来越多的学生已经认识到自律在个人成长中的重要性。

02 用现实背景说明“为什么现在更需要自律”

第二句用 With … within easy reach 描写学生身边的诱惑，再说出缺乏自制力的后果（浪费时间、学业落后），从反面证明首句说得对。

> 2 With smartphones, online games and countless other distractions within easy reach, students who lack self-control can easily waste their precious time and fall behind in their studies.
> 智能手机、网络游戏和其他无数让人分心的东西近在手边，缺乏自制力的学生很容易浪费宝贵的时间，学业落后。

03 一句总起，再用三个连接词分层

第二段先说 contributes to growth in several ways，然后用 To begin with、Furthermore、Most importantly 依次引出学业、健康、品格三个方面，最重要的放最后。

> 3 Self-discipline contributes to growth in several ways.
> 自律从几个方面促进成长。

04 每个方面：一句观点 + 一句具体说明

观点句都很短（it is the key to academic success），紧跟一句具体的说明：学业用对比（固定计划 vs 临时抱佛脚），健康用三个动名词并列，品格用 Each time 写出每一次小小的坚持。

> 4 To begin with, it is the key to academic success.
> 首先，它是学业成功的关键。
>
> 5 Students who stick to a regular study schedule tend to learn more efficiently and perform better than those who rely on last-minute cramming.
> 坚持按固定学习计划学习的学生，往往比那些依赖考前临时抱佛脚的学生学得更高效、表现更好。
>
> 6 Furthermore, self-discipline benefits physical and mental health.
> 此外，自律有益于身心健康。
>
> 7 Going to bed on time, exercising regularly and eating sensibly keep us energetic and in a good mood.
> 按时睡觉、经常锻炼、合理饮食，能让我们精力充沛、心情愉快。
>
> 8 Most importantly, it builds character.
> 最重要的是，它能塑造品格。
>
> 9 Each time we resist a temptation or finish a dull but necessary task, we become a little stronger and more reliable.
> 每当我们抵制住一次诱惑，或完成一项枯燥却必要的任务，我们就会变得更坚强、更可靠一点。

05 先承认“不容易”，再给出具体做法

第三段用 however 插在句中，说明培养自律需要时间；再用 start by setting 给出从小目标做起的办法，such as 举出每天七点起床、每天读三十分钟两个具体目标；最后补一个小办法：每天记录进步。

> 10 Developing self-discipline, however, takes time.
> 然而，培养自律需要时间。
> 11 Students can start by setting small, specific goals, such as getting up at seven every morning or reading for thirty minutes a day, and sticking to them until they become habits.
> 学生可以从设定小而具体的目标做起，比如每天早上七点起床或每天阅读三十分钟，并一直坚持，直到它们成为习惯。
> 12 Keeping a daily record of their progress can also help.
> 每天记录自己的进步也会有帮助。

06 用 Once 说出最终的好处收尾

Once 引出条件（自律成为品格），主句用 find it much easier to 说出结果（把目标变成成就），character 和 goals 都呼应前文。

> 13 Once self-discipline becomes part of their character, students will find it much easier to turn their goals into achievements.
> 一旦自律成为他们品格的一部分，学生就会发现把目标变成成就要容易得多。

7 为什么是满分档

切题 · 结构与连贯 · 语言

切题

首句一字不差照抄，后文始终围绕“自律”和“个人成长”：第一段用手机、游戏等诱惑说明为什么自律在今天尤其重要，第二段从学业、身心健康、品格三个方面说明自律怎样促进成长，第三段讲怎样培养自律，结尾落在“把目标变成成就”。三个方面合起来正好是一个学生成长的方方面面，没有一句离题，这是满分档作文切题的表现。

Nowadays, more and more students have realized the importance of self-discipline in their personal growth.

students who lack self-control can easily waste their precious time

Self-discipline contributes to growth in several ways.

Developing self-discipline, however, takes time.

turn their goals into achievements

结构与连贯

三段式结构清楚：提出观点和背景 → 分三方面论证 → 说明怎么做。第二段先有总起句，再用 To begin with、Furthermore、Most importantly 排出三个方面，由轻到重；每个方面都是“一句观点 + 一句说明”，节奏整齐。第三段用 however 转到“培养需要时间”，用 also 补充第二个做法；结尾的 character 呼应第二段的 builds character。读者顺着连接词就能理清全文。

contributes to growth in several ways

To begin with

Furthermore

Most importantly, it builds character.

Developing self-discipline, however, takes time.

can also help

语言

句式丰富而且用得准确：With 复合结构交代背景、两个 who 从句对比、三个动名词并列作主语、Each time 加比较级、start by doing、Once 加形式宾语 it；用词具体正式，如 distractions、within easy reach、last-minute cramming、resist a temptation、reliable；同一意思换着说（self-discipline、self-control）。全文没有语法错误，表达自然地道，体现了满分档作文的语言水平。

With smartphones, online games and countless other distractions within easy reach

tend to learn more efficiently and perform better than those who rely on last-minute cramming

Going to bed on time, exercising regularly and eating sensibly

Each time we resist a temptation or finish a dull but necessary task

find it much easier to turn their goals into achievements

8 升格示范

普通写法一步一步改成满分句

升格 1

第 1 步 Smartphones are bad for students.

观点太绝对，也没说清手机和自律有什么关系，读起来像跑题。

第 2 步 There are many smartphones and online games around students, so they often waste time.

背景和后果都写出来了，但 There are … so … 很普通，而且说成“学生都浪费时间”，没有点出关键是缺乏自制力。

第 3 步 With smartphones and online games within easy reach, students who lack self-control can easily waste their time.

用 With … within easy reach 把背景压缩成短语，用 who lack self-control 点出真正的问题，切题了；还可以多列一种诱惑、再补一个更严重的后果（学业落后）。

满分句 **With smartphones, online games and countless other distractions within easy reach, students who lack self-control can easily waste their precious time and fall behind in their studies.**

升格 2

第 1 步 Self-discipline is good for our studies.

只是重复了观点，没有任何说明，阅卷老师不知道“好”在哪里。

第 2 步 Students who study every day get better grades.

有了具体的人和结果；但 study every day、get better grades 比较口语，也缺少对比，说服力一般。

第 3 步 Students who stick to a regular study schedule tend to learn more efficiently than other students.

stick to a regular study schedule 更正式，tend to 让语气客观；但 other students 太模糊，换成 those who rely on last-minute cramming，好坏两种做法一对比，道理就清楚了。

满分句 **Students who stick to a regular study schedule tend to learn more efficiently and perform better than those who rely on last-minute cramming.**

升格 3

第 1 步 Self-discipline makes us better people.
better people 太空，读者看不出自律怎样塑造品格。

第 2 步 When we say no to games or finish boring tasks, we become stronger.
写出了具体的行为，有画面感了；但 say no to games、boring 比较口语，也没有体现“一次一次积累”的意思。

第 3 步 Each time we resist a temptation or finish a boring task, we become a little stronger.
Each time 加 a little stronger，写出了每次进步一点；还可以把 boring 改成 dull but necessary，点出自律难在“明知枯燥也要做”，再加上 more reliable 写出品格的另一面。

满分句 **Each time we resist a temptation or finish a dull but necessary task, we become a little stronger and more reliable.**

9 高分句式

公式 → 原句 → 讲解 → 仿写

① With + 名词 + 介词短语 背景句

这个句式表达 表达“在……的情况下，……”，先交代现实背景，再说出它带来的结果

公式 With + 名词 + 介词短语 / 形容词 / 分词, 主语 + 谓语（如 can easily + 动词原形）…

范文原句 With smartphones, online games and countless other distractions within easy reach
智能手机、网络游戏和其他无数让人分心的东西近在手边

with 后面接名词，再接一个说明状态的短语（within easy reach），整体作状语，交代背景。这种结构把“原因”压缩进一个短语，主句就能直接写后果，比用 Because there are … 紧凑得多。within easy reach 意思是“近在手边”。

例1 With so much information available online, students can easily find answers to their questions.
网上有这么多信息，学生能轻松找到问题的答案。

例2 With the cost of living rising steadily, many young people choose to share apartments.
随着生活成本不断上涨，许多年轻人选择合租。

也可以这样说

Now that ... are everywhere, ...
既然……随处可见，……

Surrounded by ..., ...
被……包围着，……

② who 对比句（those who）

这个句式表达 表达“做 A 的人往往比做 B 的人更……”，用两种人的对比证明观点

公式 人 + who + 好做法 + tend to + 动词原形 + 比较级 + than those who + 坏做法

范文原句 Students who stick to a regular study schedule tend to learn more efficiently and perform better than those who rely on last-minute cramming

坚持按固定学习计划学习的学生，往往比那些依赖考前临时抱佛脚的学生学得更高效、表现更好

两个 who 定语从句分别描写两种学生，those 代替 students，避免重复。tend to 意思是“往往”，语气客观、不绝对。把好做法和坏做法放在一起对比，比只说“自律有助于学习”有说服力得多。

例1 People who read before bed tend to sleep better than those who use their phones.
睡前读书的人往往比睡前玩手机的人睡得更好。

例2 Students who preview their lessons tend to understand them faster than those who do not.
课前预习的学生往往比不预习的学生理解得更快。

也可以这样说

Compared with those who ..., people who ... are more likely to ...
与……的人相比，……的人更有可能……

Those who ... usually do better than those who ...
……的人通常比……的人做得更好

③ 动名词并列作主语

这个句式表达 表达“做 A、做 B、做 C 能让我们……”，把几个具体做法排成一组作主语

公式 Doing A, doing B and doing C + 复数谓语（keep / make / help …）…

范文原句 Going to bed on time, exercising regularly and eating sensibly keep us energetic and in a good mood

按时睡觉、经常锻炼、合理饮食，能让我们精力充沛、心情愉快

三个动名词短语并列作主语，表示三件事，所以谓语用复数 keep。keep us energetic and in a good mood 是“keep + 宾语 + 补语”，补语可以是形容词，也可以是介词短语。三个短语长短相近，读起来有节奏感。

例1 Reading widely, thinking deeply and writing often make a good writer.
博览群书、深入思考、勤于动笔，才能成为好作家。

例2 Turning off the lights, saving water and taking public transport help protect the environment.
随手关灯、节约用水、乘坐公共交通，都有助于保护环境。

也可以这样说

Simple habits such as ... and ... help us ...

……和……这样简单的习惯能帮助我们……

By ...ing, ...ing and ...ing, we can ...

通过……、……和……，我们能够……

④ Each time 比较级句

这个句式表达 表达“每当……，我们就会更……一点”，说明一次次小小的行动带来的积累

公式 Each time + 主语 + 谓语 …, 主语 + become / make … + a little + 比较级 …

范文原句 Each time we resist a temptation or finish a dull but necessary task, we become a little stronger and more reliable

每当我们抵制住一次诱惑，或完成一项枯燥却必要的任务，我们就会变得更坚强、更可靠一点

Each time 在这里是连词，意思是“每当”，后面接完整的句子。主句用 a little + 比较级，强调“每次进步一点”，把“塑造品格”这个抽象的说法变成看得见的过程。dull but necessary 用 but 连接两个意思相反的形容词，写出了自律最难的地方。

例1 Each time we help a stranger, we make the world a little warmer.

每当我们帮助一个陌生人，我们就让这个世界更温暖了一点。

例2 Each time you speak English in public, you become a little more confident.

每当你在众人面前说英语，你就会变得更自信一点。

也可以这样说

Whenever ..., ...

每当……，……

The more ..., the more ...

越……，就越……

⑤ start by doing + such as 建议句

这个句式表达 表达“可以从做……开始，比如……”，给出一个容易上手的具体做法

公式 主语 + can start by + doing …, such as + 例子（动名词或名词）

范文原句 can start by setting small, specific goals, such as getting up at seven every morning or reading for thirty minutes a day

可以从设定小而具体的目标做起，比如每天早上七点起床或每天阅读三十分钟

start by doing 意思是“从做……开始”，by 是介词，后面必须用动名词。such as 后面举两个例子，也用动名词，和 setting 保持一致。建议写到“几点、多少分钟”这么具体，阅卷老师才看得到你真的有办法，而不是空喊口号。

例1 You can start by changing small habits, such as drinking more water or walking to school.
你可以从改变小习惯做起，比如多喝水或步行上学。

例2 Beginners can start by reading short articles, such as news reports or stories for teenagers.
初学者可以从读短文开始，比如新闻报道或青少年读物。

也可以这样说

A good first step is to ...
第一步不妨……

..., for instance, ...
……，例如……

⑥ Once … find it much easier to 结果句

这个句式表达 表达“一旦……，就会发现做……容易得多”，说出做到之后的长远好处

公式 Once + 主语 + 谓语 …, 主语 + will find it much easier to + 动词原形 …

范文原句 Once self-discipline becomes part of their character, students will find it much easier to turn their goals into achievements

一旦自律成为他们品格的一部分，学生就会发现把目标变成成就要容易得多

Once 是连词，意思是“一旦”，从句用一般现在时表示将来。find it much easier to do 中 it 是形式宾语，真正的宾语是后面的 to turn …；much 修饰比较级 easier。turn A into B 意思是“把 A 变成 B”。用它收尾，文章停在一个积极的结果上。

例1 Once you form the habit of reading, you will find it much easier to write well.
一旦养成阅读的习惯，你会发现写好文章容易得多。

例2 Once students learn to manage their time, they will find it much easier to balance study and rest.
学生一旦学会管理时间，就会发现兼顾学习和休息要容易得多。

也可以这样说

As soon as ..., ...

一……就……

..., which makes it much easier to ...

……，这让做……容易得多

10 亮点词汇

把普通说法换成高分说法

高分表达	意思	替代的普通说法
self-discipline	n. 自律	self-control
distractions	n. 使人分心的事物	fun things
within easy reach	近在手边；触手可及	near
fall behind	落后	not keep up
contribute to	促进；有助于	help
cramming	n. 突击学习；临时抱佛脚	studying at the last minute
build character	塑造品格	make us better
resist	v. 抵制；抵挡	say no to
temptation	n. 诱惑	something we want
reliable	adj. 可靠的	good

大学探索与人生道路

2024年12月大学英语六级 第3套 · 写作 Part I
议论文 · 范文 192 词

1 原题

Part I **Writing** **(30 minutes)**

Directions: *For this part, you are allowed 30 minutes to write an essay that begins with the sentence* ***"College provides a great opportunity for students to explore various possibilities and find the right path for themselves."*** *You can make comments, cite examples or use your personal experiences to develop your essay. You should write at least 150 words but no more than 200 words.*

You should copy the sentence given in quotes at the beginning of your essay.

题目译文

这一部分（For this part），你有 30 分钟（30 minutes）写一篇文章（essay），文章要以给出的这句话开头（begins with the sentence）："大学为学生提供了一个绝佳的机会，去探索各种可能性（explore various possibilities），找到适合自己的道路（the right path）。"（College provides a great opportunity for students to explore various possibilities and find the right path for themselves.）

你可以发表评论（make comments）、举例说明（cite examples），或者用自己的亲身经历（use your personal experiences）来展开文章（develop your essay）。

字数：至少 150 词（at least 150 words），但不超过 200 词（no more than 200 words）。

必须把引号里给出的这句话原样抄写在文章开头（copy the sentence given in quotes at the beginning of your essay），作为第一句。

2 审题

先弄清楚要写什么，再动笔

议论文（给定首句）：在大学里探索、找到适合自己的道路

150—200 词（题目要求 at least 150 words but no more than 200 words，首句也算在内）；范文写到 190—200 词，本篇 192 词。不要卡着 150 词的最低线写，也绝不能超过 200 词

- [ ] 用题目给的句子开头，一字不差照抄，放在全文第一句
- [ ] 说明大学为什么是探索的好机会（和高中相比有什么不同）
- [ ] 说清怎样利用这个机会去探索，用评论、举例或亲身经历来支撑（题目点明的三种方法，至少用好一两种）
- [ ] 最后回到首句的落脚点"找到适合自己的道路"，让文章完整

语气与身份：正式而亲切的议论语气：以 students 作主语论述为主，举亲身经历时可以用 My roommate 这样带 my 的第一人称说法，用 can、need to、should 提建议，不用口语化的表达

容易失分的地方

- 首句必须一字不差照抄：provides a great opportunity for students to、various possibilities、the right path for themselves 一个词都不能改，句末的句号也要照抄
- 首句有两层意思：探索各种可能（explore）和找到适合自己的道路（find the right path），只写“大学活动丰富”而不写“找到方向”就只写了一半
- 亲身经历要写成一个完整的小故事：原来是什么样、经历了什么、后来怎样，不要只写一句“我也参加过很多社团”
- 首句算在字数里，举例时容易写长，例子控制在两句以内，留出字数写结尾

3 题目要求逐条落实

每一条要求 → 范文里的哪一句

题目要求	范文原句	怎么做到的
用给定的句子开头	College provides a great opportunity for students to explore various possibilities and find the right path for themselves.	全文第一句原样照抄题目给的句子，一个词、一个标点都没有改。
说明大学为什么是好机会（评论）	Unlike high school, where most of their time is devoted to preparing for exams, college offers a wide range of courses, clubs and activities, along with much more free time.	第二句拿高中作对比：高中时间都用来备考，大学课程、社团、活动丰富，空闲时间也多，把首句的 a great opportunity 落到实处。
说清怎样探索	Students can take elective courses outside their major, join clubs that interest them or do internships in different fields.	先说要有开放的心态，再列出三种具体的探索方式：选修专业以外的课、参加感兴趣的社团、到不同领域实习。
用亲身经历举例	My roommate, for example, majored in chemistry but found during a volunteer teaching program that he loved working with children.	用室友的真实经历作例子：主修化学，却在支教中发现自己喜欢孩子，后来从事教育、比以前更快乐，正好证明“探索能找到适合自己的路”。
让论述更全面	Of course, exploration should not become aimless wandering.	第二段补充“失败的尝试也有价值”，第三段又用 Of course 提醒探索不能漫无目的，要经常反思、缩小选择，观点全面不片面。
回到首句收尾	find a path that really suits them	最后一句把“大胆探索”和“认真反思”结合起来，落到“找到真正适合自己的道路”，和首句的 find the right path for themselves 首尾呼应。
字数 150—200 词	College provides a great opportunity	全文共 192 词（含首句）：第一段 2 句，第二段 6 句，第三段 3 句，落在 190—200 词的目标区间内，没有超过 200 词。

4 写作思路

先列提纲，每段一个任务

第一段

照抄首句，用对比说明大学是好机会

首句（大学提供探索、找方向的机会）→ 和高中对比：高中忙于备考，大学课程、社团、活动丰富，空闲时间多

第二段

说明怎样探索，并用亲身经历证明

总起：要有开放的心态 → 三种方式：选修课、社团、实习 → 好处：发现擅长什么、喜欢什么 → 例子：室友主修化学，支教后转向教育，比以前更快乐 → 补充：失败的尝试也有价值

第三段

补充提醒并收尾

让步：探索不能漫无目的 → 做法：经常反思、缩小选择 → 结尾：大胆探索 + 认真反思，充分利用大学时光，找到适合自己的路

5 满分范文

荧光笔 + 圆圈编号 = 下面讲的高分句式

[1] College provides a great opportunity for students to explore various possibilities and find the right path for themselves. [2] Unlike high school, where most of their time is devoted to preparing for exams, college offers a wide range of courses, clubs and activities①, along with much more free time.

[3] Making good use of this opportunity requires an open mind②. [4] Students can take elective courses outside their major, join clubs that interest them or do internships in different fields. [5] Through such attempts, they gradually discover what they are good at and what they truly enjoy③. [6] My roommate, for example, majored in chemistry but found during a volunteer teaching program that he loved working with children④. [7] He later decided to pursue a career in education and has never been happier. [8] Even an attempt that does not work out is valuable, because it shows students which path is not for them⑤.

[9] Of course, exploration should not become aimless wandering⑥. [10] Students need to reflect on their experiences regularly and narrow down their choices. [11] By combining bold exploration with careful reflection, they can make the most of their college years⑦ and find a path that really suits them.

参考译文

大学为学生提供了绝佳的机会，让他们去探索各种可能性，找到适合自己的道路。高中时，学生的大部分时间都用来备考；大学则不同，它提供了丰富多样的课程、社团和活动，还有多得多的空闲时间。

要利用好这个机会，需要有开放的心态。学生可以选修本专业以外的课程，参加自己感兴趣的社团，或者到不同的领域去实习。通过这样的尝试，他们会逐渐发现自己擅长什么、真正喜欢什么。例如，我的室友主修化学，却在一次志愿支教项目中发现自己喜欢和孩子们打交道。后来，他决定从事教育事业，如今比以往任何时候都快乐。即使是没有成功的尝试也是有价值的，因为它让学生知道哪条路不适合自己。

当然，探索不应变成漫无目的的游荡。学生需要经常反思自己的经历，并缩小选择范围。把大胆的探索与认真的反思结合起来，他们就能充分利用大学时光，找到真正适合自己的道路。

6 一步一步写出这篇范文

01 一字不差照抄首句

把题目给的句子原样写在开头，抄完逐词核对一遍，尤其是 a great opportunity for students to 和 for themselves。

> 1 College provides a great opportunity for students to explore various possibilities and find the right path for themselves.
> 大学为学生提供了绝佳的机会，让他们去探索各种可能性，找到适合自己的道路。

02 拿高中作对比，说明“机会”在哪里

第二句用 Unlike high school, where … 先说高中的情况，主句再说大学有什么（课程、社团、活动、空闲时间），对比之下，大学这个机会就清楚了。

> 2 Unlike high school, where most of their time is devoted to preparing for exams, college offers a wide range of courses, clubs and activities, along with much more free time.
> 高中时，学生的大部分时间都用来备考；大学则不同，它提供了丰富多样的课程、社团和活动，还有多得多的空闲时间。

03 先给态度，再列三种具体做法

第二段第一句用动名词作主语，说利用好机会需要 an open mind；接着用 can 列出三种探索方式，三个动词短语并列，最后用 Through such attempts 说出结果（发现自己擅长和喜欢的东西）。

> 3 Making good use of this opportunity requires an open mind.
> 要利用好这个机会，需要有开放的心态。
> 4 Students can take elective courses outside their major, join clubs that interest them or do internships in different fields.
> 学生可以选修本专业以外的课程，参加自己感兴趣的社团，或者到不同的领域去实习。
> 5 Through such attempts, they gradually discover what they are good at and what they truly enjoy.
> 通过这样的尝试，他们会逐渐发现自己擅长什么、真正喜欢什么。

04 亲身经历写成一个两句的小故事

第一句写转折（主修化学，却在支教中发现喜欢孩子），第二句写结果（从事教育，比以前更快乐）。原来—经历—结果，故事完整，又正好证明了首句。

> 6 My roommate, for example, majored in chemistry but found during a volunteer teaching program that he loved working with children.
> 例如，我的室友主修化学，却在一次志愿支教项目中发现自己喜欢和孩子们打交道。
> 7 He later decided to pursue a career in education and has never been happier.
> 后来，他决定从事教育事业，如今比以往任何时候都快乐。

05 补一句“失败也有价值”，让观点更全面

用 Even 开头说出一个容易被忽略的观点：没成功的尝试也有用，because 后面说明理由（让人知道哪条路不适合自己）。

> 8 Even an attempt that does not work out is valuable, because it shows students which path is not for them.
> 即使是没有成功的尝试也是有价值的，因为它让学生知道哪条路不适合自己。

06 用 Of course 让步，再给出做法

第三段先承认探索也有风险（变成漫无目的的游荡），再说解决办法：经常反思经历、缩小选择范围。这样文章不会显得片面。

> 9 Of course, exploration should not become aimless wandering.
> 当然，探索不应变成漫无目的的游荡。
> 10 Students need to reflect on their experiences regularly and narrow down their choices.
> 学生需要经常反思自己的经历，并缩小选择范围。

07 用 By combining ... with ... 收尾，呼应首句

把“探索”和“反思”两个关键词合在一个短语里，主句说出最终结果：充分利用大学时光，找到真正适合自己的道路，和首句首尾呼应。

> 11 By combining bold exploration with careful reflection, they can make the most of their college years and find a path that really suits them.
> 把大胆的探索与认真的反思结合起来，他们就能充分利用大学时光，找到真正适合自己的道路。

7 为什么是满分档

切题 · 结构与连贯 · 语言

切题

首句一字不差照抄，后文把首句的两层意思都写到了：第一段用和高中的对比说明大学为什么是“好机会”，第二段说明怎样“探索各种可能”，并用室友的经历证明探索能找到方向，第三段讲怎样避免盲目探索，结尾落在“找到真正适合自己的道路”。题目提示的“评论、举例、亲身经历”都用上了，没有一句跑题，这是满分档作文切题的表现。

College provides a great opportunity for students to explore various possibilities and find the right path for themselves.
Unlike high school
Making good use of this opportunity requires an open mind.
My roommate, for example
find a path that really suits them

结构与连贯

三段式结构清楚：为什么是机会 → 怎样探索 → 怎样避免盲目。第二段从总起句（an open mind）到做法、收获、例子、补充，一层接一层；this opportunity、such attempts 等指代词把句子紧紧连在一起；for example、Even、Of course 标出举例、补充和让步；结尾 By combining 把第二、三段的关键词合起来，又回到首句。读者能顺着思路一步步读下去。

this opportunity
Through such attempts
for example
Even an attempt that does not work out is valuable
Of course, exploration should not become aimless wandering.
By combining bold exploration with careful reflection

语言

句式丰富而且用得准确：Unlike 加 where 从句的对比、动名词作主语、两个 what 宾语从句并列、but found … that 的转折、Even 引出的补充、By combining … with 收尾；用词具体正式，如 a wide range of、elective courses、pursue a career in、aimless wandering、narrow down；同一意思换着说（make good use of、make the most of，the right path、a path that really suits them）。全文没有语法错误，表达自然，体现了满分档作文的语言水平。

where most of their time is devoted to preparing for exams | take elective courses outside their major | what they are good at and what they truly enjoy | pursue a career in education and has never been happier | narrow down their choices | make the most of their college years

8 升格示范

普通写法一步一步改成满分句

升格 1

第 1 步 Students can try many new things in college.

many new things 太空泛，没说清到底可以做什么，阅卷老师看不到具体内容。

第 2 步 Students can take other courses, join clubs and find part-time jobs.

有了三种具体做法，但 other courses、part-time jobs 比较普通，和“找到方向”的联系也不够紧。

第 3 步 Students can take elective courses outside their major, join clubs or do internships.

elective courses outside their major、do internships 更准确、更正式；还可以给后两项各加一个修饰（that interest them、in different fields），突出“按兴趣、跨领域”去探索。

满分句 **Students can take elective courses outside their major, join clubs that interest them or do internships in different fields.**

升格 2

第 1 步 Failure is also good for students.

说法太笼统，也没有理由，读者会问：失败好在哪里？

第 2 步 Failed attempts are useful because students can learn from them.

有了理由，但 learn from them 是万能说法，没有和“找到道路”联系起来。

第 3 步 Even a failed attempt is useful, because it tells students which path is wrong for them.

Even 加强了语气，理由也扣住了“道路”；再把 a failed attempt 换成 an attempt that does not work out，useful 换成 valuable，wrong for them 换成 not for them，语气更自然、更准确。

满分句 **Even an attempt that does not work out is valuable, because it shows students which path is not for them.**

升格 3

第 1 步 In a word, students should explore and think more in college.
总结了全文，但 explore and think more 很平淡，也没有说出能得到什么结果。

第 2 步 If students explore boldly and think carefully, they can find the right path.
说出了结果，也回到了首句；但 If 句比较普通，the right path 直接重复首句，少了变化。

第 3 步 By combining bold exploration with careful reflection, they can find a path that really suits them.
By combining … with … 把两个关键词合成一个短语，更紧凑；a path that really suits them 换了说法呼应首句。还可以再加一层 make the most of their college years，点出“不辜负大学时光”。

满分句 **By combining bold exploration with careful reflection, they can make the most of their college years and find a path that really suits them.**

9 高分句式

公式 → 原句 → 讲解 → 仿写

① Unlike A, where … 对比句

这个句式表达 表达“与 A 不同（A 是……的情况），B 却……”，用对比突出 B 的特点

公式 Unlike + A, where + 句子（A 的情况）, B + 谓语 …

范文原句 Unlike high school, where most of their time is devoted to preparing for exams, college offers a wide range of courses, clubs and activities

高中时，学生的大部分时间都用来备考；大学则不同，它提供了丰富多样的课程、社团和活动

unlike 是介词，意思是“与……不同”；where 引导非限制性定语从句，补充说明高中的情况。be devoted to doing 意思是“用于做……”，to 是介词，后面接动名词。用对比开头，大学的特点一下子就突出了。

例1 Unlike traditional classrooms, where students must attend class at fixed times, online courses allow people to learn whenever they like.
传统课堂要求学生在固定的时间上课，网课则不同，人们想什么时候学就什么时候学。

例2 Unlike big cities, where life moves fast, small towns offer a quiet and relaxed lifestyle.
大城市生活节奏快，小城镇则不同，它提供了一种安静、悠闲的生活方式。

也可以这样说

Compared with ..., ... offers ...
与……相比，……提供……

While ..., ...
……，而……

② 动名词主语 + requires 句

这个句式表达 表达“要做好……，需要……”，说出做成一件事的前提条件

公式 Doing + 宾语 + requires + 名词（条件）

范文原句 Making good use of this opportunity requires an open mind

要利用好这个机会，需要有开放的心态

动名词短语 Making good use of this opportunity 作主语，表示一件事，谓语用单数 requires。make good use of 意思是“充分利用”；an open mind 意思是“开放的心态”。this opportunity 指回首句的 a great opportunity，自然地开启第二段。

例1 Learning a foreign language well requires patience and daily practice.

要学好一门外语，需要耐心和每天的练习。

例2 Making good use of the Internet requires the ability to tell true information from false.

要用好互联网，需要有辨别信息真假的能力。

也可以这样说

To make good use of ..., one needs ...

要充分利用……，人需要……

The key to ... is ...

……的关键是……

③ what 宾语从句并列句

这个句式表达 表达“发现自己擅长什么、真正喜欢什么”，用两个 what 从句说出探索的收获

公式 主语 + discover / find out / learn（或 teach sb）+ what + 主语 + 谓语 … and what + 主语 + 谓语 …

范文原句 they gradually discover what they are good at and what they truly enjoy

他们会逐渐发现自己擅长什么、真正喜欢什么

两个 what 从句并列，作 discover 的宾语，从句用陈述语序（what they are good at，不是 what are they good at）。gradually 写出“慢慢发现”的过程，truly 强调“真正”，两个从句长短相近，读起来有节奏。

例1 Travel helps young people find out what they value and what they want from life.

旅行帮助年轻人发现自己看重什么、想从生活中得到什么。

例2 A part-time job taught me what I am capable of and what I still need to learn.

一份兼职让我知道了自己能做什么、还需要学什么。

也可以这样说

... find out where their strengths and interests lie

……发现自己的长处和兴趣所在

... get to know themselves better

……更了解自己

④ majored in … but found … that 亲身经历句

这个句式表达 表达“某人本来……，却在……中发现……”，用一个转折写出亲身经历里的关键变化

公式 某人 + 原来的情况 + but found during / in + 经历 + that + 发现

范文原句 majored in chemistry but found during a volunteer teaching program that he loved working with children

主修化学，却在一次志愿支教项目中发现自己喜欢和孩子们打交道

but 连接两个谓语，前面写原来的情况，后面写意外的发现，转折就是故事的看点。during a volunteer teaching program 插在 found 和 that 从句之间，交代在哪里发现的。下一句再写结果（has never been happier），一个完整的小故事就写成了。

例1 My cousin studied law but found during an internship that she was more interested in design.

我表姐学的是法律，却在一次实习中发现自己对设计更感兴趣。

例2 I used to be shy but found in the debate club that I enjoyed speaking in public.

我过去很害羞，却在辩论社里发现自己喜欢当众讲话。

也可以这样说

..., only to discover that ...

……，结果却发现……

It was not until ... that ... realized ...

直到……，……才意识到……

⑤ Even … is valuable, because 补充观点句

这个句式表达 表达“即使是……也有价值，因为……”，说出一个容易被忽略的观点，让论述更全面

公式 Even + 名词（可带 that 从句）+ is valuable / can be useful, because + 理由

范文原句 Even an attempt that does not work out is valuable, because it shows students which path is not for them

即使是没有成功的尝试也是有价值的，因为它让学生知道哪条路不适合自己

Even 放在名词前，表示“甚至、即使是”，强调连失败的尝试也不白费。work out 意思是“成功、有好结果”；which path is not for them 是宾语从句，用陈述语序。这句话打消了“怕失败”的顾虑，论证更有深度。

例1 Even a failed experiment is valuable, because it tells scientists what does not work.

即使是失败的实验也有价值，因为它告诉科学家哪些方法行不通。

例2 Even a small mistake can be useful, because it reminds us to be more careful.

即使是小错误也可能有用，因为它提醒我们要更加细心。

也可以这样说

Failure is not a waste of time, since ...

失败并不是浪费时间，因为……

There is something to learn from every ...

每一次……都能学到东西

⑥ Of course 让步句

这个句式表达 表达“当然，……也不应该……”，在肯定观点之后补一句提醒，让论述更全面

公式 Of course, + 主语 + should not + 动词原形 …

范文原句 Of course, exploration should not become aimless wandering

当然，探索不应变成漫无目的的游荡

Of course 在这里表示让步：前面一直在说探索的好处，这里承认它也可能走偏。aimless wandering（漫无目的的游荡）和 exploration（探索）形成对比，用词准确。让步之后马上给出解决办法，文章显得成熟、不片面。

例1 Of course, using the Internet should not become an excuse for neglecting our studies.

当然，上网不应成为荒废学业的借口。

例2 Of course, saving money should not mean giving up all the joys of life.

当然，省钱不应意味着放弃生活中的一切乐趣。

也可以这样说

Admittedly, ...

诚然，……

However, we should be careful not to ...

不过，我们要注意不要……

⑦ By combining A with B 收尾句

这个句式表达 表达“把 A 和 B 结合起来，就能……”，把文章的两个关键词合起来，说出最终结果

公式 By combining + A + with + B, 主语 + can + 动词原形 …

范文原句 By combining bold exploration with careful reflection, they can make the most of their college years

把大胆的探索与认真的反思结合起来，他们就能充分利用大学时光

by doing 表示方式，“通过做……”；combine A with B 意思是“把 A 和 B 结合起来”。bold 和 careful 两个形容词意思相对，把第二、三段的内容各用一个词概括。make the most of 意思是“充分利用”，和第二段的 make good use of 同义替换。

例1 By combining hard work with proper rest, students can study more efficiently.

把刻苦学习和适当休息结合起来，学生就能学得更高效。

例2 By combining traditional culture with modern design, the city has attracted many visitors.

通过把传统文化与现代设计结合起来，这座城市吸引了众多游客。

也可以这样说

Only when ... and ... go hand in hand can ...

只有当……与……相辅相成时，才能……

A balance between ... and ... will help ...

在……和……之间取得平衡，有助于……

10 亮点词汇

把普通说法换成高分说法

高分表达	意思	替代的普通说法
various	adj. 各种各样的	different
be devoted to	（时间、精力）被用于	be used for
a wide range of	各种各样的；范围广泛的	many
make good use of	充分利用	use
elective	adj. 选修的	optional
pursue a career in	从事……职业	work in
aimless	adj. 漫无目的的	without a plan
reflect on	反思	think about
narrow down	缩小（范围）	reduce
make the most of	充分利用	use well

培养自主学习能力

2024年6月大学英语六级 第1套 · 写作 Part I
议论文 · 范文 190 词

1 原题

Part I **Writing** **(30 minutes)**

Directions: *For this part, you are allowed 30 minutes to write an essay that begins with the sentence "**Nowadays, cultivating independent learning ability is becoming increasingly crucial for personal development.**" You can make comments, cite examples or use your personal experiences to develop your essay. You should write at least 150 words but no more than 200 words. (**You should copy the sentence given in quotes at the beginning of your essay**.)*

题目译文

这一部分（For this part），你有 30 分钟（30 minutes）写一篇文章（essay），文章要以给出的这句话开头（begins with the sentence）："如今，培养自主学习能力（independent learning ability）对个人发展（personal development）越来越关键（increasingly crucial）。"（Nowadays, cultivating independent learning ability is becoming increasingly crucial for personal development.）

你可以发表评论（make comments）、举例说明（cite examples），或者用自己的亲身经历（use your personal experiences）来展开文章（develop your essay）。

字数：至少 150 词（at least 150 words），但不超过 200 词（no more than 200 words）。

必须把引号里给出的这句话原样抄写在文章开头（copy the sentence given in quotes at the beginning of your essay），作为第一句。

2 审题

先弄清楚要写什么，再动笔

议论文（给定首句）：培养自主学习能力

150—200 词（题目要求 at least 150 words but no more than 200 words，首句也算在内）；范文写到 190—200 词，本篇 190 词。不要卡着 150 词的最低线写，也绝不能超过 200 词

- [ ] 用题目给的句子开头，一字不差照抄，放在全文第一句
- [ ] 首句说培养自主学习能力"越来越重要"，后文要说明为什么重要：既要讲时代背景，也要讲它带来的具体好处
- [ ] 用评论、举例或亲身经历来支撑观点（题目点明的三种方法，至少用好一两种）
- [ ] 最后说说怎样培养这种能力，并有一个有力的结尾，让文章完整

语气与身份：正式、客观的议论语气：用 we、us 泛指所有人，用 should 给学生和老师提建议，不用口语化的表达

容易失分的地方

- 首句必须一字不差照抄：cultivating、independent learning ability、is becoming increasingly crucial、for personal development 一个词都不能改，句末的句号也要照抄
- 首句的关键词是 increasingly（越来越），要交代“为什么现在比以前更重要”（知识更新快），不能只泛泛地说“学习很重要”
- “自主学习”不等于“自己在家学”：要写清它是什么样子（自己找资料、定计划、提问题、作判断），好处才有说服力
- 首句算在字数里，三个好处加做法内容多，每个好处控制在两句以内，避免超过 200 词

3 题目要求逐条落实

每一条要求 → 范文里的哪一句

题目要求	范文原句	怎么做到的
用给定的句子开头	Nowadays, cultivating independent learning ability is becoming increasingly crucial for personal development.	全文第一句原样照抄题目给的句子，一个词、一个标点都没有改。
说明为什么“越来越”重要（评论）	In an age when knowledge is updated at an astonishing speed, what we learn at school can hardly meet all our needs in life.	第二句交代时代背景：知识更新太快，学校学的东西不够用一辈子，正好解释了首句的 increasingly。
论述具体的好处	Independent learning ability brings many benefits.	第二段总起之后，用 First、Second、Third 分三点：跟上时代、培养批判性思维、增强自信，每一点都有一句具体的说明。
举例支撑观点	Many working adults, for example, have taught themselves programming through online courses and successfully changed careers.	用在职成年人通过网课自学编程、成功转行的例子，证明自主学习能增强自信，例子真实、贴近现实。
说清怎样培养	To cultivate this ability, students should learn to set their own goals, manage their time and reflect on their progress regularly.	第三段分别给学生和老师提建议：学生要自己定目标、管时间、定期反思；老师要引导而不是填鸭，给学生留出探索的空间。
有力的结尾	With the ability to learn independently, we can keep growing throughout our lives.	最后一句说出自主学习能力的最大价值：终身成长，呼应首句的 personal development。
字数 150—200 词	Nowadays, cultivating independent learning ability	全文共 190 词（含首句）：第一段 2 句，第二段 8 句，第三段 3 句，落在 190—200 词的目标区间内，没有超过 200 词。

4 写作思路

先列提纲，每段一个任务

第一段

照抄首句，交代时代背景

首句（培养自主学习能力越来越重要）→ 背景：知识更新速度惊人，学校所学满足不了一生的需要

第二段

分三点论证好处

总起：好处很多 → First 跟上时代：遇到新领域自己找资料、定计划、掌握 → Second 批判性思维：不被动接受，提问、比较、判断 → Third 自信：在职成年人自学编程转行 → 这样的经历让人相信自己什么都能学会

第三段

给学生和老师提建议并收尾

学生：定目标、管时间、定期反思 → 老师：引导而不填鸭，留出探索空间 → 结尾：有了自主学习能力，就能终身成长

5 满分范文

荧光笔 + 圆圈编号 = 下面讲的高分句式

[1] Nowadays, cultivating independent learning ability is becoming increasingly crucial for personal development. [2] In an age when knowledge is updated at an astonishing speed①, what we learn at school can hardly meet all our needs in life②.

[3] Independent learning ability brings many benefits. [4] First, it enables us to keep up with the times. [5] Whenever we face a new field or a new technology, we can find the right materials, make a plan and master it on our own③. [6] Second, it fosters critical thinking. [7] Instead of passively accepting what teachers say, independent learners ask questions, compare different views and form their own judgments④. [8] Third, it builds confidence. [9] Many working adults, for example, have taught themselves programming through online courses and successfully changed careers. [10] Such experiences convince people that they can learn almost anything they set their minds to⑤.

[11] To cultivate this ability, students should learn to set their own goals, manage their time and reflect on their progress regularly. [12] Teachers should guide their students rather than spoon-feed them, leaving them room to explore and make discoveries of their own⑥. [13] With the ability to learn independently, we can keep growing throughout our lives.

参考译文

如今，培养自主学习能力对个人发展正变得越来越重要。在一个知识以惊人速度更新的时代，我们在学校学到的东西很难满足我们生活中的所有需要。

自主学习能力带来许多好处。第一，它使我们能够跟上时代。每当我们面对一个新领域或一项新技术时，我们都能找到合适的资料，制订计划，然后自己掌握它。第二，它能培养批判性思维。自主学习者不是被动地接受老师所说的一切，而是会提出问题，比较不同的观点，形成自己的判断。第三，它能增强自信。例如，许多在职成年人通过网络课程自学编程，并成功转行。这样的经历使人们相信，几乎任何他们下定决心要学的东西，他们都能学会。

为了培养这种能力，学生应该学会自己设定目标、管理时间，并定期反思自己的进步。教师应该引导学生，而不是对他们填鸭式地灌输，给他们留出自己去探索和发现的空间。有了自主学习的能力，我们就能终其一生不断成长。

6 一步一步写出这篇范文

01 一字不差照抄首句

把题目给的句子原样写在开头，抄完逐词核对一遍，尤其是 cultivating、is becoming increasingly crucial 和 personal development。

> 1 Nowadays, cultivating independent learning ability is becoming increasingly crucial for personal development.
> 如今，培养自主学习能力对个人发展正变得越来越重要。

02 用时代背景解释“越来越”

第二句用 In an age when … 交代知识更新快，主句用 what we learn at school 作主语，说学校所学不够用。首句说“越来越重要”，这一句就给出了原因。

> 2 In an age when knowledge is updated at an astonishing speed, what we learn at school can hardly meet all our needs in life.
> 在一个知识以惊人速度更新的时代，我们在学校学到的东西很难满足我们生活中的所有需要。

03 一句总起，三个短句分点

第二段先说 brings many benefits，再用 First、Second、Third 引出三个很短的观点句（it enables …、it fosters …、it builds …），三句结构相同，阅卷老师一眼就能看清三点。

> 3 Independent learning ability brings many benefits.
> 自主学习能力带来许多好处。
>
> 4 First, it enables us to keep up with the times.
> 第一，它使我们能够跟上时代。
>
> 6 Second, it fosters critical thinking.
> 第二，它能培养批判性思维。
>
> 8 Third, it builds confidence.
> 第三，它能增强自信。

04 每个观点后面紧跟具体说明

跟上时代：用 Whenever 写出遇到新东西时的三个动作；批判性思维：用 Instead of 把被动接受和主动思考对比；自信：用 for example 举在职成年人自学转行的例子，再用 Such experiences 点明例子说明了什么。

> 5 Whenever we face a new field or a new technology, we can find the right materials, make a plan and master it on our own.
> 每当我们面对一个新领域或一项新技术时，我们都能找到合适的资料，制订计划，然后自己掌握它。
> 7 Instead of passively accepting what teachers say, independent learners ask questions, compare different views and form their own judgments.
> 自主学习者不是被动地接受老师所说的一切，而是会提出问题，比较不同的观点，形成自己的判断。
> 9 Many working adults, for example, have taught themselves programming through online courses and successfully changed careers.
> 例如，许多在职成年人通过网络课程自学编程，并成功转行。
> 10 Such experiences convince people that they can learn almost anything they set their minds to.
> 这样的经历使人们相信，几乎任何他们下定决心要学的东西，他们都能学会。

05 建议分给学生和老师两个主体

学生一句：To cultivate this ability 开头，用三个动词短语列出做法；老师一句：用 rather than 说出该做和不该做的，再用 leaving 说明这样做的好处。

> 11 To cultivate this ability, students should learn to set their own goals, manage their time and reflect on their progress regularly.
> 为了培养这种能力，学生应该学会自己设定目标、管理时间，并定期反思自己的进步。
> 12 Teachers should guide their students rather than spoon-feed them, leaving them room to explore and make discoveries of their own.
> 教师应该引导学生，而不是对他们填鸭式地灌输，给他们留出自己去探索和发现的空间。

06 用 With 说出最大价值收尾

With the ability to learn independently 概括全文，主句 keep growing throughout our lives 说出终身成长，呼应首句的 personal development。

> 13 With the ability to learn independently, we can keep growing throughout our lives.
> 有了自主学习的能力，我们就能终其一生不断成长。

7 为什么是满分档

切题・结构与连贯・语言

切题

首句一字不差照抄，后文紧扣“自主学习能力”和“个人发展”：第一段用知识更新快解释首句里的“越来越重要”，第二段从跟上时代、批判性思维、自信三个方面论证好处，并举在职成年人自学转行的例子，第三段说明学生和老师各该怎么做，结尾落在“终身成长”。每一部分都在为中心服务，没有一句跑题，这是满分档作文切题的表现。

Nowadays, cultivating independent learning ability is becoming increasingly crucial for personal development.

In an age when knowledge is updated at an astonishing speed | Independent learning ability brings many benefits.

To cultivate this ability | we can keep growing throughout our lives

结构与连贯

三段式结构清楚：为什么重要 → 有哪些好处 → 怎样培养。第二段总起句之后用 First、Second、Third 排出三点，三个观点句结构相同，层次一目了然；每点后面紧跟具体说明；Such experiences 把例子和观点连起来；第三段 this ability 指回前文，学生、老师两句分工明确；结尾 With the ability to learn independently 概括全文。读者顺着思路一读就懂。

First, it enables us to keep up with the times. | Second, it fosters critical thinking. | Third, it builds confidence.

Such experiences | To cultivate this ability | With the ability to learn independently

语言

句式丰富而且用得准确：In an age when 交代背景、what 主语从句加 can hardly、Whenever 引出三个动作、Instead of 对比、convince sb that、rather than 加现在分词；用词正式贴切，如 cultivating、crucial、astonishing、fosters、spoon-feed；同一意思换着说（independent learning、learn independently，cultivate、foster、build）。全文没有语法错误，表达自然地道，体现了满分档作文的语言水平。

what we learn at school can hardly meet all our needs in life

find the right materials, make a plan and master it on our own | Instead of passively accepting what teachers say

convince people that they can learn almost anything they set their minds to

guide their students rather than spoon-feed them

8 升格示范

普通写法一步一步改成满分句

升格 1

第 1 步 Independent learners think for themselves.

只是换个说法重复观点，没写清“自己思考”具体是什么样子。

第 2 步 Independent learners do not just listen to teachers; they ask many questions.

有了对比和具体动作，但 just listen to、ask many questions 比较口语，只有一个动作，力度不够。

第 3 步 Instead of accepting everything teachers say, independent learners ask questions and form their own opinions.

用 Instead of 把对比写进一句，动作也有了两个；还可以加上 passively 点出问题所在，再补一个 compare different views，三个动作由浅入深，judgments 也比 opinions 更正式。

满分句 **Instead of passively accepting what teachers say, independent learners ask questions, compare different views and form their own judgments.**

升格 2

第 1 步 For example, many people learn new things by themselves.
例子太笼统：什么人、学了什么、结果怎样都没写，起不到证明作用。

第 2 步 For example, many adults have learned programming on the Internet.
有了具体的人和内容；但 learned programming on the Internet 比较平淡，也没有结果，看不出和“自信”有什么关系。

第 3 步 Many working adults, for example, have taught themselves programming through online courses.
working adults 更具体，taught themselves 突出“自学”，for example 插在句中更自然；最后还要加上结果 successfully changed careers，例子才完整，也为下一句的“自信”做好铺垫。

满分句 **Many working adults, for example, have taught themselves programming through online courses and successfully changed careers.**

升格 3

第 1 步 Teachers should help students learn by themselves.
help 太空泛，没说清老师具体该怎么做、不该怎么做。

第 2 步 Teachers should guide students and should not tell them everything.
有了该做和不该做的对比，但 should 重复，tell them everything 也不够准确。

第 3 步 Teachers should guide their students rather than spoon-feed them.
用 rather than 连接，spoon-feed 形象准确；还可以用现在分词 leaving them room to … 补上这样做的好处，建议就更完整、更有说服力。

满分句 **Teachers should guide their students rather than spoon-feed them, leaving them room to explore and make discoveries of their own.**

9 高分句式

公式 → 原句 → 讲解 → 仿写

① In an age when 时代背景句

这个句式表达 表达“在一个……的时代”，交代时代背景，说明为什么某事在今天特别重要

公式 In an age when + 句子（时代特点），主句 …

范文原句 In an age when knowledge is updated at an astonishing speed
在一个知识以惊人速度更新的时代

when 引导定语从句修饰 age，说明这个时代的特点。at an astonishing speed 意思是“以惊人的速度”。首句里有 nowadays、increasingly 这类表示“现在、越来越”的词时，用这个句式交代背景最合适。

例1 In an age when information spreads instantly, we must think carefully before sharing anything online.
在信息瞬间传播的时代，我们在网上分享任何东西之前都必须仔细思考。

例2 In an age when machines can do many jobs, creativity has become more valuable than ever.
在机器能做许多工作的时代，创造力变得比以往任何时候都更宝贵。

也可以这样说

In today's fast-changing world, ...

在当今快速变化的世界里，……

With the rapid development of ..., ...

随着……的快速发展，……

② what 主语从句 + can hardly 句

这个句式表达 表达“我们……的东西很难……”，用 what 从句作主语，说出一种不足

公式 what + 主语 + 谓语 … + can hardly + 动词原形 …

范文原句 what we learn at school can hardly meet all our needs in life

我们在学校学到的东西很难满足我们生活中的所有需要

what we learn at school 是主语从句，意思是“我们在学校学到的东西”，谓语用单数。hardly 意思是“几乎不、很难”，本身就是否定词，不能再加 not。meet one's needs 意思是“满足需要”，是常用搭配。

例1 What we see on social media can hardly reflect the whole truth.

我们在社交媒体上看到的东西很难反映全部真相。

例2 What a textbook teaches can hardly prepare students for every real problem.

课本教的东西很难让学生应对每一个实际问题。

也可以这样说

... is far from enough to ...

……远远不足以……

... can no longer satisfy ...

……再也不能满足……

③ Whenever + 三个动词并列句

这个句式表达 表达“每当遇到……，我们都能……、……并……”，把一种能力写成具体的动作

公式 Whenever + 句子（遇到的情况）, 主语 + can + 动词1 …, 动词2 … and 动词3 …

范文原句 Whenever we face a new field or a new technology, we can find the right materials, make a plan and master it on our own

每当我们面对一个新领域或一项新技术时，我们都能找到合适的资料，制订计划，然后自己掌握它

Whenever 意思是“每当、无论何时”，引导时间状语从句。主句三个动词短语按先后顺序排列（找资料 → 定计划 → 掌握），把抽象的“能力”变成看得见的步骤。on our own 意思是“靠自己”，点出“自主”。

例1 Whenever I come across a new word, I look it up, write it down and use it in a sentence.

每当遇到一个生词，我都会查一查、记下来，再用它造个句子。

例2 Whenever there is a problem, good teams discuss it openly, share ideas and solve it together.

每当出现问题，优秀的团队都会公开讨论、分享想法，共同解决。

也可以这样说

Every time ..., ...

每次……，……

When faced with ..., ...

面对……时，……

④ Instead of doing 对比句

这个句式表达 表达“不是……，而是……”，用被动和主动两种做法的对比，突出好的那一种

公式 Instead of + doing（不好的做法），主语 + 谓语（好的做法，可以是一个或几个动词）

范文原句 Instead of passively accepting what teachers say, independent learners ask questions, compare different views and form their own judgments

自主学习者不是被动地接受老师所说的一切，而是会提出问题，比较不同的观点，形成自己的判断

instead of 是复合介词（整体相当于一个介词），后面接动名词 accepting。前面写不好的做法（被动接受），后面写好的做法（提问、比较、判断），对比鲜明。三个动作由浅入深，正好说明了什么是 critical thinking。

例1 Instead of simply copying answers, good students try to understand how to solve the problem.

好学生不是简单地抄答案，而是努力弄懂怎样解题。

例2 Instead of complaining about the problem, we should look for practical solutions.

我们不应抱怨问题，而应寻找切实可行的解决办法。

也可以这样说

Rather than ..., ...

与其……，不如……

... not ... but ...

不是……而是……

⑤ convince sb that 点明事例句

这个句式表达 表达“这样的经历使人们相信……”，在例子后面点明它证明了什么

公式 Such experiences + convince + 人 + that + 句子

范文原句 Such experiences convince people that they can learn almost anything they set their minds to

这样的经历使人们相信，几乎任何他们下定决心要学的东西，他们都能学会

convince sb that … 意思是“使某人相信……”。Such experiences 指回上一句的例子，把例子和观点（增强自信）连起来。set one's mind to 意思是“下定决心做”，they set their minds to 是省略了 that 的定语从句，修饰 anything。

例1 Such successes convince students that hard work really pays off.

这样的成功使学生相信，努力真的会有回报。

例2 These stories convince us that ordinary people can also make a difference.

这些故事使我们相信，普通人也能带来改变。

也可以这样说

These examples prove that ...

这些例子证明……

From such experiences, people learn that ...

从这样的经历中，人们懂得了……

⑥ rather than + 现在分词结果句

这个句式表达 表达“应该……而不是……，从而……”，给出建议，同时说出这样做的好处

公式 主语 + should + 动词1 + rather than + 动词2, + doing（结果）…

范文原句 Teachers should guide their students rather than spoon-feed them, leaving them room to explore and make discoveries of their own

教师应该引导学生，而不是对他们填鸭式地灌输，给他们留出自己去探索和发现的空间

rather than 连接两个动词原形 guide 和 spoon-feed，前面是该做的，后面是不该做的。逗号后的现在分词短语 leaving them room to … 说明这样做的结果。spoon-feed 意思是“填鸭式灌输”，形象准确。一句话里有建议、有对比、有好处，很有分量。

例1 Parents should encourage their children rather than criticize them, giving them the courage to try new things.

父母应该鼓励孩子而不是批评他们，这样孩子才有勇气尝试新事物。

例2 Cities should build more parks rather than expand parking lots, offering residents places to relax.

城市应该多建公园而不是扩建停车场，为居民提供放松的场所。

也可以这样说

Instead of ..., ... should ..., so that ...

……不应……，而应……，以便……

It is better for ... to ... than to ...

