WRITING GUIDE

四级写作总攻略

先读这一章

评分标准 · 结构 · 模板 · 避坑

四级作文拿高分，靠的不是背一篇“万能模板”，而是三件事：切题（题目里的每一条要求都落实）、结构清楚（三段各管一件事，衔接自然）、语言准确又地道。这一章先讲通用方法；后面用 2021—2026 年的 32 套真题范文逐篇示范，每篇都从审题讲起，讲清题目要求怎么逐条落实、思路怎么一步一步展开、为什么能进满分档，再把普通句子一步一步升格成满分句。

1 阅卷老师看什么

四级写作满分 15 分，占全卷的 15%（折合 710 分制的 106.5 分）。按《全国大学英语四、六级考试大纲（2016 年修订版）》的评分标准，阅卷采用总体印象评分：老师读完全文，先判断属于哪一个档次，再在档内微调，而不是一处错误扣一分。档次从高到低共五档，最高一档是 13—15 分。所以真正决定分数的，是整篇文章给人的印象。

最高档的样子

- 切题：题目要求的每一项（表明观点、说明理由、提出建议、介绍活动……）都写到
- 思想表达清楚：每段一个中心，观点明确，有理由、有例子
- 文字通顺、连贯：段落之间、句子之间有恰当的衔接，读者一眼看清思路
- 语言准确：基本没有语法错误，只有个别小错；句式和词汇有变化，但不用拿不准的生僻词

一下子掉档的情况

- 偏题：写的不是题目要求的内容，或者只写了一部分要求
- 开头照抄题目或参考陈述，不用自己的话改写
- 应用文格式不对：建议书、报告没有写清目的、内容和结尾
- 字数明显不足（远少于 120 词）
- 主谓一致、时态、冠词等基础语法错误成片出现，大量中式英语

2 四级常考的四种题型

2021—2026 年的 32 套真题共有四种题型。2023 年 6 月以来全部是“情景作文”：题目先设定一个场景（学校征求意见、校报征稿、学生会组织讨论），再要求你写一篇文章表明看法。四种题型都用三段式，每段管一件事。

情景作文（2023 年 6 月以来的全部考题）

第一段：回应场景，用自己的话点出话题，并亮明观点。
第二段：用两三个理由（或两三条做法）展开，每条配一个具体说明或例子。
第三段：补充需要注意的问题或提出建议，最后一句总结。

场景里的身份和对象（校报、学生会、学校调查）决定语气：给校报投稿可以写得生动，回应学校调查要正式、有条理。

议论文：谈某件事的作用或必要性（2022 年 12 月）

第一段：说明现象或常见看法，提出中心论点。
第二段：分两三层论证（First, ... Second, ... In addition, ...），每层有理由和例子。
第三段：给出做法，总结全文。

题目写 the role of / the importance of / the necessity of，正文就要回答“为什么重要”，不要写成“怎么做”的清单。

应用文：建议书、报告（2021 年 12 月、2022 年 6 月）

建议书：第一段说明写信目的（提出建议）；第二段写问题或安排（时间、参与者、活动）；第三段写具体建议和预期效果，礼貌收尾。
报告：第一段交代活动是什么、自己什么身份；第二段写目的、组织者、参与者、活动经过；第三段写效果和收获。

题目里 which may include its aim, organizers, participants and activities 列出的每一项，都要在文中找得到。

命题作文：给定标题 + 参考陈述（2021 年 6 月）

第一段：用自己的话转述参考陈述，亮明自己的观点。
第二段：用现象、原因、例子支撑观点。
第三段：提出对策或给出平衡的看法，回扣标题。

标题写在正文上方；参考陈述只能改写，不能照抄。

3 30 分钟写作流程

- 读题（约 3 分钟）：圈出场景、身份、每一条写作要求和字数要求
- 定观点和要点（约 3 分钟）：想清楚要证明什么，选两三个最好写、最有说服力的理由，准备一个具体例子
- 列提纲（约 2 分钟）：三段各写一行英文关键词，确认每条题目要求都落在某一段里
- 写正文（约 17 分钟）：按提纲写；每段第一句点明这一段讲什么
- 检查（约 5 分钟）：数字数，查主谓一致、时态、单复数、冠词、拼写，确认没有照抄题目的句子

4 字数怎么控制

- 题目要求 120—180 词：写到 160—180 词最稳，既不像卡着最低字数，又绝不超过 180 词（本书范文都是 168—180 词）
- 标题不计入字数
- 考场上按行估算：先数一行大约多少词，再乘以行数；写到 160 词左右时，用一句总结收尾
- 宁可删掉一个可有可无的例子，也不要为了凑字数重复前面的意思

5 中式英语黑名单（都来自本书范文复核时真实改掉的说法）

不要这样写	改成	为什么
~~make full use of the resources~~	get the most out of the resources / put ... to good use	“充分利用”逐字翻译，太套路
~~sports games~~	sports competitions	“体育比赛”不是 games
~~improve their ability~~	sharpen their ... skills / communicate more effectively	“提高能力”太空泛，写出具体是什么能力
~~make progress together~~	learn from each other	“共同进步”逐字翻译是中式英语
~~teaching buildings~~	classroom buildings	“教学楼”不能逐字翻译
~~more and more people pay attention to their health~~	more people are becoming health-conscious	“越来越多的人关注健康”逐字翻译，啰嗦又平淡

最常见的语法扣分点

- 主谓一致：the ability to communicate across cultures has become essential（主语是 ability，动词用单数）
- 情态一致：建议书里同一组建议都用 could（或都用 will），不要混着用
- 人称一致：同一篇里说 students 就一直用 they，不要忽然换成 we 或 you
- 悬垂结构：Looking around us, it is … 是错的，主语必须是“看”的人：Looking around, we can see …
- 时态：讲过去发生的事用一般过去时（she replied within an hour），不用现在完成时

6 怎么用这本讲义

- 每篇先自己读题、列提纲、限时 30 分钟写一遍，再看讲义对照
- 重点看“题目要求逐条落实”和“为什么是满分档”：学会用要求检查自己的作文
- “升格示范”教你把普通句子一步一步改好，自己的作文也照这个方法改
- “高分句式”每个都有公式和两个仿写例句，先仿写、再背范文原句
- 配套的默写卡：先填关键表达，再看中文默写整句

机器人在校园中的未来应用

2026年6月大学英语四级 第1套 · 写作 Part I
议论文（校报投稿） · 范文 170 词

1 原题

Part I **Writing** **(30 minutes)**

Directions: *Suppose your university newspaper is inviting submissions from the students for its coming edition on future applications of robots on campus. You are now to write an essay for submission. You will have 30 minutes to write the essay. You should write at least 120 words but not more than 180 words.*

题目译文

假设你们学校的校报（university newspaper）正在向学生征稿（inviting submissions），下一期的主题是“机器人将来在校园里的应用”（future applications of robots on campus）。

现在请你写一篇文章投稿（write an essay for submission）。

你有 30 分钟（30 minutes）写这篇文章（essay）。

字数：至少 120 词（at least 120 words），但不超过 180 词（not more than 180 words）。

2 审题

先弄清楚要写什么，再动笔

情景作文（校报投稿）：机器人在校园里的未来应用

120—180 词（题目要求 at least 120 words but not more than 180 words）；本篇 170 词。写到 160—180 词最稳，绝不能超过 180 词

- [ ] 身份：在校学生；对象：校报下一期“机器人在校园里的未来应用”专刊的读者，也就是全校师生
- [ ] 核心内容：写清机器人将来在校园里能做什么（future applications），给出两三个具体用途，每个用途都说清给学生带来什么好处
- [ ] 题目只给了话题，没有规定写法：最好开头点出趋势，中间列用途，结尾补充自己的看法（怎样用好机器人），让文章有观点、有层次

语气与身份：面向全校师生的投稿：客观、积极，带一点展望的口吻；谈将来用 will、could、are likely to，不要一句接一句地写 I think

容易失分的地方

- 写的是“将来在校园里的应用”：不要写机器人的历史和原理，也不要泛泛地谈“机器人对社会的影响”，每个用途都要落在校园里（送快递、图书馆、实验室）
- 谈将来要用 will、could、are likely to，不要全用一般现在时，写得好像机器人已经在做这些事
- 用途要具体：写清机器人做什么、学生因此得到什么（不用排队、更安全、腾出时间），不要只写 robots can help us a lot
- 只写好处显得片面：最后一段用 Still 提醒机器人不能取代人，观点更成熟；但这部分点到为止，篇幅不要超过用途部分

3 题目要求逐条落实

每一条要求 → 范文里的哪一句

题目要求	范文原句	怎么做到的
回应校报征稿，点明话题：机器人走进校园	they will soon become a familiar part of campus life	第一段先用一句短句说明机器人已经不是科幻，再用这句点出“很快会成为校园生活的一部分”，把话题从“机器人”收窄到“校园里的机器人”，正好扣住专栏主题。
写未来的应用（总起）	In the near future, robots are likely to be useful in at least three areas.	In the near future 和 are likely to 都表示将来，扣住题目的 future；at least three areas 告诉读者下面要分三点写。
用途要具体，说清好处	so students would no longer have to wait in line at pickup points	三个用途分别落在送快递、图书馆、实验室，每个都写了好处：不用排队、找书还书更方便、降低风险并让学生专注于创造性思考。
表明自己的看法	Still, robots should serve people rather than replace them.	只写好处会显得片面。这一句亮出作者的立场：机器人要为人服务，不能取代人；下一句再落到学校（保护隐私）和学生（面对面交流）两方面。
字数 120—180 词	Robots are no longer the stuff of science fiction.	全文 170 词：第一段 2 句引出话题，第二段 4 句写用途，第三段 3 句谈看法并收尾；用途部分最长，重点突出，没有超过 180 词。

4 写作思路

先列提纲，每段一个任务

第一段

引出话题

机器人不再是科幻 → 随着技术成熟，很快会成为校园生活的一部分，承担日常事务，让师生把时间留给真正重要的事

第二段

写三个未来用途

总起：至少在三个方面有用 → 第一，送包裹和饭菜（不用排队）→ 第二，图书馆找书、还书上架 → 第三，实验室完成危险、重复的操作（降低风险，专注创造性思考）

第三段

表明看法并收尾

转折：机器人应服务于人而不是取代人 → 学校要定规则保护隐私，学生要珍惜面对面交流 → 只要用得好，校园会更安全、更智能、更高效

5 满分范文

荧光笔 + 圆圈编号 = 下面讲的高分句式

[1] Robots are no longer the stuff of science fiction①. [2] As the technology matures, they will soon become a familiar part of campus life, taking over routine tasks and leaving students and

teachers more time for what really matters②.

[3] In the near future, robots are likely to be useful in at least three areas③. [4] First, they could deliver packages and meals around campus, so students would no longer have to wait in line at pickup points. [5] Second, robot assistants in the library could help readers locate books and put returned ones back on the right shelves. [6] Third, in laboratories, robots could carry out dangerous or repetitive procedures with great precision, reducing risks and freeing students to focus on creative thinking.

[7] Still, robots should serve people rather than replace them④. [8] The university needs clear rules to protect students' privacy, and students should remember that no machine can take the place of face-to-face communication with teachers and classmates. [9] If used wisely, robots will make our campus safer, smarter and more efficient for everyone⑤.

参考译文

机器人不再只是科幻小说里的东西了。随着技术日趋成熟，它们很快就会成为校园生活中司空见惯的一部分，承担日常事务，让学生和老师有更多时间去做真正重要的事情。

在不久的将来，机器人很可能至少在三个方面派上用场。第一，它们可以在校园里递送包裹和饭菜，这样学生就不必再在取件点排队等候了。第二，图书馆里的机器人助手可以帮助读者找到图书，并把归还的书放回正确的书架上。第三，在实验室里，机器人能够非常精确地完成危险或重复性的操作，从而降低风险，让学生腾出精力专注于创造性思考。

不过，机器人应当为人服务，而不是取代人。学校需要制定明确的规则来保护学生的隐私，学生也应该记住，任何机器都无法取代与老师和同学面对面的交流。只要使用得当，机器人就会让我们的校园对每个人来说都更安全、更智能、更高效。

6 一步一步写出这篇范文

01 用一句短句开门见山

开头不绕弯子，用 no longer the stuff of science fiction 一句话说明“机器人已经来到身边”，读者马上知道文章谈什么。短句开头，后面再用长句展开，节奏更好。

> 1 Robots are no longer the stuff of science fiction.
> 机器人不再只是科幻小说里的东西了。

02 写出趋势，并点出总的好处

用 As the technology matures 交代原因，主句写“很快会成为校园生活的一部分”，再用现在分词 taking over … and leaving … 补充总的好处：承担日常事务，给师生腾出时间。

> 2 As the technology matures, they will soon become a familiar part of campus life, taking over routine tasks and leaving students and teachers more time for what really matters.
> 随着技术日趋成熟，它们很快就会成为校园生活中司空见惯的一部分，承担日常事务，让学生和老师有更多时间去做真正重要的事情。

03 第二段先总起：三个方面

用 are likely to be useful in at least three areas 总起，告诉读者本段分三点；In the near future 再次扣住题目里的 future。

> 3 In the near future, robots are likely to be useful in at least three areas.
> 在不久的将来，机器人很可能至少在三个方面派上用场。

04 First、Second、Third 写三个用途，每条都写好处

每一条都是“机器人做什么 + 学生得到什么”：送餐送件 → 不用排队（so 引出结果）；图书馆找书、还书上架；实验室做危险、重复的操作 → 降低风险、专注创造性思考（reducing … and freeing … 写结果）。三条从生活到学习，由浅入深。

> 4 First, they could deliver packages and meals around campus, so students would no longer have to wait in line at pickup points.
> 第一，它们可以在校园里递送包裹和饭菜，这样学生就不必再在取件点排队等候了。
> 5 Second, robot assistants in the library could help readers locate books and put returned ones back on the right shelves.
> 第二，图书馆里的机器人助手可以帮助读者找到图书，并把归还的书放回正确的书架上。
> 6 Third, in laboratories, robots could carry out dangerous or repetitive procedures with great precision, reducing risks and freeing students to focus on creative thinking.
> 第三，在实验室里，机器人能够非常精确地完成危险或重复性的操作，从而降低风险，让学生腾出精力专注于创造性思考。

05 用 Still 转折，提出使用的前提

先用一句短句亮明立场：should serve people rather than replace them；下一句用 and 连接两方面做法：学校定规则保护隐私，学生记住机器代替不了面对面交流。

> 7 Still, robots should serve people rather than replace them.
> 不过，机器人应当为人服务，而不是取代人。
> 8 The university needs clear rules to protect students' privacy, and students should remember that no machine can take the place of face-to-face communication with teachers and classmates.
> 学校需要制定明确的规则来保护学生的隐私，学生也应该记住，任何机器都无法取代与老师和同学面对面的交流。

06 用条件句收尾，回到“校园”

If used wisely 承接上一段的“用好机器人”，主句用三个并列形容词 safer, smarter and more efficient 总结好处，for everyone 照应开头的 students and teachers。

> 9 If used wisely, robots will make our campus safer, smarter and more efficient for everyone.
> 只要使用得当，机器人就会让我们的校园对每个人来说都更安全、更智能、更高效。

7 为什么是满分档

切题

题目要求写机器人在校园里的未来应用，文章每一部分都扣住“校园”和“将来”：开头点出机器人很快会成为校园生活的一部分，第二段写出送件送餐、图书馆、实验室三个具体用途，每个都说清对学生的好处；第三段谈怎样用好机器人，最后回到“我们的校园”。没有一句写成机器人的历史或社会影响，这正是满分档要求的“切题，表达思想清楚”。

they will soon become a familiar part of campus life

In the near future, robots are likely to be useful in at least three areas.

deliver packages and meals around campus

robot assistants in the library

If used wisely, robots will make our campus safer, smarter and more efficient for everyone.

结构与连贯

三段各管一件事：引出话题 → 写用途 → 谈看法。第二段先用总起句说明“三个方面”，再用 First、Second、Third 分点展开；第三段用 Still 转折，从好处转到需要注意的问题；最后一句用 If used wisely 收尾，照应上一句“用好机器人”的意思。读者顺着这些衔接词就能看清思路，文字通顺、连贯。

at least three areas

First

Second

Third

Still

If used wisely

语言

句式有长有短、变化丰富：短句开头，接着用现在分词作结果状语（taking over … and leaving …、reducing … and freeing …），用 rather than 写对比，用省略条件句 If used wisely 收尾；用词准确、具体，如 routine tasks、locate books、with great precision、take the place of。谈将来一律用 will、could、are likely to，时态统一，全文没有语法错误。

Robots are no longer the stuff of science fiction.

taking over routine tasks and leaving students and teachers more time for what really matters

carry out dangerous or repetitive procedures with great precision

robots should serve people rather than replace them

no machine can take the place of face-to-face communication

8 升格示范

普通写法一步一步改成满分句

升格 1

第 1 步 Robots will be used in our campus in the future.

意思太笼统，而且 in our campus 是常见错误，“在校园里”要说 on campus；也没有说出机器人会带来什么好处。

第 2 步 With the development of technology, robots will be common on campus and do a lot of work for us.

有了原因和好处，但 With the development of technology 是人人都写的套话，do a lot of work for us 也很空，没说清做什么工作、好处是什么。

第 3 步 As the technology matures, robots will soon become a familiar part of campus life and do routine tasks for students and teachers.

用 As the technology matures 和 a familiar part of campus life 写趋势，更准确、更地道；但只说了“替人做事”，还没说出“给人腾出时间”这个更重要的好处，句子也还是平铺直叙。

满分句 **As the technology matures, they will soon become a familiar part of campus life, taking over routine tasks and leaving students and teachers more time for what really matters.**

升格 2

第 1 步 In a word, robots are very good for us.

In a word 加一句空泛的结论，没有和第三段“用好机器人”的意思衔接，也看不出好在哪里。

第 2 步 If we use robots well, they will make our campus better.

加上条件，和上文衔接起来了；但 better 太笼统，句子也比较平淡。

第 3 步 If used wisely, robots will make our campus better for everyone.

用省略条件句 If used wisely，更简洁、更正式；但 better 还没有落到具体方面。范文换成 safer, smarter and more efficient 三个比较级，分别对应实验室降低风险、智能服务和节省时间，总结全文的好处。

满分句 **If used wisely, robots will make our campus safer, smarter and more efficient for everyone.**

9 高分句式

公式 → 原句 → 讲解 → 仿写

① no longer the stuff of 开头句

这个句式表达 表达“某事已经不再只是想象，而是变成了现实”，用来开门见山地引出一个新事物

公式 主语 + be + no longer the stuff of + science fiction / dreams / movies

范文原句 Robots are no longer the stuff of science fiction

机器人不再只是科幻小说里的东西了

the stuff of 意思是“……里才有的东西”，no longer 表示“不再”。一句话写出“过去只是想象，现在已成现实”的变化，比 Robots are very common now 生动得多。凡是写新科技（无人驾驶、人工智能、线上课堂）的题目，开头都能用。

例1 Driverless cars are no longer the stuff of science fiction.

无人驾驶汽车不再只是科幻小说里的东西了。

例2 Studying with a teacher on the other side of the world is no longer the stuff of dreams.

跟着地球另一端的老师学习，已经不再只是梦想。

也可以这样说

... is no longer a dream but a reality

……不再是梦想，而是现实

... has become part of our daily life

……已经成为我们日常生活的一部分

② taking over … and leaving … 现在分词结果状语

这个句式表达 表达“某事带来了两个结果：替我们做了什么，又给我们留下了什么”，用一个长句把好处说完整

公式 主句, taking over + 事务 + and leaving + 人 + more time for + 名词 / what really matters

范文原句 taking over routine tasks and leaving students and teachers more time for what really matters

承担日常事务，让学生和老师有更多时间去做真正重要的事情

两个现在分词短语放在主句后面，说明主句带来的结果，不用再另起一句 This will …。leave sb. more time for 意思是“给某人留下更多时间做……”；what really matters 意思是“真正重要的事”，是很地道的说法。

例1 Online banking has become popular, taking over many tasks that once required a trip to the bank and leaving people more time for their families.

网上银行已经普及，省去了很多跑银行的麻烦，让人们有更多时间陪伴家人。

例2 Smart home devices are spreading fast, taking over daily chores and leaving parents more time for what really matters.

智能家居设备迅速普及，承担了日常家务，让父母有更多时间去做真正重要的事情。

也可以这样说

..., saving people a lot of time and energy

……，为人们节省了大量时间和精力

..., which frees people to focus on ...

……，这让人们能腾出精力专注于……

③ be likely to be useful in … areas 总起句

这个句式表达 表达“某事物将来很可能在几个方面派上用场”，作为段落的总起句，告诉读者下面分几点写

公式 In the near future, + 主语 + are likely to be useful in at least + 数字 + areas.

范文原句 robots are likely to be useful in at least three areas

机器人很可能至少在三个方面派上用场

be likely to 意思是“很可能”，语气比 will 留有余地，适合谈将来；at least three areas 先说清有几点，下面再用 First、Second、Third 展开，阅卷老师一眼就能看出段落结构。

例1 In the near future, artificial intelligence is likely to be useful in at least three areas of our study.
在不久的将来，人工智能很可能至少在我们学习的三个方面派上用场。

例2 A part-time job is likely to be useful to college students in at least two ways.
兼职工作很可能至少在两个方面对大学生有帮助。

也可以这样说

... can play a role in several areas
……可以在几个方面发挥作用

... may benefit us in the following ways
……可能在以下几个方面让我们受益

④ should serve people rather than replace them 立场句

这个句式表达 表达“某事物应当为人服务，而不是取代人”，用来在谈完好处之后表明成熟的立场

公式 Still, + 主语 + should + 动词 A + rather than + 动词 B.

范文原句 Still, robots should serve people rather than replace them

不过，机器人应当为人服务，而不是取代人

Still 放句首意思是“不过；尽管如此”，从“好处”转到“注意的问题”。rather than 连接两个动词原形，意思是“而不是”，前后对比鲜明。整句只有九个词，却把全文的观点说清了：谈科技的题目，这样一句能让文章不显得片面。

例1 Still, smartphones should help us learn rather than distract us from learning.
不过，智能手机应当帮助我们学习，而不是让我们在学习时分心。

例2 Still, online courses should support teachers rather than replace them.
不过，网络课程应当为教师提供帮助，而不是取代教师。

也可以这样说

However, ... is a tool, not a substitute for ...

然而，……只是一种工具，不能代替……

..., but it can never take the place of ...

……，但它永远代替不了……

⑤ If used wisely 省略条件句

这个句式表达 表达“只要使用得当，某事物就能带来好的结果”，用来给全文收尾

公式 If used wisely / properly, + 主语 + will make + 宾语 + 形容词比较级 A, B and C.

范文原句 If used wisely, robots will make our campus safer, smarter and more efficient for everyone

只要使用得当，机器人就会让我们的校园对每个人来说都更安全、更智能、更高效

If used wisely 是 If they are used wisely 的省略，主语和 are 都省掉了，简洁、正式。注意：省略的主语必须和主句主语一致（被使用的就是 robots）。make + 宾语 + 三个比较级，一口气总结三方面好处，结尾有力。

例1 If used wisely, the internet will make our studies more efficient and enjoyable.

只要使用得当，互联网就会让我们的学习更高效、更有乐趣。

例2 If used properly, pocket money can teach children how to plan and save.

只要使用得当，零花钱就能教会孩子怎样规划和储蓄。

也可以这样说

As long as we use ... properly, ...

只要我们恰当地使用……，……

Used in the right way, ... will ...

如果以正确的方式使用，……就会……

10 亮点词汇

把普通说法换成高分说法

高分表达	意思	替代的普通说法
mature	v. 成熟	develop
routine	adj. 日常的；例行的	daily
take over	接管；承担	do
locate	v. 找到……的位置	find
repetitive	adj. 重复的	done again and again
with great precision	非常精确地	very exactly
privacy	n. 隐私	personal information
take the place of	取代；代替	replace
efficient	adj. 高效的	fast and good

让校园生活更便利的建议

1 原题

Part I **Writing** **(30 minutes)**

Directions: *Suppose you are invited to put forward a proposal to the university on how to make students' campus life easier. You are now to write an essay to make your proposal. You will have 30 minutes to write the essay. You should write at least 120 words but not more than 180 words.*

题目译文

假设学校邀请你提出一项建议（put forward a proposal），谈谈怎样让学生的校园生活更便利、更轻松（make students' campus life easier）。

现在请你写一篇文章（essay），提出你的建议（make your proposal）。

你有 30 分钟（30 minutes）写这篇文章（essay）。

字数：至少 120 词（at least 120 words），但不超过 180 词（not more than 180 words）。

2 审题

先弄清楚要写什么，再动笔

情景作文（建议书）：怎样让学生的校园生活更便利

120—180 词（题目要求 at least 120 words but not more than 180 words）；本篇 168 词。写到 160—180 词最稳，绝不能超过 180 词

- [ ] 身份：在校学生；对象：学校（the university）。这是一份写给学校的建议（proposal），读者是学校的管理者
- [ ] 核心内容：提出让校园生活更便利（easier）的具体建议，两三条为宜，每条都要说清怎么做、解决什么麻烦
- [ ] 建议书的完整结构：开头说明问题和写作目的，中间分条提建议，结尾说明好处并礼貌地希望学校采纳

语气与身份：写给学校的建议：正式、礼貌、务实；提建议用 could、would，语气委婉，不用 must、should 命令学校；结尾用 I sincerely hope … 表达诚意

容易失分的地方

- 话题是 easier（更便利、少麻烦），不是“更丰富多彩”：建议要针对排队、跑腿、找信息这些日常麻烦，不要写成办社团、搞活动
- 建议要具体可行：写清做什么（一个手机应用、延长开放时间、一站式服务中心），不要只写 The university should care more about students
- 同一组建议的情态动词要一致：都用 could（或都用 would），不要一会儿 could、一会儿 must
- 建议书要有结尾：说明建议的好处，再礼貌地希望学校考虑，不要写完三条建议就戛然而止

3 题目要求逐条落实

每一条要求 → 范文里的哪一句

题目要求	范文原句	怎么做到的
先说明问题：校园生活有哪些不便	Many students rush between classes, wait in long lines and struggle to find the information they need.	用三个动词短语写出学生每天遇到的麻烦：赶课、排长队、找不到信息。先摆出问题，后面的建议才有针对性。
写明目的：向学校提出建议	To make their daily lives easier, I would like to propose three practical measures.	To make … easier 直接扣住题目里的 make students' campus life easier，I would like to propose 点明这是一份建议，three practical measures 预告下文分三条。
建议具体、可行	a one-stop service center would allow students to handle paperwork, ask questions and get help in one place	三条建议都写清了“做什么”和“解决什么麻烦”：统一的手机应用（不用跑几个网站和办公室）、延长设施开放时间（晚上有空时能用）、一站式服务中心（一个地方办完所有事）。
说明建议的好处	These measures would not require a large investment, yet they would save students a great deal of time and energy.	站在学校的角度说“花钱不多”，再站在学生的角度说“省时省力”，让建议更容易被采纳。
礼貌收尾	I sincerely hope the university will give this proposal serious consideration.	建议书的标准结尾：真诚地希望学校认真考虑，语气礼貌，和开头的 propose 首尾照应。
字数 120—180 词	Campus life can be busy and sometimes stressful.	全文 168 词：第一段 3 句写问题和目的，第二段 3 句写建议，第三段 3 句写好处和结尾；建议部分最长，三段比例合适。

4 写作思路

先列提纲，每段一个任务

第一段

说明问题，提出写作目的

校园生活忙碌、有压力 → 学生赶课、排长队、找不到信息 → 为了让日常生活更便利，提出三条切实可行的措施

第二段

分条提出建议

首先，开发统一的手机应用（课表、座位预约、报修、食堂菜单）→ 其次，图书馆、体育馆等设施延长到晚上开放 → 最后，设立一站式服务中心

第三段

说明好处，礼貌收尾

这些措施花钱不多，却能省下大量时间和精力 → 麻烦少了，学生能专心学习、享受更丰富的校园生活 → 希望学校认真考虑

5 满分范文

荧光笔 + 圆圈编号 = 下面讲的高分句式

[1] Campus life can be busy and sometimes stressful. [2] Many students rush between classes, wait in long lines and struggle to find the information they need①. [3] To make their daily lives easier, I would like to propose three practical measures②.

[4] To begin with, the university could develop a single mobile app that brings together course schedules, library seat reservations, repair requests and canteen menus③, so that students no longer have to visit several websites or offices. [5] In addition, the opening hours of key facilities such as the library and the gym could be extended into the evening, when most students are free. [6] Finally, a one-stop service center would allow students to handle paperwork, ask questions and get help in one place.

[7] These measures would not require a large investment, yet they would save students a great deal of time and energy④. [8] With fewer daily hassles, students could focus more on their studies and enjoy a richer campus life⑤. [9] I sincerely hope the university will give this proposal serious consideration⑥.

参考译文

校园生活可能很忙碌，有时还压力很大。许多学生在一节节课之间匆忙奔走，排着长队，还要费很大劲才能找到所需的信息。为了让他们的日常生活更便利，我想提出三条切实可行的措施。

首先，学校可以开发一个统一的手机应用，把课程表、图书馆座位预约、报修申请和食堂菜单整合在一起，这样学生就不必再去好几个网站或办公室了。此外，图书馆和体育馆等重要设施的开放时间可以延长到晚上，那时大多数学生都有空。最后，设立一个一站式服务中心，就能让学生在一个地方办理手续、咨询问题和获得帮助。

这些措施不需要大量投入，却能为学生节省大量的时间和精力。日常的烦心事少了，学生就能更加专注于学业，享受更加丰富的校园生活。我真诚地希望学校能认真考虑这一建议。

6 一步一步写出这篇范文

01 先用一短一长两句写出问题

第一句短句总说“忙碌、有压力”，第二句用 rush between …, wait in … and struggle to … 三个动词短语具体描写；问题写得越具体，后面的建议越有针对性。

> 1 Campus life can be busy and sometimes stressful.
> 校园生活可能很忙碌，有时还压力很大。
> 2 Many students rush between classes, wait in long lines and struggle to find the information they need.
> 许多学生在一节节课之间匆忙奔走，排着长队，还要费很大劲才能找到所需的信息。

02 用目的状语点明写作目的

To make their daily lives easier 扣住题目，I would like to propose 礼貌地提出建议，three practical measures 预告三条措施。

> 3 To make their daily lives easier, I would like to propose three practical measures.
> 为了让他们的日常生活更便利，我想提出三条切实可行的措施。

03 To begin with、In addition、Finally 分条写建议

每条都是“做什么 + 解决什么”：一个手机应用把信息整合在一起（so that 引出不用再跑几个地方）；设施开放时间延长到晚上（when 从句说明学生那时有空）；一站式服务中心（allow students to 后面接三个动作）。三条都用 could、would，语气委婉一致。

> 4 To begin with, the university could develop a single mobile app that brings together course schedules, library seat reservations, repair requests and canteen menus, so that students no longer have to visit several websites or offices.
> 首先，学校可以开发一个统一的手机应用，把课程表、图书馆座位预约、报修申请和食堂菜单整合在一起，这样学生就不必再去好几个网站或办公室了。
>
> 5 In addition, the opening hours of key facilities such as the library and the gym could be extended into the evening, when most students are free.
> 此外，图书馆和体育馆等重要设施的开放时间可以延长到晚上，那时大多数学生都有空。
>
> 6 Finally, a one-stop service center would allow students to handle paperwork, ask questions and get help in one place.
> 最后，设立一个一站式服务中心，就能让学生在一个地方办理手续、咨询问题和获得帮助。

04 说明好处：先说成本低，再说效果好

would not …, yet … 先让步再转折，从学校和学生两个角度说明建议值得采纳；下一句用 With fewer daily hassles 写出最终效果：专心学习、生活更丰富。

> 7 These measures would not require a large investment, yet they would save students a great deal of time and energy.
> 这些措施不需要大量投入，却能为学生节省大量的时间和精力。
>
> 8 With fewer daily hassles, students could focus more on their studies and enjoy a richer campus life.
> 日常的烦心事少了，学生就能更加专注于学业，享受更加丰富的校园生活。

05 礼貌地希望学校采纳

用 I sincerely hope … will give this proposal serious consideration 结尾，正式、诚恳，建议书到这里才算完整。

> 9 I sincerely hope the university will give this proposal serious consideration.
> 我真诚地希望学校能认真考虑这一建议。

7 为什么是满分档

切题

题目要求向学校提建议，让校园生活更便利。文章先写出赶课、排队、找信息这些具体麻烦，再提出三条有针对性的建议：一个手机应用整合信息、设施延长开放、一站式服务中心，每一条都直接减少“麻烦”；结尾说明好处，并希望学校采纳。身份（学生）、对象（学校）、目的（提建议）都清清楚楚，完全切题。

- Many students rush between classes, wait in long lines and struggle to find the information they need.
- To make their daily lives easier, I would like to propose three practical measures.
- so that students no longer have to visit several websites or offices
- I sincerely hope the university will give this proposal serious consideration.

结构与连贯

建议书的结构完整：问题和目的 → 三条建议 → 好处和结尾。第一段末句的 three practical measures 预告第二段，第二段用 To begin with、In addition、Finally 分条；第三段 These measures 一词总括上文三条建议，再用 With fewer daily hassles 写出效果，最后礼貌收尾、照应开头的 propose。每句话都接得上前一句，思路一清二楚。

- three practical measures
- To begin with
- In addition
- Finally
- These measures
- this proposal

语言

语言准确、正式又不难懂：三个动词短语并列描写问题，定语从句 that brings together 把建议写具体，when 从句补充时间，would not …, yet … 写对比，介词短语 With fewer daily hassles 代替条件从句；用词地道，如 struggle to、practical measures、one-stop service center、hassles、give … serious consideration。三条建议都用 could、would，语气委婉一致，全文没有语法错误。

- struggle to find the information they need
- a single mobile app that brings together course schedules
- extended into the evening, when most students are free
- would not require a large investment, yet they would save students a great deal of time and energy
- With fewer daily hassles

8 升格示范

普通写法一步一步改成满分句

升格 1

第 1 步 I have some ideas.
只说“有想法”，既没说想法是关于什么的，也没有提出建议的意思，读者不知道下文要写什么。

第 2 步 I want to give the university some suggestions to make campus life easier.
说清了对象和目的，但 I want to 对学校来说不够礼貌，some suggestions 也没有告诉读者有几条。

第 3 步 To make campus life easier, I would like to give three suggestions.
目的状语放到句首，I would like to 更礼貌，three 预告了下文结构；范文再把 give three suggestions 换成 propose three practical measures，更正式，practical 还强调了建议切实可行。

满分句 **To make their daily lives easier, I would like to propose three practical measures.**

升格 2

第 1 步 These ideas are very good.
只是自夸，没有说出好在哪里，阅卷老师看不到任何理由。

第 2 步 These measures are cheap and they can save students much time.
有了理由，但 cheap 显得随意，and 只是简单并列，看不出“花钱少、效果好”之间的对比。

第 3 步 These measures would not cost much, but they would save students a lot of time.
用否定加转折写出对比，would 和前面的建议语气一致；范文再换成 require a large investment 和 a great deal of time and energy，用词更正式，“时间和精力”也比只说时间更完整。

满分句 **These measures would not require a large investment, yet they would save students a great deal of time and energy.**

9 高分句式

公式 → 原句 → 讲解 → 仿写

① 三个动词短语并列描写问题

这个句式表达 表达“人们在生活中同时遇到好几种麻烦”，用一句话把问题写具体

公式 主语 + 动词短语 A, 动词短语 B and 动词短语 C.

范文原句 Many students rush between classes, wait in long lines and struggle to find the information they need

许多学生在一节节课之间匆忙奔走，排着长队，还要费很大劲才能找到所需的信息

三个动词短语共用一个主语，读起来紧凑有节奏。rush between classes 写赶课，wait in long lines 写排队，struggle to 意思是“费很大劲才能……”，比 It is hard for them to … 更生动。描写问题时写出具体动作，比只写 students have many problems 有说服力得多。

例1 Many freshmen get lost on campus, miss important notices and struggle to make new friends.
许多新生在校园里迷路，错过重要通知，还很难交到新朋友。

例2 Office workers sit for hours, skip breakfast and struggle to find time for exercise.
上班族一坐就是几个小时，不吃早饭，还很难抽出时间锻炼。

也可以这样说

have difficulty doing ...

做……有困难

find it hard to ...

觉得很难……

② To make … easier, I would like to propose … 提议句

这个句式表达 表达“为了达到某个目的，我想提出几条建议”，是建议书点明写作目的的标准句

公式 To make + 宾语 + 形容词比较级, I would like to propose + 数字 + practical measures / suggestions.

范文原句 To make their daily lives easier, I would like to propose three practical measures

为了让他们的日常生活更便利，我想提出三条切实可行的措施

To make … easier 是目的状语，放在句首先说目的；I would like to 比 I want to 礼貌，适合写给学校。practical measures 意思是“切实可行的措施”，比 some ideas 正式。数字写清几条，读者马上知道下文结构。

例1 To make the canteen more popular, I would like to propose two practical measures.

为了让食堂更受欢迎，我想提出两条切实可行的措施。

例2 To make our dormitory life more comfortable, I would like to make the following suggestions.

为了让我们的宿舍生活更舒适，我想提出以下建议。

也可以这样说

I am writing to put forward some suggestions on ...

我写信是想就……提出一些建议

Here are my suggestions for ...

以下是我对……的建议

③ a single … that brings together … 定语从句

这个句式表达 表达“建一个统一的东西，把分散的几样整合在一起”，用一个定语从句把建议写具体

公式 主语 + could develop / set up + a single + 名词 + that brings together + A, B, C and D

范文原句 the university could develop a single mobile app that brings together course schedules, library seat reservations, repair requests and canteen menus

学校可以开发一个统一的手机应用，把课程表、图书馆座位预约、报修申请和食堂菜单整合在一起

a single 强调“只要一个”，bring together 意思是“把……汇集在一起”。that 定语从句后面列出四项具体内容，建议一下子变得清清楚楚、可以落实。提建议时，最怕只写 develop an app，不写这个应用能做什么。

例1 The school could set up a single website that brings together all the club activities and volunteer projects.
学校可以建一个统一的网站，把所有社团活动和志愿项目都汇集在一起。

例2 Our class could create a single online group that brings together notices, homework and exam schedules.
我们班可以建一个统一的网上群组，把通知、作业和考试安排都放在一起。

也可以这样说

... that combines A, B and C
把 A、B 和 C 结合在一起的……

... where students can find everything they need
学生在那里能找到所需一切的……

④ would not ..., yet ... 让步转折句

这个句式表达 表达“这样做代价不大，效果却很好”，用来说明建议值得采纳

公式 These measures would not + 动词（require a large investment）, yet they would + 动词（save … a great deal of …）.

范文原句 These measures would not require a large investment, yet they would save students a great deal of time and energy
这些措施不需要大量投入，却能为学生节省大量的时间和精力

yet 在这里是连词，意思是“然而；却”，连接一个否定、一个肯定，对比鲜明。前半句替学校着想（不费钱），后半句替学生着想（省时省力），说服力强。save sb. time and energy 是“为某人节省时间和精力”，a great deal of 修饰不可数名词。

例1 Turning off lights would not take much effort, yet it would save the school a great deal of money.
随手关灯不费什么力气，却能为学校省下一大笔钱。

例2 A weekly class meeting would not take much time, yet it would solve many small problems.
每周开一次班会不会占用多少时间，却能解决许多小问题。

也可以这样说

Although ... , it would ...
虽然……，但它会……

... cost little but bring great benefits
……花费不多，却能带来很大的好处

⑤ With fewer …, … could … 介词短语表条件

这个句式表达 表达“少了某些麻烦以后，人们就能做得更好”，用来写出建议带来的最终效果

公式 With fewer / more + 名词, + 主语 + could + 动词原形 …

范文原句 With fewer daily hassles, students could focus more on their studies and enjoy a richer campus life

日常的烦心事少了，学生就能更加专注于学业，享受更加丰富的校园生活

With fewer daily hassles 是介词短语，相当于 If they have fewer daily hassles，比条件从句更简洁。hassle 意思是“麻烦事；烦心事”，很地道。后面两个动词短语 focus more on … and enjoy … 写出两个好结果，把“便利”提升到“学业和生活”。

例1 With fewer exams, students could spend more time on reading and hobbies.

考试少了，学生就能把更多时间花在阅读和兴趣爱好上。

例2 With more green spaces, people in the city could relax and stay healthy.

绿地多了，城里的人就能放松身心、保持健康。

也可以这样说

If students have fewer ..., they can ...

如果学生的……少一些，他们就能……

Free from ..., students could ...

摆脱了……，学生就能……

⑥ give … serious consideration 礼貌结尾

这个句式表达 表达“真诚地希望对方认真考虑我的建议”，是建议书、意见信的标准结尾

公式 I sincerely hope + 对方 + will give + this proposal / my suggestions + serious consideration.

范文原句 I sincerely hope the university will give this proposal serious consideration

我真诚地希望学校能认真考虑这一建议

give sth. serious consideration 意思是“认真考虑某事”，比 think about it 正式、礼貌。sincerely 加强诚意。凡是写给学校、学生会、校报的建议，都可以用这一句结尾。

例1 I sincerely hope the student union will give my suggestions serious consideration.

我真诚地希望学生会能认真考虑我的建议。

例2 I sincerely hope the library will give this request serious consideration.

我真诚地希望图书馆能认真考虑这一请求。

也可以这样说

I hope my suggestions will be taken into consideration.

希望我的建议能被考虑。

Thank you for considering my proposal.

感谢您考虑我的建议。

10 亮点词汇

把普通说法换成高分说法

高分表达	意思	替代的普通说法
stressful	adj. 压力大的	tiring
struggle to	费很大劲才能……；艰难地做……	find it hard to
propose	v. 提议；提出	suggest
practical	adj. 切实可行的；实用的	useful
reservation	n. 预约；预订	booking
extend	v. 延长	make longer
one-stop	adj. 一站式的	all-in-one
investment	n. 投入；投资	money
hassle	n. 麻烦；烦心事	trouble
consideration	n. 考虑	thought

大学生必须参与科研项目的建议

1 原题

Part I **Writing** **(30 minutes)**

Directions: *Suppose it is proposed that university students should be required to participate in at least one research project. You are now to write a response by stating what you think of the proposal in terms of its necessity and practicality. You will have 30 minutes to write the response. You should write at least 120 words but not more than 180 words.*

题目译文

假设有人提议（it is proposed）：大学生必须至少参加一个科研项目（be required to participate in at least one research project）。

现在请你写一篇回应（response），从必要性（necessity）和可行性（practicality）两个方面说明你对这项提议的看法（what you think of the proposal）。

你有 30 分钟（30 minutes）写这篇回应（response）。

字数：至少 120 词（at least 120 words），但不超过 180 词（not more than 180 words）。

2 审题

先弄清楚要写什么，再动笔

情景作文（回应提议）：大学生是否应当必须参加科研项目

120—180 词（题目要求 at least 120 words but not more than 180 words）；本篇 176 词。写到 160—180 词最稳，绝不能超过 180 词

- [ ] 身份：在校学生；任务：回应一项提议（要求每个大学生至少参加一个科研项目），写一篇 response
- [ ] 题目指定了两个角度：必要性（necessity）和可行性（practicality），两个都要写，而且要分开写清楚
- [ ] 先亮明总的看法，再分别论证“为什么有必要”“为什么做得到”，最后用一句话总结

语气与身份：就学校的提议发表看法：正式、理性、有条理；用 In my view 表明立场，论证时以第三人称 students 为主，不用口语

容易失分的地方

- 题目点名 necessity 和 practicality，两个角度缺一个就是没写全；最稳的做法是一段写必要性、一段写可行性，每段第一句点明本段角度
- 开头不要照抄题目 Suppose it is proposed that …：要用自己的话转述，例如 It has been proposed that …
- propose 后面的 that 从句用 should + 动词原形（should be required），不要写成 is required 或 are required
- “可行性”要回答“做得到吗”：写学校已有什么条件、项目可以怎样灵活安排，不要又写回科研有什么好处

3 题目要求逐条落实

每一条要求 → 范文里的哪一句

题目要求	范文原句	怎么做到的
回应提议，表明总的看法	In my view, the proposal is necessary, and it is also practical as long as it is carried out flexibly.	第一句用自己的话转述提议，第二句一次回答两个问题：必要（necessary）、可行（practical），还加上条件 as long as it is carried out flexibly，观点明确又不绝对。
论证必要性	The requirement is necessary because research teaches what ordinary classes seldom can.	第二段的主题句直接用 necessary 点明角度，because 给出总的理由：科研能教给学生普通课堂很少能教的东西。
用具体收获支撑必要性	they learn to ask good questions, analyze data and solve problems on their own	接着写出具体能学到什么：提问题、分析数据、独立解决问题；下一句再补充沟通能力和责任感，最后说明这些收获无论深造还是就业都有用。
论证可行性	The proposal is also practical.	第三段用一句短句点明第二个角度，also 和第二段的 necessary 呼应，读者一眼看出文章分两层回答题目。
说清为什么做得到	students can join existing projects instead of starting from scratch	两条理由都是“做得到”：学校已有实验室、图书馆和搞科研的老师，可以加入现成项目；项目可大可小，各专业的学生都能找到合适的。
字数 120—180 词	It has been proposed that every university student should be required to take part in at least one research project.	全文 176 词：第一段 2 句表态，第二段 4 句写必要性，第三段 4 句写可行性并收尾；两个角度篇幅相当，没有超过 180 词。

4 写作思路

先列提纲，每段一个任务

第一段

转述提议，表明看法

有人提议每个大学生至少参加一个科研项目 → 我认为既必要，又可行（前提是灵活实施）

第二段

论证必要性

主题句：科研能教普通课堂很少教的东西 → 学会提问、分析数据、独立解决问题 → 培养沟通能力和责任感 → 无论深造还是就业都受益

第三段

论证可行性并收尾

主题句：提议也是可行的 → 学校已有条件，可加入现成项目 → 项目大小灵活，各专业都能找到合适的 → 有指导、安排合理，科研就是宝贵经历而不是负担

5 满分范文

荧光笔 + 圆圈编号 = 下面讲的高分句式

[1] It has been proposed that every university student should be required to take part in at least one research project①. [2] In my view, the proposal is necessary, and it is also practical as long as it is carried out flexibly②.

[3] The requirement is necessary because research teaches what ordinary classes seldom can③. [4] When students design an experiment or conduct a survey, they learn to ask good questions, analyze data and solve problems on their own. [5] Working with teachers and teammates also develops their communication skills and sense of responsibility. [6] These gains will benefit them whether they pursue further study or enter the job market④.

[7] The proposal is also practical. [8] Most universities already have laboratories, libraries and teachers engaged in research, so students can join existing projects instead of starting from scratch. [9] Projects can range from a small task in a professor's experiment to a semester-long independent survey, allowing students of all majors to find a good fit⑤. [10] With proper guidance and a reasonable schedule, research will be a valuable experience for students rather than a burden.

参考译文

有人提议，应当要求每个大学生至少参加一个科研项目。在我看来，这项提议是必要的，而且只要灵活实施，也是切实可行的。

这一要求之所以必要，是因为科研能教给学生普通课堂很少能教的东西。当学生设计实验或开展调查时，他们会学会提出好问题、分析数据，并独立解决问题。与老师和队友合作还能培养他们的沟通能力和责任感。无论他们是继续深造还是走上就业市场，这些收获都会让他们受益。

这项提议也是切实可行的。大多数大学已经有实验室、图书馆和从事科研的教师，因此学生可以加入现有的项目，而不必从零开始。项目可大可小，从教授实验中的一项小任务到持续一学期的独立调查都可以，这样各个专业的学生都能找到适合自己的项目。只要有恰当的指导和合理的安排，科研对学生来说将是一段宝贵的经历，而不是一种负担。

6 一步一步写出这篇范文

01 用自己的话转述提议

用 It has been proposed that … 开头，不照抄题目的 Suppose；注意 that 从句里用 should be required。

> 1 It has been proposed that every university student should be required to take part in at least one research project.
> 有人提议，应当要求每个大学生至少参加一个科研项目。

02 一句话回答两个问题

In my view 后面先说 necessary，再用 and it is also practical 说可行性，最后加 as long as 写条件。这一句就是全文提纲：下面两段分别展开 necessary 和 practical。

> 2 In my view, the proposal is necessary, and it is also practical as long as it is carried out flexibly.
> 在我看来，这项提议是必要的，而且只要灵活实施，也是切实可行的。

03 必要性：主题句 + 具体收获 + 长远意义

主题句用 because 给理由；接着用 When students … 写具体情境，they learn to 后接三个动作；再用 also 补充第二种收获（沟通能力、责任感）；最后用 whether … or … 说明无论将来做什么都用得上。

> 3 The requirement is necessary because research teaches what ordinary classes seldom can.
> 这一要求之所以必要，是因为科研能教给学生普通课堂很少能教的东西。
>
> 4 When students design an experiment or conduct a survey, they learn to ask good questions, analyze data and solve problems on their own.
> 当学生设计实验或开展调查时，他们会学会提出好问题、分析数据，并独立解决问题。
>
> 5 Working with teachers and teammates also develops their communication skills and sense of responsibility.
> 与老师和队友合作还能培养他们的沟通能力和责任感。
>
> 6 These gains will benefit them whether they pursue further study or enter the job market.
> 无论他们是继续深造还是走上就业市场，这些收获都会让他们受益。

04 可行性：短句点题 + 两条“做得到”的理由

先用短句 The proposal is also practical 点明角度；第一条理由写学校已有条件（so 引出可以加入现成项目）；第二条写项目大小灵活（range from … to …，allowing … 写出结果）。

> 7 The proposal is also practical.
> 这项提议也是切实可行的。
>
> 8 Most universities already have laboratories, libraries and teachers engaged in research, so students can join existing projects instead of starting from scratch.
> 大多数大学已经有实验室、图书馆和从事科研的教师，因此学生可以加入现有的项目，而不必从零开始。
>
> 9 Projects can range from a small task in a professor's experiment to a semester-long independent survey, allowing students of all majors to find a good fit.
> 项目可大可小，从教授实验中的一项小任务到持续一学期的独立调查都可以，这样各个专业的学生都能找到适合自己的项目。

05 带条件的总结句收尾

With proper guidance and a reasonable schedule 呼应开头的 carried out flexibly，rather than a burden 回应可能的担心，全文观点完整。

> 10 With proper guidance and a reasonable schedule, research will be a valuable experience for students rather than a burden.
> 只要有恰当的指导和合理的安排，科研对学生来说将是一段宝贵的经历，而不是一种负担。

7 为什么是满分档

切题

题目要求从必要性和可行性两个角度回应提议。文章第一段用自己的话转述提议，并明确回答“必要”和“可行”；第二段专写必要性，第三段专写可行性，每段第一句都直接点明角度；论证落在具体的收获（提问、分析数据、沟通能力）和具体的条件（现成的实验室和项目、大小灵活的任务）上。两个角度都写到、写透，完全切题。

In my view, the proposal is necessary, and it is also practical as long as it is carried out flexibly.

The requirement is necessary because research teaches what ordinary classes seldom can.

The proposal is also practical.

students can join existing projects instead of starting from scratch

结构与连贯

结构和题目完全对应：表态 → 必要性 → 可行性。第二句里的 necessary 和 practical 就是下面两段的主题句关键词；第二段用 When students …、also、These gains 层层推进，第三段用 also、so、allowing 连接；结尾的 With proper guidance and a reasonable schedule 呼应开头的 carried out flexibly。段与段、句与句衔接自然，读者毫不费力。

necessary

practical

These gains

The proposal is also practical

With proper guidance and a reasonable schedule

语言

句式丰富、准确：It has been proposed that … should … 的虚拟语气用得正确，as long as 写条件，what 引导的名词性从句，whether … or … 让步状语从句，range from … to … 加现在分词作结果状语，rather than 写对比；用词准确、正式，如 conduct a survey、sense of responsibility、pursue further study、from scratch、a good fit。全文没有语法错误，长短句搭配得当。

should be required to take part in at least one research project

research teaches what ordinary classes seldom can

whether they pursue further study or enter the job market

range from a small task in a professor’s experiment to a semester-long independent survey

a valuable experience for students rather than a burden

8 升格示范

普通写法一步一步改成满分句

升格 1

第 1 步 I think this proposal is good.
good 太笼统：题目问的是“必要吗”“可行吗”，这句话一个问题也没有回答。

第 2 步 I think this proposal is necessary and practical.
两个角度都回答了，切题了；但观点说得太绝对，也没有给下文谈可行性留下线索。

第 3 步 In my view, the proposal is necessary, and it is also practical if it is flexible.
In my view 比 I think 正式，加上条件后观点更理性；但 if it is flexible 说得不准确（灵活的是“实施方式”，不是提议本身）。范文改成 as long as it is carried out flexibly，意思准确，语气也更肯定。

满分句 **In my view, the proposal is necessary, and it is also practical as long as it is carried out flexibly.**

升格 2

第 1 步 Research is very important for students.
只说“重要”，没有说为什么，也没有用 necessary 呼应题目的 necessity，不像一个论证段的主题句。

第 2 步 The requirement is necessary because students can learn many things from research.
点明了 necessary，也给了理由；但 learn many things 太空，看不出科研和平时上课有什么不同。

第 3 步 The requirement is necessary because research teaches students things that ordinary classes do not teach.
和普通课堂对比，突出了科研的独特价值；但句子有些啰嗦，“不教”也说得太绝对。范文用 what ordinary classes seldom can，省掉重复的 teach，seldom（很少）也更准确。

满分句 **The requirement is necessary because research teaches what ordinary classes seldom can.**

9 高分句式

公式 → 原句 → 讲解 → 仿写

① It has been proposed that … should … 转述提议

这个句式表达 表达“有人提议应当……”，用自己的话转述题目里的提议，作为开头

公式 It has been proposed that + 主语 + should + (be required to) + 动词原形 …

范文原句 It has been proposed that every university student should be required to take part in at least one research project

有人提议，应当要求每个大学生至少参加一个科研项目

It has been proposed that 是“有人提议”的正式说法，用 it 作形式主语，不用说出是谁提的。propose、suggest、require 后面的 that 从句要用 should + 动词原形（should 可以省略，但动词必须是原形）。用它转述题目，既切题，又不是照抄。

例1 It has been proposed that every freshman should take a course in time management.
有人提议，每个新生都应当上一门时间管理课。

例2 It has been proposed that smartphones should be banned in classrooms.
有人提议，课堂上应当禁止使用智能手机。

也可以这样说

Some people suggest that ... should ...
有人建议……应当……

A recent proposal says that ...
最近有一项提议说……

② necessary, and also practical as long as … 两面表态句

这个句式表达 表达“我认为这件事既有必要，又做得到，只要满足某个条件”，一句话回答题目的两个角度

公式 In my view, + 主语 + is necessary, and it is also practical as long as + 条件.

范文原句 In my view, the proposal is necessary, and it is also practical as long as it is carried out flexibly
在我看来，这项提议是必要的，而且只要灵活实施，也是切实可行的

题目问几个角度，表态句就回答几个角度。as long as 意思是“只要”，加上条件后观点不绝对，显得更理性。carried out flexibly 意思是“灵活地实施”，为第三段谈可行性埋下伏笔。

例1 In my view, the plan is necessary, and it is also practical as long as students get enough guidance.
在我看来，这项计划是必要的，而且只要学生得到足够的指导，也是切实可行的。

例2 In my view, a weekly sports day is useful, and it is also practical as long as it does not take up class time.
在我看来，每周设一个运动日是有益的，而且只要不占用上课时间，也是切实可行的。

也可以这样说

I believe the proposal is both necessary and practical.
我认为这项提议既必要又可行。

..., provided that ...
……，前提是……

③ teaches what … seldom can 名词性从句

这个句式表达 表达“某事能教给人们其他途径很少能教的东西”，用来写一件事的独特价值

公式 主语 + teaches + what + 别的途径 + seldom can.

范文原句 research teaches what ordinary classes seldom can
科研能教给学生普通课堂很少能教的东西

what ordinary classes seldom can 是 what ordinary classes seldom can teach 的省略，what 从句作 teaches 的宾语。整句把“科研”和“普通课堂”对比，突出科研的独特价值，短而有力，适合作段落主题句。

例1 Volunteer work teaches what textbooks seldom can.

志愿服务能教给我们课本里很少能学到的东西。

例2 Travelling teaches young people what classrooms seldom can.

旅行能教给年轻人课堂上很少能学到的东西。

也可以这样说

... offers something that ordinary classes cannot

……提供了普通课堂给不了的东西

... is a lesson that cannot be learned from books

……是书本上学不到的一课

④ whether ... or ... 无论……还是……

这个句式表达 表达“无论人们将来选择哪条路，这些收获都有用”，用来说明好处的长远意义

公式 主语 + will benefit + 人 + whether they + 动词 A + or + 动词 B.

范文原句 These gains will benefit them whether they pursue further study or enter the job market

无论他们是继续深造还是走上就业市场，这些收获都会让他们受益

These gains 一个词总括前两句说的收获，承上启下。whether … or … 引导让步状语从句，意思是“无论……还是……”，把两种未来都包括进去，说明好处适用于所有人。pursue further study 是“继续深造”，enter the job market 是“走上就业市场”。

例1 Good reading habits will benefit students whether they stay at school or start working.

无论学生是继续读书还是开始工作，良好的阅读习惯都会让他们受益。

例2 Regular exercise is important whether you are young or old.

无论年轻还是年老，规律的锻炼都很重要。

也可以这样说

no matter what they do in the future

无论他们将来做什么

... will be useful throughout their lives

……将使他们终身受用

⑤ range from … to …, allowing … 范围与结果

这个句式表达 表达“某事有大有小、选择很多，因此每个人都能找到合适的”，用来说明一件事灵活、做得到

公式 主语 + can range from + 小的一端 + to + 大的一端, allowing + 人 + to + 动词原形 …

范文原句 Projects can range from a small task in a professor's experiment to a semester-long independent survey, allowing students of all majors to find a good fit

项目可大可小，从教授实验中的一项小任务到持续一学期的独立调查都可以，这样各个专业的学生都能找到适合自己的项目

range from A to B 意思是“从 A 到 B 不等”，两端一小一大，写出选择范围之广。allowing … to … 是现在分词作结果状语，说明“因此人人都能找到合适的”。a good fit 意思是“合适的选择”，很地道。论证“可行”时，写出灵活性最有说服力。

例1 Club activities range from chess games to mountain climbing, allowing every student to find something interesting.

社团活动从下棋到登山应有尽有，每个学生都能找到感兴趣的。

例2 Part-time jobs on campus range from library work to tutoring, allowing students to earn money without leaving school.

校内兼职从图书馆工作到辅导功课都有，学生不出校门就能挣钱。

也可以这样说

…, from A to B, so that …

……，从 A 到 B 都有，这样……

There is a wide choice of …

……的选择很多

10 亮点词汇

把普通说法换成高分说法

高分表达	意思	替代的普通说法
take part in	参加	join
practical	adj. 切实可行的	workable
carry out	实施；执行	do
conduct a survey	开展调查	do a survey
analyze	v. 分析	study
sense of responsibility	责任感	being responsible
pursue further study	继续深造	study more
from scratch	从零开始	from the very beginning
burden	n. 负担	heavy task

学生会如何丰富学生生活

1 原题

Part I **Writing** **(30 minutes)**

Directions: *Suppose the student union of your university is collecting opinions on improving its work for the coming year. You are now to write a response by suggesting how it can better enrich student life. You will have 30 minutes to write the essay. You should write at least 120 words but no more than 180 words.*

题目译文

假设你们学校的学生会（student union）正在征集意见，准备改进来年的工作（improving its work for the coming year）。

现在请你写一篇回应（response），提出建议（suggesting）：学生会怎样才能更好地丰富学生生活（better enrich student life）。

你有 30 分钟（30 minutes）写这篇文章（essay）。

字数：至少 120 词（at least 120 words），但不超过 180 词（no more than 180 words）。

2 审题

先弄清楚要写什么，再动笔

情景作文（回应征求意见）：学生会怎样更好地丰富学生生活

120—180 词（题目要求 at least 120 words but no more than 180 words）；本篇 174 词。写到 160—180 词最稳，绝不能超过 180 词

- [ ] 身份：在校学生；对象：正在为来年工作征求意见的学生会（the student union）
- [ ] 核心内容：提出建议，说明学生会怎样更好地丰富学生生活（better enrich student life），两三条为宜，每条都写清具体做法
- [ ] 完整结构：开头回应征求意见、简单评价学生会过去的工作；中间分条提建议；结尾说明建议的效果，表达期待

语气与身份：写给学生会的意见：友好、真诚、有建设性；先肯定成绩再提建议，建议用 could、might，语气委婉，不用 must 命令

容易失分的地方

- 题目问的是“怎样更好地丰富学生生活”（how it can better enrich student life），建议要围绕活动和学生的需求，不要写成批评学生会的某个干部或抱怨食堂、宿舍
- better 说明学生会已经在做：先简单肯定过去的工作，再说“还有提升空间”，比一上来就挑毛病更得体
- 每条建议都要具体：写出办什么活动（读书会、徒步、烹饪课、求职经验分享），不要只写 hold more activities
- “体育比赛”是 sports competitions，不是 sports games；“举办短期培训”可以说 arrange workshops（workshop 不是“讲座”，讲座是 lecture），不要逐字翻译

3 题目要求逐条落实

每一条要求 → 范文里的哪一句

题目要求	范文原句	怎么做到的
回应学生会征求意见	I am glad that the student union is collecting opinions on its work for the coming year.	开头用自己的话回应题目设定的场景（学生会征求来年工作的意见），I am glad 语气友好，没有照抄题目。
先肯定成绩，再说还有提升空间	there is still room to make student life richer and more meaningful	前半句肯定学生会过去一年组织了许多受欢迎的活动，后半句用 there is still room to 引出提建议的理由，扣住题目的 better enrich。
建议一：活动照顾更多人的兴趣	the union could offer activities that suit a wider range of interests	第一条建议先总说，再举出读书会、徒步旅行、烹饪课，并说明目的：让性格安静的学生也能找到喜欢的活动。
建议二、三：关注实际需求，活动后收集反馈	inviting graduates to share their job-hunting experience	第二条用 for example by 举出求职经验分享和公众演讲培训两个做法；第三条建议每次活动后做网上调查，让学生会的工作不断改进。三条都具体可行。
说明建议的效果，表达期待	campus life will become more varied and rewarding	用 If 条件句总结：学生会认真倾听、不断改进，校园生活就会更丰富多彩、更有收获；最后一句表达期待参加明年的活动，友好收尾。
字数 120—180 词	Here are my suggestions.	全文 174 词：第一段 3 句回应场景，第二段 4 句写三条建议，第三段 2 句写效果和期待；建议部分最长，重点突出。

4 写作思路

先列提纲，每段一个任务

第一段

回应场景，引出建议

很高兴学生会征求意见 → 肯定过去一年的活动，但还有提升空间 → 以下是我的建议

第二段

分条提出建议

第一，活动照顾更多兴趣（读书会、徒步、烹饪课）→ 第二，关注学生的实际需求（求职经验分享、演讲培训）→ 第三，每次活动后做网上调查，了解学生的看法

第三段

说明效果，表达期待

学生会认真倾听、不断改进 → 校园生活更丰富、更有收获，学生与学校联系更紧密 → 期待明年参加活动

5 满分范文

荧光笔 + 圆圈编号 = 下面讲的高分句式

[1] I am glad that the student union is collecting opinions on its work for the coming year. [2] Over the past year, it has organized many popular events, but there is still room to make student life richer and more meaningful①. [3] Here are my suggestions.

[4] First, the union could offer activities that suit a wider range of interests②. [5] Besides sports competitions and singing contests, it might organize book clubs, hiking trips and cooking classes, so that quieter students can also find something they enjoy③. [6] Second, it could pay more attention to students' practical needs, for example by inviting graduates to share their job-hunting experience or arranging short workshops on public speaking④. [7] Third, the union could conduct a brief online survey after each event to learn what students liked and what could be improved⑤.

[8] If the student union listens carefully to students and keeps improving its work, campus life will become more varied and rewarding, and every student will feel more connected to the university. [9] I look forward to taking part in its activities next year.

参考译文

我很高兴学生会正在就来年的工作征求意见。过去一年里，学生会组织了许多受欢迎的活动，但学生生活仍有提升空间，可以变得更加丰富、更有意义。以下是我的建议。

第一，学生会可以开展适合更多兴趣爱好的活动。除了体育比赛和歌唱比赛，它还可以组织读书会、徒步旅行和烹饪课，让性格比较安静的学生也能找到自己喜欢的活动。第二，学生会可以更加关注学生的实际需求，比如邀请毕业生分享求职经验，或者举办关于公众演讲的短期培训。第三，学生会可以在每次活动后开展一次简短的网上调查，了解学生喜欢什么、哪些方面还可以改进。

如果学生会认真倾听学生的意见，不断改进工作，校园生活就会变得更加丰富多彩、更有收获，每个学生也会感到与学校联系更加紧密。我期待明年参加学生会的活动。

6 一步一步写出这篇范文

01 回应场景：先表态度，再评成绩

第一句用 I am glad that … 回应学生会征求意见；第二句先肯定 many popular events，再用 but there is still room to … 转到“还能更好”，自然引出建议；第三句短句 Here are my suggestions 过渡到下一段。

> 1 I am glad that the student union is collecting opinions on its work for the coming year.
> 我很高兴学生会正在就来年的工作征求意见。
> 2 Over the past year, it has organized many popular events, but there is still room to make student life richer and more meaningful.
> 过去一年里，学生会组织了许多受欢迎的活动，但学生生活仍有提升空间，可以变得更加丰富、更有意义。
> 3 Here are my suggestions.
> 以下是我的建议。

02 建议一：先总说，再举例，再说目的

第一句用 activities that suit a wider range of interests 总说；第二句用 Besides … 先提已有的活动，再列出三种新活动，最后用 so that 说明目的：照顾性格安静的学生。

> 4 First, the union could offer activities that suit a wider range of interests.
> 第一，学生会可以开展适合更多兴趣爱好的活动。
> 5 Besides sports competitions and singing contests, it might organize book clubs, hiking trips and cooking classes, so that quieter students can also find something they enjoy.
> 除了体育比赛和歌唱比赛，它还可以组织读书会、徒步旅行和烹饪课，让性格比较安静的学生也能找到自己喜欢的活动。

03 建议二：用 for example by 写出具体做法

pay more attention to students' practical needs 是总的方向，for example by inviting … or arranging … 用两个动名词短语给出做法，建议一下子落到实处。

> 6 Second, it could pay more attention to students' practical needs, for example by inviting graduates to share their job-hunting experience or arranging short workshops on public speaking.
> 第二，学生会可以更加关注学生的实际需求，比如邀请毕业生分享求职经验，或者举办关于公众演讲的短期培训。

04 建议三：活动后收集反馈

conduct a brief online survey after each event 写做法，to learn what … and what … 写目的；这条建议让学生会的工作能持续改进，和第三段的 keeps improving 呼应。

> 7 Third, the union could conduct a brief online survey after each event to learn what students liked and what could be improved.
> 第三，学生会可以在每次活动后开展一次简短的网上调查，了解学生喜欢什么、哪些方面还可以改进。

05 条件句写效果，一句话表期待

If … listens carefully … and keeps improving … 总括三条建议，主句写两个效果：校园生活更丰富、学生与学校更亲近；最后用 I look forward to taking part in … 结尾，注意 to 后面接动名词。

> 8 If the student union listens carefully to students and keeps improving its work, campus life will become more varied and rewarding, and every student will feel more connected to the university.
> 如果学生会认真倾听学生的意见，不断改进工作，校园生活就会变得更加丰富多彩、更有收获，每个学生也会感到与学校联系更加紧密。
> 9 I look forward to taking part in its activities next year.
> 我期待明年参加学生会的活动。

7 为什么是满分档

切题 · 结构与连贯 · 语言

切题

题目要求回应学生会征求意见，说明怎样更好地丰富学生生活。文章开头回应场景，先肯定过去的工作，再用 there is still room to … 扣住 better enrich；三条建议都围绕“丰富学生生活”：照顾更多兴趣、关注实际需求、活动后收集反馈，每条都有具体做法；结尾写出效果和期待。没有一句跑到无关的话题上。

I am glad that the student union is collecting opinions on its work for the coming year.

there is still room to make student life richer and more meaningful | activities that suit a wider range of interests

pay more attention to students' practical needs | campus life will become more varied and rewarding

结构与连贯

三段分工清楚：回应场景 → 分条建议 → 效果和期待。第一段末尾的短句 Here are my suggestions 自然过渡到第二段；First、Second、Third 把三条建议分得清清楚楚，每条建议内部又用 Besides、so that、for example by、to learn 层层展开；第三段的 keeps improving its work 呼应第三条建议，最后一句表达期待，和开头的 I am glad 前后呼应。

Here are my suggestions. | First | Second | Third | keeps improving its work

语言

语言地道、准确：there is still room to 委婉提出不足，activities that suit a wider range of interests 用定语从句，Besides … so that … 写补充和目的，for example by doing 给出做法，to learn what … and what … 用两个宾语从句；用词具体，如 sports competitions、hiking trips、job-hunting experience、workshops on public speaking、varied and rewarding。建议都用 could、might，语气委婉一致，全文没有语法错误。

there is still room to make student life richer and more meaningful

so that quieter students can also find something they enjoy

for example by inviting graduates to share their job-hunting experience

to learn what students liked and what could be improved | every student will feel more connected to the university

8 升格示范

普通写法一步一步改成满分句

升格 1

第 1 步 First, the student union should hold more activities.
只要求“多办活动”，没有说办什么样的活动；should 对学生会来说语气也有点硬。

第 2 步 First, the union could hold different kinds of activities for students.
could 语气委婉了，different kinds of 也说出了“多样”的意思；但还没说清为什么要多样，这条建议的出发点不明确。

第 3 步 First, the union could offer activities for students with different interests.
点出了“照顾不同兴趣”这个出发点；范文再用定语从句 that suit a wider range of interests，比较级 wider 暗含“比现在照顾得更广”，和题目的 better enrich 扣得更紧。

满分句 **First, the union could offer activities that suit a wider range of interests.**

升格 2

第 1 步 Third, the union should listen to students.
方向对，但太空：怎么听、什么时候听、听什么，一样也没说。

第 2 步 Third, the union could ask students for their opinions after each activity.
有了时间（每次活动后）和做法（征求意见），具体多了；但“怎么征求”还不清楚，也没说出征求意见的目的。

第 3 步 Third, the union could do an online survey after each event to know students' opinions.
做法具体了（网上调查）；范文再把 do 换成更正式的 conduct，加 brief 说明调查很简短、容易做到，并用 to learn what … and what … 把目的说完整：既了解优点，也找出不足。

满分句 **Third, the union could conduct a brief online survey after each event to learn what students liked and what could be improved.**

9 高分句式

公式 → 原句 → 讲解 → 仿写

① there is still room to … 先肯定后提升

这个句式表达 表达“某人或某机构已经做得不错，但还有改进的空间”，用来委婉地引出建议

公式 主语 + has done … , but there is still room to + 动词原形 / room for improvement.

范文原句 it has organized many popular events, but there is still room to make student life richer and more meaningful

学生会组织了许多受欢迎的活动，但学生生活仍有提升空间，可以变得更加丰富、更有意义

room 在这里是不可数名词，意思是“空间；余地”。there is still room to … 意思是“还有……的余地”，比 it does not do well 委婉得多。先肯定、再提升，是给别人提建议最得体的写法。has organized 用现在完成时，说明过去一年到现在的成绩。

例1 Our canteen has improved a lot, but there is still room to make the food healthier.

我们的食堂进步很大，但饭菜还可以做得更健康。

例2 The library has bought many new books, but there is still room for improvement in its services.

图书馆添置了很多新书，但服务方面仍有改进的空间。

也可以这样说

..., but it can do even better in ...

……，但在……方面还能做得更好

Although ... , some improvements could still be made.

虽然……，但仍有一些地方可以改进。

② activities that suit a wider range of interests 定语从句

这个句式表达 表达“提供适合更多人兴趣的活动”，用来提出“照顾不同的人”这类建议

公式 主语 + could offer + 名词 + that suit(s) + a wider range of + interests / needs

范文原句 the union could offer activities that suit a wider range of interests

学生会可以开展适合更多兴趣爱好的活动

suit 是动词，意思是“适合”；a wide range of 意思是“各种各样的”，用比较级 wider 说明“比现在更广”。that 定语从句修饰 activities，把“什么样的活动”说清楚。这句作为建议的总起句，下面再举例说明。

例1 The library could offer books that suit a wider range of readers.

图书馆可以提供适合更多读者的书。

例2 The gym could offer classes that suit a wider range of ages and needs.

健身房可以开设适合更多年龄段和需求的课程。

也可以这样说

... that meet the needs of different students

满足不同学生需求的……

... that appeal to more students

吸引更多学生的……

③ Besides ..., ... so that ... 补充建议句

这个句式表达 表达“除了已有的……，还可以增加……，这样就能……”，用来把一条建议写具体并说明目的

公式 Besides + 已有的 A and B, + 主语 + might + 动词 + C, D and E, so that + 目的从句.

范文原句 Besides sports competitions and singing contests, it might organize book clubs, hiking trips and cooking classes, so that quieter students can also find something they enjoy

除了体育比赛和歌唱比赛，它还可以组织读书会、徒步旅行和烹饪课，让性格比较安静的学生也能找到自己喜欢的活动

Besides 意思是“除了……之外（还有）”，先说已有的，再说新增的，建议更有针对性。中间列出三个具体活动；so that 引导目的状语从句，说明为什么这样建议。注意“体育比赛”是 sports competitions，“歌唱比赛”是 singing contests。

例1 Besides rice and noodles, the canteen might offer salads and fruit, so that students can eat more healthily.
除了米饭和面条，食堂还可以提供沙拉和水果，让学生吃得更健康。

例2 Besides English and Japanese, the school might open French classes, so that students have more choices.
除了英语和日语，学校还可以开设法语课，让学生有更多选择。

也可以这样说

In addition to ..., ...
除了……之外，……

..., so as to ...
……，以便……

④ for example by doing ... 举出具体做法

这个句式表达 表达“比如可以通过做某事来实现”，用来在提出方向之后马上给出具体做法

公式 主语 + could + 动词 …, for example by + doing A + or + doing B.

范文原句 for example by inviting graduates to share their job-hunting experience or arranging short workshops on public speaking

比如邀请毕业生分享求职经验，或者举办关于公众演讲的短期培训

by doing 表示方式，“通过做……”；前面加 for example，表示“比如可以这样做”。两个动名词短语用 or 连接，给出两种选择。invite sb. to do 是“邀请某人做”，workshop 是“短期培训；研讨会”。提建议时先说方向，再用这个结构给做法，就不会空洞。

例1 We can protect the environment, for example by using less plastic or taking buses instead of driving.
我们可以保护环境，比如少用塑料制品，或者坐公交车而不是开车。

例2 Students can improve their spoken English, for example by joining an English club or talking with foreign students.

学生可以提高英语口语，比如参加英语俱乐部，或者和外国学生交谈。

也可以这样说

..., such as doing ...

……，比如做……

One way to do this is to ...

做到这一点的一个办法是……

⑤ to learn what ... and what ... 了解反馈

这个句式表达 表达“为了了解大家喜欢什么、哪里还能改进”，用来写收集意见、改进工作的建议

公式 … to learn what + 人 + liked and what could be improved

范文原句 to learn what students liked and what could be improved

了解学生喜欢什么、哪些方面还可以改进

动词不定式表目的，learn 在这里是“了解；得知”。后面两个 what 宾语从句并列，一个主动（students liked），一个被动（could be improved），说得完整又简洁。写建议、写总结时都能用。

例1 Our teacher asks us to fill in a short form after class to learn what we liked and what could be improved.

老师让我们课后填一张简短的表格，以了解我们喜欢什么、哪些地方还可以改进。

例2 The canteen could talk with students regularly to learn what they liked and what could be improved.

食堂可以定期和学生交流，了解他们喜欢什么、哪些方面还可以改进。

也可以这样说

to collect feedback from ...

收集……的反馈意见

to find out what ... think of ...

了解……对……的看法

10 亮点词汇

把普通说法换成高分说法

高分表达	意思	替代的普通说法
collect opinions	征求意见	ask for ideas
room	n. （改进的）空间；余地	chance
suit	v. 适合	be good for
a wide range of	各种各样的；范围广泛的	many kinds of
practical needs	实际需求	real needs
job-hunting	adj. 求职的	finding a job
workshop	n. 短期培训；研讨会	class
conduct	v. 开展；进行	do
rewarding	adj. 有收获的；值得做的	useful
look forward to	期待（to 后接名词或动名词）	hope

大学生应学习学术写作

2025年12月大学英语四级 第2套 · 写作 Part I
议论文（回应建议） · 范文 170 词

1 原题

Part I **Writing** **(30 minutes)**

Directions: *Suppose it is proposed that all university students should be required to learn academic writing. You are now to write a response by stating what you think of the proposal. You will have 30 minutes to write the essay. You should write at least 120 words but no more than 180 words.*

题目译文

假设有人提议（it is proposed）：所有大学生都必须学习学术写作（be required to learn academic writing）。

现在请你写一篇回应（response），说明你对这项提议的看法（what you think of the proposal）。

你有 30 分钟（30 minutes）写这篇文章（essay）。

字数：至少 120 词（at least 120 words），但不超过 180 词（no more than 180 words）。

2 审题

先弄清楚要写什么，再动笔

情景作文（回应提议）：是否应当要求所有大学生学习学术写作

120—180 词（题目要求 at least 120 words but no more than 180 words）；本篇 170 词。写到 160—180 词最稳，绝不能超过 180 词

- [ ] 身份：在校学生；任务：回应一项提议（所有大学生都必须学习学术写作），说明自己怎么看
- [ ] 核心内容：亮明支持还是反对，再用两三个理由支撑，每个理由都要有具体的说明
- [ ] 可以在结尾补充一个条件或建议（课程怎样设计才真正有用），让看法更全面

语气与身份：就提议发表看法：正式、理性；用 I strongly support it 明确表态，论证以第三人称 students 为主，用 must、have to 说明需要，用 should 提建议

容易失分的地方

- 开头不要照抄 Suppose it is proposed that …：可以像范文这样用一个问句引出话题，再马上表态
- 立场要明确：支持就是支持，不要通篇“一方面……另一方面……”最后也没有态度；补充条件时用 however 点明是“要做好”，不是改变立场
- 理由要和“学术写作”紧密相关：写实验报告、课程论文要用到，能锻炼批判性思维；不要泛泛写成“写作能力很重要”或“英语很重要”
- for 作连词表示“因为”时，前面要有逗号，而且不能放在句首；没把握就用 because

3 题目要求逐条落实

每一条要求 → 范文里的哪一句

题目要求	范文原句	怎么做到的
回应提议，亮明立场	A recent proposal says yes, and I strongly support it	第一句用问句引出话题，第二句说明提议的内容（says yes），再用 I strongly support it 明确表态，并用 for 给出总的理由：学术写作是每个学生都需要的基本技能。
理由一：大学学习本身需要	First of all, academic writing is essential for university study itself.	第一个理由的主题句；接着写出学生要具备的三种能力（表达观点、组织论证、引用来源），再从反面说明缺乏训练的后果（照抄网上信息、观点没有证据）。
理由二：锻炼批判性思维	Moreover, learning to write academically sharpens critical thinking.	第二个理由从“学习”上升到“思维”：写有说服力的论文要评估证据、比较观点、得出结论，这些能力在任何职业中都有用。
补充：课程怎样才有效	To be effective, however, an academic writing course should be designed to meet the needs of different majors.	however 表示在支持的同时提出条件：课程要针对不同专业设计，并用工科和文学专业举例。立场不变，看法更全面。
总结全文	With such flexibility, the requirement will truly benefit every student.	with such flexibility 承接上一句的例子，every student 呼应第二句的 every student needs，首尾照应。
字数 120—180 词	Should all university students be required to learn academic writing?	全文 170 词：第一段 2 句表态，第二段 5 句写两个理由，第三段 3 句写条件并总结；论证部分最长，没有超过 180 词。

4 写作思路

先列提纲，每段一个任务

第一段

引出话题，亮明立场

问句：所有大学生都应该学学术写作吗？→ 提议说“是”，我坚决支持，因为它是每个学生都需要的基本技能，不分专业

第二段

两个理由

理由一：大学学习本身需要（写报告、论文都要清楚表达、有逻辑、会引用）→ 反面：缺乏训练就照抄、没证据 → 理由二：锻炼批判性思维（评估证据、比较观点、得出结论），任何职业都有用

第三段

提出条件并总结

课程要针对不同专业设计 → 举例：工科写技术报告，文学写评论文章 → 有了这种灵活性，要求就能让每个学生受益

5 满分范文

荧光笔 + 圆圈编号 = 下面讲的高分句式

[1] Should all university students be required to learn academic writing? [2] A recent proposal says yes, and I strongly support it, for academic writing is a basic skill that every student needs, regardless of major①.

[3] First of all, academic writing is essential for university study itself. [4] Students must be able to present ideas clearly, organize arguments logically and cite sources properly②, whether they are writing a lab report, a course paper or a graduation thesis. [5] Without systematic training, many students simply copy information from the internet or make claims without evidence③.

[6] Moreover, learning to write academically sharpens critical thinking. [7] To produce a convincing paper, students have to evaluate evidence, compare different views and draw sound conclusions, skills that are valuable in any career④.

[8] To be effective, however, an academic writing course should be designed to meet the needs of different majors⑤. [9] Engineering students, for instance, may focus on technical reports and data presentation, while literature students may practice writing critical essays. [10] With such flexibility, the requirement will truly benefit every student.

参考译文

所有大学生都应该被要求学习学术写作吗？最近有一项提议给出了肯定的回答，我坚决支持，因为学术写作是每个学生都需要的一项基本技能，无论学什么专业。

首先，学术写作对大学学习本身至关重要。无论是写实验报告、课程论文还是毕业论文，学生都必须能够清楚地表达观点、有逻辑地组织论证，并恰当地引用文献来源。如果缺乏系统的训练，很多学生只会从网上照抄信息，或者在没有证据的情况下提出论断。此外，学习学术写作还能提高批判性思维能力。要写出一篇有说服力的论文，学生必须评估证据、比较不同的观点，并得出可靠的结论，而这些能力在任何职业中都很宝贵。

然而，要想取得实效，学术写作课程的设计应当满足不同专业的需求。例如，工科学生可以侧重于技术报告和数据展示，而文学专业的学生可以练习写评论文章。有了这样的灵活性，这项要求将真正让每个学生受益。

6 一步一步写出这篇范文

01 用问句引出话题，马上表态

第一句把提议改写成一个问句，吸引读者；第二句用 says yes 交代提议的内容，I strongly support it 表态，再用 for 引出总理由，regardless of major 说明不分专业。

> 1 Should all university students be required to learn academic writing?
> 所有大学生都应该被要求学习学术写作吗?
> 2 A recent proposal says yes, and I strongly support it, for academic writing is a basic skill that every student needs, regardless of major.
> 最近有一项提议给出了肯定的回答，我坚决支持，因为学术写作是每个学生都需要的一项基本技能，无论学什么专业。

02 理由一：主题句 + 正面说明 + 反面后果

First of all 引出主题句；第二句用 must be able to 列出三种能力，whether … 列出三种写作任务；第三句用 Without systematic training 从反面写后果，正反结合，理由更扎实。

> 3 First of all, academic writing is essential for university study itself.
> 首先，学术写作对大学学习本身至关重要。
> 4 Students must be able to present ideas clearly, organize arguments logically and cite sources properly, whether they are writing a lab report, a course paper or a graduation thesis.
> 无论是写实验报告、课程论文还是毕业论文，学生都必须能够清楚地表达观点、有逻辑地组织论证，并恰当地引用文献来源。
> 5 Without systematic training, many students simply copy information from the internet or make claims without evidence.
> 如果缺乏系统的训练，很多学生只会从网上照抄信息，或者在没有证据的情况下提出论断。

03 理由二：从学习上升到思维和职业

Moreover 引出第二个理由；下一句用 To produce a convincing paper 交代目的，主句列出三个动作，最后用同位语 skills that … 总结这些能力在任何职业中都有价值，理由从大学延伸到将来。

> 6 Moreover, learning to write academically sharpens critical thinking.
> 此外，学习学术写作还能提高批判性思维能力。
> 7 To produce a convincing paper, students have to evaluate evidence, compare different views and draw sound conclusions, skills that are valuable in any career.
> 要写出一篇有说服力的论文，学生必须评估证据、比较不同的观点，并得出可靠的结论，而这些能力在任何职业中都很宝贵。

04 用 however 提出条件，并举例说明

To be effective, however 表示“要想真正有效”，提出课程要针对不同专业设计；下一句用 for instance 和 while 对比工科和文学两个专业，把条件说具体。

> 8 To be effective, however, an academic writing course should be designed to meet the needs of different majors.
> 然而，要想取得实效，学术写作课程的设计应当满足不同专业的需求。
> 9 Engineering students, for instance, may focus on technical reports and data presentation, while literature students may practice writing critical essays.
> 例如，工科学生可以侧重于技术报告和数据展示，而文学专业的学生可以练习写评论文章。

05 一句话总结

With such flexibility 承接上文的条件，主句回到“每个学生都受益”，照应开头。

> 10 With such flexibility, the requirement will truly benefit every student.
> 有了这样的灵活性，这项要求将真正让每个学生受益。

7 为什么是满分档

切题 · 结构与连贯 · 语言

切题

题目要求就“所有大学生都必须学习学术写作”这一提议表明看法。文章第二句就明确表态（I strongly support it），两个理由都紧扣“学术写作”：一是写报告、论文时必须会表达、论证、引用，二是能锻炼批判性思维；最后补充课程要针对不同专业设计，回答“怎样让要求真正有用”。立场鲜明，论证不离题。

A recent proposal says yes, and I strongly support it | academic writing is essential for university study itself | learning to write academically sharpens critical thinking | an academic writing course should be designed to meet the needs of different majors

结构与连贯

表态 → 两个理由 → 条件和总结，层次分明。First of all 和 Moreover 分出两个理由，每个理由都是“主题句 + 具体说明”；第三段用 however 转入条件，for instance 和 while 举例对比，最后 With such flexibility 承接上句、收束全文，every student 呼应开头。句与句之间衔接紧密，读者一路读下来毫不费力。

First of all | Moreover | To be effective, however | for instance | With such flexibility

语言

句式丰富：问句开头，for 引导原因，regardless of 补充，三个“动词 + 名词 + 副词”并列，Without 引出条件，同位语 skills that … 总结，while 写对比；用词准确，如 cite sources properly、systematic training、sharpens critical thinking、convincing paper、draw sound conclusions。全文语法正确，表达正式而不生硬。

Should all university students be required to learn academic writing? | present ideas clearly, organize arguments logically and cite sources properly | Without systematic training | draw sound conclusions, skills that are valuable in any career | while literature students may practice writing critical essays

8 升格示范

普通写法一步一步改成满分句

升格 1

第 1 步 Also, academic writing is good for students.
good for students 太笼统，第二个理由和第一个理由分不开，看不出新意。

第 2 步 Moreover, academic writing can improve students' thinking ability.
Moreover 更正式，理由也具体到“思维”了；但 improve … ability 是常见的空泛说法（总论“中式英语黑名单”里提过）。

第 3 步 Moreover, academic writing can help students think more critically.
把“思维”具体到“批判性地思考”，意思更准确；范文再把主语换成 learning to write academically（强调“学的过程”），动词用 sharpens（使更敏锐），一个词就写出“提高”的意思，简洁有力。

满分句 **Moreover, learning to write academically sharpens critical thinking.**

升格 2

第 1 步 Some students can not write papers well.
只说“写不好”，没说具体问题，也没说和“缺乏训练”的关系；can not 还应写成 cannot。

第 2 步 If students do not learn academic writing, they will copy things from the internet.
用条件句写出了后果，但 copy things 太随意，说得也过于绝对（不是所有学生都会这样）。

第 3 步 Without training, many students simply copy information from the internet.
用 Without 代替条件从句，many 让说法不绝对，simply 带出批评语气；范文再加 systematic 说明是“系统的”训练，并补上第二个后果 make claims without evidence，问题写得更全面。

满分句 **Without systematic training, many students simply copy information from the internet or make claims without evidence.**

9 高分句式

公式 → 原句 → 讲解 → 仿写

① for 引出理由 + regardless of 表态句

这个句式表达 表达“我坚决支持某事，因为它是每个人都需要的，不论……”，用一句话亮明立场并给出总理由

公式 …, and I strongly support it, for + 主语 + is a basic skill that everyone needs, regardless of + 名词.

范文原句 for academic writing is a basic skill that every student needs, regardless of major

因为学术写作是每个学生都需要的一项基本技能，无论学什么专业

for 作连词，意思是“因为”，比 because 更书面，前面要用逗号隔开，不能放在句首。a basic skill that every student needs 用定语从句强调“人人都需要”；regardless of 意思是“不管；不论”，后面接名词，这里 regardless of major 说明不分专业。

例1 I strongly support the plan, for swimming is a basic skill that everyone needs, regardless of age.
我坚决支持这项计划，因为游泳是每个人都需要的一项基本技能，无论年龄大小。

例2 Every student should learn first aid, for it is a basic skill that may save lives, regardless of major.
每个学生都应该学习急救，因为这是一项可能挽救生命的基本技能，不论学什么专业。

也可以这样说

because ... is something that every student needs
因为……是每个学生都需要的

no matter what their major is
无论他们学什么专业

② must be able to do A, B and C 能力要求句

这个句式表达 表达“人们必须具备几项能力”，用三个动词短语把“需要什么”写具体

公式 主语 + must be able to + 动词 A + 副词, 动词 B + 副词 and 动词 C + 副词

范文原句 Students must be able to present ideas clearly, organize arguments logically and cite sources properly
学生都必须能够清楚地表达观点、有逻辑地组织论证，并恰当地引用文献来源

三个“动词 + 名词 + 副词”结构并列，整齐有节奏：present ideas clearly、organize arguments logically、cite sources properly。每个副词都说出了“做到什么程度”，比 write well 具体得多。cite 意思是“引用”，是学术写作的关键词。

例1 A good volunteer must be able to listen patiently, speak politely and work responsibly.
一名好的志愿者必须能够耐心倾听、礼貌说话、认真负责地工作。

例2 College students must be able to plan their time wisely, manage money carefully and solve problems independently.
大学生必须能够合理规划时间、精打细算地管钱，并独立解决问题。

也可以这样说

need to know how to ...
需要懂得怎样……

are expected to ...
被期望能够……

③ Without …, many … 反面论证句

这个句式表达 表达“如果没有某样东西，就会出现某种问题”，从反面说明一件事的必要性

公式 Without + 名词, many + 人 + simply + 动词 A + or + 动词 B.

范文原句 Without systematic training, many students simply copy information from the internet or make claims without evidence

如果缺乏系统的训练，很多学生只会从网上照抄信息，或者在没有证据的情况下提出论断

Without + 名词放在句首，相当于一个条件从句（If they do not have …），简洁有力。simply 在这里是“只是；仅仅”，带有批评的语气。从反面写出具体后果，比只说“学术写作很重要”更有说服力。

例1 Without a clear plan, many students simply waste their time on their phones.

如果没有清楚的计划，很多学生只会把时间浪费在手机上。

例2 Without enough sleep, students can hardly stay focused in class.

如果睡眠不足，学生上课时很难集中注意力。

也可以这样说

If students lack ..., they may ...

如果学生缺乏……，他们可能会……

In the absence of ..., ...

在缺少……的情况下，……

④ …, skills that … 同位语总结

这个句式表达 表达“以上这些都是在某方面很有价值的能力”，在列举之后用一个名词短语加以总结和评价

公式 主句（列出几项动作）, skills / qualities that are valuable in + 名词

范文原句 skills that are valuable in any career

而这些能力在任何职业中都很宝贵

skills 是前面三个动作（评估证据、比较观点、得出结论）的同位语，that 定语从句评价它们的价值。这样不用再另起一句 These skills are …，就能一边总结、一边把论证推进到“将来的职业”。

例1 Team sports teach students to cooperate, communicate and lead, skills that are useful in any job.

团体运动教会学生合作、沟通和领导，这些能力在任何工作中都有用。

例2 Living alone requires young people to cook, budget and solve problems, abilities that will benefit them for life.

独自生活要求年轻人做饭、做预算、解决问题，这些能力将让他们终身受益。

也可以这样说

..., which are valuable in any career

……，这些在任何职业中都很宝贵

..., all of which will help them in the future

……，这一切将来都会对他们有帮助

⑤ To be effective, however, … should be designed to … 条件建议句

这个句式表达 表达“不过，要想真正有效，某事应当按某种方式来设计”，在支持的同时提出条件

公式 To be effective, however, + 主语 + should be designed to + meet the needs of + 人.

范文原句 To be effective, however, an academic writing course should be designed to meet the needs of different majors

然而，要想取得实效，学术写作课程的设计应当满足不同专业的需求

To be effective 是不定式表目的，“要想有效”；however 插在中间，表示转折，但不是改变立场，而是补充条件。should be designed to 意思是“应当被设计成……”，meet the needs of 是“满足……的需要”。议论文最后加这样一句，看法更全面。

例1 To be effective, however, a reading program should be designed to suit students' different levels.

然而，要想取得实效，阅读计划的设计应当适合学生的不同水平。

例2 To be popular, however, campus activities should be designed to meet the needs of most students.

然而，要想受欢迎，校园活动的设计应当满足大多数学生的需求。

也可以这样说

However, it will work only if ...

然而，只有……它才会奏效

However, ... should take ... into account

然而，……应当把……考虑在内

10 亮点词汇

把普通说法换成高分说法

高分表达	意思	替代的普通说法
academic writing	学术写作	writing papers
regardless of	不管；不论	no matter what
essential	adj. 必不可少的；至关重要的	very important
cite	v. 引用	use
systematic	adj. 系统的	well-organized
sharpen	v. 使敏锐；提高	improve
critical thinking	批判性思维	careful thinking
convincing	adj. 有说服力的	good
evaluate	v. 评估；评价	judge
sound	adj. 可靠的；合理的	right

充分利用校园资源促进学业发展

2025年12月大学英语四级 第3套 · 写作 Part I
议论文（论坛发言） · 范文 169 词

1 原题

Part I **Writing** **(30 minutes)**

Directions: *Suppose your university is organizing a forum on how students can make the best use of on-campus resources for academic development. You are now to write an essay to express your view. You will have 30 minutes to write the essay. You should write at least 120 words but no more than 180 words.*

题目译文

假设你们学校正在举办一场论坛（forum），主题是：学生怎样才能最充分地利用校内资源（make the best use of on-campus resources），促进自己的学业发展（academic development）。

现在请你写一篇文章（essay），表达你的观点（express your view）。

你有 30 分钟（30 minutes）写这篇文章（essay）。

字数：至少 120 词（at least 120 words），但不超过 180 词（no more than 180 words）。

2 审题

先弄清楚要写什么，再动笔

情景作文（论坛发言稿）：学生怎样充分利用校内资源促进学业发展

120—180 词（题目要求 at least 120 words but no more than 180 words）；本篇 169 词。写到 160—180 词最稳，绝不能超过 180 词

- [ ] 身份：在校学生；场景：学校举办论坛，主题是“学生怎样充分利用校内资源促进学业发展”，写一篇文章表达看法
- [ ] 核心是 how（怎样利用）：要写出有哪些资源、每种资源具体怎么用，再说用好资源要有什么态度和习惯
- [ ] 紧扣 for academic development（为了学业发展）：资源要和学习有关（图书馆、老师、实验室、讲座），不要写食堂、体育馆、宿舍

语气与身份：论坛发言：正式、积极、有条理；用 In my opinion 表态，提建议用 should、can、need to，面向同学们，以 students 为主语

容易失分的地方

- 题目问的是“怎样利用”，不要只写“校内资源很重要”就结束；每提到一种资源，都要写出具体用法
- 资源要和学业有关：图书馆、老师、实验室、学术讲座、研究小组；把健身房、食堂写进去就偏离了 academic development
- “充分利用”不要逐字翻译成 make full use of，可以说 make the best use of、get the most out of（总论“中式英语黑名单”）
- 不要写成清单：资源只是一半，另一半是“怎样才能用好”——提前规划、主动去用，要有具体做法

3 题目要求逐条落实

每一条要求 → 范文里的哪一句

题目要求	范文原句	怎么做到的
亮明观点	In my opinion, making the best use of on-campus resources is one of the keys to academic development.	第一句先指出问题：资源很多，但很多学生只用了一小部分；第二句亮明观点，几乎完整地扣住题目的 make the best use of on-campus resources for academic development。
怎样用：图书馆	The library is the most obvious place to start.	从最常见的资源说起，并写出图书馆除了借书之外的两种用法：检索在线数据库、参加信息检索培训。
怎样用：老师	Teachers are another valuable resource.	把老师也看作资源，写出具体用法：在答疑时间去找教授讨论问题、请教深造的建议。
怎样用：其他学术资源	laboratories, academic lectures and student research groups provide opportunities to apply knowledge and explore new fields	用一句话补充实验室、学术讲座和研究小组，说明它们能帮学生运用知识、探索新领域，资源写得全面而不啰嗦。
用好资源要靠什么	students need to plan ahead and take the initiative	第三段从“有什么”转到“怎样才能用好”：提前规划、积极主动，并举出每周查看讲座安排、固定时间去图书馆两个具体做法。
总结；字数 120—180 词	Those who actively explore what their university offers will not only improve their academic performance but also develop the ability to learn independently.	最后一句写出好处：提高成绩、学会自主学习，回到 academic development。全文 169 词：第一段 2 句，第二段 5 句，第三段 3 句。

4 写作思路

先列提纲，每段一个任务

第一段

指出问题，亮明观点

大学资源丰富，但许多学生只用了一小部分 → 充分利用校内资源是学业发展的关键之一

第二段

有哪些资源、怎样用

图书馆：借书之外，查数据库、参加培训 → 老师：答疑时间去讨论问题、请教建议 → 实验室、讲座、研究小组：运用知识、探索新领域

第三段

怎样才能用好，并总结

要提前规划、积极主动 → 例如每周查讲座安排、留出固定时间去图书馆 → 主动利用资源的人，既能提高成绩，又能学会自主学习

5 满分范文

荧光笔 + 圆圈编号 = 下面讲的高分句式

[1] Universities offer students a wealth of resources, yet many students use only a small part of them①. [2] In my opinion, making the best use of on-campus resources is one of the keys to academic development②.

[3] The library is the most obvious place to start. [4] Apart from borrowing books, students can search its online databases for up-to-date research③ and attend its training sessions on finding information. [5] Teachers are another valuable resource. [6] Instead of meeting professors only in class, students should visit them during office hours to discuss questions and seek advice on further study④. [7] In addition, laboratories, academic lectures and student research groups provide opportunities to apply knowledge and explore new fields.

[8] To get the most out of these resources, students need to plan ahead and take the initiative⑤. [9] For example, they can check the lecture schedule every week and set aside regular time for the library. [10] Those who actively explore what their university offers will not only improve their academic performance but also develop the ability to learn independently⑥.

参考译文

大学为学生提供了丰富的资源，然而许多学生只利用了其中的一小部分。在我看来，充分利用校内资源是学业发展的关键之一。

图书馆是最显而易见的起点。除了借书以外，学生还可以检索图书馆的在线数据库，获取最新的研究成果，并参加关于如何查找信息的培训课程。教师是另一种宝贵的资源。学生不应只在课堂上见到教授，而应在他们的答疑时间去拜访，讨论问题，并就进一步深造征求建议。此外，实验室、学术讲座和学生研究小组也为学生提供了运用知识和探索新领域的机会。

要充分利用这些资源，学生需要提前规划，积极主动。例如，他们可以每周查看讲座安排，并留出固定的时间去图书馆。那些积极发掘学校资源的学生，不仅能提高学习成绩，还能培养自主学习的能力。

6 一步一步写出这篇范文

01 先指出问题，再亮明观点

第一句用 a wealth of …, yet … 写出“资源多、用得少”的对比，说明为什么要谈这个话题；第二句用 In my opinion 亮明观点，one of the keys to 说法稳妥又有力。

> 1 Universities offer students a wealth of resources, yet many students use only a small part of them.
> 大学为学生提供了丰富的资源，然而许多学生只利用了其中的一小部分。
> 2 In my opinion, making the best use of on-campus resources is one of the keys to academic development.
> 在我看来，充分利用校内资源是学业发展的关键之一。

02 从最常见的资源写起：图书馆

第一句短句 the most obvious place to start 引出图书馆；第二句用 Apart from borrowing books 先说人人都知道的用法，再写两种大家容易忽略的用法（数据库、培训课）。

> 3 The library is the most obvious place to start.
> 图书馆是最显而易见的起点。
> 4 Apart from borrowing books, students can search its online databases for up-to-date research and attend its training sessions on finding information.
> 除了借书以外，学生还可以检索图书馆的在线数据库，获取最新的研究成果，并参加关于如何查找信息的培训课程。

03 第二种资源：老师

短句 Teachers are another valuable resource 引出老师，another 和上面的图书馆衔接；下一句用 Instead of … only in class 写出常见做法的不足，再用 should 给出更好的做法。

> 5 Teachers are another valuable resource.
> 教师是另一种宝贵的资源。
> 6 Instead of meeting professors only in class, students should visit them during office hours to discuss questions and seek advice on further study.
> 学生不应只在课堂上见到教授，而应在他们的答疑时间去拜访，讨论问题，并就进一步深造征求建议。

04 一句话补充其他资源

In addition 引出实验室、学术讲座、研究小组三种资源，provide opportunities to 后面接两个动作，说明它们对学业的作用。

> 7 In addition, laboratories, academic lectures and student research groups provide opportunities to apply knowledge and explore new fields.
> 此外，实验室、学术讲座和学生研究小组也为学生提供了运用知识和探索新领域的机会。

05 第三段：用好资源的方法 + 例子

To get the most out of these resources 承接上一段，need to plan ahead and take the initiative 给出方法；For example 举出两个小习惯，学生一看就能照着做。

> 8 To get the most out of these resources, students need to plan ahead and take the initiative.
> 要充分利用这些资源，学生需要提前规划，积极主动。
> 9 For example, they can check the lecture schedule every week and set aside regular time for the library.
> 例如，他们可以每周查看讲座安排，并留出固定的时间去图书馆。

06 not only … but also … 写好处收尾

Those who … 指“主动利用资源的人”，not only … but also … 写出成绩和能力两方面的收获，回到题目的 academic development。

> 10 Those who actively explore what their university offers will not only improve their academic performance but also develop the ability to learn independently.
> 那些积极发掘学校资源的学生，不仅能提高学习成绩，还能培养自主学习的能力。

7 为什么是满分档

切题

题目要求谈学生怎样充分利用校内资源促进学业发展。文章开头的观点句几乎完整地扣住题目；第二段每提到一种资源（图书馆、老师、实验室和讲座）都写出具体用法，而且全是和学业有关的资源；第三段说明怎样才能用好资源，并举出具体习惯；结尾回到学业成绩和自主学习能力。回答的始终是 how，没有偏题。

- making the best use of on-campus resources is one of the keys to academic development
- students can search its online databases for up-to-date research
- students should visit them during office hours
- students need to plan ahead and take the initiative
- improve their academic performance

结构与连贯

三段层次清楚：问题和观点 → 有哪些资源、怎样用 → 怎样才能用好。第二段用 the most obvious place to start、another、In addition 依次引出三类资源，由主到次；第三段的 these resources 总括上一段，For example 给出做法，最后 Those who … 收尾。每段第一句都告诉读者这一段要讲什么，衔接自然。

- The library is the most obvious place to start.
- Teachers are another valuable resource.
- In addition
- these resources
- For example

语言

句式多样又准确：a wealth of …, yet … 写对比，动名词短语作主语，Apart from、Instead of 引出补充和对比，不定式表目的，Those who 加 not only … but also … 收尾；用词地道，如 make the best use of、get the most out of、office hours、take the initiative、set aside regular time。长句和短句交替，读起来有节奏，全文没有语法错误。

- Universities offer students a wealth of resources, yet many students use only a small part of them.
- Apart from borrowing books
- Instead of meeting professors only in class
- set aside regular time for the library
- will not only improve their academic performance but also develop the ability to learn independently

8 升格示范

普通写法一步一步改成满分句

升格 1

第 1 步 Students should talk with teachers more.
建议方向对，但“多交流”太空：什么时候、谈什么，都没有说。

第 2 步 Students should go to see their teachers after class and ask them questions.
说出了时间和目的，具体多了；但句子平铺直叙，看不出和“只在课上见老师”这种常见做法的对比。

第 3 步 Instead of seeing teachers only in class, students should visit them after class to ask questions.
用 Instead of … only in class 写出对比，建议更有针对性；范文再把 after class 换成更准确的 during office hours（老师专门留出的答疑时间），并在“问问题”之外加上 seek advice on further study，把老师作为“资源”的价值写得更充分。

满分句 **Instead of meeting professors only in class, students should visit them during office hours to discuss questions and seek advice on further study.**

升格 2

第 1 步 We should make full use of these resources.
make full use of 是逐字翻译的套话，而且只说“要利用”，没说怎样才能利用好；全文以 students 为主语，这里忽然换成 we，人称也不一致。

第 2 步 If students want to use these resources well, they must make plans and be active.
人称统一了，也给出了方法；但 make plans and be active 说得比较平淡，must 的语气也偏硬。

第 3 步 To make good use of these resources, students need to make plans and be active.
不定式放句首表目的，句子更紧凑，need to 语气合适；范文再换成 get the most out of（获得最大益处），方法用 plan ahead 和 take the initiative 两个地道短语，比 make plans and be active 更准确、更有力。

满分句 **To get the most out of these resources, students need to plan ahead and take the initiative.**

9 高分句式

公式 → 原句 → 讲解 → 仿写

① a wealth of …, yet … 对比开头

这个句式表达 表达“某处有很多好东西，可是人们只用了一小部分”，用对比开头，指出问题、引出话题

公式 主语 + offer(s) + 人 + a wealth of + 名词, yet many + 人 + use only a small part of them.

范文原句 Universities offer students a wealth of resources, yet many students use only a small part of them

大学为学生提供了丰富的资源，然而许多学生只利用了其中的一小部分

a wealth of 意思是“大量的；丰富的”，比 many 更正式。yet 作连词，意思是“然而”，把“多”和“少”放在一起对比，问题一下子就突出了。开头写出问题，后面谈“怎样利用”就顺理成章。

例1 The internet offers us a wealth of learning materials, yet many students use it only for games.
互联网为我们提供了丰富的学习资料，然而许多学生只用它来玩游戏。

例2 Our city offers a wealth of museums, yet few young people ever visit them.

我们的城市有许多博物馆，然而很少有年轻人去参观。

也可以这样说

Although ... have plenty of ..., ...

虽然……有很多……，但……

... is rich in ..., but ...

……有丰富的……，但……

② making the best use of … is one of the keys to … 观点句

这个句式表达 表达“充分利用某样东西是做好某事的关键之一”，用来亮明中心观点

公式 In my opinion, + making the best use of + 名词 + is one of the keys to + 名词.

范文原句 making the best use of on-campus resources is one of the keys to academic development

充分利用校内资源是学业发展的关键之一

动名词短语 making the best use of … 作主语；make the best use of 意思是“充分利用”，比 make full use of 地道。the key to 后面接名词，to 是介词；one of the keys 说“关键之一”，观点稳妥又不绝对。

例1 In my opinion, making the best use of spare time is one of the keys to success at college.

在我看来，充分利用业余时间是大学生活取得成功的关键之一。

例2 Getting enough sleep is one of the keys to good health.

睡眠充足是身体健康的关键之一。

也可以这样说

... plays an important role in ...

……在……中起重要作用

... is essential to ...

……对……至关重要

③ Apart from doing …, … can also … 补充用法

这个句式表达 表达“除了大家都知道的用法，还可以……”，用来写出一样东西容易被忽略的用途

公式 Apart from + doing（常见用法），+ 主语 + can + 动词 A … and 动词 B …

范文原句 Apart from borrowing books, students can search its online databases for up-to-date research

除了借书以外，学生还可以检索图书馆的在线数据库，获取最新的研究成果

Apart from 意思是“除了……之外（还有）”，后面接动名词。先说人人都知道的“借书”，再说容易被忽略的“查数据库”，读者马上觉得有新信息。search … for … 是“在……中查找……”，up-to-date 意思是“最新的”。

例1 Apart from watching videos, students can use their phones to look up new words.
除了看视频，学生还可以用手机查生词。

例2 Apart from keeping us fit, sports can also teach us how to work in a team.
运动除了让我们保持健康，还能教会我们如何团队合作。

也可以这样说

Besides doing ..., ...
除了做……，……

In addition to doing ..., ...
除了做……之外，……

④ Instead of doing … only …, … should … 改进做法

这个句式表达 表达“不要只用常见的方式，而应当……”，用来纠正一种常见做法，提出更好的做法

公式 Instead of + doing … only + 场合, + 主语 + should + 动词原形 …

范文原句 Instead of meeting professors only in class, students should visit them during office hours to discuss questions and seek advice on further study

学生不应只在课堂上见到教授，而应在他们的答疑时间去拜访，讨论问题，并就进一步深造征求建议

Instead of 后面接动名词，意思是“不……而……”；only in class 点出常见做法的局限。主句用 should 给出建议，后面的不定式 to discuss … and seek … 说明去找老师做什么。office hours 指“教师的答疑时间”，seek advice on 是“就……征求建议”。

例1 Instead of reading English only before exams, students should read a little every day.
学生不应只在考试前读英语，而应每天读一点。

例2 Instead of exercising only on weekends, office workers should walk or cycle to work.
上班族不应只在周末锻炼，而应步行或骑车上班。

也可以这样说

Rather than doing ..., ...
与其做……，不如……

Students should not only ..., but should also ...
学生不应只……，还应……

⑤ To get the most out of …, … need to … 方法句

这个句式表达 表达“要想从某事中得到最大的收获，人们需要怎样做”，用来引出做事的方法

公式 To get the most out of + 名词, + 主语 + need to + 动词 A + and + 动词 B.