……最好……，而不是……

10 亮点词汇

把普通说法换成高分说法

高分表达	意思	替代的普通说法
cultivate	v. 培养	develop
crucial	adj. 至关重要的	important
astonishing	adj. 惊人的	amazing
keep up with the times	跟上时代	not fall behind
master	v. 掌握	learn
foster	v. 培养；促进	develop
critical thinking	批判性思维	independent thinking
passively	adv. 被动地	without thinking
convince	v. 使相信；使确信	make ... believe
spoon-feed	v. 填鸭式地灌输	do everything for

社会实践与学术学习

2024年6月大学英语六级 第2套 · 写作 Part I
议论文 · 范文 195 词

1 原题

Part I **Writing** **(30 minutes)**

Directions: *For this part, you are allowed 30 minutes to write an essay that begins with the sentence* ***"Nowadays more and more college students have come to realize social practice and academic learning are equally important."*** *You can make comments, cite examples or use your personal experiences to develop your essay. You should write at least 150 words but no more than 200 words. (**You should copy the sentence given in quotes at the beginning of your essay.**)*

题目译文

这一部分（For this part），你有 30 分钟（30 minutes）写一篇文章（essay），文章要以给出的这句话开头（begins with the sentence）："如今，越来越多的大学生已经认识到，社会实践（social practice）和学业学习（academic learning）同样重要（equally important）。"（Nowadays more and more college students have come to realize social practice and academic learning are equally important.）

你可以发表评论（make comments）、举例说明（cite examples），或者用自己的亲身经历（use your personal experiences）来展开文章（develop your essay）。

字数：至少 150 词（at least 150 words），但不超过 200 词（no more than 200 words）。

必须把引号里给出的这句话原样抄写在文章开头（copy the sentence given in quotes at the beginning of your essay），作为第一句。

2 审题

先弄清楚要写什么，再动笔

议论文（给定首句）：社会实践与学术学习同样重要

150—200 词（题目要求 at least 150 words but no more than 200 words，首句也算在内）；范文写到 190—200 词，本篇 195 词。不要卡着 150 词的最低线写，也绝不能超过 200 词

- [ ] 用题目给的句子开头，一字不差照抄，放在全文第一句
- [ ] 围绕"同样重要"展开论述：学术学习有什么用，社会实践有什么用，两者缺一不可
- [ ] 用评论、举例或亲身经历来支撑观点（题目点明的三种方法，至少用好一两种）
- [ ] 顺着观点提出大学生该怎么做（兼顾两者），并有一个完整的结尾

语气与身份：正式、客观的议论语气：以第三人称论述为主，可以举身边同学的事例，但不用口语化的表达；提建议用 should

容易失分的地方

- 首句必须一字不差照抄：realize 后面没有 that，不要自己加；social practice、academic learning、equally important 一个词都不能改，句末的句号也要照抄
- 题目的观点是“同样重要”，全文要两边都写、不偏不倚，不要写成“实践比读书更重要”或“读书才是正事”
- 例子要具体：写清谁、去哪里、做了什么、有什么收获，不要只说“社会实践很有用”
- 首句算在字数里，写长了容易超过 200 词，动笔前先规划好每段几句

3 题目要求逐条落实

每一条要求 → 范文里的哪一句

题目要求	范文原句	怎么做到的
用给定的句子开头	Nowadays more and more college students have come to realize social practice and academic learning are equally important.	全文第一句原样照抄题目给的句子，一个词、一个标点都没有改（realize 后面也没有加 that）。
论述学术学习的作用（评论）	On the one hand, academic learning is indispensable.	第二段先用 On the one hand 写学术学习：它不可或缺，再用 Without … would … 从反面说明没有理论，实践就没有方向。
论述社会实践的作用（评论）	On the other hand, social practice deepens and tests what we have learned.	再用 On the other hand 写社会实践：它能深化和检验所学，还能培养课堂给不了的能力。两边篇幅相当，扣住“同样重要”。
举例支撑观点	Last summer, several agriculture majors in my department spent a month helping farmers in a village improve their crops	用本系农学专业同学下乡帮农民改良庄稼的事例，证明实践能加深对课堂知识的理解；题目给的“评论、举例、亲身经历”三种方法，本文用了评论和身边的事例。
提出做法，结尾收束	Therefore, college students should strike a balance between the two.	第三段用 Therefore 得出结论：两者要平衡，再说具体怎么做（课上学、课下练），最后说出这样做的结果，回到“同样重要”。
字数 150—200 词	Nowadays more and more college students	全文共 195 词（含首句）：第一段 2 句，第二段 5 句，第三段 4 句，落在 190—200 词的目标区间内，没有超过 200 词。

4 写作思路

先列提纲，每段一个任务

第一段

照抄首句，说明“同样重要”的含义

首句（社会实践和学术学习同样重要）→ 一句话点明分工：书本知识打基础，亲身实践把知识变成技能

第二段

分两方面论证

一方面：学术学习不可或缺（没有理论，实践没方向）→ 另一方面：社会实践深化、检验所学（实习、调研、志愿活动培养各种能力）→ 事例：农学专业同学下乡帮农民改良庄稼

第三段

提出主张并收尾

结论：在两者之间保持平衡 → 强调：哪一方都不能牺牲 → 做法：课上努力学、抓住机会实践，让理论和实践相互促进 → 结果：成长为全面发展的毕业生

5 满分范文

荧光笔 + 圆圈编号 = 下面讲的高分句式

[1] Nowadays more and more college students have come to realize social practice and academic learning are equally important. [2] Knowledge from textbooks lays the foundation for our abilities, while hands-on experience turns that knowledge into real skills①.

[3] On the one hand, academic learning is indispensable. [4] Without a solid grasp of theories and methods, social practice would lack direction and achieve little②. [5] On the other hand, social practice deepens and tests what we have learned. [6] When students take part in internships, field research or volunteer programs, they not only apply their knowledge to real problems but also develop communication, teamwork and problem-solving skills③ that classrooms alone can hardly provide. [7] Last summer, several agriculture majors in my department spent a month helping farmers in a village improve their crops, and they came back with a much deeper understanding of what they had learned in class.

[8] Therefore, college students should strike a balance between the two④. [9] Neither should be sacrificed for the other. [10] They should study hard in class while seizing every opportunity to gain practical experience, so that theory and practice can reinforce each other⑤. [11] Students who do so will grow into well-rounded graduates ready to serve society⑥.

参考译文

如今，越来越多的大学生开始认识到，社会实践和学术学习同样重要。书本知识为我们的能力奠定基础，而亲身实践则把这些知识转化为真正的技能。

一方面，学术学习是不可或缺的。如果没有扎实地掌握理论和方法，社会实践就会缺乏方向，收效甚微。另一方面，社会实践能深化和检验我们所学的知识。当学生参加实习、实地调研或志愿项目时，他们不仅能把知识运用于实际问题，还能培养沟通、团队协作和解决问题的能力，而这些能力是单靠课堂很难提供的。去年夏天，我们系几名农

学专业的学生花了一个月时间帮助一个村子的农民改良庄稼，回来时，他们对课堂上学到的知识有了深刻得多的理解。

因此，大学生应该在两者之间保持平衡。二者都不应为了另一方而被牺牲。他们应该在课堂上努力学习，同时抓住一切机会获取实践经验，从而使理论和实践相互促进。这样做的学生将成长为全面发展、随时准备服务社会的毕业生。

6 一步一步写出这篇范文

01 一字不差照抄首句

把题目给的句子原样写在开头，抄完逐词核对一遍，尤其是 have come to realize、equally important 和句末句号。

> 1 Nowadays more and more college students have come to realize social practice and academic learning are equally important.
> 如今，越来越多的大学生开始认识到，社会实践和学术学习同样重要。

02 用一句对比说清“各管什么”

首句只说“同样重要”，第二句马上用 while 把两者的分工摆出来：书本知识 lays the foundation，亲身实践 turns that knowledge into real skills，读者立刻明白为什么缺一不可。

> 2 Knowledge from textbooks lays the foundation for our abilities, while hands-on experience turns that knowledge into real skills.
> 书本知识为我们的能力奠定基础，而亲身实践则把这些知识转化为真正的技能。

03 一方面：观点 + 反面假设

用 On the one hand 先说学术学习不可或缺，下一句用 Without … would … 设想“没有理论会怎样”，从反面证明它的重要。

> 3 On the one hand, academic learning is indispensable.
> 一方面，学术学习是不可或缺的。
> 4 Without a solid grasp of theories and methods, social practice would lack direction and achieve little.
> 如果没有扎实地掌握理论和方法，社会实践就会缺乏方向，收效甚微。

04 另一方面：观点 + 具体做法和收获

用 On the other hand 说社会实践的作用，再用 When students take part in … 列出实习、调研、志愿活动，用 not only … but also … 写出两层收获。

> 5 On the other hand, social practice deepens and tests what we have learned.
> 另一方面，社会实践能深化和检验我们所学的知识。
> 6 When students take part in internships, field research or volunteer programs, they not only apply their knowledge to real problems but also develop communication, teamwork and problem-solving skills that classrooms alone can hardly provide.
> 当学生参加实习、实地调研或志愿项目时，他们不仅能把知识运用于实际问题，还能培养沟通、团队协作和解决问题的能力，而这些能力是单靠课堂很难提供的。

05 用身边同学的事例落地

用 Last summer 开头，写清谁（农学专业同学）、在哪里（一个村子）、做了什么（帮农民改良庄稼）、有什么收获（更深地理解课堂知识）。

> 7 Last summer, several agriculture majors in my department spent a month helping farmers in a village improve their crops, and they came back with a much deeper understanding of what they had learned in class.
> 去年夏天，我们系几名农学专业的学生花了一个月时间帮助一个村子的农民改良庄稼，回来时，他们对课堂上学到的知识有了深刻得多的理解。

06 得出结论，再用一句短句强调

用 Therefore 引出主张 strike a balance between the two，紧接一句短句 Neither should be sacrificed for the other，长短交替，语气坚定。

> 8 Therefore, college students should strike a balance between the two.
> 因此，大学生应该在两者之间保持平衡。
> 9 Neither should be sacrificed for the other.
> 二者都不应为了另一方而被牺牲。

07 说清怎么做，用结果收尾

用 while 把“课上学”和“课下练”放进一句，用 so that 说出目的；最后一句写这样做的学生会成为什么样的人，给全文一个积极的结尾。

> 10 They should study hard in class while seizing every opportunity to gain practical experience, so that theory and practice can reinforce each other.
> 他们应该在课堂上努力学习，同时抓住一切机会获取实践经验，从而使理论和实践相互促进。
> 11 Students who do so will grow into well-rounded graduates ready to serve society.
> 这样做的学生将成长为全面发展、随时准备服务社会的毕业生。

7 为什么是满分档

切题 · 结构与连贯 · 语言

切题

首句一字不差照抄，后文紧扣“同样重要”：第一段用一句话说清两者的分工，第二段用 On the one hand、On the other hand 两边各写一层，篇幅相当，并举出农学专业同学下乡的具体事例；第三段得出“保持平衡”的结论，还用 Neither should be sacrificed for the other 再次强调两者缺一不可。题目提示的“评论、举例”都用上了，没有偏向任何一方，也没有一句跑题。满分档作文的特点就是：观点明确，每一部分都在为中心服务。

Nowadays more and more college students have come to realize social practice and academic learning are equally important.

On the one hand, academic learning is indispensable.

On the other hand, social practice deepens and tests what we have learned.

several agriculture majors in my department spent a month helping farmers in a village improve their crops

Neither should be sacrificed for the other.

结构与连贯

三段式结构清楚：提出观点 → 分两方面论证 → 得出结论并给出做法。第二段用 On the one hand、On the other hand 搭好骨架，每一方面都是“观点句 + 展开句”；Last summer 自然引出事例；第三段用 Therefore 承上启下，the two、Neither、who do so 等指代词把前后句紧紧连在一起，不用重复说“学习和实践”。读者能顺着思路一步步读下去，这正是满分档作文在结构上的表现。

On the one hand | On the other hand | Last summer

Therefore, college students should strike a balance between the two. | Students who do so

语言

句式丰富而且用得准确：while 对比句、Without 引出的虚拟条件句、When 时间状语从句、not only … but also … 递进、so that 目的状语从句、who 定语从句；有长句也有短句（Neither should be sacrificed for the other），节奏有变化。用词具体、正式，如 indispensable、hands-on、a solid grasp of、strike a balance、reinforce、well-rounded。全文没有语法错误，表达自然，满分档作文的语言就是这样准确、多样又地道。

Knowledge from textbooks lays the foundation for our abilities, while hands-on experience turns that knowledge into real skills.

Without a solid grasp of theories and methods, social practice would lack direction and achieve little.

they not only apply their knowledge to real problems but also develop communication, teamwork and problem-solving skills

so that theory and practice can reinforce each other | well-rounded graduates ready to serve society

8 升格示范

普通写法一步一步改成满分句

升格 1

第 1 步 If we do not learn theories, social practice will be useless.
意思说出来了，但 useless 太绝对，也只说了理论，没提方法，读起来像随口一说。

第 2 步 Without theories and methods, social practice would have no direction.
换成 Without … would … 的虚拟句，更简洁；补上 methods，内容更完整。但 have no direction 比较平，“没有理论”也说得太绝对。

第 3 步 Without a solid grasp of theories and methods, social practice would lack direction.
加上 a solid grasp of（扎实掌握），说法更准确；lack direction 比 have no direction 更正式。但只说了“没方向”，还没说出最终后果。

满分句 **Without a solid grasp of theories and methods, social practice would lack direction and achieve little.**

升格 2

第 1 步 Students can use their knowledge and learn many skills in social practice.
只是笼统地说“用知识、学技能”，没有具体活动，many skills 也没说是哪些技能。

第 2 步 When students take part in internships, they can use their knowledge and learn communication skills.
有了具体活动（实习）和具体技能（沟通），内容实了；但只有一种活动、一种技能，use、learn 也很普通。

第 3 步 When students take part in internships, field research or volunteer programs, they not only apply their knowledge to real problems but also develop communication, teamwork and problem-solving skills.
活动和技能都扩展成三个一组，用 not only … but also … 写出两层收获，apply … to real problems 更具体。但还没点明这些能力和课堂的关系，扣题不够紧。

满分句 **When students take part in internships, field research or volunteer programs, they not only apply their knowledge to real problems but also develop communication, teamwork and problem-solving skills that classrooms alone can hardly provide.**

升格 3

第 1 步 Students should study hard and also do social practice.
建议是对的，但 do social practice 很空泛，两件事只用 and also 硬接在一起。

第 2 步 They should study hard in class and try to get practical experience.
加上 in class、practical experience，内容具体了；但 try to get 语气弱，两件事的关系也没有说清。

第 3 步 They should study hard in class while seizing every opportunity to gain practical experience.
用 while doing 表示“同时”，seize every opportunity 语气积极、用词正式。但还没说出这样做的目的，和“同样重要”的联系不够紧。

满分句 **They should study hard in class while seizing every opportunity to gain practical experience, so that theory and practice can reinforce each other.**

9 高分句式

公式 → 原句 → 讲解 → 仿写

① while 分工对比句

这个句式表达 表达“A 负责打基础，而 B 负责把它变成实际能力”，一句话说清两样东西各自的作用

公式 A + lays the foundation for + 名词, while B + turns + 名词 + into + 名词

范文原句 Knowledge from textbooks lays the foundation for our abilities, while hands-on experience turns that knowledge into real skills

书本知识为我们的能力奠定基础，而亲身实践则把这些知识转化为真正的技能

while 在这里表示对比，把两个主语的作用并排放在一起。lay the foundation for 意思是“为……奠定基础”，turn … into … 意思是“把……变成……”。写“两者都重要”这类题目时，先用这样一句说清分工，后文就好展开。

例1 Reading lays the foundation for good writing, while regular practice turns that foundation into real skill.
阅读为写好文章奠定基础，而经常练习则把这个基础变成真正的能力。

例2 Talent lays the foundation for success, while hard work turns that talent into real achievements.

天赋为成功奠定基础，而勤奋则把天赋转化为真正的成就。

也可以这样说

A provides the basis for ..., and B puts it into use.

A 为……提供基础，B 把它付诸运用。

If A is the root, B is the fruit.

如果说 A 是根，那么 B 就是果。

② Without 虚拟条件句

这个句式表达 表达“如果没有……，就会……”，从反面说明某样东西不可缺少

公式 Without + 名词, 主语 + would + 动词原形 …（说过去的事用 would have done）

范文原句 Without a solid grasp of theories and methods, social practice would lack direction and achieve little

如果没有扎实地掌握理论和方法，社会实践就会缺乏方向，收效甚微

Without 短语相当于一个条件（如果没有……），主句用 would 表示假设的结果。从反面设想“没有它会怎样”，比反复说“它很重要”更有说服力。*a solid grasp of* 意思是“对……的扎实掌握”。

例1 Without clear goals, students would waste much of their time at college.

如果没有明确的目标，学生就会在大学里浪费大量时间。

例2 Without the support of my family, I would never have finished the marathon.

如果没有家人的支持，我根本不可能跑完那场马拉松。

也可以这样说

If it were not for ..., ...

要不是……，……

But for ..., ...

要不是有……，……

③ not only … but also … 两层收获句

这个句式表达 表达“某人不仅能……，而且还能……”，一句话写出两层好处

公式 主语 + not only + 动词1 … but also + 动词2 …

范文原句 they not only apply their knowledge to real problems but also develop communication, teamwork and problem-solving skills

他们不仅能把知识运用于实际问题，还能培养沟通、团队协作和解决问题的能力

not only 和 but also 后面接的成分要对称：这里都接动词（apply、develop）。第二层收获比第一层更进一步，读起来层层递进。*apply … to …* 意思是“把……运用到……上”。

例1 Part-time jobs not only help students earn money but also teach them how to manage time.

兼职工作不仅能帮学生挣钱，还能教会他们如何管理时间。

例2 Volunteers not only help people in need but also gain a sense of achievement.

志愿者不仅帮助了有需要的人，还收获了成就感。

也可以这样说

..., and what is more, ...

……，而且更重要的是，……

In addition to doing ..., they also ...

除了做……之外，他们还……

④ strike a balance 主张句

这个句式表达 表达“应该在两者之间保持平衡”，用于“两者都重要”类话题的结论

公式 主语 + should + strike a balance between + A and B / the two

范文原句 college students should strike a balance between the two

大学生应该在两者之间保持平衡

strike a balance between 是固定搭配，意思是“在……之间取得平衡”，比 do both 正式得多。the two 指代前面说的两样东西，避免重复。学习与娱乐、工作与生活、传统与创新等话题都能用。

例1 Young people should strike a balance between work and rest.

年轻人应该在工作和休息之间保持平衡。

例2 Cities need to strike a balance between economic growth and environmental protection.

城市需要在经济发展和环境保护之间取得平衡。

也可以这样说

... should give equal weight to A and B.

……应当同等重视 A 和 B。

... should combine A with B.

……应当把 A 和 B 结合起来。

⑤ while doing … so that … 做法目的句

这个句式表达 表达“在做 A 的同时做 B，从而达到某个目的”，把做法和目的连成一句

公式 主语 + should + 做法1 + while + doing 做法2, so that + 主语 + can + 目的

范文原句 while seizing every opportunity to gain practical experience, so that theory and practice can reinforce each other

同时抓住一切机会获取实践经验，从而使理论和实践相互促进

while 后面接 -ing 形式，表示“在……的同时”；so that 引出目的，后面的句子常用 can。seize every opportunity to 意思是“抓住一切机会做……”，reinforce each other 意思是“相互促进”。

例1 Students should read widely while taking notes, so that they can remember what they have read.
学生应该在广泛阅读的同时做笔记，这样才能记住读过的内容。

例2 We should enjoy online shopping while staying alert to fraud, so that we can protect our money.
我们应该在享受网购的同时警惕诈骗，这样才能保护好自己的钱财。

也可以这样说

…, and at the same time …, in order to …
……，同时……，以便……

By doing …, they can …
通过做……，他们能够……

⑥ who 定语从句 + grow into 收尾句

这个句式表达 表达“这样做的人将成长为……”，用美好的结果给全文收尾

公式 人 + who + 做法（如 do so）+ will grow into + 形容词 + 名词 …

范文原句 Students who do so will grow into well-rounded graduates ready to serve society

这样做的学生将成长为全面发展、随时准备服务社会的毕业生

who do so 指代前面提出的全部做法，不用再重复一遍；grow into 意思是“成长为”。ready to serve society 是形容词短语，放在名词后面作修饰。用“结果”收尾，文章显得完整、积极。

例1 Children who read every day will grow into curious and thoughtful adults.
每天读书的孩子会成长为好奇、善于思考的成年人。

例2 Young people who do so will grow into citizens ready to take on responsibility.
这样做的年轻人会成长为随时准备担当责任的公民。

也可以这样说

In this way, they will become ...

这样，他们将成为……

Only by doing so can they become ...

只有这样做，他们才能成为……

10 亮点词汇

把普通说法换成高分说法

高分表达	意思	替代的普通说法
lay the foundation for	为……奠定基础	help
hands-on	adj. 亲身实践的；动手的	real
indispensable	adj. 不可或缺的；必不可少的	very important
a solid grasp of	对……的扎实掌握	a good understanding of
deepen	v. 加深；深化	make deeper
internship	n. 实习	work experience
strike a balance between	在……之间保持平衡	balance
seize	v. 抓住	take
reinforce	v. 加强；巩固	help
well-rounded	adj. 全面发展的	good

数字素养与技能

2024年6月大学英语六级 第3套 · 写作 Part I
议论文 · 范文 196 词

1 原题

Part I **Writing** **(30 minutes)**

Directions: *For this part, you are allowed 30 minutes to write an essay that begins with the sentence* ***"There is a growing awareness of the importance of digital literacy and skills in today's world."*** *You can make comments, cite examples or use your personal experiences to develop your essay. You should write at least 150 words but no more than 200 words. (****You should copy the sentence given in quotes at the beginning of your essay.****)*

题目译文

这一部分（For this part），你有 30 分钟（30 minutes）写一篇文章（essay），文章要以给出的这句话开头（begins with the sentence）："在当今世界，人们越来越意识到（a growing awareness）数字素养和数字技能（digital literacy and skills）的重要性。"（There is a growing awareness of the importance of digital literacy and skills in today's world.）

你可以发表评论（make comments）、举例说明（cite examples），或者用自己的亲身经历（use your personal experiences）来展开文章（develop your essay）。

字数：至少 150 词（at least 150 words），但不超过 200 词（no more than 200 words）。

必须把引号里给出的这句话原样抄写在文章开头（copy the sentence given in quotes at the beginning of your essay），作为第一句。

2 审题

先弄清楚要写什么，再动笔

议论文（给定首句）：数字素养与技能的重要性

150—200 词（题目要求 at least 150 words but no more than 200 words，首句也算在内）；范文写到 190—200 词，本篇 196 词。不要卡着 150 词的最低线写，也绝不能超过 200 词

- [ ] 用题目给的句子开头，一字不差照抄，放在全文第一句
- [ ] 围绕首句展开论述：说明为什么数字素养和技能在今天这么重要（这是文章的主体）
- [ ] 用评论、举例或亲身经历来支撑观点（题目点明的三种方法，至少用好一两种）
- [ ] 顺着话题说清怎样提高数字素养，并有一个有力的结尾，让文章完整

语气与身份：正式、客观的议论语气：以第三人称论述为主，提建议用 should、can，表示"我们大家"时可以用 we，不用口语化的表达

容易失分的地方

- 首句必须一字不差照抄：a growing awareness of、digital literacy and skills、today's world 一个词都不能改，today's 的撇号和句末的句号也要照抄
- 题目要写的是数字素养的“重要性”，主体要回答“为什么重要”，不要写成“手机的利与弊”或“沉迷网络的危害”
- 理由要分条、每条都有具体内容：学什么、防什么、谁会被落下，不要只喊“数字技能很有用”
- 首句算在字数里，三个理由加建议很容易写超，动笔前先规划好每段几句

3 题目要求逐条落实

每一条要求 → 范文里的哪一句

题目要求	范文原句	怎么做到的
用给定的句子开头	There is a growing awareness of the importance of digital literacy and skills in today's world.	全文第一句原样照抄题目给的句子，一个词、一个标点都没有改。
论述为什么重要（评论）	Digital literacy matters for several reasons.	第二段先总起“有几方面的原因”，再用 First、Second、Third 分三条论证：学习工作离不开、保护网络安全、共享科技成果，层次分明。
理由要具体	People with good digital literacy can recognize fraud, protect their personal information and tell trustworthy sources from misleading ones.	每条理由后面都跟一句具体说明：学生查资料、员工用工具；识别诈骗、保护信息、分辨信息来源，让读者看得见“重要在哪里”。
举例支撑观点	many elderly people feel left behind because they cannot book a doctor's appointment or buy a train ticket online	用老年人不会网上挂号、买火车票的例子，证明缺少数字技能会被时代落下；题目给的“评论、举例、亲身经历”三种方法，本文用了评论和举例。
说清怎样提高数字素养	To improve digital literacy, schools should offer courses on information skills and online safety	第三段把做法分给学校、社区、个人三个主体，每个主体都有具体做法，社区培训老年人还呼应了上一段的例子。
有力的结尾	That is how we can truly benefit from the digital age instead of being overwhelmed by it.	用 That is how 总结前面的做法，用 benefit from 和 overwhelmed 一正一反收尾，回到首句的“当今世界”。
字数 150—200 词	There is a growing awareness	全文共 196 词（含首句）：第一段 2 句，第二段 7 句，第三段 3 句，落在 190—200 词的目标区间内，没有超过 200 词。

4 写作思路

先列提纲，每段一个任务

第一段

照抄首句，引出话题

首句（人们越来越意识到数字素养的重要性）→ 补充一句背景：从网购、移动支付到远程办公、网课，数字技术已经渗透到生活的方方面面

第二段

分三条论证为什么重要

总起：几方面的原因 → 第一：学习和工作离不开（学生查资料、员工用工具）→ 第二：保护网络安全（识别诈骗、保护信息、分辨来源）→ 第三：人人共享科技成果 → 事例：老年人不会网上挂号、买票而被落下

第三段

提出做法并收尾

学校：开设信息技能和网络安全课程；社区：培训老年人 → 个人：不断学习、明智使用 → 一正一反收尾：受益于数字时代，而不是被它压垮

5 满分范文

荧光笔 + 圆圈编号 = 下面讲的高分句式

[1] There is a growing awareness of the importance of digital literacy and skills in today's world. [2] From online shopping and mobile payments to remote work and virtual classes, digital technology has become part of almost every aspect of our lives①.

[3] Digital literacy matters for several reasons②. [4] First, it is essential for study and work. [5] Students need it to find reliable materials and use learning platforms, while employees increasingly rely on digital tools to communicate and solve problems. [6] Second, it helps keep us safe online. [7] People with good digital literacy can recognize fraud, protect their personal information and tell trustworthy sources from misleading ones③. [8] Third, it allows everyone to share the benefits of technological progress④. [9] Without basic digital skills, for instance, many elderly people feel left behind because they cannot book a doctor's appointment or buy a train ticket online⑤.

[10] To improve digital literacy, schools should offer courses on information skills and online safety, and communities can organize training sessions for elderly residents who struggle with smartphones. [11] As individuals, we should keep learning new digital skills while using technology wisely⑥. [12] That is how we can truly benefit from the digital age instead of being overwhelmed by it⑦.

参考译文

在当今世界，人们越来越意识到数字素养和技能的重要性。从网上购物、移动支付到远程办公、在线课堂，数字技术几乎已经成为我们生活方方面面的一部分。

数字素养之所以重要，有几方面的原因。第一，它对学习和工作至关重要。学生需要它来查找可靠的资料、使用学习平台，而员工也越来越依赖数字工具来沟通和解决问题。第二，它有助于保障我们的网络安全。具备良好数字素养的人能够识别诈骗，保护个人信息，并分辨可信的信息来源和误导性的信息来源。第三，它让每个人都能共享科技

进步带来的好处。例如，由于没有基本的数字技能，许多老年人无法在网上预约看病或购买火车票，因而觉得自己被时代落下了。

为了提高数字素养，学校应开设信息技能和网络安全方面的课程，社区也可以为在使用智能手机方面有困难的老年居民组织培训。作为个人，我们应该在明智地使用技术的同时，不断学习新的数字技能。这样，我们才能真正从数字时代中受益，而不是被它压垮。

6 一步一步写出这篇范文

01 一字不差照抄首句

把题目给的句子原样写在开头，抄完逐词核对一遍，尤其是 a growing awareness of、digital literacy and skills 和 today's 的撇号。

> 1 There is a growing awareness of the importance of digital literacy and skills in today's world.
> 在当今世界，人们越来越意识到数字素养和技能的重要性。

02 用 From … to … 写出生活场景

首句说的是“意识到重要”，第二句用 From … to … 列出网购、移动支付、远程办公、网课四个场景，说明数字技术无处不在，为后面论证铺好背景。

> 2 From online shopping and mobile payments to remote work and virtual classes, digital technology has become part of almost every aspect of our lives.
> 从网上购物、移动支付到远程办公、在线课堂，数字技术几乎已经成为我们生活方方面面的一部分。

03 总起，第一条理由：学习和工作

第二段第一句 matters for several reasons 告诉读者下面要分条写；First 后面先给观点，下一句用 while 把学生和员工两类人连起来，说明谁需要、需要做什么。

> 3 Digital literacy matters for several reasons.
> 数字素养之所以重要，有几方面的原因。
> 4 First, it is essential for study and work.
> 第一，它对学习和工作至关重要。
> 5 Students need it to find reliable materials and use learning platforms, while employees increasingly rely on digital tools to communicate and solve problems.
> 学生需要它来查找可靠的资料、使用学习平台，而员工也越来越依赖数字工具来沟通和解决问题。

04 第二条理由：网络安全

Second 后面先给观点，再用 People with good digital literacy can … 写出三个具体能力：识别诈骗、保护信息、分辨来源。

> 6 Second, it helps keep us safe online.
> 第二，它有助于保障我们的网络安全。
> 7 People with good digital literacy can recognize fraud, protect their personal information and tell trustworthy sources from misleading ones.
> 具备良好数字素养的人能够识别诈骗，保护个人信息，并分辨可信的信息来源和误导性的信息来源。

05 第三条理由：观点 + 反面事例

Third 后面说“人人共享科技成果”，再用 Without basic digital skills 从反面举老年人的例子，用 because 写出具体困难（网上挂号、买票）。

> 8 Third, it allows everyone to share the benefits of technological progress.
> 第三，它让每个人都能共享科技进步带来的好处。
> 9 Without basic digital skills, for instance, many elderly people feel left behind because they cannot book a doctor's appointment or buy a train ticket online.
> 例如，由于没有基本的数字技能，许多老年人无法在网上预约看病或购买火车票，因而觉得自己被时代落下了。

06 做法分给不同主体

第三段开头用 To improve digital literacy 点明目的，学校、社区用 should、can 轮换；再用 As individuals 转到我们自己，用 while 写出“学”和“用”两件事。

> 10 To improve digital literacy, schools should offer courses on information skills and online safety, and communities can organize training sessions for elderly residents who struggle with smartphones.
> 为了提高数字素养，学校应开设信息技能和网络安全方面的课程，社区也可以为在使用智能手机方面有困难的老年居民组织培训。
> 11 As individuals, we should keep learning new digital skills while using technology wisely.
> 作为个人，我们应该在明智地使用技术的同时，不断学习新的数字技能。

07 用一正一反收尾

That is how 把前面的做法收成一句，benefit from the digital age 和 being overwhelmed by it 一正一反，结尾有力。

> 12 That is how we can truly benefit from the digital age instead of being overwhelmed by it.
> 这样，我们才能真正从数字时代中受益，而不是被它压垮。

7 为什么是满分档

切题 · 结构与连贯 · 语言

切题

首句一字不差照抄，后文每一段都紧扣“数字素养的重要性”：第一段用生活场景说明数字技术无处不在，第二段分三条理由说明为什么重要，并举出老年人被落下的具体事例，第三段说明学校、社区、个人分别该怎么做，结尾又回到“数字时代”。题目提示的“评论、举例”都用上了，没有写成“手机的利与弊”，没有一句跑题。满分档作文的特点就是：观点明确，每一部分都在为中心服务。

There is a growing awareness of the importance of digital literacy and skills in today's world.

Digital literacy matters for several reasons. many elderly people feel left behind To improve digital literacy benefit from the digital age

结构与连贯

三段式结构清楚：提出话题 → 分条论证为什么 → 说明怎么做。第二段先用总起句交代“有几方面的原因”，再用 First、Second、Third 标出三条理由，每条都是“观点句 + 说明句”；for instance 引出事例；第三段用 To improve digital literacy 承上启下，As individuals 从社会转到个人，That is how 总结全文。读者能顺着思路一步步读下去，这正是满分档作文在结构上的表现。

matters for several reasons | First, it is essential for study and work. | Second, it helps keep us safe online. | Third, it allows everyone to share the benefits of technological progress. | for instance | As individuals | That is how

语言

句式丰富而且用得准确：From … to … 列举、while 对比、People with … 后置修饰、Without 短语、because 原因状语从句、who 定语从句、instead of being done 的被动形式；用词具体、正式，如 reliable、fraud、trustworthy、misleading、left behind、overwhelmed；第二条理由的说明句写成三个一组（recognize、protect、tell），节奏整齐。全文没有语法错误，表达自然，满分档作文的语言就是这样准确、多样又地道。

From online shopping and mobile payments to remote work and virtual classes | employees increasingly rely on digital tools to communicate and solve problems | tell trustworthy sources from misleading ones | elderly residents who struggle with smartphones | instead of being overwhelmed by it

8 升格示范

普通写法一步一步改成满分句

升格 1

第 1 步 Digital technology is used everywhere now.

意思没错，但 everywhere 太笼统，读者看不到具体用在哪里。

第 2 步 We use digital technology when we shop, pay, work and study.

有了四个具体场景，内容实了；但 shop、pay、work、study 都是最普通的词，句子也平铺直叙。

第 3 步 From online shopping and mobile payments to remote work and virtual classes, digital technology is used in our lives.

用 From … to … 把场景放到句首，online shopping、remote work 等说法更准确；但后半句 is used in our lives 太弱，没写出“无处不在”。

满分句 **From online shopping and mobile payments to remote work and virtual classes, digital technology has become part of almost every aspect of our lives.**

升格 2

第 1 步 Digital skills can keep people safe on the Internet.
只是重复了上一句的观点，没说具体怎样“安全”，起不到说明的作用。

第 2 步 People who have digital skills will not be cheated online easily.
有了具体内容（不容易被骗），但只有一层，be cheated 也比较口语。

第 3 步 People with good digital literacy can recognize fraud and protect their personal information.
用 People with … 更简洁，recognize fraud、personal information 更正式，内容变成两层。但还可以再加一层能力，凑成三个一组，说服力更强。

满分句 **People with good digital literacy can recognize fraud, protect their personal information and tell trustworthy sources from misleading ones.**

升格 3

第 1 步 Schools and communities should help people learn digital skills.
说了谁来做，却没说做什么，help 太空泛，阅卷老师看不到具体建议。

第 2 步 Schools should teach digital skills, and communities should help old people use smartphones.
建议具体了，但 teach、help 很普通，old people 不够得体，两个 should 重复。

第 3 步 Schools should offer courses on information skills and online safety, and communities can organize training sessions for elderly residents.
换成 offer courses on、organize training sessions、elderly residents 等正式表达，should 和 can 轮换。但开头还没点明目的，也没说清这些老人难在哪里。

满分句 **To improve digital literacy, schools should offer courses on information skills and online safety, and communities can organize training sessions for elderly residents who struggle with smartphones.**

9 高分句式

公式 → 原句 → 讲解 → 仿写

① From … to … 列举场景句

这个句式表达 表达“从……到……，某事物已经成为生活方方面面的一部分”，用具体场景说明影响之广

公式 From A (and B) to C (and D), 主语 + has / have become part of + 名词

范文原句 From online shopping and mobile payments to remote work and virtual classes, digital technology has become part of almost every aspect of our lives

从网上购物、移动支付到远程办公、在线课堂，数字技术几乎已经成为我们生活方方面面的一部分

From … to … 放在句首，一口气列出四个具体场景，比 is used everywhere 生动得多。has become 用现在完成时，表示变化已经发生、延续到现在。every aspect of our lives 意思是“生活的方方面面”。

例1 From ordering food to booking hotels, mobile apps have become part of our daily routine.
从点外卖到订酒店，手机应用已经成为我们日常生活的一部分。

例2 From primary schools to universities, online learning has become part of modern education.

从小学到大学，网络学习已经成为现代教育的一部分。

也可以这样说

... has found its way into every corner of our lives.

……已经渗透到我们生活的每个角落。

Whether we are ... or ..., we depend on ...

无论是……还是……，我们都离不开……

② 总起 + First / Second / Third 分条论证

这个句式表达 表达“某事重要，有几方面的原因”，先总起，再分条列出理由

公式 A + matters for several reasons. First, … Second, … Third, …

范文原句 Digital literacy matters for several reasons

数字素养之所以重要，有几方面的原因

matter 作动词，意思是“重要”。先用总起句告诉读者下面要分条写，再用 First、Second、Third 各起一句观点，每个观点后面跟一句具体说明，阅卷老师一眼就能数清有几条理由。

例1 Physical exercise matters for several reasons.

体育锻炼之所以重要，有几方面的原因。

例2 Learning a foreign language matters for several reasons, especially in today's globalized world.

学外语之所以重要，有几方面的原因，在当今全球化的世界里尤其如此。

也可以这样说

There are several reasons why ... is important.

……之所以重要，有几个原因。

The importance of ... can be seen in the following aspects.

……的重要性可以从以下几个方面看出来。

③ can do A, B and tell X from Y 能力列举句

这个句式表达 表达“具备某种能力的人能够做到……、……，并能分辨……和……”，把抽象的能力写成具体的行为

公式 People with + 能力 + can + 动词1 …, 动词2 … and tell A from B

范文原句 People with good digital literacy can recognize fraud, protect their personal information and tell trustworthy sources from misleading ones

具备良好数字素养的人能够识别诈骗，保护个人信息，并分辨可信的信息来源和误导性的信息来源

People with … 用介词短语说明“具备……的人”，比 people who have … 更简洁。三个动词短语排成一组，节奏感强。tell A from B 意思是“区分 A 和 B”，ones 代替前面的 sources，避免重复。

例1 People with critical thinking skills can question rumors, check facts and tell truth from lies.

具备批判性思维的人能够质疑谣言、核实事实，并分辨真相与谎言。

例2 Children with a strong moral sense can respect others, keep their promises and tell right from wrong.

道德意识强的孩子懂得尊重他人、信守承诺，并能明辨是非。

也可以这样说

... are able to distinguish A from B.

……能够区分 A 和 B。

Those who have ... can ...

具备……的人能够……

④ allow everyone to share the benefits 共享句

这个句式表达 表达“某事让每个人都能共享……带来的好处”，从公平、全社会的角度说明意义

公式 主语 + allows everyone to share the benefits of + 名词

范文原句 it allows everyone to share the benefits of technological progress

它让每个人都能共享科技进步带来的好处

allow sb. to do 意思是“使某人能够做”，share the benefits of 意思是“共享……的好处”。前两条理由讲个人，这一条讲“每个人”，把论证从个人推进到社会，层次更高。

例1 Free public libraries allow everyone to share the benefits of knowledge.

免费的公共图书馆让每个人都能共享知识带来的好处。

例2 Good public transport allows everyone to share the benefits of urban development.

良好的公共交通让每个人都能共享城市发展的成果。

也可以这样说

... makes it possible for everyone to enjoy ...

……使每个人都能享受到……

... ensures that no one is left out of ...

……确保没有人被排除在……之外

⑤ 反面事例句

这个句式表达 表达“缺少某种能力的人，会因为……而感到被落下”，从反面举例说明这种能力有多重要

公式 Without + 名词，(for instance,) 人 + feel left behind / lost because + 主语 + cannot + 具体困难

范文原句 many elderly people feel left behind because they cannot book a doctor's appointment or buy a train ticket online

许多老年人无法在网上预约看病或购买火车票，因而觉得自己被时代落下了

feel left behind 意思是“感到被落下”；because 后面写出具体困难（网上挂号、买票），读者一看就懂。for instance 插在句中，标明这是举例。从反面写“没有它会怎样”，比正面说“它很有用”更打动人。

例1 Without a smartphone, for instance, many elderly people feel left behind because they cannot pay by phone.

例如，没有智能手机，许多老人因为不能用手机支付而觉得自己被落下了。

例2 Without English skills, many travelers feel lost because they cannot read signs abroad.

不懂英语，许多游客因为在国外看不懂指示牌而感到迷茫。

也可以这样说

Take ... for example. ...

以……为例，……

A case in point is ...

一个典型的例子是……

⑥ while doing 同时句

这个句式表达 表达“在做 B 的同时，也要做 A”，一句话提出两个相辅相成的做法

公式 主语 + should + keep doing … while + doing …

范文原句 we should keep learning new digital skills while using technology wisely

我们应该在明智地使用技术的同时，不断学习新的数字技能

keep doing 意思是“不断做”，强调持续；while using 表示“在使用的同时”，主语还是 we。wisely（明智地）一个副词就提醒了“别沉迷、别乱用”，让建议更全面。

例1 We should keep reading good books while thinking about what we read.

我们应该在不断读好书的同时，思考读到的内容。

例2 Students should keep practicing spoken English while learning grammar.

学生应该在学习语法的同时，坚持练习英语口语。

也可以这样说

..., and at the same time ...

……，同时……

Not only should we ..., but we should also ...

我们不仅应该……，还应该……

⑦ That is how … instead of … 收尾句

这个句式表达 表达“这样，我们才能……，而不是……”，用一正一反的对比给全文收尾

公式 That is how + 主语 + can + 动词 … instead of + being done …

范文原句 That is how we can truly benefit from the digital age instead of being overwhelmed by it

这样，我们才能真正从数字时代中受益，而不是被它压垮

That is how 指代前面说的全部做法，意思是“正是这样才能……”。instead of 后面接 being done（被动的 -ing 形式），和前面的 benefit from 形成一正一反的对比，结尾干脆有力。overwhelm 意思是“压垮；使不知所措”。

例1 That is how we can make the most of social media instead of being controlled by it.

这样，我们才能充分利用社交媒体，而不是被它控制。

例2 That is how students can enjoy college life instead of being weighed down by stress.

这样，学生才能享受大学生活，而不是被压力压得喘不过气。

也可以这样说

Only in this way can we ... rather than ...

只有这样，我们才能……，而不是……

In this way, we will ... instead of ...

这样，我们就会……，而不是……

10 亮点词汇

把普通说法换成高分说法

高分表达	意思	替代的普通说法
awareness	n. 意识；认识	understanding
digital literacy	数字素养	computer skills
aspect	n. 方面	part
essential	adj. 至关重要的；必不可少的	important
reliable	adj. 可靠的	good
fraud	n. 诈骗；欺诈	scams
trustworthy	adj. 可信的；值得信赖的	reliable
misleading	adj. 误导性的	wrong
left behind	被落下；被时代抛下	forgotten
overwhelm	v. 压垮；使不知所措	trouble

打牢学科基础

2023年12月大学英语六级 第1套 · 写作 Part I

议论文 · 范文 216 词

1 原题

Part I **Writing** **(30 minutes)**

Directions: *For this part, you are allowed 30 minutes to write an essay that begins with the sentence* ***"As is known to all, gaining a sound knowledge of the basics is of vital importance for students to master an academic subject."*** *You can make comments, cite examples or use your personal experiences to develop your essay. You should write at least 150 words but no more than 200 words (not including the sentence given).*

题目译文

这一部分（For this part），你有 30 分钟（30 minutes）写一篇文章（essay），文章要以给出的这句话开头（begins with the sentence）："众所周知（As is known to all），扎实掌握基础知识（gaining a sound knowledge of the basics）对学生学好一门学科（master an academic subject）至关重要（of vital importance）。"（As is known to all, gaining a sound knowledge of the basics is of vital importance for students to master an academic subject.）

你可以发表评论（make comments）、举例说明（cite examples），或者用自己的亲身经历（use your personal experiences）来展开文章（develop your essay）。

字数：至少 150 词（at least 150 words），但不超过 200 词（no more than 200 words），不包括题目给出的这句话（not including the sentence given）。

2 审题

先弄清楚要写什么，再动笔

议论文（给定首句）：打牢基础对学好一门学科至关重要

150—200 词（题目要求 at least 150 words but no more than 200 words（not including the sentence given），也就是给定的首句不算在内）；范文写到 190—200 词，本篇除首句外 193 词（连首句共 216 词）。不要卡着 150 词的最低线写，也绝不能超过 200 词

- [ ] 用题目给的句子开头，一字不差照抄，放在全文第一句
- [ ] 围绕首句展开论述：说明为什么扎实的基础对学好一门学科如此重要（这是文章的主体）
- [ ] 用评论、举例或亲身经历来支撑观点（题目点明的三种方法，至少用好一两种）
- [ ] 顺着话题说清怎样打牢基础，并有一个有力的结尾，让文章完整

语气与身份：正式、客观的议论语气：以第三人称论述为主，用 should、can 提出建议，不用口语化的表达

容易失分的地方

- 首句很长，必须一字不差照抄：As is known to all、a sound knowledge of the basics、of vital importance、an academic subject 一个词都不能改，句末的句号也要照抄
- 首句不算字数：从第二句开始数，要写够 150 词、最好到 190 词以上；不要把首句也算进去，结果正文写少了
- 首句已经说了“基础很重要”，后文不能只是换个说法重复，要说清“为什么重要”和“怎样打牢”
- 例子要具体：写清哪门学科、哪种基础、不打牢会怎样，不要只说“基础不好学不好”

3 题目要求逐条落实

每一条要求 → 范文里的哪一句

题目要求	范文原句	怎么做到的
用给定的句子开头	As is known to all, gaining a sound knowledge of the basics is of vital importance for students to master an academic subject.	全文第一句原样照抄题目给的句子，一个词、一个标点都没有改。
论述为什么重要（评论）	The basics matter for two reasons.	第二段先总起“有两个原因”，再用 First、Second 分别说明：基础是更复杂知识的基石；基础扎实，后续学习更容易、更快。
举例支撑观点	A student who has not mastered basic English grammar and vocabulary, for example, will find it almost impossible to read academic papers in English.	用英语学习的例子证明第一个原因：语法和词汇不过关，就读不懂英文论文；题目给的“评论、举例、亲身经历”三种方法，本文用了评论和举例。
用对比把道理说透	whereas those who merely memorize formulas often get lost when a question is slightly changed	用数学学习的对比证明第二个原因：真正理解概念的学生能灵活运用，只会死记公式的学生题目一变就不会，两种学生摆在一起，道理一目了然。
说清怎样打牢基础	Unfortunately, some students, impatient for quick results, skip the basics to tackle difficult problems.	第三段先指出常见的误区（急于求成、跳过基础），再分别给学生和老师提出具体做法，建议有针对性。
有力的结尾	With strong fundamentals, students can go much further in their academic pursuits.	最后一句回到首句的“学好一门学科”，用 go much further 写出打牢基础的长远回报，首尾照应。
字数 150—200 词（不含首句）	Just as a tall building	从第二句 Just as a tall building 开始数，正文共 193 词（连首句 216 词）：第一段 3 句，第二段 5 句，第三段 4 句，落在 190—200 词的目标区间内，没有超过 200 词。

4 写作思路

先列提纲，每段一个任务

第一段

照抄首句，用比喻说明道理

首句（扎实的基础至关重要）→ 比喻：高楼离不开地基，深入学习离不开基础 → 推广：数学、物理、外语，每门学科都建立在基本概念和技能之上

第二段

分两条论证为什么重要

总起：两个原因 → 第一：基础是更复杂知识的基石（例：语法词汇不过关读不懂英文论文）→ 第二：基础扎实，后续学习更容易、更快（对比：理解概念的学生 vs 死记公式的学生）

第三段

指出误区，提出做法并收尾

误区：有些学生急于求成、跳过基础 → 学生：耐心、定期复习、真正理解 → 老师：强调核心概念、确认掌握再往下讲 → 收尾：基础扎实，学业上走得更远

5 满分范文

荧光笔 + 圆圈编号 = 下面讲的高分句式

[1] As is known to all, gaining a sound knowledge of the basics is of vital importance for students to master an academic subject. [2] Just as a tall building cannot stand without a solid foundation, advanced study is impossible without a firm grasp of the fundamentals①. [3] Whether it is mathematics, physics or a foreign language, every subject is built on a set of basic concepts and skills②.

[4] The basics matter for two reasons. [5] First, they are the building blocks of more complex knowledge. [6] A student who has not mastered basic English grammar and vocabulary, for example, will find it almost impossible to read academic papers in English③. [7] Second, a solid foundation makes further learning easier and faster. [8] Students who truly understand the basic concepts of mathematics can apply them flexibly to new problems, whereas those who merely memorize formulas often get lost when a question is slightly changed④.

[9] Unfortunately, some students, impatient for quick results, skip the basics to tackle difficult problems⑤. [10] To avoid this, they should be patient, review the fundamentals regularly and make sure that they understand them rather than merely memorize them⑥. [11] Teachers can also help by emphasizing core concepts in class and checking that students have mastered them before moving on. [12] With strong fundamentals, students can go much further in their academic pursuits⑦.

参考译文

众所周知，扎实地掌握基础知识，对学生学好一门学科至关重要。正如高楼没有坚实的地基就无法屹立，没有牢固掌握基础知识，深入的学习也就无从谈起。无论是数学、物理还是外语，每门学科都建立在一套基本概念和技能之上。

基础知识之所以重要，有两个原因。第一，它们是更复杂知识的基石。例如，一个没有掌握基本英语语法和词汇的学生，会发现几乎不可能读懂英文学术论文。第二，扎实的基础使后续学习更容易、更快速。真正理解数学基本概念的学生能把它们灵活地运用到新问题上，而那些只会死记公式的学生，往往题目稍一变化就不知所措。

遗憾的是，有些学生急于求成，跳过基础知识去攻克难题。为了避免这种情况，他们应该保持耐心，定期复习基础知识，并确保自己是真正理解了这些知识，而不只是死记硬背。教师也可以提供帮助：在课堂上强调核心概念，并在确认学生已经掌握之后再往下讲。有了扎实的基础，学生在学业上就能走得更远。

6 一步一步写出这篇范文

01 一字不差照抄首句

把题目给的句子原样写在开头，抄完逐词核对一遍，尤其是 As is known to all、a sound knowledge of the basics 和句末句号。

> 1 As is known to all, gaining a sound knowledge of the basics is of vital importance for students to master an academic subject.
> 众所周知，扎实地掌握基础知识，对学生学好一门学科至关重要。

02 用比喻和推广把首句说透

第二句用 Just as 打比方（高楼离不开地基），把抽象的道理变得形象；第三句用 Whether it is … or … 列出几门学科，说明这个道理适用于所有学科。

> 2 Just as a tall building cannot stand without a solid foundation, advanced study is impossible without a firm grasp of the fundamentals.
> 正如高楼没有坚实的地基就无法屹立，没有牢固掌握基础知识，深入的学习也就无从谈起。
>
> 3 Whether it is mathematics, physics or a foreign language, every subject is built on a set of basic concepts and skills.
> 无论是数学、物理还是外语，每门学科都建立在一套基本概念和技能之上。

03 总起，第一个原因 + 例子

第二段第一句 matter for two reasons 告诉读者下面分两条写；First 后面先给观点（基础是基石），下一句用 for example 插入英语学习的例子，用 find it almost impossible to 写出后果。

> 4 The basics matter for two reasons.
> 基础知识之所以重要，有两个原因。
>
> 5 First, they are the building blocks of more complex knowledge.
> 第一，它们是更复杂知识的基石。
>
> 6 A student who has not mastered basic English grammar and vocabulary, for example, will find it almost impossible to read academic papers in English.
> 例如，一个没有掌握基本英语语法和词汇的学生，会发现几乎不可能读懂英文学术论文。

04 第二个原因 + 对比

Second 后面先给观点（学习更容易、更快），再用 whereas 把两种学生放在一句里对比：理解概念的能灵活运用，死记公式的题目一变就不会。

> 7 Second, a solid foundation makes further learning easier and faster.
> 第二，扎实的基础使后续学习更容易、更快速。
> 8 Students who truly understand the basic concepts of mathematics can apply them flexibly to new problems, whereas those who merely memorize formulas often get lost when a question is slightly changed.
> 真正理解数学基本概念的学生能把它们灵活地运用到新问题上，而那些只会死记公式的学生，往往题目稍一变化就不知所措。

05 先指出误区，再给做法

第三段用 Unfortunately 引出常见错误，插入语 impatient for quick results 点明原因；这样后面提建议就有了针对性。

> 9 Unfortunately, some students, impatient for quick results, skip the basics to tackle difficult problems.
> 遗憾的是，有些学生急于求成，跳过基础知识去攻克难题。

06 做法分给学生和老师

To avoid this 承接上一句，学生要做三件事（耐心、复习、真正理解），用 rather than 强调“理解而不是死记”；再用 Teachers can also help 补上老师能做的事。

> 10 To avoid this, they should be patient, review the fundamentals regularly and make sure that they understand them rather than merely memorize them.
> 为了避免这种情况，他们应该保持耐心，定期复习基础知识，并确保自己是真正理解了这些知识，而不只是死记硬背。
> 11 Teachers can also help by emphasizing core concepts in class and checking that students have mastered them before moving on.
> 教师也可以提供帮助：在课堂上强调核心概念，并在确认学生已经掌握之后再往下讲。

07 用长远回报收尾

With strong fundamentals 放句首，写出打牢基础的结果：在学业上走得更远，呼应首句的“学好一门学科”。

> 12 With strong fundamentals, students can go much further in their academic pursuits.
> 有了扎实的基础，学生在学业上就能走得更远。

7 为什么是满分档

切题

首句一字不差照抄，后文每一段都紧扣“打牢基础很重要”：第一段用高楼和地基的比喻说明道理，并推广到所有学科；第二段分两个原因论证，分别举出英语和数学学习的具体例子；第三段先指出跳过基础的误区，再说明学生和老师该怎么做，结尾又回到“学业”。题目提示的“评论、举例”都用上了，没有一句跑题。满分档作文的特点就是：观点明确，每一部分都在为中心服务。

As is known to all, gaining a sound knowledge of the basics is of vital importance for students to master an academic subject.

Just as a tall building cannot stand without a solid foundation

The basics matter for two reasons.

skip the basics to tackle difficult problems

go much further in their academic pursuits

结构与连贯

三段式结构清楚：提出观点 → 论证为什么 → 指出误区并说明怎么做。第二段先用总起句交代“两个原因”，再用 First、Second 分开，每个原因都是“观点句 + 例子句”；for example 引出例子，whereas 引出对比；第三段 Unfortunately 引出问题，To avoid this 紧接着给出解决办法，Teachers can also help 补充另一方，最后 With strong fundamentals 收尾。fundamentals、the basics、foundation 换着说，前后连贯又不重复。

The basics matter for two reasons.

First, they are the building blocks of more complex knowledge.

Second, a solid foundation makes further learning easier and faster.

Unfortunately

To avoid this

Teachers can also help

语言

句式丰富而且用得准确：Just as 比喻句、Whether it is … or … 让步句、who 定语从句、find it … to do 形式宾语、whereas 对比句、插入语 impatient for quick results、rather than 并列、With 短语；用词具体、正式，如 building blocks、flexibly、tackle、emphasizing core concepts、academic pursuits。全文没有语法错误，表达自然，满分档作文的语言就是这样准确、多样又地道。

Just as a tall building cannot stand without a solid foundation, advanced study is impossible without a firm grasp of the fundamentals.

will find it almost impossible to read academic papers in English

whereas those who merely memorize formulas often get lost when a question is slightly changed

impatient for quick results

rather than merely memorize them

emphasizing core concepts in class

8 升格示范

普通写法一步一步改成满分句

升格 1

第 1 步 Basic knowledge is very important for further study.
只是把首句换个说法再说一遍，very important 很普通，没有新内容。

第 2 步 A building needs a foundation, and study needs basic knowledge too.
加了比喻，道理变形象了；但两个分句只用 and … too 连接，比喻和道理的关系不清楚，用词也平淡。

第 3 步 Just as a building cannot stand without a foundation, study is impossible without basic knowledge.
用 Just as 把比喻和道理连成一句，前后都用 without，结构对称。但用词还可以更准确：tall building、solid foundation、advanced study、a firm grasp of the fundamentals。

满分句 **Just as a tall building cannot stand without a solid foundation, advanced study is impossible without a firm grasp of the fundamentals.**

升格 2

第 1 步 Some students understand math well, but others only remember formulas.
有对比，但只说了两种学生“是什么样”，没说“结果怎样”，起不到论证的作用。

第 2 步 Students who understand basic concepts can solve new problems, but students who only remember formulas cannot.
加上了结果，对比清楚了；但 students 重复两次，but … cannot 也比较平。

第 3 步 Students who truly understand the basic concepts of mathematics can apply them flexibly to new problems, whereas those who merely memorize formulas often fail.
用 whereas、those who 避免重复，truly 和 merely 对比鲜明，apply them flexibly 更具体。但 often fail 太笼统，没写出“在什么情况下”不会。

满分句 **Students who truly understand the basic concepts of mathematics can apply them flexibly to new problems, whereas those who merely memorize formulas often get lost when a question is slightly changed.**

升格 3

第 1 步 Students should not skip the basics.
只是说了“不要做什么”，没说“应该怎么做”，建议不具体。

第 2 步 They should be patient and review the basics often.
有了两个具体做法，但 often 不如 regularly（定期）准确，也没说清复习要达到什么效果。

第 3 步 To avoid this, they should be patient, review the fundamentals regularly and make sure that they understand them.
To avoid this 承接上一句的误区，三个做法排成一组，regularly 更正式。但还没点明“理解”和“死记”的区别，和上一段的对比呼应得不够。

满分句 **To avoid this, they should be patient, review the fundamentals regularly and make sure that they understand them rather than merely memorize them.**

9 高分句式

① Just as 比喻句

这个句式表达 表达“正如……一样，……也……”，用一个常见的比喻把抽象的道理说得形象

公式 Just as + 比喻（A cannot … without …），主语 + 谓语（真正要讲的道理）…

范文原句 Just as a tall building cannot stand without a solid foundation, advanced study is impossible without a firm grasp of the fundamentals

正如高楼没有坚实的地基就无法屹立，没有牢固掌握基础知识，深入的学习也就无从谈起

Just as 引出比喻，后半句说真正要讲的道理，前后结构对称（cannot … without …、is impossible without …）。比喻选大家都熟悉的东西（高楼和地基），读者一看就懂。a firm grasp of 意思是“对……的牢固掌握”。

例1 Just as a tree cannot grow without water, a child cannot grow up healthy without love.

正如树木没有水就无法生长，孩子没有爱也无法健康成长。

例2 Just as a car needs fuel to run, the human body needs exercise to stay healthy.

正如汽车需要燃料才能行驶，人的身体也需要锻炼才能保持健康。

也可以这样说

In the same way that ..., ...

和……一样，……

..., just like ...

……，就像……一样

② Whether it is A, B or C 推广句

这个句式表达 表达“无论是 A、B 还是 C，都……”，说明一个道理适用于所有同类事物

公式 Whether it is A, B or C, every + 名词 + is built on …

范文原句 Whether it is mathematics, physics or a foreign language, every subject is built on a set of basic concepts and skills

无论是数学、物理还是外语，每门学科都建立在一套基本概念和技能之上

Whether it is … or … 列出几个代表，再用 every 把它们全部包括进来，说明道理不是个别现象。be built on 意思是“建立在……之上”，和前一句的“高楼、地基”的比喻正好呼应。

例1 Whether it is a big company or a small shop, every business is built on trust.

无论是大公司还是小店铺，每一家企业都建立在信任之上。

例2 Whether it is sports, music or painting, every skill requires years of practice.

无论是体育、音乐还是绘画，每一项技能都需要多年的练习。

也可以这样说

Regardless of whether it is ... or ..., ...

不管是……还是……，……

..., be it A, B or C.

……，无论是 A、B 还是 C。

③ find it + 形容词 + to do 后果句

这个句式表达 表达“某人会发现做某事（几乎）不可能 / 很困难”，写出不打好基础的具体后果

公式 主语 + will / may find it + 形容词（almost impossible / hard / difficult）+ to + 动词原形 …

范文原句 will find it almost impossible to read academic papers in English

会发现几乎不可能读懂英文学术论文

it 是形式宾语，真正的宾语是后面的 to read …；almost impossible 比 very hard 语气更强。前面的 who 定语从句说明“什么样的学生”，for example 插在主语和谓语之间，标明这是例子。

例1 Students who do not plan their time will find it hard to finish their work.

不规划时间的学生会发现很难完成自己的任务。

例2 Without a map, tourists may find it difficult to get around the old city.

没有地图，游客会发现在老城里走动很困难。

也可以这样说

... will have great difficulty (in) doing ...

……做……会非常困难

It is almost impossible for ... to ...

对……来说，做……几乎是不可能的

④ whereas 两种人对比句

这个句式表达 表达“做到 A 的人能……，而只做到 B 的人却……”，把两种人放在一起对比，道理一目了然

公式 人1 + who … + 谓语 …, whereas those who … + 谓语 …

范文原句 Students who truly understand the basic concepts of mathematics can apply them flexibly to new problems, whereas those who merely memorize formulas often get lost when a question is slightly changed

真正理解数学基本概念的学生能把它们灵活地运用到新问题上，而那些只会死记公式的学生，往往题目稍一变化就不知所措

whereas 表示强烈对比，相当于“而”；those who 指代“那些……的人”，避免重复 students。truly 和 merely 一对副词点出两种学生的差别：真正理解 vs 只会死记。对比论证比单说一面更有说服力。

例1 People who exercise regularly tend to sleep well, whereas those who sit all day often feel tired.
经常锻炼的人往往睡得好，而整天坐着的人常常觉得疲惫。

例2 Readers who think about what they read remember it longer, whereas those who merely skim it soon forget.
边读边思考的读者记得更久，而只是匆匆浏览的人很快就会忘记。

也可以这样说

..., while those who ..., by contrast, ...
……，相比之下，那些……的人却……

Unlike those who ..., people who ... can ...
和那些……的人不同，……的人能够……

⑤ 插入语说明原因句

这个句式表达 表达“有些人因为……，所以……”，把原因用插入语放在主语后面，指出常见的错误

公式 （Unfortunately,）some / many + 人, + 形容词短语（原因）, + 谓语 …

范文原句 some students, impatient for quick results, skip the basics to tackle difficult problems
有些学生急于求成，跳过基础知识去攻克难题

impatient for quick results（急于求成）是形容词短语，用逗号隔开插在主语后面，说明这些学生为什么这样做，比 some students are impatient, so they … 简洁得多。to tackle 表示目的，tackle 意思是“攻克；处理”。

例1 Some young people, eager for instant success, give up as soon as they run into difficulties.
有些年轻人急于求成，一遇到困难就放弃。

例2 Many students, worried about their grades, stay up late before exams.
许多学生担心成绩，考前熬夜到很晚。

也可以这样说

Because they are eager for ..., some people ...
因为急于……，有些人……

Some people are so anxious to ... that they ...
有些人太急于……，以至于……

⑥ rather than 强调句

这个句式表达 表达“要做 A，而不只是做 B”，在建议里点明正确做法和错误做法的区别

公式 make sure that + 主语 + 动词 A + rather than merely + 动词 B

范文原句 make sure that they understand them rather than merely memorize them

确保自己是真正理解了这些知识，而不只是死记硬背

rather than 连接两个并列的动词（understand、memorize），意思是“而不是”；加上 merely（仅仅），更强调死记的不足。make sure that 意思是“确保”，让建议语气坚定。这句又呼应了上一段的对比，前后连贯。

例1 We should make sure that we learn from our mistakes rather than merely regret them.

我们应该确保从错误中吸取教训，而不只是后悔。

例2 Teachers should make sure that students think for themselves rather than merely copy answers.

老师应该确保学生独立思考，而不只是抄答案。

也可以这样说

... instead of simply ...

……，而不是简单地……

not merely ..., but ...

不只是……，而是……

⑦ With + 名词 收尾句

这个句式表达 表达“有了……，某人就能……”，用好条件带来的结果给全文收尾

公式 With + 名词短语, 主语 + can + 动词原形 …

范文原句 With strong fundamentals, students can go much further in their academic pursuits

有了扎实的基础，学生在学业上就能走得更远

With 短语放句首表示条件（有了……），比 If students have … 更简洁。go much further 意思是“走得远得多”，much 修饰比较级。academic pursuits 意思是“学业上的追求”。结尾写长远的回报，积极有力。

例1 With good health, we can enjoy life to the full.

有了健康的身体，我们才能尽情享受生活。

例2 With the support of their families, young people can go much further in their careers.

有了家人的支持，年轻人在事业上能走得更远。

也可以这样说

Once they have ..., students will ...

一旦有了……，学生就会……

Only with ... can students ...

只有具备……，学生才能……

10 亮点词汇

把普通说法换成高分说法

高分表达	意思	替代的普通说法
of vital importance	至关重要的	very important
solid foundation	坚实的基础；牢固的地基	good base
fundamentals	n. 基础知识；基本原理	basic things
building blocks	基石；组成部分	parts
complex	adj. 复杂的	difficult
flexibly	adv. 灵活地	well
whereas	conj. 然而；而	but
memorize	v. 死记；记住	learn by heart
tackle	v. 处理；攻克	do
pursuit	n. 追求；从事的事	study

给孩子更多自由

2023年12月大学英语六级 第2套 · 写作 Part I
议论文 · 范文 220 词

1 原题

Part I **Writing** **(30 minutes)**

Directions: *For this part, you are allowed 30 minutes to write an essay that begins with the sentence* ***"Nowadays parents are increasingly aware that allowing kids more freedom to explore and learn on their own helps foster their independence and boost their confidence."*** *You can make comments, cite examples or use your personal experiences to develop your essay. You should write at least 150 words but no more than 200 words (not including the sentence given).*

题目译文

这一部分（For this part），你有 30 分钟（30 minutes）写一篇文章（essay），文章要以给出的这句话开头（begins with the sentence）："如今，父母们越来越意识到，给孩子更多自由、让他们自己去探索和学习（explore and learn on their own），有助于培养他们的独立性（foster their independence）、增强他们的自信（boost their confidence）。"（Nowadays parents are increasingly aware that allowing kids more freedom to explore and learn on their own helps foster their independence and boost their confidence.）

你可以发表评论（make comments）、举例说明（cite examples），或者用自己的亲身经历（use your personal experiences）来展开文章（develop your essay）。

字数：至少 150 词（at least 150 words），但不超过 200 词（no more than 200 words），不包括题目给出的这句话（not including the sentence given）。

2 审题

先弄清楚要写什么，再动笔

议论文（给定首句）：给孩子更多自主探索和学习的自由

150—200 词（题目要求 at least 150 words but no more than 200 words（not including the sentence given），也就是给定的首句不算在内）；范文写到 190—200 词，本篇除首句外 195 词（连首句共 220 词）。不要卡着 150 词的最低线写，也绝不能超过 200 词

- [ ] 用题目给的句子开头，一字不差照抄，放在全文第一句
- [ ] 围绕首句展开论述：说明给孩子自由为什么能培养独立性、增强自信心（首句里的两个好处都要写到）
- [ ] 用评论、举例或亲身经历来支撑观点（题目点明的三种方法，至少用好一两种）
- [ ] 把观点说全面：自由也要有边界，父母该怎样把握，并有一个完整的结尾

语气与身份：正式、客观的议论语气；以第三人称论述为主；讲亲身经历时可以用 I，但要简短、为观点服务，不用口语化的表达

容易失分的地方

- 首句很长，必须一字不差照抄：increasingly aware that、on their own、foster their independence、boost their confidence 一个词都不能改，句末的句号也要照抄
- 首句不算字数：从第二句开始数，要写够 150 词、最好到 190 词以上；不要把首句也算进去，结果正文写少了
- 首句里有两个好处（独立性和自信心），后文两个都要论证到，不能只写一个
- 不要写成“父母什么都不用管”：自由不等于放任，提一句父母的引导，观点才全面

3 题目要求逐条落实

每一条要求 → 范文里的哪一句

题目要求	范文原句	怎么做到的
用给定的句子开头	Nowadays parents are increasingly aware that allowing kids more freedom to explore and learn on their own helps foster their independence and boost their confidence.	全文第一句原样照抄题目给的句子，一个词、一个标点都没有改。
论证自由能培养独立性（评论）	When kids are allowed to solve problems by themselves, they learn to think independently and take responsibility for their decisions.	第二段先总起“好处明显”，再写第一个好处：自己解决问题，学会独立思考、为决定负责，就连犯错也是宝贵的教训。
论证自由能增强自信心（评论）	every small success they achieve on their own, such as building a model or cooking a simple meal, makes them believe in their abilities	用 In addition 转到第二个好处：靠自己取得的每一次小成功都让孩子相信自己的能力。首句里的两个好处都写到了。
用亲身经历支撑观点	I still remember how proud I felt when my parents first let me take the subway to school alone at the age of ten.	用自己十岁第一次独自坐地铁上学的经历，证明“被放手”能让孩子感到被信任、有能力；题目给的“评论、举例、亲身经历”三种方法，本文三种都用了。
观点全面：自由也要有边界	Of course, freedom does not mean a lack of guidance.	第三段用 Of course 让步，说明父母仍要定规则、给建议、适时出手，再举出在规则内可以放手的具体事情，观点不偏激。
有力的结尾	With a proper balance between freedom and support, children can grow into independent and confident adults.	最后一句用 independent and confident 呼应首句的 independence 和 confidence，首尾照应。
字数 150—200 词（不含首句）	In the past, many parents tended to arrange everything	从第二句 In the past 开始数，正文共 195 词（连首句 220 词）：第一段 2 句，第二段 6 句，第三段 4 句，落在 190—200 词的目标区间内，没有超过 200 词。

4 写作思路

先列提纲，每段一个任务

第一段

照抄首句，用今昔对比引出话题

首句（给孩子自由有助于培养独立性、增强自信心）→ 对比过去：父母事事安排，孩子几乎没有选择的余地

第二段

论证两个好处，用亲身经历支撑

总起：好处明显 → 独立性：自己解决问题、为决定负责，犯错也是教训 → 自信心：每一次小成功都让孩子相信自己 → 亲身经历：十岁独自坐地铁上学，感到被信任、有能力

第三段

让步补充，说明怎样把握分寸并收尾

让步：自由不等于没有引导 → 父母：定规则、给建议、遇到真困难时出手 → 在规则内放手：筹划周末出游、管理零花钱 → 收尾：自由与支持平衡，孩子成长为独立自信的人

5 满分范文

荧光笔 + 圆圈编号 = 下面讲的高分句式

[1] Nowadays parents are increasingly aware that allowing kids more freedom to explore and learn on their own helps foster their independence and boost their confidence. [2] In the past, many parents tended to arrange everything for their children, from what to study to how to spend their weekends, leaving them little room to make their own choices①.

[3] Giving children freedom brings clear benefits. [4] When kids are allowed to solve problems by themselves, they learn to think independently and take responsibility for their decisions②. [5] Even their mistakes become valuable lessons, teaching them what works and what does not③. [6] In addition, every small success they achieve on their own, such as building a model or cooking a simple meal, makes them believe in their abilities④. [7] I still remember how proud I felt when my parents first let me take the subway to school alone at the age of ten⑤. [8] That experience made me feel trusted and capable.

[9] Of course, freedom does not mean a lack of guidance⑥. [10] Parents should set clear safety rules, offer advice when needed and be ready to step in when their children run into real difficulties. [11] Within these limits, parents can let children plan a weekend outing or manage a small weekly allowance. [12] With a proper balance between freedom and support, children can grow into independent and confident adults.

参考译文

如今，父母越来越意识到，给孩子更多自主探索和学习的自由，有助于培养他们的独立性、增强他们的自信心。过去，许多父母往往把孩子的一切都安排好，从学什么到周末怎么过，几乎不给孩子留下自己做选择的余地。

给孩子自由会带来显而易见的好处。当孩子被允许自己解决问题时，他们就能学会独立思考，并为自己的决定承担责任。就连他们犯的错误也会变成宝贵的教训，让他们明白什么行得通、什么行不通。此外，他们靠自己取得的每一次小小的成功，比如搭好一个模型或做一顿简单的饭菜，都会让他们相信自己的能力。我至今还记得，十岁那年父母第一次让我独自坐地铁上学时，我是多么自豪。那次经历让我感到自己被信任，而且有能力做好事情。

当然，自由并不意味着缺少引导。父母应该制定明确的安全规则，在需要时给出建议，并随时准备在孩子遇到真正的困难时出手相助。在这些限度之内，父母可以让孩子自己筹划一次周末出游，或者管理一小笔每周的零花钱。在自由与支持之间把握好平衡，孩子就能成长为独立而自信的成年人。

6 一步一步写出这篇范文

01 一字不差照抄首句

把题目给的句子原样写在开头，抄完逐词核对一遍，尤其是 increasingly aware that、on their own 和句末句号。

> 1 Nowadays parents are increasingly aware that allowing kids more freedom to explore and learn on their own helps foster their independence and boost their confidence.
> 如今，父母越来越意识到，给孩子更多自主探索和学习的自由，有助于培养他们的独立性、增强他们的自信心。

02 用“过去”做对比，引出话题

首句说的是“如今”，第二句用 In the past 写过去的做法：父母事事安排，再用 from … to … 举出具体事情，用 leaving them little room to 写出后果，今昔对比让首句的观点更突出。

> 2 In the past, many parents tended to arrange everything for their children, from what to study to how to spend their weekends, leaving them little room to make their own choices.
> 过去，许多父母往往把孩子的一切都安排好，从学什么到周末怎么过，几乎不给孩子留下自己做选择的余地。

03 总起，第一个好处：独立

第二段第一句 brings clear benefits 总起；When kids are allowed to … 写条件，they learn to … 写结果；再用 Even 补一层：连犯错都有收获。

> 3 Giving children freedom brings clear benefits.
> 给孩子自由会带来显而易见的好处。
>
> 4 When kids are allowed to solve problems by themselves, they learn to think independently and take responsibility for their decisions.
> 当孩子被允许自己解决问题时，他们就能学会独立思考，并为自己的决定承担责任。
>
> 5 Even their mistakes become valuable lessons, teaching them what works and what does not.
> 就连他们犯的错误也会变成宝贵的教训，让他们明白什么行得通、什么行不通。

04 第二个好处：自信，配具体小事

用 In addition 转到自信心，用 such as 插入两件具体的小事（搭模型、做饭），让“小成功”看得见。

> 6 In addition, every small success they achieve on their own, such as building a model or cooking a simple meal, makes them believe in their abilities.
> 此外，他们靠自己取得的每一次小小的成功，比如搭好一个模型或做一顿简单的饭菜，都会让他们相信自己的能力。

05 用亲身经历证明

用 I still remember how … when … 讲一件小事，写清年龄、事情、感受；下一句点明这件事带来的感受（被信任、有能力），经历要短，为观点服务。

> 7 I still remember how proud I felt when my parents first let me take the subway to school alone at the age of ten.
> 我至今还记得，十岁那年父母第一次让我独自坐地铁上学时，我是多么自豪。
> 8 That experience made me feel trusted and capable.
> 那次经历让我感到自己被信任，而且有能力做好事情。

06 让步：自由也要有边界

用 Of course … does not mean … 说明自由不等于放任，再写出父母该做的三件事：定规则、给建议、关键时刻出手。

> 9 Of course, freedom does not mean a lack of guidance.
> 当然，自由并不意味着缺少引导。
> 10 Parents should set clear safety rules, offer advice when needed and be ready to step in when their children run into real difficulties.
> 父母应该制定明确的安全规则，在需要时给出建议，并随时准备在孩子遇到真正的困难时出手相助。

07 举出可以放手的事，用平衡收尾

Within these limits 承接上一句，给出两件父母可以放手的具体事情；最后一句 a proper balance between freedom and support 总结全文，independent and confident 呼应首句。

> 11 Within these limits, parents can let children plan a weekend outing or manage a small weekly allowance.
> 在这些限度之内，父母可以让孩子自己筹划一次周末出游，或者管理一小笔每周的零花钱。
> 12 With a proper balance between freedom and support, children can grow into independent and confident adults.
> 在自由与支持之间把握好平衡，孩子就能成长为独立而自信的成年人。

7 为什么是满分档

切题 · 结构与连贯 · 语言

切题

首句一字不差照抄，后文每一段都紧扣“给孩子自由的好处”：第一段用过去事事包办的做法做对比；第二段把首句里的两个好处都写到了，独立性（自己解决问题、为决定负责）和自信心（每一次小成功都让孩子相信自己），还用自己十岁独自坐地铁上学的经历来证明；第三段用让步说明自由也要有边界，结尾 independent and confident 回到首句。题目提示的“评论、举例、亲身经历”都用上了，没有一句跑题。

Nowadays parents are increasingly aware that allowing kids more freedom to explore and learn on their own helps foster their independence and boost their confidence.

they learn to think independently and take responsibility for their decisions

makes them believe in their abilities

my parents first let me take the subway to school alone at the age of ten

freedom does not mean a lack of guidance

independent and confident adults

结构与连贯

三段式结构清楚：提出观点 → 论证好处 → 让步补充并收尾。第一段用 Nowadays 和 In the past 形成今昔对比；第二段先用总起句交代“好处明显”，再用 Even、In addition 层层推进，亲身经历之后用 That experience 点明意义；第三段用 Of course 让步，Within these limits 承接上一句，最后用 a proper balance 收束全文。读者能顺着思路一步步读下去，这正是满分档作文在结构上的表现。

In the past | Giving children freedom brings clear benefits. | Even their mistakes | In addition | That experience made me feel trusted and capable. | Of course | Within these limits

语言

句式丰富而且用得准确：现在分词 leaving、teaching 写结果，When 条件从句、被动结构 are allowed to、such as 插入举例、how 引导的感叹式宾语从句、Of course 让步句、With 短语收尾；用词具体、正式，如 foster、boost、take responsibility for、step in、allowance；感受词 trusted and capable、proud 让亲身经历真实可信。全文没有语法错误，表达自然，满分档作文的语言就是这样准确、多样又地道。

leaving them little room to make their own choices | teaching them what works and what does not | such as building a model or cooking a simple meal | I still remember how proud I felt | be ready to step in when their children run into real difficulties | manage a small weekly allowance

8 升格示范

普通写法一步一步改成满分句

升格 1

第 1 步 In the past, parents decided everything for their children.
有了今昔对比，但 decided everything 很笼统，读者想象不出父母具体管了什么。

第 2 步 In the past, many parents tended to arrange everything for their children, such as their studies and weekends.
tended to arrange 语气更客观，举出了具体方面；但 studies and weekends 只是两个名词，还没写出这样做的后果。

第 3 步 In the past, many parents tended to arrange everything for their children, from what to study to how to spend their weekends.
用 from … to … 和“疑问词 + to do”把具体事情写活了。但只写了父母做了什么，没写孩子因此失去了什么，和首句的“自由”联系不够紧。

满分句 **In the past, many parents tended to arrange everything for their children, from what to study to how to spend their weekends, leaving them little room to make their own choices.**

升格 2

第 1 步 Freedom also makes children more confident.
说出了第二个好处，但只是一句观点，没说“为什么会更自信”。

第 2 步 In addition, when children succeed by themselves, they become more confident.
In addition 标出第二个好处，也说出了原因（自己成功）；但 succeed、become more confident 很普通，没有具体的事。

第 3 步 In addition, every small success they achieve on their own makes them believe in their abilities.
every small success 强调“哪怕是小成功”，believe in their abilities 比 more confident 更具体。但还可以插入两件具体的小事，让读者看得见。

满分句 **In addition, every small success they achieve on their own, such as building a model or cooking a simple meal, makes them believe in their abilities.**

升格 3

第 1 步 Parents should still help their children.
说了要帮，但 help 太空泛，没说怎么帮，起不到补充的作用。

第 2 步 Parents should make rules and give advice to their children.
有了两个具体做法，但 make rules、give advice 很普通，也没说什么时候该出手。

第 3 步 Parents should set clear safety rules, offer advice when needed and help their children with difficulties.
三个做法排成一组，set clear safety rules、offer advice when needed 更准确。但最后一项 help … with difficulties 太泛，没体现“平时放手、关键时刻才出手”的分寸。

满分句 **Parents should set clear safety rules, offer advice when needed and be ready to step in when their children run into real difficulties.**

9 高分句式

公式 → 原句 → 讲解 → 仿写

① leaving … little room to 后果句

这个句式表达 表达“某人以前总是……，几乎不给别人留……的余地”，写出过去做法带来的后果

公式 主语 + tend(ed) to / used to + 动词 …，（from A to B,）leaving + 人 + little room to + 动词原形 …

范文原句 many parents tended to arrange everything for their children, from what to study to how to spend their weekends, leaving them little room to make their own choices
许多父母往往把孩子的一切都安排好，从学什么到周末怎么过，几乎不给孩子留下自己做选择的余地

tend to 意思是“往往”，语气客观；from what to study to how to spend their weekends 用两个“疑问词 + to do”举出具体事情；现在分词 leaving … 写出这种做法的结果。little room 意思是“几乎没有余地”。

例1 Some schools tend to fill every minute with classes, leaving students little room to develop their own interests.
有些学校往往把每一分钟都排满课，几乎不给学生留下发展个人兴趣的余地。

例2 Many companies used to make all the decisions at the top, leaving employees little room to show their creativity.

许多公司过去所有决定都由高层做出，几乎不给员工留下发挥创造力的空间。

也可以这样说

..., so that ... hardly have a chance to ...

……，以致……几乎没有机会……

..., which leaves ... no space to ...

……，这让……没有空间去……

② When ... are allowed to ... 条件结果句

这个句式表达 表达“当某人被允许做……时，他们就能学会……”，说明一种做法带来的成长

公式 When + 人 + are allowed to + 动词 …, they learn to + 动词1 … and + 动词2 …

范文原句 When kids are allowed to solve problems by themselves, they learn to think independently and take responsibility for their decisions

当孩子被允许自己解决问题时，他们就能学会独立思考，并为自己的决定承担责任

When 从句写条件（被允许自己做），主句 learn to 写收获，因果关系清楚。be allowed to 是被动结构，扣住题目里的 allowing kids more freedom。take responsibility for 意思是“为……承担责任”。

例1 When students are allowed to choose their own topics, they learn to plan and carry out research on their own.

当学生被允许自己选题时，他们就能学会独立规划和开展研究。

例2 When employees are allowed to share ideas freely, they learn to think creatively.

当员工被允许自由地分享想法时，他们就会学着创造性地思考。

也可以这样说

If ... are given the chance to ..., they will ...

如果……有机会……，他们就会……

By doing ... themselves, ... learn to ...

通过自己做……，……学会……

③ Even … become …, teaching them … 补充句

这个句式表达 表达“就连……也会变成……，让他们明白……”，在好处后面再推进一层

公式 Even + 名词 + become + 名词, teaching + 人 + what / how …

范文原句 Even their mistakes become valuable lessons, teaching them what works and what does not

就连他们犯的错误也会变成宝贵的教训，让他们明白什么行得通、什么行不通

Even 表示“就连……也”，把看起来是坏事的“犯错”也说成好事，论证又深一层。现在分词 teaching them … 补充说明结果；what works and what does not 意思是“什么行得通、什么行不通”，work 在这里是“奏效”。

例1 Even failures become stepping stones, teaching us how to do better next time.

就连失败也会变成垫脚石，教会我们下次如何做得更好。

例2 Even small arguments become chances for growth, teaching couples how to understand each other.

就连小小的争吵也会成为成长的机会，教会夫妻如何理解对方。

也可以这样说

..., and even ... can be ...

……，就连……也可以是……

What is more, even ... help them ...

更重要的是，就连……也能帮助他们……

④ such as 插入举例句

这个句式表达 表达“每一次……，比如……，都会让人……”，在句子中间插入具体例子

公式 every + 名词 + 定语, such as doing A (or doing B), + makes + 宾语 + 动词原形 / 形容词 / 名词 …

范文原句 every small success they achieve on their own, such as building a model or cooking a simple meal, makes them believe in their abilities

他们靠自己取得的每一次小小的成功，比如搭好一个模型或做一顿简单的饭菜，都会让他们相信自己的能力

主语是 every small success（单数），谓语用 makes；中间用逗号隔开 such as …，插入两件具体的事，让抽象的“成功”有了画面。make sb. do 意思是“让某人做”，believe in 意思是“相信（能力、价值）”。

例1 Every good habit, such as reading before bed or exercising every morning, makes our lives healthier.

每一个好习惯，比如睡前读书或每天早上锻炼，都会让我们的生活更健康。

例2 Every small act of kindness, such as holding a door for others, makes the world a warmer place.

每一次小小的善举，比如为别人扶住门，都会让世界变得更温暖。

也可以这样说

..., for example, ...

……，例如……

..., including ... and ...

……，包括……和……

⑤ I still remember how … when … 经历句

这个句式表达 表达“我至今还记得，当……时，我是多么……”，用一句话引出一段亲身经历

公式 I still remember how + 形容词 + I felt / was + when + 具体事情（+ at the age of …）

范文原句 I still remember how proud I felt when my parents first let me take the subway to school alone at the age of ten

我至今还记得，十岁那年父母第一次让我独自坐地铁上学时，我是多么自豪

how proud I felt 是感叹式的宾语从句，语序是“how + 形容词 + 主语 + 谓语”；when 从句写出具体事情，at the age of ten 写出年龄，细节真实可信。let sb. do 意思是“让某人做”。亲身经历一两句就够，后面要点明它说明了什么。

例1 I still remember how nervous I felt when I gave my first speech in English.

我至今还记得第一次用英语演讲时我有多紧张。

例2 I still remember how happy I was when I finished my first marathon at the age of eighteen.

我至今还记得十八岁那年跑完第一场马拉松时我有多高兴。

也可以这样说

I will never forget the day when ...

我永远不会忘记……的那一天。

Take my own experience as an example.

就拿我自己的经历来说吧。

⑥ Of course, A does not mean B 让步句

这个句式表达 表达“当然，A 并不意味着 B”，先澄清容易被误解的地方，让观点更全面

公式 Of course, A + does not mean + B. 主语 + should …

范文原句 Of course, freedom does not mean a lack of guidance

当然，自由并不意味着缺少引导

Of course 引出让步，先承认另一面；A does not mean B 澄清误解（自由不等于放任）。后面紧跟具体做法，把观点补全。议论文里加一句这样的让步，阅卷老师会觉得思考成熟、不偏激。a lack of 意思是“缺少”。

例1 Of course, using smartphones does not mean wasting time.

当然，使用智能手机并不意味着浪费时间。

例2 Of course, saving money does not mean refusing to spend on anything.

当然，省钱并不意味着什么钱都不花。

也可以这样说

Admittedly, ..., but ...

诚然，……，但是……

This is not to say that ...

这并不是说……

10 亮点词汇

把普通说法换成高分说法

高分表达	意思	替代的普通说法
foster	v. 培养；促进	develop
boost	v. 增强；提升	increase
tend to	往往；倾向于	usually
independently	adv. 独立地	for themselves
take responsibility for	为……承担责任	be responsible for
valuable	adj. 宝贵的；有价值的	useful
capable	adj. 有能力的；能干的	able
guidance	n. 引导；指导	help
step in	介入；出手相助	help
allowance	n. 零花钱；津贴	pocket money

老年人的社会贡献

2023年12月大学英语六级 第3套 · 写作 Part I
议论文 · 范文 207 词

1 原题

Part I **Writing** **(30 minutes)**

Directions: *For this part, you are allowed 30 minutes to write an essay that begins with the sentence* ***"With their valuable skills and experience, elderly people can continue to make significant contributions to society."*** *You can make comments, cite examples or use your personal observations to develop your essay. You should write at least 150 words but no more than 200 words (not including the sentence given).*

题目译文

这一部分（For this part），你有 30 分钟（30 minutes）写一篇文章（essay），文章要以给出的这句话开头（begins with the sentence）："凭借宝贵的技能和经验（valuable skills and experience），老年人（elderly people）可以继续为社会作出重大贡献（make significant contributions）。"（With their valuable skills and experience, elderly people can continue to make significant contributions to society.）

你可以发表评论（make comments）、举例说明（cite examples），或者用自己的亲眼观察（use your personal observations）来展开文章（develop your essay）。

字数：至少 150 词（at least 150 words），但不超过 200 词（no more than 200 words），不包括题目给出的这句话（not including the sentence given）。

2 审题

先弄清楚要写什么，再动笔

议论文（给定首句）：老年人的社会贡献

150—200 词，而且题目括注写明 not including the sentence given，即给定的首句不算在内；范文写到 190—200 词，本篇不含首句 191 词（连首句全文 207 词）。数字数时先把首句扣掉，正文绝不能超过 200 词

- [ ] 用题目给的句子开头，一字不差照抄，放在全文第一句
- [ ] 围绕首句展开：说明老年人凭借技能和经验，退休后依然能为社会做贡献
- [ ] 用评论、举例或亲身观察来支撑观点（题目点明的三种方法，本题特别提到 personal observations，即自己看到的事）
- [ ] 顺着话题提出怎样让老年人更好地发挥作用，并有一个有力的结尾

语气与身份：正式而亲切的议论语气：评论部分客观论述，观察部分可以用 I、my 讲自己身边的事，建议部分用 should 提出，不用口语化的表达

容易失分的地方

- 首句必须一字不差照抄：valuable skills and experience、continue to make、significant contributions to society 一个词都不能改，句末的句号也要照抄
- 首句不算字数，但照样要写在卷面上；不要因为“不算字数”就漏抄，也不要把它算进 200 词里，导致正文写得太短
- 首句的重点是“老年人能继续做贡献”，后文要紧扣这一点，不要跑题写成“养老问题”或“如何照顾老人”
- 本题提示 personal observations，用自己身边真实可信的人和事最有说服力：写清是谁、做了什么、带来什么变化

3 题目要求逐条落实

每一条要求 → 范文里的哪一句

题目要求	范文原句	怎么做到的
用给定的句子开头	With their valuable skills and experience, elderly people can continue to make significant contributions to society.	全文第一句原样照抄题目给的句子，一个词、一个标点都没有改。
发表评论，展开首句的观点	Retirement does not have to mean the end of a useful life; instead, it can open a new chapter in which older people share what they have learned over decades.	第二句先纠正“退休就没用了”的看法，再说出退休可以是分享经验的新篇章，把首句的观点讲深一层；第三句补充老人“精力充沛、渴望参与”的现状。
用亲身观察支撑观点	In my own neighborhood, I have seen this again and again.	题目提示 personal observations，第二段第一句就点明“这是我在自己社区里亲眼看到的”，下面的例子都来自身边，真实可信。
举出具体例子	My grandfather, a retired doctor, is a particularly good example.	先用退休工程师、退休教师两个例子并列，再重点写祖父：每月办免费健康讲座，邻居因此定期量血压。例子有人、有事、有结果。
提出建议并有力收尾	When the wisdom of age is valued, everyone benefits.	第三段分别给社会和年轻人提出建议，最后用一句短句收尾：重视老人的智慧，人人受益，回扣首句的“为社会做贡献”。
字数 150—200 词（不含首句）	With their valuable skills and experience	全文 207 词，扣掉首句 16 词，正文 191 词：第一段 3 句，第二段 6 句，第三段 3 句，落在 190—200 词的目标区间内，没有超过 200 词。

4 写作思路

先列提纲，每段一个任务

第一段

照抄首句，展开观点

首句（老年人能继续为社会做贡献）→ 评论：退休不是有用人生的终点，而是分享经验的新篇章 → 现状：许多老人精力充沛、渴望参与

第二段

用亲身观察举例论证

过渡：我在社区里一再看到 → 两个例子：退休工程师免费修家电、退休教师办课后阅读俱乐部 → 重点例子：退休医生祖父办健康讲座，邻居定期量血压 → 点明意义：社区更温暖 → 双向受益：老人自己也更健康、更充实

第三段

提出建议并收尾

社会：创造更多机会（灵活兼职、志愿项目）→ 年轻人：尊重、倾听、学习 → 短句收尾：重视老人的智慧，人人受益

5 满分范文

荧光笔 + 圆圈编号 = 下面讲的高分句式

[1] With their valuable skills and experience, elderly people can continue to make significant contributions to society. [2] Retirement does not have to mean the end of a useful life; instead, it can open a new chapter① in which older people share what they have learned over decades. [3] Many of them are still energetic and eager to stay involved.

[4] In my own neighborhood, I have seen this again and again. [5] A retired engineer repairs household appliances for free every weekend, and a former teacher runs an after-school reading club for children whose parents work late. [6] My grandfather, a retired doctor, is a particularly good example②. [7] Once a month he gives free health talks at our community center, and thanks to his advice, many neighbors now check their blood pressure regularly. [8] These contributions may seem small, but they make the neighborhood a warmer, friendlier place③. [9] Moreover, by staying active, these elderly people keep themselves healthy and find their lives meaningful④.

[10] Society should therefore create more opportunities for older people to contribute, such as flexible part-time jobs and volunteer programs suited to their abilities. [11] Young people, for their part, should respect the elderly, listen to their stories and learn from their experience⑤. [12] When the wisdom of age is valued, everyone benefits⑥.

参考译文

老年人凭借自己宝贵的技能和经验，可以继续为社会做出重要贡献。退休不一定意味着有用人生的终结；相反，它可以开启一个新的篇章，让老年人分享自己几十年来学到的东西。他们中的许多人依然精力充沛，渴望继续参与社会生活。

在我自己住的社区，我就一次又一次地看到这种情况。一位退休工程师每个周末都免费为大家修理家用电器，一位退休教师为父母下班晚的孩子开办了课后阅读俱乐部。我的祖父是一位退休医生，他就是一个特别好的例子。他每

月在我们的社区中心举办一次免费健康讲座，多亏了他的建议，如今许多邻居都定期测量血压。这些贡献也许看起来微不足道，却让社区变成一个更温暖、更友好的地方。此外，这些老年人通过保持活跃，让自己身体健康，也感到生活有意义。

因此，社会应当为老年人创造更多发挥作用的机会，比如灵活的兼职工作和适合他们能力的志愿者项目。年轻人则应当尊重老人，倾听他们的故事，向他们的经验学习。当年长者的智慧受到重视时，每个人都会受益。

6 一步一步写出这篇范文

01 一字不差照抄首句

把题目给的句子原样写在开头，抄完逐词核对一遍，尤其是 valuable、continue to make 和 significant contributions to。记住这句不算字数。

> 1 With their valuable skills and experience, elderly people can continue to make significant contributions to society.
> 老年人凭借自己宝贵的技能和经验，可以继续为社会做出重要贡献。

02 先纠正偏见，把观点讲深一层

首句只给了观点，第二句用 does not have to mean …; instead … 先否定“退休就是结束”的常见看法，再说出正面的看法：退休是分享几十年所学的新篇章。

> 2 Retirement does not have to mean the end of a useful life; instead, it can open a new chapter in which older people share what they have learned over decades.
> 退休不一定意味着有用人生的终结；相反，它可以开启一个新的篇章，让老年人分享自己几十年来学到的东西。

03 补一句现状，为举例铺路

用一句短句说出老人“精力充沛、渴望参与”，说明他们不但有能力，也有意愿，下一段举例就顺理成章。

> 3 Many of them are still energetic and eager to stay involved.
> 他们中的许多人依然精力充沛，渴望继续参与社会生活。

04 用“我亲眼所见”引出观察

第二段第一句写 In my own neighborhood, I have seen this again and again，紧扣题目提示的 personal observations，this 指代第一段的观点，前后连起来。

> 4 In my own neighborhood, I have seen this again and again.
> 在我自己住的社区，我就一次又一次地看到这种情况。

05 两个例子并列成一句

用 and 把退休工程师和退休教师的例子连成一句，每个例子都写清“谁 + 做什么 + 为谁做”，例子多而不散。

> 5 A retired engineer repairs household appliances for free every weekend, and a former teacher runs an after-school reading club for children whose parents work late.
> 一位退休工程师每个周末都免费为大家修理家用电器，一位退休教师为父母下班晚的孩子开办了课后阅读俱乐部。

06 重点例子写出身份、做法和结果

用同位语 a retired doctor 交代祖父的身份，下一句写他做了什么（每月办健康讲座），再用 thanks to his advice 写出看得见的结果（邻居定期量血压）。

> 6 My grandfather, a retired doctor, is a particularly good example.
> 我的祖父是一位退休医生，他就是一个特别好的例子。
> 7 Once a month he gives free health talks at our community center, and thanks to his advice, many neighbors now check their blood pressure regularly.
> 他每月在我们的社区中心举办一次免费健康讲座，多亏了他的建议，如今许多邻居都定期测量血压。

07 点明例子的意义，再加一层收获

用 may seem small, but … 先让步、再强调这些贡献让社区更温暖；再用 Moreover 补充老人自己的收获（更健康、更充实），说明这是双赢。

> 8 These contributions may seem small, but they make the neighborhood a warmer, friendlier place.
> 这些贡献也许看起来微不足道，却让社区变成一个更温暖、更友好的地方。
> 9 Moreover, by staying active, these elderly people keep themselves healthy and find their lives meaningful.
> 此外，这些老年人通过保持活跃，让自己身体健康，也感到生活有意义。

08 分主体提建议，短句收尾

先说社会该做什么，用 such as 举出具体机会；再用 for their part 转到年轻人；最后用 When … is valued, everyone benefits 一句短句收尾，干净有力。

> 10 Society should therefore create more opportunities for older people to contribute, such as flexible part-time jobs and volunteer programs suited to their abilities.
> 因此，社会应当为老年人创造更多发挥作用的机会，比如灵活的兼职工作和适合他们能力的志愿者项目。
> 11 Young people, for their part, should respect the elderly, listen to their stories and learn from their experience.
> 年轻人则应当尊重老人，倾听他们的故事，向他们的经验学习。
> 12 When the wisdom of age is valued, everyone benefits.
> 当年长者的智慧受到重视时，每个人都会受益。

7 为什么是满分档

切题 · 结构与连贯 · 语言

切题

首句一字不差照抄，后文每一段都紧扣“老年人能继续为社会做贡献”：第一段说明退休不是终点、老人有能力也有意愿；第二段按题目提示用亲身观察，举出社区里三位退休老人的具体贡献；第三段提出让老人发挥作用的建议，结尾回到“重视老人的智慧”。没有跑题写成养老或照顾老人。满分档作文的特点就是：观点明确，每一部分都在为中心服务。

With their valuable skills and experience, elderly people can continue to make significant contributions to society.

Retirement does not have to mean the end of a useful life

In my own neighborhood, I have seen this again and again.

My grandfather, a retired doctor, is a particularly good example.

create more opportunities for older people to contribute

When the wisdom of age is valued, everyone benefits.

结构与连贯

三段式结构清楚：提出观点 → 用观察举例 → 提出建议。第二段先用总起句（I have seen this again and again）交代下面是亲眼所见，例子由两个并列的到一个重点的，再点明意义；再用 Moreover、therefore、for their part 标出层次；this、These contributions 等指代词把句子连在一起；结尾的 the wisdom of age 呼应首句的 skills and experience。读者能顺着思路一步步读下去，这正是满分档作文在结构上的表现。

I have seen this again and again | These contributions may seem small | Moreover | Society should therefore | for their part | the wisdom of age

语言

句式丰富而且用得准确：does not have to mean …; instead 先破后立、in which 引导的定语从句、同位语 a retired doctor、thanks to 点明因果、may seem …, but 让步、by staying active 说明方式；用词具体、正式，如 open a new chapter、household appliances、suited to their abilities；同一意思换着说（elderly people、older people、the elderly），避免重复。全文没有语法错误，表达自然，满分档作文的语言就是这样准确、多样又地道。

it can open a new chapter in which older people share what they have learned over decades

repairs household appliances for free every weekend

thanks to his advice, many neighbors now check their blood pressure regularly

by staying active, these elderly people keep themselves healthy and find their lives meaningful

volunteer programs suited to their abilities

8 升格示范

普通写法一步一步改成满分句

升格 1

第 1 步 Old people can still do useful things after they retire.

意思对，但只是把首句换个说法重复一遍，old people、do useful things 也太普通，观点没有往前推进。

第 2 步 Retirement is not the end of life, and old people can still share their knowledge.

有了“退休不是终点”这一层，但 the end of life 意思不准（退休当然不是生命的终点），and 也没有表现出“否定—肯定”的转折。

第 3 步 Retirement does not have to mean the end of a useful life; instead, it can be a new start for older people.

改成 does not have to mean the end of a useful life，意思准确、语气温和；用 instead 先破后立。但 a new start 还比较空，没说清老人在新阶段做什么。

满分句 **Retirement does not have to mean the end of a useful life; instead, it can open a new chapter in which older people share what they have learned over decades.**

升格 2

第 1 步 He often helps his neighbors with their health.
只是一句笼统的说法，看不出他具体做了什么，也看不出有什么效果，起不到举例的作用。

第 2 步 He gives free health talks at our community center, and many neighbors listen to him.
有了具体做法（免费健康讲座），例子实了；但“很多人听”算不上真正的效果，也没写多久一次。

第 3 步 Once a month he gives free health talks at our community center, and many neighbors now check their blood pressure.
加上 Once a month，做法更具体；结果写成“邻居现在会量血压”，看得见。但结果和讲座之间的因果关系还没点明。

满分句 **Once a month he gives free health talks at our community center, and thanks to his advice, many neighbors now check their blood pressure regularly.**

升格 3

第 1 步 Society should help old people.
说了谁来做，却没说做什么，help 太空泛，而且“帮助老人”偏离了本文“老人做贡献”的中心。

第 2 步 Society should give old people more chances to work.
方向对了（让老人发挥作用），但 give chances 很口语，“工作”也太窄，没有举出具体的形式。

第 3 步 Society should therefore create more opportunities for older people to contribute, such as part-time jobs and volunteer programs.
换成 create more opportunities、contribute 等正式表达，用 therefore 承接上文，用 such as 举出具体机会；但还可以写得更体贴：工作要灵活、项目要适合老人的能力。

满分句 **Society should therefore create more opportunities for older people to contribute, such as flexible part-time jobs and volunteer programs suited to their abilities.**

9 高分句式

公式 → 原句 → 讲解 → 仿写

① does not have to mean …; instead 纠偏句

这个句式表达 表达“某事不一定意味着……；相反，它可以……”，先否定常见的看法，再说出自己的看法

公式 A does not have to mean + 名词 …; instead, it can + 动词原形 …

范文原句 Retirement does not have to mean the end of a useful life; instead, it can open a new chapter
退休不一定意味着有用人生的终结；相反，它可以开启一个新的篇章

does not have to mean 意思是“不一定意味着”，语气温和，不把话说死；分号后面用 instead 引出正面的看法。先破后立，观点马上就比首句深了一层。open a new chapter 是比喻，意思是“开启新的人生阶段”。

例1 Failure does not have to mean the end of a dream; instead, it can be the first step toward success.
失败不一定意味着梦想的终结；相反，它可以是走向成功的第一步。

例2 Living alone does not have to mean loneliness; instead, it can give people more time to grow.
独自生活不一定意味着孤独；相反，它可以给人更多成长的时间。

也可以这样说

A is not the end of ...; rather, it is the beginning of ...
A 不是……的终点，而是……的起点

Contrary to what many people think, ...
与许多人的想法相反，……

② 同位语身份 + 典型例子句

这个句式表达 表达“某人（身份是……）就是一个特别好的例子”，引出重点要写的例子

公式 人, a / an + 身份, is a particularly good example.

范文原句 My grandfather, a retired doctor, is a particularly good example
我的祖父是一位退休医生，他就是一个特别好的例子

两个逗号中间的 a retired doctor 是同位语，用来交代身份，不用再单写一句“他是医生”。particularly good example 告诉读者“下面这个例子最重要”，阅卷老师一看就知道这是重点论据。

例1 My aunt, a nurse in a local hospital, is a particularly good example.
我的姑姑是当地一家医院的护士，她就是一个特别好的例子。

例2 Mr. Wang, a volunteer in our community, is a particularly good example of kindness.
王先生是我们社区的一名志愿者，他就是一个特别能体现善良的例子。

也可以这样说

Take my grandfather, a retired doctor, for example.
以我的祖父为例，他是一位退休医生。

A case in point is ...
一个恰当的例子是……

③ may seem ..., but 让步强调句

这个句式表达 表达“这些……也许看起来很小，却……”，先承认不足，再强调它的价值

公式 These + 名词 + may seem + 形容词, but they + 动词 …

范文原句 These contributions may seem small, but they make the neighborhood a warmer, friendlier place
这些贡献也许看起来微不足道，却让社区变成一个更温暖、更友好的地方

may seem small 先让步（看起来不大），but 后面才是重点（作用很大）。举完例子用这一句点明意义，例子就和观点挂上了钩。make + 宾语 + 名词 意思是“使……成为……”，a warmer, friendlier place 两个比较级形容词并列，读起来有节奏。

例1 These changes may seem small, but they can save a great deal of energy.
这些改变也许看起来很小，却能节约大量能源。

例2 Such efforts may seem simple, but they make our campus a cleaner place.
这样的努力也许看起来很简单，却让我们的校园变得更干净。

也可以这样说

Small as they are, these contributions ...
这些贡献虽小，却……

Although these contributions are small, ...
虽然这些贡献很小，但……

④ by doing 方式 + 双重收获句

这个句式表达 表达“通过做某事，某人既……又……”，说明一种做法带来两方面的好处

公式 By + 动名词, 主语 + 动词1 … and 动词2 …

范文原句 by staying active, these elderly people keep themselves healthy and find their lives meaningful
这些老年人通过保持活跃，让自己身体健康，也感到生活有意义

by staying active 说明方式（通过保持活跃）；后面两个动词短语并列，keep themselves healthy（身体）和 find their lives meaningful（精神），一句写出两层收获。keep / find + 宾语 + 形容词 是很实用的结构。

例1 By reading every day, students broaden their minds and improve their writing.
通过每天阅读，学生既开阔了眼界，又提高了写作能力。

例2 By doing volunteer work, young people help others and find their lives meaningful.
通过做志愿工作，年轻人既帮助了别人，又感到生活有意义。

也可以这样说

Staying active not only ..., but also ...
保持活跃不仅……，而且……

In doing so, they ...
这样做时，他们……

⑤ for their part 分主体建议句

这个句式表达 表达“（另一方）某某，就他们而言，应当……”，从一个主体转到另一个主体提建议

公式 主体, for their part, should + 动词 …（可并列几个动词）

范文原句 Young people, for their part, should respect the elderly, listen to their stories and learn from their experience

年轻人则应当尊重老人，倾听他们的故事，向他们的经验学习

for their part 意思是“就他们这一方而言”，插在主语后面，自然地从“社会”转到“年轻人”。三个动词短语从态度（尊重）到行动（倾听）再到收获（学习），层层递进。the elderly 表示“老年人”这一群体，谓语用复数。

例1 Parents, for their part, should spend more time talking with their children.

父母则应当花更多时间和孩子交流。

例2 Students, for their part, should respect public property and save water.

学生则应当爱护公共财物、节约用水。

也可以这样说

As for young people, they should ...

至于年轻人，他们应当……

As far as young people are concerned, ...

就年轻人而言，……

⑥ When … is valued 短句收尾

这个句式表达 表达“当……受到重视时，人人都会受益”，用一句短句总结全文

公式 When + 名词 + is / are + 过去分词, everyone / 人 + benefit(s).

范文原句 When the wisdom of age is valued, everyone benefits

当年长者的智慧受到重视时，每个人都会受益

when 从句用被动 is valued（受到重视），主句只有两个词 everyone benefits，短而有力。the wisdom of age 把“老人的经验”升华为“岁月的智慧”，呼应首句的 skills and experience。长句之后用一句短句收尾，结尾很响亮。

例1 When every voice is respected, everyone benefits.

当每个人的声音都受到尊重时，每个人都会受益。

例2 When the environment is protected, future generations benefit.

当环境得到保护时，子孙后代都会受益。

也可以这样说

Respecting the elderly benefits us all.

尊重老人，对我们所有人都有益。

It is a win-win situation for both ...

这对……双方都是双赢。

10 亮点词汇

把普通说法换成高分说法

高分表达	意思	替代的普通说法
significant	adj. 重要的；重大的	big
retirement	n. 退休	stopping work
energetic	adj. 精力充沛的	full of energy

household appliances	家用电器	machines used at home
former	adj. 以前的；前任的	previous
regularly	adv. 定期地；经常	often
flexible	adj. 灵活的	easy to adjust
suited to	适合……	suitable for
wisdom	n. 智慧	knowledge

学会如何学习

2023年6月大学英语六级 第1套 · 写作 Part I
议论文 · 范文 193 词

1 原题

Part I **Writing** **(30 minutes)**

Directions: *For this part, you are allowed 30 minutes to write an essay that begins with the sentence "**It is widely accepted that an important goal of education is to help students learn how to learn.**" You can make comments, cite examples or use your personal experiences to develop your essay. You should write at least 150 words but no more than 200 words.*

题目译文

这一部分（For this part），你有 30 分钟（30 minutes）写一篇文章（essay），文章要以给出的这句话开头（begins with the sentence）："人们普遍认为（It is widely accepted that），教育的一个重要目标是帮助学生学会如何学习（learn how to learn）。"（It is widely accepted that an important goal of education is to help students learn how to learn.）

你可以发表评论（make comments）、举例说明（cite examples），或者用自己的亲身经历（use your personal experiences）来展开文章（develop your essay）。

字数：至少 150 词（at least 150 words），但不超过 200 词（no more than 200 words）。

2 审题

先弄清楚要写什么，再动笔

议论文（给定首句）：学会如何学习

150—200 词（题目要求 at least 150 words but no more than 200 words，没有写"不含首句"，所以首句也算在内）；范文写到 190—200 词，本篇 193 词。不要卡着 150 词的最低线写，也绝不能超过 200 词

- [ ] 用题目给的句子开头，一字不差照抄，放在全文第一句
- [ ] 围绕首句展开论述：说明为什么"学会如何学习"是教育的重要目标
- [ ] 用评论、举例或亲身经历来支撑观点（题目点明的三种方法，至少用好一两种）
- [ ] 顺着话题说清怎样实现这个目标，并有一个有力的结尾，让文章完整

语气与身份：正式、客观的议论语气：以第三人称论述为主，用 should、can 提出建议，不用口语化的表达

容易失分的地方

- 首句必须一字不差照抄：It is widely accepted that、an important goal of education、learn how to learn 一个词都不能改，句末的句号也要照抄
- 首句的关键词是 learn how to learn（学会学习），不是“努力学习”或“学好知识”；后文要解释它是什么、为什么重要，不要跑题写成“学习很重要”
- 要说清“学会学习”具体指哪些能力，不要只喊口号；对比“会学的”和“只会死记硬背的”学生，观点最清楚
- 首句算在字数里，写长了容易超过 200 词，动笔前先规划好每段几句

3 题目要求逐条落实

每一条要求 → 范文里的哪一句

题目要求	范文原句	怎么做到的
用给定的句子开头	It is widely accepted that an important goal of education is to help students learn how to learn.	全文第一句原样照抄题目给的句子，一个词、一个标点都没有改。
说明为什么重要（评论）	In a world where knowledge keeps growing and changing, no school can teach students everything they will need in the future.	第二句紧接着给出理由：知识在不断增长和变化，学校不可能把一切都教给学生，所以必须教会他们自己学。
解释“学会学习”是什么	Learning how to learn means mastering the skills that make lifelong learning possible	第二段先下定义，再用冒号列出四种具体能力（设定目标、查找评估信息、管理时间、反思进步），把抽象的说法讲实。
用对比和俗语论证	By contrast, those who are used to memorizing whatever their teachers tell them may feel helpless when facing unfamiliar problems.	先说会学习的学生离校后还能自学，再用 By contrast 写只会死记硬背的学生会束手无策，最后引用“授人以鱼不如授人以渔”的俗语收束；题目给的“评论、举例、亲身经历”三种方法，本文主要用评论，并用对比和俗语加强说服力。
说清怎样实现这个目标	To achieve this goal, teachers should shift from simply delivering knowledge to guiding students as they explore it	第三段分给教师、学校、学生三个主体：教师从灌输转向引导，学校直接教学习技能，学生主动学习，每个主体都有具体做法。
有力的结尾	Once they know how to learn, they will never stop growing.	用 Once 引导的短句收尾，how to learn 呼应首句的 learn how to learn，首尾照应。
字数 150—200 词	It is widely accepted that	全文共 193 词（含首句）：第一段 2 句，第二段 4 句，第三段 4 句，落在 190—200 词的目标区间内，没有超过 200 词。

4 写作思路

先列提纲，每段一个任务

第一段

照抄首句，说明理由

首句（教育的重要目标是让学生学会学习）→ 理由：知识不断增长变化，学校教不完学生将来需要的一切

第二段

解释含义并对比论证

定义：掌握终身学习的技能（设定目标、查找评估信息、管理时间、反思进步）→ 正面：有这些技能的学生离校后还能自学 → 反面：只会死记硬背的学生面对新问题束手无策 → 俗语：授人以鱼不如授人以渔

第三段

提出做法并收尾

教师：从传授知识转向引导探索（项目、讨论、研究任务）→ 学校：直接教学习技能（记笔记、复习）→ 学生：主动学习 → Once 短句收尾

5 满分范文

荧光笔 + 圆圈编号 = 下面讲的高分句式

[1] It is widely accepted that an important goal of education is to help students learn how to learn. [2] In a world where knowledge keeps growing and changing, no school can teach students everything they will need in the future①.