范文原句 To get the most out of these resources, students need to plan ahead and take the initiative

要充分利用这些资源，学生需要提前规划，积极主动

get the most out of 意思是“从……中获得最大的益处”，是“充分利用”最地道的说法之一。these resources 指回第二段说的所有资源，承上启下。plan ahead（提前规划）和 take the initiative（主动出击）两个短语短而有力。

例1 To get the most out of college life, freshmen need to set clear goals and try new things.

要充分享受大学生活，新生需要设定明确的目标，勇于尝试新事物。

例2 To get the most out of a trip, travellers need to learn about the local culture in advance.

要想让旅行收获最大，旅行者需要提前了解当地文化。

也可以这样说

To make the best use of ..., ...

要充分利用……，……

The key is to ...

关键在于……

⑥ Those who … will not only … but also … 收尾句

这个句式表达 表达“做到某事的人，不仅能得到一种收获，还能得到另一种收获”，用来总结好处、结束全文

公式 Those who + 动词 … will not only + 动词 A … but also + 动词 B …

范文原句 Those who actively explore what their university offers will not only improve their academic performance but also develop the ability to learn independently

那些积极发掘学校资源的学生，不仅能提高学习成绩，还能培养自主学习的能力

Those who … 意思是“那些……的人”，who 从句说清是哪些人；what their university offers 是宾语从句，意思是“学校提供的一切”。not only … but also … 连接两个动词短语，后一个（自主学习的能力）比前一个（成绩）更进一层，结尾有递进感。

例1 Those who read every day will not only enlarge their vocabulary but also learn to think deeply.

每天阅读的人，不仅能扩大词汇量，还能学会深入思考。

例2 Those who do volunteer work will not only help others but also gain confidence.

做志愿服务的人，不仅能帮助别人，还能获得自信。

也可以这样说

..., which will help them both ... and ...

……，这将在……和……两方面帮助他们

In this way, students can ... as well as ...

这样，学生既能……，又能……

10 亮点词汇

把普通说法换成高分说法

高分表达	意思	替代的普通说法
a wealth of	大量的；丰富的	a lot of
make the best use of	充分利用	use well
database	n. 数据库	online library
up-to-date	adj. 最新的	new
office hours	（教师的）答疑时间	teachers' consulting hours
seek advice on	就……征求建议	ask about
explore	v. 探索；发掘	look into
take the initiative	采取主动；积极主动	act first
set aside	留出（时间、钱）	save
independently	adv. 独立地；自主地	by oneself

培养大学生的跨文化交际能力

2025年6月大学英语四级 第1套 · 写作 Part I
议论文（论坛发言） · 范文 175 词

1 原题

Part I **Writing** **(30 minutes)**

Directions: *Suppose your university is organizing a forum on the development of students' cross-cultural communication abilities. You are now to write an essay to express your view. You will have 30 minutes to write the essay. You should write at least 120 words but no more than 180 words.*

题目译文

假设你们学校正在举办一场论坛（forum），主题是：培养学生的跨文化交际能力（the development of students' cross-cultural communication abilities）。

现在请你写一篇文章（essay），表达你的观点（express your view）。

你有 30 分钟（30 minutes）写这篇文章（essay）。

字数：至少 120 词（at least 120 words），但不超过 180 词（no more than 180 words）。

2 审题

先弄清楚要写什么，再动笔

情景作文（论坛发言稿）：大学生跨文化交际能力的培养

120—180 词（题目要求 at least 120 words but no more than 180 words）；本篇 175 词。写到 160—180 词最稳，绝不能超过 180 词

- [ ] 身份：在校学生；场景：学校举办论坛，主题是“学生跨文化交际能力的培养”（the development of … abilities），写一篇文章表达看法
- [ ] 先说明这种能力为什么重要（学生将来在哪些场合会用到），再重点写怎样培养：语言、文化知识、真实交流，每条都有具体做法
- [ ] 最后谈交流时应有的态度：尊重差异，同时自信地介绍中国文化，交流是双向的

语气与身份：论坛发言：正式、积极、有条理；提建议用 should、need to，以 students 为主语，不要忽然换成 we 或 you

容易失分的地方

- 题目的重点是 development（培养）：“为什么重要”一两句就够了，主体要写“怎样培养”，不要通篇论证跨文化交际很重要
- 主谓一致：the ability to communicate across cultures has become essential，主语是 ability，动词用单数 has，不要被 cultures 带成 have
- 做法要具体：学外语、读书看电影、选修课程、参加交流项目、帮助外国同学，不要只写 communicate more with foreigners
- 交流是双向的：只写“了解外国文化”不够完整，最好加上“尊重差异”和“介绍中国文化”，观点更成熟

3 题目要求逐条落实

每一条要求 → 范文里的哪一句

题目要求	范文原句	怎么做到的
点明话题：跨文化交际能力很重要	In an increasingly globalized world, the ability to communicate across cultures has become essential for university students.	开头交代全球化的背景，用自己的话点出题目的 cross-cultural communication abilities，并说明它对大学生必不可少。
说明为什么需要	students will inevitably deal with people from different cultural backgrounds	用 Whether … 列出出国留学、在跨国公司工作、网上交友三种场合，说明每个学生都会用到这种能力，理由具体可信。
怎样培养：打好语言基础	students should first build a solid foundation in foreign languages	第一条做法写语言，并用 since 给出理由：语言是连接不同文化的桥梁。
怎样培养：了解其他文化	Students also need to learn about the customs, values and ways of thinking of people in other countries	先用 language alone is not enough 过渡，再写第二条做法：了解习俗、价值观和思维方式，并给出三条途径：广泛阅读、看外国电影、选修跨文化交际课程。
怎样培养：在真实交流中锻炼	they should seek real opportunities for interaction	More importantly 表示这是最重要的一条：参加国际交流项目、帮助外国学生适应校园生活。
交流的态度：尊重差异，介绍中国文化	they should take pride in sharing Chinese culture with the world	第三段先写尊重差异、不以自己的标准评判别人，再写自豪地向世界介绍中国文化，最后点明目的：帮助中外人民更好地相互理解。
字数 120—180 词	However, language alone is not enough.	全文 175 词：第一段 2 句写重要性，第二段 4 句写培养方法，第三段 3 句写态度并收尾；“怎样培养”部分最长，重点突出。

4 写作思路

先列提纲，每段一个任务

第一段

说明这种能力为什么重要

全球化的世界里，跨文化交际能力对大学生必不可少 → 留学、在跨国公司工作、网上交友，都要和不同文化背景的人打交道

第二段

怎样培养（三条做法）

首先，打好外语基础（语言是桥梁）→ 但光有语言不够：了解习俗、价值观和思维方式（阅读、看电影、上课）→ 更重要的是，寻找真实交流的机会（交流项目、帮助外国同学）

第三段

交流的态度，收尾

保持开放心态，尊重差异，不用自己的标准评判别人 → 同时以介绍中国文化为荣 → 这样就能促进中外人民相互理解

5 满分范文

荧光笔 + 圆圈编号 = 下面讲的高分句式

[1] In an increasingly globalized world, the ability to communicate across cultures has become essential for university students①. [2] Whether they study abroad, work for international companies or simply make friends online, students will inevitably deal with people from different cultural backgrounds②.

[3] To develop this ability, students should first build a solid foundation in foreign languages, since language is the bridge between cultures③. [4] However, language alone is not enough④. [5] Students also need to learn about the customs, values and ways of thinking of people in other countries, which they can do by reading widely, watching foreign films and taking courses in intercultural communication⑤. [6] More importantly, they should seek real opportunities for interaction, such as joining international exchange programs or helping foreign students adapt to campus life.

[7] Throughout this process, students should keep an open mind and respect differences instead of judging others by their own standards⑥. [8] At the same time, they should take pride in sharing Chinese culture with the world. [9] By doing so, they can help people in China and other countries understand each other better.

参考译文

在一个日益全球化的世界里，跨文化交际能力对大学生来说已变得必不可少。无论是出国留学、在跨国公司工作，还是仅仅在网上交朋友，学生都不可避免地要与来自不同文化背景的人打交道。

为了培养这种能力，学生首先应该打下扎实的外语基础，因为语言是连接不同文化的桥梁。然而，光有语言是不够的。学生还需要了解其他国家人们的习俗、价值观和思维方式，他们可以通过广泛阅读、观看外国电影以及选修跨文化交际课程来做到这一点。更重要的是，他们应该寻找真正的互动机会，比如参加国际交流项目，或者帮助外国学生适应校园生活。

在整个过程中，学生应当保持开放的心态，尊重差异，而不是用自己的标准去评判他人。同时，他们应当以向世界分享中国文化为荣。这样一来，他们就能帮助中国和其他国家的人民更好地相互理解。

6 一步一步写出这篇范文

01 交代背景，点明这种能力很重要

In an increasingly globalized world 交代背景，主句 the ability to … has become essential for … 点明话题；注意主语是 ability，用 has。

> 1 In an increasingly globalized world, the ability to communicate across cultures has become essential for university students.
> 在一个日益全球化的世界里，跨文化交际能力对大学生来说已变得必不可少。

02 列出场合，说明人人都会用到

用 Whether … A, B or C 列出三种场合，主句用 will inevitably 强调“不可避免”，“为什么重要”两句就说清，马上转入怎样培养。

> 2 Whether they study abroad, work for international companies or simply make friends online, students will inevitably deal with people from different cultural backgrounds.
> 无论是出国留学、在跨国公司工作，还是仅仅在网上交朋友，学生都不可避免地要与来自不同文化背景的人打交道。

03 做法一：语言，带上理由

To develop this ability 承接第一段，students should first … 提出第一条做法，since language is the bridge between cultures 说明理由。

> 3 To develop this ability, students should first build a solid foundation in foreign languages, since language is the bridge between cultures.
> 为了培养这种能力，学生首先应该打下扎实的外语基础，因为语言是连接不同文化的桥梁。

04 用一句短句转折，引出做法二

However, language alone is not enough 只有六个词，却把思路从“语言”推进到“文化”；下一句用 also need to 写做法二，再用 which they can do by … 给出三条具体途径。

> 4 However, language alone is not enough.
> 然而，光有语言是不够的。
> 5 Students also need to learn about the customs, values and ways of thinking of people in other countries, which they can do by reading widely, watching foreign films and taking courses in intercultural communication.
> 学生还需要了解其他国家人们的习俗、价值观和思维方式，他们可以通过广泛阅读、观看外国电影以及选修跨文化交际课程来做到这一点。

05 做法三：用 More importantly 突出最重要的一条

seek real opportunities for interaction 写出“在真实交流中锻炼”，such as 举出两个例子：参加国际交流项目、帮助外国学生适应校园生活。

> 6 More importantly, they should seek real opportunities for interaction, such as joining international exchange programs or helping foreign students adapt to campus life.
> 更重要的是，他们应该寻找真正的互动机会，比如参加国际交流项目，或者帮助外国学生适应校园生活。

06 第三段：写态度，点明交流的意义

Throughout this process 总括上面的做法，写“尊重差异”；At the same time 写“介绍中国文化”，交流变成双向的；最后用 By doing so 点明目的：中外人民更好地相互理解。

> 7 Throughout this process, students should keep an open mind and respect differences instead of judging others by their own standards.
> 在整个过程中，学生应当保持开放的心态，尊重差异，而不是用自己的标准去评判他人。
> 8 At the same time, they should take pride in sharing Chinese culture with the world.
> 同时，他们应当以向世界分享中国文化为荣。
> 9 By doing so, they can help people in China and other countries understand each other better.
> 这样一来，他们就能帮助中国和其他国家的人民更好地相互理解。

7 为什么是满分档

切题 · 结构与连贯 · 语言

切题

题目要求就“学生跨文化交际能力的培养”表达看法。文章开头点明这种能力的重要性，用三种场合说明每个学生都会用到；主体部分写出三条培养方法：外语、文化知识、真实交流，每条都有具体途径；最后写交流的态度和意义。重点放在 development（怎样培养）上，详略得当，完全切题。

the ability to communicate across cultures has become essential for university students | To develop this ability | Students also need to learn about the customs, values and ways of thinking of people in other countries | they should seek real opportunities for interaction | help people in China and other countries understand each other better

结构与连贯

重要性 → 培养方法 → 态度和意义，三段层次清楚。第二段用 first、However … alone is not enough、also、More importantly 层层递进，从语言到文化再到真实交流，越来越深入；第三段 Throughout this process 总括上文，At the same time 补充另一面，By doing so 收尾。衔接词用得恰当，读者能清楚看到思路一步步推进。

To develop this ability | However, language alone is not enough. | More importantly | Throughout this process | By doing so

语言

句式丰富、准确：Whether 列举场合，since 给出理由，短句 alone is not enough 转折，which they can do by 写途径，instead of judging 写对比；用词准确、地道，如 inevitably、build a solid foundation in、the bridge between cultures、seek real opportunities for interaction、keep an open mind、take pride in。主谓一致、人称一致都没有问题，全文没有语法错误。

Whether they study abroad, work for international companies or simply make friends online

build a solid foundation in foreign languages, since language is the bridge between cultures

which they can do by reading widely, watching foreign films and taking courses in intercultural communication

respect differences instead of judging others by their own standards

take pride in sharing Chinese culture with the world

8 升格示范

普通写法一步一步改成满分句

升格 1

第 1 步 First, students should study English hard.

只说“努力学英语”，没有和上文的“这种能力”连起来，也没说为什么学语言能帮助跨文化交际。

第 2 步 First, students should learn foreign languages well because language is very important.

加上了理由，但 language is very important 是一句空话，没有说出语言和文化交流的关系。

第 3 步 To develop this ability, students should first learn foreign languages well, because language connects different cultures.

To develop this ability 承接上文，理由也具体了；范文再用 build a solid foundation in（打下扎实的基础）代替 learn … well，用比喻 the bridge between cultures 说理由，since 也比 because 更适合说大家都认可的道理。

满分句 **To develop this ability, students should first build a solid foundation in foreign languages, since language is the bridge between cultures.**

升格 2

第 1 步 We should respect other cultures.

方向对，但太简单；全文以 students 为主语，这里忽然换成 we，人称不一致。

第 2 步 Students should respect other cultures and should not think their own culture is the best.

人称统一了，也写出了要避免的做法；但两个 should 显得啰嗦，think … is the best 的说法也有点幼稚。

第 3 步 Students should respect differences instead of judging others by their own standards.

用 instead of doing 写出正反对比，judge others by their own standards 说得准确；范文再加 Throughout this process 和上一段的做法衔接，并补上 keep an open mind，写出“开放”和“尊重”两层态度。

满分句 **Throughout this process, students should keep an open mind and respect differences instead of judging others by their own standards.**

9 高分句式

公式 → 原句 → 讲解 → 仿写

① In an increasingly globalized world 背景开头句

这个句式表达 表达“在日益全球化的世界里，某种能力已经变得必不可少”，用来交代背景、点明话题

公式 In an increasingly + 形容词 + world, + 主语 + has become essential for + 人.

范文原句 In an increasingly globalized world, the ability to communicate across cultures has become essential for university students

在一个日益全球化的世界里，跨文化交际能力对大学生来说已变得必不可少

increasingly 意思是“越来越”，修饰形容词 globalized，比 more and more 简洁。the ability to communicate across cultures 是“跨越文化交流的能力”，不定式作定语；主语中心词是 ability，所以动词用单数 has become。essential for 意思是“对……必不可少”。

例1 In an increasingly digital world, the ability to protect personal information has become essential for everyone.
在一个日益数字化的世界里，保护个人信息的能力对每个人来说都已必不可少。

例2 In an increasingly competitive job market, practical experience has become essential for graduates.
在竞争日益激烈的就业市场上，实践经验对毕业生来说已经必不可少。

也可以这样说

With the world becoming more connected, ...
随着世界的联系日益紧密，……

Nowadays, ... is more important than ever.
如今，……比以往任何时候都重要。

② Whether A, B or C, ... will inevitably ... 场合列举句

这个句式表达 表达“无论在哪种场合，人们都不可避免地要……”，用来说明一件事和每个人都有关

公式 Whether + 主语 + 动词 A, 动词 B or (simply) 动词 C, + 主语 + will inevitably + 动词原形 …

范文原句 Whether they study abroad, work for international companies or simply make friends online, students will inevitably deal with people from different cultural backgrounds

无论是出国留学、在跨国公司工作，还是仅仅在网上交朋友，学生都不可避免地要与来自不同文化背景的人打交道

Whether 后面列出三种情况，最后一种用 simply（仅仅）表示“哪怕只是……”，范围从大到小，说明谁都躲不开。inevitably 意思是“不可避免地”，deal with 是“与……打交道”。用这个句式说明“为什么重要”，比空喊“非常重要”更有说服力。

例1 Whether they work in offices, run their own businesses or simply shop online, people will inevitably use digital tools.
无论是在办公室工作、自己创业，还是仅仅在网上购物，人们都不可避免地要使用数字工具。

例2 Whether students live in dorms or at home, they will inevitably face problems they have to solve alone.

无论学生住在宿舍还是家里，都不可避免地会遇到必须独自解决的问题。

也可以这样说

Regardless of whether ..., ...

无论是否……，……

..., sooner or later they will have to ...

……，他们迟早都要……

③ since … is the bridge between … 理由句

这个句式表达 表达“因为某事物是连接两者的桥梁”，用一个比喻给做法提供理由

公式 主语 + should first + 动词 …, since + 名词 + is the bridge between + 复数名词.

范文原句 since language is the bridge between cultures

因为语言是连接不同文化的桥梁

since 在这里表示原因，意思是“既然；因为”，说的是大家都认可的道理。the bridge between 是比喻，“……之间的桥梁”，比 language is very useful 形象得多。提出做法之后马上加一个理由，建议就不显得武断。

例1 Parents should talk with their children every day, since communication is the bridge between generations.

父母应该每天和孩子交流，因为沟通是两代人之间的桥梁。

例2 Students should read widely, since books are the bridge between the past and the present.

学生应该广泛阅读，因为书籍是连接过去与现在的桥梁。

也可以这样说

because ... connects ... with ...

因为……把……和……联系起来

as ... is the key to ...

因为……是……的关键

④ … alone is not enough 递进转折短句

这个句式表达 表达“光有某样东西是不够的”，用一句短句把论述推进到下一层

公式 However, + 名词 + alone is not enough.

范文原句 However, language alone is not enough

然而，光有语言是不够的

alone 放在名词后面，意思是“仅仅；单单”。这句话只有六个词，却起到承上启下的作用：既肯定了前面说的语言，又引出下面更深一层的文化学习。长句中间插一个短句，文章节奏也更好。

例1 However, good grades alone are not enough to find a good job.
然而，光有好成绩不足以找到好工作。

例2 However, talent alone is not enough for success.
然而，光有天赋并不足以取得成功。

也可以这样说

However, it takes more than ... to ...
然而，要……光有……是不够的

But that is only the first step.
但这只是第一步。

⑤ which they can do by doing A, B and C 途径句

这个句式表达 表达“他们可以通过几种方式做到这一点”，在提出做法之后马上给出具体途径

公式 主句（提出做法）, which they can do by + doing A, doing B and doing C

范文原句 which they can do by reading widely, watching foreign films and taking courses in intercultural communication
他们可以通过广泛阅读、观看外国电影以及选修跨文化交际课程来做到这一点

which 指代前面的整件事（了解别国的习俗、价值观和思维方式），by 后面接三个动名词短语，说明“通过什么方式”。这样一句话就把“做什么”和“怎么做”连在一起，不用另起一句 They can do this by …。

例1 Students need to build a large vocabulary, which they can do by reading every day and using word apps.
学生需要积累大量词汇，他们可以通过每天阅读和使用背单词软件来做到这一点。

例2 We should reduce waste, which we can do by recycling, reusing bags and buying less.
我们应该减少浪费，可以通过回收利用、重复使用购物袋和少买东西来做到。

也可以这样说

They can do this by ...
他们可以通过……做到这一点

The best ways to do this include ...
做到这一点的最好方法包括……

⑥ respect … instead of judging … by … 态度句

这个句式表达 表达“应当尊重差异，而不是用自己的标准去评判别人”，用来写与人交往的正确态度

公式 主语 + should keep an open mind and respect + 名词 + instead of judging others by their own standards.

范文原句 students should keep an open mind and respect differences instead of judging others by their own standards

学生应当保持开放的心态，尊重差异，而不是用自己的标准去评判他人

keep an open mind 意思是“保持开放的心态”；instead of 后面接动名词，写出要避免的做法。judge others by their own standards 意思是“用自己的标准评判别人”，正反对比，态度一目了然。谈交友、合作、交流的话题都能用。

例1 Roommates should respect each other’s habits instead of judging them by their own standards.

室友之间应当尊重彼此的习惯，而不是用自己的标准去评判。

例2 Parents should keep an open mind and listen to their children instead of judging them by old rules.

父母应当保持开放的心态，倾听孩子的想法，而不是用老规矩去评判他们。

也可以这样说

accept ... as they are

接受……本来的样子

try to see things from others’ point of view

试着从别人的角度看问题

10 亮点词汇

把普通说法换成高分说法

高分表达	意思	替代的普通说法
globalized	adj. 全球化的	connected
essential	adj. 必不可少的	very important
inevitably	adv. 不可避免地	surely
deal with	与……打交道；处理	work with
solid foundation	扎实的基础	good basis
intercultural communication	跨文化交际	talking across cultures
interaction	n. 互动；交流	contact
adapt to	适应	get used to
keep an open mind	保持开放的心态	be open
take pride in	以……为荣	be proud of

MODEL ESSAY 08 · PART I WRITING

大学语文应成为必修课

2025年6月大学英语四级 第2套 · 写作 Part I

议论文（征求意见回应） · 范文 168 词

1 原题

Part I **Writing** **(30 minutes)**

Directions: *Suppose your university is seeking students' opinions on the necessity of making College Chinese a compulsory course. You are now to write an essay to express your view. You will have 30 minutes to write the essay. You should write at least 120 words but no more than 180 words.*

题目译文

假设你们学校正在征求学生的意见（seeking students' opinions）：有没有必要（the necessity）把“大学语文”（College Chinese）设为必修课（compulsory course）。

现在请你写一篇文章（essay），表达你的观点（express your view）。

你有 30 分钟（30 minutes）写这篇文章（essay）。

字数：至少 120 词（at least 120 words），但不超过 180 词（no more than 180 words）。

2 审题

先弄清楚要写什么，再动笔

情景作文（回应意见征集）：大学语文是否有必要设为必修课

120—180 词（题目要求 at least 120 words but no more than 180 words）；本篇 168 词。写到 160—180 词最稳，绝不能超过 180 词

- [ ] 身份：在校学生；场景：学校就“是否有必要把大学语文设为必修课”征求学生意见，写一篇文章表达看法
- [ ] 题目问的是 necessity（必要性）：要明确回答“有没有必要”，再用两三个理由说明为什么
- [ ] 如果能预见反对意见（专业课已经很忙）并加以回应，论证会更有说服力；最后一句总结立场

语气与身份：回应学校的意见征集：正式、明确、理性；开头直接表态（a definite yes），论证以第三人称为主，回应反方时语气客观，用 Some may argue that …

容易失分的地方

- College Chinese 是“大学语文”，讲的是汉语读写和中国文学，不要写成“外国学生学汉语”或“英语课”
- 立场要明确：题目问的是必要性，开头就回答 yes 或 no，不要两边都说、最后没有态度
- 理由要具体：理工科学生写报告、邮件、求职信有困难；古典诗文承载中华文化的智慧。不要只写 Chinese is our mother tongue, so it is important
- 回应反方时先客观转述（Some may argue that …），再用 However 反驳，并说明怎样解决（课程设计得好），不要只说“反方是错的”

3 题目要求逐条落实

每一条要求 → 范文里的哪一句

题目要求	范文原句	怎么做到的
回应意见征集，明确表态	My answer is a definite yes, and I have two main reasons.	第一句用自己的话回应场景（学校正在征求意见），第二句直接回答“有必要”，并预告有两个理由，读者马上知道全文结构。
理由一：汉语能力对学习和工作都重要	a good command of the Chinese language is essential for both study and work	First 引出第一个理由，接着用理工科学生写不好报告、邮件、求职信的现象说明问题，再说明大学语文能提高各行各业都需要的读写能力。
用具体现象支撑理由一	have difficulty writing clear reports, emails and job applications	写出读写能力不足的具体表现，而且列的都是学习和工作中真实会写的东西，理由一下子变得可信。
理由二：传承文化	the course introduces students to classical poetry, prose and novels, which carry the wisdom and values of Chinese culture	Moreover 引出第二个理由：课程让学生接触古典诗歌、散文和小说；下一句用 not only … but also … 写出两个好处：开阔视野、加深对自身文化的理解。
回应反对意见	the course need not be a heavy burden if it is well designed	先客观转述反方（学生专业课已经很忙），再用 However 反驳：只要设计得好，就不一定是负担，并说明怎样设计：实用的写作任务、学生喜欢的读物。
总结立场	All in all, making College Chinese compulsory would benefit students both in college and throughout their careers.	All in all 引出结论，重申“设为必修课”的立场；both in college and throughout their careers 呼应理由一的 both study and work，首尾照应。
字数 120—180 词	Our university is currently asking students whether College Chinese should be a compulsory course.	全文 168 词：第一段 2 句表态，第二段 5 句写两个理由，第三段 3 句回应反方并总结；论证部分最长，没有超过 180 词。

4 写作思路

先列提纲，每段一个任务

第一段

回应场景，表明立场

学校在征求意见：大学语文是否该设为必修课 → 我的回答是明确的“是”，有两个主要理由

第二段

两个理由

理由一：汉语能力对学习和工作都至关重要 → 理工科学生写报告、邮件、求职信有困难 → 大学语文能提高读写能力 → 理由二：接触古典诗歌、散文、小说，传承中华文化 → 开阔视野，加深对自身文化遗产的理解

第三段

回应反方，总结

有人会说学生专业课已经很忙 → 但只要设计得好（实用写作任务、有趣的读物），课程就不是负担 → 总之，设为必修课让学生在大学和整个职业生涯中都受益

5 满分范文

荧光笔 + 圆圈编号 = 下面讲的高分句式

[1] Our university is currently asking students whether College Chinese should be a compulsory course. [2] My answer is a definite yes, and I have two main reasons①.

[3] First, a good command of the Chinese language is essential for both study and work②. [4] Many university students, especially those majoring in science and engineering, have difficulty writing clear reports, emails and job applications③. [5] College Chinese can help them sharpen the reading and writing skills that every profession requires. [6] Moreover, the course introduces students to classical poetry, prose and novels, which carry the wisdom and values of Chinese culture. [7] Studying these works not only broadens students' horizons but also deepens their understanding of their own cultural heritage④.

[8] Some may argue that students are already busy with courses in their majors⑤. [9] However, the course need not be a heavy burden if it is well designed⑥, with practical writing tasks and engaging readings that students actually enjoy. [10] All in all, making College Chinese compulsory would benefit students both in college and throughout their careers.

参考译文

我们学校目前正在征求学生的意见：大学语文是否应该成为一门必修课。我的回答是非常明确的“是”，主要有两个理由。

首先，良好的汉语能力对学习和工作都至关重要。许多大学生，尤其是理工科专业的学生，很难写出条理清楚的报告、电子邮件和求职信。大学语文可以帮助他们提高各行各业都需要的读写能力。此外，这门课程还让学生接触古典诗歌、散文和小说，这些作品承载着中华文化的智慧和价值观。学习这些作品不仅能开阔学生的视野，还能加深他们对自身文化遗产的理解。

有些人可能会说，学生的专业课已经让他们很忙了。然而，只要设计得好，比如安排实用的写作任务和学生真正喜欢的引人入胜的读物，这门课程就不一定会成为沉重的负担。总之，把大学语文设为必修课将使学生在大学期间乃至整个职业生涯中都受益。

6 一步一步写出这篇范文

01 回应场景，直接表态，预告理由

第一句用 Our university is currently asking students whether … 转述场景，不照抄题目；第二句用 a definite yes 明确表态，I have two main reasons 告诉读者下面有两个理由。

> 1 Our university is currently asking students whether College Chinese should be a compulsory course.
> 我们学校目前正在征求学生的意见：大学语文是否应该成为一门必修课。
> 2 My answer is a definite yes, and I have two main reasons.
> 我的回答是非常明确的“是”，主要有两个理由。

02 理由一：观点 → 现象 → 作用

First 引出观点（汉语能力对学习和工作都重要）；第二句用 have difficulty doing 写出理工科学生的具体困难；第三句说明大学语文正好能解决这个问题。三句环环相扣。

> 3 First, a good command of the Chinese language is essential for both study and work.
> 首先，良好的汉语能力对学习和工作都至关重要。
> 4 Many university students, especially those majoring in science and engineering, have difficulty writing clear reports, emails and job applications.
> 许多大学生，尤其是理工科专业的学生，很难写出条理清楚的报告、电子邮件和求职信。
> 5 College Chinese can help them sharpen the reading and writing skills that every profession requires.
> 大学语文可以帮助他们提高各行各业都需要的读写能力。

03 理由二：课程内容 → 两个好处

Moreover 引出第二个理由，introduces students to … 写课程内容，which 从句说明这些作品承载中华文化；下一句用 not only … but also … 写出开阔视野、加深文化理解两个好处。

> 6 Moreover, the course introduces students to classical poetry, prose and novels, which carry the wisdom and values of Chinese culture.
> 此外，这门课程还让学生接触古典诗歌、散文和小说，这些作品承载着中华文化的智慧和价值观。
> 7 Studying these works not only broadens students' horizons but also deepens their understanding of their own cultural heritage.
> 学习这些作品不仅能开阔学生的视野，还能加深他们对自身文化遗产的理解。

04 先转述反方，再用 However 反驳

Some may argue that … 客观地转述反对意见；However … need not be a heavy burden if … 反驳，并用 with … 补充具体做法，让反驳有根有据。

> 8 Some may argue that students are already busy with courses in their majors.
> 有些人可能会说，学生的专业课已经让他们很忙了。
> 9 However, the course need not be a heavy burden if it is well designed, with practical writing tasks and engaging readings that students actually enjoy.
> 然而，只要设计得好，比如安排实用的写作任务和学生真正喜欢的引人入胜的读物，这门课程就不一定会成为沉重的负担。

05 All in all 总结立场

动名词短语 making College Chinese compulsory 作主语，重申立场；both in college and throughout their careers 呼应理由一，首尾照应。

> 10 All in all, making College Chinese compulsory would benefit students both in college and throughout their careers.
> 总之，把大学语文设为必修课将使学生在大学期间乃至整个职业生涯中都受益。

7 为什么是满分档

切题 · 结构与连贯 · 语言

切题

题目要求就“大学语文是否有必要设为必修课”表达看法。文章开头直接回答 a definite yes，两个理由都紧扣“必要性”：汉语读写能力对学习和工作都重要（用理工科学生写不好报告、求职信说明），课程能传承中华文化；第三段回应“专业课太忙”的担心，最后重申立场。每一部分都在回答“为什么有必要”，完全切题。

- My answer is a definite yes, and I have two main reasons.
- a good command of the Chinese language is essential for both study and work
- which carry the wisdom and values of Chinese culture
- making College Chinese compulsory would benefit students

结构与连贯

表态 → 两个理由 → 回应反方并总结，结构完整。第一段的 two main reasons 预告第二段，First 和 Moreover 分出两个理由，每个理由都是“观点 + 具体说明”；第三段用 Some may argue that 和 However 形成“让步—反驳”，All in all 收束全文，both in college and throughout their careers 呼应理由一的 both study and work。思路清楚，衔接自然。

- two main reasons
- First
- Moreover
- Some may argue that
- However
- All in all

语言

语言准确、地道：a good command of、essential for both … and …、especially those majoring in、have difficulty doing、introduces students to、which 非限制性定语从句、not only … but also …、情态动词 need not be；用词具体，如 job applications、classical poetry, prose and novels、broadens students' horizons、cultural heritage、engaging readings。动名词作主语、主谓一致都正确，全文没有语法错误。

- especially those majoring in science and engineering, have difficulty writing clear reports, emails and job applications
- sharpen the reading and writing skills that every profession requires
- not only broadens students' horizons but also deepens their understanding of their own cultural heritage
- the course need not be a heavy burden if it is well designed

8 升格示范

普通写法一步一步改成满分句

升格 1

第 1 步 First, Chinese is our mother tongue, so it is important.
“母语所以重要”是人人都知道的道理，没有回答“为什么大学里还要学”，说服力弱。

第 2 步 First, if students are good at Chinese, it is helpful for their study and work.
把好处落到“学习和工作”上，切题了；但 it is helpful 的 it 指代不清，句子也比较松散。

第 3 步 First, being good at Chinese is very important for both study and work.
动名词作主语，结构紧凑，both … and … 也用上了；范文再把 being good at Chinese 换成 a good command of the Chinese language（熟练掌握汉语），very important 换成 essential，用词更正式、更有分量。

满分句 **First, a good command of the Chinese language is essential for both study and work.**

升格 2

第 1 步 But I think the course is not a burden.
只是否定反方，没有理由；But 放句首、I think 反复出现，也显得口语化。

第 2 步 However, the course will not be a burden if it is designed well.
However 更正式，加上了条件；但说得太绝对（will not），也没说清“设计得好”具体指什么。

第 3 步 However, the course need not be a heavy burden if it is well designed.
用 need not be（不一定是）代替 will not be，语气客观、有分寸；范文再用 with … 补出具体做法：实用的写作任务和学生真正喜欢的读物，反驳有根有据。

满分句 **However, the course need not be a heavy burden if it is well designed, with practical writing tasks and engaging readings that students actually enjoy.**

9 高分句式

公式 → 原句 → 讲解 → 仿写

① My answer is a definite yes 表态句

这个句式表达 表达“我的回答是非常明确的‘是’，理由有几个”，用来在回应意见征集时直接亮明立场

公式 My answer is a definite yes / no, and I have + 数字 + main reasons.

范文原句 My answer is a definite yes, and I have two main reasons

我的回答是非常明确的“是”，主要有两个理由

题目以“是否”提问，最直接的回答就是 yes 或 no。*a definite yes* 意思是“毫不含糊的‘是’”，*definite* 表示“明确的”。后半句预告理由的数目，读者马上知道下文结构。回应“是否应该……”类的题目都可以用。

例1 Should students be allowed to bring phones to class? My answer is a definite no, and I have two main reasons.
应该允许学生带手机进教室吗？我的回答是明确的“不”，主要有两个理由。

例2 My answer is a definite yes, and I have three main reasons for it.
我的回答是明确的“是”，主要有三个理由。

也可以这样说

I am firmly in favor of ...

我坚决支持……

As far as I am concerned, ...

在我看来，……

② a good command of … is essential for both … and … 观点句

这个句式表达 表达“熟练掌握某种语言或技能，对两方面都至关重要”，用来提出理由

公式 First, a good command of + 语言 / 技能 + is essential for both + A + and + B.

范文原句 a good command of the Chinese language is essential for both study and work

良好的汉语能力对学习和工作都至关重要

a good command of 意思是“熟练掌握”，常用来说语言能力，比 *be good at* 正式。*essential for* 是“对……必不可少”；*both … and …* 连接两个方面，说明好处范围广。这个观点后面要接具体现象，不能只停在一句话上。

例1 A good command of English is essential for both studying abroad and working in international companies.

熟练掌握英语，对出国留学和在跨国公司工作都至关重要。

例2 Good computer skills are essential for both college study and future jobs.

熟练掌握计算机技能，对大学学习和将来的工作都至关重要。

也可以这样说

being good at ... is important for ...

擅长……对……很重要

... plays a key role in both ... and ...

……在……和……中都起着关键作用

③ especially those …, have difficulty doing … 现象句

这个句式表达 表达“很多人，尤其是某一类人，做某事有困难”，用具体现象说明问题

公式 Many + 人, especially those + doing …, have difficulty + doing + A, B and C.

范文原句 Many university students, especially those majoring in science and engineering, have difficulty writing clear reports, emails and job applications

许多大学生，尤其是理工科专业的学生，很难写出条理清楚的报告、电子邮件和求职信

especially those majoring in … 插在主语和谓语之间，点出“尤其是哪类人”，*those* 指 *students*，*majoring in* 是现在分词作定语。*have difficulty doing* 意思是“做……有困难”，*doing* 用动名词。宾语列出三样具体的东西，现象一下子变得真实可信。

例1 Many freshmen, especially those living away from home for the first time, have difficulty managing their money.

许多新生，尤其是第一次离家生活的新生，很难管好自己的钱。

例2 Many young people, especially those working in big cities, have difficulty finding time to exercise.

许多年轻人，尤其是在大城市工作的年轻人，很难抽出时间锻炼。

也可以这样说

find it hard to ...

觉得很难……

struggle to ...

费很大劲才能……

④ not only broadens ... but also deepens ... 双重好处句

这个句式表达 表达“做某事不仅能开阔视野，还能加深理解”，用来写出一件事的两层好处

公式 动名词短语（主语）+ not only broadens + 人's horizons + but also deepens + their understanding of + 名词.

范文原句 Studying these works not only broadens students' horizons but also deepens their understanding of their own cultural heritage

学习这些作品不仅能开阔学生的视野，还能加深他们对自身文化遗产的理解

动名词短语 Studying these works 作主语，动词用第三人称单数 broadens、deepens。broaden one's horizons 是“开阔眼界”的地道说法；deepen one's understanding of 是“加深对……的理解”。两个动词都以 -en 结尾，对仗工整，读起来很有节奏。

例1 Travelling not only broadens our horizons but also deepens our understanding of different ways of life.

旅行不仅能开阔我们的视野，还能加深我们对不同生活方式的理解。

例2 Reading history books not only broadens students' horizons but also deepens their love for their country.

阅读历史书不仅能开阔学生的视野，还能加深他们对祖国的热爱。

也可以这样说

... helps students see the world from a broader perspective and ...

……帮助学生更广阔地看世界，并且……

... is good for both ... and ...

……对……和……都有好处

⑤ Some may argue that … 引出反方

这个句式表达 表达“有些人可能会认为……”，客观地转述反对意见，为下一句的反驳做准备

公式 Some may argue that + 反方观点（完整句子）.

范文原句 Some may argue that students are already busy with courses in their majors

有些人可能会说，学生的专业课已经让他们很忙了

Some 是 Some people 的简写，may 表示“可能”，语气客观，不贬低对方。argue that 后面接完整的句子。议论文里主动提出反方观点，再加以回应，说明作者考虑全面，是拉开档次的写法。be busy with 意思是“忙于……”。

例1 Some may argue that online classes are less effective than face-to-face teaching.

有些人可能会认为，网课的效果不如面对面教学。

例2 Some may argue that part-time jobs take too much time from study.

有些人可能会说，兼职占用了太多学习时间。

也可以这样说

It may be argued that ...

也许有人会说……

Some people worry that ...

有些人担心……

⑥ need not be … if … 反驳句

这个句式表达 表达“只要做到某一点，这件事就不一定会成为问题”，用来回应反方的担心

公式 However, + 主语 + need not be + a heavy burden / a problem + if + 条件, with + 具体做法.

范文原句 the course need not be a heavy burden if it is well designed

只要设计得好，这门课程就不一定会成为沉重的负担

need 在这里是情态动词，need not be 意思是“不必是；不一定是”，后面接动词原形，主语是第三人称也不加 s。if 从句给出条件，把反驳落到“怎样做”上。反驳反方不要只说“他们错了”，而要说明在什么条件下问题能解决。

例1 However, a part-time job need not hurt your studies if you plan your time well.

然而，只要合理安排时间，兼职就不一定会影响学习。

例2 However, keeping a pet need not be expensive if you choose the right one.

然而，只要选对了，养宠物就不一定花很多钱。

也可以这样说

However, this problem can be solved if ...

然而，只要……，这个问题就能解决

However, it does not have to be ... as long as ...

然而，只要……，它就不一定会……

10 亮点词汇

把普通说法换成高分说法

高分表达	意思	替代的普通说法
compulsory	adj. 必修的；强制的	required
definite	adj. 明确的；肯定的	clear
a good command of	熟练掌握	be good at
major in	主修	study
have difficulty doing	做……有困难	find it hard to do
sharpen	v. 提高；使更敏锐	improve
broaden one's horizons	开阔眼界	learn more
cultural heritage	文化遗产	tradition
burden	n. 负担	trouble
engaging	adj. 有趣的；引人入胜的	interesting

MODEL ESSAY 09 · PART I WRITING

合理使用人工智能辅助学习

2025年6月大学英语四级 第3套 · 写作 Part I

议论文 · 范文 175 词

1 原题

Part I **Writing** **(30 minutes)**

Directions: *Suppose your university is conducting a survey to collect students' opinions on the appropriate use of AI technology in assisting learning. You are now to write an essay to express your view. You will have 30 minutes to write the essay. You should write at least 120 words but no more than 180 words.*

题目译文

假设你们学校正在开展一项调查（conducting a survey），收集学生对这个问题的看法：怎样恰当地使用人工智能技术来辅助学习（the appropriate use of AI technology in assisting learning）。

现在请你写一篇文章（essay），表达你的观点（express your view）。

你有 30 分钟（30 minutes）写这篇文章（essay）。

字数：至少 120 词（at least 120 words），但不超过 180 词（no more than 180 words）。

2 审题

先弄清楚要写什么，再动笔

情景作文：学校调查学生对“合理使用人工智能辅助学习”的看法

120—180 词（题目要求 at least 120 words but no more than 180 words）；范文写到 168—180 词，本篇 175 词。写到 160 词左右就开始收尾，绝不能超过 180 词

- [ ] 回应学校的调查：开头用自己的话点出话题（人工智能已经走进学生的学习），不要照抄题目
- [ ] 亮明观点：题目问的是 appropriate use（恰当使用），所以观点要写成“能用，但要用得恰当”，而不是简单地“支持”或“反对”
- [ ] 说明理由：用得好有什么帮助，用得不好有什么问题，两面都要有具体内容
- [ ] 回答“怎样才算恰当”：给出学生能照着做的用法，最好再给学校一条建议，让文章有结论

语气与身份：正式、理性的议论语气：回应学校调查，用 I believe 亮明个人观点，论证部分以 AI、students 作主语，提建议用 should；不用 you 对读者说话，也不用口语

容易失分的地方

- 话题的关键词是 appropriate use，只写“人工智能的好处”或只写“人工智能的坏处”都是偏题，必须落到“怎样用才恰当”
- 不要把文章写成“人工智能的发展史”或“人工智能会不会取代人类”，题目只问辅助学习这一件事
- 理由要具体：写出它能讲解概念、推荐资料、指出语法错误，比 AI is very useful 有说服力得多
- AI 在文中作主语时动词用单数（AI sometimes produces），代词用 it / its，不要写成 they

3 题目要求逐条落实

每一条要求 → 范文里的哪一句

题目要求	范文原句	怎么做到的
回应调查，点出话题	AI tools such as chatbots and translation apps have quickly become part of students' daily learning.	第一句用两个具体例子（聊天机器人、翻译软件）说明人工智能已经走进学生的日常学习，自然引出调查的话题，没有照抄题目。
亮明观点（恰当使用）	I believe AI can be a powerful learning assistant, but only if it is used appropriately.	观点分两半：前半句肯定它是“强大的学习助手”，后半句用 but only if 加上前提“使用得当”，正好扣住题目的 appropriate use。
说明用得好的帮助	With proper use, AI can make learning more efficient.	第二段先写好处：让学习更高效，再用讲解概念、推荐资料、指出语法错误、深夜即时帮忙四个具体用处来证明。
说明用得不好的问题	However, AI should support learning rather than replace thinking.	用 However 转到另一面：它应该辅助学习而不是取代思考；接着写代写作业的后果和答案不准确两个问题，把“不恰当”的样子说清楚。
说明怎样才算恰当使用	Therefore, students should use AI as a tutor, not as a ghostwriter.	用“辅导老师而不是代笔人”一个对比给出结论，下一句再举例：先自己想，再请它讲解，学生一看就知道该怎么做。
给学校的建议，收尾	Universities should also set clear rules on its use, so that AI truly helps students learn better.	这是一份给学校的调查回应，最后一句给学校一条建议（制定明确的使用规则），用 so that 回到“帮助学生学得更好”。
字数 120—180 词	AI tools such as chatbots	全文共 175 词：第一段 2 句，第二段 6 句，第三段 3 句，落在 160—180 词的目标区间内，没有超过 180 词。

4 写作思路

先列提纲，每段一个任务

第一段

点出话题，亮明观点

人工智能工具已经成为学生日常学习的一部分 → 观点：它可以是强大的学习助手，但前提是用得恰当

第二段

一正一反说理由

正面：用得好让学习更高效（讲解概念、推荐资料、指出语法错误、深夜即时帮忙）→ 反面：它应辅助学习而不是取代思考（代写作业错失锻炼、学术不端；答案有时不准确，要核实）

第三段

说明怎样用才恰当，收尾

结论：把它当辅导老师，不当代笔人 → 举例：先自己想，再请它讲解 → 建议学校制定使用规则

5 满分范文

荧光笔 + 圆圈编号 = 下面讲的高分句式

[1] AI tools such as chatbots and translation apps have quickly become part of students' daily learning. [2] I believe AI can be a powerful learning assistant, but only if it is used appropriately①.

[3] With proper use, AI can make learning more efficient②. [4] It can explain difficult concepts in simple language, recommend useful materials and point out grammar mistakes in students' writing. [5] When students get stuck on a problem late at night, AI can offer help immediately③. [6] However, AI should support learning rather than replace thinking④. [7] If students simply let AI write their essays or do their homework, they will miss the chance to develop their own abilities and may even be guilty of academic dishonesty⑤. [8] Moreover, AI sometimes produces inaccurate information, so its answers should always be checked.

[9] Therefore, students should use AI as a tutor, not as a ghostwriter⑥. [10] For example, they can ask it to explain an idea after first trying to understand it on their own. [11] Universities should also set clear rules on its use, so that AI truly helps students learn better⑦.

参考译文

聊天机器人、翻译软件等人工智能工具已迅速成为学生日常学习的一部分。我认为人工智能可以成为强大的学习助手，但前提是使用得当。

使用得当，人工智能能让学习更加高效。它能用浅显的语言讲解难懂的概念，推荐有用的资料，并指出学生写作中的语法错误。学生深夜被难题卡住时，人工智能可以立即提供帮助。然而，人工智能应该辅助学习，而不是取代思考。如果学生只是让人工智能代写作文、代做作业，他们就会错失培养自身能力的机会，甚至可能犯下学术不端的过错。此外，人工智能有时会给出不准确的信息，所以它的答案应该始终加以核实。

因此，学生应该把人工智能当作辅导老师，而不是代笔人。例如，他们可以先自己尝试理解某个观点，再请它来讲解。大学也应该制定明确的使用规则，让人工智能真正帮助学生学得更好。

6 一步一步写出这篇范文

01 用具体例子引出话题

不要写 Nowadays AI is very popular 这种空话；写出 chatbots 和 translation apps 两个学生天天用的工具，再说它们 have quickly become part of students' daily learning，话题马上清楚。

> 1 AI tools such as chatbots and translation apps have quickly become part of students' daily learning.
> 聊天机器人、翻译软件等人工智能工具已迅速成为学生日常学习的一部分。

02 观点里带上“前提”

题目问的是“恰当使用”，所以观点句用 but only if it is used appropriately 加一个前提，一句话同时写出“肯定”和“条件”，全文就围绕这个前提展开。

> 2 I believe AI can be a powerful learning assistant, but only if it is used appropriately.
> 我认为人工智能可以成为强大的学习助手，但前提是使用得当。

03 正面：先总说，再列具体用处

先用 With proper use 总说好处（更高效），再用一个三项并列的句子写出三种用处，最后用 When students get stuck … 写一个学生熟悉的场景，好处就有了画面。

> 3 With proper use, AI can make learning more efficient.
> 使用得当，人工智能能让学习更加高效。
>
> 4 It can explain difficult concepts in simple language, recommend useful materials and point out grammar mistakes in students' writing.
> 它能用浅显的语言讲解难懂的概念，推荐有用的资料，并指出学生写作中的语法错误。
>
> 5 When students get stuck on a problem late at night, AI can offer help immediately.
> 学生深夜被难题卡住时，人工智能可以立即提供帮助。

04 反面：用 However 转折，讲清后果

However 后先给一句定位：support learning rather than replace thinking；再用 If … 写出代写作业的两层后果（错失锻炼、甚至学术不端），最后用 Moreover 补充“答案不准确，要核实”。

> 6 However, AI should support learning rather than replace thinking.
> 然而，人工智能应该辅助学习，而不是取代思考。
>
> 7 If students simply let AI write their essays or do their homework, they will miss the chance to develop their own abilities and may even be guilty of academic dishonesty.
> 如果学生只是让人工智能代写作文、代做作业，他们就会错失培养自身能力的机会，甚至可能犯下学术不端的过错。
>
> 8 Moreover, AI sometimes produces inaccurate information, so its answers should always be checked.
> 此外，人工智能有时会给出不准确的信息，所以它的答案应该始终加以核实。

05 用一个对比得出结论，再举例

Therefore 承接上文，as a tutor, not as a ghostwriter 一个对比把“恰当”和“不恰当”说透；For example 再给出具体用法：先自己理解，再请它讲解。

> 9 Therefore, students should use AI as a tutor, not as a ghostwriter.
> 因此，学生应该把人工智能当作辅导老师，而不是代笔人。
>
> 10 For example, they can ask it to explain an idea after first trying to understand it on their own.
> 例如，他们可以先自己尝试理解某个观点，再请它来讲解。

06 给学校一条建议收尾

回应学校调查，最后用 Universities should also 给学校提建议，so that 引出目的，回到“帮助学生学得更好”。

> 11 Universities should also set clear rules on its use, so that AI truly helps students learn better.
> 大学也应该制定明确的使用规则，让人工智能真正帮助学生学得更好。

7 为什么是满分档

切题 · 结构与连贯 · 语言

切题

题目问的是“恰当使用人工智能辅助学习”，范文从头到尾扣住 appropriate 这个词：观点句用 but only if it is used appropriately 加上前提；第二段一正一反，说明用得好有什么帮助、用得不好有什么问题；第三段直接回答怎样才算恰当（当辅导老师，不当代笔人），并给学校一条建议，回应调查的场景。没有一句跑到“人工智能会不会取代人类”这类话题上，这正是最高档（13—15 分）作文切题、思想表达清楚的样子。

I believe AI can be a powerful learning assistant, but only if it is used appropriately.

With proper use, AI can make learning more efficient.

However, AI should support learning rather than replace thinking.

students should use AI as a tutor, not as a ghostwriter

Universities should also set clear rules on its use

结构与连贯

三段式：点出话题、亮明观点 → 一正一反说理由 → 怎样用、给建议。第二段先用 With proper use 写正面，再用 However 转到反面，用 Moreover 补充；第三段用 Therefore 得出结论，用 For example 举例，用 also 把建议扩展到学校。代词 It、its 一直指 AI，句子之间衔接紧密，读者顺着连接词就能看清思路。

With proper use

When students get stuck on a problem late at night

However

Moreover

Therefore

For example

Universities should also

语言

句式有变化又用得准确：but only if 的条件观点句、With proper use 的介词短语作状语、三项并列的动词短语、rather than 的对比、If … will … and may even … 的两层后果、as a tutor, not as a ghostwriter 的对比结论、so that 的目的状语。用词准确，如 appropriately、efficient、get stuck on、academic dishonesty、inaccurate，都是四级考生能掌握的词。全文没有语法错误，表达自然，语言达到最高档“准确、多样”的要求。

but only if it is used appropriately

explain difficult concepts in simple language, recommend useful materials and point out grammar mistakes

support learning rather than replace thinking

they will miss the chance to develop their own abilities and may even be guilty of academic dishonesty

its answers should always be checked

so that AI truly helps students learn better

8 升格示范

普通写法一步一步改成满分句

升格 1

第 1 步 But we should not use AI too much.
意思有了，但 But 放句首偏口语，too much 也说不清“多到什么程度算不恰当”。

第 2 步 However, AI should help us learn, and it should not think for us.
换成 However，并说出了“帮我们学”和“替我们想”的区别；但两句并列有点啰嗦，人称也变成了 us。

第 3 步 However, AI should help learning instead of thinking for students.
用 instead of 压成一句，对比出来了；但 help learning 搭配不地道，前后两部分形式也不对称。最后换成 support learning rather than replace thinking，两个“动词 + 名词”对称，意思也更准确。

满分句 **However, AI should support learning rather than replace thinking.**

升格 2

第 1 步 So students should use AI in a right way.
in a right way 是错的搭配（应为 in the right way），而且“正确的方式”到底是什么，读者还是不知道。

第 2 步 Therefore, students should use AI to learn, not to do homework for them.
用 Therefore 承接上文，用 not 写出对比，意思清楚了；但句子平淡，没有让人记得住的说法。

第 3 步 Therefore, students should use AI as a teacher, not as a helper.
改成两个身份的对比，句子变得简洁；但 teacher 和 helper 区别不明显。最后换成 tutor（辅导老师）和 ghostwriter（代笔人），一个帮你学会，一个替你写，对比一下子鲜明了。

满分句 **Therefore, students should use AI as a tutor, not as a ghostwriter.**

升格 3

第 1 步 AI can help students at any time.
只是一句笼统的话，at any time 没有画面，读者感受不到好处在哪里。

第 2 步 When students have a problem, AI can help them at once.
用 When 写出了场景，at once 写出了“马上”；但 have a problem 太普通，场景还不够具体。

第 3 步 When students get stuck on a problem at night, AI can help them at once.
get stuck on 写出“被难住”，at night 写出时间，场景具体了。最后改成 late at night 强调“深夜没人可问”，用 offer help immediately 让表达更正式。

满分句 **When students get stuck on a problem late at night, AI can offer help immediately.**

① but only if 条件观点句

这个句式表达 表达“我认为某事可以……，但前提是……”，肯定一件事的同时给它加上条件

公式 I believe + 主语 + can be + 名词, but only if + 条件从句

范文原句 I believe AI can be a powerful learning assistant, but only if it is used appropriately

我认为人工智能可以成为强大的学习助手，但前提是使用得当

only if 意思是“只有在……的情况下”，比 if 语气更强，强调条件必不可少。这种观点句不走极端，特别适合题目问“怎样恰当使用”“利弊”一类话题。it is used appropriately 用被动语态，主语还是 AI。

例1 I believe part-time jobs can be valuable for students, but only if they do not affect their studies.

我认为兼职对学生有好处，但前提是不影响学业。

例2 I believe smartphones can be useful learning tools, but only if they are used wisely.

我认为智能手机可以是有用的学习工具，但前提是使用得当。

也可以这样说

..., provided that ...

……，前提是……

..., as long as ...

……，只要……

② With proper use 条件状语句

这个句式表达 表达“用得恰当，某事就能让……变得更……”，用一个介词短语交代条件，再写好处

公式 With + 名词短语（proper use / careful management），主语 + can make + 宾语 + 形容词比较级

范文原句 With proper use, AI can make learning more efficient

使用得当，人工智能能让学习更加高效

With proper use 相当于 If it is used properly，一个短语代替一个从句，句子更紧凑。make + 宾语 + 形容词意思是“使……变得……”，more efficient 写出具体的好处。

例1 With careful planning, students can make their college life more meaningful.

只要精心规划，学生就能让大学生活更有意义。

例2 With regular exercise, we can make our bodies stronger and healthier.

坚持锻炼，我们就能让身体更强壮、更健康。

也可以这样说

If used properly, ...

如果使用得当，……

When used wisely, ...

明智地使用时，……

③ When 场景句

这个句式表达 表达“当某人遇到某种困难时，某物能立刻提供帮助”，用一个具体场景说明好处

公式 When + 人 + 遇到的情况（get stuck on …）, 主语 + can + 动词原形 + immediately

范文原句 When students get stuck on a problem late at night, AI can offer help immediately

学生深夜被难题卡住时，人工智能可以立即提供帮助

get stuck on 意思是“被……难住”，late at night 写出时间，一个学生都经历过的画面马上让好处变得真实。理由句后面跟一个具体场景，说服力比再加一句空话强得多。

例1 When students feel stressed before exams, a short walk can help them relax immediately.

学生考前感到压力大时，散散步能让他们马上放松下来。

例2 When travelers get lost in a strange city, a map app can show them the way immediately.

游客在陌生城市迷路时，地图软件能立即为他们指路。

也可以这样说

Whenever ..., ... is always there to help.

每当……，……总能帮上忙。

If ... runs into difficulties, ...

如果……遇到困难，……

④ A rather than B 定位句

这个句式表达 表达“某物应该做 A，而不是做 B”，一句话给事物定位，划清界限

公式 主语 + should + 动词原形 A + rather than + 动词原形 B

范文原句 AI should support learning rather than replace thinking

人工智能应该辅助学习，而不是取代思考

rather than 前后要用相同的形式：support learning 对 replace thinking，都是“动词 + 名词”，整齐又好记。support 和 replace 意思相反，learning 和 thinking 又紧密相关，对比非常鲜明，适合放在转折段的开头。

例1 Online classes should support classroom teaching rather than replace it.

网课应该辅助课堂教学，而不是取代它。

例2 Parents should guide their children rather than make every decision for them.
父母应该引导孩子，而不是替他们做每一个决定。

也可以这样说

... should serve as a helper, not a replacement for ...
……应该是帮手，而不是……的替代品

... is meant to ... instead of ...
……的作用是……，而不是……

⑤ If … will miss the chance to … 后果句

这个句式表达 表达“如果某人这样做，就会错失……的机会，甚至……”，说出错误做法的两层后果

公式 If + 错误做法, 主语 + will miss the chance to + 动词原形 … and may even + 动词原形 …

范文原句 If students simply let AI write their essays or do their homework, they will miss the chance to develop their own abilities and may even be guilty of academic dishonesty
如果学生只是让人工智能代写作文、代做作业，他们就会错失培养自身能力的机会，甚至可能犯下学术不端的过错

simply 意思是“只是、仅仅”，点出“完全依赖”这个问题。后果分两层：will miss the chance to 是一定会发生的损失，may even 是更严重的可能，由轻到重，论证有层次。let + 人 / 物 + 动词原形 不要加 to。

例1 If students simply copy answers from the Internet, they will miss the chance to think for themselves.
如果学生只是从网上抄答案，他们就会错失独立思考的机会。

例2 If young people stay at home all day, they will miss the chance to make friends and may even feel lonely.
如果年轻人整天待在家里，就会错失交朋友的机会，甚至可能感到孤独。

也可以这样说

..., they will lose the opportunity to ...
……，他们就会失去……的机会

Relying too much on ... may prevent them from ...
过度依赖……可能会妨碍他们……

⑥ use A as B, not as C 比喻结论句

这个句式表达 表达“应该把某物当作 B，而不是当作 C”，用两个身份的对比给出怎样使用的结论

公式 主语 + should use + 某物 + as + 身份 B, not as + 身份 C

范文原句 students should use AI as a tutor, not as a ghostwriter
学生应该把人工智能当作辅导老师，而不是代笔人

tutor（辅导老师）是帮你学会的人，ghostwriter（代笔人）是替你写的人，两个身份一对比，“恰当”和“不恰当”的界限一目了然。这种比喻式结论简洁有力，比 students should use AI correctly 好记得多。

例1 Students should use the Internet as a library, not as a playground.

学生应该把网络当作图书馆，而不是游乐场。

例2 We should treat mistakes as teachers, not as enemies.

我们应该把错误当作老师，而不是敌人。

也可以这样说

... should be regarded as ..., rather than ...

……应该被看作……，而不是……

Think of ... as ..., not ...

把……看作……，而不是……

⑦ so that 目的建议句

这个句式表达 表达“某方也应该做某事，以便……”，提出建议并说明目的

公式 主语 + should also + 动词原形 …, so that + 主语 + 谓语（目的）

范文原句 Universities should also set clear rules on its use, so that AI truly helps students learn better

大学也应该制定明确的使用规则，让人工智能真正帮助学生学得更好

should also 把建议从学生扩展到学校，回应“学校调查”这个场景。so that 引出目的，truly 意思是“真正地”，回到全文“帮助学习”的中心。help + 人 + 动词原形（learn）不用加 to。

例1 The school should also build more bike lanes, so that students can travel safely.

学校也应该修建更多自行车道，让学生能安全出行。

例2 Parents should also set limits on screen time, so that children can sleep better.

父母也应该限制孩子看屏幕的时间，让孩子睡得更好。

也可以这样说

..., in order that ...

……，以便……

..., which will ensure that ...

……，这样能确保……

10 亮点词汇

把普通说法换成高分说法

高分表达	意思	替代的普通说法
chatbot	n. 聊天机器人	AI chat program
appropriately	adv. 恰当地；适当地	properly
efficient	adj. 高效的；效率高的	productive
concept	n. 概念	idea
get stuck on	被……难住；卡在……上	have trouble with
academic dishonesty	学术不端	cheating
inaccurate	adj. 不准确的	wrong
tutor	n. 辅导老师	private teacher
ghostwriter	n. 代笔人	someone who writes for you

中国快递业的发展与影响

2024年12月大学英语四级 第1套 · 写作 Part I
议论文 · 范文 178 词

1 原题

Part I **Writing** **(30 minutes)**

Directions: *Suppose the business school of your university is conducting a survey to collect students' opinions on the express delivery service industry in China. You are to write a response about its recent development and its impact on people's lives. You will have 30 minutes to write the essay. You should write at least 120 words but no more than 180 words.*

题目译文

假设你们学校的商学院（business school）正在开展一项调查（conducting a survey），收集学生对中国快递服务业（the express delivery service industry in China）的看法。

请你写一篇回应（response），谈谈这个行业最近的发展（its recent development）以及它对人们生活的影响（its impact on people's lives）。

你有 30 分钟（30 minutes）写这篇文章（essay）。

字数：至少 120 词（at least 120 words），但不超过 180 词（no more than 180 words）。

2 审题

先弄清楚要写什么，再动笔

情景作文：商学院调查学生对中国快递业的看法（近年发展与对生活的影响）

120—180 词（题目要求 at least 120 words but no more than 180 words）；范文写到 168—180 词，本篇 178 词。两部分内容都要写，写到 160 词左右就开始收尾，绝不能超过 180 词

- [ ] 回应商学院的调查：开头说明自己要谈对快递业的看法，并用一句话概括全文（发展快、改变了生活）
- [ ] 写近年的发展（recent development）：覆盖范围、送达速度、新技术，都用具体事实说明
- [ ] 写对人们生活的影响（impact on people's lives）：便利了谁、怎么便利，最好写到不同的人群
- [ ] 影响不只有好的一面，可以简短提一个问题并给出建议，最后一句总结评价

语气与身份：正式、客观的说明加评价语气：回应调查时用 I am pleased to share my views 开头，正文以 the industry、people、farmers 作主语陈述事实，评价时用 Overall；不写个人购物的流水账，不用口语

容易失分的地方

- 题目有两个任务：development（发展）和 impact（影响），只写其中一个就是漏写要求；最好一段写发展、一段写影响
- 发展要写成事实（覆盖到乡村、一两天送达、智能快递柜），不要只说 It develops very fast
- development 和 impact 不要混在一起写：发展是“行业本身变了什么”，影响是“人们的生活变了什么”
- 注意时态：讲近年的变化多用现在完成时（has grown、have made），讲现在的情况用一般现在时（now reach、are often delivered）

3 题目要求逐条落实

每一条要求 → 范文里的哪一句

题目要求	范文原句	怎么做到的
回应调查，概括观点	I am pleased to share my views on China's express delivery industry, which has grown remarkably in recent years and has changed the way people live.	开头一句回应商学院的调查，用 which 从句同时点出两个任务：has grown remarkably（发展）和 has changed the way people live（影响），全文的两大部分一句话就预告了。
近年的发展：规模和质量	The industry has expanded rapidly and improved greatly in quality.	第二段第一句总说发展的两个方面：规模扩大（expanded）和质量提高（improved in quality），后面三句分别展开。
近年的发展：覆盖范围、速度和技术	Packages that once took a week to arrive are often delivered within a day or two	用三个事实证明发展：网络覆盖到小城镇和乡村、包裹从一周到一两天送达、自动分拣和智能快递柜等新技术，每一条都具体可感。
对人们生活的影响	These changes have made people's lives far more convenient.	第三段第一句用 These changes 承接上段的发展，转到影响；接着写普通人足不出户买东西、偏远地区农民增收、创造就业三层影响。
指出问题并给出建议	However, the growing number of packages produces a huge amount of packaging waste, so companies and consumers should work together to promote recyclable packaging.	用 However 补充负面影响（包装垃圾），并马上给出建议，让评价更全面、更可信。
总结评价	Overall, the impact of the industry has been highly positive.	最后一句用 Overall 总结：影响总体非常积极，回应题目的 impact，结论明确。
字数 120—180 词	I am pleased to share my views	全文共 178 词：第一段 1 句，第二段 4 句，第三段 6 句，落在 160—180 词的目标区间内，没有超过 180 词。

4 写作思路

先列提纲，每段一个任务

第一段

回应调查，一句话概括观点

很高兴谈谈对中国快递业的看法 → 近年发展显著，改变了人们的生活方式

第二段

写近年的发展

总说：规模迅速扩大、质量大大提高 → 覆盖范围：从大城市到小城镇和乡村 → 速度：一周变成一两天，还能手机追踪 → 技术：自动分拣、智能快递柜、无人机

第三段

写对生活的影响，提问题，总结

总说：生活便利多了 → 消费者：足不出户买东西 → 农民：把水果卖到全国、增加收入 → 就业 → 问题与建议：包装垃圾，推广可回收包装 → 总结：影响总体非常积极

5 满分范文

荧光笔 + 圆圈编号 = 下面讲的高分句式

[1] I am pleased to share my views on China's express delivery industry, which has grown remarkably in recent years and has changed the way people live①.

[2] The industry has expanded rapidly and improved greatly in quality. [3] Delivery networks now reach not only big cities but also many small towns and villages②. [4] Packages that once took a week to arrive are often delivered within a day or two③, and customers can track them on their phones. [5] Meanwhile, automated sorting centers, smart lockers and, in some areas, delivery drones have made deliveries faster and pickups easier.

[6] These changes have made people's lives far more convenient④. [7] Online shopping has become easy and affordable, so people can buy almost anything without leaving home⑤. [8] Farmers in remote areas can now sell fresh fruit to customers across the country and raise their incomes. [9] The industry has also created many jobs. [10] However, the growing number of packages produces a huge amount of packaging waste, so companies and consumers should work together to promote recyclable packaging⑥. [11] Overall, the impact of the industry has been highly positive.

参考译文

我很高兴谈谈我对中国快递业的看法，这个行业近年来发展显著，改变了人们的生活方式。

这个行业迅速扩张，质量也大大提高。如今，配送网络不仅覆盖大城市，还延伸到许多小城镇和乡村。过去要一周才能送到的包裹，如今往往一两天之内就能送达，顾客还可以用手机追踪包裹。与此同时，自动化分拣中心、智能快递柜，以及一些地区的送货无人机，让送货更快，取件更方便。

这些变化让人们的生活便利多了。网购变得方便又实惠，人们几乎足不出户就能买到任何东西。如今，偏远地区的农民可以把新鲜水果卖给全国各地的顾客，提高自己的收入。这个行业还创造了许多就业岗位。然而，日益增多的包裹产生了大量包装垃圾，所以企业和消费者应该共同努力，推广可回收包装。总的来说，这个行业的影响是非常积极的。

6 一步一步写出这篇范文

01 一句话回应调查、预告两个任务

用 I am pleased to share my views on 回应调查，后面用 which 从句连写 has grown（发展）和 has changed the way people live（影响），读者一看就知道后面两段写什么。

> 1 I am pleased to share my views on China's express delivery industry, which has grown remarkably in recent years and has changed the way people live.
> 我很高兴谈谈我对中国快递业的看法，这个行业近年来发展显著，改变了人们的生活方式。

02 发展段先总说两个方面

The industry has expanded rapidly and improved greatly in quality 一句总说“规模”和“质量”，后面每一句都是在证明这两点。

> 2 The industry has expanded rapidly and improved greatly in quality.
> 这个行业迅速扩张，质量也大大提高。

03 用三个事实证明发展

覆盖范围用 not only … but also 写出从大城市到乡村；速度用 once took a week … within a day or two 写出今昔对比；技术用 Meanwhile 列出三样新事物，结果写成 faster and easier。三句话三个角度，不重复。

> 3 Delivery networks now reach not only big cities but also many small towns and villages.
> 如今，配送网络不仅覆盖大城市，还延伸到许多小城镇和乡村。
>
> 4 Packages that once took a week to arrive are often delivered within a day or two, and customers can track them on their phones.
> 过去要一周才能送到的包裹，如今往往一两天之内就能送达，顾客还可以用手机追踪包裹。
>
> 5 Meanwhile, automated sorting centers, smart lockers and, in some areas, delivery drones have made deliveries faster and pickups easier.
> 与此同时，自动化分拣中心、智能快递柜，以及一些地区的送货无人机，让送货更快，取件更方便。

04 影响段用 These changes 承上启下

These changes 指上一段的全部发展，自然转到影响；far more convenient 先给出总的结论。

> 6 These changes have made people's lives far more convenient.
> 这些变化让人们的生活便利多了。

05 按不同人群写影响

先写普通消费者（足不出户买东西），再写偏远地区的农民（把水果卖到全国、增加收入），最后用 also 补充就业。写到不同的人，影响就显得全面。

> 7 Online shopping has become easy and affordable, so people can buy almost anything without leaving home.
> 网购变得方便又实惠，人们几乎足不出户就能买到任何东西。
>
> 8 Farmers in remote areas can now sell fresh fruit to customers across the country and raise their incomes.
> 如今，偏远地区的农民可以把新鲜水果卖给全国各地的顾客，提高自己的收入。
>
> 9 The industry has also created many jobs.
> 这个行业还创造了许多就业岗位。

06 补一个问题和建议，再总结

用 However 提出包装垃圾的问题，用 so 引出建议（企业和消费者一起推广可回收包装）；最后用 Overall 一句话总结评价。

> 10 However, the growing number of packages produces a huge amount of packaging waste, so companies and consumers should work together to promote recyclable packaging.
> 然而，日益增多的包裹产生了大量包装垃圾，所以企业和消费者应该共同努力，推广可回收包装。
> 11 Overall, the impact of the industry has been highly positive.
> 总的来说，这个行业的影响是非常积极的。

7 为什么是满分档

切题・结构与连贯・语言

切题

题目要求谈快递业的 recent development 和 impact on people's lives，范文开头一句就点出这两点，第二段专写发展（覆盖范围、速度、技术），第三段专写影响（消费者、农民、就业），再补一个包装垃圾的问题和建议，最后总结评价。两个任务都写到，而且每一条都有具体事实，没有空话。这正是最高档（13—15 分）作文切题、思想表达清楚的样子。

- which has grown remarkably in recent years and has changed the way people live
- The industry has expanded rapidly and improved greatly in quality.
- These changes have made people's lives far more convenient.
- Farmers in remote areas can now sell fresh fruit to customers across the country
- Overall, the impact of the industry has been highly positive.

结构与连贯

开头一句预告两个方面，后面一段写一个方面：第二段先总说，再用 now、once、Meanwhile 写出变化；第三段用 These changes 承接上段转到影响，用 also 补充就业，用 However 转到问题，用 Overall 收束全文。每段第一句都是这一段的中心句，读者顺着中心句就能看清全文结构。

- The industry has expanded rapidly
- Meanwhile
- These changes
- The industry has also created many jobs.
- However
- Overall

语言

句式丰富而且准确：which 引导的非限制性定语从句、not only … but also … 的并列、once … are often delivered … 的今昔对比、make + 宾语 + 形容词比较级、without leaving home 的方式状语、the growing number of … 作主语。时态用得准确：讲变化用现在完成时，讲现状用一般现在时。用词具体，如 remarkably、track、automated sorting centers、smart lockers、affordable、recyclable packaging。全文没有语法错误，语言达到最高档“准确、多样”的要求。

has grown remarkably in recent years | reach not only big cities but also many small towns and villages | Packages that once took a week to arrive are often delivered within a day or two | automated sorting centers, smart lockers and, in some areas, delivery drones | without leaving home | the growing number of packages produces a huge amount of packaging waste

8 升格示范

普通写法一步一步改成满分句

升格 1

第 1 步 Express delivery is very fast now.
只是一个笼统的判断，very fast 到底多快，读者不知道。

第 2 步 In the past, packages took a week, but now they arrive in one or two days.
有了“一周”和“一两天”的对比，变化看得见了；但用 In the past … but now 写成两句并列，有点平。

第 3 步 Packages that once took a week to arrive are often delivered within a day or two.
用 that once took a week to arrive 定语从句把过去放进主语，一句话完成对比，更紧凑。最后再用 and 补上“手机追踪”这一项进步，内容更充实。

满分句 **Packages that once took a week to arrive are often delivered within a day or two, and customers can track them on their phones.**

升格 2

第 1 步 People can buy things online easily.
意思对，但只写了“方便”，buy things 也很空。

第 2 步 Online shopping is easy and cheap, so people can buy many things at home.
加上了“实惠”，用 so 写出结果；但 cheap 有“廉价、质量差”的意思，at home 也不够生动。

第 3 步 Online shopping has become easy and affordable, so people can buy many things at home.
换成 has become 写出“变化”，cheap 换成 affordable（实惠的）。最后把 many things at home 改成 almost anything without leaving home，“足不出户、什么都能买”，便利一下子具体了。

满分句 **Online shopping has become easy and affordable, so people can buy almost anything without leaving home.**

升格 3

第 1 步 Express delivery makes our life very convenient.
意思清楚，但和上一段没有联系，像是重新开始；our life 也改变了人称。

第 2 步 These changes make people's lives very convenient.
用 These changes 承接上一段的发展，衔接好了；但讲“近年来的变化带来的结果”应该用现在完成时。

第 3 步 These changes have made people's lives much more convenient.
改成现在完成时 have made，用比较级写出“比以前方便”。最后把 much 换成 far，far more 语气更强，更符合“显著变化”的意思。

满分句 **These changes have made people's lives far more convenient.**

9 高分句式

公式 → 原句 → 讲解 → 仿写

① which 非限制性定语从句概括句

这个句式表达 表达“我很高兴谈谈对某事的看法，它……而且……”，开头一句话同时点出话题和要谈的几个方面

公式 I am pleased to share my views on + 话题, which + has done A and has done B

范文原句 China's express delivery industry, which has grown remarkably in recent years and has changed the way people live

中国快递业，这个行业近年来发展显著，改变了人们的生活方式

逗号后的 which 从句补充说明前面的名词，一句话里塞进两层信息，不用另起两句。has grown remarkably（显著增长）对应“发展”，has changed the way people live（改变生活方式）对应“影响”，把题目的两个任务都预告了。the way people live 意思是“人们的生活方式”。

例1 I am pleased to share my views on online learning, which has spread quickly and has changed the way students study.
我很高兴谈谈我对在线学习的看法，它迅速普及，改变了学生的学习方式。

例2 Mobile payment, which has become popular in recent years, has changed the way people shop.
移动支付近年来变得十分普及，改变了人们的购物方式。

也可以这样说

I would like to express my opinion on ...
我想谈谈我对……的看法

..., which has greatly influenced ...
……，它极大地影响了……

② not only … but also 范围句

这个句式表达 表达“某物不仅覆盖 A，而且覆盖 B”，写出范围的扩大

公式 主语 + 动词 + not only + A + but also + B（A 和 B 词性相同）

范文原句 Delivery networks now reach not only big cities but also many small towns and villages

如今，配送网络不仅覆盖大城市，还延伸到许多小城镇和乡村

not only 和 but also 后面要用相同的结构：big cities 对 many small towns and villages，都是名词短语。A 是大家都知道的（大城市），B 是新的、重点的（乡村），由已知到新，突出“发展”。reach 在这里是“到达、覆盖”。

例1 High-speed trains now connect not only big cities but also many small towns.

高铁如今不仅连接大城市，还连接许多小城镇。

例2 Reading can bring us not only knowledge but also a sense of peace.

阅读不仅能给我们带来知识，还能带来内心的平静。

也可以这样说

… as well as …

……以及……

… extend from … to …

……从……延伸到……

③ once … now … 今昔对比句

这个句式表达 表达“过去要……的事，如今往往……就能完成”，用前后对比写出变化之大

公式 名词 + that once + 过去的情况 + are often + 过去分词 + 现在的情况

范文原句 Packages that once took a week to arrive are often delivered within a day or two

过去要一周才能送到的包裹，如今往往一两天之内就能送达

that once took a week to arrive 是定语从句，用 once（过去曾经）写出过去的样子；主句用现在时 are often delivered 写出现在的样子。“一周”对“一两天”，数字一对比，发展就看得见，比 Delivery is faster now 有说服力得多。

例1 Trips that once took a whole day now take only two hours by high-speed train.

过去要花一整天的路程，如今坐高铁只要两个小时。

例2 Information that once took weeks to find can now be found online in seconds.

过去要花几周才能找到的信息，如今在网上几秒钟就能找到。

也可以这样说

In the past, ...; today, ...

过去……；如今……

Compared with ..., ... now ...

与……相比，……如今……

④ have made + 宾语 + 形容词 结果句

这个句式表达 表达“这些变化让……变得……多了”，总结前文带来的结果

公式 These changes + have made + 宾语 + far more + 形容词

范文原句 These changes have made people's lives far more convenient

这些变化让人们的生活便利多了

These changes 指上一段讲的所有发展，承上启下。make + 宾语 + 形容词 意思是“使……变得……”；far 修饰比较级，表示“……得多”，比 very convenient 更准确（比较级前不能用 very）。

例1 These changes have made city life far more comfortable.

这些变化让城市生活舒适多了。

例2 Online maps have made traveling far easier than before.

在线地图让出行比以前方便多了。

也可以这样说

As a result, ... has become much more ...

因此，……变得……多了

These developments have greatly improved ...

这些发展极大地改善了……

⑤ without doing 方式句

这个句式表达 表达“人们不用……就能……”，写出便利到什么程度

公式 主语 + can + 动词原形 … + without + doing …

范文原句 people can buy almost anything without leaving home

人们几乎足不出户就能买到任何东西

without leaving home 就是“足不出户”，without 后面接动名词。almost anything（几乎任何东西）写出选择多，without leaving home 写出省事，一句话写出便利的两个方面。

例1 Students can attend lectures by famous professors without leaving their dormitories.

学生不出宿舍就能听名教授的讲座。

例2 With mobile banking, people can pay bills without waiting in line.

有了手机银行，人们不用排队就能缴费。

也可以这样说

... from the comfort of their homes

在舒适的家里就能……

... with just a few taps on their phones

在手机上点几下就能……

⑥ 问题 + so … should work together to 建议句

这个句式表达 表达“……产生了……问题，所以各方应该共同努力……”，指出问题后马上给出建议

公式 the growing number of + 名词 + 动词 + 问题, so + A and B + should work together to + 动词原形 …

范文原句 the growing number of packages produces a huge amount of packaging waste, so companies and consumers should work together to promote recyclable packaging

日益增多的包裹产生了大量包装垃圾，所以企业和消费者应该共同努力，推广可回收包装

the growing number of packages 意思是“日益增多的包裹”，主语是 number，动词用单数 produces。a huge amount of 修饰不可数名词 waste。work together 点出企业和消费者两方都有责任，建议更全面。在说明好处的文章里补一个问题和建议，评价显得客观。

例1 The growing number of private cars causes heavy traffic, so the government and citizens should work together to promote public transport.

日益增多的私家车造成了交通拥堵，所以政府和市民应该共同努力，推广公共交通。

例2 The growing number of takeout orders creates a lot of plastic waste, so restaurants and customers should work together to reduce it.

日益增多的外卖订单产生了大量塑料垃圾，所以餐馆和顾客应该共同努力减少这种垃圾。

也可以这样说

It is up to both ... and ... to ...

……和……都有责任……

Joint efforts are needed to ...

需要共同努力来……

10 亮点词汇

把普通说法换成高分说法

高分表达	意思	替代的普通说法
express delivery	快递	fast delivery service
remarkably	adv. 显著地；非常地	greatly
expand	v. 扩大；扩张	grow larger
track	v. 追踪；跟踪	follow
automated	adj. 自动化的	run by machines
affordable	adj. 实惠的；买得起的	cheap
remote	adj. 偏远的	far away
packaging	n. 包装；包装材料	wrapping
recyclable	adj. 可回收的	reusable

如何丰富大学生的传统文化知识

2024年12月大学英语四级 第2套 · 写作 Part I
议论文 · 范文 175 词

1 原题

Part I **Writing** **(30 minutes)**

Directions: *Suppose the university newspaper is inviting submissions from the students for its coming edition on how to enrich students' knowledge of traditional Chinese culture. You are now to write an essay for submission. You will have 30 minutes to write the essay. You should write at least 120 words but no more than 180 words.*

题目译文

假设你们学校的校报（university newspaper）正在向学生征稿（inviting submissions），下一期的主题是：怎样丰富学生对中国传统文化的了解（enrich students' knowledge of traditional Chinese culture）。

现在请你写一篇文章投稿（write an essay for submission）。

你有 30 分钟（30 minutes）写这篇文章（essay）。

字数：至少 120 词（at least 120 words），但不超过 180 词（no more than 180 words）。

2 审题

先弄清楚要写什么，再动笔

情景作文：给校报投稿，谈怎样丰富学生的中华传统文化知识

120—180 词（题目要求 at least 120 words but no more than 180 words）；范文写到 168—180 词，本篇 175 词。三条做法每条两句左右，写到 160 词左右就开始收尾，绝不能超过 180 词

- [ ] 开头说明传统文化值得了解，再指出现实问题（不少大学生对传统文化不够熟悉），引出“怎么办”
- [ ] 题目问的是 how to enrich students' knowledge（怎样丰富知识），主体段要给出两三条具体做法
- [ ] 每条做法都要写清“谁来做、做什么”，最好配一个具体例子
- [ ] 结尾写出这些做法带来的效果，给投稿一个有力的收尾

语气与身份：给校报投稿：正式但可以生动，以 universities、student clubs、students 作主语提出做法，用 can、should 表达建议；不用 you 对读者说教，也不喊“我们要热爱传统文化”的口号

容易失分的地方

- 题目问的是“怎么做”，不要把大半篇写成“传统文化为什么重要”；重要性在开头一两句带过就够了
- 做法要具体：写出书法、国画、包粽子、剪纸这样的内容，不要只写 learn more about traditional culture
- 三条做法最好分给不同的人（学校、社团、学生自己），不要三条都是“学校应该……”
- traditional Chinese culture 的 culture 不可数，不加 s；Dragon Boat Festival 每个词首字母大写

3 题目要求逐条落实

每一条要求 → 范文里的哪一句

题目要求	范文原句	怎么做到的
说明传统文化值得了解	Traditional Chinese culture, with its long history and great variety, is a treasure that every young person should get to know.	第一句用 with its long history and great variety 写出传统文化的特点，再把它比作 a treasure（瑰宝），说明每个年轻人都应该了解。
指出现实问题，引出话题	It is therefore worth considering how to enrich their knowledge of their own culture.	第二句写出问题（大学生对外国电影、网游比对古典诗词更熟悉），第三句用 how to enrich their knowledge 原样回到校报征稿的话题。
做法一：学校开设选修课	First, universities can offer elective courses in subjects such as calligraphy, Chinese painting and classical literature	第一条做法由学校来做：开设书法、国画、古典文学选修课，并且教法要生动，不只是讲课。
做法二：社团组织动手活动（配例子）	Second, student clubs can organize hands-on activities.	第二条做法由社团来做，用 For example 举出端午节前包粽子、学剪纸两个例子，再用一句话点明好处：文化变成享受，而不是死记硬背。
做法三：学生自己主动学习	Third, students themselves should take the initiative to read classic works and visit museums and historical sites in their spare time.	第三条做法落到学生自己：主动读经典、逛博物馆和名胜古迹。三条做法分别由学校、社团、学生来做，覆盖全面。
写出效果，收尾	Instead, it will become part of students' daily lives and a source of pride that they carry into the future.	结尾两句写效果：传统文化不再遥远，而是成为日常生活的一部分和自豪之源，给投稿一个积极有力的结尾。
字数 120—180 词	Traditional Chinese culture, with its long history	全文共 175 词：第一段 3 句，第二段 5 句，第三段 2 句，落在 160—180 词的目标区间内，没有超过 180 词。

4 写作思路

先列提纲，每段一个任务

第一段

说明重要性，指出问题，引出话题

传统文化历史悠久、丰富多彩，是年轻人应该了解的瑰宝 → 问题：许多大学生对外国电影、网游比对古典诗词、传统节日更熟悉 → 因此值得思考怎样丰富他们的了解

第二段

分三条给出具体做法

First：学校开设书法、国画、古典文学选修课，教法生动 → Second：社团组织动手活动（包粽子、学剪纸），文化变成享受 → Third：学生自己主动读经典、逛博物馆和名胜古迹

第三段

写出效果，收尾

知识与亲身体验结合，传统文化就不再遥远 → 成为日常生活的一部分和带向未来的自豪之源

5 满分范文

荧光笔 + 圆圈编号 = 下面讲的高分句式

[1] Traditional Chinese culture, with its long history and great variety, is a treasure that every young person should get to know①. [2] However, many college students today are more familiar with foreign movies and online games than with classical poetry or traditional festivals②. [3] It is therefore worth considering how to enrich their knowledge of their own culture③.

[4] First, universities can offer elective courses in subjects such as calligraphy, Chinese painting and classical literature, taught in engaging ways rather than through lectures alone④. [5] Second, student clubs can organize hands-on activities. [6] For example, students can make rice dumplings together before the Dragon Boat Festival or learn traditional crafts like paper cutting. [7] Such experiences make culture something to enjoy rather than something to memorize⑤. [8] Third, students themselves should take the initiative to read classic works⑥ and visit museums and historical sites in their spare time.

[9] When knowledge is combined with personal experience, traditional culture will no longer seem distant⑦. [10] Instead, it will become part of students' daily lives and a source of pride that they carry into the future.

参考译文

中华传统文化历史悠久、丰富多彩，是每个年轻人都应该了解的瑰宝。然而，如今许多大学生对外国电影和网络游戏比对古典诗词或传统节日更熟悉。因此，值得思考如何丰富他们对本国文化的了解。

第一，大学可以开设书法、国画、古典文学等科目的选修课，并用生动有趣的方式讲授，而不只是单纯讲课。第二，学生社团可以组织动手实践活动。例如，学生们可以在端午节前一起包粽子，或者学习剪纸等传统手艺。这样的体验让文化成为可以享受的东西，而不是需要死记硬背的东西。第三，学生自己应该在课余时间主动阅读经典著作，参观博物馆和名胜古迹。

当知识与亲身体验相结合时，传统文化就不再显得遥远。相反，它会成为学生日常生活的一部分，成为他们带向未来的自豪之源。

6 一步一步写出这篇范文

01 开头先说传统文化的价值

用 with its long history and great variety 写出特点，再用 a treasure that every young person should get to know 说明“值得了解”，一句话交代为什么要谈这个话题。

> 1 Traditional Chinese culture, with its long history and great variety, is a treasure that every young person should get to know.
> 中华传统文化历史悠久、丰富多彩，是每个年轻人都应该了解的瑰宝。

02 用对比写出问题，引出“怎么办”

However 后用 more familiar with A than with B 写出现状：外国电影、网游对古典诗词、传统节日，对比鲜明；再用 It is therefore worth considering how to … 把话题引到“怎样丰富知识”上。

> 2 However, many college students today are more familiar with foreign movies and online games than with classical poetry or traditional festivals.
> 然而，如今许多大学生对外国电影和网络游戏比对古典诗词或传统节日更熟悉。
> 3 It is therefore worth considering how to enrich their knowledge of their own culture.
> 因此，值得思考如何丰富他们对本国文化的了解。

03 做法一：学校开课，说清怎么教

First 开头，写清谁（universities）、做什么（offer elective courses）、教什么（书法、国画、古典文学）；再用 taught in engaging ways rather than through lectures alone 补充“怎么教”，做法更完整。

> 4 First, universities can offer elective courses in subjects such as calligraphy, Chinese painting and classical literature, taught in engaging ways rather than through lectures alone.
> 第一，大学可以开设书法、国画、古典文学等科目的选修课，并用生动有趣的方式讲授，而不只是单纯讲课。

04 做法二：社团活动，配例子和好处

Second 开头先给做法（organize hands-on activities），For example 举出两个具体活动，Such experiences make … 再点明好处。“做法 → 例子 → 好处”三步，是一条做法最完整的写法。

> 5 Second, student clubs can organize hands-on activities.
> 第二，学生社团可以组织动手实践活动。
> 6 For example, students can make rice dumplings together before the Dragon Boat Festival or learn traditional crafts like paper cutting.
> 例如，学生们可以在端午节前一起包粽子，或者学习剪纸等传统手艺。
> 7 Such experiences make culture something to enjoy rather than something to memorize.
> 这样的体验让文化成为可以享受的东西，而不是需要死记硬背的东西。

05 做法三：落到学生自己

Third 开头，用 students themselves 强调“学生自己”，take the initiative to 写出“主动”，in their spare time 写出时间，做法具体可行。

> 8 Third, students themselves should take the initiative to read classic works and visit museums and historical sites in their spare time.
> 第三，学生自己应该在课余时间主动阅读经典著作，参观博物馆和名胜古迹。

06 结尾写效果，用 no longer 和 Instead 呼应

When knowledge is combined with personal experience 总结前面的做法（课程是知识，活动是体验），no longer seem distant 写出改变；下一句用 Instead 写出新的样子：成为日常生活的一部分和自豪之源。

> 9 When knowledge is combined with personal experience, traditional culture will no longer seem distant.
> 当知识与亲身体验相结合时，传统文化就不再显得遥远。
> 10 Instead, it will become part of students' daily lives and a source of pride that they carry into the future.
> 相反，它会成为学生日常生活的一部分，成为他们带向未来的自豪之源。

7 为什么是满分档

切题 · 结构与连贯 · 语言

切题

校报征稿的话题是“怎样丰富学生的传统文化知识”，范文只用开头一段说明价值和问题，然后用 how to enrich their knowledge 原样回到话题，主体段给出学校、社团、学生自己三条具体做法，每条都有内容（书法、国画、包粽子、剪纸、读经典、逛博物馆），结尾写出效果。重点放在“怎么做”上，没有把文章写成“传统文化为什么重要”，这正是最高档（13—15 分）作文切题、思想表达清楚的样子。

is a treasure that every young person should get to know

It is therefore worth considering how to enrich their knowledge of their own culture.

universities can offer elective courses　student clubs can organize hands-on activities

students themselves should take the initiative　traditional culture will no longer seem distant

结构与连贯

三段式：价值与问题 → 三条做法 → 效果。开头段用 However 写出问题，用 therefore 引出话题；主体段用 First、Second、Third 分条，第二条里用 For example 举例、用 Such experiences 承接例子；结尾段的 When knowledge is combined with personal experience 总结前面的做法，再用 Instead 写出新的样子。每个连接词都用在该用的地方，思路清清楚楚。

However　It is therefore worth considering　First　Second　For example　Such experiences　Third　Instead

语言

句式丰富又准确：with 引导的插入语、that 定语从句、more familiar with … than with … 的对比、It is worth considering how to … 的形式主语句、过去分词 taught 作后置定语、something to enjoy rather than something to memorize 的对称结构、When … no longer … 的结果句。用词准确生动，如 treasure、engaging、hands-on、take the initiative、a source of pride。全文没有语法错误，语言达到最高档“准确、多样”的要求。

with its long history and great variety

more familiar with foreign movies and online games than with classical poetry or traditional festivals

taught in engaging ways rather than through lectures alone

make culture something to enjoy rather than something to memorize

take the initiative to read classic works

a source of pride that they carry into the future

8 升格示范

普通写法一步一步改成满分句

升格 1

第 1 步 These activities are very interesting.
只说“有趣”，没有说出对了解传统文化有什么帮助。

第 2 步 These activities can help students learn culture happily.
说出了好处，但 learn culture happily 是中式说法，也没有和“死记硬背”形成对比。

第 3 步 Such experiences make culture interesting instead of boring.
用 Such experiences 承接上句的例子，用 instead of 写出对比；但 interesting / boring 太普通。最后改成 something to enjoy rather than something to memorize，两个结构完全相同的短语对比，“享受”对“死记硬背”，又准确又好记。

满分句 **Such experiences make culture something to enjoy rather than something to memorize.**

升格 2

第 1 步 Third, students should read more books.
read more books 太笼统，读什么书？和传统文化有什么关系？

第 2 步 Third, students should read classic works and visit museums.
写出了具体做法（读经典、逛博物馆），切题了；但看不出这一条和学校、社团的做法有什么不同。

第 3 步 Third, students themselves should actively read classic works and visit museums.
加上 themselves 强调“学生自己”，和前两条区分开。最后把 actively 换成更地道的 take the initiative to，再补上名胜古迹和 in their spare time，做法更完整、更具体。

满分句 **Third, students themselves should take the initiative to read classic works and visit museums and historical sites in their spare time.**

升格 3

第 1 步 However, many students do not know traditional culture.
说出了问题，但 do not know traditional culture 说得太绝对，也没有具体内容。

第 2 步 However, many students like foreign movies more than traditional culture.
有了对比，但“喜欢”不等于“不了解”，和题目说的 knowledge（知识）对不上。

第 3 步 However, many college students today know more about foreign movies than about classical poetry.
改成“知道得更多”，扣住了 knowledge。最后换成 be more familiar with … than with …，两边各举两样东西（外国电影、网游对古典诗词、传统节日），对比更鲜明。

满分句 **However, many college students today are more familiar with foreign movies and online games than with classical poetry or traditional festivals.**

9 高分句式

公式 → 原句 → 讲解 → 仿写

① with 插入语 + 比喻主题句

这个句式表达 表达“某物有……的特点，是一笔……的财富”，开头一句话写出话题的价值

公式 主语, with + its + 特点1 and 特点2, is + a treasure / a gift + that + 定语从句

范文原句 Traditional Chinese culture, with its long history and great variety, is a treasure that every young person should get to know

中华传统文化历史悠久、丰富多彩，是每个年轻人都应该了解的瑰宝

with its long history and great variety 插在主语和谓语之间，补充说明特点。a treasure（瑰宝）是比喻，比 is very important 生动得多；that every young person should get to know 是定语从句，说明为什么值得了解。get to know 意思是“了解、熟悉”。

例1 The Great Wall, with its long history and grand scale, is a treasure that the whole world admires.
长城历史悠久、规模宏大，是全世界都赞叹的瑰宝。

例2 Reading, with its endless joys and benefits, is a habit that every student should develop.
阅读有说不尽的乐趣和好处，是每个学生都应该养成的习惯。

也可以这样说

... is a precious heritage that ...
……是一份……的宝贵遗产

Rich in ..., ... is ...
……富有……，是……

② more familiar with A than with B 对比句

这个句式表达 表达“某些人对 A 比对 B 更熟悉”，用对比写出值得关注的现状

公式 主语 + are more familiar with + A + than with + B

范文原句 many college students today are more familiar with foreign movies and online games than with classical poetry or traditional festivals

如今许多大学生对外国电影和网络游戏比对古典诗词或传统节日更熟悉

be familiar with 意思是“熟悉”，比较时 than 后面要重复 with，前后结构才对称。A 和 B 各举两个具体的东西，对比鲜明，问题一下就清楚了，比 students know little about traditional culture 有画面感。

例1 Many children today are more familiar with video games than with outdoor sports.
如今许多孩子对电子游戏比对户外运动更熟悉。

例2 Some young people are more familiar with fast food than with home cooking.
有些年轻人对快餐比对家常菜更熟悉。

也可以这样说

... know more about A than about B
……对 A 比对 B 了解得更多

... show more interest in A than in B
……对 A 比对 B 更感兴趣

③ It is worth considering how to 引题句

这个句式表达 表达“因此值得思考怎样……”，指出问题之后把话题引到“怎么做”

公式 It is therefore worth considering + how to + 动词原形 …

范文原句 It is therefore worth considering how to enrich their knowledge of their own culture

因此，值得思考如何丰富他们对本国文化的了解

be worth doing 意思是“值得做”，worth 后面接动名词。therefore 放在句中，承接上一句的问题。how to enrich their knowledge 原样回扣题目的话题，告诉读者下面要讲“怎么做”，是开头段最后一句的好写法。

例1 It is therefore worth considering how to help students manage their time better.
因此，值得思考怎样帮助学生更好地管理时间。

例2 It is worth considering how to make our campus a greener place.
值得思考怎样让我们的校园更环保。

也可以这样说

The question is how to ...

问题在于怎样……

So what can be done to ...?

那么，可以做些什么来……?

④ taught in … rather than … 补充句

这个句式表达 表达“（课程）用……的方式讲授，而不只是……”，在做法后面补充说明怎样做才好

公式 名词, + 过去分词（taught / organized）+ in … ways + rather than + 介词短语

范文原句 taught in engaging ways rather than through lectures alone

用生动有趣的方式讲授，而不只是单纯讲课

taught 是过去分词，修饰前面的 elective courses，相当于 which are taught …。engaging 意思是“吸引人的、生动有趣的”。rather than through lectures alone 写出要避免的做法，让建议更有针对性：不只是开课，还要开好。

例1 Schools should offer English courses taught in lively ways rather than through grammar drills alone.

学校应该开设用生动方式讲授的英语课，而不只是做语法练习。

例2 History can be taught through stories and visits rather than through textbooks alone.

历史可以通过故事和参观来讲授，而不只是靠课本。

也可以这样说

..., not just through ...

……，而不只是通过……

... in a more interesting way

用更有趣的方式……

⑤ make A something to do rather than something to do 效果句

这个句式表达 表达“这样的体验让某事成为可以享受的东西，而不是需要死记硬背的东西”，点明一种做法带来的改变

公式 Such experiences + make + 宾语 + something to + 动词 A + rather than + something to + 动词 B

范文原句 Such experiences make culture something to enjoy rather than something to memorize

这样的体验让文化成为可以享受的东西，而不是需要死记硬背的东西

make + 宾语 + 名词 意思是“使……成为……”。something to enjoy 和 something to memorize 结构完全相同，只换一个动词，对比鲜明又好记。Such experiences 指上一句的包粽子、学剪纸，承接自然。

例1 Good teachers make English something to use rather than something to fear.

好老师让英语成为可以运用的东西，而不是令人害怕的东西。

例2 Field trips make science something to explore rather than something to memorize.

实地考察让科学成为可以探索的东西，而不是需要死记硬背的东西。

也可以这样说

... turn ... into a pleasure rather than a burden

……把……变成一种乐趣，而不是负担

... help students enjoy ... instead of just memorizing it

……让学生享受……，而不只是死记硬背

⑥ take the initiative to 主动句

这个句式表达 表达“某人自己应该主动去做……”，把做法落到个人身上

公式 主语 + themselves + should take the initiative to + 动词原形 … + in their spare time

范文原句 students themselves should take the initiative to read classic works

学生自己应该主动阅读经典著作

take the initiative to 意思是“主动做……”，比 should actively 更地道。themselves 放在主语后面表示强调“学生自己”，和前面的学校、社团区分开。in their spare time（课余时间）让建议更具体。

例1 Students themselves should take the initiative to talk with their teachers.

学生自己应该主动和老师交流。

例2 Young people should take the initiative to learn new skills in their spare time.

年轻人应该在业余时间主动学习新技能。

也可以这样说

... should make an effort to ...

……应该努力……

It is up to students themselves to ...

这要靠学生自己去……

⑦ When … will no longer … 结果句

这个句式表达 表达“当……和……结合起来，某事就不再……”，总结做法带来的变化

公式 When + A + is combined with + B, 主语 + will no longer + 动词原形 …

范文原句 When knowledge is combined with personal experience, traditional culture will no longer seem distant

当知识与亲身体验相结合时，传统文化就不再显得遥远

be combined with 意思是“与……相结合”。knowledge 对应课程和阅读，personal experience 对应动手活动，一句话总结了前面的做法。no longer 意思是“不再”，写出变化；seem distant（显得遥远）回应开头说的问题。

例1 When study is combined with exercise, school life will no longer seem stressful.

学习与锻炼相结合，校园生活就不再显得紧张。

例2 When theory is combined with practice, science will no longer seem boring.

理论与实践相结合，科学就不再显得枯燥。

也可以这样说

Once ..., ... will stop seeming ...

一旦……，……就不再显得……

By combining ... with ..., ...

通过把……和……结合起来，……

10 亮点词汇

把普通说法换成高分说法

高分表达	意思	替代的普通说法
treasure	n. 瑰宝；珍宝	something precious
variety	n. 多样性；种类	richness
enrich	v. 丰富；充实	add to
elective course	选修课	optional class
engaging	adj. 生动有趣的；吸引人的	interesting
hands-on	adj. 动手的；亲身实践的	practical
memorize	v. 记住；死记硬背	learn by heart
take the initiative to	主动做……	actively
distant	adj. 遥远的；疏远的	far away

大学生如何助力建设绿色校园

2024年12月大学英语四级 第3套 · 写作 Part I
议论文 · 范文 168 词

1 原题

Part I **Writing** **(30 minutes)**

Directions: *Suppose the university newspaper is inviting submissions from the students for its coming edition on how the students can contribute to a green campus. You are now to write an essay for submission. You will have 30 minutes to write the essay. You should write at least 120 words but no more than 180 words.*

题目译文

假设你们学校的校报（university newspaper）正在向学生征稿（inviting submissions），下一期的主题是：学生可以怎样为建设绿色校园出一份力（contribute to a green campus）。

现在请你写一篇文章投稿（write an essay for submission）。

你有 30 分钟（30 minutes）写这篇文章（essay）。

字数：至少 120 词（at least 120 words），但不超过 180 词（no more than 180 words）。

2 审题

先弄清楚要写什么，再动笔

情景作文：给校报投稿，谈学生怎样为建设绿色校园出力

120—180 词（题目要求 at least 120 words but no more than 180 words）；范文写到 168—180 词，本篇 168 词。三条做法每条一两句，写到 160 词左右就开始收尾，绝不能超过 180 词

- [ ] 开头说明绿色校园的意义，并点出学生有责任、也有能力参与建设
- [ ] 题目问的是 how the students can contribute（学生能做什么），主体段要给出两三条学生能做的具体做法
- [ ] 每条做法都要落到日常行动上（关灯、自带水杯、垃圾分类……），而不是喊“保护环境”的口号
- [ ] 结尾总结：人人参与、坚持习惯，校园会变得怎样

语气与身份：给校报投稿：正式、积极，以 students、everyone 作主语，用 can、should 提出做法；不用 you 对读者说教，也不用口语

容易失分的地方

- 主语是学生：题目问的是学生能做什么，不要写成“学校应该多种树、装太阳能板”
- 做法要具体、可做：写出 turning off lights、bringing their own cups、sorting garbage，不要只写 protect the environment
- 三条做法不要重复：节约资源、减少浪费、参加环保社团是三个不同的方面，不要三条都写“节约用水用电”
- garbage、waste 不可数，不加 s；“垃圾分类”是 sort garbage，不是 classify rubbish into kinds

3 题目要求逐条落实

每一条要求 → 范文里的哪一句

题目要求	范文原句	怎么做到的
说明绿色校园的意义	A green campus is not only a pleasant place to study but also a reflection of the values a university holds.	第一句用 not only … but also … 写出绿色校园的两层意义：宜人的学习环境，体现大学的价值观，说明这个话题值得谈。
点出学生的责任和能力	As the largest group on campus, students have both the responsibility and the ability to help build it.	第二句把话题落到学生身上：学生人数最多，既有责任也有能力，自然引出下面“学生能做什么”。
做法一：节约资源	First, students can save resources in their daily lives.	第一条做法先总说，再列出关灯和空调、缩短淋浴、双面打印三件小事，并指出小事加起来作用很大。
做法二：减少浪费	In addition, students should reduce waste by bringing their own cups and lunch boxes, sorting garbage correctly and passing on used textbooks to younger students.	第二条做法用 by 引出三种具体方式：自带水杯饭盒、垃圾分类、把旧课本传给学弟学妹。
做法三：参加环保社团	Moreover, those who care deeply about the environment can join green clubs to plant trees, organize recycling campaigns and raise awareness through social media.	第三条做法从“自己做”扩展到“带动别人”：参加环保社团植树、组织回收活动、在社交媒体上宣传。
总结，写出效果	If everyone starts with small things and sticks to good habits, the campus will become greener and more beautiful	结尾先用 In short 总结“需要每个学生努力”，再写出人人坚持的效果：校园更绿更美，好习惯还会伴随学生走出校门。
字数 120—180 词	A green campus is not only	全文共 168 词：第一段 2 句，第二段 4 句，第三段 2 句，落在 160—180 词的目标区间内，没有超过 180 词。

4 写作思路

先列提纲，每段一个任务

第一段

说明意义，点出学生的角色

绿色校园不仅是宜人的学习场所，也体现大学的价值观 → 学生是校园里人数最多的群体，既有责任也有能力参与建设

第二段

分三条写学生能做什么

First：日常节约资源（关灯和空调、缩短淋浴、双面打印），小事加起来作用大 → In addition：减少浪费（自带杯子饭盒、垃圾分类、传递旧课本）→ Moreover：关心环境的同学加入环保社团（植树、回收活动、社交媒体宣传）

第三段

总结，写出效果

总之，建设绿色校园需要每个学生的努力 → 人人从小事做起、坚持好习惯，校园更绿更美，习惯伴随学生到毕业以后

5 满分范文

荧光笔 + 圆圈编号 = 下面讲的高分句式

[1] A green campus is not only a pleasant place to study but also a reflection of the values a university holds①. [2] As the largest group on campus, students have both the responsibility and the ability to help build it②.

[3] First, students can save resources in their daily lives. [4] Turning off lights and air conditioners when leaving classrooms, taking shorter showers and printing on both sides of each sheet may seem like small actions, but together they make a big difference③. [5] In addition, students should reduce waste by bringing their own cups and lunch boxes, sorting garbage correctly and passing on used textbooks to younger students④. [6] Moreover, those who care deeply about the environment can join green clubs to plant trees, organize recycling campaigns and raise awareness through social media⑤.

[7] In short, building a green campus requires every student's effort. [8] If everyone starts with small things and sticks to good habits, the campus will become greener and more beautiful⑥, and these habits will stay with students long after graduation.

参考译文

绿色校园不仅是宜人的学习场所，也体现了一所大学秉持的价值观。作为校园里人数最多的群体，学生既有责任也有能力参与建设绿色校园。

首先，学生可以在日常生活中节约资源。离开教室时关掉电灯和空调、缩短淋浴时间、每张纸都双面打印，这些也许看起来是小事，但加在一起作用很大。此外，学生应该减少浪费：自带水杯和饭盒，正确进行垃圾分类，把用过的课本传给低年级的同学。而且，那些十分关心环境的同学可以加入环保社团，植树造林，组织回收活动，并通过社交媒体提高大家的环保意识。

总之，建设绿色校园需要每个学生的努力。如果每个人都从小事做起、坚持良好的习惯，校园就会变得更绿、更美，而这些习惯也会在学生毕业后长久地伴随他们。

6 一步一步写出这篇范文

01 开头写意义，不写空话

不要写 Nowadays environmental protection is very important；用 not only a pleasant place to study but also a reflection of the values 写出绿色校园的两层意义，开头就有内容。

> 1 A green campus is not only a pleasant place to study but also a reflection of the values a university holds.
> 绿色校园不仅是宜人的学习场所，也体现了一所大学秉持的价值观。

02 把话题落到学生身上

As the largest group on campus 先说学生的身份，再用 both the responsibility and the ability 写出“该做”和“能做”，为后面的做法做好铺垫。

> 2 As the largest group on campus, students have both the responsibility and the ability to help build it.
> 作为校园里人数最多的群体，学生既有责任也有能力参与建设绿色校园。

03 做法一：总说 + 三件小事 + 意义

First 句先总说“节约资源”，下一句用三个动名词短语作主语列出三件小事，再用 may seem like small actions, but together they make a big difference 点明意义，回答“小事有什么用”。

> 3 First, students can save resources in their daily lives.
> 首先，学生可以在日常生活中节约资源。
> 4 Turning off lights and air conditioners when leaving classrooms, taking shorter showers and printing on both sides of each sheet may seem like small actions, but together they make a big difference.
> 离开教室时关掉电灯和空调、缩短淋浴时间、每张纸都双面打印，这些也许看起来是小事，但加在一起作用很大。

04 做法二：用 by 列出具体方式

In addition 开头，reduce waste 是做法，by 后面接三个动名词短语说明“怎么减少”，一句话写出三个行动。

> 5 In addition, students should reduce waste by bringing their own cups and lunch boxes, sorting garbage correctly and passing on used textbooks to younger students.
> 此外，学生应该减少浪费：自带水杯和饭盒，正确进行垃圾分类，把用过的课本传给低年级的同学。

05 做法三：从自己做到带动别人

Moreover 开头，用 those who care deeply about the environment 指出“特别关心环境的同学”，join green clubs to 后面接三个行动，写出影响更多人的做法，比前两条更进一步。

> 6 Moreover, those who care deeply about the environment can join green clubs to plant trees, organize recycling campaigns and raise awareness through social media.
> 而且，那些十分关心环境的同学可以加入环保社团，植树造林，组织回收活动，并通过社交媒体提高大家的环保意识。

06 总结 + 条件 + 长远效果

In short 一句总结“需要每个学生的努力”；最后一句用 If 写条件（从小事做起、坚持习惯），写出两层效果：现在校园更绿更美，将来习惯伴随一生。

> 7 In short, building a green campus requires every student's effort.
> 总之，建设绿色校园需要每个学生的努力。
> 8 If everyone starts with small things and sticks to good habits, the campus will become greener and more beautiful, and these habits will stay with students long after graduation.
> 如果每个人都从小事做起、坚持良好的习惯，校园就会变得更绿、更美，而这些习惯也会在学生毕业后长久地伴随他们。

7 为什么是满分档

切题

题目问的是学生怎样为绿色校园出力，范文第一段就把话题落到学生身上（既有责任也有能力），第二段的三条做法全部是学生能做的事：节约资源、减少浪费、参加环保社团，每条都写出具体行动；第三段总结人人参与的效果。没有写成“学校应该怎么做”，也没有空喊环保口号，这正是最高档（13—15 分）作文切题、思想表达清楚的样子。

- students have both the responsibility and the ability to help build it
- First, students can save resources in their daily lives.
- students should reduce waste
- can join green clubs
- In short, building a green campus requires every student’s effort.