[3] Learning how to learn means mastering the skills that make lifelong learning possible②: setting goals, finding and evaluating information, managing time and reflecting on one's own progress. [4] Students who have these skills can teach themselves new subjects long after they leave school. [5] By contrast, those who are used to memorizing whatever their teachers tell them may feel helpless when facing unfamiliar problems③. [6] As the saying goes, "Give a man a fish and you feed him for a day; teach him to fish and you feed him for a lifetime."④

[7] To achieve this goal, teachers should shift from simply delivering knowledge to guiding students as they explore it⑤, for example through projects, discussions and research tasks. [8] Schools can also teach study skills directly, such as how to take notes and review effectively. [9] Students, in turn, should take an active role in their own learning. [10] Once they know how to learn, they will never stop growing⑥.

参考译文

人们普遍认为，教育的一个重要目标是帮助学生学会如何学习。在一个知识不断增长和变化的世界里，没有哪所学校能把学生将来需要的一切都教给他们。

学会如何学习，意味着掌握那些让终身学习成为可能的技能：设定目标、查找并评估信息、管理时间，以及反思自己的进步。掌握了这些技能的学生，在离开学校很久以后，仍然能够自学新的学科。相比之下，那些习惯于把老师讲的东西统统背下来的学生，在面对陌生的问题时可能会束手无策。俗话说："给人一条鱼，你只能供他吃一天；教他钓鱼，你就能供他吃一辈子。"

为了实现这一目标，教师应当从单纯地传授知识，转向在学生探索知识时加以引导，比如通过项目、讨论和研究任务来进行。学校也可以直接教授学习技能，比如如何记笔记、如何有效地复习。而学生则应当在自己的学习中发挥积极主动的作用。一旦他们懂得了如何学习，就永远不会停止成长。

6 一步一步写出这篇范文

01 一字不差照抄首句

把题目给的句子原样写在开头，抄完逐词核对一遍，尤其是 widely accepted 和 learn how to learn。

> 1 It is widely accepted that an important goal of education is to help students learn how to learn.
> 人们普遍认为，教育的一个重要目标是帮助学生学会如何学习。

02 用时代背景说出“为什么”

第二句用 In a world where … 描述知识不断变化的时代，再用 no school can … 得出“学校教不完”的结论，理由一句说清。

> 2 In a world where knowledge keeps growing and changing, no school can teach students everything they will need in the future.
> 在一个知识不断增长和变化的世界里，没有哪所学校能把学生将来需要的一切都教给他们。

03 先下定义，再用冒号列出具体能力

第二段第一句用 A means doing … 解释关键词，冒号后列出四种能力，让“学会学习”看得见、摸得着。

> 3 Learning how to learn means mastering the skills that make lifelong learning possible: setting goals, finding and evaluating information, managing time and reflecting on one's own progress.
> 学会如何学习，意味着掌握那些让终身学习成为可能的技能：设定目标、查找并评估信息、管理时间，以及反思自己的进步。

04 正反对比，突出差别

先写有这些技能的学生能自学一辈子，再用 By contrast 写死记硬背的学生面对陌生问题会束手无策，两种结果一对比，观点就立住了。

> 4 Students who have these skills can teach themselves new subjects long after they leave school.
> 掌握了这些技能的学生，在离开学校很久以后，仍然能够自学新的学科。
>
> 5 By contrast, those who are used to memorizing whatever their teachers tell them may feel helpless when facing unfamiliar problems.
> 相比之下，那些习惯于把老师讲的东西统统背下来的学生，在面对陌生的问题时可能会束手无策。

05 引用俗语收束论证段

用 As the saying goes 引出“授人以鱼不如授人以渔”，一句大家熟悉的话把本段的道理说透；引号里的标点照常写。

> 6 As the saying goes, “Give a man a fish and you feed him for a day; teach him to fish and you feed him for a lifetime.”
> 俗话说：“给人一条鱼，你只能供他吃一天；教他钓鱼，你就能供他吃一辈子。”

06 做法分给三个主体

用 To achieve this goal 承上启下，依次写教师、学校、学生：教师用 shift from … to … 写转变，学校用 such as 举出具体技能，学生用 in turn 转到自己身上。

> 7 To achieve this goal, teachers should shift from simply delivering knowledge to guiding students as they explore it, for example through projects, discussions and research tasks.
> 为了实现这一目标，教师应当从单纯地传授知识，转向在学生探索知识时加以引导，比如通过项目、讨论和研究任务来进行。
> 8 Schools can also teach study skills directly, such as how to take notes and review effectively.
> 学校也可以直接教授学习技能，比如如何记笔记、如何有效地复习。
> 9 Students, in turn, should take an active role in their own learning.
> 而学生则应当在自己的学习中发挥积极主动的作用。

07 用 Once 短句收尾、呼应首句

Once they know how to learn 呼应首句的 learn how to learn，主句 they will never stop growing 说出最终的好处，结尾简洁有力。

> 10 Once they know how to learn, they will never stop growing.
> 一旦他们懂得了如何学习，就永远不会停止成长。

7 为什么是满分档

切题 · 结构与连贯 · 语言

切题

首句一字不差照抄，后文每一段都紧扣“学会如何学习”：第一段说明为什么这是教育的目标，第二段解释它指哪些能力并用正反对比论证，第三段说明教师、学校、学生分别该怎么做，结尾又回到 how to learn。没有一句跑题写成“学习很重要”。满分档作文的特点就是：观点明确，每一部分都在为中心服务。

It is widely accepted that an important goal of education is to help students learn how to learn.

no school can teach students everything they will need in the future

Learning how to learn means mastering the skills that make lifelong learning possible

To achieve this goal

Once they know how to learn

结构与连贯

三段式结构清楚：提出观点和理由 → 解释含义并论证 → 说明怎么做。第二段先下定义，再写正面、反面，最后用俗语收束；第三段用 To achieve this goal 承上启下，再用 also、in turn 依次转到学校和学生；these skills、this goal 等指代词把前后句连在一起；结尾呼应首句。读者能顺着思路一步步读下去，这正是满分档作文在结构上的表现。

Students who have these skills

By contrast

As the saying goes

To achieve this goal

Schools can also

Students, in turn

语言

句式丰富而且用得准确：where 引导的定语从句、means doing 下定义加冒号列举、who 定语从句、be used to doing、shift from … to …、once 条件句；用词具体、正式，如 lifelong learning、evaluating information、feel helpless、unfamiliar problems；还恰当地引用了一句俗语。全文没有语法错误，表达自然，满分档作文的语言就是这样准确、多样又地道。

In a world where knowledge keeps growing and changing

setting goals, finding and evaluating information, managing time and reflecting on one's own progress

those who are used to memorizing whatever their teachers tell them may feel helpless

teach him to fish and you feed him for a lifetime

shift from simply delivering knowledge to guiding students as they explore it

8 升格示范

普通写法一步一步改成满分句

升格 1

第 1 步 Schools cannot teach students everything.
说出了结论，但没有理由，读者不明白为什么学校教不完。

第 2 步 Knowledge changes very fast, so schools cannot teach students everything.
加上了理由，但 so 连接的两个简单句很平淡，也没说清“学生将来需要的”这一层。

第 3 步 In a world where knowledge keeps changing, no school can teach students everything.
用 In a world where 把理由变成时代背景，no school can 语气更强；但只写了“变化”，没有写“增长”，“一切”也没说清是将来需要的一切。

满分句 **In a world where knowledge keeps growing and changing, no school can teach students everything they will need in the future.**

升格 2

第 1 步 Some students only memorize what teachers say.
只描述了一种现象，没有说出后果，也看不出和上一句的对比关系。

第 2 步 Students who only memorize what teachers say cannot solve new problems.
有了后果，但 cannot solve 说得太绝对，new problems 也比较普通，和上一句之间缺少对比的连接词。

第 3 步 By contrast, those who are used to memorizing whatever their teachers tell them may have trouble with new problems.
加上 By contrast 点明对比，be used to memorizing 写出“习惯”，may 让语气客观；但 have trouble with new problems 还不够生动准确。

满分句 **By contrast, those who are used to memorizing whatever their teachers tell them may feel helpless when facing unfamiliar problems.**

升格 3

第 1 步 Teachers should teach in a new way.
说了要改变，却没说怎么变，new way 太空泛，阅卷老师看不到具体建议。

第 2 步 Teachers should not only give knowledge but also help students.
有了“旧做法”和“新做法”，但 give knowledge、help students 很口语，也没和上一段连起来。

第 3 步 To achieve this goal, teachers should shift from simply delivering knowledge to guiding students as they explore it.
用 To achieve this goal 承接上文，shift from … to … 一句说清转变，delivering、guiding 更正式；但还可以举出具体的方式，让建议落到实处。

满分句 **To achieve this goal, teachers should shift from simply delivering knowledge to guiding students as they explore it, for example through projects, discussions and research tasks.**

9 高分句式

公式 → 原句 → 讲解 → 仿写

① In a world where 背景句

这个句式表达 表达“在一个……的世界里，……”，用时代背景说明观点的理由

公式 In a world where + 完整句子, 主语 + 谓语 …

范文原句 In a world where knowledge keeps growing and changing, no school can teach students everything they will need in the future

在一个知识不断增长和变化的世界里，没有哪所学校能把学生将来需要的一切都教给他们

where 引导定语从句，修饰 a world，描述时代特点；keeps growing and changing 意思是“不断增长和变化”。主句用 no school can … 表示“没有哪所学校能……”，比 schools cannot … 语气更强。

例1 In a world where technology changes every day, we must keep learning new skills.
在一个科技日新月异的世界里，我们必须不断学习新技能。

例2 In a world where information is everywhere, the ability to judge it matters more than ever.
在一个信息无处不在的世界里，判断信息的能力比以往任何时候都更重要。

也可以这样说

In this fast-changing world, ...
在这个瞬息万变的世界里，……

With the rapid development of ..., ...
随着……的快速发展，……

② A means doing 下定义句

这个句式表达 表达“A 意味着……”，用来解释一个关键词的具体含义

公式 A + means + 动名词 + 宾语 …(: 具体内容1, 内容2 and 内容3)

范文原句 Learning how to learn means mastering the skills that make lifelong learning possible

学会如何学习，意味着掌握那些让终身学习成为可能的技能

mean 后面接动名词 doing，意思是“意味着做……”。题目里的关键词往往比较抽象，先用这个句式下定义，再用冒号列出具体内容，阅卷老师一看就知道你真正理解了题目。make + 宾语 + possible 意思是“使……成为可能”。

例1 Being independent means making your own decisions and taking responsibility for them.

独立意味着自己做决定，并为这些决定负责。

例2 Living a green life means saving energy, reducing waste and choosing public transport.

过绿色生活意味着节约能源、减少浪费、选择公共交通。

也可以这样说

By “learning how to learn,” I mean ...

我所说的“学会学习”，是指……

To learn how to learn is to ...

学会学习，就是……

③ By contrast 反面对比句

这个句式表达 表达“相比之下，那些……的人可能会……”，写出与上一句相反的情况

公式 By contrast, those who + 做法 + may + 动词原形 …（如 when doing …）

范文原句 By contrast, those who are used to memorizing whatever their teachers tell them may feel helpless when facing unfamiliar problems

相比之下，那些习惯于把老师讲的东西统统背下来的学生，在面对陌生的问题时可能会束手无策

By contrast 放句首，表示和上一句形成对比。those who … 意思是“那些……的人”；be used to 后面接动名词 memorizing，意思是“习惯于做……”。when facing 是 when they are facing 的省略。正反两面一对比，观点比只说一面清楚得多。

例1 By contrast, those who never exercise may feel tired even after a short walk.

相比之下，那些从不锻炼的人，哪怕只走一小段路也可能感到疲惫。

例2 By contrast, those who are used to depending on their parents may feel lost when living alone.

相比之下，那些习惯依赖父母的人，独自生活时可能会不知所措。

也可以这样说

In contrast, ...

相比之下，……

In contrast to them, students who ... may ...

与他们不同，那些……的学生可能会……

④ As the saying goes 引用俗语句

这个句式表达 表达“俗话说……”，引用一句大家熟悉的话来总结道理

公式 As the saying goes, “俗语原文.”

范文原句 As the saying goes, “Give a man a fish and you feed him for a day; teach him to fish and you feed him for a lifetime.”

俗话说：“给人一条鱼，你只能供他吃一天；教他钓鱼，你就能供他吃一辈子。”

As the saying goes 意思是“正如俗话所说”，后面用逗号和双引号引出俗语，句号写在引号里面。论证段的最后用一句俗语，把前面的道理浓缩成一句话，既有说服力又有文采。注意俗语要记准，不要硬编。

例1 As the saying goes, “Practice makes perfect,” so we should keep practicing every day.

俗话说“熟能生巧”，所以我们应当每天坚持练习。

例2 As the saying goes, “A friend in need is a friend indeed,” and true friends stand by us in hard times.

俗话说“患难见真情”，真正的朋友会在困难时站在我们身边。

也可以这样说

As an old saying goes, ...

正如一句老话所说，……

There is a famous saying that ...

有一句名言说……

⑤ shift from A to B 转变建议句

这个句式表达 表达“某人应当从做 A 转向做 B”，提出改变做法的建议

公式 主语 + should shift from + 动名词 A + to + 动名词 B …

范文原句 teachers should shift from simply delivering knowledge to guiding students as they explore it

教师应当从单纯地传授知识，转向在学生探索知识时加以引导

shift from … to … 意思是“从……转向……”，from 和 to 后面都用动名词。simply 意思是“仅仅、单纯地”，暗示只传授知识是不够的。这个句式一句话说清“旧做法”和“新做法”，建议显得具体又有针对性。

例1 Parents should shift from simply giving orders to listening to their children.

父母应当从单纯地发号施令，转向倾听孩子的想法。

例2 We should shift from constantly buying more things to living a simpler life.

我们应当从一味地多买东西，转向过更简单的生活。

也可以这样说

Instead of simply ..., teachers should ...

教师不应只是……，而应……

Teachers should move away from ... and toward ...

教师应当摆脱……，转向……

⑥ Once 条件收尾句

这个句式表达 表达“一旦……，就会……”，说出做到之后的长远好处，用来收尾

公式 Once + 主语 + 动词 …, 主语 + will + 动词原形 …

范文原句 Once they know how to learn, they will never stop growing

一旦他们懂得了如何学习，就永远不会停止成长

once 是连词，意思是“一旦”；从句用一般现在时，主句用 will 表示将来。never stop growing 意思是“永远不会停止成长”，语气坚定。结尾句短，又用 how to learn 呼应首句的关键词，首尾照应。

例1 Once we form good habits, we will benefit from them for life.

一旦我们养成好习惯，就会终身受益。

例2 Once people learn to respect each other, conflicts will become much easier to resolve.

一旦人们学会相互尊重，冲突就会容易解决得多。

也可以这样说

As long as they know how to learn, ...

只要他们懂得如何学习，……

Only when ... can they ...

只有当……时，他们才能……

10 亮点词汇

把普通说法换成高分说法

高分表达	意思	替代的普通说法
widely accepted	被普遍认可的	believed by many
lifelong	adj. 终身的	for life
evaluate	v. 评估；评价	check
reflect on	反思	think about
memorize	v. 记住；背诵	learn by heart
helpless	adj. 无助的；束手无策的	lost
unfamiliar	adj. 陌生的；不熟悉的	new
shift	v. 转变；转向	change
deliver	v. 传授；传递	pass on
effectively	adv. 有效地	well

通过讨论达成共识

2023年6月大学英语六级 第2套 · 写作 Part I
议论文 · 范文 193 词

1 原题

Part I **Writing** **(30 minutes)**

Directions: *For this part, you are allowed 30 minutes to write an essay that begins with the sentence "**When faced with differing opinions, we should try to reach agreement through friendly discussion and reasonable argument.**" You can make comments, cite examples or use your personal experiences to develop your essay. You should write at least 150 words but no more than 200 words.*

题目译文

这一部分（For this part），你有 30 分钟（30 minutes）写一篇文章（essay），文章要以给出的这句话开头（begins with the sentence）："面对不同的意见（differing opinions）时，我们应当努力通过友好的讨论（friendly discussion）和合理的论证（reasonable argument）达成一致（reach agreement）。"（When faced with differing opinions, we should try to reach agreement through friendly discussion and reasonable argument.）

你可以发表评论（make comments）、举例说明（cite examples），或者用自己的亲身经历（use your personal experiences）来展开文章（develop your essay）。

字数：至少 150 词（at least 150 words），但不超过 200 词（no more than 200 words）。

2 审题

先弄清楚要写什么，再动笔

议论文（给定首句）：通过友好讨论达成一致

150—200 词（题目要求 at least 150 words but no more than 200 words，没有写"不含首句"，所以首句也算在内）；范文写到 190—200 词，本篇 193 词。不要卡着 150 词的最低线写，也绝不能超过 200 词

- [ ] 用题目给的句子开头，一字不差照抄，放在全文第一句
- [ ] 围绕首句展开论述：说明为什么面对分歧要靠友好的讨论和合理的论证来达成一致
- [ ] 用评论、举例或亲身经历来支撑观点（题目点明的三种方法，至少用好一两种）
- [ ] 顺着话题说清具体该怎么做，并有一个有力的结尾，让文章完整

语气与身份：正式、客观又平和的议论语气：论证部分用第三人称，亲身经历部分可以用 I、my roommates，建议部分用 we should 提出，不用口语化的表达

容易失分的地方

- 首句必须一字不差照抄：When faced with、differing opinions、reach agreement、friendly discussion and reasonable argument 一个词都不能改，句末的句号也要照抄
- 首句里有两个关键词：friendly discussion（友好讨论）和 reasonable argument（合理论证），论证时两个都要写到，不要只写一个
- argument 在这里是“说理、论证”，不是“吵架”；不要把文章写成“不要吵架”的道德说教
- 亲身经历要写出起因、经过、结果，而且结果要回扣观点（问题解决了、关系更好了）

3 题目要求逐条落实

每一条要求 → 范文里的哪一句

题目要求	范文原句	怎么做到的
用给定的句子开头	When faced with differing opinions, we should try to reach agreement through friendly discussion and reasonable argument.	全文第一句原样照抄题目给的句子，一个词、一个标点都没有改。
说明问题的普遍性和重要性	Whether in a dormitory, a classroom or a workplace, disagreements are unavoidable	第二句先说分歧无处不在，再说处理方式决定问题是解决还是更糟，说明为什么值得讨论这个话题。
论证友好讨论的作用（评论）	Friendly discussion creates an atmosphere of mutual respect.	第二段先写首句的第一个关键词：友好讨论营造相互尊重的氛围，让人更愿意倾听而不是处处设防。
论证合理论证的作用（评论）	Reasonable argument, in addition, ensures that decisions are based on facts and logic rather than emotion or stubbornness.	再写首句的第二个关键词：合理论证让决定以事实和逻辑为依据。两个关键词都论证到了。
用亲身经历支撑观点	Last term, my roommates and I disagreed about when to turn off the lights at night.	用和室友商定熄灯时间的经历举例：起因（意见不一）→ 经过（不争吵、平静说明各自的需要）→ 结果（问题解决、友谊加深）；题目给的“评论、举例、亲身经历”三种方法，本文用了评论和亲身经历。
说清具体怎么做	To reach agreement in this way, we should keep an open mind, express our views politely and support them with evidence.	第三段给出三个做法，正好对应“友好”（开放、礼貌）和“合理”（用证据），再补一条“愿意承认自己可能错”。
有力的结尾	Ultimately, the goal of a discussion is not to win but to find the best solution together.	用 not … but … 收尾，点明讨论的目的不是赢，而是一起找到最好的办法，回扣首句的 reach agreement。

字数 150—200 词	When faced with differing opinions	全文共 193 词（含首句）：第一段 2 句，第二段 6 句，第三段 3 句，落在 190—200 词的目标区间内，没有超过 200 词。

4 写作思路

先列提纲，每段一个任务

第一段

照抄首句，说明重要性

首句（面对分歧，要通过友好讨论和合理论证达成一致）→ 分歧在宿舍、教室、职场无处不在，处理方式决定问题的走向

第二段

分别论证两个关键词并举例

友好讨论：营造相互尊重的氛围，人们更愿意倾听 → 合理论证：决定基于事实和逻辑，而非情绪或固执 → 亲身经历：和室友为熄灯时间意见不一 → 没有争吵，平静说明需要，商定时间表 → 既解决问题，又增进友谊

第三段

提出做法并收尾

保持开放心态、礼貌表达、用证据支持 → 愿意承认别人可能对、自己可能错 → not … but 收尾：讨论的目的不是赢，而是一起找到最好的办法

5 满分范文

荧光笔 + 圆圈编号 = 下面讲的高分句式

[1] When faced with differing opinions, we should try to reach agreement through friendly discussion and reasonable argument. [2] Whether in a dormitory, a classroom or a workplace, disagreements are unavoidable①, and how we handle them often determines whether a problem is solved or made worse.

[3] Friendly discussion creates an atmosphere of mutual respect. [4] When people feel that their views are heard, they are more willing to listen to others instead of getting defensive②. [5] Reasonable argument, in addition, ensures that decisions are based on facts and logic rather than emotion or stubbornness③. [6] Last term, my roommates and I disagreed about when to turn off the lights at night. [7] Instead of quarreling, we each explained our needs calmly and finally agreed on a schedule that worked for everyone④. [8] The discussion not only solved the problem but also strengthened our friendship⑤.

[9] To reach agreement in this way, we should keep an open mind, express our views politely and support them with evidence. [10] We should also be willing to admit that others may be right and that we may be wrong. [11] Ultimately, the goal of a discussion is not to win but to find the best solution together⑥.

参考译文

面对不同的意见时，我们应当努力通过友好的讨论和合理的论证来达成一致。无论是在宿舍、教室还是工作场所，分歧都在所难免，而我们处理分歧的方式，往往决定了问题是得到解决还是变得更糟。

友好的讨论能营造一种相互尊重的氛围。当人们感到自己的观点被倾听时，他们就会更愿意倾听别人，而不是处处设防。此外，合理的论证能确保决定以事实和逻辑为依据，而不是基于情绪或固执。上学期，我和室友们在晚上什么时候关灯的问题上意见不一。我们没有争吵，而是各自心平气和地说明了自己的需要，最终商定了一个人人都满意的作息时间表。这次讨论不仅解决了问题，还增进了我们之间的友谊。

要以这种方式达成一致，我们应当保持开放的心态，礼貌地表达自己的观点，并用证据来支持它们。我们还应当愿意承认，别人可能是对的，而我们自己可能是错的。归根结底，讨论的目的不是取胜，而是共同找到最佳的解决办法。

6 一步一步写出这篇范文

01 一字不差照抄首句

把题目给的句子原样写在开头，抄完逐词核对一遍，尤其是 When faced with、differing 和 reasonable argument。

> 1 When faced with differing opinions, we should try to reach agreement through friendly discussion and reasonable argument.
> 面对不同的意见时，我们应当努力通过友好的讨论和合理的论证来达成一致。

02 说出分歧的普遍性和处理方式的重要性

第二句用 Whether in A, B or C 列出三个常见场景，说明分歧无处不在；再用 how we handle them often determines whether … 点明“怎么处理”很关键，自然引出下文。

> 2 Whether in a dormitory, a classroom or a workplace, disagreements are unavoidable, and how we handle them often determines whether a problem is solved or made worse.
> 无论是在宿舍、教室还是工作场所，分歧都在所难免，而我们处理分歧的方式，往往决定了问题是得到解决还是变得更糟。

03 论证第一个关键词：友好讨论

第二段第一句直接用首句的 Friendly discussion 作主语，说出它的作用；下一句用 When people feel … 解释为什么有这个作用。

> 3 Friendly discussion creates an atmosphere of mutual respect.
> 友好的讨论能营造一种相互尊重的氛围。
> 4 When people feel that their views are heard, they are more willing to listen to others instead of getting defensive.
> 当人们感到自己的观点被倾听时，他们就会更愿意倾听别人，而不是处处设防。

04 论证第二个关键词：合理论证

用 Reasonable argument, in addition 转到第二个关键词，用 ensures that … rather than … 写出它的作用，并和情绪、固执形成对比。

> 5 Reasonable argument, in addition, ensures that decisions are based on facts and logic rather than emotion or stubbornness.
> 此外，合理的论证能确保决定以事实和逻辑为依据，而不是基于情绪或固执。

05 用亲身经历写出起因、经过、结果

用 Last term 引出和室友的分歧；用 Instead of quarreling 写出“没有吵架、而是讨论”；最后用 not only … but also … 写出两层结果，证明首句的做法真的管用。

> 6 Last term, my roommates and I disagreed about when to turn off the lights at night.
> 上学期，我和室友们在晚上什么时候关灯的问题上意见不一。
> 7 Instead of quarreling, we each explained our needs calmly and finally agreed on a schedule that worked for everyone.
> 我们没有争吵，而是各自心平气和地说明了自己的需要，最终商定了一个人人都满意的作息时间表。
> 8 The discussion not only solved the problem but also strengthened our friendship.
> 这次讨论不仅解决了问题，还增进了我们之间的友谊。

06 给出具体做法

用 To reach agreement in this way 承上启下，列出三个做法；再用 also 补充一条“愿意承认自己可能错”，做法具体、可操作。

> 9 To reach agreement in this way, we should keep an open mind, express our views politely and support them with evidence.
> 要以这种方式达成一致，我们应当保持开放的心态，礼貌地表达自己的观点，并用证据来支持它们。
> 10 We should also be willing to admit that others may be right and that we may be wrong.
> 我们还应当愿意承认，别人可能是对的，而我们自己可能是错的。

07 用 not … but … 点明目的收尾

Ultimately 放句首表示“归根结底”，用 not to win but to find the best solution together 说出讨论的真正目的，回扣首句的“达成一致”。

> 11 Ultimately, the goal of a discussion is not to win but to find the best solution together.
> 归根结底，讨论的目的不是取胜，而是共同找到最佳的解决办法。

7 为什么是满分档

切题・结构与连贯・语言

切题

首句一字不差照抄，后文每一段都紧扣“通过友好讨论和合理论证达成一致”：第一段说明分歧无处不在、处理方式很关键；第二段把首句的两个关键词分别论证，再用和室友商定熄灯时间的亲身经历证明；第三段给出具体做法，结尾点明讨论的目的。题目提示的“评论、亲身经历”都用上了，没有一句跑题。满分档作文的特点就是：观点明确，每一部分都在为中心服务。

When faced with differing opinions, we should try to reach agreement through friendly discussion and reasonable argument.

Friendly discussion creates an atmosphere of mutual respect.

Reasonable argument, in addition

Last term, my roommates and I disagreed about when to turn off the lights at night.

To reach agreement in this way

the goal of a discussion is not to win but to find the best solution together

结构与连贯

三段式结构清楚：提出观点 → 论证并举例 → 说明怎么做。第二段先论证 Friendly discussion，再用 in addition 转到 Reasonable argument，然后用 Last term 引出经历，按起因、经过、结果写；第三段用 To reach agreement in this way 承上启下，用 also 补充；结尾用 Ultimately 收束全文。读者能顺着思路一步步读下去，这正是满分档作文在结构上的表现。

Friendly discussion creates | in addition | Last term | Instead of quarreling | To reach agreement in this way | We should also | Ultimately

语言

句式丰富而且用得准确：Whether in … or … 的省略结构、how 主语从句加 whether 宾语从句、ensures that … rather than … 的对比、Instead of 引出的经历、not only … but also … 的递进、not to … but to … 的对称收尾；用词准确、正式，如 mutual respect、getting defensive、stubbornness、keep an open mind。全文没有语法错误，表达自然，满分档作文的语言就是这样准确、多样又地道。

Whether in a dormitory, a classroom or a workplace, disagreements are unavoidable

how we handle them often determines whether a problem is solved or made worse

they are more willing to listen to others instead of getting defensive

ensures that decisions are based on facts and logic rather than emotion or stubbornness

The discussion not only solved the problem but also strengthened our friendship. | keep an open mind

8 升格示范

普通写法一步一步改成满分句

升格 1

第 1 步 People listen to others when they are respected.
意思有了，但只是一句笼统的话，看不出“被尊重”具体指什么，也没有对比。

第 2 步 When people feel respected, they are more willing to listen to others.
用 more willing to 写出“更愿意”，有了比较；但 feel respected 还比较抽象，没说出和讨论有关的具体感受。

第 3 步 When people feel that their views are heard, they are more willing to listen to others.
换成 their views are heard（观点被倾听），和“讨论”紧紧相连；但还可以补上相反的情况，让对比更鲜明。

满分句 **When people feel that their views are heard, they are more willing to listen to others instead of getting defensive.**

升格 2

第 1 步 We did not quarrel and made a plan.
经过写得太简单，看不出怎么讨论的，made a plan 也很普通。

第 2 步 We did not quarrel; we talked about our needs and made a plan together.
有了“说出各自需要”这个关键做法，但 talked about、made a plan 偏口语，也看不出讨论时的态度。

第 3 步 Instead of quarreling, we each explained our needs calmly and made a schedule.
用 Instead of quarreling 先排除错误做法，calmly 写出友好的态度；但结果还没写出“人人都满意”，体现不出“达成一致”。

满分句 **Instead of quarreling, we each explained our needs calmly and finally agreed on a schedule that worked for everyone.**

升格 3

第 1 步 We should be polite when we discuss.
只有一个做法，而且只写到“友好”，漏掉了首句的另一个关键词“合理论证”。

第 2 步 We should keep an open mind and express our views politely.
有了两个做法，keep an open mind 很地道；但还是只写到“友好”，没有写到“用证据说理”。

第 3 步 To reach agreement in this way, we should keep an open mind and express our views politely.
加上 To reach agreement in this way 承接上文、回扣首句；最后再补上 support them with evidence，“友好”和“合理”就都写到了。

满分句 **To reach agreement in this way, we should keep an open mind, express our views politely and support them with evidence.**

9 高分句式

公式 → 原句 → 讲解 → 仿写

① Whether in A, B or C 场景句

这个句式表达 表达“无论是在 A、B 还是 C，……都……”，说明某种现象到处都有

公式 Whether in + 场所1, 场所2 or 场所3, 主语 + 谓语 …

范文原句 Whether in a dormitory, a classroom or a workplace, disagreements are unavoidable

无论是在宿舍、教室还是工作场所，分歧都在所难免

Whether in … or … 是 Whether we are in … or … 的省略，意思是“无论在……还是……”。列出三个具体场景，比只说 everywhere 更有画面感，也说明这个话题和每个人都有关。unavoidable 意思是“不可避免的”。

例1 Whether in cities or in the countryside, smartphones have become part of daily life.
无论是在城市还是在农村，智能手机都已成为日常生活的一部分。

例2 Whether at home, at school or at work, good communication is essential.
无论是在家里、在学校还是在工作中，良好的沟通都必不可少。

也可以这样说

Disagreements can be found everywhere, from ... to ...

分歧随处可见，从……到……

No matter where we are, ...

无论我们身在何处，……

② When ... more willing to ... instead of 心理分析句

这个句式表达 表达“当人们感到……时，就更愿意……，而不是……”，分析一种做法为什么会有效

公式 When people feel that + 句子, they are more willing to + 动词原形 … instead of + 动名词 …

范文原句 When people feel that their views are heard, they are more willing to listen to others instead of getting defensive

当人们感到自己的观点被倾听时，他们就会更愿意倾听别人，而不是处处设防

when 从句写条件（感到被倾听），主句写结果（更愿意倾听别人）；be willing to 意思是“愿意”，more 表示比较；instead of 后面接动名词 getting defensive，写出相反的情况。从人的心理出发解释原因，论证更深入。

例1 When students feel that they are trusted, they are more willing to share their problems instead of hiding them.

当学生感到自己被信任时，他们就更愿意说出自己的问题，而不是藏在心里。

例2 When employees feel that their work is valued, they are more willing to put in extra effort instead of just doing the minimum.

当员工感到自己的工作受到重视时，他们就更愿意多付出努力，而不是只做最低限度的事。

也可以这样说

If people feel respected, they tend to ...

如果人们感到受尊重，他们往往会……

..., rather than ...

……，而不是……

③ ensures that ... rather than 保证句

这个句式表达 表达“某事能确保……以 A 为依据，而不是以 B 为依据”，说明一种做法的作用

公式 A + ensures that + 句子（多为 … be based on / be spent on + B）+ rather than + C

范文原句 ensures that decisions are based on facts and logic rather than emotion or stubbornness

能确保决定以事实和逻辑为依据，而不是基于情绪或固执

ensure that 意思是“确保”，后接完整的句子；be based on 意思是“以……为依据”；rather than 连接两个对比的名词，前面是好的依据，后面是不好的依据。一句话里正反对比，作用说得很清楚。

例1 A clear plan ensures that our time is spent on important tasks rather than small matters.
一份清楚的计划能确保我们把时间花在重要的任务上，而不是小事上。

例2 Fair rules ensure that rewards are based on hard work rather than personal relationships.
公平的规则能确保奖励以努力为依据，而不是靠私人关系。

也可以这样说

... makes sure that ...
……确保……

... instead of ...
……而不是……

④ Instead of doing 经历转折句

这个句式表达 表达“我们没有做 A，而是做了 B”，在讲经历时突出正确的做法

公式 Instead of + 动名词, 主语 + 谓语（正确的做法，可并列两个动词）…

范文原句 Instead of quarreling, we each explained our needs calmly and finally agreed on a schedule that worked for everyone
我们没有争吵，而是各自心平气和地说明了自己的需要，最终商定了一个人人都满意的作息时间表

Instead of quarreling 放句首，先排除错误的做法（吵架），后面才写正确的做法（平静说明需要），两种做法一对比，经历就成了首句观点的证明。agree on 意思是“就……达成一致”，a schedule that worked for everyone 用定语从句说明结果人人满意。

例1 Instead of complaining, she started a recycling program in her dormitory.
她没有抱怨，而是在宿舍里发起了一项垃圾回收计划。

例2 Instead of giving up, we asked our teacher for advice and finally finished the project.
我们没有放弃，而是向老师请教，最终完成了这个项目。

也可以这样说

Rather than quarreling, we ...
我们没有争吵，而是……

We did not ...; instead, we ...
我们没有……；相反，我们……

⑤ not only … but also 双重结果句

这个句式表达 表达“某事不仅……，而且……”，写出一件事带来的两层结果

公式 主语 + not only + 动词1 … but also + 动词2 …（两个动词时态一致）

范文原句 The discussion not only solved the problem but also strengthened our friendship

这次讨论不仅解决了问题，还增进了我们之间的友谊

not only … but also … 连接两个谓语动词，时态要一致。前一层是直接结果（解决问题），后一层是更深的收获（增进友谊），层层递进。讲完经历用这一句收住，例子的意义就清楚了。

例1 The volunteer work not only helped the children but also taught me patience.

这次志愿工作不仅帮助了孩子们，也教会了我耐心。

例2 Regular exercise not only keeps us fit but also improves our mood.

经常锻炼不仅让我们保持健康，还能改善我们的心情。

也可以这样说

..., and what is more, ...

……，而且更重要的是，……

... as well as ...

……以及……

⑥ not to … but to 目的收尾句

这个句式表达 表达“……的目的不是 A，而是 B”，点明一件事真正的意义，用来收尾

公式 （Ultimately,）the goal / purpose of + 名词 + is not to + 动词A but to + 动词B …

范文原句 the goal of a discussion is not to win but to find the best solution together

讨论的目的不是取胜，而是共同找到最佳的解决办法

not to … but to … 意思是“不是为了……，而是为了……”，两个不定式对称，读起来有力。先否定一个常见的误解（讨论就是要赢），再说出真正的目的，结尾就有了升华。together 呼应首句的 reach agreement。

例1 Ultimately, the goal of education is not to pass exams but to prepare students for life.

归根结底，教育的目的不是通过考试，而是让学生为生活做好准备。

例2 The purpose of sports is not to beat others but to become a better version of ourselves.

运动的目的不是打败别人，而是成为更好的自己。

也可以这样说

What really matters is not ... but ...

真正重要的不是……，而是……

The point of ... is to ..., not to ...

……的意义在于……，而不在于……

10 亮点词汇

把普通说法换成高分说法

高分表达	意思	替代的普通说法
reach agreement	达成一致	agree
unavoidable	adj. 不可避免的	bound to happen
atmosphere	n. 氛围；气氛	feeling
mutual	adj. 相互的；共同的	each other's
defensive	adj. 戒备的；处于防御状态的	unwilling to listen
stubbornness	n. 固执；倔强	not changing one's mind
quarrel	v. 争吵	fight
strengthen	v. 加强；巩固	make stronger
evidence	n. 证据	facts
ultimately	adv. 归根结底；最终	in the end

重视心理健康

2023年6月大学英语六级 第3套 · 写作 Part I
议论文 · 范文 198 词

1 原题

Part I **Writing** **(30 minutes)**

Directions: *For this part, you are allowed 30 minutes to write an essay that begins with the sentence "**Today there is a growing awareness that mental well-being needs to be given as much attention as physical health.**" You can make comments, cite examples or use your personal experiences to develop your essay. You should write at least 150 words but no more than 200 words.*

题目译文

这一部分（For this part），你有 30 分钟（30 minutes）写一篇文章（essay），文章要以给出的这句话开头（begins with the sentence）："如今，人们越来越意识到（a growing awareness），心理健康（mental well-being）需要得到和身体健康（physical health）同等的重视。"（Today there is a growing awareness that mental well-being needs to be given as much attention as physical health.）

你可以发表评论（make comments）、举例说明（cite examples），或者用自己的亲身经历（use your personal experiences）来展开文章（develop your essay）。

字数：至少 150 词（at least 150 words），但不超过 200 词（no more than 200 words）。

2 审题

先弄清楚要写什么，再动笔

议论文（给定首句）：重视心理健康

150—200 词（题目要求 at least 150 words but no more than 200 words，没有写"不含首句"，所以首句也算在内）；范文写到 190—200 词，本篇 198 词。不要卡着 150 词的最低线写，也绝不能超过 200 词

- [ ] 用题目给的句子开头，一字不差照抄，放在全文第一句
- [ ] 围绕首句展开论述：说明为什么心理健康需要得到和身体健康同样多的关注
- [ ] 用评论、举例或亲身经历来支撑观点（题目点明的三种方法，至少用好一两种）
- [ ] 顺着话题说清个人和社会该怎么做，并有一个有力的结尾，让文章完整

语气与身份：正式、客观又带关怀的议论语气：以第三人称论述为主，用 should、can 提出建议，不用口语化的表达

容易失分的地方

- 首句必须一字不差照抄：there is a growing awareness that、mental well-being、needs to be given as much attention as 一个词都不能改，句末的句号也要照抄
- 首句的核心是把心理健康和身体健康放在一起比：后文要说清“为什么一样重要”，不要只写“心理健康很重要”，丢掉和身体健康的对比
- 例子要具体：写出谁、在什么情况下、受到什么影响，不要只喊“大家要关注心理健康”
- 建议要分主体、可操作：个人能做什么、学校能做什么；首句算在字数里，写长了容易超过 200 词

3 题目要求逐条落实

每一条要求 → 范文里的哪一句

题目要求	范文原句	怎么做到的
用给定的句子开头	Today there is a growing awareness that mental well-being needs to be given as much attention as physical health.	全文第一句原样照抄题目给的句子，一个词、一个标点都没有改。
说明现象的背景	Faced with heavy academic pressure, fierce competition and a fast pace of life, more and more people suffer from anxiety, stress or low mood.	第二句写出人们越来越重视心理健康的原因：学业压力、竞争、快节奏让越来越多人受焦虑和压力之苦。
论证为什么要同样重视（评论）	Mental well-being deserves such attention because it affects every part of our lives.	第二段先总起理由，再从身心相连、心理问题容易被忽视两方面论证，层层深入。
举例支撑观点	Many students, for example, are physically fit but so anxious before exams that they can hardly focus in class or enjoy time with friends.	用“身体健康却考前焦虑到无法专心”的学生作例子，正好说明身体好不等于健康；题目给的“评论、举例、亲身经历”三种方法，本文用了评论和举例。
提出个人和学校的做法	Individuals can keep a regular routine, exercise often and talk with friends when they feel down.	第三段先提出总原则（像照顾身体一样照顾心灵），再分给个人和高校：个人作息规律、锻炼、找朋友倾诉，问题持续就求助专业人士；高校提供咨询服务、消除偏见。
有力的结尾	After all, a truly healthy life requires both a sound body and a sound mind.	用 both … and … 把身体和心灵并列收尾，正好回扣首句“心理健康和身体健康同样重要”，首尾照应。
字数 150—200 词	Today there is a growing awareness	全文共 198 词（含首句）：第一段 2 句，第二段 4 句，第三段 5 句，落在 190—200 词的目标区间内，没有超过 200 词。

4 写作思路

先列提纲，每段一个任务

第一段

照抄首句，交代背景

首句（心理健康应得到和身体健康同样多的关注）→ 背景：学业压力、激烈竞争、快节奏生活，越来越多人焦虑、有压力、情绪低落

第二段

论证为什么要同样重视

总起：心理健康影响生活的方方面面 → 举例：身体健康的学生考前焦虑得无法专心 → 身心相连：长期压力导致失眠、削弱免疫力 → 转折：心理问题看不见、易被忽视，有人羞于求助

第三段

提出做法并收尾

总原则：像照顾身体一样照顾心灵 → 个人：规律作息、锻炼、找朋友倾诉；问题持续就寻求专业帮助 → 高校：提供咨询服务、消除偏见 → both … and 收尾

5 满分范文

荧光笔 + 圆圈编号 = 下面讲的高分句式

[1] Today there is a growing awareness that mental well-being needs to be given as much attention as physical health. [2] Faced with heavy academic pressure, fierce competition and a fast pace of life, more and more people suffer from anxiety, stress or low mood①.

[3] Mental well-being deserves such attention because it affects every part of our lives②. [4] Many students, for example, are physically fit but so anxious before exams that they can hardly focus in class or enjoy time with friends③. [5] In fact, the mind and the body are closely linked: long-term stress may cause sleep problems and weaken the immune system④. [6] Yet unlike a fever or a broken arm, mental health problems are often invisible and easy to ignore⑤, and some people even feel ashamed to seek help.

[7] Therefore, we should care for our minds as carefully as we care for our bodies⑥. [8] Individuals can keep a regular routine, exercise often and talk with friends when they feel down. [9] If the problem persists, they should seek professional help. [10] Colleges should provide easily accessible counseling services and help remove the stigma surrounding mental health. [11] After all, a truly healthy life requires both a sound body and a sound mind⑦.

参考译文

如今，人们越来越意识到，心理健康需要得到和身体健康同样多的关注。面对繁重的学业压力、激烈的竞争和快节奏的生活，越来越多的人饱受焦虑、压力或情绪低落之苦。

心理健康之所以值得如此关注，是因为它影响着我们生活的方方面面。比如，许多学生身体很健康，却在考试前焦虑得几乎无法专心上课，也无法享受和朋友在一起的时光。事实上，身体和心理是紧密相连的：长期的压力可能导致睡眠问题，并削弱免疫系统。然而，与发烧或胳膊骨折不同，心理健康问题往往是看不见的，容易被忽视，有些人甚至羞于寻求帮助。

因此，我们应当像关爱自己的身体一样，细心呵护自己的心灵。个人可以保持规律的作息、经常锻炼，并在情绪低落时找朋友聊聊。如果问题持续存在，他们就应当寻求专业帮助。高校应当提供便于获得的心理咨询服务，并帮助消除围绕心理健康问题的偏见。毕竟，真正健康的生活既需要健全的身体，也需要健全的心灵。

6 一步一步写出这篇范文

01 一字不差照抄首句

把题目给的句子原样写在开头，抄完逐词核对一遍，尤其是 growing awareness、well-being 中间的连字符和 as much attention as。

> 1 Today there is a growing awareness that mental well-being needs to be given as much attention as physical health.
> 如今，人们越来越意识到，心理健康需要得到和身体健康同样多的关注。

02 用分词短语交代背景

第二句用 Faced with 列出三种压力，再说越来越多人受焦虑之苦，解释首句里“越来越重视”是怎么来的。

> 2 Faced with heavy academic pressure, fierce competition and a fast pace of life, more and more people suffer from anxiety, stress or low mood.
> 面对繁重的学业压力、激烈的竞争和快节奏的生活，越来越多的人饱受焦虑、压力或情绪低落之苦。

03 用总起句亮出理由

第二段第一句用 deserves such attention because … 直接回答“为什么值得关注”，such attention 指代首句的“同样多的关注”。

> 3 Mental well-being deserves such attention because it affects every part of our lives.
> 心理健康之所以值得如此关注，是因为它影响着我们生活的方方面面。

04 用例子和事实证明身心相连

先用 for example 举出“身体好却考前焦虑”的学生，再用 In fact 加冒号说明长期压力会伤害身体，证明心理和身体分不开。

> 4 Many students, for example, are physically fit but so anxious before exams that they can hardly focus in class or enjoy time with friends.
> 比如，许多学生身体很健康，却在考试前焦虑得几乎无法专心上课，也无法享受和朋友在一起的时光。
> 5 In fact, the mind and the body are closely linked: long-term stress may cause sleep problems and weaken the immune system.
> 事实上，身体和心理是紧密相连的：长期的压力可能导致睡眠问题，并削弱免疫系统。

05 用转折说出被忽视的原因

用 Yet unlike a fever or a broken arm 拿身体疾病作对比，说明心理问题看不见、易被忽视，正好解释为什么要“特别强调”同样重视。

> 6 Yet unlike a fever or a broken arm, mental health problems are often invisible and easy to ignore, and some people even feel ashamed to seek help.
> 然而，与发烧或胳膊骨折不同，心理健康问题往往是看不见的，容易被忽视，有些人甚至羞于寻求帮助。

06 先给总原则，再分主体提建议

用 Therefore 和 as carefully as 提出总原则，回扣首句的“同样”；再写个人能做的三件事和求助专业人士，最后写高校的责任。

> 7 Therefore, we should care for our minds as carefully as we care for our bodies.
> 因此，我们应当像关爱自己的身体一样，细心呵护自己的心灵。
> 8 Individuals can keep a regular routine, exercise often and talk with friends when they feel down.
> 个人可以保持规律的作息、经常锻炼，并在情绪低落时找朋友聊聊。
> 9 If the problem persists, they should seek professional help.
> 如果问题持续存在，他们就应当寻求专业帮助。
> 10 Colleges should provide easily accessible counseling services and help remove the stigma surrounding mental health.
> 高校应当提供便于获得的心理咨询服务，并帮助消除围绕心理健康问题的偏见。

07 用 both … and … 收尾、呼应首句

After all 引出最后的道理，a sound body and a sound mind 把身体和心灵并列，和首句的 mental well-being 与 physical health 首尾照应。

> 11 After all, a truly healthy life requires both a sound body and a sound mind.
> 毕竟，真正健康的生活既需要健全的身体，也需要健全的心灵。

7 为什么是满分档

切题 · 结构与连贯 · 语言

切题

首句一字不差照抄，后文每一段都紧扣“心理健康应和身体健康同样受重视”：第一段交代背景，第二段从影响生活、身心相连、容易被忽视三方面论证，并举出考前焦虑的学生为例；第三段提出总原则，再说明个人和高校该怎么做，结尾又把身体和心灵并列。题目提示的“评论、举例”都用上了，没有一句跑题。满分档作文的特点就是：观点明确，每一部分都在为中心服务。

Today there is a growing awareness that mental well-being needs to be given as much attention as physical health.

Mental well-being deserves such attention because it affects every part of our lives.

the mind and the body are closely linked

we should care for our minds as carefully as we care for our bodies

a truly healthy life requires both a sound body and a sound mind

结构与连贯

三段式结构清楚：交代背景 → 论证为什么 → 说明怎么做。第二段先用总起句亮出理由，再用 for example、In fact、Yet 标出举例、补充、转折三层；第三段用 Therefore 承上启下，先给总原则，再分个人、高校；结尾用 After all 收束全文。such attention 等指代把段落连在一起，读者能顺着思路一步步读下去，这正是满分档作文在结构上的表现。

deserves such attention

for example

In fact

Yet unlike

Therefore

If the problem persists

After all

语言

句式丰富而且用得准确：Faced with 分词短语、physically fit but so … that 的对比加程度结果、冒号引出解释、unlike 对比、as carefully as 同等比较、both … and … 并列；用词具体、正式，如 fierce competition、weaken the immune system、invisible、easily accessible counseling services、the stigma surrounding mental health。全文没有语法错误，表达自然，满分档作文的语言就是这样准确、多样又地道。

Faced with heavy academic pressure, fierce competition and a fast pace of life

are physically fit but so anxious before exams that they can hardly focus in class

long-term stress may cause sleep problems and weaken the immune system

mental health problems are often invisible and easy to ignore

help remove the stigma surrounding mental health

8 升格示范

普通写法一步一步改成满分句

升格 1

第 1 步 Many people have mental problems today.

只说了现象，没有原因，mental problems 也很笼统，看不出具体是什么问题。

第 2 步 Because of pressure and competition, more and more people feel anxious or stressed.

有了原因和具体表现，more and more 写出趋势；但 Because of 开头很普通，压力也没说清是什么压力。

第 3 步 Faced with heavy academic pressure and fierce competition, more and more people suffer from anxiety or stress.

改用 Faced with 分词开头，heavy academic pressure、fierce competition、suffer from 更正式具体；但原因只有两个，再加上“快节奏的生活”，三项并列节奏更好。

满分句 **Faced with heavy academic pressure, fierce competition and a fast pace of life, more and more people suffer from anxiety, stress or low mood.**

升格 2

第 1 步 People often ignore mental health problems.

说出了现象，却没有解释为什么会被忽视，读者不容易信服。

第 2 步 Mental health problems cannot be seen, so people often ignore them.

有了原因，但“看不见”说得太抽象，so 连接的两个简单句很平淡。

第 3 步 Unlike a fever or a broken arm, mental health problems are often invisible and easy to ignore.

用 unlike 拿发烧、骨折作对比，“看不见”一下子就具体了；再加 Yet 承接上文的转折，补上“有人羞于求助”，问题就说得更深。

满分句 **Yet unlike a fever or a broken arm, mental health problems are often invisible and easy to ignore, and some people even feel ashamed to seek help.**

升格 3

第 1 步 Colleges should help students with mental problems.
说了谁来做，却没说做什么，help 太空泛，阅卷老师看不到具体建议。

第 2 步 Colleges should provide counseling services for students.
有了具体做法（心理咨询），但只是“提供”还不够：服务难找、学生不好意思去，也等于没有。

第 3 步 Colleges should provide easily accessible counseling services and help students talk about mental health openly.
加上 easily accessible，服务便于获得；还想到让学生敢于谈论。换成 help remove the stigma surrounding mental health，直接点出“偏见”这个根源，更准确有力。

满分句 **Colleges should provide easily accessible counseling services and help remove the stigma surrounding mental health.**

9 高分句式

公式 → 原句 → 讲解 → 仿写

① Faced with 分词开头句

这个句式表达 表达“面对……，越来越多的人……”，用分词短语交代背景和原因

公式 Faced with + 名词（可以几项并列），主语 + 谓语 …

范文原句 Faced with heavy academic pressure, fierce competition and a fast pace of life, more and more people suffer from anxiety, stress or low mood

面对繁重的学业压力、激烈的竞争和快节奏的生活，越来越多的人饱受焦虑、压力或情绪低落之苦

Faced with 是过去分词短语，意思是“面对”，它的逻辑主语就是后面的 more and more people。三个名词短语并列（heavy academic pressure、fierce competition、a fast pace of life），节奏感强。suffer from 意思是“受……之苦”。

例1 Faced with rising housing prices, many young people choose to rent rather than buy.
面对不断上涨的房价，许多年轻人选择租房而不是买房。

例2 Faced with serious pollution, the city decided to limit the number of private cars.
面对严重的污染，这座城市决定限制私家车的数量。

也可以这样说

Under great pressure from ..., ...
在……的巨大压力下，……

Due to ..., more and more people ...
由于……，越来越多的人……

② deserves … because 理由总起句

这个句式表达 表达“某事之所以值得……，是因为……”，在论证段开头直接亮出理由

公式 A + deserves + 名词 + because + 句子

范文原句 Mental well-being deserves such attention because it affects every part of our lives

心理健康之所以值得如此关注，是因为它影响着我们生活的方方面面

deserve 意思是“值得、应得”，后接名词；such attention 指代首句的“同样多的关注”，把两段连起来。because 后面直接给出总的理由，下面的句子再逐层展开。affect every part of our lives 意思是“影响生活的方方面面”。

例1 Reading deserves more time because it shapes the way we think.

阅读之所以值得投入更多时间，是因为它塑造我们思考的方式。

例2 Traditional culture deserves protection because it connects us with our history.

传统文化之所以值得保护，是因为它把我们和历史连在一起。

也可以这样说

The reason why ... is that ...

……的原因是……

... is worth ... because ...

……值得……，因为……

③ so … that 程度结果句

这个句式表达 表达“如此……以至于……”，写出某种状态严重到什么程度

公式 主语 + be + so + 形容词 + that + 主语 + can / could hardly + 动词原形 …

范文原句 so anxious before exams that they can hardly focus in class or enjoy time with friends

在考试前焦虑得几乎无法专心上课，也无法享受和朋友在一起的时光

so 后面接形容词，that 后面接结果；hardly 意思是“几乎不”，本身就是否定，不要再加 not。用这个句式把“焦虑”的影响写得具体、可感，例子就有了说服力。原句前面还用 physically fit but … 形成对比：身体好，心理却出了问题。

例1 Some students are so addicted to their phones that they can hardly fall asleep at night.

有些学生沉迷手机到了晚上几乎睡不着觉的地步。

例2 The city was so crowded during the holiday that tourists could hardly move.

假期里这座城市拥挤得游客几乎寸步难行。

也可以这样说

... too anxious to ...

……焦虑得无法……

such + 名词 + that ...

如此……的……，以至于……

④ A and B are closely linked 冒号说明句

这个句式表达 表达“A 和 B 紧密相连：……”，先说关系，再用冒号后的事实证明

公式 （In fact,）A and B are closely linked: 具体事实（一个完整的句子）

范文原句 the mind and the body are closely linked: long-term stress may cause sleep problems and weaken the immune system

身体和心理是紧密相连的：长期的压力可能导致睡眠问题，并削弱免疫系统

be closely linked 意思是“紧密相连”；冒号后面的句子用来解释和证明前面的说法。may 让语气客观，不说绝对。这一句把“心理”和“身体”连起来，正好证明首句为什么要把两者放在一起比。

例1 In fact, reading and writing are closely linked: the more we read, the better we write.

事实上，阅读和写作紧密相连：我们读得越多，就写得越好。

例2 Economic growth and environmental protection are closely linked: pollution can slow down development in the long run.

经济增长和环境保护紧密相连：从长远看，污染会拖慢发展。

也可以这样说

... is closely related to ...

……与……密切相关

... goes hand in hand with ...