结构与连贯

三段式：意义与角色 → 三条做法 → 总结与效果。第一段第二句用 it 指代 a green campus，自然引出学生；第二段用 First、In addition、Moreover 分条，每条做法由浅入深：从自己节约，到减少浪费，再到带动别人；第三段用 In short 总结，最后一句写出现在和将来的效果。段落之间、句子之间衔接清楚，读者顺着连接词就能看清思路。

- As the largest group on campus
- First
- but together they make a big difference
- In addition
- Moreover
- In short

语言

句式多样又准确：not only … but also … 的并列、As 引出身份、both … and … 的并列、三个动名词短语作主语、may seem like … but together … 的让步转折、by doing 的方式状语、those who 定语从句、If 条件句。用词具体，如 a reflection of、passing on used textbooks、organize recycling campaigns、raise awareness、sticks to good habits。全文没有语法错误，语言达到最高档“准确、多样”的要求。

- not only a pleasant place to study but also a reflection of the values a university holds
- both the responsibility and the ability
- may seem like small actions, but together they make a big difference
- by bringing their own cups and lunch boxes, sorting garbage correctly and passing on used textbooks to younger students
- raise awareness through social media
- these habits will stay with students long after graduation

8 升格示范

普通写法一步一步改成满分句

升格 1

第 1 步 We should save water and electricity.
只是一句口号，怎么节约？读者不知道；人称也从 students 变成了 we。

第 2 步 Students can turn off lights, take shorter showers and print on both sides of paper.
列出了三件具体的事，做法清楚了；但没有说明这些小事有什么意义。

第 3 步 Turning off lights, taking shorter showers and printing on both sides of paper are small actions, but they are useful.
改成三个动名词短语作主语，并说出“小事也有用”；但 are useful 太平淡。最后补上 when leaving classrooms 等细节，用 may seem like small actions, but together they make a big difference 先让步再转折，意思更深一层。

满分句 **Turning off lights and air conditioners when leaving classrooms, taking shorter showers and printing on both sides of each sheet may seem like small actions, but together they make a big difference.**

升格 2

第 1 步 In addition, students should not waste things.
should not waste things 太笼统，没有一个具体行动。

第 2 步 In addition, students should reduce waste. They can bring their own cups and sort garbage.
用 reduce waste 说出做法，又给出两个行动；但分成两句，显得零碎。

第 3 步 In addition, students should reduce waste by bringing their own cups and sorting garbage.
用 by doing 把做法和方式连成一句，更紧凑。最后补上 lunch boxes、correctly 和“把旧课本传给学弟学妹”，三个行动并列，内容更充实。

满分句 **In addition, students should reduce waste by bringing their own cups and lunch boxes, sorting garbage correctly and passing on used textbooks to younger students.**

升格 3

第 1 步 Students should help build a green campus.
说出了观点，但没有理由：为什么是学生？

第 2 步 There are many students on campus, so they should help build it.
给出了理由（学生多），但用 There are … so … 两句话连起来，表达比较平。

第 3 步 As the largest group on campus, students should help build it.
用 As 引出身份，一个短语就交代了理由，更简洁。最后把 should 换成 have both the responsibility and the ability to，既写出“该做”也写出“能做”，为下文的做法做好铺垫。

满分句 **As the largest group on campus, students have both the responsibility and the ability to help build it.**

① not only … but also 双重意义句

这个句式表达 表达“某物不仅是……，也是……”，开头写出话题的两层意义

公式 主语 + is not only + 名词短语 A + but also + 名词短语 B

范文原句 A green campus is not only a pleasant place to study but also a reflection of the values a university holds

绿色校园不仅是宜人的学习场所，也体现了一所大学秉持的价值观

not only 和 but also 后面都是名词短语，结构对称。A 是看得见的好处（宜人的学习场所），B 是更深一层的意义（大学的价值观），由浅到深。a reflection of 意思是“……的体现”；the values a university holds 省略了 that，意思是“大学秉持的价值观”。

例1 A library is not only a place to borrow books but also a place to think quietly.

图书馆不仅是借书的地方，也是安静思考的地方。

例2 Good manners are not only a sign of respect but also a reflection of a person's upbringing.

良好的礼貌不仅是尊重的表现，也体现了一个人的教养。

也可以这样说

... is ... as well as ...

……既是……也是……

... reflects ...

……体现了……

② As 身份 + both … and … 角色句

这个句式表达 表达“作为……，某人既有责任也有能力做……”，把话题落到某个群体身上

公式 As + 身份, 主语 + have both the responsibility and the ability to + 动词原形 …

范文原句 As the largest group on campus, students have both the responsibility and the ability to help build it

作为校园里人数最多的群体，学生既有责任也有能力参与建设绿色校园

As 在这里是介词，意思是“作为”，后面接身份。both the responsibility and the ability 写出两层：“应该做”和“能做到”，为下面的做法铺路。help build it 中 help 后面直接接动词原形。

例1 As future teachers, we have both the responsibility and the ability to change children's lives.

作为未来的教师，我们既有责任也有能力改变孩子们的人生。

例2 As young citizens, college students have both the responsibility and the ability to serve society.

作为年轻公民，大学生既有责任也有能力服务社会。

也可以这样说

Being ..., ... should ...

作为……，……应该……

... have a key role to play in ...

……在……中能发挥关键作用

③ 动名词主语 + may seem like ... but together ... 小事大意义句

这个句式表达 表达“做……这些事看起来也许是小事，但加在一起作用很大”，说明小行动的大意义

公式 Doing A, doing B and doing C + may seem like small actions, but together they + make a big difference

范文原句 Turning off lights and air conditioners when leaving classrooms, taking shorter showers and printing on both sides of each sheet may seem like small actions, but together they make a big difference

离开教室时关掉电灯和空调、缩短淋浴时间、每张纸都双面打印，这些也许看起来是小事，但加在一起作用很大

三个动名词短语一起作主语，列出三件具体的小事。may seem like 先让一步（看起来是小事），but together 再转回来（加起来作用很大），回答了读者心里“这么小的事有用吗”的疑问。make a big difference 意思是“作用很大、影响很大”。

例1 Saying thank you and holding the door for others may seem like small actions, but together they make a big difference.

说声谢谢、为别人扶门，这些看起来也许是小事，但加在一起作用很大。

例2 Reading ten pages a day may seem like a small step, but over a year it makes a big difference.

每天读十页书看起来也许只是一小步，但一年下来作用很大。

也可以这样说

Small as they are, these actions ...

这些行动虽小，却……

Every little bit helps.

积少成多，每一点都有用。

④ reduce … by doing 方式句

这个句式表达 表达“某人应该通过做……来减少……”，提出做法并列出具体方式

公式 主语 + should + 动词原形（reduce waste）+ by + doing A, doing B and doing C

范文原句 students should reduce waste by bringing their own cups and lunch boxes, sorting garbage correctly and passing on used textbooks to younger students

学生应该减少浪费：自带水杯和饭盒，正确进行垃圾分类，把用过的课本传给低年级的同学

by 后面接动名词，说明“用什么方法”。三个动名词短语并列，形式整齐。pass on … to … 意思是“把……传给……”。一个做法配三种具体方式，阅卷老师一看就知道学生真的能做什么。

例1 We can save water by taking shorter showers and turning off taps tightly.
我们可以通过缩短淋浴时间、关紧水龙头来节约用水。

例2 Students can improve their health by eating breakfast, going to bed early and exercising every day.
学生可以通过吃早餐、早睡和每天锻炼来改善健康。

也可以这样说

..., for example, by ...
……，比如通过……

One way to ... is to ...
……的一个方法是……

⑤ those who … can join … to … 行动句

这个句式表达 表达“那些特别关心……的人可以加入……去做……”，把做法从个人扩展到带动别人

公式 those who + 定语从句 + can join + 组织 + to + 动词 A, 动词 B and 动词 C

范文原句 those who care deeply about the environment can join green clubs to plant trees, organize recycling campaigns and raise awareness through social media

那些十分关心环境的同学可以加入环保社团，植树造林，组织回收活动，并通过社交媒体提高大家的环保意识

those who care deeply about 意思是“那些十分关心……的人”，不要求人人都做，建议更合理。join … to … 中 to 表示目的，后面接三个动词短语。raise awareness 意思是“提高意识”，是谈环保、健康、安全话题的常用搭配。

例1 Those who love reading can join book clubs to share ideas and make friends.
爱读书的同学可以加入读书会，交流想法、结交朋友。

例2 Students who care about public health can join volunteer groups to raise awareness of healthy eating.
关心公共健康的学生可以加入志愿者团体，提高大家对健康饮食的认识。

也可以这样说

Students with a strong interest in ... can ...

对……很感兴趣的学生可以……

... can take part in ... to ...

……可以参加……来……

⑥ If ... sticks to ... will ... 条件效果句

这个句式表达 表达“如果每个人都……并坚持……，某处就会变得更……”，结尾写出人人参与的效果

公式 If everyone + starts with … and sticks to …, 主语 + will become + 比较级 and 比较级

范文原句 If everyone starts with small things and sticks to good habits, the campus will become greener and more beautiful

如果每个人都从小事做起、坚持良好的习惯，校园就会变得更绿、更美

If 条件句用一般现在时（starts、sticks），主句用 will，这是条件句的基本规则。start with small things（从小事做起）、stick to good habits（坚持好习惯）都是很实用的搭配。greener and more beautiful 两个比较级并列，写出变化。

例1 If everyone starts with small things and sticks to good habits, our city will become cleaner and safer.

如果每个人都从小事做起、坚持好习惯，我们的城市就会变得更干净、更安全。

例2 If students stick to a regular schedule, they will become healthier and more energetic.

如果学生坚持规律作息，他们就会变得更健康、更有活力。

也可以这样说

As long as everyone ..., ...

只要人人都……，……

With everyone's effort, ...

在大家的努力下，……

10 亮点词汇

把普通说法换成高分说法

高分表达	意思	替代的普通说法
reflection	n. 体现；反映	sign
responsibility	n. 责任	duty
resources	n. 资源	supplies
make a big difference	作用很大；影响很大	matter a lot
sort garbage	垃圾分类	separate waste
pass on	传递；转交	give
campaign	n. （有组织的）活动；运动	event
raise awareness	提高意识	make people aware
stick to	坚持	keep

MODEL ESSAY 13 · PART I WRITING

大学图书馆是否应向公众开放

2024年6月大学英语四级 第1套 · 写作 Part I

议论文 · 范文 177 词

1 原题

Part I **Writing** **(30 minutes)**

Directions: *Suppose your university is seeking students' opinions on whether university libraries should be open to the public. You are now to write an essay to express your view. You will have 30 minutes for the task. You should write at least 120 words but no more than 180 words.*

题目译文

假设你们学校正在征求学生的意见（seeking students' opinions）：大学图书馆（university libraries）是否应当向社会公众开放（be open to the public）。

现在请你写一篇文章（essay），表达你的观点（express your view）。

你有 30 分钟（30 minutes）完成这项写作任务（task）。

字数：至少 120 词（at least 120 words），但不超过 180 词（no more than 180 words）。

2 审题

先弄清楚要写什么，再动笔

情景作文：学校征求意见，大学图书馆是否应该向公众开放

120—180 词（题目要求 at least 120 words but no more than 180 words）；范文写到 168—180 词，本篇 177 词。理由和办法都要写，写到 160 词左右就开始收尾，绝不能超过 180 词

- [ ] 回应学校征求意见：开头点出问题，说明自己要发表看法
- [ ] 亮明立场：开放还是不开放，要明确；可以加一个条件，但不能含糊其辞
- [ ] 说明理由：开放对公众、对学校有什么好处，用具体事实说明
- [ ] 正视顾虑：图书馆首先是给学生用的，要说出问题并给出解决办法，最后得出结论

语气与身份：正式、理性的议论语气：回应学校，用 I fully support 亮明立场，论证部分以 the library、the university 作主语，提办法用 could，语气礼貌、有分寸；不用口语

容易失分的地方

- 立场要明确：不要写成“开放有好处也有坏处，所以很难说”，阅卷老师要看到清楚的观点
- 既然图书馆是“学生优先”，就要在文中说清楚学生的利益怎么保证（预约、限流、考试周专区），只喊“学生优先”不够
- 理由要具体：写出学术期刊、专业数据库，比 the library has many books 有说服力
- be open to the public（向公众开放）是固定说法，the public 前面的 the 不能丢，介词用 to，不要写成 open for public

3 题目要求逐条落实

每一条要求 → 范文里的哪一句

题目要求	范文原句	怎么做到的
回应学校征求意见	Since our university is asking for students' views on this question, I would like to share mine.	开头先用一个问句点出话题，第二句用 Since 交代写作背景（学校在征求意见），自然过渡到自己的看法。
亮明立场	I fully support opening the library to the public, as long as students' needs come first.	fully support 写出明确的立场，as long as students' needs come first 加上前提，为第三段的顾虑和办法埋下伏笔。
理由：资源更好地发挥作用	Allowing local residents to use these resources promotes lifelong learning and makes better use of what the library already has.	先说大学图书馆藏书更专业（学术期刊、专业数据库），再说开放能促进终身学习、让现有资源发挥更大作用，理由有事实支撑。
理由：加强大学与社区的联系	Moreover, opening the library strengthens the bond between the university and the community around it.	用 Moreover 补充第二个好处：拉近大学与周边社区的关系，理由从“资源”扩展到“关系”。
正视顾虑	However, the library is first and foremost a place for students to study, and seats are often in short supply, especially before exams.	用 However 转到问题：图书馆首先是学生学习的地方，考前座位紧张，呼应第一段的“学生优先”。
给出解决办法	Therefore, the university could ask visitors to sign up in advance, limit the number of visitors each day and keep certain areas open only to students during exam weeks.	提出三条具体办法：提前预约、每天限流、考试周设学生专区，正好解决上一句的座位问题。
得出结论	Managed this way, the library can serve both students and the public well, and opening it will bring far more benefits than problems.	最后一句总结：管理得当就能两全，好处远多于问题，回到第一段的立场。
字数 120—180 词	Should university libraries be open to the public?	全文共 177 词：第一段 3 句，第二段 4 句，第三段 3 句，落在 160—180 词的目标区间内，没有超过 180 词。

4 写作思路

先列提纲，每段一个任务

第一段

点出问题，亮明立场

问句点出话题 → 学校征求意见，我来谈谈看法 → 立场：完全支持开放，前提是学生的需求优先

第二段

说明开放的好处

总说：开放有明显的好处 → 好处一：藏书更专业（学术期刊、专业数据库），开放能促进终身学习、充分利用资源 → 好处二：加强大学与社区的联系

第三段

正视顾虑，给出办法，得出结论

顾虑：图书馆首先是学生学习的地方，考前座位紧张 → 办法：提前预约、每天限流、考试周设学生专区 → 结论：管理得当就能两全，好处远多于问题

5 满分范文

荧光笔 + 圆圈编号 = 下面讲的高分句式

[1] Should university libraries be open to the public? [2] Since our university is asking for students' views on this question, I would like to share mine①. [3] I fully support opening the library to the public, as long as students' needs come first②.

[4] Opening the library brings clear benefits. [5] A university library usually has a more specialized collection than a local public library, including academic journals and professional databases③. [6] Allowing local residents to use these resources promotes lifelong learning and makes better use of what the library already has④. [7] Moreover, opening the library strengthens the bond between the university and the community around it.

[8] However, the library is first and foremost a place for students to study⑤, and seats are often in short supply, especially before exams. [9] Therefore, the university could ask visitors to sign up in advance, limit the number of visitors each day and keep certain areas open only to students during exam weeks⑥. [10] Managed this way, the library can serve both students and the public well, and opening it will bring far more benefits than problems⑦.

参考译文

大学图书馆应该向公众开放吗？既然学校正在征求学生对这个问题的意见，我想谈谈自己的看法。我完全支持向公众开放图书馆，只要优先满足学生的需求。

开放图书馆有明显的好处。大学图书馆的藏书通常比当地的公共图书馆更专业，包括学术期刊和专业数据库。允许当地居民使用这些资源，能促进终身学习，也能更好地利用图书馆现有的资源。此外，开放图书馆能加强大学与周边社区之间的联系。

然而，图书馆首先是供学生学习的地方，座位常常紧张，考试前尤其如此。因此，学校可以要求来访者提前预约，限制每天的来访人数，并在考试周把某些区域只留给学生使用。这样管理的话，图书馆就能同时为学生和公众提供良好的服务，开放图书馆带来的好处将远远多于问题。

6 一步一步写出这篇范文

01 问句开头，回应征求意见

第一句把题目的问题变成一个问句，直接点出话题；第二句用 Since our university is asking for students' views 交代背景，再用 I would like to share mine 引出看法。mine 指 my views，避免重复。

> 1 Should university libraries be open to the public?
> 大学图书馆应该向公众开放吗?
> 2 Since our university is asking for students' views on this question, I would like to share mine.
> 既然学校正在征求学生对这个问题的意见，我想谈谈自己的看法。

02 立场 + 前提

用 I fully support 写出明确的立场，再用 as long as students' needs come first 加一个前提。前提就是第三段要讲的内容，开头埋下，结尾就能呼应。

> 3 I fully support opening the library to the public, as long as students' needs come first.
> 我完全支持向公众开放图书馆，只要优先满足学生的需求。

03 好处一：先摆事实，再说好处

Opening the library brings clear benefits 总起；下一句用 more specialized … than … 写出大学图书馆的特点，including 举出期刊和数据库；再用动名词短语作主语，写出两个好处：促进终身学习、充分利用资源。

> 4 Opening the library brings clear benefits.
> 开放图书馆有明显的好处。
> 5 A university library usually has a more specialized collection than a local public library, including academic journals and professional databases.
> 大学图书馆的藏书通常比当地的公共图书馆更专业，包括学术期刊和专业数据库。
> 6 Allowing local residents to use these resources promotes lifelong learning and makes better use of what the library already has.
> 允许当地居民使用这些资源，能促进终身学习，也能更好地利用图书馆现有的资源。

04 好处二：用 Moreover 补充

Moreover 引出另一个角度：开放能 strengthen the bond between the university and the community，理由从“资源”扩展到“关系”，不重复。

> 7 Moreover, opening the library strengthens the bond between the university and the community around it.
> 此外，开放图书馆能加强大学与周边社区之间的联系。

05 正视顾虑，马上给办法

However 转到问题，用 first and foremost 强调图书馆首先属于学生，用 in short supply 写出考前座位紧张；Therefore 后给出三条办法，每一条都针对这个问题。先写问题、马上解决，立场更有说服力。

> 8 However, the library is first and foremost a place for students to study, and seats are often in short supply, especially before exams.
> 然而，图书馆首先是供学生学习的地方，座位常常紧张，考试前尤其如此。
> 9 Therefore, the university could ask visitors to sign up in advance, limit the number of visitors each day and keep certain areas open only to students during exam weeks.
> 因此，学校可以要求来访者提前预约，限制每天的来访人数，并在考试周把某些区域只留给学生使用。

06 用过去分词短语收尾

Managed this way 指“按上面的办法管理”，承接上一句；主句写出两全的结果，最后用 far more benefits than problems 回到开头的立场。

> 10 Managed this way, the library can serve both students and the public well, and opening it will bring far more benefits than problems.
> 这样管理的话，图书馆就能同时为学生和公众提供良好的服务，开放图书馆带来的好处将远远多于问题。

7 为什么是满分档

切题 · 结构与连贯 · 语言

切题

题目要求就“图书馆是否应向公众开放”发表看法，范文第一段就亮明立场（完全支持，学生优先），第二段写开放的两个好处，第三段正视座位紧张的顾虑，给出三条办法，最后回到立场。开头说的“学生优先”在第三段得到落实，观点明确、理由具体、考虑周全，这正是最高档（13—15 分）作文切题、思想表达清楚的样子。

I fully support opening the library to the public, as long as students' needs come first.

Opening the library brings clear benefits.

the library is first and foremost a place for students to study

keep certain areas open only to students during exam weeks

opening it will bring far more benefits than problems

结构与连贯

三段式：问题与立场 → 好处 → 顾虑、办法与结论。第一段从问句到 Since 回应再到立场，层层推进；第二段用 Opening the library brings clear benefits 总起，用 these resources 指回上一句的期刊和数据库，用 Moreover 补充；第三段用 However 转折，用 Therefore 给出办法，用 Managed this way 承接办法得出结论。前后呼应，衔接紧密。

Since our university is asking for students' views

Opening the library brings clear benefits.

these resources

Moreover

However

Therefore

Managed this way

语言

句式多样又准确：问句开头、Since 原因状语从句、as long as 条件句、more … than … 的比较、including 引出例子、动名词短语作主语、first and foremost 强调、三个动词短语并列、过去分词短语 Managed this way 作状语。用词准确，如 specialized collection、lifelong learning、strengthens the bond、in short supply、sign up in advance。全文没有语法错误，语言达到最高档“准确、多样”的要求。

as long as students' needs come first

a more specialized collection than a local public library

promotes lifelong learning and makes better use of what the library already has

strengthens the bond between the university and the community around it

seats are often in short supply

Managed this way

8 升格示范

普通写法一步一步改成满分句

升格 1

第 1 步 I think the library should be open to the public.
立场有了，但 I think 语气偏弱，也没有考虑学生的利益。

第 2 步 I support opening the library to the public, but students are more important.
加上了对学生的考虑；但 but students are more important 和前半句的关系不清楚，像在自相矛盾。

第 3 步 I support opening the library to the public if students can still use it.
用 if 写成条件，逻辑清楚了；但 can still use it 要求太低。最后加上 fully 让立场更坚定，把条件改成 as long as students' needs come first（学生的需求优先），前提更准确，也为后文埋下伏笔。

满分句 **I fully support opening the library to the public, as long as students' needs come first.**

升格 2

第 1 步 So the university should manage it well.
manage it well 是空话，怎么管理？一条办法都没有。

第 2 步 Therefore, visitors should make an appointment and not too many people can come in.
有了两条办法，但主语换来换去，not too many people can come in 也说得很笨。

第 3 步 Therefore, the university could ask visitors to sign up in advance and limit the number of visitors each day.
统一用 the university could 作主语，两个动词短语并列，整齐又礼貌。最后再加上“考试周设学生专区”，正好回应上一句“考前座位紧张”，办法和问题一一对应。

满分句 **Therefore, the university could ask visitors to sign up in advance, limit the number of visitors each day and keep certain areas open only to students during exam weeks.**

升格 3

第 1 步 In a word, opening the library is a good idea.
结论有了，但和上一句的办法没有联系，a good idea 也很平淡。

第 2 步 If the library is managed in this way, both students and the public will be happy.
用 If … in this way 承接上文的办法，写出两全；但 will be happy 太口语，没有说出“服务”这层意思。

第 3 步 Managed this way, the library can serve both students and the public well.
把条件从句压缩成过去分词短语 Managed this way，句子更紧凑；serve … well 用词准确。最后补上 opening it will bring far more benefits than problems，回到第一段的立场，首尾呼应。

满分句 **Managed this way, the library can serve both students and the public well, and opening it will bring far more benefits than problems.**

9 高分句式

公式 → 原句 → 讲解 → 仿写

① Since … I would like to share mine 回应句

这个句式表达 表达“既然学校正在征求意见，我想谈谈自己的看法”，回应题目给的场景

公式 Since + 主语 + is asking for + 人’s views on + 话题, I would like to share mine.

范文原句 Since our university is asking for students’ views on this question, I would like to share mine

既然学校正在征求学生对这个问题的意见，我想谈谈自己的看法

Since 在这里是“既然”，交代写作的原因。ask for … views on … 意思是“征求对……的意见”。mine 就是 my views，用物主代词避免重复 views。一句话回应了场景，又引出了自己的观点，比 Now I will talk about this question 自然得多。

例1 Since the student union is asking for our suggestions on campus activities, I would like to share mine.

既然学生会正在征求我们对校园活动的建议，我想谈谈我的建议。

例2 Since the school newspaper is inviting opinions on online learning, I would like to share mine.

既然校报正在征集对在线学习的看法，我想谈谈自己的看法。

也可以这样说

I am glad to have the chance to share my opinion on ...

我很高兴有机会谈谈我对……的看法

As for whether ..., my answer is ...

至于是否……，我的回答是……

② as long as 前提立场句

这个句式表达 表达“我完全支持……，只要……”，立场明确，同时加上前提

公式 I fully support + doing …, as long as + 主语 + 谓语（前提）

范文原句 I fully support opening the library to the public, as long as students’ needs come first

我完全支持向公众开放图书馆，只要优先满足学生的需求

support 后面接动名词 opening。fully 写出立场坚定。as long as 意思是“只要”，引出条件；come first 意思是“放在第一位、优先”。立场明确又不绝对，后文再写“怎么保证学生优先”，前后呼应。

例1 I fully support having a part-time job, as long as it does not affect our studies.

我完全支持做兼职，只要不影响学业。

例2 I fully support using phones in class, as long as they are used for learning.

我完全支持在课堂上使用手机，只要是用来学习。

也可以这样说

I am in favor of ..., provided that ...

我赞成……，前提是……

I agree with ..., on condition that ...

我同意……，条件是……

③ more … than … + including 比较举例句

这个句式表达 表达“某物通常比另一物更……，包括……”，用比较写出特点，再举出具体例子

公式 主语 + usually has + a more + 形容词 + 名词 + than + 比较对象, including + 例子

范文原句 A university library usually has a more specialized collection than a local public library, including academic journals and professional databases

大学图书馆的藏书通常比当地的公共图书馆更专业，包括学术期刊和专业数据库

specialized 意思是“专业的”，collection 是“藏书、收藏”。和当地公共图书馆一比，大学图书馆的价值就突出了。including 引出具体例子，理由马上有了实在的内容。

例1 A university gym usually has more modern equipment than a community gym, including treadmills and rowing machines.

大学健身房的器材通常比社区健身房更现代化，包括跑步机和划船机。

例2 Big cities usually offer more job opportunities than small towns, including positions in technology and finance.

大城市通常比小城镇提供更多工作机会，包括科技和金融领域的职位。

也可以这样说

Compared with ..., ... has a richer ...

与……相比，……拥有更丰富的……

..., such as ...

……，比如……

④ 动名词主语 + promotes … and makes better use of 双重好处句

这个句式表达 表达“做某事既能促进……，又能更好地利用……”，一句话写出两个好处

公式 Allowing + 人 + to do … + promotes + 名词 + and makes better use of + what 从句

范文原句 Allowing local residents to use these resources promotes lifelong learning and makes better use of what the library already has

允许当地居民使用这些资源，能促进终身学习，也能更好地利用图书馆现有的资源

动名词短语 Allowing local residents to use these resources 作主语，谓语用单数（promotes、makes）。make better use of 意思是“更好地利用”；what the library already has 是宾语从句，意思是“图书馆已有的东西”。lifelong learning（终身学习）是谈教育的常用词。

例1 Sharing classrooms after school promotes community activities and makes better use of what the school already has.

放学后共享教室能促进社区活动，也能更好地利用学校现有的资源。

例2 Recycling old books saves money and makes better use of what we already have.

回收旧书能省钱，也能更好地利用我们已有的东西。

也可以这样说

… puts … to good use

……让……得到充分利用

… not only … but also …

……不仅……而且……

⑤ first and foremost 让步顾虑句

这个句式表达 表达“然而，某物首先是……，而且……”，承认对方的顾虑，强调某物的首要用途

公式 However, 主语 + is first and foremost + 名词 + for + 人 + to do …, and + 问题

范文原句 the library is first and foremost a place for students to study

图书馆首先是供学生学习的地方

first and foremost 意思是“首先、最重要的是”，比 first 语气更强。a place for students to study 用 for + 人 + to do 写出“供谁做什么”。在支持开放的文章里主动提出顾虑，说明作者考虑全面，立场更可信。

例1 However, a classroom is first and foremost a place for students to learn.

然而，教室首先是学生学习的地方。

例2 College is first and foremost a time for young people to study and grow.

大学首先是年轻人学习和成长的时期。

也可以这样说

Above all, ...

最重要的是，……

We must not forget that ...

我们不能忘记……

⑥ could ask ... limit ... keep ... 三项办法句

这个句式表达 表达“学校可以要求……、限制……，并……”，一句话给出三条具体办法

公式 Therefore, 主语 + could + 动词短语 A, 动词短语 B and 动词短语 C

范文原句 the university could ask visitors to sign up in advance, limit the number of visitors each day and keep certain areas open only to students during exam weeks

学校可以要求来访者提前预约，限制每天的来访人数，并在考试周把某些区域只留给学生使用

could 比 should 更委婉，向学校提建议时语气礼貌。三个动词短语共用一个 could，结构整齐。sign up in advance（提前预约）、limit the number of（限制……的数量）、keep … open only to …（只对……开放）都是可以直接迁移的搭配。三条办法都针对“座位紧张”，问题和办法一一对应。

例1 The school could open more study rooms, extend library hours and offer online booking for seats.

学校可以开放更多自习室、延长图书馆开放时间，并提供网上预约座位。

例2 The canteen could add more windows, offer more dishes and stay open longer at night.

食堂可以增加窗口、提供更多菜品，晚上延长营业时间。

也可以这样说

Measures such as ... could be taken.

可以采取……等措施。

One solution is to ...; another is to ...

一个办法是……；另一个办法是……

⑦ Managed this way 结论句

这个句式表达 表达“这样管理，某物就能……，而且好处远多于问题”，总结办法的效果，回到立场

公式 Managed this way, 主语 + can + 动词 + both A and B + well, and + 主语 + will bring far more benefits than problems

范文原句 Managed this way, the library can serve both students and the public well, and opening it will bring far more benefits than problems

这样管理的话，图书馆就能同时为学生和公众提供良好的服务，开放图书馆带来的好处将远远多于问题

Managed this way 是过去分词短语，相当于 If it is managed this way，逻辑主语就是后面的 the library。both students and the public 写出“两全”。far more benefits than problems 用比较写出结论，回到第一段 I fully support 的立场，首尾呼应。

例1 Managed this way, part-time jobs can bring students both money and experience.

这样安排的话，兼职能给学生带来收入和经验。

例2 Used wisely, smartphones will bring far more benefits than problems.

使用得当的话，智能手机带来的好处将远远多于问题。

也可以这样说

With careful management, ...

只要管理细致，……

In this way, ... can benefit both ... and ...

这样，……就能让……和……都受益

10 亮点词汇

把普通说法换成高分说法

高分表达	意思	替代的普通说法
specialized	adj. 专业的；专门的	professional
collection	n. 藏书；收藏品	books and materials
databases	n. 数据库	online resources
residents	n. 居民	people living nearby
lifelong learning	终身学习	learning throughout life
bond	n. 联系；纽带	relationship
first and foremost	首先；最重要的是	above all
in short supply	供不应求；短缺	not enough
sign up	报名；登记预约	register

大学食堂是否应向公众开放

2024年6月大学英语四级 第2套 · 写作 Part I
议论文 · 范文 174 词

1 原题

Part I **Writing** **(30 minutes)**

Directions: *Suppose your university is seeking students' opinions on whether university canteens should be open to the public. You are now to write an essay to express your view. You will have 30 minutes for the task. You should write at least 120 words but no more than 180 words.*

题目译文

假设你们学校正在征求学生的意见（seeking students' opinions）：大学食堂（university canteens）是否应当向社会公众开放（be open to the public）。

现在请你写一篇文章（essay），表达你的观点（express your view）。

你有 30 分钟（30 minutes）完成这项写作任务（task）。

字数：至少 120 词（at least 120 words），但不超过 180 词（no more than 180 words）。

2 审题

先弄清楚要写什么，再动笔

情景作文：学校征求意见，大学食堂是否应该向公众开放

120—180 词（题目要求 at least 120 words but no more than 180 words）；范文写到 168—180 词，本篇 174 词。理由和办法都要写，写到 160 词左右就开始收尾，绝不能超过 180 词

- [ ] 回应学校征求意见：开头点出大家正在讨论的问题
- [ ] 亮明立场：本篇选择“主要为师生服务，只有限开放”，立场要明确，不能写成“开不开都行”
- [ ] 说明理由：为什么不能完全开放，用拥挤、价格、安全等具体理由说明
- [ ] 给出“有限开放”的具体办法（什么时候开、怎么收费），最后总结这样安排的好处

语气与身份：正式、理性的议论语气：用 In my opinion 亮明立场，讲理由时以 canteens、students 作主语，假设情况用 would，提办法用 could，语气客观有分寸；不用口语

容易失分的地方

- “有限开放”也是一个明确的立场，但正文要说清“限在哪里”（时间、收费），否则立场就成了空话
- 理由要和食堂有关：拥挤、补贴、食品安全，而不是泛泛地说“外人进校园不安全”
- 讲还没发生的情况要用虚拟语气：if large numbers of visitors came in, lines would become longer，不要写成 will
- canteen 是可数名词，泛指时用复数 canteens；staff（教职员工）是集合名词，不加 s

3 题目要求逐条落实

每一条要求 → 范文里的哪一句

题目要求	范文原句	怎么做到的
回应征求意见，点出问题	Many students on our campus have been discussing whether university canteens should be open to the public.	第一句用 have been discussing whether 写出“大家一直在讨论”，用自己的话点出题目的问题，没有照抄题目。
亮明立场	In my opinion, canteens should mainly serve students and staff, and they should be open to the public only on a limited basis.	立场分两层：主要为师生服务，只在有限范围内对外开放。mainly 和 only on a limited basis 两个词把立场的分寸写清楚了。
理由一：用餐高峰已经很拥挤	The main reason is that canteens are already crowded at mealtimes.	先给出主要理由，再用学生课间时间短、外人涌入会排长队、找不到座位来具体说明。
理由二：补贴和价格	Opening canteens fully to the public would strain these subsidies and might lead to higher prices.	先说明食堂饭菜有学校补贴，再推出完全开放会让补贴吃紧、价格上涨，理由有因有果。
理由三：食品安全与校园安保	Food safety and campus security would also become harder to manage.	用 also 补充第三个理由，一句话带过，不展开，节省字数。
说明怎样有限开放	That said, canteens could welcome the public in a limited way, for example during off-peak hours or on weekends and holidays, when there are fewer students on campus.	用 That said 转到“可以怎样开放”：非高峰时段、周末和节假日开放，外来人员价格略高，把“有限”落到具体做法上。
总结这样安排的好处	Such arrangements would allow canteens to share their services with the community without affecting students' daily lives.	最后一句总结：既能与社区共享，又不影响学生生活，回到第一段“主要服务学生、有限开放”的立场。
字数 120—180 词	Many students on our campus	全文共 174 词：第一段 2 句，第二段 5 句，第三段 3 句，落在 160—180 词的目标区间内，没有超过 180 词。

4 写作思路

先列提纲，每段一个任务

第一段

点出问题，亮明立场

校园里大家一直在讨论食堂是否应该对外开放 → 立场：主要为师生服务，只有限开放

第二段

说明不能完全开放的理由

主要理由：用餐时间本来就拥挤（课间短，外人涌入会排长队、难找座位）→ 此外：饭菜有学校补贴，完全开放会让补贴吃紧、价格上涨 → 还有：食品安全和校园安保更难管理

第三段

给出有限开放的办法，总结

话虽如此：非高峰时段、周末和节假日对外开放 → 外来人员收费略高 → 总结：既与社区共享，又不影响学生生活

5 满分范文

荧光笔 + 圆圈编号 = 下面讲的高分句式

[1] Many students on our campus have been discussing whether university canteens should be open to the public①. [2] In my opinion, canteens should mainly serve students and staff, and they should be open to the public only on a limited basis②.

[3] The main reason is that canteens are already crowded at mealtimes③. [4] Students often have only a short break between classes, and if large numbers of visitors came in, lines would become longer and seats harder to find④. [5] In addition, canteen meals are often subsidized by the university to keep prices low for students. [6] Opening canteens fully to the public would strain these subsidies and might lead to higher prices⑤. [7] Food safety and campus security would also become harder to manage.

[8] That said, canteens could welcome the public in a limited way⑥, for example during off-peak hours or on weekends and holidays, when there are fewer students on campus. [9] Visitors could also be charged slightly more than students. [10] Such arrangements would allow canteens to share their services with the community without affecting students' daily lives⑦.

参考译文

校园里许多学生一直在讨论大学食堂是否应该向公众开放。在我看来，食堂应该主要为学生和教职员工服务，只在有限的范围内向公众开放。

主要原因是，食堂在用餐时间本来就很拥挤。学生课间往往只有很短的休息时间，如果大量外来人员进入，排的队就会更长，座位也更难找。此外，为了让学生享受低价，食堂饭菜往往由学校提供补贴。食堂完全向公众开放会使这些补贴不堪重负，还可能导致价格上涨。食品安全和校园安保也会变得更难管理。

话虽如此，食堂可以有限度地欢迎公众前来，例如在非高峰时段，或者在校园里学生较少的周末和节假日。对外来人员的收费也可以比学生略高一些。这样的安排能让食堂在不影响学生日常生活的情况下，与社区共享服务。

6 一步一步写出这篇范文

01 用“大家在讨论”引出问题

Many students on our campus have been discussing whether … 把题目的问题变成一个宾语从句，现在完成进行时写出“一直在讨论”，开头就和校园场景联系起来。

> 1 Many students on our campus have been discussing whether university canteens should be open to the public.
> 校园里许多学生一直在讨论大学食堂是否应该向公众开放。

02 立场写出分寸

In my opinion 后用两个 should 分句：mainly serve students and staff（主要服务谁），only on a limited basis（开放到什么程度）。立场不走极端，但一点也不含糊。

> 2 In my opinion, canteens should mainly serve students and staff, and they should be open to the public only on a limited basis.
> 在我看来，食堂应该主要为学生和教职员工服务，只在有限的范围内向公众开放。

03 主要理由：总说 + 具体情景

The main reason is that 先给出理由（已经很拥挤），下一句写出学生课间时间短，再用 if … came in, … would … 的虚拟语气推出后果：排长队、找不到座位。

> 3 The main reason is that canteens are already crowded at mealtimes.
> 主要原因是，食堂在用餐时间本来就很拥挤。
>
> 4 Students often have only a short break between classes, and if large numbers of visitors came in, lines would become longer and seats harder to find.
> 学生课间往往只有很短的休息时间，如果大量外来人员进入，排的队就会更长，座位也更难找。

04 第二、三个理由：一因一果，一句补充

In addition 引出补贴这一事实，下一句用 would strain … and might lead to … 推出后果；第三个理由用 also 一句带过，详略得当，不超字数。

> 5 In addition, canteen meals are often subsidized by the university to keep prices low for students.
> 此外，为了让学生享受低价，食堂饭菜往往由学校提供补贴。
>
> 6 Opening canteens fully to the public would strain these subsidies and might lead to higher prices.
> 食堂完全向公众开放会使这些补贴不堪重负，还可能导致价格上涨。
>
> 7 Food safety and campus security would also become harder to manage.
> 食品安全和校园安保也会变得更难管理。

05 That said 转到“怎样有限开放”

That said（话虽如此）先承认可以开放，再用 for example 给出时间（非高峰、周末节假日），when 从句说明原因（学生少）；下一句用 also 补充收费办法。

> 8 That said, canteens could welcome the public in a limited way, for example during off-peak hours or on weekends and holidays, when there are fewer students on campus.
> 话虽如此，食堂可以有限度地欢迎公众前来，例如在非高峰时段，或者在校园里学生较少的周末和节假日。
>
> 9 Visitors could also be charged slightly more than students.
> 对外来人员的收费也可以比学生略高一些。

06 总结安排的好处，回到立场

Such arrangements 指上面的两条办法，allow … to share … without affecting … 写出两全的结果，和第一段的立场呼应。

> 10 Such arrangements would allow canteens to share their services with the community without affecting students' daily lives.
> 这样的安排能让食堂在不影响学生日常生活的情况下，与社区共享服务。

7 为什么是满分档

切题 · 结构与连贯 · 语言

切题

题目要求就“食堂是否应向公众开放”发表看法，范文立场明确：主要为师生服务、只有限开放。第二段的三个理由（拥挤、补贴、安全）都和食堂直接相关，说明为什么不能完全开放；第三段说清“有限”具体是什么（非高峰时段、周末节假日开放，外来人员收费略高），最后总结两全的效果。立场、理由、办法环环相扣，这正是最高档（13—15 分）作文切题、思想表达清楚的样子。

canteens should mainly serve students and staff, and they should be open to the public only on a limited basis

The main reason is that canteens are already crowded at mealtimes.

canteen meals are often subsidized by the university

Food safety and campus security would also become harder to manage.

for example during off-peak hours or on weekends and holidays

without affecting students' daily lives

结构与连贯

三段式：问题与立场 → 理由 → 办法与结论。第二段用 The main reason is that、In addition、also 分出三个理由，由主到次，详略得当；these subsidies 指回上一句的补贴，句子之间扣得很紧；第三段用 That said 从“不能完全开放”转到“可以怎样开放”，用 also 补充办法，用 Such arrangements 总结。思路清楚，过渡自然。

The main reason is that

In addition

these subsidies

would also become harder to manage

That said

Visitors could also be charged

Such arrangements

语言

句式多样又准确：whether 宾语从句、现在完成进行时、The main reason is that 表语从句、if … came in, … would … 的虚拟语气、动名词短语作主语、would 和 might 区分把握程度、That said 的让步、when 引导的非限制性定语从句、allow … to … without doing 的结果句。用词准确，如 on a limited basis、subsidized、strain、off-peak hours、charged slightly more。全文没有语法错误，语言达到最高档“准确、多样”的要求。

only on a limited basis

if large numbers of visitors came in, lines would become longer and seats harder to find

would strain these subsidies and might lead to higher prices

That said

when there are fewer students on campus

Visitors could also be charged slightly more than students.

8 升格示范

普通写法一步一步改成满分句

升格 1

第 1 步 If outsiders come in, the canteen will be very crowded.
意思对，但 outsiders 有排斥意味，very crowded 也没有说出对学生有什么影响。

第 2 步 If many visitors come in, students will wait longer and cannot find seats.
写出了对学生的具体影响；但开放还没发生，用 will 不如用虚拟语气客气、严谨。

第 3 步 If large numbers of visitors came in, lines would become longer and seats would be harder to find.
改成虚拟语气（came、would），表示这是推想。最后省掉重复的 would be，并在前面补上“学生课间时间短”，说明为什么排长队对学生影响特别大。

满分句 **Students often have only a short break between classes, and if large numbers of visitors came in, lines would become longer and seats harder to find.**

升格 2

第 1 步 But canteens can be open sometimes.
sometimes 太模糊，什么时候开？为什么那时候可以开？

第 2 步 However, canteens can be open to the public on weekends.
有了具体时间，但只有一个；也没说为什么周末可以开。

第 3 步 That said, canteens could be open to the public on weekends and holidays, when there are fewer students.
用 That said 更自然地让步，could 让建议更委婉，when 从句说出原因。最后加上 off-peak hours（非高峰时段），把 be open to 换成更友好的 welcome the public in a limited way，回扣“有限开放”的立场。

满分句 **That said, canteens could welcome the public in a limited way, for example during off-peak hours or on weekends and holidays, when there are fewer students on campus.**

升格 3

第 1 步 In my opinion, canteens should not be open to the public.
立场明确，但完全否定，后文就没法写“怎样有限开放”了，也显得不够周全。

第 2 步 In my opinion, canteens are for students, so they should not be fully open.
加上了理由和 fully，立场有了分寸；但 are for students 漏掉了教职员工，也没有说出“可以怎样开放”。

第 3 步 In my opinion, canteens should mainly serve students and staff, and they should be open to the public only sometimes.
用 mainly serve students and staff 写清服务对象，后半句提出有限开放。最后把 only sometimes 换成 only on a limited basis，表达更正式、更准确。

满分句 **In my opinion, canteens should mainly serve students and staff, and they should be open to the public only on a limited basis.**

9 高分句式

公式 → 原句 → 讲解 → 仿写

① have been discussing whether 引题句

这个句式表达 表达“校园里许多学生一直在讨论是否……”，用自己的话点出题目的问题

公式 Many + 人 + have been discussing + whether + 主语 + should + 动词原形 …

范文原句 Many students on our campus have been discussing whether university canteens should be open to the public

校园里许多学生一直在讨论大学食堂是否应该向公众开放

现在完成进行时 have been discussing 表示“从过去到现在一直在讨论”，写出这个话题的热度。whether 引导宾语从句，把题目的问题自然放进句子里，不用照抄题目。on our campus 把话题和自己的学校联系起来。

例1 Many students on our campus have been discussing whether phones should be allowed in class.
校园里许多学生一直在讨论课堂上是否应该允许使用手机。

例2 People have been discussing whether online shopping will replace traditional stores.
人们一直在讨论网购是否会取代传统商店。

也可以这样说

Whether ... has become a hot topic on campus.
是否……已成为校园里的热门话题。

Opinions differ on whether ...
对于是否……，人们看法不一。

② mainly … only on a limited basis 有分寸立场句

这个句式表达 表达“某物应该主要为……服务，只在有限范围内……”，立场明确又有分寸

公式 In my opinion, 主语 + should mainly + 动词 …, and + 主语 + should + 动词 … only on a limited basis

范文原句 canteens should mainly serve students and staff, and they should be open to the public only on a limited basis

食堂应该主要为学生和教职员工服务，只在有限的范围内向公众开放

mainly 意思是“主要地”，写出首要服务对象；only on a limited basis 意思是“仅在有限的基础上”，写出开放的程度。两个 should 分句并列，立场的两层意思都清楚。这种“有条件地支持”的立场，阅卷老师同样认为观点明确。

例1 In my opinion, phones should mainly be used for study, and games should be allowed only on a limited basis.
在我看来，手机应该主要用来学习，玩游戏只能有限度地允许。

例2 Classrooms should mainly serve students, and they should be rented out only on a limited basis.

教室应该主要为学生服务，只能有限度地对外出租。

也可以这样说

... should be open to the public, but only to a certain extent

……应该向公众开放，但只能在一定程度上

... should give priority to ...

……应该优先考虑……

③ The main reason is that 理由句

这个句式表达 表达“主要原因是……”，开门见山地给出最重要的理由

公式 The main reason is that + 主语 + 谓语 …

范文原句 The main reason is that canteens are already crowded at mealtimes

主要原因是，食堂在用餐时间本来就很拥挤

The main reason is that 后面接一个完整的句子，不要写成 The main reason is because（中式错误）。already 意思是“本来就、已经”，暗示“再开放会更挤”，为下一句的推论做好铺垫。

例1 The main reason is that most students have no time to cook.

主要原因是大多数学生没有时间做饭。

例2 The main reason is that the roads are already busy during rush hours.

主要原因是道路在高峰时段本来就很拥挤。

也可以这样说

First and most importantly, ...

首先，也是最重要的，……

The biggest problem is that ...

最大的问题是……

④ if ... came in, ... would 虚拟假设句

这个句式表达 表达“如果……，就会……”，推想一种还没发生的情况会带来什么后果

公式 if + 主语 + 动词过去式, 主语 + would + 动词原形 …（and + 主语 + 形容词比较级）

范文原句 if large numbers of visitors came in, lines would become longer and seats harder to find

如果大量外来人员进入，排的队就会更长，座位也更难找

这是虚拟语气：外人涌入是假设的情况，从句用过去式 came，主句用 would + 动词原形。seats harder to find 省略了 would become，和前面的 lines would become longer 共用谓语，句子更简洁。large numbers of 修饰可数名词复数。

例1 If the library closed at six, many students would have nowhere to study at night.
如果图书馆六点关门，许多学生晚上就没地方自习了。

例2 If everyone drove to work, roads would become busier and air dirtier.
如果每个人都开车上班，道路会更拥堵，空气也会更脏。

也可以这样说

Once ..., ... would ...
一旦……，就会……

An influx of ... would ...
大量……涌入会……

⑤ would strain … and might lead to 后果句

这个句式表达 表达“做某事会让……吃紧，还可能导致……”，推出一种做法的连锁后果

公式 动名词主语（Opening … fully …）+ would + 动词 … + and might lead to + 名词

范文原句 Opening canteens fully to the public would strain these subsidies and might lead to higher prices
食堂完全向公众开放会使这些补贴不堪重负，还可能导致价格上涨

动名词短语作主语，fully 强调“完全开放”，和自己“有限开放”的立场区分开。strain 意思是“使吃紧、使不堪重负”；lead to 意思是“导致”。would 语气较肯定（“会”），might 语气较弱（“可能会”），后果由直接到间接，推理严谨。

例1 Cutting sleep time would harm students' health and might lead to poor grades.
减少睡眠时间会损害学生的健康，还可能导致成绩下降。

例2 Raising ticket prices would strain families' budgets and might lead to fewer visitors.
提高门票价格会加重家庭负担，还可能导致游客减少。

也可以这样说

... would put pressure on ...
……会给……带来压力

... could result in ...
……可能导致……

⑥ That said 让步建议句

这个句式表达 表达“话虽如此，某物可以有限度地……，例如……的时候”，在反对完全开放之后提出可行的办法

公式 That said, 主语 + could + 动词 … in a limited way, for example + 时间状语, when + 从句

范文原句 That said, canteens could welcome the public in a limited way

话虽如此，食堂可以有限度地欢迎公众前来

That said 意思是“话虽如此、尽管这样”，用来在说完一面之后转向另一面，比 But 更正式。welcome the public in a limited way 把“有限开放”写得友好。后面的 for example during off-peak hours … when there are fewer students on campus 给出时间和原因，办法马上具体了。

例1 That said, students could use their phones in a limited way, for example to look up new words.

话虽如此，学生可以有限度地使用手机，比如用来查生词。

例2 That said, the gym could welcome visitors in a limited way, for example on weekend mornings.

话虽如此，体育馆可以有限度地接待来访者，比如在周末上午。

也可以这样说

Even so, ...

即便如此，……

This does not mean that ... should be closed completely.

这并不意味着……应该完全关闭。

⑦ allow … to … without affecting 两全结论句

这个句式表达 表达“这样的安排能让……做到……，而不影响……”，总结办法的好处

公式 Such arrangements + would allow + 主语 + to + 动词原形 … + without affecting + 名词

范文原句 Such arrangements would allow canteens to share their services with the community without affecting students' daily lives

这样的安排能让食堂在不影响学生日常生活的情况下，与社区共享服务

Such arrangements 指上面的开放时间和收费办法。allow + 宾语 + to do 意思是“使……能够……”。without affecting 写出“不影响学生”，正好回扣第一段的“主要服务学生”，一句话写出两全的结果。

例1 Such arrangements would allow students to work part-time without affecting their studies.

这样的安排能让学生在不影响学业的情况下做兼职。

例2 Online booking would allow visitors to use the gym without affecting students' exercise time.

网上预约能让来访者在不影响学生锻炼时间的情况下使用体育馆。

也可以这样说

In this way, ... can ... while ...

这样，……既能……又能……

... strike a balance between ... and ...

……在……和……之间取得平衡

10 亮点词汇

把普通说法换成高分说法

高分表达	意思	替代的普通说法
canteens	n. 食堂	dining halls
staff	n. 教职员工；全体员工	teachers and workers
on a limited basis	在有限范围内；有限度地	to some extent
mealtimes	n. 用餐时间	lunch and dinner time
subsidize	v. 补贴（文中 are subsidized by 意思是“由……补贴”）	pay part of the cost of
strain	v. 使吃紧；使不堪重负	put pressure on
security	n. 安保；安全	safety
off-peak	adj. 非高峰的	less busy
arrangements	n. 安排	plans

MODEL ESSAY 15 · PART I WRITING

大学体育设施是否应向公众开放

2024年6月大学英语四级 第3套 · 写作 Part I

议论文 · 范文 171 词

1 原题

Part I **Writing** **(30 minutes)**

Directions: *Suppose your university is seeking students' opinions on whether university sports facilities should be open to the public. You are now to write an essay to express your view. You will have 30 minutes for the task. You should write at least 120 words but no more than 180 words.*

题目译文

假设你们学校正在征求学生的意见（seeking students' opinions）：大学的体育设施（university sports facilities）是否应当向社会公众开放（be open to the public）。

现在请你写一篇文章（essay），表达你的观点（express your view）。

你有 30 分钟（30 minutes）完成这项写作任务（task）。

字数：至少 120 词（at least 120 words），但不超过 180 词（no more than 180 words）。

2 审题

先弄清楚要写什么，再动笔

情景作文：学校征求意见，大学体育设施是否应该向公众开放

120—180 词（题目要求 at least 120 words but no more than 180 words）；范文写到 168—180 词，本篇 171 词。两条理由加问题和办法，写到 160 词左右就开始收尾，绝不能超过 180 词

- [ ] 开头点出话题：说明这个问题为什么受到关注，再用自己的话提出问题
- [ ] 亮明立场：本篇赞成开放，并加上“管理得当”这个前提
- [ ] 说明理由：分两条写开放的好处，每条都要有具体内容（谁需要、设施什么时候闲着）
- [ ] 正视可能出现的问题，给出具体的管理办法，最后回到立场

语气与身份：正式、理性的议论语气：用 I am in favor of 亮明立场，用 First、Second 分条论证，提办法用 could，语气客观；不用口语

容易失分的地方

- 开头不要照抄题目 Suppose your university is seeking students' opinions …，要用自己的话点出话题
- 赞成开放也要正视问题：只写好处不写问题，文章显得片面；只写问题不给办法，立场又站不住
- 理由要从“谁需要”和“设施闲着”两方面写，比 It is good for people's health 具体得多
- facilities（设施）一般用复数；whether 从句作主语时谓语用单数（whether … has become）

3 题目要求逐条落实

每一条要求 → 范文里的哪一句

题目要求	范文原句	怎么做到的

点出话题	As more people become health-conscious, whether university sports facilities should be open to the public has become a widely discussed question.	第一句先交代背景（越来越多的人注重健康），再用 whether 从句作主语，用自己的话点出题目的问题，没有照抄题目。
亮明立场	I am in favor of opening them, provided that they are well managed.	in favor of 写出赞成，provided that they are well managed 加上前提，为第三段的管理办法埋下伏笔。
理由一：居民需要，设施闲置	First, many residents, especially elderly people and children, lack convenient places to exercise, while university sports fields and courts are often empty during class hours and vacations.	一边是居民缺少锻炼场所，一边是设施常常空着，用 while 一对比，开放的理由就很充分；下一句再说开放让闲置资源得到利用。
理由二：拉近大学与社区	Second, sharing facilities brings students and local residents together and builds a closer relationship between the university and the community.	第二条理由从“资源”转到“关系”：共享设施让学生和居民走到一起，大学与社区关系更密切。
正视可能的问题	Of course, opening the facilities may also cause problems such as overcrowding, noise and security risks.	用 Of course 承认开放也有问题，并具体列出拥挤、噪音、安全隐患三项。
给出管理办法	To prevent these problems, the university could require visitors to register with their ID cards, set specific opening hours and give students priority when the facilities are in high demand.	三条办法对应三个问题：凭身份证登记（安全）、规定开放时间（噪音、拥挤）、需求大时学生优先，正好落实第一段的“管理得当”。
回到立场	With careful management, opening sports facilities to the public will benefit both the university and the local community.	最后一句用 With careful management 回扣第一段的前提，写出大学和社区双赢的结论。
字数 120—180 词	As more people become health-conscious	全文共 171 词：第一段 2 句，第二段 4 句，第三段 3 句，落在 160—180 词的目标区间内，没有超过 180 词。

4 写作思路

先列提纲，每段一个任务

第一段

点出话题，亮明立场

越来越多的人注重健康，体育设施是否开放成了热门问题 → 立场：赞成开放，前提是管理得当

第二段

分两条说明理由

总起：两个主要理由 → 第一：居民（尤其老人和孩子）缺少锻炼场所，而校园场馆上课时间和假期常常空着；开放让闲置资源得到利用，鼓励更多人锻炼 → 第二：共享设施拉近学生与居民，密切大学与社区的关系

第三段

正视问题，给出办法，回到立场

问题：拥挤、噪音、安全隐患 → 办法：凭身份证登记、规定开放时间、需求大时学生优先 → 结论：管理细致，大学和社区都受益

5 满分范文

荧光笔 + 圆圈编号 = 下面讲的高分句式

[1] As more people become health-conscious, whether university sports facilities should be open to the public has become a widely discussed question①. [2] I am in favor of opening them, provided that they are well managed②.

[3] There are two main reasons for my view. [4] First, many residents, especially elderly people and children, lack convenient places to exercise, while university sports fields and courts are often empty during class hours and vacations③. [5] Opening these facilities puts idle resources to good use and encourages more people to stay active and healthy④. [6] Second, sharing facilities brings students and local residents together and builds a closer relationship between the university and the community.

[7] Of course, opening the facilities may also cause problems such as overcrowding, noise and security risks⑤. [8] To prevent these problems, the university could require visitors to register with their ID cards⑥, set specific opening hours and give students priority when the facilities are in high demand. [9] With careful management, opening sports facilities to the public will benefit both the university and the local community⑦.

参考译文

随着越来越多的人注重健康，大学体育设施是否应该向公众开放，已成为一个被广泛讨论的问题。我赞成开放这些设施，前提是管理得当。

我持这一观点主要有两个理由。首先，许多居民，尤其是老人和孩子，缺少方便的锻炼场所，而大学的运动场和球场在上课时间和假期却常常空着。开放这些设施能让闲置资源得到充分利用，并鼓励更多人坚持锻炼、保持健康。其次，共享设施能拉近学生与当地居民的距离，使大学与社区的关系更加密切。

当然，开放设施也可能带来一些问题，比如过度拥挤、噪音和安全隐患。为了防止这些问题，学校可以要求来访者凭身份证登记，规定具体的开放时间，并在设施使用需求大时让学生优先使用。只要管理细致，向公众开放体育设

施将使大学和当地社区都受益。

6 一步一步写出这篇范文

01 背景 + 问题，用自己的话开头

As more people become health-conscious 交代这个问题为什么受关注；whether … should be open to the public 作主语，has become a widely discussed question 写出它是热门话题。题目的问题就这样变成了自己的句子。

> 1 As more people become health-conscious, whether university sports facilities should be open to the public has become a widely discussed question.
> 随着越来越多的人注重健康，大学体育设施是否应该向公众开放，已成为一个被广泛讨论的问题。

02 赞成 + “管理得当”的前提

I am in favor of opening them 写出赞成，provided that they are well managed 加上前提。前提要在第三段落实，开头先埋下。

> 2 I am in favor of opening them, provided that they are well managed.
> 我赞成开放这些设施，前提是管理得当。

03 先预告理由的数目

There are two main reasons for my view 一句话告诉读者下面有两条理由，阅卷老师读起来思路清楚。

> 3 There are two main reasons for my view.
> 我持这一观点主要有两个理由。

04 理由一：需求和闲置对比，再说好处

First 句用 while 把“居民缺少锻炼场所”和“校园场馆常常空着”放在一起对比；下一句用 Opening these facilities 作主语，写出两个好处：闲置资源得到利用、更多人坚持锻炼。

> 4 First, many residents, especially elderly people and children, lack convenient places to exercise, while university sports fields and courts are often empty during class hours and vacations.
> 首先，许多居民，尤其是老人和孩子，缺少方便的锻炼场所，而大学的运动场和球场在上课时间和假期却常常空着。
>
> 5 Opening these facilities puts idle resources to good use and encourages more people to stay active and healthy.
> 开放这些设施能让闲置资源得到充分利用，并鼓励更多人坚持锻炼、保持健康。

05 理由二：从资源转到关系

Second 开头，用动名词 sharing facilities 作主语，brings … together 和 builds a closer relationship 两个动词写出两层好处，理由和第一条不重复。

> 6 Second, sharing facilities brings students and local residents together and builds a closer relationship between the university and the community.
> 其次，共享设施能拉近学生与当地居民的距离，使大学与社区的关系更加密切。

06 问题 → 办法 → 结论

Of course 先承认问题，such as 列出三项；To prevent these problems 引出三条办法，一一对应；最后 With careful management 回扣“管理得当”，写出双赢的结论。

> 7 Of course, opening the facilities may also cause problems such as overcrowding, noise and security risks.
> 当然，开放设施也可能带来一些问题，比如过度拥挤、噪音和安全隐患。
> 8 To prevent these problems, the university could require visitors to register with their ID cards, set specific opening hours and give students priority when the facilities are in high demand.
> 为了防止这些问题，学校可以要求来访者凭身份证登记，规定具体的开放时间，并在设施使用需求大时让学生优先使用。
> 9 With careful management, opening sports facilities to the public will benefit both the university and the local community.
> 只要管理细致，向公众开放体育设施将使大学和当地社区都受益。

7 为什么是满分档

切题 · 结构与连贯 · 语言

切题

题目要求就“体育设施是否应向公众开放”发表看法，范文开头用自己的话提出问题并亮明立场（赞成，前提是管理得当）；第二段分两条说明理由，第一条用“居民缺场地、校园场馆闲置”的对比，第二条写大学与社区的关系；第三段正视拥挤、噪音、安全问题，给出三条办法，最后回到前提。立场、理由、问题、办法齐全，这正是最高档（13—15 分）作文切题、思想表达清楚的样子。

I am in favor of opening them, provided that they are well managed. | There are two main reasons for my view. | lack convenient places to exercise | builds a closer relationship between the university and the community | To prevent these problems | With careful management

结构与连贯

三段式：话题与立场 → 两条理由 → 问题、办法与结论。第二段先用 There are two main reasons for my view 预告，再用 First、Second 分条；Opening these facilities 指回上一句的场馆；第三段用 Of course 让步，用 To prevent these problems 承接问题给出办法，用 With careful management 呼应开头的 provided that they are well managed。前后呼应，层次分明。

There are two main reasons for my view. | First | Opening these facilities | Second | Of course | To prevent these problems | With careful management

语言

句式多样又准确：As 引导的时间状语从句、whether 从句作主语、provided that 条件句、while 连接的对比、动名词短语作主语、such as 列举、To prevent 目的状语、both … and … 并列。用词地道，如 health-conscious、in favor of、puts idle resources to good use、stay active and healthy、give students priority、in high demand。全文没有语法错误，语言达到最高档“准确、多样”的要求。

As more people become health-conscious | provided that they are well managed

while university sports fields and courts are often empty during class hours and vacations

puts idle resources to good use | give students priority when the facilities are in high demand

will benefit both the university and the local community

8 升格示范

普通写法一步一步改成满分句

升格 1

第 1 步 First, opening sports facilities is good for people's health.
理由太笼统，谁的健康？为什么一定要用大学的设施？

第 2 步 First, many residents have no places to exercise, but university sports fields are often empty.
有了“居民缺场地”和“设施空着”的对比，理由一下子充分了；但 have no places 说得太绝对，but 连接也比较平。

第 3 步 First, many residents lack convenient places to exercise, while university sports fields are often empty.
用 lack convenient places 说得更准确，while 连接对比更正式。最后插入 especially elderly people and children 指出最需要的人，补上 courts 和 during class hours and vacations，事实更具体。

满分句 **First, many residents, especially elderly people and children, lack convenient places to exercise, while university sports fields and courts are often empty during class hours and vacations.**

升格 2

第 1 步 We can make full use of the resources.
make full use of the resources 是逐字翻译“充分利用资源”，太套路；人称也变成了 we。

第 2 步 Opening these facilities can use the resources well and help people exercise.
用 Opening these facilities 作主语，承接上一句；写出了两个好处，但 use the resources well 平淡，help people exercise 也不够具体。

第 3 步 Opening these facilities puts the resources to good use and encourages people to exercise.
换成地道的 put … to good use 和 encourage + 人 + to do。最后加上 idle（闲置的）呼应上一句的 empty，把 exercise 换成 stay active and healthy，“更多人”也写出来了。

满分句 **Opening these facilities puts idle resources to good use and encourages more people to stay active and healthy.**

升格 3

第 1 步 The university should make some rules.
make some rules 是空话，什么规定？解决什么问题？

第 2 步 The university could ask visitors to show their ID cards and set opening hours.
有了两条具体办法；但没有和上一句的问题连起来，也没有考虑学生。

第 3 步 To prevent these problems, the university could require visitors to register with their ID cards and set specific opening hours.
加上 To prevent these problems 承接上文，办法和问题对上了；require … to register 比 ask … to show 更正式。最后补上 give students priority when the facilities are in high demand，照顾到学生的需要。

满分句 **To prevent these problems, the university could require visitors to register with their ID cards, set specific opening hours and give students priority when the facilities are in high demand.**

9 高分句式

公式 → 原句 → 讲解 → 仿写

① As … whether … has become a widely discussed question 背景引题句

这个句式表达 表达“随着……，是否……已成为一个被广泛讨论的问题”，交代背景并用自己的话提出问题

公式 As + 背景变化, whether + 主语 + should + 动词原形 … + has become a widely discussed question

范文原句 As more people become health-conscious, whether university sports facilities should be open to the public has become a widely discussed question

随着越来越多的人注重健康，大学体育设施是否应该向公众开放，已成为一个被广泛讨论的问题

As 在这里是“随着”，引出背景变化。health-conscious 意思是“注重健康的”，比 pay attention to health 简洁地道。whether 引导的从句作主语，谓语用单数 has become。a widely discussed question 意思是“一个被广泛讨论的问题”。

例1 As online learning becomes common, whether it can replace classroom teaching has become a widely discussed question.
随着在线学习越来越普遍，它能否取代课堂教学已成为一个被广泛讨论的问题。

例2 As more students own cars, whether cars should be allowed on campus has become a widely discussed question.
随着拥有汽车的学生越来越多，校园里是否应该允许开车已成为一个被广泛讨论的问题。

也可以这样说

With the rise of ..., people are debating whether ...
随着……的兴起，人们在争论是否……

Whether ... has become a hot topic.
是否……已成为一个热门话题。

② in favor of … provided that 前提立场句

这个句式表达 表达“我赞成……，前提是……”，立场明确，同时加上条件

公式 I am in favor of + doing …, provided that + 主语 + 谓语（条件）

范文原句 I am in favor of opening them, provided that they are well managed

我赞成开放这些设施，前提是管理得当

be in favor of 意思是“赞成”，后面接名词或动名词。provided that 意思是“前提是、只要”，比 if 更正式。them 和 they 都指上一句的 sports facilities，避免重复。

例1 I am in favor of taking a gap year, provided that it is well planned.

我赞成休间隔年，前提是规划得当。

例2 I am in favor of online exams, provided that cheating can be prevented.

我赞成在线考试，前提是能防止作弊。

也可以这样说

I support ..., as long as ...

我支持……，只要……

I am for ..., on condition that ...

我赞成……，条件是……

③ A lack … while B are often empty 需求闲置对比句

这个句式表达 表达“一边是……缺少……，一边是……常常空着”，用对比说明资源应该共享

公式 人 + lack + 名词 …, while + 物 + are often empty / unused + 时间状语

范文原句 many residents, especially elderly people and children, lack convenient places to exercise, while university sports fields and courts are often empty during class hours and vacations

许多居民，尤其是老人和孩子，缺少方便的锻炼场所，而大学的运动场和球场在上课时间和假期却常常空着

while 在这里是“而、然而”，连接两个形成对比的情况：一边需要，一边闲着，开放的理由不言自明。especially elderly people and children 插在中间，指出最需要的人群，理由更具体。lack 是及物动词，后面直接接宾语，不加 of。

例1 Many students lack quiet places to study, while some classrooms are often empty in the evening.

许多学生缺少安静的自习场所，而有些教室晚上却常常空着。

例2 Many children in villages lack books, while many city families keep piles of unused ones.

许多乡村孩子缺少书籍，而许多城市家庭却堆着大量用不上的书。

也可以这样说

On the one hand, ...; on the other hand, ...

一方面……；另一方面……

..., whereas ...

……，而……

④ puts … to good use and encourages … 资源利用句

这个句式表达 表达“做某事能让闲置资源得到充分利用，还能鼓励更多人……”，说明一种做法的两个好处

公式 动名词主语 + puts + 资源 + to good use + and encourages + 人 + to do …

范文原句 Opening these facilities puts idle resources to good use and encourages more people to stay active and healthy

开放这些设施能让闲置资源得到充分利用，并鼓励更多人坚持锻炼、保持健康

put … to good use 意思是“充分利用”，是“充分利用资源”的地道说法（比人人都写的 make full use of the resources 更地道、更少见）。idle 意思是“闲置的”。encourage + 人 + to do 意思是“鼓励某人做……”；stay active and healthy 写出“坚持运动、保持健康”。

例1 Sharing used textbooks puts old books to good use and encourages students to save money.

共享旧课本让旧书得到充分利用，也鼓励学生节约开支。

例2 Opening classrooms at night puts empty rooms to good use and encourages students to study harder.

晚上开放教室让空教室得到充分利用，也鼓励学生更加努力学习。

也可以这样说

... makes better use of ...

……更好地利用了……

... gets the most out of ...

……让……发挥最大作用

⑤ Of course … may also cause problems such as 让步问题句

这个句式表达 表达“当然，做某事也可能带来一些问题，比如……”，主动承认问题

公式 Of course, 动名词主语 + may also cause problems such as + 名词 A, B and C

范文原句 Of course, opening the facilities may also cause problems such as overcrowding, noise and security risks

当然，开放设施也可能带来一些问题，比如过度拥挤、噪音和安全隐患

Of course 在这里是让步，意思是“当然、诚然”，承认对方的担心。may 表示“可能”，语气有分寸。such as 后面列出三个名词，问题说得具体，下一句的办法才能对得上。

例1 Of course, using phones in class may also cause problems such as distraction and cheating.
当然，课上使用手机也可能带来一些问题，比如分心和作弊。

例2 Of course, part-time jobs may also cause problems such as tiredness and lower grades.
当然，兼职也可能带来一些问题，比如疲劳和成绩下降。

也可以这样说

Admittedly, ... may lead to ...
诚然，……可能导致……

It is true that ..., but ...
的确……，但……

⑥ To prevent these problems, … could require 办法句

这个句式表达 表达“为了防止这些问题，某方可以要求……、规定……，并……”，针对问题给出具体办法

公式 To prevent these problems, 主语 + could + require + 人 + to do …, set …, and give + 人 + priority …

范文原句 To prevent these problems, the university could require visitors to register with their ID cards
为了防止这些问题，学校可以要求来访者凭身份证登记

To prevent these problems 是目的状语，these problems 指回上一句的三个问题，衔接紧密。require + 人 + to do 意思是“要求某人做……”；register with their ID cards 意思是“凭身份证登记”。后面再接 set specific opening hours 和 give students priority，三条办法共用一个 could。

例1 To prevent these problems, the school could require students to hand in their phones before exams.
为了防止这些问题，学校可以要求学生考前上交手机。

例2 To prevent accidents, the park could require cyclists to wear helmets.
为了防止事故，公园可以要求骑车的人戴头盔。

也可以这样说

To solve these problems, ... should ...
为了解决这些问题，……应该……

These problems can be avoided if ...
如果……，这些问题就可以避免。

⑦ With careful management … will benefit both A and B 双赢结论句

这个句式表达 表达“只要管理细致，做某事就会让 A 和 B 都受益”，回扣前提，写出双赢的结论

公式 With careful management, 动名词主语 + will benefit both + A + and + B

范文原句 With careful management, opening sports facilities to the public will benefit both the university and the local community

只要管理细致，向公众开放体育设施将使大学和当地社区都受益

With careful management 回扣第一段的 provided that they are well managed，首尾呼应。benefit 在这里是及物动词，意思是“使受益”，后面直接接宾语。both A and B 写出双赢。

例1 With careful planning, a part-time job will benefit both your studies and your future career.
只要规划得当，兼职会对学业和未来的职业都有好处。

例2 With proper guidance, online learning will benefit both teachers and students.
只要引导得当，在线学习会让老师和学生都受益。

也可以这样说

If managed well, ... will be a win-win for ...
如果管理得当，……对……来说是双赢

..., which will be good for both ... and ...
……，这对……和……都有好处

10 亮点词汇

把普通说法换成高分说法

高分表达	意思	替代的普通说法
health-conscious	adj. 注重健康的	caring about health
facilities	n. 设施	places and equipment
in favor of	赞成；支持	for
provided that	前提是；只要	if
residents	n. 居民	people living nearby
idle	adj. 闲置的；未被使用的	unused
put ... to good use	充分利用	use well
overcrowding	n. 过度拥挤	too many people
register	v. 登记；注册	sign in
priority	n. 优先权	precedence

大学里最令我印象深刻的事

2023年12月大学英语四级 第1套 · 写作 Part I
命题作文 · 范文 175 词

1 原题

Part I **Writing** **(30 minutes)**

Directions: *Suppose the university newspaper is inviting submissions from the students for its coming edition on what in their university impresses them most. You are now to write an essay for submission. You will have 30 minutes to write the essay. You should write at least 120 words but no more than 180 words.*

题目译文

假设你们学校的校报（university newspaper）正在向学生征稿（inviting submissions），下一期的主题是：自己的大学里最让你印象深刻的是什么（what in their university impresses them most）。

现在请你写一篇文章投稿（write an essay for submission）。

你有 30 分钟（30 minutes）写这篇文章（essay）。

字数：至少 120 词（at least 120 words），但不超过 180 词（no more than 180 words）。

2 审题

先弄清楚要写什么，再动笔

情景作文：给校报投稿，谈大学里最令自己印象深刻的是什么

120—180 词（题目要求 at least 120 words but no more than 180 words）；范文写到 168—180 词，本篇 175 词。经历写三四句就够，留出写影响和结尾的字数，绝不能超过 180 词

- [ ] 开头直接回答题目：大学里最令我印象深刻的是什么，只选一样，一句话说清
- [ ] 用亲身经历说明“为什么印象深刻”：写出一件具体的事（时间、经过、结果）
- [ ] 从一个人、一件事扩展到更多人、更多事，说明这不是偶然
- [ ] 写出它对自己的影响，最后升华：它为什么让这所大学与众不同

语气与身份：给校报投稿：真诚、生动的叙述加议论，用第一人称 I、my、our；讲经历用一般过去时，写普遍情况用一般现在时，写影响用现在完成时；不用浮夸的赞美和口号

容易失分的地方

- 只选一样东西写透，不要把图书馆、食堂、老师、社团都写一遍，那样每样都写不深
- 要有一件具体的事：写出“微积分课上没听懂一个证明、深夜发邮件、一小时内回复”，比 Our teachers are very kind 有说服力得多
- 时态要分清：经历用过去时（emailed、replied），现在的普遍情况用现在时（stay、read），影响用现在完成时（has influenced、have learned）
- 最后要升华，不要停在“老师很好”，要说出它对自己和对一所大学意味着什么

3 题目要求逐条落实

每一条要求 → 范文里的哪一句

题目要求	范文原句	怎么做到的
开头直接回答“最印象深刻的是什么”	Of all the things at my university, what impresses me most is not the modern buildings or the beautiful scenery, but the dedication of our teachers to their students.	第一句就给出答案：老师对学生的全心付出；先排除大家容易想到的建筑和风景，答案更突出。
用亲身经历说明	To my surprise, she replied within an hour and offered to explain it again after class the next day.	第二段先讲入学第一周的一件事：深夜发邮件问一个证明，老师一小时内回复，还主动提出第二天课后再讲，起因、经过、结果都有。
从个别到普遍	Later I found out that she was far from the only one.	用这一句从一位老师扩展到许多老师，后面写课后答疑、认真批改论文、邀请本科生参与科研，说明这不是偶然。
写出对自己的影响	Seeing how seriously they treat their work, I have learned to be more responsible in my studies and to help classmates whenever they need it.	第三段写影响：老师的认真让我学会对学业更负责，也学会帮助同学，印象深刻落到了自己的成长上。
升华收尾	To me, what makes a university great is not its buildings but its people, and our teachers are the best proof of this.	最后一句用 not its buildings but its people 呼应开头的 not the modern buildings，升华到“一所大学伟大在于人”，首尾呼应。
字数 120—180 词	Of all the things at my university	全文共 175 词：第一段 1 句，第二段 6 句，第三段 3 句，落在 160—180 词的目标区间内，没有超过 180 词。

4 写作思路

先列提纲，每段一个任务

第一段

直接给出答案

最令我印象深刻的不是现代化的建筑或美丽的风景，而是老师们对学生的全心付出

第二段

用经历说明，再由个别到普遍

入学第一周就注意到 → 经历：微积分课上没听懂证明，深夜发邮件，老师一小时内回复，还主动提出课后再讲 → 后来发现她远不是唯一一位 → 许多老师课后答疑、认真批改论文、给出详细评语 → 有的还邀请本科生参与科研、一步步指导

第三段

写影响，升华

他们的付出深深影响了我 → 学会对学业更负责、帮助同学 → 升华：成就一所大学的不是建筑而是人，我们的老师就是最好的证明

5 满分范文

荧光笔 + 圆圈编号 = 下面讲的高分句式

[1] Of all the things at my university, what impresses me most is not the modern buildings or the beautiful scenery, but the dedication of our teachers to their students①.

[2] I noticed this in my very first week. [3] In my calculus class, I could not follow a difficult proof, so I emailed the teacher late that evening. [4] To my surprise, she replied within an hour and offered to explain it again after class the next day②. [5] Later I found out that she was far from the only one③. [6] Many teachers here stay after class to answer questions, and they read our papers carefully and give detailed comments. [7] Some even invite undergraduates to join their research projects and guide them step by step④.

[8] Their dedication has influenced me deeply. [9] Seeing how seriously they treat their work, I have learned to be more responsible in my studies and to help classmates whenever they need it⑤. [10] To me, what makes a university great is not its buildings but its people⑥, and our teachers are the best proof of this.

参考译文

在我们大学的所有事物中，最令我印象深刻的不是现代化的建筑，也不是美丽的风景，而是老师们对学生的全心付出。

我在入学的第一周就注意到了这一点。在微积分课上，我没能听懂一个很难的证明，于是当天深夜给老师发了邮件。令我惊讶的是，她不到一小时就回复了，还主动提出第二天课后再给我讲一遍。后来我发现，她远不是唯一一位这样的老师。这里的许多老师课后留下来解答问题，他们认真批阅我们的论文，并给出详细的评语。有些老师甚至邀请本科生参与他们的科研项目，并一步一步地指导他们。

他们的全心付出对我影响很深。看到他们对待工作如此认真，我学会了在学习上更有责任心，并在同学需要的时候帮助他们。在我看来，成就一所伟大大学的不是它的建筑，而是它的人，而我们的老师就是最好的证明。

6 一步一步写出这篇范文

01 第一句就给答案，用对比突出

Of all the things at my university 交代范围，what impresses me most 回答题目，not A or B, but C 先排除建筑和风景，再给出真正的答案：老师的全心付出。一句话就让读者知道全文写什么。

> 1 Of all the things at my university, what impresses me most is not the modern buildings or the beautiful scenery, but the dedication of our teachers to their students.
> 在我们大学的所有事物中，最令我印象深刻的不是现代化的建筑，也不是美丽的风景，而是老师们对学生的全心付出。

02 用一件具体的事证明

I noticed this in my very first week 引出经历；接着按“起因 → 结果”写：微积分课上没听懂证明、深夜发邮件，To my surprise 引出老师一小时内回复、主动提出课后再讲。细节越具体，越让人信服。

> 2 I noticed this in my very first week.
> 我在入学的第一周就注意到了这一点。
>
> 3 In my calculus class, I could not follow a difficult proof, so I emailed the teacher late that evening.
> 在微积分课上，我没能听懂一个很难的证明，于是当天深夜给老师发了邮件。
>
> 4 To my surprise, she replied within an hour and offered to explain it again after class the next day.
> 令我惊讶的是，她不到一小时就回复了，还主动提出第二天课后再给我讲一遍。

03 由一个人扩展到一群人

Later I found out that she was far from the only one 一句完成转折；下面用 Many teachers here 写普遍情况，用 Some even 再进一步（邀请本科生参与科研），由普遍到突出，层层递进。

> 5 Later I found out that she was far from the only one.
> 后来我发现，她远不是唯一一位这样的老师。
>
> 6 Many teachers here stay after class to answer questions, and they read our papers carefully and give detailed comments.
> 这里的许多老师课后留下来解答问题，他们认真批阅我们的论文，并给出详细的评语。
>
> 7 Some even invite undergraduates to join their research projects and guide them step by step.
> 有些老师甚至邀请本科生参与他们的科研项目，并一步一步地指导他们。

04 写影响：先总说，再具体

Their dedication has influenced me deeply 总说；下一句用现在分词短语 Seeing how seriously they treat their work 写原因，主句写出学到的两点：对学业更负责、帮助同学。

> 8 Their dedication has influenced me deeply.
> 他们的全心付出对我影响很深。
>
> 9 Seeing how seriously they treat their work, I have learned to be more responsible in my studies and to help classmates whenever they need it.
> 看到他们对待工作如此认真，我学会了在学习上更有责任心，并在同学需要的时候帮助他们。

05 升华，呼应开头

To me 引出个人感悟，what makes a university great is not its buildings but its people 呼应第一句的 not the modern buildings，再用 our teachers are the best proof of this 回到老师身上。

> 10 To me, what makes a university great is not its buildings but its people, and our teachers are the best proof of this.
> 在我看来，成就一所伟大大学的不是它的建筑，而是它的人，而我们的老师就是最好的证明。

7 为什么是满分档

切题

题目问的是“大学里最令你印象深刻的是什么”，范文第一句就给出答案（老师的全心付出），全文只写这一样，写深写透：第二段用入学第一周的亲身经历证明，再扩展到许多老师；第三段写对自己的影响，最后升华。每一句都在回答“为什么印象深刻”，没有一句跑题，这正是最高档（13—15 分）作文切题、思想表达清楚的样子。

what impresses me most is not the modern buildings or the beautiful scenery, but the dedication of our teachers to their students

I noticed this in my very first week. | she was far from the only one | Their dedication has influenced me deeply.

what makes a university great is not its buildings but its people

结构与连贯

三段式：答案 → 经历与普遍情况 → 影响与升华。第二段用 I noticed this 承接第一段，In my calculus class、To my surprise 讲经历，Later I found out 由个别转到普遍，Many teachers here、Some even 层层递进；第三段 Their dedication 回扣第一句的 dedication，To me 引出感悟，结尾的 not its buildings 呼应开头的 not the modern buildings。首尾呼应，衔接自然。

I noticed this | To my surprise | Later I found out | Many teachers here | Some even | Their dedication | To me

语言

句式多样又准确：what 引导的主语从句、not … or …, but … 的对比、so 连接的因果、To my surprise 的插入语、offer to do、Some even … 的递进、现在分词短语 Seeing how … 作状语（逻辑主语正确）。时态准确：经历用过去时，普遍情况用现在时，影响用现在完成时。用词准确，如 dedication、calculus、proof、undergraduates、step by step、the best proof。全文没有语法错误，语言达到最高档“准确、多样”的要求。

what impresses me most | I could not follow a difficult proof, so I emailed the teacher late that evening

she replied within an hour and offered to explain it again after class the next day

they read our papers carefully and give detailed comments | Seeing how seriously they treat their work

our teachers are the best proof of this

8 升格示范

普通写法一步一步改成满分句

升格 1

第 1 步 Our teachers impress me very much.
说出了答案，但没有说清老师的哪一点，也看不出“最”。

第 2 步 What impresses me most at my university is our teachers.
用 What impresses me most 写出“最”，扣住题目；但老师的哪一点令人印象深刻，还是没说。

第 3 步 What impresses me most at my university is the dedication of our teachers to their students.
用 dedication to their students（对学生的全心付出）写出具体的一点。最后加上 Of all the things 交代范围，用 not the modern buildings or the beautiful scenery 先排除常见答案，答案更突出，也为结尾的呼应做好准备。

满分句 **Of all the things at my university, what impresses me most is not the modern buildings or the beautiful scenery, but the dedication of our teachers to their students.**

升格 2

第 1 步 She replied to me quickly.
quickly 没有画面，读者感受不到老师有多用心。

第 2 步 She replied within an hour and said she would explain it again.
within an hour 写出了速度，又写出了第二个行动；但 said she would 偏平淡，也没写出自己的感受。

第 3 步 To my surprise, she replied within an hour and offered to explain it again.
加上 To my surprise 写出心情，把 said she would 换成 offered to（主动提出），更显老师的热心。最后补上 after class the next day，时间具体，细节更真实。

满分句 **To my surprise, she replied within an hour and offered to explain it again after class the next day.**

升格 3

第 1 步 They are my good examples and I learn a lot from them.
learn a lot 太空泛，学到了什么？读者不知道。

第 2 步 Because they work very seriously, I have become more responsible in my studies.
写出了一个具体的影响，用现在完成时也对；但 Because 从句平淡，原因只是“他们很认真”，没写出“我看到了”。

第 3 步 Seeing how seriously they treat their work, I have learned to be more responsible in my studies.
改用现在分词短语 Seeing how …，写出“看到”这个过程，句子更紧凑；have learned to 写出“学会”。最后再补上 to help classmates whenever they need it，影响从自己延伸到别人，内容更完整。

满分句 **Seeing how seriously they treat their work, I have learned to be more responsible in my studies and to help classmates whenever they need it.**

① what impresses me most is not A but B 答案句

这个句式表达 表达“在所有……中，最令我印象深刻的不是 A，而是 B”，用对比突出自己的答案

公式 Of all the things + 范围, what impresses me most is not + A (or B), but + C

范文原句 Of all the things at my university, what impresses me most is not the modern buildings or the beautiful scenery, but the dedication of our teachers to their students

在我们大学的所有事物中，最令我印象深刻的不是现代化的建筑，也不是美丽的风景，而是老师们对学生的全心付出

what impresses me most 是主语从句，意思是“最令我印象深刻的东西”，谓语用单数 is。not … but … 先排除大家都会想到的答案，再给出自己的答案，更突出、更有新意。dedication to 意思是“对……的奉献、全心投入”。

例1 Of all the places in my hometown, what impresses me most is not the busy streets but the quiet old library.
在我家乡的所有地方中，最令我印象深刻的不是繁华的街道，而是那座安静的老图书馆。

例2 What impresses me most about my roommate is not her good grades but her kindness to others.
我的室友最令我印象深刻的不是她的好成绩，而是她对别人的善意。

也可以这样说

The thing that has left the deepest impression on me is ...
给我留下最深印象的是……

Nothing impresses me more than ...
没有什么比……更令我印象深刻。

② To my surprise 经历转折句

这个句式表达 表达“令我惊讶的是，某人……，还主动提出……”，写出经历中出乎意料的结果

公式 To my surprise, 主语 + 动词过去式 … and offered to + 动词原形 …

范文原句 To my surprise, she replied within an hour and offered to explain it again after class the next day

令我惊讶的是，她不到一小时就回复了，还主动提出第二天课后再给我讲一遍

To my surprise 放在句首，意思是“令我惊讶的是”，一下子写出心情。within an hour 意思是“一小时之内”，和上一句的 late that evening 一对照，老师的用心就看得见了。offer to do 意思是“主动提出做……”。讲过去的经历用一般过去时。

例1 To my surprise, the stranger walked me all the way to the station.
令我惊讶的是，那位陌生人一路把我送到了车站。

例2 To my surprise, my classmate lent me her notes and offered to help me review.
令我惊讶的是，同学把笔记借给了我，还主动提出帮我复习。

也可以这样说

Much to my surprise, ...

令我非常惊讶的是，……

I never expected that ...

我从没想到……

③ far from the only one 由个别到普遍句

这个句式表达 表达“后来我发现，他（她）远不是唯一一个这样的人”，从一个例子扩展到普遍情况

公式 Later I found out that + 主语 + was far from the only one.

范文原句 Later I found out that she was far from the only one

后来我发现，她远不是唯一一位这样的老师

far from 意思是“远远不是”，比 not 语气更强。这一句是过渡句：前面讲一位老师的事，后面讲许多老师，说明这不是偶然，让“印象深刻”更有说服力。found out 是 find out 的过去式，意思是“发现、了解到”。

例1 Later I found out that he was far from the only volunteer working there.

后来我发现，他远不是唯一一位在那里工作的志愿者。

例2 Later I learned that this was far from the only problem students faced.

后来我了解到，这远不是学生面临的唯一问题。

也可以这样说

Soon I realized that this was not unusual.

很快我就意识到，这并不罕见。

This is true of many ...

许多……都是如此。

④ Some even ... step by step 递进句

这个句式表达 表达“有些人甚至……，并一步一步地……”，在普遍情况之后再写一个更突出的例子

公式 Some + even + 动词 + 人 + to do ... and + 动词 + 人 + step by step

范文原句 Some even invite undergraduates to join their research projects and guide them step by step

有些老师甚至邀请本科生参与他们的科研项目，并一步一步地指导他们

Some 就是 Some teachers，承接上一句的 Many teachers here 省略了名词。even 表示“甚至”，程度更进一步。invite + 人 + to do 意思是“邀请某人做……”；step by step 意思是“一步一步地”。从 Many 到 Some even，例子层层递进。

例1 Some volunteers even teach the elderly to use smartphones and help them step by step.

有些志愿者甚至教老人使用智能手机，并一步一步地帮助他们。

例2 Some coaches even stay late to train beginners and correct them step by step.

有些教练甚至留到很晚训练新手，并一步一步地纠正他们。

也可以这样说

Some go further and ...

有些人更进一步，……

..., and a few even ...

……，少数人甚至……

⑤ Seeing how ... I have learned to 影响句

这个句式表达 表达“看到他们如此……，我学会了……”，写出别人的榜样对自己的影响

公式 Seeing how + 形容词 / 副词 + 主语 + 谓语, I have learned to + 动词原形 … and to + 动词原形 …

范文原句 Seeing how seriously they treat their work, I have learned to be more responsible in my studies and to help classmates whenever they need it

看到他们对待工作如此认真，我学会了在学习上更有责任心，并在同学需要的时候帮助他们

Seeing 是现在分词短语，逻辑主语是后面的 I（“看”的人是我），不会出现悬垂结构。how seriously they treat their work 是宾语从句，写出“他们多么认真”。have learned to 用现在完成时，表示到现在为止学会了。两个 to do 并列，写出两层影响。

例1 Seeing how hard my parents work, I have learned to value every chance to study.

看到父母工作多么辛苦，我学会了珍惜每一次学习的机会。

例2 Seeing how kindly the nurses treat patients, I have learned to be more patient with others.

看到护士们对病人多么和善，我学会了对别人更有耐心。

也可以这样说

Inspired by them, I ...

受他们的激励，我……

Their example has taught me to ...

他们的榜样教会我……

⑥ what makes … great is not A but B 升华句

这个句式表达 表达“成就……的不是 A，而是 B”，结尾升华，说出更深一层的道理

公式 To me, what makes + 名词 + great is not + A + but + B

范文原句 what makes a university great is not its buildings but its people

成就一所伟大大学的不是它的建筑，而是它的人

what makes a university great 是主语从句，意思是“使一所大学伟大的东西”。not its buildings but its people 两个名词短语对称，简洁有力，又呼应第一句的 not the modern buildings，首尾呼应。后面 our teachers are the best proof of this 再回到老师，结尾不空泛。

例1 To me, what makes a city great is not its skyscrapers but its friendly people.
在我看来，成就一座伟大城市的不是它的摩天大楼，而是它友善的人们。

例2 What makes a team strong is not its stars but its spirit of cooperation.
让一支队伍强大的不是它的明星，而是它的合作精神。

也可以这样说

The true value of ... lies in ...
……的真正价值在于……

It is ... rather than ... that makes ... special.
让……与众不同的是……，而不是……

10 亮点词汇

把普通说法换成高分说法

高分表达	意思	替代的普通说法
impress	v. 给……留下深刻印象	leave a deep impression on
scenery	n. 风景；景色	views
dedication	n. 奉献；全心投入	devotion
calculus	n. 微积分	advanced math
proof	n. （数学）证明；证据	evidence
to my surprise	令我惊讶的是	surprisingly
undergraduates	n. 本科生	college students
step by step	一步一步地	gradually
influenced	v. 影响（influence 的过去分词）	affected
responsible	adj. 有责任心的；负责的	reliable

家乡的变化

2023年12月大学英语四级 第2套 · 写作 Part I
记叙性短文（描述家乡变化） · 范文 174 词

1 原题

Part I **Writing** **(30 minutes)**

Directions: *Suppose the university newspaper is inviting submissions from the students for its coming edition on the recent developments in their hometown. You are now to write an essay for submission. You will have 30 minutes to write the essay. You should write at least 120 words but no more than 180 words.*

题目译文

假设你们学校的校报（university newspaper）正在向学生征稿（inviting submissions），下一期的主题是：你家乡最近的发展变化（the recent developments in their hometown）。

现在请你写一篇文章投稿（write an essay for submission）。

你有 30 分钟（30 minutes）写这篇文章（essay）。

字数：至少 120 词（at least 120 words），但不超过 180 词（no more than 180 words）。

2 审题

先弄清楚要写什么，再动笔

情景作文（校报征稿）：家乡近来的发展变化

120—180 词（题目要求 at least 120 words but no more than 180 words）；本篇 174 词。写到 160—180 词最稳，绝不能超过 180 词

- [ ] 场景是校报向学生征稿，主题是 the recent developments in their hometown（家乡近来的发展），你写的是一篇投稿文章
- [ ] 开头先交代家乡是什么地方，并点出“家乡变化很大”这个中心
- [ ] 中间具体写出两三个方面的变化（交通、生活、环境……），每个方面都要有看得见的细节，不要只说“变化很大”
- [ ] 结尾说明这些变化带来了什么影响，再写出自己的感受或打算，让文章完整

语气与身份：校报投稿，可以写得亲切、生动：用第一人称 I、my hometown 讲自己看到的变化，但用词仍要规范，不用口语缩写和网络用语

容易失分的地方

- 题目要的是 recent developments（近来的发展），重点写“现在和以前比有什么不同”，不要写成介绍家乡风景、美食的旅游文章
- 时态要分清：“已经变了”用现在完成时（have been replaced、has become），“我去年回去时”用一般过去时（When I went back），“我希望”用一般现在时
- 每个变化都要写成“以前怎样 → 现在怎样”或给出具体例子（五个小时缩短到一个半小时），只写 it is much better now 拿不到高分
- 不要照抄题目里的 the recent developments in their hometown 当开头，要用自己的话引入

3 题目要求逐条落实

每一条要求 → 范文里的哪一句

题目要求	范文原句	怎么做到的
回应校报征稿，引出自己的家乡	My hometown is a small town in southern China.	第一句就交代写的是哪里，简单清楚；没有照抄题目，而是直接进入话题。
点明主题：家乡近来的发展	I was amazed by the great changes that had taken place in recent years	用“去年夏天回家时的惊讶”引出主题，in recent years 正对应题目的 recent，全文的中心一句话说清。
具体写出发展的几个方面	The most obvious change is in transportation.	第二段写了交通、日常生活、环境三个方面，每个方面先用一句短句点明，再用一句长句写细节，例如高铁把路程“从五个小时缩短到一个半小时”。
说明发展带来的影响	These developments have made life in my hometown more comfortable	These developments 直接呼应题目的 developments，总结变化让生活更舒适，再举出“年轻人回乡创业”这个有力的证据。
写出自己的感受，完整收尾	I am proud of my hometown, and I hope to contribute to its future after graduation.	最后一句写自豪和打算，从“看变化”落到“我要出力”，结尾积极，适合登在校报上。

4 写作思路

先列提纲，每段一个任务

第一段

介绍家乡，点出中心

家乡是中国南方的一座小镇 → 去年夏天回家，被近几年的巨大变化震撼

第二段

分三个方面写变化

交通（土路变柏油路，高铁把五小时缩短到一个半小时）→ 日常生活（超市、医院，老人用手机付款）→ 环境（被污染的河治理干净，河边新公园）

第三段

总结影响，表达感受

生活更舒适，年轻人回乡创业 → 为家乡自豪，毕业后想为家乡出力

5 满分范文

荧光笔 + 圆圈编号 = 下面讲的高分句式

[1] My hometown is a small town in southern China. [2] When I went back there last summer, I was amazed by the great changes that had taken place in recent years.①

[3] The most obvious change is in transportation.② [4] Narrow dirt roads have been replaced by wide paved ones③, and a new high-speed rail line has cut the trip to the provincial capital from five hours to one and a half④. [5] Daily life has also become much more convenient. [6] A supermarket and a modern hospital have opened, and many elderly residents now pay for groceries with their phones. [7] What pleases me most is that the environment has improved.⑤ [8] The polluted river near my old house has been cleaned up, and the new park along its banks has become a favorite spot for evening walks.

[9] These developments have made life in my hometown more comfortable, and some young people who once worked in big cities have even returned to start businesses. [10] I am proud of my hometown, and I hope to contribute to its future after graduation.

参考译文

我的家乡是中国南方的一座小镇。去年夏天我回到家乡时，近几年发生的巨大变化让我惊叹不已。

最明显的变化是在交通方面。狭窄的土路被宽阔的柏油路取代，一条新建的高铁线路把去省会的路程从五个小时缩短到一个半小时。日常生活也变得方便多了。一家超市和一所现代化医院开张了，许多老年居民现在买菜都用手机付款。最让我高兴的是环境得到了改善。我老房子附近那条被污染的河流已经治理干净，河岸边的新公园成了人们傍晚散步最喜欢去的地方。

这些发展让家乡的生活更加舒适，一些曾经在大城市工作的年轻人甚至回乡创业。我为我的家乡感到骄傲，希望毕业后能为它的未来出一份力。

6 一步一步写出这篇范文

01 开头两句：先交代地方，再写“我的惊讶”

第一句用最简单的 My hometown is … 交代家乡是哪里；第二句用 When I went back there last summer 把读者带到具体的时间，再用 I was amazed by the great changes 点出中心。有了“回家看到”这个场景，后面写变化就有了观察者。

> 1 My hometown is a small town in southern China.
> 我的家乡是中国南方的一座小镇。
> 2 When I went back there last summer, I was amazed by the great changes that had taken place in recent years.
> 去年夏天我回到家乡时，近几年发生的巨大变化让我惊叹不已。

02 写第一个变化：交通

先用一句短句 The most obvious change is in transportation 说明这一层写什么，再用“被动语态 + 具体数字”写细节：土路被柏油路取代（have been replaced by），高铁把路程 from five hours to one and a half。数字一出来，变化就看得见了。

> 3 The most obvious change is in transportation.
> 最明显的变化是在交通方面。
> 4 Narrow dirt roads have been replaced by wide paved ones, and a new high-speed rail line has cut the trip to the provincial capital from five hours to one and a half.
> 狭窄的土路被宽阔的柏油路取代，一条新建的高铁线路把去省会的路程从五个小时缩短到一个半小时。

03 写第二个变化：日常生活

用 has also become much more convenient 接上一层（also 表示还有别的变化），再举出超市、医院和“老人用手机买菜”三个细节。最后一个细节最生动：连老人都会用手机支付，说明变化深入到了每个人的生活。

> 5 Daily life has also become much more convenient.
> 日常生活也变得方便多了。
> 6 A supermarket and a modern hospital have opened, and many elderly residents now pay for groceries with their phones.
> 一家超市和一所现代化医院开张了，许多老年居民现在买菜都用手机付款。

04 写第三个变化：环境，并用“最”字推进

用 What pleases me most is that … 把最想说的放在最后，层次越写越近、越写越动情；细节写成“以前：被污染的河 → 现在：治理干净，河边公园成了散步的好去处”的对比。

> 7 What pleases me most is that the environment has improved.
> 最让我高兴的是环境得到了改善。
> 8 The polluted river near my old house has been cleaned up, and the new park along its banks has become a favorite spot for evening walks.
> 我老房子附近那条被污染的河流已经治理干净，河岸边的新公园成了人们傍晚散步最喜欢去的地方。

05 结尾：总结影响，再写自己的感受和打算

用 These developments 把第二段三个变化一次收拢，说明带来了什么（生活更舒适），再用 even 引出最有说服力的证据：年轻人回乡创业。最后一句写 I am proud of … and I hope to …，从看变化落到自己要做的事。

> 9 These developments have made life in my hometown more comfortable, and some young people who once worked in big cities have even returned to start businesses.
> 这些发展让家乡的生活更加舒适，一些曾经在大城市工作的年轻人甚至回乡创业。
> 10 I am proud of my hometown, and I hope to contribute to its future after graduation.
> 我为我的家乡感到骄傲，希望毕业后能为它的未来出一份力。

7 为什么是满分档

切题

题目要写“家乡近来的发展”，全文没有一句离开这个中心：第一段交代家乡并点出 great changes … in recent years，第二段写交通、日常生活、环境三方面的具体变化，第三段用 These developments 总结影响并写自己的感受。每个变化都有看得见的细节（高铁、手机付款、治理过的河），而不是空喊“家乡变好了”。满分档作文就是这样：切合题意，每一部分都在为中心服务。

the great changes that had taken place in recent years | The most obvious change is in transportation. | Daily life has also become much more convenient. | the environment has improved | These developments have made life in my hometown more comfortable

结构与连贯

三段式清楚：引出中心 → 分三层写变化 → 总结并表达感受。第二段每一层都是“一句短句点明方面 + 一句长句写细节”，读者一眼看清层次；also 和 What pleases me most 让三层由一般到最动情地推进；These developments 把三层变化一次收拢，最后一句从“看变化”落到“我要出力”。思路清晰、衔接自然，正是满分档在结构上的表现。

The most obvious change | has also become | What pleases me most | These developments | I hope to contribute to its future after graduation

语言

时态用得准确：过去完成时 had taken place、现在完成时被动语态 have been replaced by 和 has been cleaned up、一般过去时 When I went back，各管各的时间；句式有变化：When 从句、What 主语从句、who 定语从句、并列句交替出现；用词具体，如 paved、provincial capital、elderly residents、a favorite spot for evening walks，用 ones 避免重复 roads。语言准确、多样，几乎没有错误，符合满分档的要求。

had taken place | Narrow dirt roads have been replaced by wide paved ones | has cut the trip to the provincial capital from five hours to one and a half | many elderly residents now pay for groceries with their phones | has become a favorite spot for evening walks | some young people who once worked in big cities have even returned to start businesses

8 升格示范

普通写法一步一步改成满分句

升格 1

第 1 步 The transportation in my hometown is very good now.
只说“现在很好”，没有任何细节，读者看不出到底变了什么，也看不出和以前的对比。

第 2 步 The roads are wider now, and there is a high-speed train, so it is faster to go to the city.
有了道路和高铁两个细节，但 there is、it is faster 都很平淡，也没说出快了多少。

第 3 步 Narrow roads have been replaced by wide ones, and a new high-speed rail line has made the trip to the provincial capital much shorter.
用 have been replaced by 写出新旧对比，句子正式多了；但 much shorter 仍然笼统，换成“从五个小时缩短到一个半小时”的数字，变化才真正看得见。

满分句 **Narrow dirt roads have been replaced by wide paved ones, and a new high-speed rail line has cut the trip to the provincial capital from five hours to one and a half.**

升格 2

第 1 步 My hometown is better than before.
结尾只重复“变好了”，没有总结出变化带来的影响，读起来像没写完。

第 2 步 Because of these changes, life is more comfortable, and some young people come back.
说出了影响和年轻人回乡，但 come back 用一般现在时，看不出这是已经发生的变化（应写 have returned），也没说清他们是谁、回来做什么。

第 3 步 These developments have made life in my hometown more comfortable, and some young people have returned to start businesses.
These developments 收拢前文，have made … more comfortable 句式正式；再加上 who once worked in big cities 和 even，写出“连在大城市工作过的人都回来了”，证据才最有分量。

满分句 **These developments have made life in my hometown more comfortable, and some young people who once worked in big cities have even returned to start businesses.**

① When 回忆场景 + be amazed by

这个句式表达 表达“当我……的时候，……让我非常惊讶”，用一个具体场景引出全文要写的变化或发现

公式 When I + 过去的动作, I was amazed by + the + 名词 + that + had + 过去分词 …

范文原句 When I went back there last summer, I was amazed by the great changes that had taken place in recent years.

去年夏天我回到家乡时，近几年发生的巨大变化让我惊叹不已。

When 从句给出时间和场景，比直接说 My hometown has changed a lot 生动得多。be amazed by 意思是“对……感到惊讶”，写出了自己的感受。that had taken place 用过去完成时，因为变化发生在“我回去”之前；take place 意思是“发生”，比 happen 更正式。

例1 When I entered the new library for the first time, I was amazed by the excellent facilities it offered.
我第一次走进新图书馆时，那里一流的设施让我惊叹不已。

例2 When I visited my old high school last month, I was amazed by the changes that had taken place there.
上个月我回高中母校看看，那里发生的变化让我惊叹不已。

也可以这样说

I was deeply impressed by ...
……给我留下了深刻的印象

To my surprise, ...
令我惊讶的是，……

② The most obvious change is … 分层总起句

这个句式表达 表达“最明显的变化（问题、好处）在……方面”，用一句短句告诉读者这一层要写什么

公式 The most obvious + change / problem / benefit + is in + 方面名词.

范文原句 The most obvious change is in transportation.

最明显的变化是在交通方面。

这是一句只有七个词的短句，却起着“小标题”的作用：读者一看就知道下面要写交通。写分层的段落时，每一层先用这样的短句总起，再用长句写细节，长短交替，层次清楚。注意 in 后面接表示“方面”的名词，如 transportation、education、housing。

例1 The most obvious change is in the way people shop.
最明显的变化在于人们的购物方式。

例2 The most obvious benefit of reading lies in the growth of our vocabulary.
阅读最明显的好处体现在词汇量的增长上。

也可以这样说

The biggest change has taken place in ...

最大的变化发生在……方面

First of all, ... has changed a lot.

首先，……变化很大。

③ 被动语态 replaced by 写新旧对比

这个句式表达 表达“旧的东西已经被新的东西取代”，一句话写出前后的对比

公式 旧事物 + have / has been replaced by + 新事物

范文原句 Narrow dirt roads have been replaced by wide paved ones

狭窄的土路被宽阔的柏油路取代

用现在完成时的被动语态，说明这个变化已经完成、影响到现在。Narrow 和 wide、dirt 和 paved 两组词形成对比，“以前”和“现在”在一句里同时出现。ones 代替前面的 roads，避免重复。写家乡、校园、生活方式的变化都能用。

例1 Old wooden desks have been replaced by modern ones in our classrooms.

我们教室里旧的木头课桌已经换成了现代化的新课桌。

例2 Paper tickets have been replaced by electronic ones at most train stations.

大多数火车站的纸质车票已经被电子车票取代。

也可以这样说

... have given way to ...

……已让位于……

Where there used to be ..., there is now ...

以前是……的地方，现在有了……

④ cut ... from A to B 数字对比

这个句式表达 表达“把……从 A 减少到 B”，用具体数字写出变化有多大

公式 主语 + has cut / reduced + 名词 + from + 数字 A + to + 数字 B

范文原句 a new high-speed rail line has cut the trip to the provincial capital from five hours to one and a half

一条新建的高铁线路把去省会的路程从五个小时缩短到一个半小时

说“交通方便多了”很空，说“从五个小时缩短到一个半小时”读者马上明白。cut 在这里是“缩短、减少”，主语是高铁这条线路本身，句子简洁有力。one and a half 后面省略了 hours，因为前面已经说过。

例1 The new subway line has cut my trip to school from an hour to twenty minutes.

新地铁线把我上学的路程从一个小时缩短到了二十分钟。

例2 Online booking has cut the waiting time at the hospital from two hours to thirty minutes.

网上预约把在医院的等候时间从两个小时缩短到了三十分钟。

也可以这样说

... has reduced ... from ... to ...

……把……从……减少到……

It now takes only ... to ..., compared with ... before.

现在……只需要……，而以前需要……

⑤ What pleases me most is that ... 主语从句

这个句式表达 表达“最让我高兴的是……”，把最想强调的一点放在最后、放在句子的焦点上

公式 What + pleases / surprises / worries + me most + is that + 完整句子

范文原句 What pleases me most is that the environment has improved.

最让我高兴的是环境得到了改善。

What 引导的主语从句先制造期待，is that 后面才说出答案，强调效果比 I am happy that … 强得多。most 表示这是几层里最重要的一层，正好用在最后一层，让段落层层推进。把 pleases 换成 surprises、worries，就能写惊讶或担心的事。

例1 What surprises me most is that many elderly people have learned to shop online.

最让我惊讶的是，许多老年人已经学会了网上购物。

例2 What worries me most is that some students spend too much time on their phones.

最让我担心的是，一些学生在手机上花的时间太多了。

也可以这样说

Most importantly, ...

最重要的是，……

The change I value most is ...