……与……相辅相成

⑤ unlike 对比说明句

这个句式表达 表达“与 A 不同，B 往往……”，借一个熟悉的事物说明另一事物的特点

公式 Unlike + 名词A, 名词B + 谓语 …（写出 B 与 A 不同的特点）

范文原句 unlike a fever or a broken arm, mental health problems are often invisible and easy to ignore

与发烧或胳膊骨折不同，心理健康问题往往是看不见的，容易被忽视

unlike 是介词，意思是“与……不同”，后面接名词。拿大家熟悉的发烧、骨折作对比，一下子就说明了心理问题“看不见”的特点。注意对比的两边要是同类的东西（身体疾病 vs 心理问题）。原句前面的 Yet 表示转折。

例1 Unlike printed books, e-books can be carried around in large numbers.

与纸质书不同，电子书可以大量随身携带。

例2 Unlike physical exercise, mental training often brings results slowly and quietly.

与体育锻炼不同，心理训练往往见效缓慢、不易察觉。

也可以这样说

Compared with ..., ...

与……相比，……

In contrast to ..., ...

与……不同，……

⑥ as carefully as 同等比较句

这个句式表达 表达“我们应当像……一样细心地……”，用同等比较提出总原则

公式 主语 + should + 动词 + 宾语A + as + 副词（如 carefully / seriously）+ as + 主语 + 动词 + 宾语B

范文原句 we should care for our minds as carefully as we care for our bodies

我们应当像关爱自己的身体一样，细心呵护自己的心灵

as + 副词 + as 表示“和……一样……”。care for 意思是“关爱、照顾”，前后重复使用，形成对称，读起来很有力。这句正好把首句的 as much attention as 变成一条行动原则，承上启下。

例1 We should protect our eyes as carefully as we protect our phones.

我们应当像保护手机一样，细心地保护自己的眼睛。

例2 Schools should develop students' character as seriously as they develop their knowledge.

学校应当像培养学生的知识一样，认真地培养他们的品格。

也可以这样说

... no less than ...

不亚于……

... just as we ...

正如我们……一样

⑦ both … and … 并列收尾句

这个句式表达 表达“真正的……既需要 A，也需要 B”，把两方面并列，总结全文

公式 （After all,）a (truly) + 形容词 + 名词 + requires / needs + both A and B.

范文原句 a truly healthy life requires both a sound body and a sound mind

真正健康的生活既需要健全的身体，也需要健全的心灵

both … and … 连接两个并列成分；a sound body and a sound mind 结构完全对称，sound 在这里是形容词“健全的”。After all 意思是“毕竟”，用来给出最后的道理。结尾把身体和心灵并列，正好回扣首句。

例1 After all, a successful life requires both hard work and good health.

毕竟，成功的人生既需要努力，也需要健康。

例2 A good teacher needs both rich knowledge and great patience.

一位好老师既需要丰富的知识，也需要极大的耐心。

也可以这样说

… not only … but also …

……不仅……而且……

… as well as …

……以及……

10 亮点词汇

把普通说法换成高分说法

高分表达	意思	替代的普通说法
growing awareness	越来越强的意识	more people know
well-being	n. 健康；幸福	health
fierce	adj. 激烈的	strong
anxiety	n. 焦虑	worry
deserve	v. 值得；应得	should get
invisible	adj. 看不见的；无形的	hidden
ashamed	adj. 羞愧的；难为情的	embarrassed
persist	v. 持续；存留	continue
accessible	adj. 容易获得的；可使用的	easy to get
stigma	n. 耻辱感；偏见	bad name

信息技术改变学习方式

2022年12月大学英语六级 第1套 · 写作 Part I
议论文 · 范文 195 词

1 原题

Part I **Writing** **(30 minutes)**

Directions: *For this part, you are allowed 30 minutes to write an essay that begins with the sentence "**With the application of information technology in education, college students can now learn in more diverse and efficient ways.**" You can make statements, give reasons, or cite examples to develop your essay. You should write at least 150 words but no more than 200 words.*

题目译文

这一部分（For this part），你有 30 分钟（30 minutes）写一篇文章（essay），文章要以给出的这句话开头（begins with the sentence）："随着信息技术在教育中的应用（the application of information technology in education），大学生现在可以用更多样、更高效的方式（more diverse and efficient ways）学习。"（With the application of information technology in education, college students can now learn in more diverse and efficient ways.）

你可以陈述观点（make statements）、说明理由（give reasons），或者举例说明（cite examples）来展开文章（develop your essay）。

字数：至少 150 词（at least 150 words），但不超过 200 词（no more than 200 words）。

2 审题

先弄清楚要写什么，再动笔

议论文（给定首句）：信息技术让大学生的学习更多样、更高效

150—200 词（题目要求 at least 150 words but no more than 200 words，首句也算在内）；范文写到 190—200 词，本篇 195 词。不要卡着 150 词的最低线写，也绝不能超过 200 词

- [ ] 用题目给的句子开头，一字不差照抄，放在全文第一句
- [ ] 首句里有两个关键词：more diverse（更多样）和 more efficient（更高效），正文要分别证明这两点，一个都不能漏
- [ ] 用陈述、理由或事例来展开（题目点明的三种方法），每个观点后面都要有具体的例子撑住
- [ ] 结尾辩证地补一句：技术只是工具，用得好才有效，再回到"学习方式"收尾，让文章完整

语气与身份：正式、客观的议论语气：以第三人称论述为主，举亲身经历时可以用 I，但一两句就够；不用 kind of、a lot of 这类口语表达

容易失分的地方

- 首句必须一字不差照抄：application、information technology、diverse and efficient 一个词都不能改，句末的句号也要照抄
- 首句说的是“学习方式”变得多样、高效，不要跑题写成“信息技术的利与弊”或“手机的危害”；缺点最多一段两三句带过
- diverse 和 efficient 是两个不同的意思：多样指学习的途径和形式多了，高效指省时间、效果好；例子要对号入座，不要混在一起写
- 首句算在字数里，第二段两个分论点加例子很容易写长，动笔前先规划好每段几句

3 题目要求逐条落实

每一条要求 → 范文里的哪一句

题目要求	范文原句	怎么做到的
用给定的句子开头	With the application of information technology in education, college students can now learn in more diverse and efficient ways.	全文第一句原样照抄题目给的句子，一个词、一个标点都没有改。
用陈述展开：证明学习“更多样”	First, learning has become more diverse.	第二段先用一句短句亮出第一个分论点，紧接着用网课听名校教授讲座、虚拟实验室做实验两个例子，说明学习的途径不再只有课本和课堂。
用理由展开：证明学习“更高效”	Second, learning has become more efficient.	第二个分论点后面给出理由：智能学习软件针对薄弱环节推荐练习，学生不再把时间浪费在已经掌握的内容上；录播课和讨论平台又让零碎时间也能用来学习。
用事例支撑观点	Last semester, for instance, I prepared for a statistics exam with an online course	用自己借助网课备考统计学、反复回放难点的亲身经历作例子，让“高效”看得见；题目给的陈述、理由、举例三种方法，本文都用上了。
辩证收尾、回扣首句	However, technology is only a tool.	第三段用 However 转折，指出缺乏自律会被游戏和社交媒体分心，并给出建议；最后一句 the way we learn 回到首句的“学习方式”，首尾照应。
字数 150—200 词	With the application of information technology in education	全文共 195 词（含首句）：第一段 3 句，第二段 6 句，第三段 4 句，落在 190—200 词的目标区间内，没有超过 200 词。

4 写作思路

先列提纲，每段一个任务

第一段

照抄首句，写出今昔对比

首句（信息技术让学习更多样、更高效）→ 倒装句：学习只局限于课本和课堂的日子一去不复返 → 如今一部智能手机就能打开知识世界的大门

第二段

分两点论证首句

第一，更多样：网课听名校教授讲座、虚拟实验室做实验 → 第二，更高效：智能软件针对薄弱环节推荐练习；录播课和讨论平台利用空闲时间 → 亲身经历：借网课备考统计学，反复回放难点

第三段

辩证提醒并收尾

转折：技术只是工具 → 没有自律容易被游戏和社交媒体分心 → 建议：有目的地使用资源，线上学习结合面对面交流 → 收尾：用得好，信息技术能改变我们的学习方式

5 满分范文

荧光笔 + 圆圈编号 = 下面讲的高分句式

[1] With the application of information technology in education, college students can now learn in more diverse and efficient ways. [2] Gone are the days when learning was limited to textbooks and classrooms①. [3] Today, a smartphone opens the door to a world of knowledge②.

[4] First, learning has become more diverse. [5] Through online courses, students can attend lectures by famous professors from other universities, and through virtual labs, they can conduct experiments that would be too expensive or dangerous in real life③. [6] Second, learning has become more efficient. [7] Smart study apps can analyze students' performance and recommend exercises that target their weak points, so students no longer waste time on what they have already mastered. [8] In addition, recorded lectures and online discussion platforms allow students to make full use of their spare time④. [9] Last semester, for instance, I prepared for a statistics exam with an online course, replaying the difficult parts until I fully understood them.

[10] However, technology is only a tool. [11] Without self-discipline, students can easily be distracted by games and social media⑤. [12] Therefore, they should use these resources purposefully and combine online learning with face-to-face communication. [13] Properly used, information technology can transform the way we learn⑥.

参考译文

随着信息技术在教育中的应用，大学生如今能够以更加多样、更加高效的方式学习。学习只局限于课本和课堂的日子已经一去不复返了。如今，一部智能手机就能打开通往知识世界的大门。

第一，学习变得更加多样了。通过网络课程，学生可以聆听其他大学名教授的讲座；通过虚拟实验室，他们可以开展在现实生活中过于昂贵或危险的实验。第二，学习变得更加高效了。智能学习软件能够分析学生的学习表现，并推荐针对其薄弱环节的练习，这样学生就不再把时间浪费在已经掌握的内容上。此外，录播课和在线讨论平台让学生

能够充分利用自己的空闲时间。比如，上学期我借助一门网课备考统计学，把难懂的部分反复回放，直到完全弄懂为止。

然而，技术只是一种工具。没有自律，学生很容易被游戏和社交媒体分散注意力。因此，他们应当有目的地使用这些资源，并把线上学习与面对面交流结合起来。只要使用得当，信息技术就能改变我们的学习方式。

6 一步一步写出这篇范文

01 一字不差照抄首句

把题目给的句子原样写在开头，抄完逐词核对一遍，尤其是 application、diverse and efficient 和句末句号。

> 1 With the application of information technology in education, college students can now learn in more diverse and efficient ways.
> 随着信息技术在教育中的应用，大学生如今能够以更加多样、更加高效的方式学习。

02 用倒装句写出今昔对比

第二句用 Gone are the days when 说“过去只能靠课本和课堂”，第三句用 Today 说“现在一部手机就够了”；用 smartphone 这个具体的东西把变化写活。

> 2 Gone are the days when learning was limited to textbooks and classrooms.
> 学习只局限于课本和课堂的日子已经一去不复返了。
>
> 3 Today, a smartphone opens the door to a world of knowledge.
> 如今，一部智能手机就能打开通往知识世界的大门。

03 分论点一：一句短句 + 两个例子

用 First 开头，只写一句 learning has become more diverse 亮出观点；下一句用两个 Through 开头的平行分句，摆出网课和虚拟实验室两个例子。

> 4 First, learning has become more diverse.
> 第一，学习变得更加多样了。
>
> 5 Through online courses, students can attend lectures by famous professors from other universities, and through virtual labs, they can conduct experiments that would be too expensive or dangerous in real life.
> 通过网络课程，学生可以聆听其他大学名教授的讲座；通过虚拟实验室，他们可以开展在现实生活中过于昂贵或危险的实验。

04 分论点二：一句短句 + 理由

用 Second 开头，句式和分论点一完全相同，读者一眼看出是第二点；下一句写智能软件“做什么”（分析、推荐），再用 so 说出结果（不再浪费时间）。

> 6 Second, learning has become more efficient.
> 第二，学习变得更加高效了。
>
> 7 Smart study apps can analyze students' performance and recommend exercises that target their weak points, so students no longer waste time on what they have already mastered.
> 智能学习软件能够分析学生的学习表现，并推荐针对其薄弱环节的练习，这样学生就不再把时间浪费在已经掌握的内容上。

05 补一条理由，再举亲身经历

用 In addition 补上录播课和讨论平台；接着用 for instance 引出自己的经历：什么时候、做了什么、怎么做（replaying the difficult parts），一句就把例子写具体。

> 8 In addition, recorded lectures and online discussion platforms allow students to make full use of their spare time.
> 此外，录播课和在线讨论平台让学生能够充分利用自己的空闲时间。
> 9 Last semester, for instance, I prepared for a statistics exam with an online course, replaying the difficult parts until I fully understood them.
> 比如，上学期我借助一门网课备考统计学，把难懂的部分反复回放，直到完全弄懂为止。

06 转折：技术只是工具

第三段用 However 开头，先说一句短的观点；再用 Without 从反面说出风险；最后用 Therefore 给出两条建议，让文章不片面。

> 10 However, technology is only a tool.
> 然而，技术只是一种工具。
> 11 Without self-discipline, students can easily be distracted by games and social media.
> 没有自律，学生很容易被游戏和社交媒体分散注意力。
> 12 Therefore, they should use these resources purposefully and combine online learning with face-to-face communication.
> 因此，他们应当有目的地使用这些资源，并把线上学习与面对面交流结合起来。

07 用过去分词短语收尾、呼应首句

Properly used 放句首，表示“只要用得好”；the way we learn 呼应首句的 learn in more diverse and efficient ways，首尾照应。

> 13 Properly used, information technology can transform the way we learn.
> 只要使用得当，信息技术就能改变我们的学习方式。

7 为什么是满分档

切题・结构与连贯・语言

切题

首句一字不差照抄，后文紧扣首句的两个关键词：第二段用 First、Second 分别证明“更多样”和“更高效”，每一点都有具体例子；第三段的提醒也没有离开“学习”，最后一句回到“学习方式”。题目提示的陈述、理由、举例都用上了，没有一句跑题。满分档作文的特点就是：观点明确，每一部分都在为中心服务。

With the application of information technology in education, college students can now learn in more diverse and efficient ways.

First, learning has become more diverse. Second, learning has become more efficient.

Last semester, for instance, I prepared for a statistics exam with an online course

information technology can transform the way we learn

结构与连贯

三段式结构清楚：今昔对比引出话题 → 分两点论证 → 辩证提醒并收尾。两个分论点用完全相同的短句（learning has become more …）开头，层次一目了然；段内用 First、Second、In addition、for instance、However、Therefore 标出逻辑关系；Gone are the days 和 Today 形成对比；最后 the way we learn 呼应首句。读者能顺着思路一步步读下去，这正是满分档作文在结构上的表现。

Gone are the days when | Today, a smartphone | First, | Second, | In addition | However, technology is only a tool. | Therefore,

语言

句式丰富而且用得准确：Gone are the days when 倒装句、Through 开头的平行句、that 定语从句、so 引出结果、现在分词 replaying、Without 反面条件、过去分词 Properly used 收尾；用词具体、正式，如 attend lectures、conduct experiments、analyze、target their weak points、make full use of、self-discipline、purposefully。全文没有语法错误，长短句搭配自然，满分档作文的语言就是这样准确、多样又地道。

Gone are the days when learning was limited to textbooks and classrooms | a smartphone opens the door to a world of knowledge | through virtual labs, they can conduct experiments that would be too expensive or dangerous in real life | recommend exercises that target their weak points | replaying the difficult parts until I fully understood them | use these resources purposefully | Properly used, information technology can transform the way we learn

8 升格示范

普通写法一步一步改成满分句

升格 1

第 1 步 In the past, students could only learn from books.
意思对，但 could only learn from books 很普通，只说了“书”，没有说到“课堂”。

第 2 步 In the past, learning was limited to textbooks and classrooms.
用 be limited to 表示“局限于”，textbooks and classrooms 更全面；但 In the past 开头平淡，看不出“这种情况已经过去了”。

第 3 步 The days when learning was limited to textbooks and classrooms are gone.
用 the days when 说出“那样的日子已经过去”；但主语很长，谓语 are gone 落在句尾，头重脚轻。把 gone 提到句首倒装，语气更强，就是范文的写法。

满分句 **Gone are the days when learning was limited to textbooks and classrooms.**

升格 2

第 1 步 Students can take online courses and use virtual labs.
只列了两种途径，没说用它们能做什么，看不出“多样”带来的好处。

第 2 步 Students can listen to famous professors online, and they can do experiments in virtual labs.
有了具体做法；但 listen to、do experiments 偏口语，两个分句结构不一样，读起来不整齐。

第 3 步 Through online courses, students can attend lectures by famous professors from other universities, and through virtual labs, they can conduct experiments.
用 Through … can … 的平行结构，attend lectures、conduct experiments 更正式；但没说是什么样的实验，虚拟实验室的好处还不突出。范文再加上 that would be too expensive or dangerous in real life，说明它能做现实中做不了的实验。

满分句 **Through online courses, students can attend lectures by famous professors from other universities, and through virtual labs, they can conduct experiments that would be too expensive or dangerous in real life.**

升格 3

第 1 步 Study apps can help students learn faster.
观点空泛，没说软件“怎么”帮学生，阅卷老师看不到具体内容。

第 2 步 Smart study apps can find students' weak points and give them exercises.
有了具体做法；但 find、give 很普通，也没有说出结果。

第 3 步 Smart study apps can analyze students' performance and recommend exercises that target their weak points.
analyze、recommend、target 正式准确，that 定语从句说清练习的特点；但只写了做法，没写为什么更高效。范文再用 so 接上结果：不再把时间浪费在已经掌握的内容上，紧扣 efficient。

满分句 **Smart study apps can analyze students' performance and recommend exercises that target their weak points, so students no longer waste time on what they have already mastered.**

9 高分句式

公式 → 原句 → 讲解 → 仿写

① Gone are the days when 倒装句

这个句式表达 表达“……的日子一去不复返了”，用过去的情况反衬现在的变化

公式 Gone are the days when + 过去的情况（一般过去时）.

范文原句 Gone are the days when learning was limited to textbooks and classrooms
学习只局限于课本和课堂的日子已经一去不复返了

正常语序是 The days when … are gone，把 gone 提到句首形成倒装，语气更强。when 从句用过去时说“从前怎样”，下一句再用 Today 说“现在怎样”，一前一后，变化就出来了。科技、生活方式变化类的话题都能用。

例1 Gone are the days when people had to queue for hours to buy train tickets.
人们不得不排几个小时队买火车票的日子已经一去不复返了。

例2 Gone are the days when a letter took weeks to reach a friend far away.

一封信要好几个星期才能寄到远方朋友手中的日子一去不复返了。

也可以这样说

The days when ... are long gone.

……的日子早已过去。

In the past, ... but now ...

过去……，而现在……

② opens the door to 比喻句

这个句式表达 表达“某事物为人们打开了通往……的大门”，形象地说明它带来的新机会

公式 主语（工具 / 机会）+ opens the door to + a world of + 名词

范文原句 a smartphone opens the door to a world of knowledge

一部智能手机就能打开通往知识世界的大门

open the door to 是比喻，意思是“使……成为可能”；a world of 意思是“大量的、一整个……的世界”。用一个具体的小东西（smartphone）作主语，比 technology helps us learn 生动得多。

例1 Learning a foreign language opens the door to a world of new friends and ideas.

学一门外语，就打开了通往新朋友、新思想世界的大门。

例2 A library card opens the door to a world of books for every child.

一张借书证为每个孩子打开了通往书籍世界的大门。

也可以这样说

... makes it possible for us to ...

……使我们能够……

... gives us access to ...

……让我们能够获得……

③ Through 平行句

这个句式表达 表达“通过 A，人们可以……；通过 B，人们可以……”，一句话摆出两个并列的例子

公式 Through + 途径1, 主语 + can + 做法1, and through + 途径2, 主语 + can + 做法2

范文原句 Through online courses, students can attend lectures by famous professors from other universities, and through virtual labs, they can conduct experiments that would be too expensive or dangerous in real life

通过网络课程，学生可以聆听其他大学名教授的讲座；通过虚拟实验室，他们可以开展在现实生活中过于昂贵或危险的实验

两个分句结构相同（Through … can …），读起来整齐有力，正好证明“多样”：学习的途径不止一种。第二个分句用 they 代替 students，避免重复；that would be too expensive or dangerous 里的 would 表示“如果在现实中做的话”，点出虚拟实验室的好处。

例1 Through online shopping, people can buy goods from all over the country, and through mobile payment, they can pay in seconds.

通过网购，人们可以买到全国各地的商品；通过移动支付，他们几秒钟就能付款。

例2 Through volunteer work, students can learn to care for others, and through part-time jobs, they can gain work experience.

通过志愿服务，学生可以学会关心他人；通过兼职工作，他们可以积累工作经验。

也可以这样说

By ..., students can ...; by ..., they can ...

借助……，学生可以……；借助……，他们可以……

Not only can students ..., but they can also ...

学生不仅能……，还能……

④ allow sb. to make full use of 句

这个句式表达 表达“某事物使人们能够充分利用……”，说明一项工具带来的便利

公式 事物 + allow + 人 + to make full use of + 时间 / 资源

范文原句 recorded lectures and online discussion platforms allow students to make full use of their spare time

录播课和在线讨论平台让学生能够充分利用自己的空闲时间

allow sb. to do 意思是“使某人能够做”，用事物作主语，句子显得客观；make full use of 意思是“充分利用”，是六级作文的高频短语，比 use well 正式。

例1 Public libraries allow citizens to make full use of their weekends.

公共图书馆让市民能够充分利用自己的周末。

例2 Online meetings allow companies to make full use of their employees' time.

线上会议让公司能够充分利用员工的时间。

也可以这样说

... enable sb. to ...

……使某人能够……

... help sb. make the most of ...

……帮助某人充分利用……

⑤ Without 反面条件句

这个句式表达 表达“没有……，人们就很容易……”，从反面说明某个条件的重要

公式 Without + 名词, 主语 + can easily + be done / do …

范文原句 Without self-discipline, students can easily be distracted by games and social media

没有自律，学生很容易被游戏和社交媒体分散注意力

Without 短语相当于一个条件句（If students have no self-discipline），更简洁。can easily be distracted by 意思是“很容易被……分散注意力”。在谈完好处之后用它补一句风险，文章就显得全面、不片面。

例1 Without a clear plan, students can easily waste their college years.

没有明确的规划，学生很容易虚度大学时光。

例2 Without enough rest, people can easily make mistakes at work.

没有充足的休息，人们在工作中很容易出错。

也可以这样说

If students lack ..., they may ...

如果学生缺乏……，他们可能会……

Lacking ..., students tend to ...

缺乏……，学生往往会……

⑥ Properly used 过去分词收尾句

这个句式表达 表达“只要使用得当，某事物就能……”，带着条件给出肯定的结论

公式 Properly used, + 主语 + can + 动词原形 …（如 transform / improve + 宾语）

范文原句 Properly used, information technology can transform the way we learn

只要使用得当，信息技术就能改变我们的学习方式

Properly used 是过去分词短语，相当于 If it is properly used；主语 information technology 和 use 是被动关系，所以用过去分词。一句话既肯定了技术的作用，又呼应上一段“要用得好”；the way we learn 回扣首句，收尾简洁有力。

例1 Properly used, social media can help us keep in touch with old friends.

只要使用得当，社交媒体可以帮助我们和老朋友保持联系。

例2 Properly used, smartphones can become powerful learning tools.

只要使用得当，智能手机可以成为强大的学习工具。

也可以这样说

If used wisely, ...

如果用得明智，……

As long as it is used properly, ...

只要使用得当，……

10 亮点词汇

把普通说法换成高分说法

高分表达	意思	替代的普通说法
application	n. 应用；运用	use
diverse	adj. 多样的	different
efficient	adj. 高效的	quick and effective
conduct	v. 进行；开展	do
analyze	v. 分析	look at
target	v. 针对；以……为目标	focus on
make full use of	充分利用	use well
self-discipline	n. 自律	self-control
distract	v. 使分心	draw attention away
transform	v. 彻底改变	change

培养批判性思维

2022年12月大学英语六级 第2套 · 写作 Part I

议论文 · 范文 194 词

1 原题

Part I **Writing** **(30 minutes)**

Directions: *For this part, you are allowed 30 minutes to write an essay that begins with the sentence "**In an era of information explosion, it is vitally important to develop the ability to think critically and make rational choices.**" You can make statements, give reasons, or cite examples to develop your essay. You should write at least 150 words but no more than 200 words.*

题目译文

这一部分（For this part），你有 30 分钟（30 minutes）写一篇文章（essay），文章要以给出的这句话开头（begins with the sentence）："在信息爆炸的时代（an era of information explosion），培养批判性思考（think critically）和作出理性选择（make rational choices）的能力是非常重要的（vitally important）。"（In an era of information explosion, it is vitally important to develop the ability to think critically and make rational choices.）

你可以陈述观点（make statements）、说明理由（give reasons），或者举例说明（cite examples）来展开文章（develop your essay）。

字数：至少 150 词（at least 150 words），但不超过 200 词（no more than 200 words）。

2 审题

先弄清楚要写什么，再动笔

议论文（给定首句）：培养批判性思维和理性选择的能力

150—200 词（题目要求 at least 150 words but no more than 200 words，首句也算在内）；范文写到 190—200 词，本篇 194 词。不要卡着 150 词的最低线写，也绝不能超过 200 词

- [ ] 用题目给的句子开头，一字不差照抄，放在全文第一句
- [ ] 首句里有两个能力：think critically（批判性思考）和 make rational choices（理性选择），正文两个都要写到，一个都不能漏
- [ ] 用陈述、理由或事例来展开（题目点明的三种方法）：说清为什么在"信息爆炸"的时代这种能力特别重要，并举出具体例子
- [ ] 顺着话题说清怎样培养这种能力，并有一个有力的结尾，让文章完整

语气与身份：正式、客观的议论语气：多用 we、students 这类泛指主语，用 should、can 提出建议，不用 I think、kind of 这类口语表达

容易失分的地方

- 首句必须一字不差照抄：information explosion、vitally important、think critically、rational choices 一个词都不能改，句末的句号也要照抄
- 只写“批判性思维”、忘了“理性选择”，等于只完成了一半要求；范文专门用一句 Equally important is making rational choices 把第二个能力接上
- 要紧扣“信息爆炸”这个背景：例子最好是网上谣言、夸大的广告、盲目跟风这类和信息有关的事，不要泛泛地谈“独立思考很重要”
- 首句较长，又算在字数里，写到 180 词左右就要开始收尾，绝不能超过 200 词

3 题目要求逐条落实

每一条要求 → 范文里的哪一句

题目要求	范文原句	怎么做到的
用给定的句子开头	In an era of information explosion, it is vitally important to develop the ability to think critically and make rational choices.	全文第一句原样照抄题目给的句子，一个词、一个标点都没有改。
用陈述说明为什么重要	Every day we are flooded with news, advertisements and opinions from countless sources	首句之后马上描述“信息爆炸”的现状，再用 not all of them are accurate 点出问题：信息多、真假难辨，所以才需要批判性思维。
用理由展开：批判性思维的作用	Critical thinking helps us separate fact from rumor.	第二段先讲批判性思维的两个作用：区分事实与谣言、不被广告误导；每个作用后面都写出具体做法或例子。
用事例支撑观点	some products claim to be “scientifically proven” without offering any real evidence	用“号称经过科学证明却拿不出证据的产品”和“选专业时随大流”两个生活中常见的例子，让道理变得具体；题目给的陈述、理由、举例三种方法，本文都用上了。
写到首句的第二个能力：理性选择	Equally important is making rational choices.	用倒装句 Equally important is 过渡，把首句里的 make rational choices 接上，并用选专业的例子说明什么是理性选择，首句的两部分都落实了。
说清怎样培养，并有力收尾	To develop this ability, students should get into the habit of asking questions	第三段分别给学生和学校提出具体做法（多问两个问题、开设逻辑和媒介素养课），最后用 With a clear and critical mind 收尾，呼应首句的“信息”。

字数 150—200 词	In an era of information explosion	全文共 194 词（含首句）：第一段 2 句，第二段 6 句，第三段 3 句，落在 190—200 词的目标区间内，没有超过 200 词。

4 写作思路

先列提纲，每段一个任务

第一段

照抄首句，说明背景

首句（信息爆炸时代，培养批判性思考和理性选择的能力至关重要）→ 补充理由：每天被海量信息淹没，并非都准确、都出于善意

第二段

论证这种能力的作用

作用一：区分事实与谣言（查来源、找证据、比较信息源再下结论）→ 作用二：不被广告误导（例：号称经过科学证明的产品）→ 理性选择同样重要（例：选专业权衡兴趣、能力和就业前景，不随大流）

第三段

提出做法并收尾

学生：养成多问“谁说的？”“证据是什么？”的习惯 → 学校：开设逻辑和媒介素养课 → 收尾：有了清醒、善于思辨的头脑，就不再任由信息摆布

5 满分范文

荧光笔 + 圆圈编号 = 下面讲的高分句式

[1] In an era of information explosion, it is vitally important to develop the ability to think critically and make rational choices. [2] Every day we are flooded with news, advertisements and opinions from countless sources①, and not all of them are accurate or well-intentioned②.

[3] Critical thinking helps us separate fact from rumor③. [4] Instead of believing everything we read online, we can check where a piece of information comes from, look for evidence and compare different sources before drawing conclusions④. [5] Critical thinking also protects us from being misled by advertisements. [6] For example, some products claim to be “scientifically proven” without offering any real evidence, and a critical thinker will question such claims rather than buy on impulse⑤. [7] Equally important is making rational choices⑥. [8] When choosing a major, for instance, a wise student weighs interests, abilities and job prospects instead of blindly following the crowd.

[9] To develop this ability, students should get into the habit of asking questions such as “Who says so?” and “What is the evidence?” [10] Schools can also offer courses on logic and media literacy. [11] With a clear and critical mind, we will no longer be at the mercy of the information around us⑦.

参考译文

在信息爆炸的时代，培养批判性思考和理性选择的能力至关重要。每天，我们都被来自无数渠道的新闻、广告和观点所淹没，而这些信息并非都准确无误或出于善意。

批判性思维帮助我们区分事实与谣言。我们不必轻信在网上读到的一切，而可以先查明一条信息来自哪里，寻找证据，并比较不同的来源，然后再下结论。批判性思维还能保护我们不被广告误导。例如，有些产品声称“经过科学证明”，却拿不出任何真凭实据，而一个善于批判性思考的人会质疑这类说法，而不是一时冲动就购买。做出理性的选择同样重要。比如，在选择专业时，明智的学生会权衡兴趣、能力和就业前景，而不是盲目地随大流。

要培养这种能力，学生应当养成提问的习惯，比如问“谁说的？”和“证据是什么？”学校还可以开设逻辑和媒介素养方面的课程。有了清醒而善于批判性思考的头脑，我们就不再任由身边的信息摆布。

6 一步一步写出这篇范文

01 一字不差照抄首句

把题目给的句子原样写在开头，抄完逐词核对一遍，尤其是 vitally、critically 和句末句号。

> 1 In an era of information explosion, it is vitally important to develop the ability to think critically and make rational choices.
> 在信息爆炸的时代，培养批判性思考和理性选择的能力至关重要。

02 紧跟一句写出“信息爆炸”的问题

用 be flooded with 写出信息之多，再用 not all of them are accurate or well-intentioned 点出信息不可靠，说明为什么需要这种能力。

> 2 Every day we are flooded with news, advertisements and opinions from countless sources, and not all of them are accurate or well-intentioned.
> 每天，我们都被来自无数渠道的新闻、广告和观点所淹没，而这些信息并非都准确无误或出于善意。

03 作用一：观点 + 具体做法

先用一句短句 Critical thinking helps us separate fact from rumor 给出观点；下一句用 Instead of 对比“轻信”和“核实”，并列出查来源、找证据、比较信息源三个动作。

> 3 Critical thinking helps us separate fact from rumor.
> 批判性思维帮助我们区分事实与谣言。
> 4 Instead of believing everything we read online, we can check where a piece of information comes from, look for evidence and compare different sources before drawing conclusions.
> 我们不必轻信在网上读到的一切，而可以先查明一条信息来自哪里，寻找证据，并比较不同的来源，然后再下结论。

04 作用二：观点 + 例子

用 also 引出第二个作用，接着用 For example 举出夸大宣传的产品，最后用 rather than 对比批判性思考的人和冲动购物的人。

> 5 Critical thinking also protects us from being misled by advertisements.
> 批判性思维还能保护我们不被广告误导。
> 6 For example, some products claim to be “scientifically proven” without offering any real evidence, and a critical thinker will question such claims rather than buy on impulse.
> 例如，有些产品声称“经过科学证明”，却拿不出任何真凭实据，而一个善于批判性思考的人会质疑这类说法，而不是一时冲动就购买。

05 倒装过渡，写到“理性选择”

用 Equally important is 把首句的第二个能力接上，再用选专业的例子说明理性选择就是权衡多方面因素，不盲目随大流。

> 7 Equally important is making rational choices.
> 做出理性的选择同样重要。
> 8 When choosing a major, for instance, a wise student weighs interests, abilities and job prospects instead of blindly following the crowd.
> 比如，在选择专业时，明智的学生会权衡兴趣、能力和就业前景，而不是盲目地随大流。

06 做法分给学生和学校

用 To develop this ability 开头点明本段写做法；学生用 should 给出可以马上做到的习惯，学校用 can also 补一条，建议具体到“做什么”。

> 9 To develop this ability, students should get into the habit of asking questions such as “Who says so?” and “What is the evidence?”
> 要培养这种能力，学生应当养成提问的习惯，比如问“谁说的？”和“证据是什么？”
> 10 Schools can also offer courses on logic and media literacy.
> 学校还可以开设逻辑和媒介素养方面的课程。

07 用 With 短语收尾、呼应首句

With a clear and critical mind 概括全文要培养的能力，at the mercy of the information 呼应首句的 information explosion，首尾照应。

> 11 With a clear and critical mind, we will no longer be at the mercy of the information around us.
> 有了清醒而善于批判性思考的头脑，我们就不再任由身边的信息摆布。

7 为什么是满分档

切题 · 结构与连贯 · 语言

切题

首句一字不差照抄，后文把首句的两部分都落实了：第二段先写批判性思维的两个作用，再用 Equally important is 写到理性选择；例子（网上信息、夸大的广告、选专业随大流）都紧扣“信息爆炸”的背景；第三段说明怎样培养，结尾回到“信息”。题目提示的陈述、理由、举例都用上了，没有一句跑题。满分档作文的特点就是：观点明确，每一部分都在为中心服务。

In an era of information explosion, it is vitally important to develop the ability to think critically and make rational choices.

Critical thinking helps us separate fact from rumor.

Critical thinking also protects us from being misled by advertisements.

Equally important is making rational choices.

To develop this ability

结构与连贯

三段式结构清楚：背景与观点 → 论证作用 → 提出做法并收尾。第二段三个要点都用短句开头（helps us、also protects us、Equally important is），每个要点后面跟具体做法或例子；For example、for instance 引出例子；第三段用 To develop this ability 承上启下，this ability 指回首句；结尾 the information around us 呼应首句的 information explosion。读者能顺着思路一步步读下去，这正是满分档作文在结构上的表现。

Critical thinking also protects us | Equally important is | For example | for instance | To develop this ability | Schools can also offer courses on logic and media literacy. | the information around us

语言

句式丰富而且用得准确：be flooded with 形象描述、not all 部分否定、Instead of 对比、where 宾语从句、rather than 对比、Equally important is 倒装、With 短语收尾；用词具体、正式，如 well-intentioned、separate fact from rumor、misled、on impulse、weighs、media literacy、at the mercy of。全文没有语法错误，表达自然，满分档作文的语言就是这样准确、多样又地道。

we are flooded with news, advertisements and opinions from countless sources | not all of them are accurate or well-intentioned | check where a piece of information comes from | a critical thinker will question such claims rather than buy on impulse | a wise student weighs interests, abilities and job prospects instead of blindly following the crowd | we will no longer be at the mercy of the information around us

8 升格示范

普通写法一步一步改成满分句

升格 1

第 1 步 There is too much information today.
只说了信息多，没说为什么需要批判性思维，和首句的联系不紧。

第 2 步 Every day we get a lot of news and advertisements from the Internet.
具体了一些，但 get a lot of 很口语，也只说了“多”，没说出问题在哪里。

第 3 步 Every day we are flooded with news, advertisements and opinions from countless sources.
be flooded with 形象，三个名词排成一组，from countless sources 写出来源之广；但还没点出风险。范文再加上 not all of them are accurate or well-intentioned，用部分否定说出信息不可靠，自然引出为什么需要批判性思维。

满分句 **Every day we are flooded with news, advertisements and opinions from countless sources, and not all of them are accurate or well-intentioned.**

升格 2

第 1 步 We should not believe everything on the Internet.
只说了不要做什么，没说该怎么做，读者不知道怎样才算批判性思考。

第 2 步 We should not believe everything we read online, and we should check the information.
有了做法，但 check the information 太笼统，两个 we should 重复，句式单调。

第 3 步 Instead of believing everything we read online, we can check where a piece of information comes from and look for evidence.
用 Instead of 把“不要做”和“要做”连成一句，where 从句把“核实”写具体了；范文再加 compare different sources 凑成三个动作，最后用 before drawing conclusions 交代顺序：先核实，再下结论。

满分句 **Instead of believing everything we read online, we can check where a piece of information comes from, look for evidence and compare different sources before drawing conclusions.**

升格 3

第 1 步 For example, some advertisements are not true.
例子太笼统，没说是什么样的广告，也没说和批判性思维有什么关系。

第 2 步 For example, some products say that they are “scientifically proven,” but there is no real evidence.
有了具体例子；但 say that they are 有点啰嗦，也没说批判性思考的人会怎么做，例子和观点脱节。

第 3 步 For example, some products claim to be “scientifically proven” without offering any real evidence.
claim to be 简洁正式，without offering 点出问题；但只摆出了现象。范文再加 a critical thinker will question such claims rather than buy on impulse，用 rather than 对比两种做法，例子才回到“批判性思维”上。

满分句 **For example, some products claim to be “scientifically proven” without offering any real evidence, and a critical thinker will question such claims rather than buy on impulse.**

9 高分句式

公式 → 原句 → 讲解 → 仿写

① be flooded with 形象描述句

这个句式表达 表达“人们被大量的……淹没”，形象地写出某种东西多得让人应接不暇

公式 主语 + be flooded with + 名词（可以几项并列）（+ from + 来源）

范文原句 Every day we are flooded with news, advertisements and opinions from countless sources
每天，我们都被来自无数渠道的新闻、广告和观点所淹没

flood 本义是“洪水”，be flooded with 比 get a lot of 形象得多，一下子写出了“信息爆炸”的感觉。后面三个名词排成一组，再用 from countless sources 说出来源，信息量足。

例1 During the holidays, scenic spots are flooded with tourists from all over the country.
假期里，各个景点挤满了来自全国各地的游客。

例2 Every day our phones are flooded with messages, ads and notifications.
每天，我们的手机都被消息、广告和通知塞满。

也可以这样说

We are surrounded by ...

我们被……包围

We receive a huge amount of ...

我们接收到大量的……

② not all 部分否定句

这个句式表达 表达“并不是所有的……都……”，客观地指出问题，不说得绝对

公式 not all (of the) + 名词 / not all of + 代词 + be + 形容词1 or 形容词2

范文原句 not all of them are accurate or well-intentioned

这些信息并非都准确无误或出于善意

not all 是部分否定，意思是“并非都”，比 they are all false 客观得多，阅卷老师喜欢这种有分寸的说法。注意 not all … or …：并非都 A 或 B，否定语境里并列的两项常用 or 连接。

例1 Not all online reviews are honest or reliable.

网上的评论并不都是诚实可靠的。

例2 Many students take part-time jobs, but not all of these jobs are useful for their future careers.

许多学生做兼职，但并不是所有兼职都对他们未来的职业有帮助。

也可以这样说

... is not always ...

……并不总是……

Some of them are far from ...

其中一些远远不是……

③ help sb. separate A from B 句

这个句式表达 表达“某种能力帮助我们把 A 和 B 区分开”，简洁地说出一种能力的作用

公式 能力 / 品质 + helps us + separate A from B

范文原句 Critical thinking helps us separate fact from rumor

批判性思维帮助我们区分事实与谣言

help sb. do 后面直接接动词原形；separate A from B 意思是“把 A 和 B 区分开”。fact 和 rumor 一真一假，对比鲜明。作为分论点句，它短小、清楚，后面再接具体做法就行。

例1 Reading widely helps us separate good ideas from bad ones.

广泛阅读帮助我们分辨好想法和坏想法。

例2 Experience helps young people separate real chances from empty promises.

经验帮助年轻人分辨真正的机会和空洞的承诺。

也可以这样说

... enables us to tell A from B.

……使我们能够分辨 A 和 B。

... helps us distinguish between A and B.

……帮助我们区分 A 和 B。

④ Instead of 对比做法句

这个句式表达 表达“不是……，而是可以……”，先否定错误做法，再给出正确做法

公式 Instead of + doing（错误做法），主语 + can + 正确做法（可以几项并列）（+ before doing …）

范文原句 Instead of believing everything we read online, we can check where a piece of information comes from, look for evidence and compare different sources before drawing conclusions

我们不必轻信在网上读到的一切，而可以先查明一条信息来自哪里，寻找证据，并比较不同的来源，然后再下结论

Instead of 后面接动名词，表示“不做某事”；主句给出三个并列的动作，最后用 before drawing conclusions 交代顺序。一句话里有对比、有步骤，把抽象的“批判性思维”变成了可以照着做的方法。

例1 Instead of complaining about the problem, we can look for its causes and try to solve it.

与其抱怨问题，我们不如找出原因，设法解决它。

例2 Instead of studying all night before exams, students can review a little every day.

学生不必在考前通宵学习，而可以每天复习一点。

也可以这样说

Rather than ..., we should ...

与其……，我们应当……

We should not ... Instead, we can ...

我们不应……，相反，我们可以……

⑤ rather than 对比句

这个句式表达 表达“会做 A，而不是做 B”，在例子里对比两种做法

公式 主语 + will + 正确做法 + rather than + 错误做法（动词原形）

范文原句 a critical thinker will question such claims rather than buy on impulse

一个善于批判性思考的人会质疑这类说法，而不是一时冲动就购买

rather than 连接两个动词原形（question 和 buy），前后结构一致。举完例子用它点明“有这种能力的人会怎么做”，例子就回到了观点上。question 在这里作动词，意思是“质疑”；on impulse 意思是“一时冲动地”。

例1 Wise consumers will compare prices rather than buy the first thing they see.
明智的消费者会比较价格，而不是看到什么就买什么。

例2 Good leaders will listen to different views rather than make decisions alone.
好的领导者会倾听不同意见，而不是独自做决定。

也可以这样说

... instead of ...
……而不是……

... will think twice before ...
……在……之前会三思

⑥ Equally important is 倒装过渡句

这个句式表达 表达“同样重要的是……”，从一个要点自然过渡到另一个要点

公式 Equally important is + 名词 / 动名词短语.

范文原句 Equally important is making rational choices
做出理性的选择同样重要

正常语序是 Making rational choices is equally important，把表语 equally important 提到句首形成倒装，既强调了“同样重要”，又顺势引出新的要点。首句有两部分要求时，用它过渡到第二部分最自然。

例1 Equally important is the support of family and friends.
同样重要的是家人和朋友的支持。

例2 Equally important is developing good habits in daily life.
同样重要的是在日常生活中养成好习惯。

也可以这样说

What is equally important is ...
同样重要的是……

Another key point is ...
另一个关键点是……

⑦ With + 名词 收尾句

这个句式表达 表达“有了……，我们就会……”，把前文要培养的品质和最终的好结果连起来

公式 With + 形容词 + 名词, 主语 + will + no longer + 动词 / be …

范文原句 With a clear and critical mind, we will no longer be at the mercy of the information around us

有了清醒而善于批判性思考的头脑，我们就不再任由身边的信息摆布

With 短语表示条件“有了……”，一句话概括全文要培养的能力；no longer 意思是“不再”；at the mercy of 意思是“任由……摆布”，很形象。用它收尾，既总结了观点，又呼应首句的“信息爆炸”。

例1 With a positive attitude, we will no longer be afraid of difficulties.

有了积极的心态，我们就不再害怕困难。

例2 With good time management, students will no longer be at the mercy of deadlines.

学会管理时间，学生就不再被截止日期牵着走。

也可以这样说

Once we have ..., we will ...

一旦我们有了……，我们就会……

Armed with ..., we can ...

有了……，我们就能……

10 亮点词汇

把普通说法换成高分说法

高分表达	意思	替代的普通说法
rational	adj. 理性的	sensible
be flooded with	被……淹没；充斥着……	have a lot of
well-intentioned	adj. 出于善意的	well-meant
rumor	n. 谣言	false story
evidence	n. 证据	proof
mislead	v. 误导	fool
on impulse	一时冲动地	without thinking
weigh	v. 权衡；斟酌	think about
media literacy	媒介素养	media skills
at the mercy of	任由……摆布	controlled by

培养大学生团队精神

2022年12月大学英语六级 第3套 · 写作 Part I

议论文 · 范文 197 词

1 原题

Part I **Writing** **(30 minutes)**

Directions: *For this part, you are allowed 30 minutes to write an essay that begins with the sentence "**Today increasing importance is being attached to cultivating college students' team spirit.**" You can make statements, give reasons, or cite examples to develop your essay. You should write at least 150 words but no more than 200 words.*

题目译文

这一部分（For this part），你有 30 分钟（30 minutes）写一篇文章（essay），文章要以给出的这句话开头（begins with the sentence）："如今，人们越来越重视（increasing importance is being attached to）培养大学生的团队精神（team spirit）。"（Today increasing importance is being attached to cultivating college students' team spirit.）

你可以陈述观点（make statements）、说明理由（give reasons），或者举例说明（cite examples）来展开文章（develop your essay）。

字数：至少 150 词（at least 150 words），但不超过 200 词（no more than 200 words）。

2 审题

先弄清楚要写什么，再动笔

议论文（给定首句）：培养大学生的团队精神

150—200 词（题目要求 at least 150 words but no more than 200 words，首句也算在内）；范文写到 190—200 词，本篇 197 词。不要卡着 150 词的最低线写，也绝不能超过 200 词

- [ ] 用题目给的句子开头，一字不差照抄，放在全文第一句
- [ ] 首句说的是一个现象（团队精神越来越受重视），紧接着要说清为什么会这样：社会和用人单位为什么看重它
- [ ] 用陈述、理由或事例来展开（题目点明的三种方法）：写出团队精神对学生的好处，最好配一个具体的合作经历
- [ ] 顺着话题说清怎样培养团队精神，并有一个有力的结尾，让文章完整

语气与身份：正式、客观的议论语气：论证部分用第三人称，讲亲身经历时可以用 I 和 we，但只写一个例子；用 can、should 提建议，不用口语化的表达

容易失分的地方

- 首句必须一字不差照抄：increasing importance、is being attached to、cultivating、college students' 一个词都不能改，句末的句号也要照抄；is being attached 是现在进行时的被动语态，不要抄成 is attached
- 首句只是现象，不是观点的全部：要接着回答“为什么重视”“有什么好处”“怎样培养”，不要把整篇写成“团队精神的定义”
- 亲身经历要写出变化：起初怎样、后来做了什么、结果如何、说明了什么，不要只写“我们合作得很好，得了奖”
- 经历最容易写长，首句又算在字数里，例子控制在三句以内，绝不能超过 200 词

3 题目要求逐条落实

每一条要求 → 范文里的哪一句

题目要求	范文原句	怎么做到的
用给定的句子开头	Today increasing importance is being attached to cultivating college students' team spirit.	全文第一句原样照抄题目给的句子，一个词、一个标点都没有改。
用陈述说明为什么受重视	many major tasks, from scientific research to business projects, are too complex for any individual to complete alone	首句之后先讲社会原因（重大任务太复杂，一个人完成不了），再讲结果（用人单位把合作能力看得和专业知识一样重），解释了首句的现象。
用理由展开：团队精神的好处	Team spirit benefits students in many ways.	第二段先总起“好处很多”，再具体写出学会沟通、倾听、发挥长处，以及把共同目标放在个人利益之上。
用事例支撑观点	Last year, I took part in a business plan competition with four classmates.	用自己和同学参加商业计划大赛的经历作例子：起初争吵，分工后效率提高、拿到第二名，最后点明经历证明了什么；题目给的陈述、理由、举例三种方法，本文都用上了。
说清怎样培养团队精神	To cultivate team spirit, colleges can assign more group projects	第三段把做法分给高校和学生自己两个主体：高校布置小组项目、鼓励参加社团和运动队；学生乐于分担责任、尊重队友、冷静处理分歧。
有力的结尾	Those who learn to cooperate in college will be well prepared to succeed in their future careers.	最后一句说出学会合作的长远好处，future careers 呼应第一段的“用人单位看重合作能力”，首尾照应。

字数 150—200 词	Today increasing importance is being attached	全文共 197 词（含首句）：第一段 3 句，第二段 6 句，第三段 3 句，落在 190—200 词的目标区间内，没有超过 200 词。

4 写作思路

先列提纲，每段一个任务

第一段

照抄首句，解释原因

首句（培养大学生团队精神越来越受重视）→ 社会原因：重大任务太复杂，个人无法独自完成 → 结果：用人单位把合作能力看得和专业知识同样重要

第二段

论证团队精神的好处

总起：好处很多 → 学会沟通、倾听不同意见、发挥每个成员的长处 → 把共同目标置于个人利益之上 → 亲身经历：商业计划大赛，起初争吵，按特长分工后效率提高，获得第二名 → 点明：团队的力量远大于个人各自为战

第三段

提出做法并收尾

高校：布置小组项目，鼓励加入社团和运动队 → 学生：分担责任、尊重队友、冷静处理分歧 → 收尾：在大学学会合作，就为未来的职业成功做好了准备

5 满分范文

荧光笔 + 圆圈编号 = 下面讲的高分句式

[1] Today increasing importance is being attached to cultivating college students' team spirit. [2] In modern society, many major tasks, from scientific research to business projects, are too complex for any individual to complete alone①. [3] As a result, employers now value the ability to cooperate as highly as professional knowledge②.

[4] Team spirit benefits students in many ways. [5] When working in a team, they learn to communicate clearly, listen to different views and make the most of each member's strengths③. [6] They also learn to put the common goal above personal interests. [7] Last year, I took part in a business plan competition with four classmates. [8] At first we argued constantly, but once we divided the work according to what each of us did best, our efficiency improved greatly and we finally won second place④. [9] That experience taught me that a team can achieve far more than its members working separately⑤.

[10] To cultivate team spirit, colleges can assign more group projects and encourage students to join clubs and sports teams⑥. [11] Students themselves should be willing to share responsibilities, respect their teammates and handle disagreements calmly. [12] Those who learn to cooperate in college will be well prepared to succeed in their future careers⑦.

参考译文

如今，培养大学生的团队精神越来越受到重视。在现代社会，许多重大任务，从科学研究到商业项目，都过于复杂，任何个人都无法独自完成。因此，用人单位如今把合作能力看得和专业知识同样重要。

团队精神在许多方面让学生受益。在团队中工作时，他们学会清楚地沟通、倾听不同的观点，并充分发挥每个成员的长处。他们还学会把共同目标置于个人利益之上。去年，我和四位同学一起参加了一场商业计划大赛。起初我们不停地争论，但当我们按照每个人最擅长的事情分工之后，效率大大提高，最终获得了第二名。那次经历让我明白，一个团队所能取得的成就远远超过其成员各自为战时的成就。

为了培养团队精神，高校可以布置更多的小组项目，并鼓励学生加入社团和运动队。学生自己则应当乐于分担责任、尊重队友，并冷静地处理分歧。在大学里学会合作的人，将为在未来的职业生涯中取得成功做好充分准备。

6 一步一步写出这篇范文

01 一字不差照抄首句

把题目给的句子原样写在开头，抄完逐词核对一遍，尤其是 is being attached to、students' 的撇号和句末句号。

> 1 Today increasing importance is being attached to cultivating college students' team spirit.
> 如今，培养大学生的团队精神越来越受到重视。

02 两句话解释“为什么受重视”

先用 In modern society 讲社会原因，用 from … to … 插入两个领域的例子；再用 As a result 引出结果：用人单位的看法变了。原因和结果一环扣一环。

> 2 In modern society, many major tasks, from scientific research to business projects, are too complex for any individual to complete alone.
> 在现代社会，许多重大任务，从科学研究到商业项目，都过于复杂，任何个人都无法独自完成。
>
> 3 As a result, employers now value the ability to cooperate as highly as professional knowledge.
> 因此，用人单位如今把合作能力看得和专业知识同样重要。

03 总起句 + 具体的好处

第二段第一句 Team spirit benefits students in many ways 总起；下一句用 learn to 带出三个并列的能力，再用 also 补上“把集体放在个人之上”，好处写得具体。

> 4 Team spirit benefits students in many ways.
> 团队精神在许多方面让学生受益。
>
> 5 When working in a team, they learn to communicate clearly, listen to different views and make the most of each member's strengths.
> 在团队中工作时，他们学会清楚地沟通、倾听不同的观点，并充分发挥每个成员的长处。
>
> 6 They also learn to put the common goal above personal interests.
> 他们还学会把共同目标置于个人利益之上。

04 讲一个有转折的亲身经历

先交代时间、事件、人物（Last year、a business plan competition、four classmates）；再用 At first … but once … 写出从争吵到分工、从低效到获奖的变化。

> 7 Last year, I took part in a business plan competition with four classmates.
> 去年，我和四位同学一起参加了一场商业计划大赛。
> 8 At first we argued constantly, but once we divided the work according to what each of us did best, our efficiency improved greatly and we finally won second place.
> 起初我们不停地争论，但当我们按照每个人最擅长的事情分工之后，效率大大提高，最终获得了第二名。

05 点明经历证明了什么

用 That experience taught me that 把例子和观点挂钩，far more than 写出团队和个人的差距，例子才真正起到论证作用。

> 9 That experience taught me that a team can achieve far more than its members working separately.
> 那次经历让我明白，一个团队所能取得的成就远远超过其成员各自为战时的成就。

06 做法分给高校和学生

用 To cultivate team spirit 开头点明本段写做法；高校用 can，学生用 should，每个主体都给出两三个具体做法。

> 10 To cultivate team spirit, colleges can assign more group projects and encourage students to join clubs and sports teams.
> 为了培养团队精神，高校可以布置更多的小组项目，并鼓励学生加入社团和运动队。
> 11 Students themselves should be willing to share responsibilities, respect their teammates and handle disagreements calmly.
> 学生自己则应当乐于分担责任、尊重队友，并冷静地处理分歧。

07 用 Those who 收尾、呼应开头

Those who learn to cooperate 概括全文，will be well prepared to succeed in their future careers 呼应第一段的用人单位，首尾照应。

> 12 Those who learn to cooperate in college will be well prepared to succeed in their future careers.
> 在大学里学会合作的人，将为在未来的职业生涯中取得成功做好充分准备。

7 为什么是满分档

切题

首句一字不差照抄，后文按“为什么重视 → 有什么好处 → 怎样培养”层层展开，每一段都围绕“大学生的团队精神”：第一段解释社会和用人单位为什么看重它，第二段写好处并举出自己参赛的经历，第三段给高校和学生提出做法，结尾回到未来的职业。题目提示的陈述、理由、举例都用上了，没有一句跑题。满分档作文的特点就是：观点明确，每一部分都在为中心服务。

Today increasing importance is being attached to cultivating college students' team spirit.

employers now value the ability to cooperate as highly as professional knowledge

Team spirit benefits students in many ways.

Last year, I took part in a business plan competition with four classmates.

To cultivate team spirit

结构与连贯

三段式结构清楚：现象与原因 → 好处与例子 → 做法与展望。第一段用 As a result 连起原因和结果；第二段先用总起句 Team spirit benefits students in many ways 交代本段内容，再用 also 补充，用 At first、but once、finally 写出经历的先后，用 That experience taught me that 把例子和观点挂钩；第三段用 To cultivate team spirit 承上启下，Students themselves 转到第二个主体。读者能顺着思路一步步读下去，这正是满分档作文在结构上的表现。

As a result

Team spirit benefits students in many ways.