我最看重的变化是……

10 亮点词汇

把普通说法换成高分说法

高分表达	意思	替代的普通说法
take place	发生	happen
transportation	n. 交通；运输	transport / getting around
paved	adj. 铺砌过的（柏油、水泥路面的）	concrete / smooth
provincial capital	省会	the capital city of the province
convenient	adj. 方便的	easy
residents	n. 居民	local people
clean up	清理干净；治理	restore
contribute to	为……做贡献；出力	help build / do something for

MODEL ESSAY 18 · PART I WRITING

印象最深的校园活动

2023年12月大学英语四级 第3套 · 写作 Part I

记叙性短文（描述校园活动） · 范文 172 词

1 原题

Part I **Writing** **(30 minutes)**

Directions: *Suppose the university newspaper is inviting submissions from the students for its coming edition on a campus event that has impressed them most. You are now to write an essay for submission. You will have 30 minutes to write the essay. You should write at least 120 words but no more than 180 words.*

题目译文

假设你们学校的校报（university newspaper）正在向学生征稿（inviting submissions），下一期的主题是：最让你印象深刻的一次校园活动（a campus event that has impressed them most）。

现在请你写一篇文章投稿（write an essay for submission）。

你有 30 分钟（30 minutes）写这篇文章（essay）。

字数：至少 120 词（at least 120 words），但不超过 180 词（no more than 180 words）。

2 审题

先弄清楚要写什么，再动笔

情景作文（校报征稿）：印象最深的一次校园活动

120—180 词（题目要求 at least 120 words but no more than 180 words）；本篇 172 词。写到 160—180 词最稳，绝不能超过 180 词

- [ ] 场景是校报向学生征稿，主题是 a campus event that has impressed them most（印象最深的校园活动），你写的是一篇投稿文章
- [ ] 开头一句就说清是什么活动、谁组织的、什么时候举办的
- [ ] 中间按时间顺序写活动经过，挑出一个最打动你的瞬间写细
- [ ] 结尾一定要说明“为什么印象最深”：这件事让你懂得了什么、带来了什么感受

语气与身份：校报投稿，以记叙为主：用第一人称讲自己的经历，可以写得生动、有画面感，但用词规范，不用口语缩写

容易失分的地方

- 题目的关键词是 impressed them most，只写活动流程、不写“为什么印象深”就是只完成了一半要求
- 写的是过去的一次活动，经过部分要统一用一般过去时（gathered、ran、slowed down），不要忽然跳回现在时
- 不要平均用力地罗列活动的每个环节；挑一个最打动你的瞬间（本篇是同学陪跑）写细，文章才有重点
- 只写一次具体的活动，不要写成“我们学校有很多活动”的介绍

3 题目要求逐条落实

每一条要求 → 范文里的哪一句

题目要求	范文原句	怎么做到的
交代是哪一次校园活动	The campus event that impressed me most was a charity fun run organized by our student union last spring.	第一句就把活动名称（慈善趣味跑）、组织者（学生会）、时间（去年春天）交代清楚，并直接用上题目的 impressed me most，开门见山。
描述活动经过	more than a thousand students and teachers gathered at the stadium	第二段按时间顺序写：清晨集合、五公里路线、沿途的趣味装扮和志愿者，再到最后捐款，经过完整，画面清楚。
写出最打动自己的瞬间	a classmate I hardly knew slowed down and ran beside me until we crossed the finish line together	先写“我快跑不动了”，再写“一位几乎不认识的同学放慢速度陪我跑完”，有起有落，这正是后文“温暖”的证据。
说明为什么印象最深	The event impressed me not because of the race itself but because of the warmth it showed.	用 not because of … but because of … 点明真正的原因不是比赛，而是活动展现出的温暖，回答了题目最核心的问题。
写出收获和感受	a small act of kindness can mean a great deal	最后一句从经历中得出道理，再写“在大学有了家的感觉”，感受真实，结尾有分量。

4 写作思路

先列提纲，每段一个任务

第一段

点明是哪一次活动

印象最深的是去年春天学生会组织的慈善趣味跑

第二段

按时间顺序写经过，突出一个瞬间

清晨一千多人穿着橙色T恤集合 → 五公里路线、趣味装扮、志愿者加油 → 我跑到第四公里快坚持不住 → 一位几乎不认识的同学陪我跑到终点 → 报名费捐给农村小学建图书馆

第三段

说明为什么印象最深

打动我的不是比赛本身，而是温暖 → 懂得小小的善举意义重大，在大学有了家的感觉

5 满分范文

荧光笔 + 圆圈编号 = 下面讲的高分句式

[1] The campus event that impressed me most was a charity fun run organized by our student union last spring.①

[2] Early on the morning of the race, more than a thousand students and teachers gathered at the stadium, all wearing the same bright orange T-shirts②. [3] The five-kilometer route ran past the library, the lake and the classroom buildings. [4] Many runners wore funny hats and wigs, and volunteers along the way handed out water and cheered for everyone. [5] I am not a strong runner, and by the fourth kilometer I was almost exhausted. [6] Just then, a classmate I hardly knew slowed down and ran beside me until we crossed the finish line together.③ [7] Later, all the money from registration fees was donated to a rural elementary school to build a small library.

[8] The event impressed me not because of the race itself but because of the warmth it showed.④ [9] It taught me that a small act of kindness can mean a great deal⑤, and it made me feel truly at home at my university.

参考译文

给我留下印象最深的校园活动，是去年春天我们学生会组织的一场慈善趣味跑。

比赛当天一大早，一千多名学生和老师聚集在体育场，人人都穿着同样的亮橙色T恤。五公里的路线经过图书馆、湖边和教学楼。许多跑者戴着滑稽的帽子和假发，沿途的志愿者分发饮用水，并为每个人加油。我跑步不算厉害，到第四公里时就几乎筋疲力尽了。就在这时，一位我几乎不认识的同学放慢了速度，一直陪我并肩跑，直到我们一起冲过终点线。后来，所有的报名费都捐给了一所农村小学，用来建一座小图书馆。

这次活动给我留下深刻印象，不是因为比赛本身，而是因为它所展现出的温暖。它让我懂得，一个小小的善举可能意义重大，也让我在大学里真正有了家的感觉。

6 一步一步写出这篇范文

01 第一句：活动名称、组织者、时间一次交代

用 The campus event that impressed me most was … 开头，直接用上题目的关键词；后面用过去分词短语 organized by our student union 和 last spring 补上谁组织、什么时候，一句话把“是什么”说完。

> 1 The campus event that impressed me most was a charity fun run organized by our student union last spring.
> 给我留下印象最深的校园活动，是去年春天我们学生会组织的一场慈善趣味跑。

02 写场面：时间、人数、细节

先用 Early on the morning of the race 交代时间，再用数字（more than a thousand）和一个颜色细节（the same bright orange T-shirts）写出场面；接着写路线经过哪些地方，再写滑稽的帽子、假发和沿途的志愿者，让读者像在现场一样。

> 2 Early on the morning of the race, more than a thousand students and teachers gathered at the stadium, all wearing the same bright orange T-shirts.
> 比赛当天一大早，一千多名学生和老师聚集在体育场，人人都穿着同样的亮橙色T恤。
>
> 3 The five-kilometer route ran past the library, the lake and the classroom buildings.
> 五公里的路线经过图书馆、湖边和教学楼。
>
> 4 Many runners wore funny hats and wigs, and volunteers along the way handed out water and cheered for everyone.
> 许多跑者戴着滑稽的帽子和假发，沿途的志愿者分发饮用水，并为每个人加油。

03 写转折：先写困难，再写被帮助

用 I am not a strong runner 和 almost exhausted 先把“我快不行了”写出来，再用 Just then 引出转折：一位 I hardly knew 的同学放慢速度陪我跑完。先抑后扬，最打动人的瞬间就突出了。

> 5 I am not a strong runner, and by the fourth kilometer I was almost exhausted.
> 我跑步不算厉害，到第四公里时就几乎筋疲力尽了。
>
> 6 Just then, a classmate I hardly knew slowed down and ran beside me until we crossed the finish line together.
> 就在这时，一位我几乎不认识的同学放慢了速度，一直陪我并肩跑，直到我们一起冲过终点线。

04 交代活动的结果

用 Later 接着时间线，写报名费捐给农村小学建图书馆，说明这次活动不只是跑步，还帮到了别人，为下一段的“温暖”再添一个证据。

> 7 Later, all the money from registration fees was donated to a rural elementary school to build a small library.
> 后来，所有的报名费都捐给了一所农村小学，用来建一座小图书馆。

05 结尾：用对比说清“为什么印象最深”，再写收获

用 not because of … but because of … 把原因从“比赛”转到“温暖”，回扣题目的 impressed；最后一句用 It taught me that … 得出道理，再用 and it made me feel … 写感受，道理和感受都有。

> 8 The event impressed me not because of the race itself but because of the warmth it showed.
> 这次活动给我留下深刻印象，不是因为比赛本身，而是因为它所展现出的温暖。
>
> 9 It taught me that a small act of kindness can mean a great deal, and it made me feel truly at home at my university.
> 它让我懂得，一个小小的善举可能意义重大，也让我在大学里真正有了家的感觉。

7 为什么是满分档

切题

题目要写“印象最深的校园活动”，范文第一句就用 The campus event that impressed me most 直接回应；第二段写活动经过，并重点写出同学陪跑这一最打动人的瞬间；第三段用 not because of … but because of … 说明为什么印象最深，并写出收获。题目要求的“是什么活动、为什么印象深”都写到了，没有一句跑题。满分档作文就是这样：切合题意，每一部分都在为中心服务。

- The campus event that impressed me most was a charity fun run organized by our student union last spring.
- a classmate I hardly knew slowed down and ran beside me
- The event impressed me not because of the race itself but because of the warmth it showed.
- it made me feel truly at home at my university

结构与连贯

三段式清楚：点明活动 → 按时间写经过 → 说明原因和收获。第二段用 Early on the morning of the race、by the fourth kilometer、Just then、Later 串起时间线，读者跟着故事一步步往下读；先写“快坚持不住”再写“被陪跑”，有起有落；第三段的 The event 和 It 指回前文，the warmth 总结了陪跑、志愿者加油、捐款几个细节。思路清晰、衔接自然，正是满分档在结构上的表现。

- Early on the morning of the race
- by the fourth kilometer
- Just then
- Later
- the warmth it showed

语言

一般过去时贯穿经过，结尾的道理用一般现在时（can mean），时态准确；句式有变化：that 定语从句、过去分词作定语 organized by、独立结构 all wearing、until 从句、not because of … but because of … 对比；用词具体生动，如 bright orange T-shirts、funny hats and wigs、almost exhausted、a small act of kindness。语言准确、多样，几乎没有错误，符合满分档的要求。

- organized by our student union
- all wearing the same bright orange T-shirts
- Many runners wore funny hats and wigs
- by the fourth kilometer I was almost exhausted
- a small act of kindness can mean a great deal

8 升格示范

普通写法一步一步改成满分句

升格 1

第 1 步 A classmate helped me.
只说“有人帮了我”，没有时间、没有动作，读者感受不到这个瞬间。

第 2 步 Then a classmate ran with me, and we finished the race together.
有了动作和结果，但 Then 太平淡，看不出转折；也没说出这位同学是谁，打动人的地方没写出来。

第 3 步 Just then, a classmate slowed down and ran beside me until we crossed the finish line together.
Just then 写出转折，slowed down、ran beside me、until we crossed the finish line 让画面具体；再加上 I hardly knew，点出“几乎不认识的同学也愿意帮我”，才和结尾的“温暖”紧紧扣上。

满分句 **Just then, a classmate I hardly knew slowed down and ran beside me until we crossed the finish line together.**

升格 2

第 1 步 I think this event is very meaningful.
meaningful 是空话，没说出到底哪里有意义，也没回答题目的“为什么印象最深”；时态还跳回了现在时。

第 2 步 This event impressed me because it was full of warmth.
用上了题目的 impressed，原因也说出来了；但只是平铺直叙，没有对比，主题显得浅。

第 3 步 The event impressed me not because of the race but because of the warmth.
用 not because of … but because of … 先排除表面原因，主题深了一层；再加上 itself 和 it showed，说清“温暖是活动本身展现出来的”，句子才完整、地道。

满分句 **The event impressed me not because of the race itself but because of the warmth it showed.**

9 高分句式

公式 → 原句 → 讲解 → 仿写

① The … that impressed me most was … 开头句

这个句式表达 表达“给我留下印象最深的……是……”，一句话点明要写的对象，并直接回应题目

公式 The + 名词 + that impressed me most + was + 具体对象 + 过去分词短语（organized by …）+ 时间

范文原句 The campus event that impressed me most was a charity fun run organized by our student union last spring.

给我留下印象最深的校园活动，是去年春天我们学生会组织的一场慈善趣味跑。

that 定语从句修饰 event，把题目的 impressed … most 原样用进句子，阅卷老师一看就知道切题。

organized by our student union 是过去分词短语作定语，等于 which was organized by …，更简洁。写“最难忘的人、最喜欢的课、印象最深的书”都能用。

例1 The course that impressed me most was a public speaking class taught by a young teacher.
给我留下印象最深的课程，是一位年轻老师教的演讲课。

例2 The book that impressed me most was a biography recommended by my high school teacher.

给我留下印象最深的书，是高中老师推荐的一本传记。

也可以这样说

Of all the ..., the one I remember best is ...

在所有的……中，我记得最清楚的是……

... left a deep impression on me.

……给我留下了深刻的印象。

② all wearing ... 独立结构写画面

这个句式表达 表达“大家都……着”，在句末补充一个画面细节，不用再写一个完整句子

公式 完整句子, + all / everyone + 现在分词 + 细节

范文原句 all wearing the same bright orange T-shirts

人人都穿着同样的亮橙色T恤

主句已经说完“一千多人聚集在体育场”，逗号后面用 all wearing … 补上一个颜色细节，场面一下子有了画面。这种“名词 + 现在分词”的结构比再写一句 They all wore … 更紧凑。写开学典礼、运动会、志愿活动的场面都能用。

例1 On the first day of school, hundreds of new students lined up outside the hall, all holding their admission letters.

开学第一天，几百名新生在礼堂外排队，人人手里都拿着录取通知书。

例2 The volunteers arrived at the park early, all carrying bags and gloves for the clean-up.

志愿者们一早就来到公园，人人都带着清理垃圾用的袋子和手套。

也可以这样说

..., each of them + 现在分词 ...

……，他们每个人都……

..., with + 名词 + 现在分词 ...

……，……正在……

③ Just then 转折 + until 写经过

这个句式表达 表达“就在这时，有人做了……，一直到……”，写出故事里最关键的转折

公式 Just then, + 主语 + 动作 1 + and + 动作 2 + until + 结果

范文原句 Just then, a classmate I hardly knew slowed down and ran beside me until we crossed the finish line together.

就在这时，一位我几乎不认识的同学放慢了速度，一直陪我并肩跑，直到我们一起冲过终点线。

Just then 紧接上一句的困难，转折来得快、有画面感。a classmate I hardly knew 省略了 that，hardly 意思是“几乎不”，突出“陌生人也愿意帮我”。until 把动作一直延续到结果（一起冲过终点），一句话把整个过程写完。

例1 Just then, a stranger stopped and helped me carry my heavy suitcase until we reached the bus stop.
就在这时，一位陌生人停下来，帮我提着沉重的行李箱，一直到公交车站。

例2 Just then, my roommate sat down beside me and explained the problem until I finally understood it.
就在这时，室友在我身边坐下，给我讲解那道题，直到我终于弄懂了。

也可以这样说

At that moment, ...
就在那一刻，……

To my surprise, ...
令我意外的是，……

④ not because of … but because of … 点明真正原因

这个句式表达 表达“不是因为……，而是因为……”，先排除表面原因，再说出真正的原因

公式 主语 + 动词 + not because of + 名词 A + but because of + 名词 B

范文原句 The event impressed me not because of the race itself but because of the warmth it showed.

这次活动给我留下深刻印象，不是因为比赛本身，而是因为它所展现出的温暖。

读者以为你会说“比赛很精彩”，你却说“打动我的是温暖”，对比让主题一下子深了一层。the race itself 的 itself 表示“本身”；the warmth it showed 省略了 that，意思是“它所展现的温暖”。写“为什么喜欢、为什么难忘”的结尾都能用。

例1 I love this course not because of the high grades but because of the way it makes me think.
我喜欢这门课，不是因为分数高，而是因为它能引发我思考。

例2 The trip was unforgettable not because of the scenery but because of the friends I made.
那次旅行之所以难忘，不是因为风景，而是因为我交到的朋友。

也可以这样说

What really matters is not ... but ...

真正重要的不是……而是……

It was ... rather than ... that ...

正是……而不是……让……

⑤ It taught me that ... 写收获

这个句式表达 表达“这件事让我懂得了……”，从经历中得出一个道理

公式 It / The experience + taught me that + 道理（一般现在时）

范文原句 It taught me that a small act of kindness can mean a great deal

它让我懂得，一个小小的善举可能意义重大

记叙类作文的结尾要从“发生了什么”升到“我学到了什么”。taught 是过去时，但 that 后面的道理是普遍真理，用一般现在时（can mean）。a small act of kindness 和 a great deal 一小一大形成对比，道理说得简短有力。

例1 The experience taught me that hard work always pays off in the end.

这段经历让我懂得，努力终会有回报。

例2 Volunteering taught me that helping others can make us happier too.

做志愿者让我懂得，帮助别人也能让自己更快乐。

也可以这样说

From this experience, I learned that ...

从这次经历中，我明白了……

It made me realize that ...

它让我意识到……

10 亮点词汇

把普通说法换成高分说法

高分表达	意思	替代的普通说法
charity	n. 慈善；慈善事业	fundraising
organized	v. 组织（organize 的过去分词）	held / arranged
gathered	v. 聚集（gather 的过去式）	came together
volunteers	n. 志愿者	helpers
exhausted	adj. 筋疲力尽的	very tired / worn out
finish line	终点线	the end of the race
donated	v. 捐赠（donate 的过去分词）	given
kindness	n. 善意；友好的行为	help / caring

如何与同学友好相处

2023年6月大学英语四级 第1套 · 写作 Part I
议论文 · 范文 177 词

1 原题

Part I **Writing** **(30 minutes)**

Directions: *Suppose the student union of your university is organizing an online discussion on interpersonal relationships. You are to write an essay on ways to maintain a warm and friendly relationship with your classmates and on the benefits of such a relationship. You will have 30 minutes for the task. You should write at least 120 words but no more than 180 words.*

题目译文

假设你们学校的学生会（student union）正在组织一场关于人际关系（interpersonal relationships）的网上讨论（online discussion）。

请你写一篇文章（essay），谈两点：① 怎样和同学保持温暖、友好的关系（ways to maintain a warm and friendly relationship with your classmates）；② 这种关系有什么好处（the benefits of such a relationship）。

你有 30 分钟（30 minutes）完成这项写作任务（task）。

字数：至少 120 词（at least 120 words），但不超过 180 词（no more than 180 words）。

2 审题

先弄清楚要写什么，再动笔

情景作文（学生会网上讨论）：怎样与同学保持友好关系，以及这种关系的好处

120—180 词（题目要求 at least 120 words but no more than 180 words）；本篇 177 词，已经接近上限。两项要求都要写，每一条要写得精炼，绝不能超过 180 词

- [ ] 场景是学生会组织关于人际关系的网上讨论，你写一篇文章参加讨论
- [ ] 题目有两项要求：ways to maintain a warm and friendly relationship（怎样保持温暖友好的关系）和 the benefits of such a relationship（这种关系的好处），两项都要写，而且最好各占一段
- [ ] 写“方法”时给出两三条具体做法，每条配一个说明或例子
- [ ] 写“好处”时给出两三个好处，最后一句总结全文

语气与身份：参加讨论的文章，语气正式、友好：用 we should 提出做法，让读者觉得是同学之间在交流，不用口语化的表达

容易失分的地方

- 两项要求缺一不可：只写方法、不写好处（或反过来），就只完成了一半，直接掉档
- 话题是“同学关系”，不要写成泛泛的“人际关系”或“交朋友”，每一条都要落到 classmates 身上
- 方法要具体：写 listening patiently、explaining a difficult problem，而不是只写 be kind to others
- 人称前后一致：本篇用 we 写方法，就一直用 we、us，不要忽然换成 you

3 题目要求逐条落实

每一条要求 → 范文里的哪一句

题目要求	范文原句	怎么做到的
回应讨论话题，说明同学关系的重要性	maintaining a warm and friendly relationship with them is important for every student	开头先说明“同学是大学里相处最久的人”，再用 so 得出“保持友好关系很重要”，用自己的话引出了话题，没有照抄题目。
写出保持友好关系的方法	There are several ways to build such a relationship.	第二段先总起，再用 First、Second、Third 写出三条做法：尊重与真诚、乐于帮助、参加集体活动，每条都有具体说明。
方法要具体	whether by explaining a difficult problem or by looking after a classmate who is ill	“乐于帮助”不是一句口号，而是落到“讲解难题、照顾生病的同学”两件具体的事上。
写出这种关系的好处	A friendly relationship brings many benefits.	第三段同样先总起，再写三个好处：氛围愉快不孤单、互相学习、培养对将来有用的沟通能力，由眼前写到将来。
总结全文	Therefore, it is well worth the effort to be a kind and caring classmate.	Therefore 引出结论，回到“做一个友善的同学”，首尾呼应。

4 写作思路

先列提纲，每段一个任务

第一段

引出话题

同学是大学里相处最久的人 → 所以保持友好关系对每个学生都很重要

第二段

写方法（题目要求一）

总起：有几种方法 → 第一，尊重和真诚（耐心倾听、接纳不同习惯和观点）→ 第二，乐于帮助（讲解难题、照顾病人）→ 第三，参加集体活动（班级出游、小组项目）

第三段

写好处（题目要求二），总结

总起：好处很多 → 氛围愉快，不孤单 → 互相学习彼此的长处 → 沟通能力有助于将来的职业 → 结论：值得努力做一个友善的同学

5 满分范文

荧光笔 + 圆圈编号 = 下面讲的高分句式

[1] Classmates are the people we spend the most time with at college, so maintaining a warm and friendly relationship with them is important for every student.①

[2] There are several ways to build such a relationship. [3] First, we should treat others with respect and sincerity. [4] Listening patiently when classmates share their ideas and accepting their different habits and opinions can prevent many misunderstandings.② [5] Second, we should be willing to offer

help, whether by explaining a difficult problem or by looking after a classmate who is ill③. [6] Third, taking part in group activities, such as class trips and team projects, gives us chances to get to know each other better.

[7] A friendly relationship brings many benefits. [8] It creates a pleasant atmosphere in which everyone feels supported and less lonely when far from home.④ [9] Classmates who get along well can also learn from each other's strengths. [10] Moreover, the communication skills we develop in dealing with classmates will help us build good relationships in our future careers. [11] Therefore, it is well worth the effort to be a kind and caring classmate.⑤

参考译文

同学是我们在大学里相处时间最长的人，因此，与他们保持温暖友好的关系对每个学生来说都很重要。

建立这样的关系有几种方法。首先，我们应该以尊重和真诚的态度对待他人。同学分享想法时耐心倾听，接纳他们不同的习惯和观点，可以避免许多误会。其次，我们应该乐于提供帮助，无论是讲解一道难题，还是照顾生病的同学。第三，参加集体活动，比如班级出游和小组项目，能让我们有机会更好地相互了解。

友好的关系会带来许多好处。它营造出一种愉快的氛围，让每个人都感到被支持，在远离家乡时也不那么孤单。相处融洽的同学还能互相学习彼此的长处。此外，我们在与同学相处中培养的沟通能力，将有助于我们在未来的职业生涯中建立良好的人际关系。因此，努力做一个友善、体贴的同学是非常值得的。

6 一步一步写出这篇范文

01 开头：先说事实，再用 so 引出观点

第一句前半句写一个人人都认同的事实（同学是我们在大学相处最久的人），后半句用 so 得出“保持友好关系很重要”。用事实开头，比直接说 Relationships are important 自然，也避免照抄题目。

> 1 Classmates are the people we spend the most time with at college, so maintaining a warm and friendly relationship with them is important for every student.
> 同学是我们在大学里相处时间最长的人，因此，与他们保持温暖友好的关系对每个学生来说都很重要。

02 第二段先总起，再写第一条方法

用 There are several ways to … 告诉读者本段写方法；First 后面先写原则（with respect and sincerity），下一句马上用两个动名词短语（Listening patiently …、accepting …）说明具体怎么做，并说出效果（prevent many misunderstandings）。

> 2 There are several ways to build such a relationship.
> 建立这样的关系有几种方法。
>
> 3 First, we should treat others with respect and sincerity.
> 首先，我们应该以尊重和真诚的态度对待他人。
>
> 4 Listening patiently when classmates share their ideas and accepting their different habits and opinions can prevent many misunderstandings.
> 同学分享想法时耐心倾听，接纳他们不同的习惯和观点，可以避免许多误会。

03 写第二、三条方法：每条都带例子

Second 用 whether by … or by … 给出两种帮助的方式；Third 用 such as 举出班级出游和小组项目，再说出效果（get to know each other better）。每条方法都有“做什么 + 例子”，不空洞。

> 5 Second, we should be willing to offer help, whether by explaining a difficult problem or by looking after a classmate who is ill.
> 其次，我们应该乐于提供帮助，无论是讲解一道难题，还是照顾生病的同学。
> 6 Third, taking part in group activities, such as class trips and team projects, gives us chances to get to know each other better.
> 第三，参加集体活动，比如班级出游和小组项目，能让我们有机会更好地相互了解。

04 第三段先总起，再写三个好处

用 A friendly relationship brings many benefits 开头，与第二段的总起句对称。好处按“现在的感受 → 学习 → 将来的职业”排列：in which 从句写氛围，also 写互相学习，Moreover 写到将来，层次越写越远。

> 7 A friendly relationship brings many benefits.
> 友好的关系会带来许多好处。
> 8 It creates a pleasant atmosphere in which everyone feels supported and less lonely when far from home.
> 它营造出一种愉快的氛围，让每个人都感到被支持，在远离家乡时也不那么孤单。
> 9 Classmates who get along well can also learn from each other's strengths.
> 相处融洽的同学还能互相学习彼此的长处。
> 10 Moreover, the communication skills we develop in dealing with classmates will help us build good relationships in our future careers.
> 此外，我们在与同学相处中培养的沟通能力，将有助于我们在未来的职业生涯中建立良好的人际关系。

05 最后一句用 Therefore 总结

用 it is well worth the effort to … 得出结论，把方法和好处合在一起：既然有这么多好处，就值得努力去做。一句话收尾，干净利落。

> 11 Therefore, it is well worth the effort to be a kind and caring classmate.
> 因此，努力做一个友善、体贴的同学是非常值得的。

7 为什么是满分档

切题 · 结构与连贯 · 语言

切题

题目有两项要求，范文一项不落：第二段写方法（尊重真诚、乐于帮助、参加集体活动），第三段写好处（氛围愉快、互相学习长处、有利于将来的职业）；每一条都落在“同学”身上，如 when classmates share their ideas、looking after a classmate who is ill、Classmates who get along well。开头和结尾都紧扣“做一个友善的同学”。满分档作文就是这样：切合题意，题目的每一项要求都写到。

maintaining a warm and friendly relationship with them is important for every student

There are several ways to build such a relationship.

A friendly relationship brings many benefits.

Classmates who get along well can also learn from each other's strengths.

it is well worth the effort to be a kind and caring classmate

结构与连贯

三段式非常清楚：引出话题 → 方法 → 好处。第二、三段都用一句总起句开头，两段对称，题目的两项要求各占一段，一目了然；段内用 First、Second、Third 和 also、Moreover 分层；such a relationship 指回第一段，Therefore 引出结论。读者顺着思路一步步读下去，正是满分档在结构上的表现。

such a relationship | First | Second | Third | Moreover | Therefore

语言

句式丰富又准确：动名词短语作主语（Listening patiently … and accepting …）、whether by … or by …、in which 定语从句、who 定语从句、形式主语 it is well worth the effort to …；用词具体、正式，如 with respect and sincerity、prevent many misunderstandings、a pleasant atmosphere、communication skills。全文人称统一用 we，几乎没有错误，符合满分档的要求。

treat others with respect and sincerity | Listening patiently when classmates share their ideas | can prevent many misunderstandings | whether by explaining a difficult problem or by looking after a classmate who is ill | a pleasant atmosphere in which everyone feels supported | the communication skills we develop in dealing with classmates

8 升格示范

普通写法一步一步改成满分句

升格 1

第 1 步 Second, we should help each other.

方法是对的，但只是一句口号，读者不知道具体该怎么帮。

第 2 步 Second, we should help classmates, for example, help them with their study and take care of them.

加了例子，但 help 重复了两次，help them with their study、take care of them 仍然笼统，for example 后面的结构也不工整。

第 3 步 Second, we should be willing to offer help, such as explaining a difficult problem or looking after a sick classmate.

be willing to offer help 写出态度，两个例子具体了；把 such as 换成 whether by … or by …，两种方式结构对称、语气更自然，a classmate who is ill 也比 a sick classmate 读起来更舒缓。

满分句 **Second, we should be willing to offer help, whether by explaining a difficult problem or by looking after a classmate who is ill.**

升格 2

第 1 步 It makes us happy.
好处说得太简单，没有内容，读者看不出“为什么会开心”。

第 2 步 It makes the class happy, and we will not feel lonely.
多了“不孤单”这一点，但 makes the class happy 不地道，两个分句也只是简单相加。

第 3 步 It creates a pleasant atmosphere in which everyone feels less lonely.
creates a pleasant atmosphere 和 in which 从句让句子正式、具体；再加上 supported 和 when far from home，写出“被支持”和“远离家乡的大学生”这一处境，好处才真切。

满分句 **It creates a pleasant atmosphere in which everyone feels supported and less lonely when far from home.**

9 高分句式

公式 → 原句 → 讲解 → 仿写

① 事实 + so + 观点 开头句

这个句式表达 表达“因为……，所以……很重要”，先摆出一个人人认同的事实，再自然地引出观点

公式 事实句, so + 动名词短语 / 名词 + is important for + 某人

范文原句 Classmates are the people we spend the most time with at college, so maintaining a warm and friendly relationship with them is important for every student.

同学是我们在大学里相处时间最长的人，因此，与他们保持温暖友好的关系对每个学生来说都很重要。

前半句的 the people we spend the most time with 省略了 that，介词 with 放在句末，这是很地道的说法。后半句用动名词短语 maintaining a warm and friendly relationship 作主语，把题目的话改写成自己的句子。用一个事实引出观点，开头就有说服力。

例1 We spend most of our free time online, so learning to judge information is important for everyone.
我们大部分空闲时间都在网上，因此，学会判断信息对每个人来说都很重要。

例2 Roommates are the people we see every day, so getting along with them is important for a happy college life.
室友是我们每天都见面的人，因此，与他们和睦相处对快乐的大学生活很重要。

也可以这样说

Since ..., it is important to ...
既然……，……就很重要

Given that ..., ... plays a key role in ...
鉴于……，……在……中起着关键作用

② 动名词短语作主语 + can prevent

这个句式表达 表达“做某事可以避免……”，把具体做法写成句子的主语，再说出它的效果

公式 Doing A + and + doing B + can prevent / reduce + 名词

范文原句 Listening patiently when classmates share their ideas and accepting their different habits and opinions can prevent many misunderstandings.

同学分享想法时耐心倾听，接纳他们不同的习惯和观点，可以避免许多误会。

两个动名词短语 Listening patiently … 和 accepting … 用 and 连接，一起作主语，所以谓语是 can prevent。主语就是“做法”，谓语就是“效果”，一句话把“怎么做”和“有什么用”都说清了，比 We should listen … because … 更紧凑。

例1 Making a weekly plan and sticking to it can prevent last-minute panic before exams.

制订每周计划并坚持执行，可以避免考前临时抱佛脚的慌乱。

例2 Turning off the lights and saving water can reduce the costs of running a dormitory.

随手关灯、节约用水，可以降低宿舍的运行成本。

也可以这样说

By doing ..., we can avoid ...

通过……，我们可以避免……

... helps to reduce ...

……有助于减少……

③ whether by … or by … 列举方式

这个句式表达 表达“无论是通过……还是通过……”，在提出做法后，马上给出两种具体方式

公式 we should + 做法, whether by + doing A + or by + doing B

范文原句 whether by explaining a difficult problem or by looking after a classmate who is ill

无论是讲解一道难题，还是照顾生病的同学

前面的 be willing to offer help 只是一个原则，whether by … or by … 马上把它落到两件具体的事上。by 后面接动名词，两个 by 短语结构相同，读起来整齐。写“怎样节约、怎样学习、怎样帮助别人”都能用它补充例子。

例1 We can protect the environment in daily life, whether by taking the bus or by bringing our own shopping bags.

我们可以在日常生活中保护环境，无论是乘坐公交车，还是自带购物袋。

例2 Students can improve their English after class, whether by reading English news or by joining an English club.

学生可以在课后提高英语水平，无论是阅读英文新闻，还是参加英语俱乐部。

也可以这样说

..., such as doing ... or doing ...

……，比如……或……

..., for example, by doing ...

……，例如通过……

④ in which 定语从句写氛围

这个句式表达 表达“营造出一种……的氛围，在这种氛围里每个人都……”，把好处写得具体

公式 It creates + a + 形容词 + atmosphere / environment + in which + 主语 + 谓语

范文原句 It creates a pleasant atmosphere in which everyone feels supported and less lonely when far from home.

它营造出一种愉快的氛围，让每个人都感到被支持，在远离家乡时也不那么孤单。

in which 引导定语从句修饰 atmosphere，相当于 where，但更正式。从句里说出“在这种氛围里人们怎样”，比只说 It is pleasant 具体得多。when far from home 省略了 they are，是简洁的状语。写校园文化、团队合作、家庭氛围的好处都能用。

例1 A good library creates a quiet environment in which students can focus on their studies.

一座好的图书馆营造出安静的环境，让学生能专心学习。

例2 Team sports create a friendly atmosphere in which players learn to trust each other.

团队运动营造出一种友好的氛围，让队员学会相互信任。

也可以这样说

It makes ... a place where ...

它让……成为一个……的地方

It helps everyone feel ...

它让每个人都感到……

⑤ it is well worth the effort to ... 结论句

这个句式表达 表达“付出努力去做……是非常值得的”，在列出好处后得出结论

公式 Therefore, it is well worth the effort to + 动词原形 …

范文原句 Therefore, it is well worth the effort to be a kind and caring classmate.

因此，努力做一个友善、体贴的同学是非常值得的。

it 是形式主语，真正的主语是 to be a kind and caring classmate。be worth the effort 意思是“值得付出努力”，well 加强语气，表示“非常值得”。前面写了方法也写了好处，这一句把两者合起来：既然好处这么多，就值得去做，结论顺理成章。

例1 Therefore, it is well worth the effort to learn a second foreign language at college.

因此，在大学里努力学习第二门外语是非常值得的。

例2 Therefore, it is well worth the effort to keep a healthy daily routine.

因此，努力保持健康的作息是非常值得的。

也可以这样说

It is worthwhile to ...

……是值得的

We have every reason to ...

我们完全有理由……

10 亮点词汇

把普通说法换成高分说法

高分表达	意思	替代的普通说法
maintaining	v. 保持；维持（maintain 的动名词）	keeping
sincerity	n. 真诚	honesty
patiently	adv. 耐心地	calmly / carefully
misunderstandings	n. 误会	conflicts
atmosphere	n. 氛围；气氛	environment
get along well	相处融洽	be on good terms
communication skills	沟通能力	the ability to communicate
careers	n. 职业；职业生涯	jobs / working life

大学生参与社区服务

2023年6月大学英语四级 第2套 · 写作 Part I
议论文 · 范文 172 词

1 原题

Part I Writing (30 minutes)

Directions: *Suppose the student union of your university is organizing an online discussion on college students doing community service. You are to write an essay on its benefits and the service you can provide to the community. You will have 30 minutes for the task. You should write at least 120 words but no more than 180 words.*

题目译文

假设你们学校的学生会（student union）正在组织一场网上讨论（online discussion），主题是大学生参加社区服务（college students doing community service）。

请你写一篇文章（essay），谈两点：① 参加社区服务的好处（its benefits）；② 你能为社区提供哪些服务（the service you can provide to the community）。

你有 30 分钟（30 minutes）完成这项写作任务（task）。

字数：至少 120 词（at least 120 words），但不超过 180 词（no more than 180 words）。

2 审题

先弄清楚要写什么，再动笔

情景作文（学生会网上讨论）：大学生做社区服务的好处，以及自己能提供的服务

120—180 词（题目要求 at least 120 words but no more than 180 words）；本篇 172 词。写到 160—180 词最稳，绝不能超过 180 词

- [ ] 场景是学生会组织关于大学生做社区服务的网上讨论，你写一篇文章参加讨论
- [ ] 题目有两项要求：its benefits（社区服务的好处）和 the service you can provide to the community（你能为社区提供的服务），两项都要写，最好各占一段
- [ ] 写好处时，既可以写对学生的好处，也可以写对社区的好处，两方面都写到更全面
- [ ] 写“我能提供的服务”时要用第一人称，结合自己的身份和特长，写出具体能做的事

语气与身份：参加讨论的文章，正式而积极：写好处时用第三人称（students、they）客观分析，写自己的服务时换成 I，语气真诚，不用口语化的表达

容易失分的地方

- 第二项要求问的是 you，一定要写“我能做什么”，不能只泛泛地写“大学生可以做什么”
- “我能提供的服务”要具体：写清教谁、教什么（教老人打视频电话、网上缴费），只写 I can help people 拿不到高分
- 两段人称各管各的：写好处时 students、they 一以贯之，写服务时用 I，不要在同一段里混着用 we、you
- 不要写成“社区服务的意义”空谈，好处要落到具体的能力和收获上（沟通、团队合作、责任感）

3 题目要求逐条落实

每一条要求 → 范文里的哪一句

题目要求	范文原句	怎么做到的
回应讨论话题，表明态度	More and more college students are taking part in community service, and this is a welcome trend for both students and society.	开头先写现象，再用 a welcome trend 表明积极的态度，for both students and society 预告了下一段要写对双方的好处。
写出社区服务对学生的好处	Community service benefits students in many ways.	第二段先总起，再写两层好处：把课堂知识用到现实中、培养实用技能；了解社会、成为更有责任感的公民。
写出对社区的好处	the community gains energy and fresh ideas from young volunteers who are eager to help	用 At the same time 换一个角度，写社区也受益，和开头的 for both students and society 呼应，好处写得全面。
写出自己能提供的服务	As a computer science major, I can offer something practical to my community.	第三段换成第一人称，先亮出自己的身份（计算机专业学生），再写能做的事，服务和特长紧紧相连。
服务要具体	teach them how to make video calls, pay bills online and book doctor's appointments	教老人打视频电话、网上缴费、预约看病，再加上周末给孩子辅导数学和英语，每一件都是能马上去做的事。
总结收尾	I hope to make a small but real difference in people's lives while growing into a more capable person myself	最后一句既写帮助别人，又写自己成长，回到第一段“对学生和社会都有好处”的观点。

4 写作思路

先列提纲，每段一个任务

第一段

写现象，表明态度

越来越多的大学生参与社区服务 → 这对学生和社会都是可喜的趋势

第二段

写好处（题目要求一）

总起：对学生有很多好处 → 学以致用、培养沟通和团队合作能力 → 了解社会、更有责任感 → 同时社区也从年轻志愿者那里获得活力和新想法

第三段

写我能提供的服务（题目要求二），总结

我是计算机专业学生 → 教老人用智能手机（视频电话、网上缴费、预约看病）→ 周末给孩子辅导数学和英语 → 帮助别人，也让自己成长

5 满分范文

荧光笔 + 圆圈编号 = 下面讲的高分句式

[1] More and more college students are taking part in community service, and this is a welcome trend for both students and society. ①

[2] Community service benefits students in many ways. [3] It allows them to apply what they have learned in class to real life and develops practical skills such as communication and teamwork. ②

[4] Working with people from different backgrounds also helps them understand society better and become more responsible citizens. [5] At the same time, the community gains energy and fresh ideas from young volunteers who are eager to help. ③

[6] As a computer science major, I can offer something practical to my community. ④ [7] Many elderly residents find it difficult to use smartphones, so I would like to teach them how to make video calls, pay bills online and book doctor's appointments. ⑤ [8] In addition, I can tutor children in math and English on weekends, especially those whose parents are busy at work. [9] Through such service, I hope to make a small but real difference in people's lives while growing into a more capable person myself. ⑥

参考译文

越来越多的大学生参与社区服务，无论对学生还是对社会，这都是一个可喜的趋势。

社区服务在许多方面让学生受益。它让学生能把课堂上学到的知识应用到现实生活中，并培养沟通、团队合作等实用技能。与来自不同背景的人一起工作，也能帮助他们更好地了解社会，成为更有责任感的公民。与此同时，社区也从热心助人的年轻志愿者那里获得活力和新鲜的想法。

作为一名计算机科学专业的学生，我能为社区提供一些实实在在的帮助。许多老年居民觉得使用智能手机很困难，所以我想教他们如何打视频电话、在网上缴费以及预约看医生。此外，周末我还可以给孩子们辅导数学和英语，尤其是那些父母工作繁忙的孩子。通过这样的服务，我希望在让自己成长为更有能力的人的同时，为人们的生活带来虽小却实实在在的改变。

6 一步一步写出这篇范文

01 开头：现象 + 态度

用 More and more college students are taking part in … 写出现象，再用 and this is a welcome trend 表明态度。for both students and society 一下子点出两个受益方，为第二段铺路。

> 1 More and more college students are taking part in community service, and this is a welcome trend for both students and society.
> 越来越多的大学生参与社区服务，无论对学生还是对社会，这都是一个可喜的趋势。

02 写对学生的好处：先总起，再分两层

用 Community service benefits students in many ways 总起；第一层用 allows them to … and develops … 写学以致用和实用技能，用 such as 举出沟通和团队合作；第二层用动名词短语 Working with people from different backgrounds 作主语，写了解社会、成为更有责任感的公民。

> 2 Community service benefits students in many ways.
> 社区服务在许多方面让学生受益。
> 3 It allows them to apply what they have learned in class to real life and develops practical skills such as communication and teamwork.
> 它让学生能把课堂上学到的知识应用到现实生活中，并培养沟通、团队合作等实用技能。
> 4 Working with people from different backgrounds also helps them understand society better and become more responsible citizens.
> 与来自不同背景的人一起工作，也能帮助他们更好地了解社会，成为更有责任感的公民。

03 换个角度：写对社区的好处

用 At the same time 转到社区一方，写社区从年轻志愿者那里获得活力和新想法。只用一句，就把好处从“学生”扩展到“社会”，呼应开头。

> 5 At the same time, the community gains energy and fresh ideas from young volunteers who are eager to help.
> 与此同时，社区也从热心助人的年轻志愿者那里获得活力和新鲜的想法。

04 第三段：亮出身份，再写具体服务

用 As a computer science major 开头，说明自己有什么特长；接着先写需求（老人用智能手机有困难），再用 so 写自己能做的三件事；In addition 再加一项（周末给孩子辅导），并用 especially those whose parents are busy at work 说清服务谁。

> 6 As a computer science major, I can offer something practical to my community.
> 作为一名计算机科学专业的学生，我能为社区提供一些实实在在的帮助。
> 7 Many elderly residents find it difficult to use smartphones, so I would like to teach them how to make video calls, pay bills online and book doctor's appointments.
> 许多老年居民觉得使用智能手机很困难，所以我想教他们如何打视频电话、在网上缴费以及预约看医生。
> 8 In addition, I can tutor children in math and English on weekends, especially those whose parents are busy at work.
> 此外，周末我还可以给孩子们辅导数学和英语，尤其是那些父母工作繁忙的孩子。

05 最后一句：帮助别人，也成长自己

用 Through such service 收拢上面的服务，I hope to make a small but real difference 写帮助别人，while growing into a more capable person myself 写自己的成长，两方面都有，与开头的观点首尾呼应。

> 9 Through such service, I hope to make a small but real difference in people's lives while growing into a more capable person myself.
> 通过这样的服务，我希望在让自己成长为更有能力的人的同时，为人们的生活带来虽小却实实在在的改变。

7 为什么是满分档

切题

题目的两项要求各占一段：第二段写社区服务的好处，既写对学生的好处（学以致用、实用技能、责任感），又写对社区的好处（活力和新想法）；第三段用第一人称写自己能提供的服务，教老人用智能手机、周末给孩子辅导，每一件都具体可行。开头和结尾都扣住“对学生和社会都有好处”。满分档作文就是这样：切合题意，题目的每一项要求都写到。

this is a welcome trend for both students and society

Community service benefits students in many ways.

the community gains energy and fresh ideas from young volunteers

As a computer science major, I can offer something practical to my community.

I can tutor children in math and English on weekends

结构与连贯

三段式清楚：现象与态度 → 好处 → 我能做什么。第二段用总起句开头，also 和 At the same time 由学生写到社区；第三段用 As a computer science major 换成第一人称，In addition 再加一项服务，Through such service 收拢全段。开头的 for both students and society 预告了第二段，结尾的“帮助别人也成长自己”又回到它，首尾呼应，正是满分档在结构上的表现。

for both students and society

also helps them understand society better

At the same time

In addition

Through such service

语言

句式丰富又准确：现在进行时写现象、allow sb. to do、名词性从句 what they have learned、动名词短语作主语、形式宾语 find it difficult to、whose 定语从句、while doing；用词具体、正式，如 a welcome trend、practical skills、responsible citizens、make a small but real difference。人称分段统一（第二段 they、第三段 I），几乎没有错误，符合满分档的要求。

apply what they have learned in class to real life

Working with people from different backgrounds

become more responsible citizens

find it difficult to use smartphones

especially those whose parents are busy at work

while growing into a more capable person myself

8 升格示范

普通写法一步一步改成满分句

升格 1

第 1 步 Community service is good for students.
只说“有好处”，没有说出是什么好处，等于没写。

第 2 步 Students can use their knowledge in real life and learn many skills.
说出了两个好处，但 use their knowledge、learn many skills 都很空泛，看不出是哪些技能。

第 3 步 It allows them to apply their knowledge to real life and develops their skills.
allows them to、apply … to … 让句子正式多了；再把 their knowledge 换成 what they have learned in class，把 skills 落到 practical skills such as communication and teamwork，好处才具体可信。

满分句 **It allows them to apply what they have learned in class to real life and develops practical skills such as communication and teamwork.**

升格 2

第 1 步 I can help old people in my community.
只说“帮老人”，没说帮什么，也没说为什么需要帮，服务不具体。

第 2 步 Old people cannot use smartphones well, so I can teach them to use smartphones.
写出了需求和服务，但 smartphones 重复，teach them to use 太笼统，old people 也不如 elderly 礼貌。

第 3 步 Many elderly residents find it difficult to use smartphones, so I would like to teach them how to use them.
find it difficult to、elderly residents 正式得体，would like to 语气诚恳；最后把 how to use them 换成三件具体的事（视频电话、网上缴费、预约看病），服务才真正落地。

满分句 **Many elderly residents find it difficult to use smartphones, so I would like to teach them how to make video calls, pay bills online and book doctor's appointments.**

9 高分句式

公式 → 原句 → 讲解 → 仿写

① More and more … + a welcome trend 开头句

这个句式表达 表达“越来越多的人在做……，这是一个可喜的趋势”，写出现象并马上表明态度

公式 More and more + 人 + are + doing …, and this is a welcome trend for + 对象

范文原句 More and more college students are taking part in community service, and this is a welcome trend for both students and society.

越来越多的大学生参与社区服务，无论对学生还是对社会，这都是一个可喜的趋势。

前半句用现在进行时写正在发生的现象，后半句用 this 指代前面整件事，*a welcome trend* 意思是“可喜的趋势”，一个词就表明了态度。for both students and society 预告下文要写的两个方面，开头就有了提纲的作用。

例1 More and more young people are reading e-books, and this is a welcome trend for the publishing industry.
越来越多的年轻人在读电子书，这对出版业来说是一个可喜的趋势。

例2 More and more students are choosing to cycle to class, and this is a welcome trend for both their health and the environment.

越来越多的学生选择骑车去上课，无论对他们的健康还是对环境，这都是一个可喜的趋势。

也可以这样说

It has become popular for ... to ...

……做……已经变得很普遍

..., which is good news for ...

……，这对……来说是好消息

② allows them to ... and develops ... 写好处

这个句式表达 表达“它让人能够……，并培养……”，一句话写出两个好处

公式 It + allows + 人 + to do A + and + develops / builds + 名词 B（such as ...）

范文原句 It allows them to apply what they have learned in class to real life and develops practical skills such as communication and teamwork.

它让学生能把课堂上学到的知识应用到现实生活中，并培养沟通、团队合作等实用技能。

allow sb. to do 意思是“让某人能够做”，比 make them can（错误说法）地道。apply A to B 意思是“把 A 应用到 B 上”；what they have learned in class 是名词性从句，代替“知识”这个空泛的词。and 连接的第二个谓语 develops，后面用 such as 举出具体技能，好处一下子落到实处。

例1 A part-time job allows students to earn some money and develops their sense of responsibility.

兼职工作让学生能挣一些钱，并培养他们的责任感。

例2 Joining a debate club allows us to practice speaking English and builds our confidence.

参加辩论社让我们能练习说英语，并建立自信。

也可以这样说

It enables ... to ...

它使……能够……

It gives ... a chance to ...

它给……一个……的机会

③ At the same time 换角度写另一方受益

这个句式表达 表达“与此同时，另一方也从……中获得……”，把好处从一方扩展到另一方

公式 At the same time, + 另一方 + gains + 名词 + from + 来源

范文原句 At the same time, the community gains energy and fresh ideas from young volunteers who are eager to help.

与此同时，社区也从热心助人的年轻志愿者那里获得活力和新鲜的想法。

前面一直写学生受益，At the same time 一转，写社区也受益，好处写得更全面。gain A from B 意思是“从 B 获得 A”；who are eager to help 是定语从句，说明这些志愿者“热心助人”。写“双赢”类的好处都可以用这个结构。

例1 At the same time, the school gains useful feedback from students who take part in the survey.
与此同时，学校也从参加调查的学生那里获得了有用的反馈。

例2 At the same time, local businesses gain more customers from tourists who visit the town.
与此同时，当地商家也从来镇上游玩的游客那里获得了更多顾客。

也可以这样说

Meanwhile, ... also benefits from ...
同时，……也从……中受益

In return, ...
反过来，……

④ As a … major, I can … 亮出身份

这个句式表达 表达“作为一名……专业的学生，我能……”，用自己的身份说明为什么能做某事

公式 As a / an + 专业 + major, I can + offer / provide + 名词 + to + 对象

范文原句 As a computer science major, I can offer something practical to my community.

作为一名计算机科学专业的学生，我能为社区提供一些实实在在的帮助。

题目问的是 you，用 As a … major 开头，读者马上知道“你是谁、你有什么本事”，后面写的服务就有了根据。major 作名词是“……专业的学生”。something practical 意思是“实在的东西”，形容词放在 something 后面。换成 As a volunteer、As an English major 等，都能用在“我能做什么”的段落里。

例1 As an English major, I can offer free English lessons to children in the neighborhood.
作为一名英语专业的学生，我可以给社区里的孩子们免费上英语课。

例2 As a member of the student union, I can help organize activities for new students.
作为学生会的一员，我可以帮助组织面向新生的活动。

也可以这样说

With my knowledge of ..., I can ...

凭借我在……方面的知识，我能……

Being good at ..., I would like to ...

我擅长……，所以想……

⑤ find it difficult to … + so I would like to …

这个句式表达 表达“很多人觉得做……很难，所以我想……”，先写需求，再写自己的服务

公式 人 + find it difficult to do …, so I would like to + teach / help + 人 + how to do A, B and C

范文原句 Many elderly residents find it difficult to use smartphones, so I would like to teach them how to make video calls, pay bills online and book doctor's appointments.

许多老年居民觉得使用智能手机很困难，所以我想教他们如何打视频电话、在网上缴费以及预约看医生。

find it difficult to do 中的 it 是形式宾语，真正的宾语是 to use smartphones。先写别人的困难，再用 so 引出自己的服务，服务就显得有必要、有针对性。how to 后面并列三个动词短语（make、pay、book），具体又整齐。

例1 Many new students find it difficult to adapt to college life, so I would like to share my experience with them.

许多新生觉得适应大学生活很难，所以我想和他们分享我的经验。

例2 Some children find it difficult to finish their homework alone, so I would like to help them with math and English.

有些孩子觉得独立完成作业很难，所以我想辅导他们的数学和英语。

也可以这样说

... have trouble doing ..., so I can ...

……做……有困难，所以我可以……

To help those who ..., I plan to ...

为了帮助那些……的人，我打算……

⑥ make a difference … while … 结尾句

这个句式表达 表达“我希望为……带来改变，同时自己也……”，结尾把帮助别人和自身成长合在一起

公式 Through such + 名词, I hope to make a + 形容词 + difference in … while + doing …

范文原句 Through such service, I hope to make a small but real difference in people's lives while growing into a more capable person myself.

通过这样的服务，我希望在让自己成长为更有能力的人的同时，为人们的生活带来虽小却实实在在的改变。

make a difference in 意思是“对……产生影响、带来改变”；small but real 谦虚又真诚。while growing into … 是 while 加现在分词，表示“与此同时”，主语仍然是 I。myself 放在句末强调“我自己也”。帮助别人和自身成长两方面都有，回扣开头“对学生和社会都有好处”。

例1 Through such activities, I hope to make a real difference in the lives of left-behind children while learning to be more patient myself.

通过这样的活动，我希望在自己学会更有耐心的同时，真正改变留守儿童的生活。

例2 Through volunteer work, I hope to make a small difference in my community while gaining valuable experience.

通过志愿工作，我希望在获得宝贵经验的同时，为我的社区带来一点改变。

也可以这样说

I believe this will benefit both ... and ...

我相信这对……和……都有好处

In this way, I can ... and ... at the same time.