They also learn

At first

That experience taught me that

Students themselves should

语言

句式丰富而且用得准确：现在进行时被动语态、from … to … 插入语、too … for sb. to do、as highly as 同级比较、when 引导的省略状语、once 引导的条件状语、what 从句、Those who 定语从句；用词具体、正式，如 cultivating、complex、value、make the most of、put the common goal above personal interests、assign、handle disagreements calmly。全文没有语法错误，表达自然，满分档作文的语言就是这样准确、多样又地道。

increasing importance is being attached to

are too complex for any individual to complete alone

value the ability to cooperate as highly as professional knowledge

When working in a team

put the common goal above personal interests

according to what each of us did best

handle disagreements calmly

Those who learn to cooperate in college will be well prepared to succeed in their future careers

8 升格示范

升格 1

第 1 步 So companies like people who can work with others.
So 开头、like 都很口语，也没说出合作能力到底有多重要。

第 2 步 As a result, employers think teamwork is very important.
As a result、employers 正式了；但 think … very important 太普通，“重要”到什么程度说不清。

第 3 步 As a result, employers now value the ability to cooperate very highly.
value 作动词表示“看重”，更正式；但 very highly 没有参照。范文改成 as highly as professional knowledge，拿公认重要的专业知识作对比，一下子说明了合作能力的地位。

满分句 **As a result, employers now value the ability to cooperate as highly as professional knowledge.**

升格 2

第 1 步 We argued a lot, but later we won second place.
只有开头和结果，中间是怎么转变的没写，例子没有说服力；argued a lot 也偏口语。

第 2 步 At first we argued constantly, but later we divided the work and won second place.
有了转折点（分工），constantly 更正式；但没说按什么分工，later 也看不出“分工”和“获奖”之间的因果。

第 3 步 At first we argued constantly, but once we divided the work according to what each of us did best, we won second place.
once 表示“一旦……就”，因果清楚；according to what each of us did best 写出发挥每个人的长处，呼应上文的 strengths。范文再加 our efficiency improved greatly，把过程写完整：先是效率提高，再拿到名次。

满分句 **At first we argued constantly, but once we divided the work according to what each of us did best, our efficiency improved greatly and we finally won second place.**

升格 3

第 1 步 Team spirit is good for students' future.
收尾太空，good for 很普通，没说清对未来的什么有好处。

第 2 步 If students learn to cooperate in college, they will succeed in the future.
有了条件和结果；但 will succeed 说得太绝对，in the future 也比较笼统。

第 3 步 Students who learn to cooperate in college will succeed in their future careers.
who 定语从句更紧凑，their future careers 具体到职业；但仍然说得太绝对。范文改成 Those who … will be well prepared to succeed，既更概括（指所有这样的人），又有分寸：是做好了准备，而不是保证成功。

满分句 **Those who learn to cooperate in college will be well prepared to succeed in their future careers.**

① too … for sb. to do 句

这个句式表达 表达“某事太……，以至于某人无法……”，说明一件事单靠个人做不到

公式 主语（, from A to B,）+ be + too + 形容词 + for + 人 + to + 动词原形 …

范文原句 many major tasks, from scientific research to business projects, are too complex for any individual to complete alone

许多重大任务，从科学研究到商业项目，都过于复杂，任何个人都无法独自完成

too … to 本身就带否定意思（太……而不能），不要再加 not。for any individual 说明“对谁来说”；中间插入的 from scientific research to business projects 用两个领域举例，一个短语就让观点具体了。

例1 Some environmental problems are too serious for any single country to solve alone.
有些环境问题太严重，任何一个国家都无法单独解决。

例2 Many skills, from cooking to driving, are too practical for students to learn from books alone.
许多技能，从做饭到开车，都太讲究实践，学生光靠书本学不会。

也可以这样说

... are so complex that no one can ... alone.
……如此复杂，没有人能独自……

... are beyond the ability of any individual.
……超出了任何个人的能力。

② value A as highly as B 句

这个句式表达 表达“把 A 看得和 B 一样重要”，用对比说出某事物的地位

公式 主语 + value + A + as highly as + B

范文原句 employers now value the ability to cooperate as highly as professional knowledge

用人单位如今把合作能力看得和专业知识同样重要

value 在这里作动词，意思是“重视、看重”；as highly as 是同级比较，拿大家公认重要的 professional knowledge 作参照，一下子就说明了合作能力有多重要。比 think … is very important 具体、有力。

例1 Many parents now value their children’s health as highly as their grades.
许多父母如今把孩子的健康看得和成绩一样重要。

例2 Good companies value honesty as highly as ability.
好的公司把诚信看得和能力一样重要。

也可以这样说

... attach as much importance to A as to B.

……对 A 的重视程度和对 B 一样。

A is considered as important as B.

A 被认为和 B 同样重要。

③ learn to 三个并列动作句

这个句式表达 表达“在某种经历中，人们学会了做 A、B 和 C”，把抽象的“好处”写成具体的能力

公式 When doing … / By doing …, 主语 + learn to + 动作1, 动作2 and 动作3

范文原句 they learn to communicate clearly, listen to different views and make the most of each member's strengths

他们学会清楚地沟通、倾听不同的观点，并充分发挥每个成员的长处

learn to 后面接三个并列的动词短语，最后一个前面加 and，节奏整齐。make the most of 意思是“充分利用、充分发挥”，是很好用的高分短语。把“团队精神有好处”拆成三个具体能力，阅卷老师才看得到内容。

例1 By doing part-time jobs, students learn to manage money, deal with people and make the most of their time.

通过做兼职，学生学会管理钱财、与人打交道，并充分利用时间。

例2 When living away from home, young people learn to cook, clean and solve problems on their own.

离家生活时，年轻人学会做饭、打扫，并独立解决问题。

也可以这样说

... helps them develop the ability to ...

……帮助他们培养……的能力

... teaches them how to ...

……教会他们如何……

④ At first … but once … 经历转折句

这个句式表达 表达“起初……，但一旦……，结果就……”，写出亲身经历中的变化

公式 At first + 起初的情况, but once + 做出的改变, + 结果1 and 结果2

范文原句 At first we argued constantly, but once we divided the work according to what each of us did best, our efficiency improved greatly and we finally won second place

起初我们不停地争论，但当我们按照每个人最擅长的事情分工之后，效率大大提高，最终获得了第二名

At first 写起初的困难，but 转折，once 意思是“一旦……就”，引出关键的改变；后面两个结果由近到远（效率提高 → 获得名次）。一句话里有困难、有转折、有结果，例子就有说服力。according to what each of us did best 里的 what 从句意思是“每个人最擅长的事”。

例1 At first I found college life lonely, but once I joined the music club, I made many friends and became more confident.

起初我觉得大学生活很孤独，但加入音乐社团之后，我交了很多朋友，也变得更自信了。

例2 At first the village was poor, but once a new road was built, local farmers sold more fruit and their incomes rose.

起初这个村子很穷，但一修通新路，当地农民就卖出了更多水果，收入也提高了。

也可以这样说

In the beginning ..., but after ..., ...

一开始……，但在……之后，……

...; however, as soon as ..., ...

……；然而，一……就……

⑤ That experience taught me that 点明句

这个句式表达 表达“那次经历让我明白……”，在亲身经历后面点明它证明的道理

公式 That experience taught me that + 完整句子（道理）

范文原句 That experience taught me that a team can achieve far more than its members working separately

那次经历让我明白，一个团队所能取得的成就远远超过其成员各自为战时的成就

teach sb. that … 意思是“让某人明白……”；经历讲完一定要用一句话说出道理，否则例子只是讲故事。far more than 意思是“远远多于”，its members working separately 是“成员各自为战”，和 a team 形成对比。

例1 That experience taught me that failure is the first step to success.

那次经历让我明白，失败是通往成功的第一步。

例2 That trip taught me that kindness can be found everywhere.

那次旅行让我明白，善意处处都在。

也可以这样说

From that experience, I learned that ...

从那次经历中，我认识到……

This example shows that ...

这个例子表明……

⑥ To do 目的状语建议句

这个句式表达 表达“为了……，某方可以做……，并鼓励……”，开门见山地给出具体做法

公式 To + 动词原形（目标），主体 + can + 做法1 and encourage + 人 + to + 做法2

范文原句 To cultivate team spirit, colleges can assign more group projects and encourage students to join clubs and sports teams

为了培养团队精神，高校可以布置更多的小组项目，并鼓励学生加入社团和运动队

不定式 To cultivate team spirit 放在句首表示目的，一看就知道这一段要讲做法。encourage sb. to do 意思是“鼓励某人做”；建议要具体到“做什么”，如 group projects、clubs and sports teams，不能只说 help students。

例1 To reduce food waste, restaurants can offer smaller portions and encourage customers to take leftovers home.
为了减少食物浪费，餐馆可以提供小份菜，并鼓励顾客把剩菜打包带走。

例2 To protect students' eyesight, schools can limit screen time and encourage students to play outdoors.
为了保护学生的视力，学校可以限制使用电子屏幕的时间，并鼓励学生到户外活动。

也可以这样说

In order to ..., colleges should ...
为了……，高校应当……

One effective way to ... is to ...
……的一个有效办法是……

⑦ Those who ... will be well prepared to 收尾句

这个句式表达 表达“做到……的人，将为……做好充分准备”，说出长远的好处来收尾

公式 Those who + 做法 + will be well prepared to + 动词原形 …

范文原句 Those who learn to cooperate in college will be well prepared to succeed in their future careers

在大学里学会合作的人，将为在未来的职业生涯中取得成功做好充分准备

Those who 意思是“那些……的人”，泛指所有做到这一点的人，比 Students who 更概括。be well prepared to 意思是“为……做好充分准备”，说得有分寸：不是保证成功，而是做好了准备。用它收尾，把话题从大学延伸到未来。

例1 Those who develop good habits early will be well prepared to face challenges in life.
早早养成好习惯的人，将为迎接生活中的挑战做好充分准备。

例2 Those who read widely in college will be well prepared to think independently.
在大学里广泛阅读的人，将为独立思考做好充分准备。

也可以这样说

Anyone who ... will find it easier to ...

凡是……的人，都会更容易……

... will lay a solid foundation for ...

……将为……打下坚实的基础

10 亮点词汇

把普通说法换成高分说法

高分表达	意思	替代的普通说法
attach importance to	重视	think ... is important
cultivate	v. 培养	build
complex	adj. 复杂的	difficult
value	v. 重视；看重	think highly of
cooperate	v. 合作	work together
make the most of	充分利用；充分发挥	use
constantly	adv. 不断地	all the time
efficiency	n. 效率	speed
assign	v. 布置；分配	give
disagreement	n. 分歧；意见不合	argument

践行绿色生活方式

2022年6月大学英语六级 第1套 · 写作 Part I
议论文 · 范文 196 词

1 原题

Part I **Writing** **(30minutes)**

Directions: *For this part, you are allowed 30 minutes to write an essay that begins with the sentence* ***"Nowadays more and more people choose to live an environmentally friendly lifestyle."*** *You can make comments, cite examples, or use your personal experiences to develop your essay. You should write at least 150 words but no more than 200 words.*

题目译文

这一部分（For this part），你有 30 分钟（30 minutes）写一篇文章（essay），文章要以给出的这句话开头（begins with the sentence）："如今，越来越多的人选择过一种环保的生活方式（an environmentally friendly lifestyle）。"（Nowadays more and more people choose to live an environmentally friendly lifestyle.）

你可以发表评论（make comments）、举例说明（cite examples），或者用自己的亲身经历（use your personal experiences）来展开文章（develop your essay）。

字数：至少 150 词（at least 150 words），但不超过 200 词（no more than 200 words）。

2 审题

先弄清楚要写什么，再动笔

议论文（给定首句）：越来越多的人选择环保的生活方式

150—200 词（题目要求 at least 150 words but no more than 200 words，首句也算在内）；范文写到 190—200 词，本篇 196 词。不要卡着 150 词的最低线写，也绝不能超过 200 词

- [ ] 用题目给的句子开头，一字不差照抄，放在全文第一句
- [ ] 首句描述的是一个现象（越来越多的人过环保生活），紧接着用具体行为把现象写实
- [ ] 用评论、举例或亲身经历来展开（题目点明的三种方法）：分析这种现象出现的原因，每个原因都要说具体
- [ ] 表明自己对这一趋势的态度，并号召大家从小事做起，有一个有力的结尾，让文章完整

语气与身份：正式、客观的议论语气：分析原因用第三人称，表态时可以用 In my opinion、we，用 can 提出号召；不用口语化的表达

容易失分的地方

- 首句必须一字不差照抄：more and more、environmentally friendly、lifestyle 一个词都不能改，environmentally 不要写成 environmental，句末的句号也要照抄
- 现象类首句的重点是“为什么”：不要把全文写成“环保很重要”的空洞口号，要分析出几条具体原因
- 举例要具体：写出哪些环保行为（公共交通、垃圾分类、拒绝一次性筷子），不要只写 protect the environment
- 首句算在字数里，三个原因加例子很容易写长，每个原因一两句就够，绝不能超过 200 词

3 题目要求逐条落实

每一条要求 → 范文里的哪一句

题目要求	范文原句	怎么做到的
用给定的句子开头	Nowadays more and more people choose to live an environmentally friendly lifestyle.	全文第一句原样照抄题目给的句子，一个词、一个标点都没有改。
把首句的现象写具体	They take public transportation, sort their garbage, carry reusable shopping bags and avoid wasting food.	首句只说“越来越多的人过环保生活”，第二句马上列出四个具体行为，第三句再说这些习惯已成为日常，现象一下子看得见。
评论：分析现象的原因	Several factors have contributed to this change.	第二段先总起“有几个因素”，再用 First、Second、Third 分别写环保意识增强、政府政策推动、绿色生活本身有好处三条原因，层次分明。
用事例支撑观点	Cycling to work, for instance, not only reduces emissions but also keeps people fit	每条原因都配了具体例子：空气污染和气候变化、强制垃圾分类和推广电动汽车、骑车上班和节约水电；题目给的评论、举例、亲身经历三种方法，本文用了评论和举例。
评论：表明自己的态度	In my opinion, this trend deserves our full support.	第三段开门见山表态：全力支持，再用 Although 让步，说明个人的力量虽小，千百万人汇聚起来就能改善环境。
号召行动，有力收尾	Each of us can start with simple actions	给出随手关灯、拒绝一次性筷子和塑料吸管等人人都能做到的小事，最后用 If we all play our part 收尾，展望子孙后代的家园。
字数 150—200 词	Nowadays more and more people choose to live	全文共 196 词（含首句）：第一段 3 句，第二段 5 句，第三段 4 句，落在 190—200 词的目标区间内，没有超过 200 词。

4 写作思路

先列提纲，每段一个任务

第一段

照抄首句，描述现象

首句（越来越多的人选择环保生活方式）→ 四个具体行为：乘公共交通、垃圾分类、自带购物袋、不浪费食物 → 这些曾被认为不寻常的习惯已成为日常

第二段

分析原因

总起：几个因素 → 第一，环保意识增强（空气污染、气候变化），认识到个人选择有影响 → 第二，政府政策推动（强制垃圾分类、推广电动汽车）→ 第三，绿色生活对自己也有好处（骑车上班减排又健身，节约水电省钱）

第三段

表明态度并号召

表态：全力支持 → 让步：个人努力虽小，千百万人汇聚起来力量巨大 → 号召：随手关灯、拒绝一次性筷子和塑料吸管 → 收尾：人人尽力，给子孙后代更干净、更健康的家园

5 满分范文

荧光笔 + 圆圈编号 = 下面讲的高分句式

[1] Nowadays more and more people choose to live an environmentally friendly lifestyle. [2] They take public transportation, sort their garbage, carry reusable shopping bags and avoid wasting food. [3] Such green habits, once considered unusual, have become part of many people's daily routines①.

[4] Several factors have contributed to this change②. [5] First, people have become increasingly aware of environmental problems such as air pollution and climate change③, and they realize that every individual's choices make a difference. [6] Second, the Chinese government has encouraged green living through policies such as mandatory waste sorting and the promotion of electric vehicles. [7] Third, a green lifestyle often benefits people themselves. [8] Cycling to work, for instance, not only reduces emissions but also keeps people fit④, and saving water and electricity lowers household bills.

[9] In my opinion, this trend deserves our full support⑤. [10] Although one person's efforts may seem small, the combined efforts of millions can greatly improve our environment⑥. [11] Each of us can start with simple actions, such as turning off the lights when leaving a room and saying no to disposable chopsticks and plastic straws. [12] If we all play our part, our planet will be a cleaner and healthier home for future generations⑦.

参考译文

如今，越来越多的人选择过一种环保的生活方式。他们乘坐公共交通，给垃圾分类，携带可重复使用的购物袋，并且避免浪费食物。这类绿色习惯曾被认为与众不同，如今已成为许多人日常生活的一部分。

有几个因素促成了这一变化。首先，人们越来越意识到空气污染、气候变化等环境问题，并且认识到每个人的选择都会产生影响。其次，中国政府通过强制垃圾分类、推广电动汽车等政策鼓励绿色生活。第三，绿色生活方式往往也让人们自身受益。比如，骑自行车上班不仅能减少排放，还能让人保持健康；而节约用水用电则能降低家庭开支。

在我看来，这一趋势值得我们全力支持。虽然一个人的努力也许显得微不足道，但千百万人的努力汇聚起来，就能极大地改善我们的环境。我们每个人都可以从简单的行动做起，比如离开房间时随手关灯，对一次性筷子和塑料吸管说“不”。只要我们都尽一份力，我们的地球就会成为子孙后代更干净、更健康的家园。

6 一步一步写出这篇范文

01 一字不差照抄首句

把题目给的句子原样写在开头，抄完逐词核对一遍，尤其是 environmentally friendly 和句末句号。

> 1 Nowadays more and more people choose to live an environmentally friendly lifestyle.
> 如今，越来越多的人选择过一种环保的生活方式。

02 列举行为，把现象写实

第二句用四个并列的动词短语写出人们具体怎么做；第三句用 Such 承接，插入 once considered unusual 写出今昔变化。

> 2 They take public transportation, sort their garbage, carry reusable shopping bags and avoid wasting food.
> 他们乘坐公共交通，给垃圾分类，携带可重复使用的购物袋，并且避免浪费食物。
> 3 Such green habits, once considered unusual, have become part of many people's daily routines.
> 这类绿色习惯曾被认为与众不同，如今已成为许多人日常生活的一部分。

03 一句话总起原因

第二段第一句 Several factors have contributed to this change，告诉读者下面要分几条写原因，this change 指回第一段的现象。

> 4 Several factors have contributed to this change.
> 有几个因素促成了这一变化。

04 原因一、二：意识 + 政策

用 First 写人的观念变了，用 such as 举两个环境问题；用 Second 写外部推动，用 through policies such as 举两项政策。一内一外，原因更全面。

> 5 First, people have become increasingly aware of environmental problems such as air pollution and climate change, and they realize that every individual's choices make a difference.
> 首先，人们越来越意识到空气污染、气候变化等环境问题，并且认识到每个人的选择都会产生影响。
> 6 Second, the Chinese government has encouraged green living through policies such as mandatory waste sorting and the promotion of electric vehicles.
> 其次，中国政府通过强制垃圾分类、推广电动汽车等政策鼓励绿色生活。

05 原因三：好处 + 例子

用 Third 写绿色生活对自己也有好处，下一句用 for instance 举出骑车上班和节约水电两个例子，not only … but also 写出一举两得。

> 7 Third, a green lifestyle often benefits people themselves.
> 第三，绿色生活方式往往也让人们自身受益。
> 8 Cycling to work, for instance, not only reduces emissions but also keeps people fit, and saving water and electricity lowers household bills.
> 比如，骑自行车上班不仅能减少排放，还能让人保持健康；而节约用水用电则能降低家庭开支。

06 表明态度，用让步加强说服力

第三段第一句 In my opinion 直接表态；下一句用 Although 先承认个人力量小，再说千百万人汇聚起来力量巨大，打消“我一个人没用”的想法。

> 9 In my opinion, this trend deserves our full support.
> 在我看来，这一趋势值得我们全力支持。
> 10 Although one person's efforts may seem small, the combined efforts of millions can greatly improve our environment.
> 虽然一个人的努力也许显得微不足道，但千百万人的努力汇聚起来，就能极大地改善我们的环境。

07 号召从小事做起，展望收尾

用 Each of us can start with 给出人人能做的小事；最后用 If we all play our part 收尾，展望 future generations 的家园，结尾有力量。

> 11 Each of us can start with simple actions, such as turning off the lights when leaving a room and saying no to disposable chopsticks and plastic straws.
> 我们每个人都可以从简单的行动做起，比如离开房间时随手关灯，对一次性筷子和塑料吸管说“不”。
> 12 If we all play our part, our planet will be a cleaner and healthier home for future generations.
> 只要我们都尽一份力，我们的地球就会成为子孙后代更干净、更健康的家园。

7 为什么是满分档

切题 · 结构与连贯 · 语言

切题

首句一字不差照抄，后文按“现象 → 原因 → 态度”展开，每一段都紧扣“环保生活方式”：第一段用具体行为把现象写实，第二段分析三条原因并各有例子，第三段表明支持并号召从小事做起。题目提示的评论和举例都用上了，没有一句跑题。满分档作文的特点就是：观点明确，每一部分都在为中心服务。

Nowadays more and more people choose to live an environmentally friendly lifestyle.

They take public transportation, sort their garbage, carry reusable shopping bags and avoid wasting food.

Several factors have contributed to this change.

In my opinion, this trend deserves our full support.

Each of us can start with simple actions

结构与连贯

三段式结构清楚：描述现象 → 分析原因 → 表态号召。第二段先用总起句交代“有几个因素”，再用 First、Second、Third 分条展开；Such green habits、this change、this trend 一次次指回前文的现象，把三段紧紧连在一起；第三段用 In my opinion 转入评论，用 Although 让步，最后 If we all play our part 收尾。读者能顺着思路一步步读下去，这正是满分档作文在结构上的表现。

Such green habits

Several factors have contributed to this change.

First, people have become

Second, the Chinese government

Third, a green lifestyle

this trend deserves our full support

If we all play our part

语言

句式丰富而且用得准确：四个并列动词短语、once considered 插入语、现在完成时写变化、such as 举例、动名词作主语、not only … but also、Although 让步、if 条件句收尾；用词具体、正式，如 reusable、daily routines、contributed to、increasingly aware of、mandatory waste sorting、emissions、deserves、disposable。全文没有语法错误，表达自然，满分档作文的语言就是这样准确、多样又地道。

Such green habits, once considered unusual, have become part of many people's daily routines

people have become increasingly aware of environmental problems such as air pollution and climate change

every individual's choices make a difference

policies such as mandatory waste sorting and the promotion of electric vehicles

Cycling to work, for instance, not only reduces emissions but also keeps people fit

the combined efforts of millions can greatly improve our environment

saying no to disposable chopsticks and plastic straws

8 升格示范

普通写法一步一步改成满分句

升格 1

第 1 步 Many people have these habits now.

意思太简单，have these habits 很普通，看不出习惯发生了什么变化。

第 2 步 These green habits were unusual before, but now many people have them.

有了今昔对比；但 were … but now … have 两个分句结构松散，have them 仍然普通。

第 3 步 These green habits have become part of many people's daily routines.

become part of … daily routines 形象地说明“已经成为日常”；但丢掉了“过去被认为不寻常”的对比。范文用插入语 once considered unusual 把对比放回来，再用 Such 承接上一句，一句话写出变化。

满分句 **Such green habits, once considered unusual, have become part of many people's daily routines.**

升格 2

第 1 步 First, people know that the environment is getting worse.

说出了原因的方向，但 know 太普通，也没有具体的环境问题。

第 2 步 First, people know more about environmental problems like air pollution.

有了例子；但 know more about 偏口语，like 不如 such as 正式，也看不出“意识在不断增强”。

第 3 步 First, people have become increasingly aware of environmental problems such as air pollution and climate change.

become increasingly aware of 写出意识在不断增强，现在完成时说明变化延续到现在，such as 举了两个例子；但只说“知道问题”，还没解释人们为什么会动手改变。范文再加 they realize that every individual's choices make a difference，说明人们相信自己的选择有用，理由才完整。

满分句 **First, people have become increasingly aware of environmental problems such as air pollution and climate change, and they realize that every individual's choices make a difference.**

升格 3

第 1 步 One person can do little, but many people can do a lot.
道理对，但 do little、do a lot 很口语，也没说出能做成什么。

第 2 步 Although one person's efforts are small, many people's efforts can improve the environment.
用 Although 让步，有了具体结果；但 are small 说得太绝对，many people's efforts 和前面重复、平淡。

第 3 步 Although one person's efforts may seem small, the efforts of millions can greatly improve our environment.
may seem small 有分寸（只是看起来小），millions 比 many people 更有冲击力，greatly 加强了结果；范文再加 combined，点出“汇聚起来”才有大力量，和 one person 的对比更鲜明。

满分句 **Although one person's efforts may seem small, the combined efforts of millions can greatly improve our environment.**

9 高分句式

公式 → 原句 → 讲解 → 仿写

① once considered 插入语变化句

这个句式表达 表达“曾经被认为……的某事，如今已经成为……”，一句话写出今昔变化

公式 （Such +）名词, once considered + 形容词 / 名词短语, has / have become + 名词短语（如 part of …）

范文原句 Such green habits, once considered unusual, have become part of many people's daily routines
这类绿色习惯曾被认为与众不同，如今已成为许多人日常生活的一部分

once considered unusual 是过去分词短语作插入语，相当于 which were once considered unusual，once 意思是“曾经”。主句用现在完成时 have become，说明变化延续到现在。Such 承接上一句列出的行为，句子之间衔接自然。

例1 Online payment, once considered risky, has become part of our daily life.
网上支付曾被认为有风险，如今已经成为我们日常生活的一部分。

例2 Such part-time jobs, once considered a waste of time, have become a popular way to gain experience.
这类兼职曾被认为浪费时间，如今已成为积累经验的热门方式。

也可以这样说

What used to be ... has now become ...
过去……的东西，如今已经成为……

..., which was once rare, is now common.
……曾经很少见，如今已很普遍。

② 原因总起句

这个句式表达 表达“有几个因素促成了这一变化”，为下面分条写原因开路

公式 Several factors have contributed to + this change / trend. First, … Second, … Third, …

范文原句 Several factors have contributed to this change

有几个因素促成了这一变化

contribute to 意思是“促成、导致”，to 是介词，后面接名词。现象类作文先用这句总起，再用 First、Second、Third 分条展开，阅卷老师一眼就能看清结构。this change 指回第一段描述的现象，承上启下。

例1 Several factors have contributed to the popularity of online shopping.

有几个因素促成了网购的流行。

例2 Several factors have contributed to the rise of the sharing economy.

有几个因素促成了共享经济的兴起。

也可以这样说

There are several reasons for this phenomenon.

这一现象有几个原因。

This change can be attributed to the following factors.

这一变化可以归因于以下几个因素。

③ become increasingly aware of 意识增强句

这个句式表达 表达“人们越来越意识到……（比如……）”，说明观念上的变化

公式 people have become increasingly aware of + 名词 + such as + 例子1 and 例子2

范文原句 people have become increasingly aware of environmental problems such as air pollution and climate change

人们越来越意识到空气污染、气候变化等环境问题

be aware of 意思是“意识到”，换成 become increasingly aware of 就写出了“意识在不断增强”的过程；现在完成时说明这种变化延续到现在。such as 后面举两个例子，让 environmental problems 不再空泛。

例1 Young people have become increasingly aware of the importance of mental health.

年轻人越来越意识到心理健康的重要性。

例2 Parents have become increasingly aware of the risks of too much screen time.

父母越来越意识到孩子过多使用电子屏幕的危害。

也可以这样说

People now realize more clearly that ...

人们现在更清楚地认识到……

There is growing awareness of ...

人们对……的意识日益增强

④ 动名词主语 + not only ... but also 句式

这个句式表达 表达“做某事不仅能……，而且能……”，写出一种做法的双重好处

公式 Doing ..., for instance, + not only + 好处1 + but also + 好处2

范文原句 Cycling to work, for instance, not only reduces emissions but also keeps people fit

比如，骑自行车上班不仅能减少排放，还能让人保持健康

动名词短语 Cycling to work 作主语，谓语用单数 reduces、keeps。not only … but also 连接两个结构相同的谓语，一个对环境好，一个对自己好，正好证明“绿色生活对自己也有好处”。for instance 插在主语后面，句子更灵活。

例1 Reading classic novels not only improves our language skills but also broadens our minds.

读经典小说不仅能提高我们的语言能力，还能开阔我们的眼界。

例2 Doing housework, for example, not only helps parents but also teaches children responsibility.

比如，做家务不仅能帮助父母，还能教会孩子承担责任。

也可以这样说

... is good for both ... and ...

……对……和……都有好处

... kills two birds with one stone.

……一举两得。

⑤ deserve 表态句

这个句式表达 表达“在我看来，这一趋势值得我们全力支持”，明确亮出自己的态度

公式 In my opinion, this trend / practice + deserves + our full support / attention.

范文原句 In my opinion, this trend deserves our full support

在我看来，这一趋势值得我们全力支持

deserve 意思是“值得、应得”，后面直接接名词。现象类作文分析完原因之后，用这句话亮出态度，评论就有了立场；full support 比 support it very much 简洁有力。

例1 In my opinion, this kind of volunteer work deserves our full support.

在我看来，这类志愿活动值得我们全力支持。

例2 In my view, the problem of food waste deserves more public attention.

在我看来，食物浪费问题值得公众更多关注。

也可以这样说

As far as I am concerned, this trend should be encouraged.

在我看来，这一趋势应当得到鼓励。

I firmly support ...

我坚定地支持……

⑥ Although 让步对比句

这个句式表达 表达“虽然个人的努力看起来很小，但汇聚起来就能……”，打消“我一个人没用”的想法

公式 Although + 一个人的情况 + may seem small, + the combined efforts of millions + can + 结果

范文原句 Although one person's efforts may seem small, the combined efforts of millions can greatly improve our environment

虽然一个人的努力也许显得微不足道，但千百万人的努力汇聚起来，就能极大地改善我们的环境

Although 先让步，承认一个人的力量小；may seem small 说“看起来小”，有分寸。主句用 the combined efforts of millions 和 one person's efforts 对比，combined 点出“汇聚起来”。注意：用了 Although 就不能再用 but。

例1 Although saving one sheet of paper may seem small, the combined efforts of all students can save many trees.

虽然节约一张纸看起来微不足道，但全体学生的努力汇聚起来，就能拯救许多树木。

例2 Although a single donation may seem small, the combined efforts of millions can change many lives.

虽然一笔捐款看起来微不足道，但千百万人的努力汇聚起来，就能改变许多人的生活。

也可以这样说

Every little bit helps.

积少成多，每一点都有用。

Little drops of water make a mighty ocean.

滴水汇成大海。

⑦ If we all play our part 展望收尾句

这个句式表达 表达“只要我们都尽一份力，……就会……”，用美好的前景收尾

公式 If we all play our part / If everyone plays their part, + 主语 + will be / become + 比较级 …

范文原句 If we all play our part, our planet will be a cleaner and healthier home for future generations

只要我们都尽一份力，我们的地球就会成为子孙后代更干净、更健康的家园

play one's part 意思是“尽自己的一份力”；if 条件句用一般现在时，主句用 will，表示“只要做到，就会有这样的结果”。a cleaner and healthier home 用两个比较级描绘前景，for future generations 把眼光放到下一代，结尾有力量、有温度。

例1 If we all play our part, our city will be a safer and friendlier place to live.

只要我们都尽一份力，我们的城市就会成为更安全、更友好的宜居之地。

例2 If everyone plays their part, our campus will become cleaner and more beautiful.

只要每个人都尽一份力，我们的校园就会变得更干净、更美丽。

也可以这样说

As long as everyone makes an effort, ...

只要每个人都努力，……

Only if we act together can ...

只有我们共同行动，才能……

10 亮点词汇

把普通说法换成高分说法

高分表达	意思	替代的普通说法
environmentally friendly	环保的；对环境友好的	green
reusable	adj. 可重复使用的	can be used again
routine	n. 日常事务；惯例	life
contribute to	促成；有助于	cause
increasingly	adv. 越来越；日益	more and more
mandatory	adj. 强制的	required
emission	n. 排放；排放物	pollution
deserve	v. 值得；应得	be worth
disposable	adj. 一次性的	single-use
future generations	子孙后代	our children

不断学习新技能

2022年6月大学英语六级 第2套 · 写作 Part I
议论文 · 范文 194 词

1 原题

Part I **Writing** **(30minutes)**

Directions: *For this part, you are allowed 30 minutes to write an essay that begins with the sentence* ***"Nowadays more and more people keep learning new skills to adapt to a fast-changing world."*** *You can make comments, cite examples, or use your personal experiences to develop your essay. You should write at least 150 words but no more than 200 words.*

题目译文

这一部分（For this part），你有 30 分钟（30 minutes）写一篇文章（essay），文章要以给出的这句话开头（begins with the sentence）："如今，越来越多的人不断学习新技能（keep learning new skills），以适应快速变化的世界（adapt to a fast-changing world）。"（Nowadays more and more people keep learning new skills to adapt to a fast-changing world.）

你可以发表评论（make comments）、举例说明（cite examples），或者用自己的亲身经历（use your personal experiences）来展开文章（develop your essay）。

字数：至少 150 词（at least 150 words），但不超过 200 词（no more than 200 words）。

2 审题

先弄清楚要写什么，再动笔

议论文（给定首句）：不断学习新技能

150—200 词（题目要求 at least 150 words but no more than 200 words，首句也算在内）；范文写到 190—200 词，本篇 194 词。不要卡着 150 词的最低线写，也绝不能超过 200 词

- [ ] 用题目给的句子开头，一字不差照抄，放在全文第一句
- [ ] 围绕首句描述的现象展开：先补一句说明这个现象为什么出现（世界变化太快）
- [ ] 用评论、举例或亲身经历来展开（题目点明的三种方法），说清人们为什么要不断学新技能
- [ ] 表明自己对这一现象的看法，并给出一个有力的结尾，让文章完整

语气与身份：正式、客观的议论语气；分析原因用第三人称，举亲身经历时可以写 my parents，表态时用 In my view，提建议用 We should，不用口语化的表达

容易失分的地方

- 首句必须一字不差照抄：Nowadays 后面没有逗号，keep learning、adapt to、fast-changing 一个词、一个连字符都不能改，句末的句号也要照抄
- 首句描述的是一个现象（越来越多的人在不断学习新技能），后文要写这个现象的原因和意义，不要跑题写成“怎样学好一门技能”的方法介绍
- 例子要具体：写清谁、学了什么、带来了什么变化，不要只说“学新技能很有用”
- 首句算在字数里，三个原因各写一两句就够，写多了容易超过 200 词

3 题目要求逐条落实

每一条要求 → 范文里的哪一句

题目要求	范文原句	怎么做到的
用给定的句子开头	Nowadays more and more people keep learning new skills to adapt to a fast-changing world.	全文第一句原样照抄题目给的句子，一个词、一个标点都没有改。
评论：分析现象的原因	There are several reasons for this trend.	第二段先总起“有几个原因”，再用 To begin with、Furthermore、Finally 分别写出工作、生活、个人成长三个原因，这就是题目说的“评论”。
举例支撑观点	those who can operate new equipment or analyze data are more likely to find good jobs	第一个原因后面马上举出具体的人：会操作新设备、会分析数据的人更容易找到好工作，让“保持竞争力”这个抽象说法变得看得见。
用亲身经历展开	My parents, for example, learned to use mobile payment and video calls in their fifties	用自己父母五十多岁学会移动支付和视频通话的经历，证明新技能能帮人应对日常生活的变化；题目给的“评论、举例、亲身经历”三种方法，本文三种都用上了。
表明看法并收尾	In my view, this is a positive trend.	第三段第一句直接表态（这是积极的趋势），再说出理由（持续学习的能力最宝贵），最后用 We should 提出建议，结尾的 face the future 呼应首句的 fast-changing world。
字数 150—200 词	Nowadays more and more people	全文共 194 词（含首句）：第一段 2 句，第二段 6 句，第三段 3 句，落在 190—200 词的目标区间内，没有超过 200 词。

4 写作思路

先列提纲，每段一个任务

第一段

照抄首句，交代现象的背景

首句（越来越多的人不断学习新技能）→ 补充一句背景：新技术、新行业、新工作方式出现得太快，几年前学的技能很快就会过时

第二段

分析原因（主体段）

总起：有几个原因 → 原因一：就业，保持竞争力（机器取代常规工作，会新技能的人更好找工作）→ 原因二：生活，应对变化（父母学会移动支付和视频通话）→ 原因三：个人，带来成就感、让头脑保持活跃

第三段

表明看法并提出建议

表态：这是积极的趋势 → 理由：在变化的世界里，持续学习的能力比任何单一技能都宝贵 → 建议：养成终身学习的习惯，满怀信心和好奇心面对未来

5 满分范文

荧光笔 + 圆圈编号 = 下面讲的高分句式

[1] Nowadays more and more people keep learning new skills to adapt to a fast-changing world. [2] New technologies, new industries and new ways of working are emerging so quickly that skills people acquired a few years ago can soon become outdated①.

[3] There are several reasons for this trend②. [4] To begin with, learning new skills is essential for staying competitive in the job market③. [5] As many routine jobs are being taken over by machines④, those who can operate new equipment or analyze data are more likely to find good jobs. [6] Furthermore, new skills help people cope with changes in daily life. [7] My parents, for example, learned to use mobile payment and video calls in their fifties, and now they can shop online and keep in touch with distant relatives easily⑤. [8] Finally, learning itself brings a sense of achievement and keeps the mind active, even in old age.

[9] In my view, this is a positive trend. [10] In a world where change is the only constant, the ability to keep learning is more valuable than any single skill⑥. [11] We should therefore develop the habit of lifelong learning so that we can face the future with confidence and curiosity⑦.

参考译文

如今，越来越多的人不断学习新技能，以适应瞬息万变的世界。新技术、新行业和新的工作方式涌现得如此之快，以至于人们几年前学到的技能很快就可能过时。

这一趋势的出现有几个原因。首先，学习新技能对于在就业市场上保持竞争力至关重要。由于许多常规性工作正在被机器取代，那些会操作新设备或者会分析数据的人更有可能找到好工作。此外，新技能帮助人们应对日常生活中的变化。例如，我的父母五十多岁时学会了使用移动支付和视频通话，现在他们能够轻松地网上购物，并与远方的亲戚保持联系。最后，学习本身就能带来成就感，并让头脑保持活跃，即使到了老年也是如此。

在我看来，这是一种积极的趋势。在这个唯一不变的就是变化的世界里，持续学习的能力比任何一项单一技能都更宝贵。因此，我们应该养成终身学习的习惯，这样才能满怀信心和好奇心地面对未来。

6 一步一步写出这篇范文

01 一字不差照抄首句

把题目给的句子原样写在开头，抄完逐词核对一遍，尤其是 Nowadays 后面不加逗号、fast-changing 的连字符和句末句号。

> 1 Nowadays more and more people keep learning new skills to adapt to a fast-changing world.
> 如今，越来越多的人不断学习新技能，以适应瞬息万变的世界。

02 第二句补出现象的背景

首句只说了“人们在不断学习”，第二句马上说明为什么：用 so quickly that 把“变化快”和“技能过时”连成因果，为第二段分析原因做铺垫。

> 2 New technologies, new industries and new ways of working are emerging so quickly that skills people acquired a few years ago can soon become outdated.
> 新技术、新行业和新的工作方式涌现得如此之快，以至于人们几年前学到的技能很快就可能过时。

03 用一句话总起原因段

第二段第一句写 There are several reasons for this trend，this trend 指首句的现象，告诉读者下面要分几点写原因。

> 3 There are several reasons for this trend.
> 这一趋势的出现有几个原因。

04 原因一：观点 + 具体的人

用 To begin with 开头，先说“学新技能是保持竞争力的关键”，下一句用 As 交代背景（机器正在取代常规工作），再用 those who 写出具体的人和结果。

> 4 To begin with, learning new skills is essential for staying competitive in the job market.
> 首先，学习新技能对于在就业市场上保持竞争力至关重要。
> 5 As many routine jobs are being taken over by machines, those who can operate new equipment or analyze data are more likely to find good jobs.
> 由于许多常规性工作正在被机器取代，那些会操作新设备或者会分析数据的人更有可能找到好工作。

05 原因二：观点 + 亲身经历

用 Furthermore 开头说“新技能帮人应对生活变化”，下一句把 for example 插在主语后面，写父母学了什么、现在能做什么，前后对比一目了然。

> 6 Furthermore, new skills help people cope with changes in daily life.
> 此外，新技能帮助人们应对日常生活中的变化。
> 7 My parents, for example, learned to use mobile payment and video calls in their fifties, and now they can shop online and keep in touch with distant relatives easily.
> 例如，我的父母五十多岁时学会了使用移动支付和视频通话，现在他们能够轻松地网上购物，并与远方的亲戚保持联系。

06 原因三：一句话写完

用 Finally 开头，从个人成长的角度写最后一个原因（成就感、头脑活跃），句末用 even in old age 呼应上一句的父母，三个原因由外到内、层层深入。

> 8 Finally, learning itself brings a sense of achievement and keeps the mind active, even in old age.
> 最后，学习本身就能带来成就感，并让头脑保持活跃，即使到了老年也是如此。

07 表态、说理、提建议

第三段先用 In my view 亮出看法，再用 In a world where 把首句的“快速变化的世界”换个说法、说出理由，最后用 We should … so that … 给出建议和目的，呼应首句收尾。

> 9 In my view, this is a positive trend.
> 在我看来，这是一种积极的趋势。
> 10 In a world where change is the only constant, the ability to keep learning is more valuable than any single skill.
> 在这个唯一不变的就是变化的世界里，持续学习的能力比任何一项单一技能都更宝贵。
> 11 We should therefore develop the habit of lifelong learning so that we can face the future with confidence and curiosity.
> 因此，我们应该养成终身学习的习惯，这样才能满怀信心和好奇心地面对未来。

7 为什么是满分档

切题 · 结构与连贯 · 语言

切题

首句一字不差照抄，后文每一段都紧扣“不断学习新技能”这个现象：第一段补出现象的背景，第二段分析三个原因，第三段表明看法、提出建议，结尾又回到“面对变化的未来”。题目提示的“评论、举例、亲身经历”三种方法全都用上了，没有一句跑题。满分档作文的特点就是：观点明确，每一部分都在为中心服务。

Nowadays more and more people keep learning new skills to adapt to a fast-changing world.

There are several reasons for this trend.

those who can operate new equipment or analyze data are more likely to find good jobs

My parents, for example, learned to use mobile payment and video calls in their fifties

In my view, this is a positive trend.

结构与连贯

三段式结构清楚：描述现象 → 分析原因 → 表明看法。第二段先用总起句交代“有几个原因”，再用 To begin with、Furthermore、Finally 分三点展开，前两点都是“观点 + 例子”，第三点一句写完；this trend 指代首句，把第二段和第一段连起来；第三段用 In my view 转入表态，用 therefore 引出建议。读者能顺着思路一步步读下去，这正是满分档作文在结构上的表现。

There are several reasons for this trend | To begin with | Furthermore | Finally | In my view

We should therefore

语言

句式丰富而且用得准确：so … that 因果句、As 引导的被动进行时、those who 定语从句、插入语 for example、In a world where 定语从句、so that 目的状语从句；用词具体、正式，如 emerging、outdated、staying competitive、cope with、the only constant、lifelong learning。全文没有语法错误，表达自然，满分档作文的语言就是这样准确、多样又地道。

are emerging so quickly that skills people acquired a few years ago can soon become outdated

As many routine jobs are being taken over by machines

learning new skills is essential for staying competitive in the job market

In a world where change is the only constant

the ability to keep learning is more valuable than any single skill

so that we can face the future with confidence and curiosity

8 升格示范

普通写法一步一步改成满分句

升格 1

第 1 步 The world changes fast, so old skills are not useful.

意思说出来了，但“世界变化快”太空泛，not useful 也很普通，读起来像口号。

第 2 步 New technologies and new industries appear very quickly, so the skills people learned before soon become old.

说出了具体是什么在变（技术、行业），内容实了；但 appear very quickly、become old 很普通，用 so 连接也显得平。

第 3 步 New technologies, new industries and new ways of working are emerging so quickly that old skills can soon become outdated.

三个 new 并列，节奏感强；用 so … that 把原因和结果连成一句，emerging、outdated 更正式。但 old skills 还不够具体，没说清是“几年前才学的技能”。

满分句 **New technologies, new industries and new ways of working are emerging so quickly that skills people acquired a few years ago can soon become outdated.**

升格 2

第 1 步 For example, my parents learned new things.

有了人物，但没说学了什么、带来了什么变化，起不到举例的作用。

第 2 步 For example, my parents learned to use mobile payment when they were old, and it was very useful.

说出了具体学了什么，例子实了；但 when they were old 不准确，it was very useful 太空泛，看不出到底有什么用。

第 3 步 My parents, for example, learned to use mobile payment and video calls in their fifties, and now they can shop online.

for example 插到主语后面更自然，in their fifties 年龄具体，and now 写出了现在的变化；但只写了购物一件事，还可以补上和远方亲戚保持联系，让好处更完整。

满分句 **My parents, for example, learned to use mobile payment and video calls in their fifties, and now they can shop online and keep in touch with distant relatives easily.**

升格 3

第 1 步 So we should learn all our lives.
建议有了，但太短太平，So 开头偏口语，也没说这样做能带来什么。

第 2 步 Therefore, we should keep learning all our lives, and then we will not be afraid of the future.
补上了结果，意思完整；但 keep learning all our lives 有点啰嗦，not be afraid of 是否定说法，语气不够积极。

第 3 步 We should therefore develop the habit of lifelong learning so that we can face the future bravely.
换成 develop the habit of lifelong learning，更正式；用 so that 引出目的。但 bravely 还可以换成 with confidence and curiosity，两个名词写出更积极、更丰富的态度。

满分句 **We should therefore develop the habit of lifelong learning so that we can face the future with confidence and curiosity.**

9 高分句式

公式 → 原句 → 讲解 → 仿写

① so … that 因果句

这个句式表达 表达“某事发生得如此……，以至于……”，把原因和结果连在一句里

公式 主语 + 谓语 + so + 形容词 / 副词 + that + 结果（完整句子）

范文原句 New technologies, new industries and new ways of working are emerging so quickly that skills people acquired a few years ago can soon become outdated
新技术、新行业和新的工作方式涌现得如此之快，以至于人们几年前学到的技能很快就可能过时

so 后面接副词 quickly，that 后面是完整的结果句。主语用三个 new 开头的并列名词，节奏感强；skills people acquired 中间省略了 that，意思是“人们学到的技能”。用它交代背景，原因和结果一句说清。

例1 Housing prices in big cities are rising so fast that many young people cannot afford a home.
大城市的房价涨得如此之快，以至于许多年轻人买不起房子。

例2 Information spreads so quickly online that a rumor can reach millions of people in hours.
信息在网上传播得如此之快，以至于一条谣言几小时内就能传到数百万人那里。

也可以这样说

... change so rapidly that ...
……变化得如此之快，以至于……

Such is the speed of change that ...
变化的速度如此之快，以至于……

② 原因段总起句

这个句式表达 表达“这一现象的出现有几个原因”，为下面分点写原因开路

公式 There are several reasons for + this trend / this phenomenon. To begin with, … Furthermore, … Finally, …

范文原句 There are several reasons for this trend

这一趋势的出现有几个原因

this trend 指代首句描述的现象，把第二段和第一段连起来。总起之后用 To begin with、Furthermore、Finally 分三点展开，阅卷老师一眼就能看清原因有几条、每条在哪里。

例1 There are several reasons for this phenomenon, and the most important one is economic.

这一现象的出现有几个原因，其中最重要的是经济原因。

例2 There are several reasons why more and more people choose to work from home.

越来越多的人选择在家办公，原因有几个。

也可以这样说

Several factors contribute to this trend.

有几个因素促成了这一趋势。

This trend can be explained in several ways.

这一趋势可以从几个方面来解释。

③ be essential for doing 观点句

这个句式表达 表达“做某事对于……至关重要”，用来亮出一个原因或观点

公式 doing sth / 名词 + is essential for + doing sth / 名词

范文原句 learning new skills is essential for staying competitive in the job market

学习新技能对于在就业市场上保持竞争力至关重要

动名词 learning new skills 作主语，谓语用单数 is；essential 意思是“必不可少的”，比 important 更有力。for 是介词，后面也要用动名词 staying。stay competitive 意思是“保持竞争力”，谈就业、学习的话题都能用。

例1 Reading widely is essential for developing good writing skills.

广泛阅读对于培养良好的写作能力至关重要。

例2 Regular exercise is essential for staying healthy in a busy life.

在忙碌的生活中，经常锻炼对于保持健康至关重要。

也可以这样说

... plays a key role in ...

……在……中起关键作用

... is the key to ...

……是……的关键

④ As 背景 + 被动进行时

这个句式表达 表达“由于……正在被……取代 / 改变，……的人更有可能……”，先交代正在发生的变化，再说结果

公式 As + 名词 + are being + 过去分词 + by …, 主语 + 谓语 …

范文原句 As many routine jobs are being taken over by machines

由于许多常规性工作正在被机器取代

As 在这里引导原因状语从句，意思是“由于”。are being taken over 是现在进行时的被动语态，强调“取代正在进行、还没结束”，比 are taken over 更有现场感。take over 意思是“接管、取代”。

例1 As more and more shops are being replaced by online stores, people need to learn to shop on their phones.

由于越来越多的商店正在被网店取代，人们需要学会用手机购物。

例2 As old houses are being pulled down, many traditional neighborhoods are disappearing.

由于老房子正在被拆除，许多传统街区正在消失。

也可以这样说

With machines taking over many routine jobs, ...

随着机器取代许多常规工作，……

Now that machines can do many routine jobs, ...

既然机器能做许多常规工作，……

⑤ 插入 for example 的亲身经历句

这个句式表达 表达“比如我的……，在……时学会了……，现在能够……”，用身边人的经历给观点作证

公式 My + 人, for example, + 过去做了什么, and now + 现在的变化

范文原句 My parents, for example, learned to use mobile payment and video calls in their fifties, and now they can shop online and keep in touch with distant relatives easily

例如，我的父母五十多岁时学会了使用移动支付和视频通话，现在他们能够轻松地网上购物，并与远方的亲戚保持联系

for example 插在主语后面，前后用逗号隔开，比放在句首更自然。前半句用过去时写“学了什么”，后半句用 and now 写“现在能做什么”，前后一对比，学新技能的好处就看得见。in their fifties 意思是“在他们五十多岁时”。

例1 My grandmother, for example, learned to use a smartphone at seventy, and now she video-chats with us every week.

例如，我的奶奶七十岁时学会了用智能手机，现在她每周都和我们视频聊天。

例2 My cousin, for example, taught himself to code after work, and now he runs his own small company.

例如，我的表哥下班后自学编程，现在他经营着自己的小公司。

也可以这样说

Take my parents for example. ...

以我的父母为例。……

A case in point is my parents, who ...

我的父母就是一个很好的例子，他们……

⑥ In a world where 定语从句 + 比较句

这个句式表达 表达“在一个……的世界里，……比任何……都更……”，先描述大环境，再说出自己的判断

公式 In a world where + 完整句子, A + is more + 形容词 + than any single + 名词 / than ever

范文原句 In a world where change is the only constant, the ability to keep learning is more valuable than any single skill

在这个唯一不变的就是变化的世界里，持续学习的能力比任何一项单一技能都更宝贵

where 引导定语从句，修饰 a world。change is the only constant 意思是“唯一不变的就是变化”，是很地道的说法。more valuable than any single skill 用比较级表示“比任何一项技能都宝贵”，把文章的观点提升了一层：重要的不是学会哪一项技能，而是一直学下去的能力。

例1 In a world where information is everywhere, the ability to think critically is more important than ever.

在一个信息无处不在的世界里，批判性思考的能力比以往任何时候都重要。

例2 In a world where machines can do many jobs, creativity is more valuable than any single skill.

在一个机器能做许多工作的世界里，创造力比任何一项单一技能都更宝贵。

也可以这样说

In an age when ..., ...

在一个……的时代，……

... is more valuable than anything else.

……比其他任何东西都更宝贵。

⑦ should … so that 建议 + 目的收尾句

这个句式表达 表达“我们应当……，这样才能……”，把建议和它带来的结果连起来收尾

公式 We should (therefore) + 动词原形 … so that + we can + 动词原形 …

范文原句 We should therefore develop the habit of lifelong learning so that we can face the future with confidence and curiosity

因此，我们应该养成终身学习的习惯，这样才能满怀信心和好奇心地面对未来

therefore 放在 should 后面，承接上一句的理由；so that 引导目的状语从句，从句里常用 can。develop the habit of doing 意思是“养成做某事的习惯”；with confidence and curiosity 用两个名词收尾，语气积极，face the future 又呼应了首句的 fast-changing world。

例1 We should therefore develop the habit of saving money so that we can deal with unexpected costs.

因此，我们应当养成存钱的习惯，这样才能应对意料之外的开支。

例2 Students should plan their time carefully so that they can balance study and rest.

学生应当仔细规划时间，这样才能兼顾学习和休息。

也可以这样说

…, in order that we can …

……，以便我们能够……

Only by … can we …

只有……，我们才能……

10 亮点词汇

把普通说法换成高分说法

高分表达	意思	替代的普通说法
adapt to	适应	get used to
emerge	v. 出现；涌现	appear
acquire	v. 获得；习得	learn
outdated	adj. 过时的；陈旧的	old
competitive	adj. 有竞争力的	strong
routine	adj. 常规的；例行的	simple
cope with	应对；处理	deal with
a sense of achievement	成就感	a feeling of success
constant	n. 不变的事物	something that never changes
lifelong	adj. 终身的；毕生的	lasting all one's life

青年辨别网络信息真假

2021年12月大学英语六级 第1套 · 写作 Part I
议论文 · 范文 199 词

1 原题

Part I **Writing** **(30 minutes)**

Directions: *For this part, you are allowed 30 minutes to write an essay related to the short passage given below. In your essay, you are to comment on the phenomenon described in the passage and suggest measures to address the issue. You should write at least 150 words but no more than 200 words.*

Young people spend a lot of time on the Internet. However, they are sometimes unable to recognize false information on the Internet, judge the reliability of online information sources, or tell real news stories from fake ones.

题目译文

这一部分（For this part），你有 30 分钟（30 minutes）写一篇文章（essay），内容要和下面给出的这段短文相关（related to the short passage given below）。

在文章中，你要做两件事：① 评论短文所描述的现象（comment on the phenomenon described in the passage）；② 提出解决这个问题的措施（suggest measures to address the issue）。

字数：至少 150 词（at least 150 words），但不超过 200 词（no more than 200 words）。

短文（译文）：年轻人在网上花了很多时间。然而，他们有时无法识别网上的虚假信息（recognize false information），无法判断网络信息来源是否可靠（judge the reliability of online information sources），也分不清真新闻和假新闻（tell real news stories from fake ones）。

2 审题

先弄清楚要写什么，再动笔

短文评论（现象 + 对策）：年轻人辨别网络信息真假

150—200 词（题目要求 at least 150 words but no more than 200 words）；范文写到 190—200 词，本篇 199 词。不要卡着 150 词的最低线写，也绝不能超过 200 词

- [ ] 开头用自己的话概括短文描述的现象：年轻人上网时间长，却常常分辨不出网络信息的真假
- [ ] 评论这一现象：说明它的危害，并分析它出现的原因（这是题目说的 comment on the phenomenon）
- [ ] 提出解决问题的措施（suggest measures），措施要具体，最好分给不同的主体
- [ ] 结尾收束全文，说明落实措施后能达到什么效果

语气与身份：正式、客观的评论语气：描述现象、分析原因用一般现在时和第三人称，提措施用 should，全文不用 I think 这类口语化表达

容易失分的地方

- 不能照抄短文的句子：题目给的短文只是告诉你写什么现象，抄进作文里的句子不算你的语言，还白白占字数。要换词、换句式重新说：a lot of time on the Internet 改成 a great deal of time online，However 改成 yet，tell real news stories from fake ones 改成 tell true information from false
- 题目有两项任务，一项都不能少：只写危害不写措施，或者只写措施不评论现象，都算没有完成任务
- 评论不只是说“这很糟糕”：要写出具体的危害（误导日常决定、散布恐慌）和原因（轻信屏幕上的内容、缺少训练、网站故意造假）
- 措施要具体到“谁做什么”：学校开什么课、平台怎么管、年轻人自己怎么做，不能只喊“大家要提高辨别能力”

3 题目要求逐条落实

每一条要求 → 范文里的哪一句

题目要求	范文原句	怎么做到的
用自己的话概括短文的现象	Young people spend a great deal of time online, yet many of them cannot tell true information from false.	意思和短文一致，但一句都没有照抄：a lot of time on the Internet 换成 a great deal of time online，However 换成 yet，tell real news stories from fake ones 换成 tell true information from false。
把现象写具体	They often believe sensational headlines, share unverified posts and fail to judge whether a website or an account is reliable.	用三个并列的具体行为（轻信标题、转发未核实的帖子、判断不了网站和账号是否可靠）把“分辨不出真假”写实；短文里的 judge the reliability of online information sources 被改写成 judge whether a website or an account is reliable。
评论现象：表明态度	This phenomenon is worrying.	第二段第一句直接用上题目里的 phenomenon，一句话亮明态度（令人担忧），评论从这里开始。
评论现象：写出危害	False information can mislead young people in their daily decisions	危害分两层：对个人，误导日常决定（买什么、怎么看病）；对社会，转发谣言散布恐慌和混乱。
评论现象：分析原因	The problem arises mainly because young people tend to trust whatever appears on their screens	原因也分两层：年轻人自身（轻信屏幕上的内容、缺少评估信息的训练）和外部（有的网站为了点击量故意造假），评论有深度。

提出解决问题的措施	Several measures can help solve this problem.	第三段总起“有几项措施”，用上题目里的 measures，再用 First、Second、Third 分给学校、网络平台、年轻人自己三个主体，每条都有具体做法；最后一句说明效果，收束全文。
字数 150—200 词	Young people spend a great deal of time online	全文共 199 词：现象段 2 句，评论段 5 句，措施段 5 句，评论和措施两部分篇幅相当，落在 190—200 词的目标区间内，没有超过 200 词。

4 写作思路

先列提纲，每段一个任务

第一段

用自己的话概括现象

年轻人上网时间长，却分辨不出信息真假 → 具体表现：轻信耸人听闻的标题、转发未核实的帖子、判断不了网站和账号是否可靠

第二段

评论现象：危害 + 原因

定性：令人担忧 → 危害一：误导日常决定 → 危害二：转发谣言，散布恐慌和混乱 → 原因一：轻信屏幕上的内容、缺少训练 → 原因二：有的网站为点击量故意造假

第三段

提出措施并收尾

总起：有几项措施 → 学校：开设媒介素养课程 → 平台：加强监管、标注、删除谣言 → 年轻人：三思而后信、三思而后转 → 收尾：人人尽责，做明智的网民而不是受害者

5 满分范文

荧光笔 + 圆圈编号 = 下面讲的高分句式

[1] Young people spend a great deal of time online, yet many of them cannot tell true information from false①. [2] They often believe sensational headlines, share unverified posts and fail to judge whether a website or an account is reliable.

[3] This phenomenon is worrying②. [4] False information can mislead young people in their daily decisions, from what products to buy to how to deal with health problems③. [5] When they forward rumors without checking, they also help spread panic and confusion in society. [6] The problem arises mainly because young people tend to trust whatever appears on their screens④, and few of them have received training in evaluating information. [7] In addition, some websites deliberately create eye-catching but false stories for clicks.

[8] Several measures can help solve this problem. [9] First, schools should offer courses on media literacy, teaching students how to check sources, compare reports and recognize the common tricks of fake news⑤. [10] Second, online platforms should monitor content more closely, label unverified posts and remove rumors promptly. [11] Third, young people themselves should develop the habit of

thinking twice before believing or sharing anything⑥. [12] If everyone does their part, young people can become wise users of the Internet rather than victims of false information⑦.

参考译文

年轻人花大量时间上网，然而他们当中许多人却分辨不出信息的真假。他们常常轻信耸人听闻的标题，转发未经核实的帖子，也无法判断一个网站或账号是否可靠。

这一现象令人担忧。虚假信息会在日常决定中误导年轻人，从买什么产品到如何处理健康问题，无所不包。他们不加核实就转发谣言，也就助长了恐慌和混乱在社会上的蔓延。这个问题之所以出现，主要是因为年轻人往往相信屏幕上出现的一切，而他们当中很少有人接受过评估信息的训练。此外，一些网站为了获得点击量，故意编造吸引眼球却虚假的故事。

有几项措施可以帮助解决这一问题。首先，学校应当开设媒介素养课程，教学生如何核查信息来源、对比报道，以及识别假新闻的常见伎俩。其次，网络平台应当更严格地监管内容，给未经核实的帖子加上标注，并及时删除谣言。第三，年轻人自己应当养成习惯，在相信或转发任何信息之前三思。只要每个人都尽到自己的责任，年轻人就能成为明智的网络使用者，而不是虚假信息的受害者。

6 一步一步写出这篇范文

01 换词换句式，概括短文的现象

先读懂短文说了什么，再用自己的话写出来：保留意思，换掉词和句式。第一句用 yet 把“上网时间长”和“分辨不出真假”放在一起，形成对比。

> 1 Young people spend a great deal of time online, yet many of them cannot tell true information from false.
> 年轻人花大量时间上网，然而他们当中许多人却分辨不出信息的真假。

02 用三个具体行为把现象写实

第二句用三个并列的动词短语（believe、share、fail to judge）写出年轻人具体怎么上当，现象就不再抽象。

> 2 They often believe sensational headlines, share unverified posts and fail to judge whether a website or an account is reliable.
> 他们常常轻信耸人听闻的标题，转发未经核实的帖子，也无法判断一个网站或账号是否可靠。

03 一句话定性，开始评论

第二段第一句只写 This phenomenon is worrying，短句有力，用题目里的 phenomenon 告诉阅卷老师：评论从这里开始。

> 3 This phenomenon is worrying.
> 这一现象令人担忧。

04 危害分个人和社会两层

先写对个人的危害，用 from … to … 举出具体范围；再用 When 从句写转发谣言对社会的危害，also 把两层连起来。

> 4 False information can mislead young people in their daily decisions, from what products to buy to how to deal with health problems.
> 虚假信息会在日常决定中误导年轻人，从买什么产品到如何处理健康问题，无所不包。
> 5 When they forward rumors without checking, they also help spread panic and confusion in society.
> 他们不加核实就转发谣言，也就助长了恐慌和混乱在社会上的蔓延。

05 原因分内因和外因

用 arises mainly because 写主要原因（年轻人自身），再用 In addition 补一个外部原因（网站故意造假），评论就有了深度。

> 6 The problem arises mainly because young people tend to trust whatever appears on their screens, and few of them have received training in evaluating information.
> 这个问题之所以出现，主要是因为年轻人往往相信屏幕上出现的一切，而他们当中很少有人接受过评估信息的训练。
> 7 In addition, some websites deliberately create eye-catching but false stories for clicks.
> 此外，一些网站为了获得点击量，故意编造吸引眼球却虚假的故事。

06 措施分给三个主体

先总起 Several measures，再用 First、Second、Third 依次写学校、平台、年轻人自己，每条都写清“做什么”：学校的措施用现在分词 teaching 展开，平台的措施用三个并列动词。

> 8 Several measures can help solve this problem.
> 有几项措施可以帮助解决这一问题。
> 9 First, schools should offer courses on media literacy, teaching students how to check sources, compare reports and recognize the common tricks of fake news.
> 首先，学校应当开设媒介素养课程，教学生如何核查信息来源、对比报道，以及识别假新闻的常见伎俩。
> 10 Second, online platforms should monitor content more closely, label unverified posts and remove rumors promptly.
> 其次，网络平台应当更严格地监管内容，给未经核实的帖子加上标注，并及时删除谣言。
> 11 Third, young people themselves should develop the habit of thinking twice before believing or sharing anything.
> 第三，年轻人自己应当养成习惯，在相信或转发任何信息之前三思。

07 用条件句收尾，写出效果

最后一句用 If everyone does their part 总结三个主体，再用 rather than 对比“明智的网民”和“受害者”，呼应第一段的现象。

> 12 If everyone does their part, young people can become wise users of the Internet rather than victims of false information.
> 只要每个人都尽到自己的责任，年轻人就能成为明智的网络使用者，而不是虚假信息的受害者。

7 为什么是满分档

切题

题目有两项任务（评论现象、提出措施），范文都完整做到了。第一段用自己的话概括短文的现象，没有照抄一句；第二段用 This phenomenon is worrying 开始评论，写出个人和社会两层危害、内外两方面原因；第三段用 Several measures 提出学校、平台、年轻人三方的具体措施，结尾写出效果。评论和措施篇幅相当，没有一句跑题。满分档作文的特点就是：每项任务都有完整回应，内容紧扣题目。

- Young people spend a great deal of time online, yet many of them cannot tell true information from false.
- This phenomenon is worrying.
- they also help spread panic and confusion in society
- The problem arises mainly because young people tend to trust whatever appears on their screens
- Several measures can help solve this problem.
- young people can become wise users of the Internet rather than victims of false information

结构与连贯

三段分工清楚：概括现象 → 评论（危害 + 原因）→ 提出措施。第二、三段都先用一个短句总起（This phenomenon is worrying、Several measures can help solve this problem），再分层展开；段内用 also、In addition 补充，用 First、Second、Third 列出措施；措施和问题一一对应（第一段的 share unverified posts 对应平台的 label unverified posts，believe 和 share 对应 thinking twice before believing or sharing）。读者能顺着思路一步步读下去，这正是满分档作文在结构上的表现。

- This phenomenon is worrying
- they also help spread
- In addition
- First, schools should
- Second, online platforms should
- Third, young people themselves should
- If everyone does their part

语言

句式丰富而且用得准确：yet 连接的转折句、from … to … 举范围、When 引导的时间状语从句、arises mainly because 原因句、现在分词 teaching 展开措施、If 条件句加 rather than 对比；用词具体、正式，如 sensational headlines、unverified posts、mislead、deliberately、eye-catching、media literacy、promptly。全文没有语法错误，表达自然，满分档作文的语言就是这样准确、多样又地道。

- believe sensational headlines, share unverified posts
- from what products to buy to how to deal with health problems
- some websites deliberately create eye-catching but false stories for clicks
- teaching students how to check sources, compare reports and recognize the common tricks of fake news
- monitor content more closely, label unverified posts and remove rumors promptly
- thinking twice before believing or sharing anything

8 升格示范

普通写法一步一步改成满分句

升格 1

第 1 步 Young people spend a lot of time on the Internet. However, they are sometimes unable to recognize false information on the Internet.
这是照抄短文的写法：阅卷老师一眼就能认出来，这两句不算你的语言，还白白占了二十多个词。

第 2 步 Young people often go online, but they do not know which information is true.
换成了自己的话，不再照抄；但 often go online 没写出“时间长”，do not know which information is true 也比较啰嗦。

第 3 步 Young people spend a great deal of time online, but many of them cannot tell true information from false.
a great deal of time online 写出了“时间长”，tell A from B 简洁地道，many of them 比笼统的 they 更准确；再把 but 换成更正式的 yet，前后的矛盾就更突出。

满分句 **Young people spend a great deal of time online, yet many of them cannot tell true information from false.**

升格 2

第 1 步 The reason is that young people believe everything on the Internet.
原因说出来了，但 believe everything 太绝对，也只有一个原因，显得单薄。

第 2 步 This problem happens because young people often believe what they see online and they are not taught to judge information.
原因有了两层，内容更完整；但 happens、not taught 比较普通，后半句又用 they are 开头，句子显得松散。

第 3 步 The problem arises mainly because young people tend to trust whatever appears on their screens, and few of them know how to judge information.
arises mainly because 更正式，还点明这是“主要”原因；tend to 让语气客观，whatever appears on their screens 写出了全盘接受；few of them 比 they are not 更准确。后半句还可以写成 have received training in evaluating information，点明缺少的是训练。

满分句 **The problem arises mainly because young people tend to trust whatever appears on their screens, and few of them have received training in evaluating information.**

升格 3

第 1 步 Second, websites should do something about fake news.
说了谁来做，却没说做什么，do something 太空泛，阅卷老师看不到具体措施。

第 2 步 Second, websites should check their content and delete fake news quickly.
措施具体了，有两个动作；但 check、delete、quickly 都很普通，websites 也不能涵盖社交媒体和应用软件。

第 3 步 Second, online platforms should monitor content more closely and remove rumors promptly.
online platforms 涵盖面更广，monitor、remove、promptly 更正式；再加上 label unverified posts，凑成三个并列动作，节奏更好，还和第一段的 share unverified posts 对应起来。

满分句 **Second, online platforms should monitor content more closely, label unverified posts and remove rumors promptly.**

① yet 转折概括现象句

这个句式表达 表达“某人做了很多……，然而却……”，用转折把现象里最矛盾的地方点出来

公式 主语 + 谓语 + …, yet + many / few of them + 谓语 …

范文原句 Young people spend a great deal of time online, yet many of them cannot tell true information from false

年轻人花大量时间上网，然而他们当中许多人却分辨不出信息的真假

yet 是连词，意思是“然而”，放在逗号后面连接两个分句，比 However 开头另起一句更紧凑。tell A from B 意思是“分辨 A 和 B”，from 后面的 false 省略了 information。这句就是把短文改写成自己语言的示范。

例1 Many students own lots of books, yet few of them read regularly.

许多学生拥有很多书，然而他们当中很少有人经常阅读。

例2 People today have more ways to communicate than ever, yet many of them feel lonely.

如今人们的交流方式比以往任何时候都多，然而他们当中许多人却感到孤独。

也可以这样说

Although ..., many of them ...

虽然……，但他们当中许多人……

...; however, ...

……；然而，……

② 一句话定性评论句

这个句式表达 表达“这一现象令人担忧 / 值得关注”，用一个短句亮明态度，开启评论段

公式 This phenomenon is + worrying / alarming / thought-provoking.

范文原句 This phenomenon is worrying

这一现象令人担忧

短文评论题的第二段，第一句先给现象定性，阅卷老师马上知道你开始评论了。phenomenon 直接用题目里的词，切题明确；worrying 意思是“令人担忧的”。短句放在长句中间，读起来有节奏。

例1 This phenomenon is alarming and deserves our attention.

这一现象令人警惕，值得我们关注。

例2 This phenomenon is especially worrying when it occurs among college students.

这一现象令人担忧，在大学生中尤其如此。

也可以这样说

This is a worrying trend.

这是一个令人担忧的趋势。

Such a phenomenon calls for our attention.

这样的现象需要引起我们的重视。

③ from … to … 举范围句

这个句式表达 表达“从……到……（无所不包）”，用两个具体例子说明影响范围有多大

公式 主句, from + 名词 / 疑问词结构 + to + 名词 / 疑问词结构

范文原句 from what products to buy to how to deal with health problems

从买什么产品到如何处理健康问题

from … to … 接在主句后面，用一小一大两个例子撑开范围：买东西是小事，健康是大事，可见虚假信息影响到生活的方方面面。from 和 to 后面可以接名词，也可以像这里接“疑问词 + 不定式”。

例1 Smartphones have changed every part of our lives, from how we shop to how we make friends.

智能手机改变了我们生活的方方面面，从怎么购物到怎么交朋友。

例2 Parents worry about many things, from what their children eat to whom they play with.

父母担心许多事情，从孩子吃什么到孩子和谁一起玩。

也可以这样说

..., ranging from ... to ...

……，范围从……到……

..., whether it is ... or ...

……，无论是……还是……

④ arises mainly because 原因句

这个句式表达 表达“这个问题之所以出现，主要是因为……”，直接点出问题的根源

公式 The problem arises mainly because + 原因（完整句子）(, and + 另一个原因)

范文原句 The problem arises mainly because young people tend to trust whatever appears on their screens

这个问题之所以出现，主要是因为年轻人往往相信屏幕上出现的一切

arise 意思是“出现、产生”，比 happen 更正式；mainly 说明这是主要原因，后面还可以用 In addition 补充次要原因。tend to 意思是“往往”，让语气客观；whatever appears 意思是“出现的任何东西”，写出了“不加判断、全盘接受”。

例1 The problem arises mainly because many people do not know how to manage their time.

这个问题之所以出现，主要是因为许多人不知道如何管理时间。

例2 The problem arises mainly because parents tend to do everything for their children.

这个问题之所以出现，主要是因为父母往往替孩子包办一切。

也可以这样说

The main reason for this problem is that ...

这个问题的主要原因是……

This problem results mainly from ...

这个问题主要源于……

⑤ 措施 + 现在分词展开句

这个句式表达 表达“某方应当做……，以此教会 / 帮助……”，先说措施，再用分词说出措施的具体内容

公式 主体 + should + 措施, teaching / helping + 人 +（how to +）具体做法（可以几项并列）

范文原句 schools should offer courses on media literacy, teaching students how to check sources, compare reports and recognize the common tricks of fake news

学校应当开设媒介素养课程，教学生如何核查信息来源、对比报道，以及识别假新闻的常见伎俩

现在分词 teaching 接在措施后面，说明这门课具体教什么，不用再另起一句。how to 后面接三个并列动词（check、compare、recognize），措施具体到可以照着做。media literacy 意思是“媒介素养”，是谈网络话题的好词。

例1 Schools should offer courses on financial skills, teaching students how to save and spend money wisely.

学校应当开设理财课程，教学生如何明智地存钱和花钱。

例2 Communities should hold safety lectures, helping old people recognize the common tricks of phone fraud.

社区应当举办安全讲座，帮助老年人识别电话诈骗的常见伎俩。

也可以这样说

..., which can teach students how to ...

……，这能教会学生如何……

..., so that students can learn to ...

……，这样学生就能学会……

⑥ think twice before doing 习惯句

这个句式表达 表达“养成做……之前三思的习惯”，给个人提出具体可行的建议

公式 主语 + should develop the habit of thinking twice / should think twice + before + doing …

范文原句 develop the habit of thinking twice before believing or sharing anything

养成习惯，在相信或转发任何信息之前三思

develop the habit of 后面接动名词 thinking；before 是介词，后面也接动名词 believing、sharing。think twice 意思是“三思、慎重考虑”，是很地道的说法。这条建议针对第一段的 believe 和 share，问题和措施一一对应。

例1 We should develop the habit of thinking twice before buying anything online.

我们应当养成在网上买任何东西之前三思的习惯。

例2 Young people should think twice before lending money to strangers.

年轻人在借钱给陌生人之前应当三思。

也可以这样说

... should be careful before ...

……在……之前应当小心

... should always check the facts before ...

……在……之前应当先核实事实

⑦ If 人人尽责 + rather than 收尾句

这个句式表达 表达“只要每个人都尽到责任，就能成为……而不是……”，总结措施并写出效果

公式 If everyone does their part, 主语 + can become + A + rather than + B

范文原句 If everyone does their part, young people can become wise users of the Internet rather than victims of false information

只要每个人都尽到自己的责任，年轻人就能成为明智的网络使用者，而不是虚假信息的受害者

If everyone does their part 一句话概括了前面学校、平台、年轻人三方的措施；do one's part 意思是“尽自己的一份力”。rather than 连接两个名词短语，把“明智的网民”和“受害者”放在一起对比，结尾有力，又呼应了第一段的现象。

例1 If everyone does their part, our city can become cleaner rather than more polluted.

只要每个人都尽到自己的责任，我们的城市就能变得更干净，而不是更脏。

例2 If everyone does their part, children can become masters of technology rather than its slaves.

只要每个人都尽到自己的责任，孩子们就能成为技术的主人，而不是它的奴隶。

也可以这样说

Only through joint efforts can ...

只有共同努力，……才能……

..., instead of ...

……，而不是……

10 亮点词汇

把普通说法换成高分说法

高分表达	意思	替代的普通说法
a great deal of	大量的	a lot of
sensational	adj. 耸人听闻的	shocking
unverified	adj. 未经核实的	not checked
reliable	adj. 可靠的；可信的	trustworthy
phenomenon	n. 现象	situation
mislead	v. 误导	fool
arise	v. 出现；产生	happen
deliberately	adv. 故意地；蓄意地	on purpose
media literacy	媒介素养	the ability to judge information
promptly	adv. 及时地；迅速地	quickly

理性对待追星

2021年12月大学英语六级 第2套 · 写作 Part I
议论文 · 范文 197 词

1 原题

Part I **Writing** **(30 minutes)**

Directions: *For this part, you are allowed 30 minutes to write an essay related to the short passage given below. In your essay, you are to comment on the phenomenon described in the passage and suggest measures to address the issue. You should write at least 150 words but no more than 200 words.*

Nowadays star chasing is prevalent among many teenagers. They take pop stars as their idols, imitating their way of talking, following their style of dressing, and seeking every chance to meet them in person at great expenses.

题目译文

这一部分（For this part），你有 30 分钟（30 minutes）写一篇文章（essay），内容要和下面给出的这段短文相关（related to the short passage given below）。

在文章中，你要做两件事：① 评论短文所描述的现象（comment on the phenomenon described in the passage）；② 提出解决这个问题的措施（suggest measures to address the issue）。

字数：至少 150 词（at least 150 words），但不超过 200 词（no more than 200 words）。

短文（译文）：如今，追星（star chasing）在许多青少年中很盛行（prevalent）。他们把流行明星当作偶像（idols），模仿明星的说话方式（way of talking），追随明星的穿衣风格（style of dressing），还不惜花大价钱（at great expenses）寻找一切机会和明星当面见面（meet them in person）。

2 审题

先弄清楚要写什么，再动笔

短文评论（现象 + 对策）：青少年追星

150—200 词（题目要求 at least 150 words but no more than 200 words）；范文写到 190—200 词，本篇 197 词。不要卡着 150 词的最低线写，也绝不能超过 200 词

- [ ] 开头用自己的话概括短文描述的现象：许多青少年追星，模仿偶像的言谈穿着，甚至花大钱去见偶像
- [ ] 评论这一现象（comment on the phenomenon）：追星有没有好处、盲目追星有哪些危害
- [ ] 提出解决问题的措施（suggest measures to address the issue），措施要具体，最好分给不同的主体
- [ ] 结尾落到青少年自己身上，说明应当怎样理性对待明星

语气与身份：正式、客观的评论语气：描述现象、分析危害用一般现在时和第三人称，提措施用 should、can，评价要公允，不全盘否定追星，也不用口语化的表达

容易失分的地方

- 不能照抄短文的句子：短文只是告诉你写什么现象，抄进作文里不算你的语言，还白白占字数。要换词、换句式重新说：star chasing is prevalent among many teenagers 改成 many teenagers are devoted fans of pop stars，take pop stars as their idols 改成 regard these stars as idols，imitating their way of talking, following their style of dressing 改成 copy how their idols talk and dress
- 题目有两项任务，一项都不能少：只骂追星不提措施，或者只写措施不评论现象，都算没有完成任务
- 评论要公允：先承认正面偶像能激励人，再指出“盲目”追星的危害，比一味否定追星更有说服力；问题的关键词是 blind（盲目），不是追星本身
- 危害要具体：耽误学业、浪费父母的钱、迷失自我和价值观扭曲，每一条都写清楚，不能只说“追星不好”

3 题目要求逐条落实

每一条要求 → 范文里的哪一句

题目要求	范文原句	怎么做到的
用自己的话概括短文的现象	Nowadays, many teenagers are devoted fans of pop stars.	意思和短文一致，但没有照抄：短文的 star chasing is prevalent among many teenagers 换成了 many teenagers are devoted fans of pop stars，devoted 写出了“狂热”。
把现象写具体	They regard these stars as idols, copy how their idols talk and dress, and some even spend large sums of money to see them in person.	短文的三个表现（模仿言谈、模仿穿着、花大钱见偶像）都写到了，但全部换了说法：take … as 换成 regard … as，两个分词短语合成 copy how their idols talk and dress，at great expenses 换成 spend large sums of money。
评论现象：先肯定合理的一面	Admiring stars is not harmful in itself.	第二段先让步：追星本身无害，正面偶像还能激励年轻人追求梦想。先肯定再批评，评论显得公允。
评论现象：指出盲目追星的危害	However, blind idol worship can cause serious problems.	用 However 转折，点明问题出在“盲目”上，再分三层写危害：耽误学业、浪费父母的血汗钱、迷失自我和价值观扭曲，一层比一层严重。
提出解决问题的措施	To tackle this problem, parents and teachers should help teenagers look beyond a star's appearance	第三段一开头用 To tackle this problem 转入措施，再分给家长和老师、学校、娱乐行业、青少年自己四个主体，每个主体都有具体做法。

措施落到青少年自身并收尾	Most importantly, teenagers themselves should learn to think independently and treat stars as a source of inspiration rather than the center of their lives.	用 Most importantly 突出最关键的一条：青少年自己学会独立思考；rather than 对比“灵感的来源”和“生活的中心”，呼应第二段“正面偶像能激励人”，收束全文。
字数 150—200 词	Nowadays, many teenagers are devoted fans of pop stars.	全文共 197 词：现象段 2 句，评论段 6 句，措施段 4 句，落在 190—200 词的目标区间内，没有超过 200 词。

4 写作思路

先列提纲，每段一个任务

第一段

用自己的话概括现象

许多青少年是流行明星的狂热粉丝 → 具体表现：把明星当偶像、模仿言谈穿着、有的花大钱去现场看偶像

第二段

评论现象：先肯定，再指出危害

让步：追星本身无害，正面偶像能激励人 → 转折：盲目崇拜带来严重问题 → 危害一：耽误学业 → 危害二：浪费父母的血汗钱 → 危害三（更糟）：迷失自我、价值观扭曲

第三段

提出措施并收尾

家长和老师：引导孩子看到外表之外的品质 → 学校：介绍科学、体育、公共服务领域的榜样 → 娱乐行业：停止鼓励非理性消费 → 最重要：青少年自己独立思考，把明星当作灵感来源而不是生活中心

5 满分范文

荧光笔 + 圆圈编号 = 下面讲的高分句式

[1] Nowadays, many teenagers are devoted fans of pop stars. [2] They regard these stars as idols, copy how their idols talk and dress, and some even spend large sums of money to see them in person①.

[3] Admiring stars is not harmful in itself②. [4] A positive idol who works hard and cares about society can inspire young fans to pursue their own dreams③. [5] However, blind idol worship can cause serious problems. [6] Some teenagers spend so much time following celebrities online that their studies suffer④. [7] Others waste their parents' hard-earned money on concert tickets, albums and souvenirs. [8] Worse still, when teenagers imitate stars without judgment, they may lose their own identity and adopt distorted values⑤, such as believing that fame and good looks matter more than effort.

[9] To tackle this problem, parents and teachers should help teenagers look beyond a star's appearance and appreciate qualities such as diligence and kindness⑥. [10] Schools can also introduce students to role models in science, sports and public service. [11] In addition, the entertainment

industry should stop encouraging irrational spending among fans. [12] Most importantly, teenagers themselves should learn to think independently and treat stars as a source of inspiration rather than the center of their lives⑦.

参考译文

如今，许多青少年都是流行明星的狂热粉丝。他们把这些明星视为偶像，模仿偶像说话和穿衣的方式，有的人甚至花大笔钱去现场看他们。

崇拜明星本身并没有害处。一个努力工作、关心社会的正面偶像能够激励年轻粉丝追求自己的梦想。然而，盲目的偶像崇拜会造成严重的问题。有些青少年花大量时间在网上追星，以至于学业受到影响。还有一些人把父母的血汗钱浪费在演唱会门票、专辑和纪念品上。更糟糕的是，青少年不加判断地模仿明星时，可能会迷失自我，形成扭曲的价值观，比如认为名气和好相貌比努力更重要。

为了解决这一问题，家长和老师应当帮助青少年透过明星的外表，欣赏勤奋、善良等品质。学校也可以向学生介绍科学、体育和公共服务领域的榜样。此外，娱乐行业应当停止鼓励粉丝非理性消费。最重要的是，青少年自己应当学会独立思考，把明星当作灵感的来源，而不是生活的中心。

6 一步一步写出这篇范文

01 换词换句式，概括短文的现象

第一句用 devoted fans 改写短文的 star chasing is prevalent，第二句把短文的三个表现换成 regard … as、copy how …、spend large sums of money，意思全保留，句子全是自己的。

> 1 Nowadays, many teenagers are devoted fans of pop stars.
> 如今，许多青少年都是流行明星的狂热粉丝。
> 2 They regard these stars as idols, copy how their idols talk and dress, and some even spend large sums of money to see them in person.
> 他们把这些明星视为偶像，模仿偶像说话和穿衣的方式，有的人甚至花大笔钱去现场看他们。

02 先让步：承认追星合理的一面

第二段先用 not harmful in itself 说追星本身无害，再用 who 定语从句写出什么样的偶像是“正面的”，以及它能带来什么好处。

> 3 Admiring stars is not harmful in itself.
> 崇拜明星本身并没有害处。
> 4 A positive idol who works hard and cares about society can inspire young fans to pursue their own dreams.
> 一个努力工作、关心社会的正面偶像能够激励年轻粉丝追求自己的梦想。

03 再转折：点明问题在“盲目”

用 However 转折，blind idol worship 点出问题的关键，这一句是评论段的中心句，后面三句都围绕它展开。

> 5 However, blind idol worship can cause serious problems.
> 然而，盲目的偶像崇拜会造成严重的问题。

04 危害分三层，一层比一层重

用 Some … Others … 分别写耽误学业和浪费金钱，再用 Worse still 引出最严重的危害（迷失自我、价值观扭曲），并用 such as 举出扭曲价值观的具体例子。

> 6 Some teenagers spend so much time following celebrities online that their studies suffer.
> 有些青少年花大量时间在网上追星，以至于学业受到影响。
> 7 Others waste their parents' hard-earned money on concert tickets, albums and souvenirs.
> 还有一些人把父母的血汗钱浪费在演唱会门票、专辑和纪念品上。
> 8 Worse still, when teenagers imitate stars without judgment, they may lose their own identity and adopt distorted values, such as believing that fame and good looks matter more than effort.
> 更糟糕的是，青少年不加判断地模仿明星时，可能会迷失自我，形成扭曲的价值观，比如认为名气和好相貌比努力更重要。

05 措施分给不同主体

用 To tackle this problem 转入措施，依次写家长和老师、学校、娱乐行业，用 also、In addition 连接；每条措施都写清“做什么”，而且对准第二段的危害（看重外表、非理性消费）。

> 9 To tackle this problem, parents and teachers should help teenagers look beyond a star's appearance and appreciate qualities such as diligence and kindness.
> 为了解决这一问题，家长和老师应当帮助青少年透过明星的外表，欣赏勤奋、善良等品质。
> 10 Schools can also introduce students to role models in science, sports and public service.
> 学校也可以向学生介绍科学、体育和公共服务领域的榜样。
> 11 In addition, the entertainment industry should stop encouraging irrational spending among fans.
> 此外，娱乐行业应当停止鼓励粉丝非理性消费。

06 最重要的一条放最后收尾

用 Most importantly 突出青少年自己，用 treat … as … rather than … 说出理性追星的态度，呼应第二段“正面偶像能激励人”，全文首尾一致。

> 12 Most importantly, teenagers themselves should learn to think independently and treat stars as a source of inspiration rather than the center of their lives.
> 最重要的是，青少年自己应当学会独立思考，把明星当作灵感的来源，而不是生活的中心。

7 为什么是满分档

切题 · 结构与连贯 · 语言

切题

题目有两项任务（评论现象、提出措施），范文都完整做到了。第一段用自己的话概括短文的现象，没有照抄一句；第二段先承认正面偶像的激励作用，再用 However 指出“盲目”追星的三层危害，评论公允而有深度；第三段给家长和老师、学校、娱乐行业、青少年自己分别提出具体措施，最后落到“理性对待明星”。没有一句跑题。满分档作文的特点就是：每项任务都有完整回应，内容紧扣题目。

Nowadays, many teenagers are devoted fans of pop stars.
Admiring stars is not harmful in itself.
However, blind idol worship can cause serious problems.
To tackle this problem
treat stars as a source of inspiration rather than the center of their lives

结构与连贯

三段分工清楚：概括现象 → 评论（先肯定，再指出危害）→ 提出措施。评论段用 However 由让步转到批评，用 Some … Others … 分述两种危害，再用 Worse still 推到最严重的一层；措施段用 To tackle this problem 转入，also、In addition、Most importantly 把四条措施串起来，最重要的放在最后。措施和危害一一对应（看重外表 → look beyond a star's appearance；乱花钱 → stop encouraging irrational spending）。这正是满分档作文在结构上的表现。

However, blind idol worship | Some teenagers | Others waste | Worse still | Schools can also | In addition | Most importantly

语言

句式丰富而且用得准确：并列谓语加 some even、动名词作主语加 in itself、who 定语从句、spend so much time doing … that …、Worse still 加 when 从句、不定式 To tackle this problem 作目的状语、treat … as … rather than …；用词具体、正式，如 devoted fans、large sums of money、hard-earned、blind idol worship、distorted values、irrational spending、diligence。全文没有语法错误，表达自然，满分档作文的语言就是这样准确、多样又地道。

copy how their idols talk and dress | A positive idol who works hard and cares about society | spend so much time following celebrities online that their studies suffer | waste their parents' hard-earned money on concert tickets, albums and souvenirs | lose their own identity and adopt distorted values | stop encouraging irrational spending among fans

8 升格示范

普通写法一步一步改成满分句

升格 1

第 1 步 They take pop stars as their idols, imitating their way of talking, following their style of dressing, and seeking every chance to meet them in person at great expense.
这是照抄短文的写法：阅卷老师一眼就能认出来，这一句不算你的语言，还白白占了二十多个词。

第 2 步 They like these stars very much, and they learn how the stars talk and dress.
换成了自己的话，不再照抄；但 like very much、learn 很普通，也漏掉了“花大钱见偶像”这个最突出的表现。

第 3 步 They regard these stars as idols, copy how their idols talk and dress, and spend a lot of money to see them.
用 regard … as 和三个并列动作写出了全部表现，句子紧凑；但 a lot of money 普通，而且不是每个人都这样，加上 some even 和 large sums of money、in person，才写出“有的人甚至花大钱去现场看”。

满分句 **They regard these stars as idols, copy how their idols talk and dress, and some even spend large sums of money to see them in person.**

升格 2

第 1 步 Also, teenagers may learn bad things from stars.
说出了危害，但 bad things 太空泛，Also 也没有体现“这一条最严重”。

第 2 步 What is worse, teenagers who copy stars may forget who they are and think that being famous is very important.
What is worse 有了递进，危害也具体了；但 forget who they are、very important 比较口语，也没点明问题出在“不加判断”上。

第 3 步 Worse still, when teenagers imitate stars without judgment, they may lose their own identity and adopt distorted values.
用 when 从句加 without judgment 点出原因，lose their own identity、distorted values 正式准确；但“扭曲的价值观”还比较抽象，后面用 such as 举出具体例子（认为名气和外表比努力重要），就更有说服力。

满分句 **Worse still, when teenagers imitate stars without judgment, they may lose their own identity and adopt distorted values, such as believing that fame and good looks matter more than effort.**

升格 3

第 1 步 Parents and teachers should help teenagers.
说了谁来做，却没说做什么，help 太空泛，阅卷老师看不到具体措施。

第 2 步 Parents and teachers should tell teenagers not to care only about how stars look.
措施具体了一些，但只说了“不要做什么”，没说“应该看什么”；tell 也像命令，不像引导。

第 3 步 To solve this problem, parents and teachers should help teenagers look beyond a star's appearance.
加上目的状语开头，自然转入措施；look beyond a star's appearance 简洁地道。把 solve 换成更生动的 tackle，再补上 appreciate qualities such as diligence and kindness，说清“应该看到什么”，措施才完整。

满分句 **To tackle this problem, parents and teachers should help teenagers look beyond a star's appearance and appreciate qualities such as diligence and kindness.**

9 高分句式

① 并列谓语描述现象句

这个句式表达 表达“他们把……视为……，模仿……，有的甚至……”，用一串动作把现象写具体，最后用 even 推到最极端的表现

公式 They + 动作1, 动作2, and some even + 动作3

范文原句 They regard these stars as idols, copy how their idols talk and dress, and some even spend large sums of money to see them in person

他们把这些明星视为偶像，模仿偶像说话和穿衣的方式，有的人甚至花大笔钱去现场看他们

regard A as B 意思是“把 A 视为 B”；copy how their idols talk and dress 用一个 how 从句把“言谈”和“穿着”合在一起，比短文的两个分词短语更简洁。最后一项换成 some even，从“大家都这样”推到“有的人甚至”，现象层层加深。

例1 They check their phones during meals, use them in class, and some even play games until midnight.
他们吃饭时看手机，上课时用手机，有的人甚至玩游戏到半夜。

例2 Many students regard grades as everything, study late every night, and some even give up sports.
许多学生把分数视为一切，每晚学到很晚，有的人甚至放弃了体育运动。

也可以这样说

Some of them even ...
他们当中有些人甚至……

..., and a few go so far as to ...
……，有少数人甚至到了……的地步

② in itself 让步句

这个句式表达 表达“……本身并没有害处 / 并不是坏事”，先肯定合理的一面，再用 However 转到问题上

公式 doing sth + is not harmful / bad in itself. … However, …

范文原句 Admiring stars is not harmful in itself

崇拜明星本身并没有害处

动名词 Admiring stars 作主语，谓语用单数 is。in itself 意思是“本身”，暗示“问题不在它本身，而在别的地方”，为下文的 However, blind idol worship … 做好铺垫。先让步再转折，评论显得公允、成熟。

例1 Playing video games is not harmful in itself, but too much of it can hurt our health.
玩电子游戏本身并没有害处，但玩得太多会损害健康。

例2 Using a phone in class is not wrong in itself if students use it to look up information.

如果学生用手机查资料，课堂上用手机本身并没有错。

也可以这样说

There is nothing wrong with ... itself.

……本身并没有什么错。

Admittedly, ...

诚然，……

③ inspire sb to do 正面作用句

这个句式表达 表达“一个……的人能够激励……去做……”，用定语从句说清什么样的人，再说出他带来的好处

公式 A + 形容词 + 名词 + who + 具体表现 + can inspire + 人 + to + 动词原形 …

范文原句 A positive idol who works hard and cares about society can inspire young fans to pursue their own dreams

一个努力工作、关心社会的正面偶像能够激励年轻粉丝追求自己的梦想

who 引导的定语从句说明什么样的偶像才算“正面”（努力工作、关心社会），不是空说 positive。inspire sb to do 意思是“激励某人去做”，pursue their own dreams 意思是“追求自己的梦想”，语气积极。

例1 A good teacher who loves her students can inspire them to work harder.

一位爱学生的好老师能够激励学生更加努力。

例2 A sports star who never gives up can inspire young people to face difficulties bravely.

一位永不放弃的体育明星能够激励年轻人勇敢面对困难。

也可以这样说

... can encourage young people to ...

……能够鼓励年轻人……

... can set a good example for ...

……能够为……树立好榜样

④ Some … Others … 分述危害句

这个句式表达 表达“有些人……，另一些人……”，把同一个问题的不同表现分开写，条理清楚

公式 Some + 人 + 表现1. Others + 表现2.

范文原句 Some teenagers spend so much time following celebrities online that their studies suffer

有些青少年花大量时间在网上追星，以至于学业受到影响

Some teenagers 开头写第一种表现，下一句用 Others 写第二种，两句并列，读者一看就知道是两种不同的危害。句中 spend so much time doing … that … 意思是“花了太多时间做……，以至于……”；suffer 在这里意思是“变差、受损”，比 become bad 更地道。

例1 Some students spend so much time on their phones that they cannot sleep well. Others stay up late playing games.

有些学生花太多时间玩手机，以至于睡不好觉；另一些学生则熬夜打游戏。

例2 Some people eat out every day. Others order takeout for every meal.

有些人每天下馆子；另一些人则每顿都点外卖。

也可以这样说

Some ... while others ...

有些人……，而另一些人……

For some ..., ... For others, ...

对一些人来说，……对另一些人来说，……

⑤ Worse still 递进危害句

这个句式表达 表达“更糟糕的是，当……时，他们可能会……”，把最严重的危害放在最后，层层递进

公式 Worse still, when + 主语 + 谓语 …, 主语 + may + 动词原形 …（, such as + doing …）

范文原句 Worse still, when teenagers imitate stars without judgment, they may lose their own identity and adopt distorted values

更糟糕的是，青少年不加判断地模仿明星时，可能会迷失自我，形成扭曲的价值观

Worse still 放在句首，告诉读者“下面这一条最严重”。when 从句交代在什么情况下会出问题（without judgment，不加判断），主句用 may 让语气客观。lose their own identity 意思是“迷失自我”，distorted values 意思是“扭曲的价值观”，都是谈青少年话题的好表达。

例1 Worse still, when children spend too much time online, they may lose interest in real life.

更糟糕的是，孩子们上网时间太长时，可能会对现实生活失去兴趣。

例2 Worse still, when people believe rumors without thinking, they may make wrong decisions.

更糟糕的是，人们不加思考地相信谣言时，可能会做出错误的决定。

也可以这样说

What is worse, ...

更糟糕的是，……

To make matters worse, ...

雪上加霜的是，……

⑥ To tackle this problem 措施开头句

这个句式表达 表达“为了解决这一问题，某方应当帮助……”，用目的状语开头，自然地转入措施

公式 To tackle this problem, 主体 + should help + 人 + 动词原形 …

范文原句 To tackle this problem, parents and teachers should help teenagers look beyond a star's appearance and appreciate qualities such as diligence and kindness

为了解决这一问题，家长和老师应当帮助青少年透过明星的外表，欣赏勤奋、善良等品质

To tackle this problem 是不定式作目的状语，放在段首，一下子从“问题”转到“措施”；tackle 意思是“解决、处理”，比 solve 更生动。help sb do 后面直接接动词原形；look beyond 意思是“不只看到……”，appreciate qualities such as … 把抽象的“正确引导”写成具体的品质。

例1 To tackle this problem, schools should help students manage their time on the Internet.

为了解决这一问题，学校应当帮助学生管理上网时间。

例2 To tackle this problem, the government should help small companies find skilled workers.

为了解决这一问题，政府应当帮助小公司找到熟练工人。

也可以这样说

To address this issue, ...

为了解决这个问题，……

Several measures can be taken to ...

可以采取几项措施来……

⑦ treat A as B rather than C 收尾句

这个句式表达 表达“把 A 当作 B，而不是 C”，用对比说出正确的态度，适合放在结尾

公式 主语 + should + treat + A + as + B + rather than + C

范文原句 treat stars as a source of inspiration rather than the center of their lives

把明星当作灵感的来源，而不是生活的中心

treat A as B 意思是“把 A 当作 B”；rather than 连接两个名词短语，形成鲜明对比：明星可以给人力量（a source of inspiration），但不能成为生活的全部（the center of their lives）。一句话说清什么是理性追星，又呼应了第二段“正面偶像能激励人”。

例1 Students should treat mobile phones as tools for learning rather than toys.

学生应当把手机当作学习的工具，而不是玩具。

例2 We should treat failure as a chance to learn rather than the end of the road.

我们应当把失败当作学习的机会，而不是绝路。

也可以这样说

... regard A as B instead of C

……把 A 看作 B，而不是 C

... see A not as C but as B

……不把 A 看作 C，而是看作 B

10 亮点词汇

把普通说法换成高分说法

高分表达	意思	替代的普通说法
devoted	adj. 忠实的；狂热的	big
regard ... as	把……视为	think of ... as
in person	亲自；当面	face to face
inspire	v. 激励；鼓舞	encourage
blind	adj. 盲目的	crazy
hard-earned	adj. 辛苦挣来的	earned through hard work
distorted	adj. 扭曲的	wrong
tackle	v. 解决；处理	solve
irrational	adj. 非理性的；不理智的	unwise
think independently	独立思考	think for oneself

过度保护式育儿

2021年12月大学英语六级 第3套 · 写作 Part I
议论文 · 范文 200 词

1 原题

Part I **Writing** **(30 minutes)**

Directions: *For this part, you are allowed 30 minutes to write an essay related to the short passage given below. In your essay, you are to comment on the phenomenon described in the passage and suggest measures to address the issue. You should write at least 150 words but no more than 200 words.*

Some parents in China are overprotective of their children. They plan everything for their children, make all the decisions for them, and do not allow them to explore on their own in case they make mistakes or get hurt.

题目译文

这一部分（For this part），你有 30 分钟（30 minutes）写一篇文章（essay），内容要和下面给出的这段短文相关（related to the short passage given below）。

在文章中，你要做两件事：① 评论短文所描述的现象（comment on the phenomenon described in the passage）；② 提出解决这个问题的措施（suggest measures to address the issue）。

字数：至少 150 词（at least 150 words），但不超过 200 词（no more than 200 words）。

短文（译文）：在中国，有些父母对孩子过度保护（overprotective）。他们替孩子安排好一切（plan everything），替孩子作所有的决定（make all the decisions），而且不让孩子自己去探索（explore on their own），生怕孩子犯错或受伤（in case they make mistakes or get hurt）。

2 审题

先弄清楚要写什么，再动笔

短文评论（现象 + 对策）：过度保护孩子的父母

150—200 词（题目要求 at least 150 words but no more than 200 words，短文不算在内）；范文写到 190—200 词，本篇 200 词，正好在上限上。不要卡着 150 词的最低线写，也绝不能超过 200 词：写到 200 词就不能再加一个词

- [ ] 读懂题目给的短文：一些中国父母过度保护孩子，替孩子安排一切、做所有决定，怕孩子犯错或受伤而不让他们自己探索
- [ ] 用自己的话点明这个现象（一两句即可），不能把短文的句子照抄进作文
- [ ] 评论这个现象：说清它的危害或问题出在哪里（comment on the phenomenon）
- [ ] 提出解决问题的措施：谁来做、具体做什么（suggest measures to address the issue）

语气与身份：正式、客观的议论语气：用第三人称（parents、children）论述，用 may 说明可能的后果，用 should、can 提出建议，不用 I think、you 这类口语化的写法

容易失分的地方

- 不能照抄短文：短文是给你看的材料，不是作文的一部分。整句抄进来不算你写的内容，还浪费字数。范文把 plan everything for their children 改写成 arrange every detail of their children's lives，把 in case 换成 for fear that，意思不变、说法全新
- 现象只占开头一段，不要把短文的内容翻来覆去地复述，主体是“评论”和“措施”两部分
- 评论要说清“为什么不好”：不能只说 it is bad，要写出对孩子的具体影响（缺乏独立和自信、经不起挫折）
- 措施要具体可行：写清谁来做（父母、学校、社区）和做什么（做家务、管零花钱、开育儿课），不要只喊“父母要改变”的口号
- 评论不要一棍子打死：先承认父母出于爱（Although such behavior comes from love），再说弊大于利，观点更客观

3 题目要求逐条落实

每一条要求 → 范文里的哪一句

题目要求	范文原句	怎么做到的
围绕短文写作，用自己的话点明现象	Overprotective parenting is common in many Chinese families.	第一句用 overprotective parenting 一个名词短语概括短文的现象，是作者自己的话，不是照抄短文的 Some parents in China are overprotective of their children。
转述短文内容，不照抄原句	Parents of this kind arrange every detail of their children's lives, from what to eat and wear to which university and major to choose	短文说父母 plan everything、make all the decisions，范文改写成“安排生活的每一个细节”，再用 from … to … 举出吃穿、选大学和专业这些具体例子，比短文更具体，也完全是自己的句子。
评论现象（说清危害）	Although such behavior comes from love, it often does more harm than good.	第二段一开头就亮出评论的观点：出于爱，却弊大于利。后面三句分两层说明危害：缺乏独立和自信；失去从失败中成长的机会。
提出解决问题的措施	To address this issue, parents should first change their mindset	第三段用 To address this issue 直接回应题目里的 address the issue，措施由此开始：先改观念，再给孩子责任。
措施要具体、分主体	such as doing chores or managing their pocket money	父母的做法落到做家务、管零花钱这些具体小事；再用 Schools and communities can also help 加上学校和社区的做法，措施不只停在家庭里。

字数 150—200 词	Overprotective parenting	全文共 200 词：现象段 2 句，评论段 4 句，措施段 4 句。正好写到上限，没有超过；考场上写到 190—200 词就停笔，宁可删一个修饰词也不要超出。

4 写作思路

先列提纲，每段一个任务

第一段

用自己的话点明现象

概括现象：过度保护式育儿很常见 → 具体表现：从吃穿到选大学、选专业都由父母安排，怕孩子犯错受伤而很少让他们尝试新事物

第二段

评论现象：弊大于利

让步 + 观点：出于爱，却弊大于利 → 危害一：没自己做过决定的孩子缺乏独立和自信，离家后无所适从 → 危害二：错误和挫折是成长的一部分，父母挡住一切风险，孩子就学不会从失败中变得坚强

第三段

提出措施并收尾

父母：先改观念（放手也是爱）→ 再给孩子适合年龄的责任（做家务、管零花钱），让他们自己选择、承担后果 → 学校和社区：开设育儿课程、组织自主探索的活动 → 收尾：孩子能更好地为成年生活做准备

5 满分范文

荧光笔 + 圆圈编号 = 下面讲的高分句式

[1] Overprotective parenting is common in many Chinese families. [2] Parents of this kind arrange every detail of their children's lives, from what to eat and wear to which university and major to choose①, and they rarely let their children try anything new for fear that they might make mistakes or get hurt.

[3] Although such behavior comes from love, it often does more harm than good②. [4] Children who have never made their own decisions may lack independence and confidence③, and they may feel lost when they leave home for college or work. [5] Moreover, mistakes and setbacks are an important part of growing up. [6] By shielding children from every risk, parents deprive them of the chance to learn from failure and become resilient④.

[7] To address this issue, parents should first change their mindset and realize that letting go is also a form of love⑤. [8] They can begin by giving children age-appropriate responsibilities, such as doing chores or managing their pocket money, and allowing them to make choices and bear the consequences. [9] Schools and communities can also help by offering parenting courses and organizing activities that encourage children to explore on their own⑥. [10] In this way, children will be better prepared for adult life.

参考译文

过度保护式育儿在许多中国家庭中很常见。这类父母安排孩子生活中的每一个细节，从吃什么、穿什么，到选哪所大学、读什么专业，而且他们很少让孩子尝试任何新事物，生怕孩子会犯错或受伤。

这种行为虽然出于爱，却往往弊大于利。从未自己做过决定的孩子可能缺乏独立性和自信心，离家去上大学或工作时，他们可能会感到无所适从。此外，错误和挫折是成长的重要组成部分。父母让孩子避开每一种风险，也就剥夺了他们从失败中学习、变得坚强的机会。

为了解决这个问题，父母首先应当转变观念，明白放手也是一种爱。他们可以先给孩子分配适合其年龄的责任，比如做家务或管理零花钱，并允许他们自己做选择、承担后果。学校和社区也可以提供帮助，开设育儿课程，组织鼓励孩子自主探索的活动。这样，孩子就能为成年生活做好更充分的准备。

6 一步一步写出这篇范文

01 一句话给现象起个名字

开头不抄短文，而是用一个名词短语 overprotective parenting 概括现象，再加 is common in many Chinese families 说明它很普遍，读者一下就知道全文写什么。

> 1 Overprotective parenting is common in many Chinese families.
> 过度保护式育儿在许多中国家庭中很常见。

02 用具体例子把现象写“活”

第二句用 Parents of this kind 承接上句，用 from … to … 列出从吃穿到选大学、选专业的例子，再用 for fear that 交代父母的顾虑。意思和短文一样，句子全是自己的。

> 2 Parents of this kind arrange every detail of their children's lives, from what to eat and wear to which university and major to choose, and they rarely let their children try anything new for fear that they might make mistakes or get hurt.
> 这类父母安排孩子生活中的每一个细节，从吃什么、穿什么，到选哪所大学、读什么专业，而且他们很少让孩子尝试任何新事物，生怕孩子会犯错或受伤。

03 先让步，再亮出评论的观点

第二段第一句用 Although 承认“出于爱”，主句用 does more harm than good 给出判断，评论既客观又鲜明。

> 3 Although such behavior comes from love, it often does more harm than good.
> 这种行为虽然出于爱，却往往弊大于利。

04 分两层写危害，第二层用 Moreover 引出

第一层写对孩子性格的影响（缺乏独立和自信，离家后无所适从）；第二层先用 Moreover 说出道理（错误和挫折是成长的一部分），再用 By shielding … 说明父母的做法剥夺了什么。

> 4 Children who have never made their own decisions may lack independence and confidence, and they may feel lost when they leave home for college or work.
> 从未自己做过决定的孩子可能缺乏独立性和自信心，离家去上大学或工作时，他们可能会感到无所适从。
>
> 5 Moreover, mistakes and setbacks are an important part of growing up.
> 此外，错误和挫折是成长的重要组成部分。
>
> 6 By shielding children from every risk, parents deprive them of the chance to learn from failure and become resilient.
> 父母让孩子避开每一种风险，也就剥夺了他们从失败中学习、变得坚强的机会。

05 **措施从“改观念”开始**

第三段用 To address this issue 呼应题目，用 first 点明父母要做的第一件事：明白 letting go is also a form of love，和第二段的“出于爱”首尾呼应。

> 7 To address this issue, parents should first change their mindset and realize that letting go is also a form of love.
> 为了解决这个问题，父母首先应当转变观念，明白放手也是一种爱。

06 **措施落到具体小事，再加上第二个主体**

用 begin by giving … 写父母可以马上做的事，用 such as 举出做家务、管零花钱；下一句用 Schools and communities can also help 加上学校和社区，让措施更全面。

> 8 They can begin by giving children age-appropriate responsibilities, such as doing chores or managing their pocket money, and allowing them to make choices and bear the consequences.
> 他们可以先给孩子分配适合其年龄的责任，比如做家务或管理零花钱，并允许他们自己做选择、承担后果。
> 9 Schools and communities can also help by offering parenting courses and organizing activities that encourage children to explore on their own.
> 学校和社区也可以提供帮助，开设育儿课程，组织鼓励孩子自主探索的活动。

07 **一句话说出措施的效果，收尾**

用 In this way 总括前面的措施，说出最终效果：孩子能更好地为成年生活做准备。结尾短而有力，不再展开新内容。

> 10 In this way, children will be better prepared for adult life.
> 这样，孩子就能为成年生活做好更充分的准备。

7 为什么是满分档

切题 · 结构与连贯 · 语言

切题

题目有两项任务：评论现象、提出措施。范文第一段用自己的话点明“过度保护”的现象，没有照抄短文；第二段整段评论，先判断“弊大于利”，再说出两层具体危害；第三段用 To address this issue 直接回应题目，给出父母、学校和社区的具体措施。三段分别对应“现象—评论—措施”，每项任务都有完整回应，没有一句跑题，这就是满分档作文在内容上的特点。

Overprotective parenting is common in many Chinese families. | it often does more harm than good | may lack independence and confidence | deprive them of the chance to learn from failure | To address this issue | Schools and communities can also help

结构与连贯

三段分工清楚：现象 → 评论 → 措施。段与段之间有承接：Parents of this kind 接住第一句，such behavior 把第二段和现象连起来，this issue 又把措施和前文连起来。段内用 Although、Moreover、first、also、In this way 标出层次；第三段的 letting go is also a form of love 呼应第二段的 comes from love。读者顺着这些词就能看清思路，这正是满分档作文在结构上的表现。

Parents of this kind | Although such behavior comes from love | Moreover | To address this issue, parents should first | letting go is also a form of love | In this way

语言

句式丰富而且用得准确：from … to … 加“疑问词 + 不定式”、Although 让步句、who 定语从句、By doing 开头句、动名词作主语、by 加动名词说明方式；用词准确、正式，如 overprotective、do more harm than good、setbacks、deprive … of、resilient、age-appropriate、bear the consequences。全文转述短文却没有照抄一句，全文没有语法错误，满分档作文的语言就是这样准确、多样又地道。

from what to eat and wear to which university and major to choose

for fear that they might make mistakes or get hurt | Children who have never made their own decisions

By shielding children from every risk | age-appropriate responsibilities | bear the consequences

8 升格示范

普通写法一步一步改成满分句

升格 1

第 1 步 This kind of parenting is very bad for children.
观点有了，但 very bad 太笼统，口气也像一味指责父母，不够客观。

第 2 步 Parents do this because they love their children, but it is bad for them.
加上了“出于爱”，评论更公正；但 do this、bad 都很口语，because 和 but 连在一句里，句子松散。

第 3 步 Although such behavior comes from love, it is harmful to children.
换成 Although 让步句，结构紧凑；such behavior 指代上文更正式。但 harmful 只说了“有害”，没有比较出“弊大于利”，判断还不够有分量。

满分句 **Although such behavior comes from love, it often does more harm than good.**

升格 2

第 1 步 Parents protect their children too much, so they cannot learn from failure.
因果说清楚了，但 protect too much 只是重复第一段的意思，so 连接也很普通。

第 2 步 Because parents protect their children from every risk, the children lose the chance to learn from failure.
加上 from every risk 和 the chance，意思更具体；但 lose 只是“失去”，看不出这是父母造成的结果。

第 3 步 By shielding children from every risk, parents deprive them of the chance to learn from failure.
用 By doing 开头，shield … from 比 protect 更形象；deprive … of 点明“是父母剥夺了机会”，对比鲜明。但只说了“学习”，还缺“变得坚强”这个最终结果。

满分句 **By shielding children from every risk, parents deprive them of the chance to learn from failure and become resilient.**

升格 3

第 1 步 Parents should let their children do more things.
方向对，但 do more things 太空泛，读者不知道具体做什么。

第 2 步 Parents should let their children do housework and use their own money.
有了具体例子；但 let … do 句式平淡，也没有说明这些事要和孩子的年龄相称。

第 3 步 They can begin by giving children age-appropriate responsibilities, such as doing chores or managing their pocket money.
用 begin by giving 说出第一步，age-appropriate responsibilities 概括得准确，such as 带出例子。但只写了“分配任务”，还缺“让孩子自己选择、承担后果”这一层。

满分句 **They can begin by giving children age-appropriate responsibilities, such as doing chores or managing their pocket money, and allowing them to make choices and bear the consequences.**

9 高分句式

公式 → 原句 → 讲解 → 仿写

① from … to … 具体化句

这个句式表达 表达“某人包办了……的每一个细节，从小事到大事都是如此”，用具体例子把笼统的说法写具体

公式 主语 + 动词 + every detail of …, from + 小事 + to + 大事

范文原句 Parents of this kind arrange every detail of their children's lives, from what to eat and wear to which university and major to choose
这类父母安排孩子生活中的每一个细节，从吃什么、穿什么，到选哪所大学、读什么专业

every detail 先给出笼统的说法，逗号后面的 from … to … 用一小一大两个例子说明“每一个细节”包括什么。what to eat、which university to choose 是“疑问词 + 不定式”，简洁又地道。转述短文时用这种写法，比照抄短文的 plan everything 具体得多。

例1 Some young people share every detail of their lives online, from what they eat to where they travel.
一些年轻人把生活中的每一个细节都发到网上，从吃了什么到去哪里旅行。

例2 The app tracks every detail of a user's day, from how long they sleep to how many steps they take.
这款应用记录用户一天中的每一个细节，从睡了多久到走了多少步。

也可以这样说

... make all the decisions for ..., ranging from ... to ...
……替……做所有的决定，范围从……到……

... control almost every aspect of ...
……几乎控制着……的方方面面

② 让步 + 弊大于利评论句

这个句式表达 表达“虽然这种做法出发点是好的，却往往弊大于利”，先承认对方的好意，再亮出自己的判断

公式 Although + 主语 + comes from … / is well-meant / 有某种好处, it / they often do(es) more harm than good.

范文原句 Although such behavior comes from love, it often does more harm than good

这种行为虽然出于爱，却往往弊大于利

Although 引导让步状语从句，注意主句前面不能再加 but。do more harm than good 意思是“弊大于利”，是评论现象最常用的高分表达。先让步再判断，评论显得公正、成熟，不像一味指责。

例1 Although strict rules come from good intentions, they often do more harm than good.

严格的规定虽然出于好意，却往往弊大于利。

例2 Although extra classes may raise test scores, they often do more harm than good.

课外补习虽然可能提高考试分数，却往往弊大于利。

也可以这样说

... the disadvantages far outweigh the advantages.

……弊远远大于利。

Well-meant as it is, ...

尽管出于好意，……

③ who 定语从句 + may 后果句

这个句式表达 表达“具有某种经历的人，可能会出现某种问题”，把危害落到具体的人身上

公式 人 + who have never + 过去分词 + may lack + 名词（可以两项并列）

范文原句 Children who have never made their own decisions may lack independence and confidence

从未自己做过决定的孩子可能缺乏独立性和自信心

who 引导的定语从句说明是“哪一类孩子”，现在完成时 have never made 强调“一直没有过这种经历”。may 表示“可能”，语气客观，不说绝对的话。lack 是及物动词，后面直接跟名词，不要写成 lack of。

例1 Students who have never worked part-time may lack practical skills.

从没做过兼职的学生可能缺乏实践能力。

例2 Children who have never lost a game may lack the courage to face failure.

从没输过比赛的孩子可能缺乏面对失败的勇气。

也可以这样说

Those who ... are likely to ...

那些……的人很可能……

... may fail to develop ...

……可能无法培养出……

④ By doing 剥夺句

这个句式表达 表达“某人通过做某事，反而剥夺了别人的某种机会”，点明好心办坏事

公式 By + doing …, 主语 + deprive + 人 + of + the chance to + 动词原形 …

范文原句 By shielding children from every risk, parents deprive them of the chance to learn from failure and become resilient

父母让孩子避开每一种风险，也就剥夺了他们从失败中学习、变得坚强的机会

By doing 放句首说明“通过什么做法”，主句说出意想不到的坏结果。deprive sb of sth 意思是“剥夺某人的某物”，介词必须用 of。shield … from … 意思是“保护……免受”。这一句把“保护”和“剥夺”放在一起，对比鲜明，评论很有力。

例1 By doing all the housework for their children, parents deprive them of the chance to learn basic life skills.

父母替孩子做完所有家务，也就剥夺了他们学习基本生活技能的机会。

例2 By giving students the answers directly, teachers deprive them of the chance to think for themselves.

老师直接把答案告诉学生，也就剥夺了他们独立思考的机会。

也可以这样说

..., which prevents them from ...

……，这使他们无法……

... rob children of the opportunity to ...

……夺走了孩子……的机会

⑤ To address this issue 措施开头句

这个句式表达 表达“为了解决这个问题，某人首先应当……”，从评论转到措施

公式 To address this issue, 主语 + should first + 动词原形 …（如 realize that + 完整句子）

范文原句 To address this issue, parents should first change their mindset and realize that letting go is also a form of love

为了解决这个问题，父母首先应当转变观念，明白放手也是一种爱

To address this issue 是不定式作目的状语，address 意思是“解决、处理”，正好用上题目里的 address the issue。first 点明这是第一步，后面的措施就有了先后顺序。letting go is also a form of love 是动名词作主语，和第二段的 comes from love 前后呼应。

例1 To address this issue, schools should first reduce the amount of homework.

为了解决这个问题，学校首先应当减少作业量。

例2 To address this issue, young people should first realize that health is more important than work.

为了解决这个问题，年轻人首先应当认识到健康比工作更重要。

也可以这样说

To solve this problem, ...

为了解决这个问题，……

The first step is for ... to ...

第一步是……要……

⑥ can also help by doing 第二主体句

这个句式表达 表达“某些机构也可以通过做某事来帮忙”，在措施段加上第二个主体

公式 B + can also help by + doing …（可以两项并列）

范文原句 Schools and communities can also help by offering parenting courses and organizing activities that encourage children to explore on their own

学校和社区也可以提供帮助，开设育儿课程，组织鼓励孩子自主探索的活动

also 表示“除了前面说的父母以外”，把第二个主体自然接上；by 后面接两个动名词 offering、organizing，说出具体怎么帮。that 引导的定语从句修饰 activities，说明是什么样的活动。

例1 The government can also help by building more parks and organizing free sports events.

政府也可以提供帮助，修建更多公园，组织免费的体育活动。

例2 Teachers can also help by praising students' efforts rather than their scores.

老师也可以提供帮助，表扬学生的努力而不是分数。

也可以这样说

Meanwhile, ... can play a part by ...

同时，……可以通过……发挥作用

In addition, ... should ...

此外，……应当……

10 亮点词汇

把普通说法换成高分说法

高分表达	意思	替代的普通说法
overprotective	adj. 过度保护的	too protective
arrange	v. 安排	plan
for fear that	生怕；以免	because they are afraid that
do more harm than good	弊大于利	be bad
independence	n. 独立；自主	doing things on one's own
setback	n. 挫折	difficulty
deprive ... of	剥夺（某人的）……	take ... away from
resilient	adj. 坚强的；适应力强的	strong
mindset	n. 观念；思维方式	way of thinking
bear the consequences	承担后果	accept the results

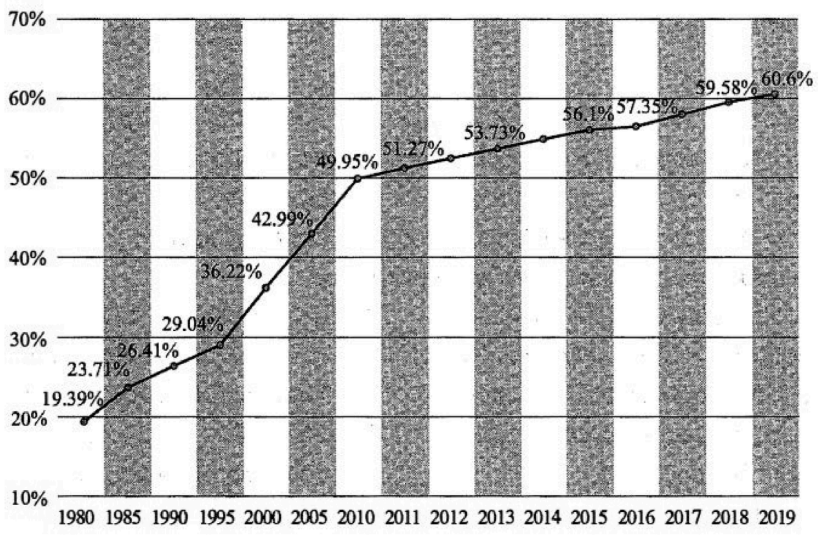
中国城镇化成就

1 原题

Part Ⅰ　　Writing　　(30 minutes)

Directions: *For this part, you are allowed 30 minutes to write an essay based on the graph below. You should start your essay with a brief description of the graph and comment on* ***China's achievements in urbanization****. You should write at least 150 words but no more than 200 words.*

Degree of urbanization in China from 1980 to 2019



题目译文

这一部分（For this part），你有 30 分钟（30 minutes），根据下面的图表（based on the graph below）写一篇文章（essay）。

文章开头要先简要描述图表（start your essay with a brief description of the graph），然后评论中国在城镇化方面取得的成就（comment on China's achievements in urbanization）。

字数：至少 150 词（at least 150 words），但不超过 200 词（no more than 200 words）。

图表标题：1980—2019 年中国的城镇化水平（Degree of urbanization in China from 1980 to 2019）。

图中是一条折线，表示城镇化率（城镇人口占总人口的比例）逐年上升：1980 年 19.39%，1985 年 23.71%，1990 年 26.41%，1995 年 29.04%，2000 年 36.22%，2005 年 42.99%，2010 年 49.95%，2011 年 51.27%，2013 年 53.73%，2015 年 56.1%，2016 年 57.35%，2018 年 59.58%，2019 年 60.6%（2012、2014、2017 年只画了点，没有标数值）。也就是说，近 40 年里城镇化率从不到五分之一升到了六成以上，2011 年第一次超过一半。

2 审题

先弄清楚要写什么，再动笔

图表作文（折线图：1980—2019 年中国城镇化率）

150—200 词（题目要求 at least 150 words but no more than 200 words）；范文写到 190—200 词，本篇 194 词。不要卡着 150 词的最低线写，也绝不能超过 200 词

- [ ] 开头简要描述折线图：城镇化率从多少升到多少，哪一段涨得最快，哪一年是转折点
- [ ] 评论中国在城镇化方面取得的成就：成就具体体现在哪些方面（这是文章的主体）
- [ ] 结尾收束全文：可以客观提一句挑战，再展望未来，让评论更全面

语气与身份：客观、正式：描述 1980—2019 年的数据用一般过去时，谈成就用现在完成时和一般现在时，全文用第三人称，不用 I think 这类口语化表达

容易失分的地方

- 数据一个都不能抄错：19.39%、60.6%、29.04%、49.95%、51.27%；图上 2012、2014、2017 年只画了点、没标数值，不要自己编数字
- 题目要的是“简要描述”（a brief description）：图表只写一段，挑起点、终点、最快的一段和转折点，不要把十几个年份逐个罗列
- 评论的对象是“成就”（achievements），主体段必须写成就；挑战只能一句带过，不能把文章写成以批评为主
- 时态不能乱：图中的变化已经发生，用 rose、jumped、reached；成就延续到现在，用 have moved、has transformed

3 题目要求逐条落实

每一条要求 → 范文里的哪一句

题目要求	范文原句	怎么做到的
以图表描述开头	As the graph shows, China's urbanization rate rose from 19.39% in 1980 to 60.6% in 2019.	第一句就交代图表内容：用 As the graph shows 引出，再用 rose from … to … 写出起点和终点，阅卷老师一眼看出“描述图表”这项要求开始了。
描述要简要、抓重点	The increase was especially rapid between 1995 and 2010	图表段只写四句：总体变化、增长最快的时段、过半的转折点、后期放缓。只挑最能说明问题的数据，其余年份一概不写。
评论中国城镇化的成就	This remarkable progress reflects China's great achievements in urbanization.	第二段第一句把“数据”变成“成就”，直接用上题目里的 achievements in urbanization，切题非常明确。

成就要写得具体	Hundreds of millions of people have moved from the countryside to cities	成就分三个方面展开：人的生活（更好的工作、教育和医疗）、城市面貌（地铁、高铁、新住宅区）、经济（国内市场和商机），每一方面都有具体内容，不喊空口号。
评论要全面，结尾有收束	Of course, rapid urbanization has also brought challenges	用 Of course 让步，承认交通拥堵、房价高等问题，再展望“以人为本的城镇化”，最后倒装句收尾，评论显得客观、成熟。
字数 150—200 词	As the graph shows	全文共 194 词：图表段 4 句，成就段 4 句，挑战与展望段 3 句，三段篇幅大致均衡，落在 190—200 词的目标区间内，没有超过 200 词。

4 写作思路

先列提纲，每段一个任务

第一段

简要描述图表

总体变化（19.39% → 60.6%）→ 增长最快的时段（1995—2010 年）→ 转折点（2011 年突破 50%，城镇人口首次多于农村）→ 此后继续上升但速度放缓

第二段

评论成就

过渡句：这一进步体现了巨大成就 → 人：数亿人进城，享受更好的工作、教育、医疗 → 城市：基础设施改变面貌、提高生活质量 → 经济：成为经济增长的引擎

第三段

让步与展望

让步：也带来交通拥堵、房价高等挑战 → 展望：推进以人为本的城镇化，城市更绿色宜居，缩小城乡差距 → 倒装句收尾：让成果惠及每一个人

5 满分范文

荧光笔 + 圆圈编号 = 下面讲的高分句式

[1] As the graph shows, China's urbanization rate rose from 19.39% in 1980 to 60.6% in 2019①. [2] The increase was especially rapid between 1995 and 2010, when the rate jumped from 29.04% to 49.95%②. [3] In 2011, it reached 51.27%, passing the 50% mark, meaning that for the first time more Chinese people lived in urban areas than in rural areas③. [4] The rate continued to rise after that, though at a slower pace.

[5] This remarkable progress reflects China's great achievements in urbanization④. [6] Hundreds of millions of people have moved from the countryside to cities, where they enjoy better jobs, education and medical care. [7] Modern infrastructure, such as subways, high-speed railways and new residential areas, has transformed the appearance of cities and greatly improved people's quality of life. [8] Urbanization has also served as a powerful engine of economic growth, creating a huge domestic market and countless new business opportunities⑤.

[9] Of course, rapid urbanization has also brought challenges, such as traffic congestion and high housing costs. [10] Looking ahead, China should pursue people-centered urbanization, making cities greener and more livable while narrowing the gap between urban and rural areas. [11] Only then will the achievements of urbanization truly benefit everyone⑥.

参考译文

如图所示，中国的城镇化率从1980年的19.39%上升到2019年的60.6%。1995年至2010年间增长尤为迅速，城镇化率从29.04%猛增至49.95%。2011年，城镇化率达到51.27%，突破了50%大关，这意味着中国城镇人口首次超过农村人口。此后城镇化率继续上升，只是速度有所放缓。

这一非凡的进步体现了中国在城镇化方面取得的巨大成就。数亿人从农村迁往城市，在那里享有更好的工作、教育和医疗服务。现代化基础设施，如地铁、高速铁路和新的居民区，改变了城市的面貌，极大地提高了人们的生活质量。城镇化还成为经济增长的强大引擎，创造了巨大的国内市场和无数新商机。

当然，快速的城镇化也带来了一些挑战，比如交通拥堵和住房成本高。展望未来，中国应当推进以人为本的城镇化，让城市更加绿色宜居，同时缩小城乡差距。只有这样，城镇化的成果才能真正惠及每一个人。

6 一步一步写出这篇范文

01 用一句话交代总体变化

开头用 As the graph shows 引出图表，用 rose from … to … 把起点和终点的年份、数据一次写全，让读者先看到整体趋势。

> 1 As the graph shows, China's urbanization rate rose from 19.39% in 1980 to 60.6% in 2019.
> 如图所示，中国的城镇化率从1980年的19.39%上升到2019年的60.6%。

02 只挑两个关键点：最快的一段和转折点

第二句用 when 引导的从句写出增长最快的时段；第三句写 2011 年突破 50%，并用 meaning that 说出这个数字的意义；最后用 though at a slower pace 交代后期放缓，图表段到此结束。

> 2 The increase was especially rapid between 1995 and 2010, when the rate jumped from 29.04% to 49.95%.
> 1995年至2010年间增长尤为迅速，城镇化率从29.04%猛增至49.95%。
> 3 In 2011, it reached 51.27%, passing the 50% mark, meaning that for the first time more Chinese people lived in urban areas than in rural areas.
> 2011年，城镇化率达到51.27%，突破了50%大关，这意味着中国城镇人口首次超过农村人口。
> 4 The rate continued to rise after that, though at a slower pace.
> 此后城镇化率继续上升，只是速度有所放缓。

03 用过渡句把“数据”变成“成就”

第二段第一句用 This remarkable progress 指代上一段的数据，再用 reflects … achievements 直接回应题目，评论部分由此开始。

> 5 This remarkable progress reflects China's great achievements in urbanization.
> 这一非凡的进步体现了中国在城镇化方面取得的巨大成就。

04 从人、城市、经济三个方面写成就

每个方面一句话，每句都有具体内容：人进城后享受更好的工作、教育和医疗；地铁、高铁、新住宅区改变城市面貌；城镇化成为经济增长的引擎。用 also 把第三点接上，层次清楚。

> 6 Hundreds of millions of people have moved from the countryside to cities, where they enjoy better jobs, education and medical care.
> 数亿人从农村迁往城市，在那里享有更好的工作、教育和医疗服务。
> 7 Modern infrastructure, such as subways, high-speed railways and new residential areas, has transformed the appearance of cities and greatly improved people's quality of life.
> 现代化基础设施，如地铁、高速铁路和新的居民区，改变了城市的面貌，极大地提高了人们的生活质量。
> 8 Urbanization has also served as a powerful engine of economic growth, creating a huge domestic market and countless new business opportunities.
> 城镇化还成为经济增长的强大引擎，创造了巨大的国内市场和无数新商机。

05 先让步，再展望

用 Of course 承认挑战，只写一句，不喧宾夺主；再用 Looking ahead 提出方向：以人为本，城市更绿色宜居，同时缩小城乡差距。

> 9 Of course, rapid urbanization has also brought challenges, such as traffic congestion and high housing costs.
> 当然，快速的城镇化也带来了一些挑战，比如交通拥堵和住房成本高。
> 10 Looking ahead, China should pursue people-centered urbanization, making cities greener and more livable while narrowing the gap between urban and rural areas.
> 展望未来，中国应当推进以人为本的城镇化，让城市更加绿色宜居，同时缩小城乡差距。

06 用倒装句收尾

Only then 放句首，后面部分倒装（will 提到主语前面），把前面的展望和“惠及每一个人”的目标连起来，结尾有力量。

> 11 Only then will the achievements of urbanization truly benefit everyone.
> 只有这样，城镇化的成果才能真正惠及每一个人。

7 为什么是满分档

切题 · 结构与连贯 · 语言

切题

题目有两项要求，范文都做到了，而且主次分明。第一段简要描述折线图，只挑起点、终点、最快时段和转折点四个关键信息，数据全部准确；第二段整段评论成就，第一句就用上题目里的 achievements in urbanization，后面从人、城市、经济三方面写出具体成就；第三段的挑战只用一句带过，不偏离“成就”这个中心。满分档作文的特点就是：每项任务都有完整回应，内容紧扣题目。

As the graph shows | rose from 19.39% in 1980 to 60.6% in 2019

This remarkable progress reflects China's great achievements in urbanization

where they enjoy better jobs, education and medical care | has transformed the appearance of cities

a powerful engine of economic growth

结构与连贯

三段分工清楚：描述图表 → 评论成就 → 让步与展望。段与段之间有明确的过渡：This remarkable progress 承接上一段的数据，Of course 引出让步，Looking ahead 转向未来，Only then 收尾。段内也有衔接词把句子串起来，如 after that、also。读者不用回头找，就能顺着作者的思路读下去，这正是满分档作文在结构上的表现。

The rate continued to rise after that | This remarkable progress | Urbanization has also served as | Of course | Looking ahead | Only then will

语言

句式丰富而且用得准确：when 引导的非限制性定语从句、现在分词 meaning that 和 creating、让步状语 though at a slower pace、Only then 倒装句；用词具体、正式，如 remarkable、transformed、engine、people-centered、livable；时态清楚，图中数据用过去时，成就用现在完成时。全文没有语法错误，表达自然，满分档作文的语言就是这样准确、多样又地道。

when the rate jumped from 29.04% to 49.95% | meaning that for the first time | though at a slower pace | Hundreds of millions of people have moved from the countryside to cities | creating a huge domestic market | making cities greener and more livable

8 升格示范

普通写法一步一步改成满分句

升格 1

第 1 步 Urbanization is good for the economy.

意思没错，但太空泛：good 是最普通的词，也没说“好在哪里”，阅卷老师看不到具体内容。

第 2 步 Urbanization has helped the economy grow, and it has created a big market and many new jobs.

加上了具体结果（市场、工作），内容实了；但 big、many 很普通，两个分句只用 and 连接，句子显得平。

第 3 步 Urbanization has also served as an engine of economic growth, and it has created a huge domestic market and many new business opportunities.

换成比喻 serve as an engine of economic growth，用 also 承接上文；结果写得更准确：domestic market、business opportunities。但 and it has created 还不够紧凑，范文改用分词 creating，再加 powerful、countless 加强语气。

满分句 **Urbanization has also served as a powerful engine of economic growth, creating a huge domestic market and countless new business opportunities.**

升格 2

第 1 步 In 2011, the rate was 51.27%.
只报了一个数字，没有说明它为什么重要，读者看不出这一年特别在哪里。

第 2 步 In 2011, the rate reached 51.27%. It was more than 50%. More people lived in cities than in the countryside.
说出了意义（城镇人口超过农村），但三个短句各说各的，读起来断断续续。

第 3 步 In 2011, it reached 51.27%, passing the 50% mark, which meant that more Chinese people lived in urban areas than in rural areas.
用分词 passing the 50% mark 和 which 从句把三句合成一句，逻辑连贯；urban、rural 比 cities、countryside 更正式。范文再把 which meant that 换成分词 meaning that，并加上 for the first time，点明这是“首次”。

满分句 **In 2011, it reached 51.27%, passing the 50% mark, meaning that for the first time more Chinese people lived in urban areas than in rural areas.**

升格 3

第 1 步 China should make cities better in the future.
方向对，但 better 太笼统，没有说清楚“怎样更好”。

第 2 步 In the future, China should make cities greener and more livable and make the countryside better.
写出了具体目标（更绿色、更宜居），但连用两个 make，句子重复、松散。

第 3 步 Looking ahead, China should pursue people-centered urbanization and make cities greener and more livable.
用 Looking ahead 开头、提出 people-centered urbanization 这个核心理念，句子有了高度；但还缺“城乡差距”这一点。

满分句 **Looking ahead, China should pursue people-centered urbanization, making cities greener and more livable while narrowing the gap between urban and rural areas.**

9 高分句式

公式 → 原句 → 讲解 → 仿写

① 图表起止句

这个句式表达 交代“如图所示，某项数据从某年的多少上升到某年的多少”，用在图表作文第一句

公式 As the graph shows, + 主语 + rose / fell from A in 年份 to B in 年份

范文原句 As the graph shows, China's urbanization rate rose from 19.39% in 1980 to 60.6% in 2019
如图所示，中国的城镇化率从1980年的19.39%上升到2019年的60.6%

As the graph shows 是最稳妥的图表开头；rose from … to … 一句写出起点和终点，数据和年份一一对应。注意 rise 的过去式是 rose，下降用 fell 或 dropped。

例1 As the graph shows, the number of private cars rose from 2 million in 2005 to 15 million in 2020.
如图所示，私家车数量从2005年的200万辆上升到2020年的1500万辆。

例2 As the chart shows, the proportion of smokers fell from 32% in 2000 to 18% in 2020.
如图所示，吸烟者的比例从2000年的32%下降到2020年的18%。

也可以这样说

As is shown in the graph, ...
如图所示，……

... increased steadily from ... to ...
……从……稳步增长到……

... dropped sharply from ... to ...
……从……急剧下降到……

② when 补充时段句

这个句式表达 表达“某段时间里增长特别快，在这段时间里数据从多少猛增到多少”

公式 主语 + was especially rapid between 年份 and 年份, when + 主语 + jumped from A to B

范文原句 The increase was especially rapid between 1995 and 2010, when the rate jumped from 29.04% to 49.95%
1995年至2010年间增长尤为迅速，城镇化率从29.04%猛增至49.95%

逗号后的 when 是非限制性定语从句，修饰前面的时间段，把“哪一段最快”和“具体涨了多少”合成一句。jump 比 rise 更能体现“猛增”。

例1 The growth was especially rapid between 2015 and 2018, when sales jumped from 3 million to 9 million.
2015年至2018年间增长尤为迅速，销量从300万猛增至900万。

例2 The decline was especially sharp between 2008 and 2010, when exports fell by nearly 40%.
2008年至2010年间下降尤为明显，出口下降了近40%。

也可以这样说

The fastest growth occurred between ... and ...
增长最快的时期出现在……和……之间。

... soared from ... to ...
……从……猛增到……

③ 分词说明意义句

这个句式表达 表达“某个数据突破了某个大关，这意味着……”，说出数字背后的意义

公式 …, passing the X mark, meaning that + 完整句子

范文原句 passing the 50% mark, meaning that for the first time more Chinese people lived in urban areas than in rural areas

突破了50%大关，这意味着中国城镇人口首次超过农村人口

两个现在分词接在主句后面：passing the 50% mark 补充“突破大关”，meaning that 引出这件事的意义。图表作文不只报数字，还要说出数字说明了什么，这是高分的关键。

例1 In 2020, online sales reached 52% of the total, passing the halfway mark, meaning that people bought more goods online than in stores.

2020年，线上销售额占总额的52%，突破一半，这意味着人们在网上买的东西比在商店里买的还多。

例2 The city's population passed the 10 million mark last year, meaning that it officially became a megacity.

该市人口去年突破了1000万大关，这意味着它正式成为一座超大城市。

也可以这样说

..., which means that ...

……，这意味着……

..., exceeding 50% for the first time.

……，首次超过50%。

④ 数据到成就的过渡句

这个句式表达 表达“这一显著的进步体现了某方面的巨大成就”，从描述图表过渡到评论

公式 This remarkable progress / change reflects + 名词（achievements / efforts）+ in …

范文原句 This remarkable progress reflects China's great achievements in urbanization

这一非凡的进步体现了中国在城镇化方面取得的巨大成就

This remarkable progress 指代上一段的全部数据，reflects 意思是“体现”，比 shows 更正式。一句话完成从“描述”到“评论”的转换，还直接用上了题目里的 achievements。

例1 This remarkable progress reflects the country's great efforts in protecting the environment.

这一显著的进步体现了国家在保护环境方面所作的巨大努力。

例2 This dramatic change reflects people's growing concern for their health.

这一巨大的变化反映出人们越来越关注自己的健康。

也可以这样说

These figures clearly show ...

这些数据清楚地表明……

Behind these figures lies ...

这些数据背后是……

⑤ 比喻 + 分词结果句

这个句式表达 表达“某事物起到了推动某方面发展的作用，并带来了哪些具体结果”

公式 A has served as a powerful engine of + 名词, creating / bringing + 结果1 and 结果2

范文原句 Urbanization has also served as a powerful engine of economic growth, creating a huge domestic market and countless new business opportunities

城镇化还成为经济增长的强大引擎，创造了巨大的国内市场和无数新商机

serve as 意思是“充当、起……作用”；engine of economic growth 是常用比喻，说明“推动力”。后面用现在分词 creating 带出结果，比再写一个 and it has created 更紧凑。

例1 The Internet has served as a powerful engine of innovation, creating new industries and millions of jobs.

互联网成为创新的强大引擎，创造了新的产业和数以百万计的工作岗位。

例2 Tourism has served as an engine of local development, bringing in money and creating new jobs.

旅游业成为当地发展的引擎，带来了资金，创造了新的就业机会。

也可以这样说

... has become a driving force behind ...

……已成为推动……的力量

... has greatly boosted ...

……极大地促进了……

⑥ Only then 倒装收尾句

这个句式表达 表达“只有这样，才能……”，把前面的做法和最终目标连起来收尾

公式 Only then + will / can + 主语 + 动词原形 …

范文原句 Only then will the achievements of urbanization truly benefit everyone

只有这样，城镇化的成果才能真正惠及每一个人

only 加状语放在句首时，后面要部分倒装：把 will、can 等提到主语前面。then 指代上一句的做法。用它收尾，语气有力，是大作文结尾的高分句。

例1 Only then will our cities become truly livable for everyone.

只有这样，我们的城市才能真正让每个人都住得舒适。

例2 Only then can we enjoy both economic growth and a clean environment.

只有这样，我们才能既享有经济增长，又拥有清洁的环境。

也可以这样说

Only in this way can ...

只有这样，……才能……

Only by doing so can ...

只有这样做，……才能……

10 亮点词汇

把普通说法换成高分说法

高分表达	意思	替代的普通说法
urbanization	n. 城镇化；城市化	the growth of cities
remarkable	adj. 非凡的；显著的	great
reflect	v. 反映；体现	show
infrastructure	n. 基础设施	roads and buildings
transform	v. 彻底改变；改观	change
serve as	充当；起……的作用	be
countless	adj. 无数的	many
traffic congestion	交通拥堵	heavy traffic
pursue	v. 推进；追求	try to achieve
livable	adj. 宜居的	good to live in

中国高等教育发展成就

2021年6月大学英语六级 第2套 · 写作 Part I

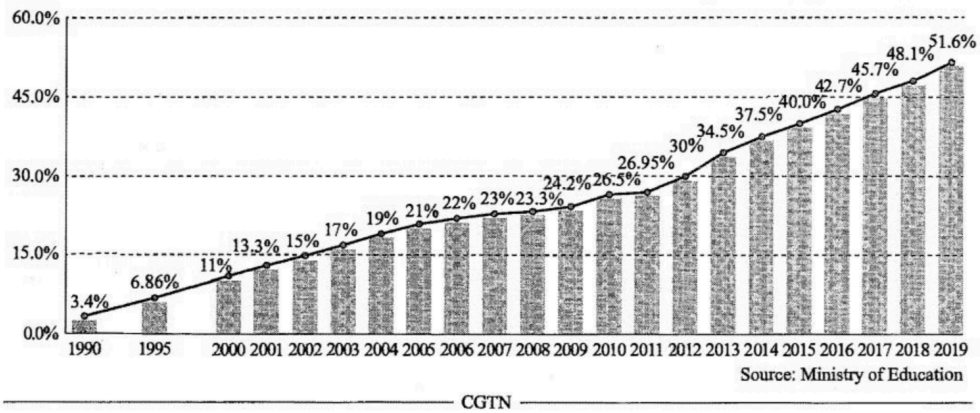
图表作文 · 范文 192 词

1 原题

Part Ⅰ　　Writing　　(30 minutes)

Directions: *For this part, you are allowed 30 minutes to write an essay based on the chart below. You should start your essay with a brief description of the chart and comment on* ***China's achievements in higher education****. You should write at least 150 words but no more than 200 words.*

Gross enrolment ratio in higher education in China (1990 – 2019)



题目译文

这一部分（For this part），你有 30 分钟（30 minutes），根据下面的图表（based on the chart below）写一篇文章（essay）。

文章开头要先简要描述图表（start your essay with a brief description of the chart），然后评论中国在高等教育方面取得的成就（comment on China's achievements in higher education）。

字数：至少 150 词（at least 150 words），但不超过 200 词（no more than 200 words）。

图表标题：1990—2019 年中国高等教育毛入学率（Gross enrolment ratio in higher education in China (1990-2019)）。毛入学率（gross enrolment ratio）指在校大学生总数占适龄人口的比例。

数据来源：教育部（Source: Ministry of Education）。

图中用柱子和折线表示高等教育毛入学率逐年上升：1990 年 3.4%，1995 年 6.86%，2000 年 11%，2001 年 13.3%，2002 年 15%，2003 年 17%，2004 年 19%，2005 年 21%，2006 年 22%，2007 年 23%，2008 年 23.3%，2009 年 24.2%，2010 年 26.5%，2011 年 26.95%，2012 年 30%，2013 年 34.5%，2014 年 37.5%，2015 年 40.0%，2016 年 42.7%，2017 年 45.7%，2018 年 48.1%，2019 年 51.6%。也就是说，约 30 年里毛入学率从 3.4% 升到 51.6%，2019 年第一次超过一半。

2 审题

先弄清楚要写什么，再动笔

图表作文（柱状图 + 折线：1990—2019 年中国高等教育毛入学率）

150—200 词（题目要求 at least 150 words but no more than 200 words）；范文写到 190—200 词，本篇 192 词。不要卡着 150 词的最低线写，也绝不能超过 200 词

- [ ] 开头简要描述图表：毛入学率从多少升到多少，哪一段涨得慢、哪一段涨得快，哪一年跨过 50% 这道关
- [ ] 评论中国在高等教育方面取得的成就：成就具体体现在哪些方面（这是文章的主体）
- [ ] 结尾收束全文：可以客观指出下一步的方向（如提高质量），让评论更全面

语气与身份：客观、正式：描述 1990—2019 年的数据用一般过去时，谈成就用现在完成时和一般现在时，提建议用被动语态 should be paid，全文用第三人称，不用 I think 这类口语化表达

容易失分的地方

- 数据一个都不能抄错：3.4%（1990 年）、21%（2005 年）、30%（2012 年）、51.6%（2019 年）；图上有二十多个年份，只挑起点、终点和几个关键点，不要逐年罗列
- “毛入学率”要写对：gross enrollment ratio in higher education。题目用的是英式拼法 enrolment，范文统一用美式 enrollment，两种都对，但全文要统一，不能混用
- 评论的对象是“成就”（achievements），主体段必须写成就；提高质量只能在结尾作为“下一步”提出，不能把文章写成批评扩招
- 不要只重复数字：写成就时要说出数字背后的变化（谁有了机会、国家得到了什么），这才是“评论”

3 题目要求逐条落实

每一条要求 → 范文里的哪一句

题目要求	范文原句	怎么做到的
以图表描述开头	The chart shows that the gross enrollment ratio in higher education in China rose dramatically from 3.4% in 1990 to 51.6% in 2019.	第一句就交代图表内容：The chart shows that 引出，rose dramatically from … to … 写出起点和终点，副词 dramatically 点明涨幅之大。
描述要简要、抓重点	After modest growth in the 1990s, the ratio climbed rapidly	图表段只写三句：总体变化、先慢后快的走势（挑 2005 年、2012 年两个关键数据）、2019 年首次超过 50%。其余二十来个年份一概不写。
评论中国高等教育的成就	These figures reflect China’s remarkable achievements in higher education.	第二段第一句把“数据”变成“成就”，直接用上题目里的 achievements in higher education，切题非常明确。
成就要写得具体	a college education has gone from a privilege enjoyed by a small minority to an opportunity available to a large share of young people	成就分三层展开：上大学从少数人的特权变成多数年轻人的机会；农村和低收入家庭的孩子能靠知识改变命运；国家得到大批技术人才，推动经济和科技发展。每一层都有具体内容。

评论要全面，结尾有收束	Nevertheless, expanding enrollment is only the first step.	用 Nevertheless 转折，指出扩招只是第一步，再提出“提高质量”的方向，最后用 When quantity and quality go hand in hand 收尾，评论显得客观、有深度。
字数 150—200 词	The chart shows that	全文共 192 词：图表段 3 句，成就段 4 句，展望段 3 句，成就段最长、是主体，落在 190—200 词的目标区间内，没有超过 200 词。

4 写作思路

先列提纲，每段一个任务

第一段

简要描述图表

总体变化（3.4% → 51.6%）→ 走势：20 世纪 90 年代增长平缓，之后迅速攀升（2005 年 21%，2012 年 30%）→ 关键点：2019 年首次超过 50%，是历史性的里程碑

第二段

评论成就

过渡句：这些数据体现了非凡成就 → 机会：上大学从少数人的特权变成多数人的机会 → 个人：农村和低收入家庭的学生能通过知识改变命运 → 国家：大批技术人才支撑经济和科技发展

第三段

转折与展望

转折：扩招只是第一步 → 方向：更重视教育质量，让毕业生具备社会需要的技能 → 收尾：数量和质量并重，高等教育对国家的贡献会更大

5 满分范文

荧光笔 + 圆圈编号 = 下面讲的高分句式

[1] The chart shows that the gross enrollment ratio in higher education in China rose dramatically from 3.4% in 1990 to 51.6% in 2019. [2] After modest growth in the 1990s, the ratio climbed rapidly, reaching 21% in 2005 and 30% in 2012①. [3] In 2019, it exceeded 50% for the first time, a historic milestone for Chinese higher education②.

[4] These figures reflect China's remarkable achievements in higher education. [5] In just three decades, a college education has gone from a privilege enjoyed by a small minority to an opportunity available to a large share of young people③. [6] Millions of students, including many from rural and low-income families, now have the chance to change their lives through knowledge. [7] At the same time, the expansion of higher education has provided the country with a large pool of skilled professionals, supporting its rapid economic development and technological progress④.

[8] Nevertheless, expanding enrollment is only the first step. [9] In the future, more attention should be paid to improving the quality of education and making sure that graduates have the skills

society needs⑤. [10] When quantity and quality go hand in hand, higher education will contribute even more to the nation's development⑥.

参考译文

图表显示，中国高等教育毛入学率从1990年的3.4%大幅上升到2019年的51.6%。在20世纪90年代增长平缓之后，这一比率迅速攀升，2005年达到21%，2012年达到30%。2019年，这一比率首次超过50%，成为中国高等教育的一个历史性里程碑。

这些数据体现了中国在高等教育方面取得的非凡成就。短短三十年间，大学教育已经从少数人享有的特权，变成了很大一部分年轻人都能获得的机会。数以百万计的学生，其中包括许多来自农村和低收入家庭的学生，如今有机会通过知识改变自己的命运。与此同时，高等教育的扩大为国家提供了大批技术人才，支撑了国家经济的快速发展和科技进步。

然而，扩大招生只是第一步。今后，应当更加重视提高教育质量，确保毕业生具备社会所需的技能。当数量与质量齐头并进时，高等教育将为国家的发展作出更大的贡献。

6 一步一步写出这篇范文

01 用一句话交代总体变化

开头用 The chart shows that 引出图表，用 rose dramatically from … to … 把起点、终点的年份和数据一次写全，先让读者看到整体趋势。

> 1 The chart shows that the gross enrollment ratio in higher education in China rose dramatically from 3.4% in 1990 to 51.6% in 2019.
> 图表显示，中国高等教育毛入学率从1990年的3.4%大幅上升到2019年的51.6%。

02 写出“先慢后快”的走势，再点出关键的一年

第二句用 After modest growth 写前期的平缓，主句 climbed rapidly 写后期的加速，再用分词 reaching 带出两个关键数据；第三句写 2019 年首次超过 50%，句末用名词短语 a historic milestone 点明意义。图表段到此结束。

> 2 After modest growth in the 1990s, the ratio climbed rapidly, reaching 21% in 2005 and 30% in 2012.
> 在20世纪90年代增长平缓之后，这一比率迅速攀升，2005年达到21%，2012年达到30%。
> 3 In 2019, it exceeded 50% for the first time, a historic milestone for Chinese higher education.
> 2019年，这一比率首次超过50%，成为中国高等教育的一个历史性里程碑。

03 用过渡句把“数据”变成“成就”

第二段第一句用 These figures 指代上一段的全部数据，再用 reflect … achievements in higher education 直接回应题目，评论部分由此开始。

> 4 These figures reflect China's remarkable achievements in higher education.
> 这些数据体现了中国在高等教育方面取得的非凡成就。

04 从“机会、个人、国家”三层写成就

第一层用 has gone from … to … 写出上大学从特权变成机会；第二层用 including 点出农村和低收入家庭的学生；第三层用 At the same time 转到国家，用分词 supporting 说出对经济和科技的作用。层层扩大，越写越开阔。

> 5 In just three decades, a college education has gone from a privilege enjoyed by a small minority to an opportunity available to a large share of young people.
> 短短三十年间，大学教育已经从少数人享有的特权，变成了很大一部分年轻人都能获得的机会。
> 6 Millions of students, including many from rural and low-income families, now have the chance to change their lives through knowledge.
> 数以百万计的学生，其中包括许多来自农村和低收入家庭的学生，如今有机会通过知识改变自己的命运。
> 7 At the same time, the expansion of higher education has provided the country with a large pool of skilled professionals, supporting its rapid economic development and technological progress.
> 与此同时，高等教育的扩大为国家提供了大批技术人才，支撑了国家经济的快速发展和科技进步。

05 转折一句，提出下一步

用 Nevertheless 引出“扩招只是第一步”，只用一个短句，不削弱前面的成就；下一句用被动语态 more attention should be paid to 提出方向：提高质量、让毕业生具备社会需要的技能。

> 8 Nevertheless, expanding enrollment is only the first step.
> 然而，扩大招生只是第一步。
> 9 In the future, more attention should be paid to improving the quality of education and making sure that graduates have the skills society needs.
> 今后，应当更加重视提高教育质量，确保毕业生具备社会所需的技能。

06 用 When 条件句收尾

When quantity and quality go hand in hand 把前面讲的“数量”（扩招）和“质量”合在一起，主句说出美好的结果：对国家的贡献更大，结尾积极有力。

> 10 When quantity and quality go hand in hand, higher education will contribute even more to the nation's development.
> 当数量与质量齐头并进时，高等教育将为国家的发展作出更大的贡献。

7 为什么是满分档

切题 · 结构与连贯 · 语言

切题

题目有两项要求，范文都做到了，而且主次分明。第一段简要描述图表，只挑起点、终点、先慢后快的走势和首次过半四个关键信息，数据全部准确；第二段整段评论成就，第一句就用上题目里的 achievements in higher education，后面从机会、个人、国家三层写出具体成就；第三段先用一句短短的转折，再提出“提高质量”的方向，不偏离“成就”这个中心。满分档作文的特点就是：每项任务都有完整回应，内容紧扣题目。

The chart shows that | rose dramatically from 3.4% in 1990 to 51.6% in 2019

These figures reflect China's remarkable achievements in higher education.

an opportunity available to a large share of young people

now have the chance to change their lives through knowledge | a large pool of skilled professionals

结构与连贯

三段分工清楚：描述图表 → 评论成就 → 转折与展望。段与段之间有明确的过渡：These figures 承接上一段的数据，Nevertheless 引出转折，In the future 转向未来，When quantity and quality go hand in hand 收尾。段内用 After、At the same time 把句子串起来；结尾的 quantity 呼应前文的扩招，quality 呼应上一句的教育质量。读者顺着这些词就能看清思路，这正是满分档作文在结构上的表现。

After modest growth in the 1990s | These figures | At the same time | Nevertheless | In the future | When quantity and quality go hand in hand

语言

句式丰富而且用得准确：分词 reaching、supporting 带出数据和结果，名词短语 a historic milestone 点评意义，go from … to … 加后置修饰写变化，including 插入补充，被动语态 should be paid to 提建议，When 条件句收尾；用词具体、正式，如 dramatically、modest、exceeded、privilege、a large pool of、go hand in hand；时态清楚，图中数据用过去时，成就用现在完成时。全文没有语法错误，满分档作文的语言就是这样准确、多样又地道。

the ratio climbed rapidly, reaching 21% in 2005 and 30% in 2012 | a historic milestone for Chinese higher education | a privilege enjoyed by a small minority | including many from rural and low-income families | supporting its rapid economic development and technological progress | more attention should be paid to improving the quality of education

8 升格示范

普通写法一步一步改成满分句

升格 1

第 1 步 The ratio grew slowly in the 1990s. Then it grew fast.
走势说出来了，但两个短句都用 grew，又没有具体数据，读起来单调、空洞。

第 2 步 The ratio grew slowly in the 1990s, but then it grew fast and it reached 21% in 2005 and 30% in 2012.
加上了数据，内容实了；但 grew 重复，and 连了好几次，句子又长又松。

第 3 步 After slow growth in the 1990s, the ratio rose quickly and reached 21% in 2005 and 30% in 2012.
用 After 加名词写前期的慢，主句写后期的快，结构清楚；但 slow、quickly 比较普通，reached 和前面的谓语用 and 并列，不如分词紧凑。

满分句 **After modest growth in the 1990s, the ratio climbed rapidly, reaching 21% in 2005 and 30% in 2012.**

升格 2

第 1 步 Now more people can go to college than before.
意思对，但只是把数据换个说法重复一遍，看不出这个变化意味着什么。

第 2 步 In the past, only a few people could go to college, but now many young people can go.
有了过去和现在的对比，内容清楚了；但 a few people、many young people 很普通，go 重复，句子平淡。

第 3 步 In just three decades, a college education has changed from something for a few people to an opportunity for many young people.
用 In just three decades 强调变化之快，用 opportunity 点出变化的本质；但 something for a few people 太随意，没有和 opportunity 形成鲜明的对比。

满分句 **In just three decades, a college education has gone from a privilege enjoyed by a small minority to an opportunity available to a large share of young people.**

升格 3

第 1 步 In the future, universities should be better.
方向对，但 better 太笼统，没有说清“哪里更好”。

第 2 步 In the future, we should pay more attention to the quality of education.
说出了重点是“质量”；但主语用 we 不够客观，也没有说明提高质量要达到什么效果。

第 3 步 In the future, more attention should be paid to improving the quality of education.
换成被动语态，语气客观正式，paid to 后接动名词 improving。但还缺“让毕业生具备社会需要的技能”这一层，建议不够落地。

满分句 **In the future, more attention should be paid to improving the quality of education and making sure that graduates have the skills society needs.**

9 高分句式

公式 → 原句 → 讲解 → 仿写

① 先慢后快 + reaching 列数据句

这个句式表达 表达“经过一段平缓增长之后，数据迅速攀升，某年达到多少、某年达到多少”，一句话写出走势和关键数据

公式 After modest growth in + 时段, 主语 + climbed rapidly, reaching A in 年份 and B in 年份

范文原句 After modest growth in the 1990s, the ratio climbed rapidly, reaching 21% in 2005 and 30% in 2012
在 20 世纪 90 年代增长平缓之后，这一比率迅速攀升，2005 年达到 21%，2012 年达到 30%

After modest growth 写前一段的“慢”，主句 climbed rapidly 写后一段的“快”，一句话就有了对比。逗号后的现在分词 reaching 带出两个数据，不用再写 It reached … It reached …。the 1990s 表示“20 世纪 90 年代”，注意前面要加 the。

例1 After modest growth in the early 2000s, online sales climbed rapidly, reaching 20% of total sales in 2015 and 30% in 2020.
在 21 世纪初增长平缓之后，网上销售额迅速攀升，2015 年占总销售额的 20%，2020 年达到 30%。

例2 After slow growth in the 1980s, the city's population rose sharply, reaching 5 million in 2000 and 8 million in 2010.

在 20 世纪 80 年代增长缓慢之后，这座城市的人口急剧增加，2000 年达到 500 万，2010 年达到 800 万。

也可以这样说

... grew slowly at first but then rose sharply ...

……起初增长缓慢，随后急剧上升……

..., hitting ... in ... and ... in ...

……，在……年达到……，在……年达到……

② 名词短语点评句

这个句式表达 表达“某年数据首次超过某个关口，这是一个历史性的里程碑”，在数据后面直接点评它的意义

公式 In 年份, it exceeded X for the first time, a historic milestone for + 名词

范文原句 it exceeded 50% for the first time, a historic milestone for Chinese higher education

这一比率首次超过 50%，成为中国高等教育的一个历史性里程碑

逗号后的 *a historic milestone* 是一个名词短语，用来说明前面整件事的意义，相当于 *which was a historic milestone*，但更简洁。*exceed* 意思是“超过”，比 *be more than* 更正式；*for the first time* 强调“首次”。图表作文不只报数字，还要点出关键数字的意义。

例1 In 2020, the number of electric cars exceeded one million for the first time, a turning point for the industry.

2020 年，电动汽车的数量首次超过 100 万辆，成为这个行业的一个转折点。

例2 Last year, the city's green space coverage exceeded 40% for the first time, a major step toward a livable city.

去年，这座城市的绿化覆盖率首次超过 40%，向宜居城市迈出了一大步。

也可以这样说

..., which marked a historic moment.

……，这标志着一个历史性的时刻。

... passed the 50% mark for the first time.

……首次突破 50% 大关。

③ go from A to B 变化句

这个句式表达 表达“某事物已经从少数人享有的 A，变成了大多数人都能得到的 B”，说出数字背后的本质变化

公式 In just + 时间, 主语 + has gone from + 名词 + 后置修饰（过去分词短语 / 介词短语）to + 名词 + 后置修饰（形容词短语 / 过去分词短语）

范文原句 a college education has gone from a privilege enjoyed by a small minority to an opportunity available to a large share of young people

大学教育已经从少数人享有的特权，变成了很大一部分年轻人都能获得的机会

go from A to B 意思是“从 A 变成 B”，现在完成时 has gone 表示变化已经完成、影响延续到现在。A 和 B 后面各有一个后置修饰：过去分词短语 enjoyed by a small minority、形容词短语 available to …，privilege 和 opportunity、small minority 和 large share 两两对比，意思一目了然。

例1 In just twenty years, the smartphone has gone from a luxury owned by a few to a tool used by almost everyone.

短短二十年间，智能手机已经从少数人拥有的奢侈品，变成了几乎人人都在用的工具。

例2 In just a decade, traveling abroad has gone from a dream for most families to an option available to many.

短短十年间，出国旅游已经从大多数家庭的梦想，变成了许多人都能选择的事。

也可以这样说

... is no longer ... but has become ...

……不再是……，而已经成为……

... has turned from ... into ...

……已经从……变成了……

④ provide ... with + 分词结果句

这个句式表达 表达“某事物为国家提供了大量某种资源，从而支撑了某方面的发展”

公式 A + has provided + 对象 + with + 名词, supporting / promoting + 结果

范文原句 has provided the country with a large pool of skilled professionals, supporting its rapid economic development and technological progress

为国家提供了大批技术人才，支撑了国家经济的快速发展和科技进步

provide sb with sth 意思是“为某人提供某物”，注意 with 不能漏。a large pool of 意思是“大批的”，比 many 更正式、更形象。逗号后面的现在分词 supporting 说出结果，比再写一个 and it supports 更紧凑。

例1 The new railway has provided the region with easy access to big cities, supporting the growth of local tourism.

新铁路为这个地区提供了通往大城市的便捷交通，支撑了当地旅游业的发展。

例2 Online learning has provided students with a wide range of free courses, promoting lifelong learning.
网上学习为学生提供了大量免费课程，促进了终身学习。

也可以这样说

... has supplied ... with ...
……为……提供了……

..., which has contributed to ...
……，这促进了……

⑤ 被动语态建议句

这个句式表达 表达“今后应当更加重视做某事，并确保……”，客观地提出下一步的方向

公式 In the future, more attention should be paid to + doing …（and making sure that + 完整句子）

范文原句 more attention should be paid to improving the quality of education and making sure that graduates have the skills society needs

应当更加重视提高教育质量，确保毕业生具备社会所需的技能

pay attention to 变成被动语态 attention should be paid to，不用说出“谁来重视”，语气更客观。to 是介词，后面接动名词 improving、making，不能写成 to improve。the skills society needs 省略了关系代词 that，意思是“社会需要的技能”。

例1 In the future, more attention should be paid to protecting the environment in rural areas.
今后，应当更加重视保护农村地区的环境。

例2 More attention should be paid to protecting students' mental health and making sure that they get enough rest.
应当更加重视保护学生的心理健康，确保他们得到充足的休息。

也可以这样说

Greater emphasis should be placed on ...
应当更加重视……

It is necessary to focus on ...
有必要把重点放在……

⑥ When 条件收尾句

这个句式表达 表达“当 A 和 B 齐头并进时，某事物将作出更大的贡献”，把前文的两个方面合起来收尾

公式 When A and B go hand in hand, 主语 + will + 动词原形 … even more（如 contribute even more to + 名词）

范文原句 When quantity and quality go hand in hand, higher education will contribute even more to the nation's development

当数量与质量齐头并进时，高等教育将为国家的发展作出更大的贡献

When 引导的时间状语从句里用一般现在时 go，主句用 will，表示“一旦做到……就会……”。go hand in hand 意思是“齐头并进”，quantity 和 quality 拼写相近、意思相对，读起来很有节奏。contribute to 意思是“为……作贡献”，even more 加强比较。

例1 When economic growth and environmental protection go hand in hand, our cities will become even more livable.

当经济增长与环境保护齐头并进时，我们的城市将变得更加宜居。

例2 When knowledge and practice go hand in hand, students will contribute even more to society.

当知识与实践齐头并进时，学生将为社会作出更大的贡献。

也可以这样说

Only by balancing ... and ... can ...

只有兼顾……和……，……才能……

If ... and ... develop together, ...

如果……和……共同发展，……

10 亮点词汇

把普通说法换成高分说法

高分表达	意思	替代的普通说法
gross enrollment ratio	毛入学率	the percentage of young people in college
dramatically	adv. 大幅地；显著地	greatly
modest	adj. 适度的；不大的	small
exceed	v. 超过	be more than
milestone	n. 里程碑	important event
privilege	n. 特权	special right
minority	n. 少数	a few people
expansion	n. 扩大；扩张	growth
skilled professionals	技术人才；专业人士	trained workers
go hand in hand	齐头并进；密切相关	develop together