这样，我就能同时……和……

10 亮点词汇

把普通说法换成高分说法

高分表达	意思	替代的普通说法
community service	社区服务	volunteer work in the community
welcome	adj. 受欢迎的；可喜的	positive / good
practical	adj. 实用的；实际的	useful
backgrounds	n. 背景；出身	walks of life
responsible	adj. 有责任感的	caring / reliable
volunteers	n. 志愿者	helpers
elderly	adj. 年长的；上了年纪的	older / senior
tutor	v. 辅导	help ... with
capable	adj. 有能力的；能干的	skilled / able

网课的利弊与改进

2023年6月大学英语四级 第3套 · 写作 Part I
议论文 · 范文 173 词

1 原题

Part I **Writing** **(30 minutes)**

Directions: *Suppose your university is conducting a survey to collect students' opinions of online classes. You are to write a response to the survey about their advantages and disadvantages, and what improvements can be made. You will have 30 minutes for the task. You should write at least 120 words but no more than 180 words.*

题目译文

假设你们学校正在开展一项调查（conducting a survey），收集学生对网课（online classes）的看法。

请你写一篇对这次调查的回应（a response to the survey），谈三点：① 网课的优点（advantages）；② 网课的缺点（disadvantages）；③ 可以做哪些改进（what improvements can be made）。

你有 30 分钟（30 minutes）完成这项写作任务（task）。

字数：至少 120 词（at least 120 words），但不超过 180 词（no more than 180 words）。

2 审题

先弄清楚要写什么，再动笔

情景作文（回应学校调查）：网课的优点、缺点和改进办法

120—180 词（题目要求 at least 120 words but no more than 180 words）；本篇 173 词。三项要求都要写，每一项两三句就够，绝不能超过 180 词

- [ ] 场景是学校在做调查，收集学生对网课的看法，你写一篇对调查的回应
- [ ] 题目有三项要求：advantages（优点）、disadvantages（缺点）、what improvements can be made（可以怎样改进），三项都要写
- [ ] 开头亮明总的看法，并预告要写的几个方面
- [ ] 改进办法要具体，最好分别说老师、学校、学生各自可以做什么

语气与身份：回应学校调查，语气要正式、客观、有条理：用 In my opinion 表明看法，用 could、should 提建议，不用口语化、情绪化的表达

容易失分的地方

- 三项要求缺一不可：只写优缺点、不写改进办法，是这类题最常见的失分原因
- 优点和缺点要用 On the one hand … On the other hand … 分清楚，不要混在一起写
- 改进办法要和前面的缺点对应：缺点是“难集中注意力、老师不知道学生懂没懂”，改进就写“增加互动、小测验”，不要另起炉灶
- 是回应学校调查，不是写个人日记：少写“我上网课时睡着了”这类个人小事，多写对大家都适用的看法

3 题目要求逐条落实

每一条要求 → 范文里的哪一句

题目要求	范文原句	怎么做到的
回应调查，亮明总的看法	In my opinion, they have both clear advantages and obvious disadvantages, and they can be improved in several ways.	一句话预告了全文的三项内容：优点、缺点、改进，阅卷老师一看就知道每项要求都会写到。
写出网课的优点	On the one hand, online classes are flexible and convenient.	先用一句短句点明优点，再写两个具体好处：随时随地上课、录播可以反复看；能听到其他大学的优秀课程。
写出网课的缺点	On the other hand, online classes have their limits.	同样先点明，再写三个缺点：难集中注意力、老师难判断学生是否听懂、网络不好会中断上课。
提出改进办法	To make online classes more effective, teachers could add more interaction	第三段用目的状语开头，再分别写老师（增加互动）、学校（改进平台、技术支持）、学生（管理时间、保持专注）能做什么，每条都针对前面的缺点。
总结收尾	If these steps are taken, online classes can be a valuable complement to traditional teaching.	用条件句总结：改进之后，网课能成为传统教学的宝贵补充。观点客观平衡，没有一边倒。

4 写作思路

先列提纲，每段一个任务

第一段

引出话题，亮明看法

网课已成为大学教育的重要部分 → 我认为网课有优点也有缺点，可以从几方面改进

第二段

写优点和缺点（题目要求一、二）

优点：灵活方便（随时随地上课，录播反复复习难点）→ 能听到其他大学的优秀课程；缺点：没有面对面交流，难集中注意力，老师难判断学生懂没懂 → 网络不好随时打断上课

第三段

写改进办法（题目要求三），总结

老师增加互动（小测验、小组讨论、直播问答）→ 学校改进平台、提供技术支持 → 学生管理时间、保持专注 → 采取这些措施，网课能成为传统教学的宝贵补充

5 满分范文

荧光笔 + 圆圈编号 = 下面讲的高分句式

[1] Online classes have become an important part of university education. [2] In my opinion, they have both clear advantages and obvious disadvantages, and they can be improved in several ways. ①

[3] On the one hand, online classes are flexible and convenient.② [4] Students can attend them from anywhere, and recorded lectures allow them to review difficult points as many times as they need③. [5] Online platforms also give students access to excellent courses from other universities. [6] On the other hand, online classes have their limits. [7] Without face-to-face contact, students may find it hard to concentrate, and teachers cannot easily tell whether students understand the lesson.④ [8] Moreover, a poor internet connection can interrupt a class at any moment.

[9] To make online classes more effective, teachers could add more interaction, such as short quizzes, group discussions and live question-and-answer sessions.⑤ [10] Universities should also improve their online platforms and provide technical support. [11] As for students, they need to manage their time well and stay focused. [12] If these steps are taken, online classes can be a valuable complement to traditional teaching.⑥

参考译文

网课已经成为大学教育的重要组成部分。在我看来，网课既有明显的优点，也有明显的缺点，并且可以从几个方面加以改进。

一方面，网课灵活又方便。学生在任何地方都能上课，录播课程还能让他们根据需要反复复习难点。网络平台还让学生能够接触到其他大学的优秀课程。另一方面，网课也有其局限性。没有面对面的交流，学生可能会觉得难以集中注意力，老师也不容易判断学生是否听懂了课。此外，网络连接不畅随时都可能打断课堂。

为了让网课更有成效，老师可以增加更多互动，比如小测验、小组讨论和直播问答环节。大学也应该改进其网络平台，并提供技术支持。至于学生，他们需要合理安排时间，保持专注。如果采取这些措施，网课就能成为传统教学的宝贵补充。

6 一步一步写出这篇范文

01 开头两句：背景 + 总看法，预告三项内容

第一句写网课已经是大学教育的重要部分，引出话题；第二句用 In my opinion 表明看法，并用 both … and … 和 can be improved in several ways 把优点、缺点、改进三项一次预告出来。

> 1 Online classes have become an important part of university education.
> 网课已经成为大学教育的重要组成部分。
> 2 In my opinion, they have both clear advantages and obvious disadvantages, and they can be improved in several ways.
> 在我看来，网课既有明显的优点，也有明显的缺点，并且可以从几个方面加以改进。

02 写优点：一句点明，两句展开

用 On the one hand 引出优点，先用 flexible and convenient 两个形容词概括；再用 from anywhere 和 as many times as they need 写出“灵活”的具体表现，最后用 also 补充“能接触到其他大学的优秀课程”。

> 3 On the one hand, online classes are flexible and convenient.
> 一方面，网课灵活又方便。
> 4 Students can attend them from anywhere, and recorded lectures allow them to review difficult points as many times as they need.
> 学生在任何地方都能上课，录播课程还能让他们根据需要反复复习难点。
> 5 Online platforms also give students access to excellent courses from other universities.
> 网络平台还让学生能够接触到其他大学的优秀课程。

03 写缺点：用 On the other hand 转过来

用 On the other hand, online classes have their limits 转入缺点，与优点的写法对称；再用 Without face-to-face contact 写出原因，一句里同时写学生和老师两方面的问题；Moreover 补上网络中断这个技术问题。

> 6 On the other hand, online classes have their limits.
> 另一方面，网课也有其局限性。
> 7 Without face-to-face contact, students may find it hard to concentrate, and teachers cannot easily tell whether students understand the lesson.
> 没有面对面的交流，学生可能会觉得难以集中注意力，老师也不容易判断学生是否听懂了课。
> 8 Moreover, a poor internet connection can interrupt a class at any moment.
> 此外，网络连接不畅随时都可能打断课堂。

04 写改进：按老师、学校、学生分工

用目的状语 To make online classes more effective 开头，先写老师 could add more interaction，并用 such as 举出三种互动；再用 Universities should also 写学校，用 As for students 写学生。三方各一句，而且都针对前面的缺点。

> 9 To make online classes more effective, teachers could add more interaction, such as short quizzes, group discussions and live question-and-answer sessions.
> 为了让网课更有成效，老师可以增加更多互动，比如小测验、小组讨论和直播问答环节。
> 10 Universities should also improve their online platforms and provide technical support.
> 大学也应该改进其网络平台，并提供技术支持。
> 11 As for students, they need to manage their time well and stay focused.
> 至于学生，他们需要合理安排时间，保持专注。

05 最后一句：用条件句总结

用 If these steps are taken 指回上面的改进办法，再说出改进后的结果：a valuable complement to traditional teaching。既肯定网课，又不否定传统教学，观点平衡。

> 12 If these steps are taken, online classes can be a valuable complement to traditional teaching.
> 如果采取这些措施，网课就能成为传统教学的宝贵补充。

7 为什么是满分档

切题

题目的三项要求全部落实：第二段前半写优点（灵活方便、能听到其他大学的课），后半写缺点（难集中注意力、老师难判断、网络中断），第三段写改进办法（老师、学校、学生分别怎么做）。开头一句就预告了这三项，改进办法又针对前面的缺点，没有一句跑题。满分档作文就是这样：切合题意，题目的每一项要求都写到。

they have both clear advantages and obvious disadvantages, and they can be improved in several ways

online classes are flexible and convenient | online classes have their limits | teachers could add more interaction

Universities should also improve their online platforms and provide technical support.

结构与连贯

三段式清楚：背景与总看法 → 优缺点 → 改进与总结。第二段用 On the one hand、On the other hand 分成对称的两半，每半先概括再展开，also、Moreover 补充细节；第三段按老师、学校（should also）、学生（As for students）分工；最后 If these steps are taken 指回所有改进办法。结构对称、衔接自然，正是满分档在结构上的表现。

On the one hand | On the other hand | Moreover | As for students | If these steps are taken

语言

句式丰富又准确：both … and …、被动语态 can be improved、are taken、as many times as、Without 介词短语、形式宾语 find it hard to、whether 宾语从句、目的状语 To make … more effective、条件句；用词正式贴切，如 flexible、access to、face-to-face contact、interaction、a valuable complement。语气客观，用 could、should 提建议，几乎没有错误，符合满分档的要求。

recorded lectures allow them to review difficult points as many times as they need

give students access to excellent courses from other universities

Without face-to-face contact, students may find it hard to concentrate

a poor internet connection can interrupt a class at any moment | a valuable complement to traditional teaching

8 升格示范

普通写法一步一步改成满分句

升格 1

第 1 步 Online classes are not good because students cannot listen carefully.
not good 太笼统，cannot listen carefully 也说得不准确，更没说出原因。

第 2 步 Because there is no face-to-face communication, students cannot concentrate.
说出了原因，但 Because there is no … 有些啰嗦，cannot concentrate 说得太绝对，而且只写了学生一方。

第 3 步 Without face-to-face contact, students may find it hard to concentrate.
Without 短语简洁地交代原因，may find it hard to 语气客观；再用 and 加上老师一方的问题（cannot easily tell whether …），缺点才写得全面。

满分句 **Without face-to-face contact, students may find it hard to concentrate, and teachers cannot easily tell whether students understand the lesson.**

升格 2

第 1 步 Teachers should make online classes better.
只说“要改进”，没说怎么改，等于没提建议。

第 2 步 Teachers should talk with students more in online classes.
有了一个方向，但 talk with students more 太口语，也不够具体。

第 3 步 To make online classes more effective, teachers could add more interaction.
目的状语点明“为了更有效”，could add more interaction 正式、委婉；最后用 such as 举出小测验、小组讨论、直播问答三种做法，建议才具体可行。

满分句 **To make online classes more effective, teachers could add more interaction, such as short quizzes, group discussions and live question-and-answer sessions.**

9 高分句式

公式 → 原句 → 讲解 → 仿写

① both … and … + can be improved 总起句

这个句式表达 表达“在我看来，……既有优点也有缺点，而且可以从几方面改进”，一句话预告全文三项内容

公式 In my opinion, + 主语 + have both + 优点 + and + 缺点, and + 主语 + can be improved in several ways.

范文原句 In my opinion, they have both clear advantages and obvious disadvantages, and they can be improved in several ways.

在我看来，网课既有明显的优点，也有明显的缺点，并且可以从几个方面加以改进。

both … and … 把优点和缺点放在一起，clear 和 obvious 两个近义词换着用，避免重复。后半句的 can be improved in several ways 直接对应题目的 improvements。题目要求写几项，开头这一句就预告几项，阅卷老师读第一段就知道你切题。

例1 In my opinion, part-time jobs have both clear advantages and obvious disadvantages for college students.
在我看来，兼职工作对大学生来说既有明显的优点，也有明显的缺点。

例2 In my opinion, the new canteen has both strengths and weaknesses, and it can be improved in several ways.
在我看来，新食堂既有长处也有不足，并且可以从几个方面加以改进。

也可以这样说

Like everything else, ... has its pros and cons.
和其他事物一样，……有利也有弊。

While ... has many benefits, it also has some problems.
虽然……有很多好处，但也存在一些问题。

② On the one hand … On the other hand … 写优缺点

这个句式表达 表达“一方面……，另一方面……”，把优点和缺点分成对称的两层

公式 On the one hand, + 主语 + are + 优点形容词. … On the other hand, + 主语 + have their limits / drawbacks. …

范文原句 On the one hand, online classes are flexible and convenient.
一方面，网课灵活又方便。

On the one hand 和第 6 句的 On the other hand 一前一后，把第二段分成优点、缺点两半，读者一看就知道写到哪了。每一半都先用一句短句概括（flexible and convenient、have their limits），再用两句写细节，结构对称、层次清楚。注意 On the one hand 里有 the，不要漏掉。

例1 On the one hand, living off campus gives students more freedom.
一方面，校外住宿给了学生更多自由。

例2 On the one hand, social media helps us keep in touch with friends.
一方面，社交媒体帮助我们和朋友保持联系。

也可以这样说

The biggest advantage of ... is that ...
……最大的优点是……

However, ... also has its drawbacks.
然而，……也有其不足之处。

③ as many times as they need 写“想几次就几次”

这个句式表达 表达“想做多少次就做多少次”，写出灵活、自由的具体表现

公式 主语 + allow + 人 + to do … + as many times as + 人 + need / like

范文原句 recorded lectures allow them to review difficult points as many times as they need

录播课程还能让他们根据需要反复复习难点

as many times as they need 意思是“需要几次就几次”，比 again and again 更准确，也更有说服力。recorded lectures 是“录播课程”，过去分词 recorded 作定语。allow sb. to do 写出“让某人能够”，写网络、科技带来的便利都能用。

例1 Online dictionaries allow learners to listen to a word as many times as they need.

在线词典让学习者需要听几遍就能听几遍。

例2 The self-service machines allow students to print documents as many times as they like.

自助打印机让学生想打印几次就打印几次。

也可以这样说

... whenever they want

……想什么时候……就什么时候……

... again and again

……一遍又一遍

④ Without … 写原因 + find it hard to …

这个句式表达 表达“没有……，人们就会觉得很难……”，用一个短语交代原因，再写出后果

公式 Without + 名词, + 人 + may find it hard to do …, and + 另一方 + cannot easily + do …

范文原句 Without face-to-face contact, students may find it hard to concentrate, and teachers cannot easily tell whether students understand the lesson.

没有面对面的交流，学生可能会觉得难以集中注意力，老师也不容易判断学生是否听懂了课。

Without face-to-face contact 一个介词短语就交代了原因，比 Because there is no … 简洁。后面用 and 连接两个后果，一个写学生，一个写老师，缺点写得全面。find it hard to do 中 it 是形式宾语；tell 在这里是“判断、分辨”，whether 引导宾语从句。

例1 Without a clear plan, students may find it hard to make good use of their summer vacation.

没有明确的计划，学生可能会觉得很难好好利用暑假。

例2 Without enough sleep, we may find it hard to stay focused in class.

睡眠不足，我们可能会觉得上课时很难集中注意力。

也可以这样说

Lacking ..., ... may have difficulty doing ...

缺少……，……做……可能会有困难

Because there is no ..., it is hard for ... to ...

由于没有……，……很难……

⑤ To make … more effective 目的状语提建议

这个句式表达 表达“为了让……更有效，……可以……”，先说目的，再提出具体建议

公式 To make + 名词 + more effective, + 人 + could + 动词原形 + …, such as A, B and C

范文原句 To make online classes more effective, teachers could add more interaction, such as short quizzes, group discussions and live question-and-answer sessions.

为了让网课更有成效，老师可以增加更多互动，比如小测验、小组讨论和直播问答环节。

To make … more effective 是目的状语，放在句首，一下子告诉读者这一段写“改进”，正好回应题目的 improvements。could 语气委婉，适合向学校提建议。such as 后面列出三种互动，建议具体可行。

例1 To make the library more popular, the school could extend its opening hours.

为了让图书馆更受欢迎，学校可以延长开放时间。

例2 To make our club more active, we could hold more events, such as English corners, film nights and short trips.

为了让我们的社团更活跃，我们可以举办更多活动，比如英语角、电影之夜和短途旅行。

也可以这样说

In order to improve ..., ... should ...

为了改进……，……应该……

One way to ... is to ...

……的一个办法是……

⑥ If these steps are taken 条件句总结

这个句式表达 表达“如果采取了这些措施，……就能……”，用条件句把建议和预期结果连起来

公式 If these steps are taken, + 主语 + can be + a valuable + 名词 + to + …

范文原句 If these steps are taken, online classes can be a valuable complement to traditional teaching.

如果采取这些措施，网课就能成为传统教学的宝贵补充。

these steps 指回前面所有的改进办法，take steps 是“采取措施”，这里用了被动语态。complement 意思是“补充”，说网课是传统教学的补充，而不是替代，观点客观平衡。注意 complement（补充）和 compliment（称赞）只差一个字母，不要写错。

例1 If these steps are taken, our campus will become cleaner and more beautiful.

如果采取这些措施，我们的校园会变得更干净、更美丽。

例2 If these steps are taken, e-books can be a valuable complement to paper books.

如果采取这些措施，电子书就能成为纸质书的宝贵补充。

也可以这样说

With these efforts, ...

有了这些努力，……

Only in this way can ...

只有这样，……才能……

10 亮点词汇

把普通说法换成高分说法

高分表达	意思	替代的普通说法
flexible	adj. 灵活的	free / adaptable
convenient	adj. 方便的	easy to use
recorded lectures	录播课程	class recordings
access	n. 接触、使用的机会（access to …）	the chance to use
concentrate	v. 集中注意力	focus
interaction	n. 互动	communication
technical support	技术支持	technical help
complement	n. 补充；补足物	addition

体育锻炼与大学成功

2022年12月大学英语四级 第1套 · 写作 Part I
议论文 · 范文 169 词

1 原题

Part I **Writing** **(30 minutes)**

Directions: *In this task, you are to write an essay on* ***the role of physical exercise in achieving success at college****. You will have 30 minutes for the task. You should write at least 120 words but no more than 180 words.*

题目译文

在这项写作任务中（In this task），你要写一篇文章（essay），谈谈体育锻炼（physical exercise）对在大学里取得成功（achieving success at college）所起的作用（role）。

你有 30 分钟（30 minutes）完成这项写作任务（task）。

字数：至少 120 词（at least 120 words），但不超过 180 词（no more than 180 words）。

2 审题

先弄清楚要写什么，再动笔

议论文：体育锻炼对在大学取得成功的作用

120—180 词（题目要求 at least 120 words but no more than 180 words）；本篇 169 词。写到 160—180 词最稳，绝不能超过 180 词

- [ ] 题目是 the role of physical exercise in achieving success at college，核心是回答“锻炼怎样帮助大学生取得成功”
- [ ] 开头先写一种常见的错误看法（只学习、不锻炼），再提出中心论点：锻炼对大学成功起着重要作用
- [ ] 中间分两三层论证锻炼的作用（身体、学习效率、品质），每层有理由和具体说明
- [ ] 结尾给出做法并总结，回到“成功”这个关键词

语气与身份：正式、客观的议论语气：以第三人称（students、they）论述为主，用 should 提建议，不用口语化的表达

容易失分的地方

- 题目问的是 the role … in achieving success at college，不是泛泛的“锻炼的好处”：每一层都要扣住“对大学学习和成功有什么帮助”
- 不要写成“怎样锻炼”的清单；做法只在结尾一两句提出，主体是论证“为什么锻炼能帮助成功”
- role 的固定搭配是 play an important role in doing sth.，in 后面接动名词（achieving），不要写成 play an important role to achieve
- 不要照抄题目当开头，要像本篇一样先写现象或误区，再用自己的话提出论点

3 题目要求逐条落实

每一条要求 → 范文里的哪一句

题目要求	范文原句	怎么做到的
用自己的话提出中心论点	In fact, physical exercise plays an important role in achieving success at college.	先写“很多学生认为锻炼会分散精力”这一误区，再用 In fact 反驳，提出论点；论点直接用上题目的 role 和 success，切题明确。
论证作用之一：身体健康	regular exercise keeps students healthy and energetic	第一层写锻炼让学生健康、精力充沛，再说明“强健的身体是长时间学习的基础”，把健康和学习联系起来。
论证作用之二：学习效率	exercise helps students study more efficiently	第二层直接写锻炼对学习的帮助，并给出具体例子：读书几小时后跑跑步、打打篮球，能缓解压力、提高专注力。
论证作用之三：品质与将来的成功	team sports build valuable qualities such as cooperation, persistence and the courage to face failure	第三层写团队运动培养合作、坚持和面对失败的勇气，再用 which 从句点明这些品质对大学和将来的成功都很重要，扣住题目的 success。
给出做法，总结全文	Clearly, college students should make exercise part of their daily routine.	结尾先提出建议，再说明每天三十分钟就有效果，最后一句用 strike a balance 总结：兼顾学习和锻炼才能收获最多。

4 写作思路

先列提纲，每段一个任务

第一段

指出误区，提出论点

很多大学生几乎把时间全花在学习上，认为锻炼分散精力 → 事实上，锻炼对在大学取得成功起着重要作用

第二段

分三层论证锻炼的作用

第一，保持健康和精力（身体是长时间学习的基础，少生病）→ 第二，提高学习效率（跑步、打篮球缓解压力、提高专注力）→ 第三，团队运动培养合作、坚持、面对失败的勇气，对现在和将来的成功都重要

第三段

提出做法，总结

大学生应该把锻炼变成日常习惯 → 每天三十分钟（慢跑、游泳、骑车）就有很大作用 → 兼顾学习和锻炼的学生收获最多

5 满分范文

荧光笔 + 圆圈编号 = 下面讲的高分句式

[1] Many college students devote nearly all their time to study, believing that exercise is a distraction.① [2] In fact, physical exercise plays an important role in achieving success at college.②

[3] First and foremost, regular exercise keeps students healthy and energetic. [4] A strong body is the foundation for long hours of study, and students who stay physically active tend to get sick less often.③ [5] Second, exercise helps students study more efficiently. [6] A short run or a game of basketball after hours of reading can relieve stress, clear the mind and improve concentration.④ [7] In addition, team sports build valuable qualities such as cooperation, persistence and the courage to face failure, which are important for success both at college and in the future⑤.

[8] Clearly, college students should make exercise part of their daily routine. [9] Even thirty minutes a day, whether spent jogging, swimming or cycling, can make a big difference in their health and studies. [10] Students who strike a balance between study and exercise will get the most out of their college years.⑥

参考译文

许多大学生几乎把所有时间都投入到学习中，认为锻炼会分散精力。事实上，体育锻炼对在大学取得成功起着重要作用。

首先也是最重要的，规律的锻炼能让学生保持健康、精力充沛。强健的身体是长时间学习的基础，而坚持运动的学生往往更少生病。其次，锻炼能帮助学生更高效地学习。读了几个小时书之后，跑一小段步或打一场篮球，可以缓解压力、清醒头脑并提高专注力。此外，团队运动能培养合作、坚持以及直面失败的勇气等宝贵品质，这些品质无论对在大学还是在将来取得成功都很重要。

显然，大学生应该让锻炼成为日常生活的一部分。即使每天只锻炼三十分钟，无论是慢跑、游泳还是骑车，都能对他们的健康和学习产生很大的影响。在学习和锻炼之间取得平衡的学生，将能最大限度地利用他们的大学时光。

6 一步一步写出这篇范文

01 开头：先写误区，再用 In fact 提出论点

第一句写现象：学生 devote nearly all their time to study，并用现在分词 believing that … 写出他们的想法（锻炼会分散精力）；第二句用 In fact 反驳，提出 plays an important role in achieving success at college。先立靶子再反驳，论点更鲜明。

> 1 Many college students devote nearly all their time to study, believing that exercise is a distraction.
> 许多大学生几乎把所有时间都投入到学习中，认为锻炼会分散精力。
> 2 In fact, physical exercise plays an important role in achieving success at college.
> 事实上，体育锻炼对在大学取得成功起着重要作用。

02 第一层：健康，并和学习挂钩

用 First and foremost 开头，表示这一条最重要；先写结论（keeps students healthy and energetic），再用 A strong body is the foundation for long hours of study 说明健康为什么对学习重要，最后用 who 从句写“爱运动的学生更少生病”。

> 3 First and foremost, regular exercise keeps students healthy and energetic.
> 首先也是最重要的，规律的锻炼能让学生保持健康、精力充沛。
> 4 A strong body is the foundation for long hours of study, and students who stay physically active tend to get sick less often.
> 强健的身体是长时间学习的基础，而坚持运动的学生往往更少生病。

03 第二层：学习效率，用具体场景说明

Second 后面直接写锻炼帮助学生更高效地学习；下一句给出具体场景（读书几小时后跑一小段步或打一场篮球），再用三个动词短语 relieve stress、clear the mind、improve concentration 写出效果。

> 5 Second, exercise helps students study more efficiently.
> 其次，锻炼能帮助学生更高效地学习。
> 6 A short run or a game of basketball after hours of reading can relieve stress, clear the mind and improve concentration.
> 读了几个小时书之后，跑一小段步或打一场篮球，可以缓解压力、清醒头脑并提高专注力。

04 第三层：品质，扣住“成功”

用 In addition 引出第三层，写团队运动培养的品质，用 such as 举出三种；句末用 which 从句点明这些品质 important for success both at college and in the future，把论证拉回题目的 success。

> 7 In addition, team sports build valuable qualities such as cooperation, persistence and the courage to face failure, which are important for success both at college and in the future.
> 此外，团队运动能培养合作、坚持以及直面失败的勇气等宝贵品质，这些品质无论对在大学还是在将来取得成功都很重要。

05 结尾：建议 + 具体做法 + 总结

用 Clearly 得出结论，提出 make exercise part of their daily routine；再用 Even thirty minutes a day 说明门槛不高，并用 whether spent … 举出三种运动；最后一句用 strike a balance between … 和 get the most out of 总结，回到“在大学取得成功”。

> 8 Clearly, college students should make exercise part of their daily routine.
> 显然，大学生应该让锻炼成为日常生活的一部分。
> 9 Even thirty minutes a day, whether spent jogging, swimming or cycling, can make a big difference in their health and studies.
> 即使每天只锻炼三十分钟，无论是慢跑、游泳还是骑车，都能对他们的健康和学习产生很大的影响。
> 10 Students who strike a balance between study and exercise will get the most out of their college years.
> 在学习和锻炼之间取得平衡的学生，将能最大限度地利用他们的大学时光。

7 为什么是满分档

切题

题目要写锻炼“在大学取得成功中的作用”，范文的论点直接用上 plays an important role in achieving success at college；三层论证都扣住大学学习和成功：身体是长时间学习的基础，锻炼提高学习效率，团队运动培养的品质对大学和将来的成功都重要；结尾又回到 get the most out of their college years。没有写成泛泛的“锻炼的好处”，也没有写成锻炼清单。满分档作文就是这样：切合题意，每一部分都在为中心服务。

- physical exercise plays an important role in achieving success at college
- A strong body is the foundation for long hours of study
- exercise helps students study more efficiently
- which are important for success both at college and in the future
- will get the most out of their college years

结构与连贯

三段式清楚：误区与论点 → 三层论证 → 做法与总结。第一段先写误区，再用 In fact 反驳；第二段用 First and foremost、Second、In addition 分层，每层先写结论再写理由或例子；第三段用 Clearly 得出建议，最后一句的 a balance between study and exercise 回应开头“只学习不锻炼”的误区。思路清晰、首尾呼应，正是满分档在结构上的表现。

- In fact
- First and foremost
- Second
- In addition
- Clearly
- strike a balance between study and exercise

语言

句式丰富又准确：现在分词短语 believing that …、play an important role in doing、who 定语从句、三个动词短语并列、which 非限制性定语从句、whether spent … 省略结构；用词正式贴切，如 a distraction、energetic、the foundation for、persistence、the courage to face failure、strike a balance、get the most out of（比 make full use of 更自然）。几乎没有错误，符合满分档的要求。

- believing that exercise is a distraction
- students who stay physically active tend to get sick less often
- can relieve stress, clear the mind and improve concentration
- cooperation, persistence and the courage to face failure
- whether spent jogging, swimming or cycling

8 升格示范

普通写法一步一步改成满分句

升格 1

第 1 步 Exercise is good for study.
只有一个笼统的结论，没有理由，也没有例子，起不到论证作用。

第 2 步 If students do sports after study, they will feel relaxed and study better.
有了条件和结果，但 do sports、feel relaxed、study better 都很普通，读者想象不出具体的画面。

第 3 步 A short run after hours of reading can relieve stress and improve concentration.
主语换成具体的 A short run，加上 after hours of reading 的场景，效果也写成了 relieve stress、improve concentration；再加上 a game of basketball 和 clear the mind，例子更丰富，三个效果并列，节奏更整齐。

满分句 **A short run or a game of basketball after hours of reading can relieve stress, clear the mind and improve concentration.**

升格 2

第 1 步 In addition, sports can make us better people.
better people 太空，没说出是哪些方面更好，也没和题目的“成功”挂钩；人称还从 students 换成了 us。

第 2 步 In addition, team sports teach students to cooperate and never give up.
具体写出了合作和坚持，但没说这些品质有什么用，论证没有回到“成功”上。

第 3 步 In addition, team sports build valuable qualities such as cooperation and persistence, which are important for success.
build valuable qualities such as … 正式、具体，which 从句点明了意义；再加上 the courage to face failure 和 both at college and in the future，品质更全面，论证从大学延伸到将来，更有深度。

满分句 **In addition, team sports build valuable qualities such as cooperation, persistence and the courage to face failure, which are important for success both at college and in the future.**

9 高分句式

公式 → 原句 → 讲解 → 仿写

① 现在分词 believing that … 写错误看法

这个句式表达 表达“很多人做……，认为……”，在写现象的同时写出他们的想法，为下文反驳做铺垫

公式 Many + 人 + 做某事, believing that + 错误看法

范文原句 Many college students devote nearly all their time to study, believing that exercise is a distraction.
许多大学生几乎把所有时间都投入到学习中，认为锻炼会分散精力。

devote … to … 意思是“把……投入到……”，to 是介词，后面接名词或动名词（to study 这里的 study 是名词）。逗号后的 believing that … 是现在分词短语，主语仍是 students，说明他们为什么这样做。先写出这个误区，下一句用 In fact 反驳，论点就显得有力。

例1 Some students skip breakfast every day, believing that it saves them time.
有些学生每天都不吃早饭，认为这样能节省时间。

例2 Many parents fill their children's weekends with classes, believing that more study means better grades.
许多家长让孩子的周末排满课程，认为学得越多成绩越好。

也可以这样说

Some people hold the view that ...
有些人认为……

It is commonly believed that ...
人们普遍认为……

② In fact + play an important role in doing 提出论点

这个句式表达 表达“事实上，……在……中起着重要作用”，反驳上文的误区，提出中心论点

公式 In fact, + 主语 + plays an important role in + doing …

范文原句 In fact, physical exercise plays an important role in achieving success at college.
事实上，体育锻炼对在大学取得成功起着重要作用。

In fact 表示“事实上（与上面说的相反）”，一下子把读者从误区拉到正确观点。play an important role in 后面接名词或动名词，这里是 achieving success。题目写 the role of …，论点就用 play a role in 回应，最直接、最切题。

例1 In fact, reading plays an important role in developing our ability to think.
事实上，阅读对培养我们的思考能力起着重要作用。

例2 In fact, good sleep plays an important role in improving memory.
事实上，良好的睡眠对提高记忆力起着重要作用。

也可以这样说

Actually, ... is essential to ...
实际上，……对……至关重要

However, ... contributes greatly to ...
然而，……对……大有帮助

③ A is the foundation for B 写因果基础

这个句式表达 表达“A 是 B 的基础”，说明一件事为什么是另一件事的前提

公式 A + is the foundation for + B, and + 人 + who + … + tend to + 动词原形 …

范文原句 A strong body is the foundation for long hours of study, and students who stay physically active tend to get sick less often.

强健的身体是长时间学习的基础，而坚持运动的学生往往更少生病。

the foundation for 意思是“……的基础”，把“健康”和“学习”直接连起来，论证就扣住了题目的 success at college。后半句的 who stay physically active 是定语从句，tend to 意思是“往往”，语气客观，不说绝对的话。

例1 A good vocabulary is the foundation for reading English well.
良好的词汇量是读好英语的基础。

例2 Trust is the foundation for any friendship, and friends who are honest with each other tend to stay close.
信任是一切友谊的基础，彼此坦诚的朋友往往关系长久。

也可以这样说

... is the basis of ...
……是……的基础

Without ..., it is impossible to ...
没有……，就不可能……

④ 三个动词短语并列写效果

这个句式表达 表达“做某事可以……、……并……”，用三个并列的动词短语写出一连串的效果

公式 主语 + can + 动词 A + 宾语, 动词 B + 宾语 + and + 动词 C + 宾语

范文原句 A short run or a game of basketball after hours of reading can relieve stress, clear the mind and improve concentration.

读了几个小时书之后，跑一小段步或打一场篮球，可以缓解压力、清醒头脑并提高专注力。

主语不是笼统的 exercise，而是两个具体的活动：a short run、a game of basketball，再加上 after hours of reading 的场景，读者一下子就能想象出来。三个动词短语 relieve stress、clear the mind、improve concentration 并列，节奏整齐，效果层层递进。

例1 A short walk after lunch can help digestion, refresh the mind and make the afternoon more productive.
午饭后散散步，可以帮助消化、提神醒脑，让下午更有效率。

例2 Reading before bed can calm the mind, improve sleep and widen our knowledge.
睡前阅读可以让心情平静、改善睡眠并拓宽知识面。

也可以这样说

... not only ..., but also ...

……不仅……，而且……

... helps us ..., ... and ...

……帮助我们……、……和……

⑤ which 非限制性定语从句点明意义

这个句式表达 表达“……，这些……对……很重要”，在句末补充说明前面内容的意义

公式 主句（列出名词）, which are important for + 名词 + both at … and in …

范文原句 which are important for success both at college and in the future

这些品质无论对在大学还是在将来取得成功都很重要

which 指代前面的 cooperation, persistence and the courage to face failure，在句末点明这些品质“有什么用”，一下子把论证拉回题目的 success。both at college and in the future 由现在写到将来，论证更深一层。写论证句时，用 which 从句收尾是点题的好办法。

例1 Volunteer work teaches us patience and responsibility, which are important for our personal growth.

志愿工作教会我们耐心和责任感，这些对个人成长都很重要。

例2 Part-time jobs give students work experience, which is valuable both at college and in their future careers.

兼职工作让学生获得工作经验，这无论在大学还是在将来的职业中都很宝贵。

也可以这样说

..., all of which are ...

……，这些全都……

... These qualities are ...

……这些品质……

⑥ strike a balance between … 总结句

这个句式表达 表达“在……和……之间取得平衡的人，将能……”，结尾给出全面、平衡的结论

公式 人 + who strike a balance between A and B + will get the most out of + 名词

范文原句 Students who strike a balance between study and exercise will get the most out of their college years.

在学习和锻炼之间取得平衡的学生，将能最大限度地利用他们的大学时光。

strike a balance between A and B 意思是“在 A 和 B 之间取得平衡”，表明作者不是让大家只锻炼不学习，观点全面。get the most out of 意思是“最大限度地利用、收获最多”，比 make full use of 更地道。一句话回应了开头“只学习不锻炼”的误区，首尾呼应。

例1 Students who strike a balance between work and rest will learn more efficiently.

在学习和休息之间取得平衡的学生，学习效率会更高。

例2 Those who strike a balance between online and offline life will get the most out of technology.

在线上和线下生活之间取得平衡的人，能从科技中收获最多。

也可以这样说

Only by balancing ... and ... can we ...

只有兼顾……和……，我们才能……

... make the most of ...

……充分利用……

10 亮点词汇

把普通说法换成高分说法

高分表达	意思	替代的普通说法
devote	v. 把……投入（devote … to …）	spend ... on
distraction	n. 使人分心的事	a waste of time
energetic	adj. 精力充沛的	full of energy
foundation	n. 基础	basis
efficiently	adv. 高效地	effectively / quickly
concentration	n. 专注力；注意力	focus
persistence	n. 坚持；毅力	the will to keep going
daily routine	日常作息；日常生活	everyday life
strike a balance	取得平衡	find a balance

MODEL ESSAY 23 · PART I WRITING

大学生养成健康生活方式

2022年12月大学英语四级 第2套 · 写作 Part I

议论文 · 范文 169 词

1 原题

Part I **Writing** **(30 minutes)**

Directions: *In this task, you are to write an essay on* ***the importance of developing a healthy lifestyle among college students****. You will have 30 minutes for the task. You should write at least 120 words but no more than 180 words.*

题目译文

在这项写作任务中（In this task），你要写一篇文章（essay），谈谈大学生养成健康的生活方式（developing a healthy lifestyle）的重要性（importance）。

你有 30 分钟（30 minutes）完成这项写作任务（task）。

字数：至少 120 词（at least 120 words），但不超过 180 词（no more than 180 words）。

2 审题

先弄清楚要写什么，再动笔

议论文：大学生养成健康生活方式的重要性

120—180 词（题目要求 at least 120 words but no more than 180 words）；本篇 169 词。写到 160—180 词最稳，绝不能超过 180 词

- [ ] 题目是 the importance of developing a healthy lifestyle among college students，核心是回答“为什么大学生要养成健康的生活方式”
- [ ] 开头先写大学生常见的不健康习惯和它的危害，再提出中心论点：养成健康的生活方式很重要
- [ ] 中间分两三层论证重要性（身体、学习、心理），每层有理由和具体说明
- [ ] 结尾简要给出怎么做，并用一句有力的话总结

语气与身份：正式、客观的议论语气：以第三人称（college students、they）论述为主，用 should 提建议，不用口语化的表达

容易失分的地方

- 题目问的是 importance（重要性），主体要写“为什么重要”；“怎么做”只在结尾一两句提出，不要写成作息建议清单
- “健康的生活方式”要写具体：饮食均衡、睡眠充足、规律锻炼，而不是反复说 be healthy
- 三层论证要分得开：身体健康、学习、心理健康各写各的，不要每层都在说“身体好”
- 人称前后一致：本篇一直用 students、they，不要中途换成 we 或 you

3 题目要求逐条落实

每一条要求 → 范文里的哪一句

题目要求	范文原句	怎么做到的
用现象引出话题	Nowadays, many college students stay up late, skip breakfast and spend hours sitting in front of screens.	开头用三个大学生熟悉的坏习惯（熬夜、不吃早饭、久坐看屏幕）引出话题，具体又真实。
提出中心论点	Therefore, it is important for college students to develop a healthy lifestyle.	先写坏习惯的危害，再用 Therefore 得出论点，论点用自己的话改写了题目，没有照抄。
论证重要性之一：身体	A healthy lifestyle is, first of all, the basis of a strong body.	第一层写身体，并具体说明健康的生活方式包括哪些（饮食均衡、睡眠充足、规律锻炼）。
论证重要性之二：学习	students with good habits often perform better in class	第二层写对学习的好处，用“休息好的头脑学得快、记得多”说明原因，扣住大学生的身份。
论证重要性之三：心理健康	What is more, a healthy lifestyle is good for mental health.	第三层写心理健康，说明锻炼和规律作息能缓解压力、保持积极心情，论证从身体延伸到心理。
给出做法，总结全文	Habits formed at college often last a lifetime, so starting now is one of the best investments students can make in their future.	先用一句话给出三条做法，再说明大学养成的习惯会影响一生，把“现在就开始”比作对未来的投资，结尾有力。

4 写作思路

先列提纲，每段一个任务

第一段

写现象和危害，提出论点

很多大学生熬夜、不吃早饭、久坐看屏幕 → 起初看似无害，久而久之严重损害健康 → 所以养成健康的生活方式很重要

第二段

分三层论证重要性

第一，身体（饮食均衡、睡眠充足、规律锻炼，精力充沛、抵御疾病）→ 第二，学习（休息好的头脑学得快、记得多，课堂表现更好）→ 第三，心理健康（锻炼和规律作息缓解压力，心情积极）

第三段

给出做法，总结

作息规律、限制屏幕时间、参加运动 → 大学养成的习惯影响一生，现在开始是对未来最好的投资之一

5 满分范文

荧光笔 + 圆圈编号 = 下面讲的高分句式

[1] Nowadays, many college students stay up late, skip breakfast and spend hours sitting in front of screens. [2] These habits may seem harmless at first, but over time they can seriously damage students' health. ① [3] Therefore, it is important for college students to develop a healthy lifestyle. ②

[4] A healthy lifestyle is, first of all, the basis of a strong body. [5] Eating balanced meals, getting enough sleep and exercising regularly help students stay energetic and resist illness.③ [6] In addition, it benefits their studies. [7] A well-rested mind learns faster and remembers more, so students with good habits often perform better in class.④ [8] What is more, a healthy lifestyle is good for mental health. [9] Regular exercise and a stable daily routine can relieve stress and keep students in a positive mood.

[10] To develop such a lifestyle, students should keep a regular schedule, limit their screen time and take part in sports. [11] Habits formed at college often last a lifetime, so starting now is one of the best investments students can make in their future.⑤

参考译文

如今，许多大学生熬夜、不吃早饭，还一连几个小时坐在屏幕前。这些习惯起初看似无害，但久而久之会严重损害学生的健康。因此，大学生养成健康的生活方式非常重要。

首先，健康的生活方式是强健身体的基础。饮食均衡、睡眠充足、规律锻炼，能帮助学生保持精力充沛，抵御疾病。此外，它对学习也有好处。休息充分的头脑学得更快、记得更多，所以习惯良好的学生往往在课堂上表现更好。更重要的是，健康的生活方式有益于心理健康。规律的锻炼和稳定的日常作息可以缓解压力，让学生保持积极的心情。

要养成这样的生活方式，学生应该作息规律，限制看屏幕的时间，并参加体育运动。大学时养成的习惯往往会保持一生，所以从现在做起，是学生对自己的未来所能做的最好的投资之一。

6 一步一步写出这篇范文

01 开头：三个坏习惯 + 危害，再得出论点

第一句用 Nowadays 引出现象，并列三个动词短语写坏习惯；第二句用 may seem harmless at first, but over time … 写出“看似无害、其实有害”的转折；第三句用 Therefore 得出论点。从问题写到论点，论点有了必要性。

> 1 Nowadays, many college students stay up late, skip breakfast and spend hours sitting in front of screens.
> 如今，许多大学生熬夜、不吃早饭，还一连几个小时坐在屏幕前。
> 2 These habits may seem harmless at first, but over time they can seriously damage students' health.
> 这些习惯起初看似无害，但久而久之会严重损害学生的健康。
> 3 Therefore, it is important for college students to develop a healthy lifestyle.
> 因此，大学生养成健康的生活方式非常重要。

02 第一层：身体，先下结论再写具体做法

用插入语 first of all 标出第一层，先写 the basis of a strong body；下一句用三个动名词短语（Eating balanced meals、getting enough sleep、exercising regularly）作主语，说清什么是健康的生活方式，再写效果。

> 4 A healthy lifestyle is, first of all, the basis of a strong body.
> 首先，健康的生活方式是强健身体的基础。
> 5 Eating balanced meals, getting enough sleep and exercising regularly help students stay energetic and resist illness.
> 饮食均衡、睡眠充足、规律锻炼，能帮助学生保持精力充沛，抵御疾病。

03 第二层：学习，用因果说明

用 In addition, it benefits their studies 引出第二层；下一句先写原因（A well-rested mind learns faster and remembers more），再用 so 得出结果（课堂表现更好）。原因和结果都具体，论证就有说服力。

> 6 In addition, it benefits their studies.
> 此外，它对学习也有好处。
> 7 A well-rested mind learns faster and remembers more, so students with good habits often perform better in class.
> 休息充分的头脑学得更快、记得更多，所以习惯良好的学生往往在课堂上表现更好。

04 第三层：心理健康，论证再深一步

用 What is more 引出第三层，表示“更进一步”；写 mental health，再说明锻炼和规律作息怎样缓解压力、保持积极心情。三层由身体到学习再到心理，越写越全面。

> 8 What is more, a healthy lifestyle is good for mental health.
> 更重要的是，健康的生活方式有益于心理健康。
> 9 Regular exercise and a stable daily routine can relieve stress and keep students in a positive mood.
> 规律的锻炼和稳定的日常作息可以缓解压力，让学生保持积极的心情。

05 结尾：一句做法 + 一句有力的总结

用目的状语 To develop such a lifestyle 开头，一句话给出三条做法，大体对应开头的熬夜、久坐看屏幕等坏习惯；最后一句先写事实（大学养成的习惯影响一生），再用 so 得出结论：现在开始是对未来最好的投资之一。

> 10 To develop such a lifestyle, students should keep a regular schedule, limit their screen time and take part in sports.
> 要养成这样的生活方式，学生应该作息规律，限制看屏幕的时间，并参加体育运动。
> 11 Habits formed at college often last a lifetime, so starting now is one of the best investments students can make in their future.
> 大学时养成的习惯往往会保持一生，所以从现在做起，是学生对自己的未来所能做的最好的投资之一。

7 为什么是满分档

切题

题目要写“大学生养成健康生活方式的重要性”，范文第一段写出大学生常见的坏习惯和危害，再提出论点；第二段从身体、学习、心理三方面论证“为什么重要”，每一层都落到大学生身上（课堂表现、缓解压力）；第三段只用一句给出做法，再用“对未来的投资”总结重要性。主体始终在写“为什么”，没有写成作息清单。满分档作文就是这样：切合题意，每一部分都在为中心服务。

- many college students stay up late, skip breakfast and spend hours sitting in front of screens
- it is important for college students to develop a healthy lifestyle
- the basis of a strong body
- students with good habits often perform better in class
- a healthy lifestyle is good for mental health
- one of the best investments students can make in their future

结构与连贯

三段式清楚：现象与论点 → 三层论证 → 做法与总结。第一段由现象（坏习惯）到危害（These habits）再到论点（Therefore）；第二段用 first of all、In addition、What is more 分三层，每层先写结论再写说明；第三段的 such a lifestyle 指回前文，三条做法大体对应开头的坏习惯。环环相扣、首尾呼应，正是满分档在结构上的表现。

- These habits
- Therefore
- first of all
- In addition
- What is more
- To develop such a lifestyle

语言

句式丰富又准确：动词短语并列、may seem … but over time … 转折、形式主语 it is important for … to …、插入语 first of all、三个动名词短语作主语、比较级并列、过去分词短语作定语 Habits formed at college；用词具体贴切，如 skip breakfast、harmless、balanced meals、resist illness、a well-rested mind、last a lifetime。人称统一用 students、they，几乎没有错误，符合满分档的要求。

- These habits may seem harmless at first, but over time they can seriously damage students' health.
- Eating balanced meals, getting enough sleep and exercising regularly
- A well-rested mind learns faster and remembers more
- relieve stress and keep students in a positive mood
- Habits formed at college often last a lifetime

8 升格示范

普通写法一步一步改成满分句

升格 1

第 1 步 These habits are bad.
只说“不好”，没说哪里不好，也没写出危害有多严重。

第 2 步 These habits are bad for students' health.
说出了危害的对象，但 are bad for 很平淡，读者感受不到“为什么要重视”。

第 3 步 These habits may seem harmless, but they can seriously damage students' health.
may seem harmless, but … 先让一步再转折，seriously damage 写出危害的程度；再加上 at first 和 over time，写出“时间一长才显出来”，转折更有力。

满分句 **These habits may seem harmless at first, but over time they can seriously damage students' health.**

升格 2

第 1 步 A healthy lifestyle is good for study.
只有结论，没有原因，论证不成立。

第 2 步 If students sleep well, they can study better.
有了条件和结果，但 study better 太笼统，没有说出“好在哪里”。

第 3 步 A well-rested mind learns faster and remembers more, so students can study better.
a well-rested mind 简洁形象，learns faster and remembers more 把原因写具体了；再把结果换成 students with good habits often perform better in class，结果也具体、语气客观，原因和结果才对得上。

满分句 **A well-rested mind learns faster and remembers more, so students with good habits often perform better in class.**

9 高分句式

公式 → 原句 → 讲解 → 仿写

① may seem … at first, but over time … 写隐藏的危害

这个句式表达 表达“这些……起初看似……，但久而久之会……”，写出一件事表面无害、实际有害

公式 These + 名词 + may seem + 形容词 + at first, but over time + they can + 副词 + 动词 + …

范文原句 These habits may seem harmless at first, but over time they can seriously damage students' health.

这些习惯起初看似无害，但久而久之会严重损害学生的健康。

These habits 指回上一句的三个坏习惯，衔接自然。may seem harmless at first 先让一步，but over time 一转，写出“时间一长危害就来了”，转折很有力。seriously damage 比 are bad for 严重得多，为论点“很重要”做足铺垫。写手机依赖、熬夜、浪费等话题的危害都能用。

例1 Small amounts of waste may seem unimportant at first, but over time they can cause serious pollution.
少量的垃圾起初看似无关紧要，但久而久之会造成严重的污染。

例2 Checking phones in class may seem harmless at first, but over time it can seriously affect students' grades.
上课看手机起初看似无害，但久而久之会严重影响学生的成绩。

也可以这样说

Although ... seems ..., it can actually ...

虽然……看起来……，但实际上会……

In the long run, ...

从长远来看，……

② it is important for … to … 论点句

这个句式表达 表达“对……来说，做……很重要”，用形式主语提出中心论点

公式 Therefore, it is important for + 人 + to + 动词原形 …

范文原句 Therefore, it is important for college students to develop a healthy lifestyle.

因此，大学生养成健康的生活方式非常重要。

it 是形式主语，真正的主语是 to develop a healthy lifestyle；for college students 说明是对谁而言。Therefore 表示这个论点是从上面的危害推出来的，逻辑清楚。题目写 the importance of …，论点就用 it is important for … to … 回应，最直接。

例1 Therefore, it is important for young people to learn how to manage their money.

因此，年轻人学会理财非常重要。

例2 Therefore, it is important for every student to develop the habit of reading.

因此，每个学生养成阅读的习惯都非常重要。

也可以这样说

It is necessary for ... to ...

……有必要……

... is of great importance to ...

……对……非常重要

③ 三个动名词短语作主语

这个句式表达 表达“做 A、做 B、做 C 能帮助人们……”，把几种具体做法一起作主语，再写出效果

公式 Doing A, doing B and doing C + help + 人 + 动词原形 …

范文原句 Eating balanced meals, getting enough sleep and exercising regularly help students stay energetic and resist illness.

饮食均衡、睡眠充足、规律锻炼，能帮助学生保持精力充沛，抵御疾病。

三个动名词短语并列作主语，把“健康的生活方式”具体化成三件事；因为是三件事，谓语用复数 help。help sb. do sth. 后面直接接动词原形 stay、resist。一句话把“是什么”和“有什么用”都写清楚了，写健康、学习方法类话题非常实用。

例1 Reading widely, taking notes and reviewing regularly help students learn more effectively.
广泛阅读、做笔记和定期复习，能帮助学生更有效地学习。

例2 Turning off lights, saving water and recycling paper help us protect the environment.
随手关灯、节约用水和回收纸张，能帮助我们保护环境。

也可以这样说

By doing ..., students can ...
通过……，学生能……

... is a good way to ...
……是……的好办法

④ 比较级并列 + so 写因果

这个句式表达 表达“……学得更快、记得更多，所以……表现更好”，用比较级写出原因，再用 so 得出结果

公式 主语 + 动词 A + 比较级 + and + 动词 B + 比较级, so + 人 + often + 动词 + better + …

范文原句 A well-rested mind learns faster and remembers more, so students with good habits often perform better in class.

休息充分的头脑学得更快、记得更多，所以习惯良好的学生往往在课堂上表现更好。

a well-rested mind 意思是“休息充分的头脑”，比 if students sleep well 更简洁、更形象。learns faster and remembers more 两个比较级并列，节奏整齐。so 后面写结果，students with good habits 用介词短语作定语，often 让语气客观，不说绝对的话。

例1 A calm mind thinks more clearly and makes fewer mistakes, so students who stay relaxed often do better in exams.
平静的头脑思考更清晰、犯错更少，所以保持放松的学生往往考得更好。

例2 Regular readers learn more words and write more fluently, so they often get higher scores in writing.
经常阅读的人学的词更多、写得更流畅，所以他们的写作往往得分更高。

也可以这样说

As a result, ...
因此，……

That is why ...
这就是为什么……

⑤ one of the best investments … 结尾句

这个句式表达 表达“……是人们对未来所能做的最好的投资之一”，把现在的行动和将来的收获连起来

公式 事实, so + doing … + is one of the best investments + 人 + can make in + 名词

范文原句 Habits formed at college often last a lifetime, so starting now is one of the best investments students can make in their future.

大学时养成的习惯往往会保持一生，所以从现在做起，是学生对自己的未来所能做的最好的投资之一。

Habits formed at college 是过去分词短语作定语，last a lifetime 意思是“持续一生”。so 后面的动名词 starting now 作主语。把养成好习惯比作 investment（投资），说明“现在付出，将来受益”，结尾有力又有新意。students can make 省略了 that，修饰 investments。

例1 Reading habits often last a lifetime, so reading every day is one of the best investments we can make in ourselves.

阅读习惯往往会保持一生，所以每天阅读是我们对自己所能做的最好的投资之一。

例2 Skills learned when young are rarely forgotten, so learning a foreign language early is one of the best investments parents can make.

年轻时学会的技能很少会忘记，所以尽早学一门外语是家长所能做的最好的投资之一。

也可以这样说

It is never too early to ...

……永远不嫌早

... will pay off in the long run.

……从长远来看会有回报。

10 亮点词汇

把普通说法换成高分说法

高分表达	意思	替代的普通说法
stay up late	熬夜	go to bed late
skip breakfast	不吃早饭	go without breakfast
harmless	adj. 无害的	not dangerous
lifestyle	n. 生活方式	way of life
balanced meals	均衡的饮食	a healthy diet
resist illness	抵御疾病	stay free from illness
well-rested	adj. 休息充分的	refreshed
mental health	心理健康	emotional well-being
investments	n. 投资	things worth doing

MODEL ESSAY 24 · PART I WRITING

大学生培养社交能力的重要性

2022年12月大学英语四级 第3套 · 写作 Part I

议论文 · 范文 173 词

1 原题

Part I **Writing** **(30 minutes)**

Directions: *In this task, you are to write an essay on* ***the necessity of developing social skills for college students****. You will have 30 minutes for the task. You should write at least 120 words but no more than 180 words.*

题目译文

在这项写作任务中（In this task），你要写一篇文章（essay），谈谈大学生培养社交能力（developing social skills）的必要性（necessity）。

你有 30 分钟（30 minutes）完成这项写作任务（task）。

字数：至少 120 词（at least 120 words），但不超过 180 词（no more than 180 words）。

2 审题

先弄清楚要写什么，再动笔

议论文：大学生培养社交能力的必要性

120—180 词（题目要求 at least 120 words but no more than 180 words）；本篇 173 词。写到 160—180 词最稳，绝不能超过 180 词

- [ ] 题目是 the necessity of developing social skills for college students，核心是回答“为什么大学生必须培养社交能力”
- [ ] 开头用自己的话引出话题，并提出中心论点：培养社交能力是必需的
- [ ] 中间分两三层论证必要性（大学生活、将来的职业、人际网络），每层有理由和具体说明
- [ ] 结尾给出具体做法，并用一句话展望结果

语气与身份：正式、客观的议论语气：以第三人称（students、they）论述为主，用 should、can 提建议，不用口语化的表达

容易失分的地方

- necessity 的意思是“必要性”，论证要说出“没有它不行”，不只是“有它更好”；本篇第 7 句 they will find it hard to succeed without … 就是从反面说明必要
- social skills 要写具体：沟通、交朋友、化解矛盾、与人合作，不要反复只说 social skills are important
- 主体写“为什么必要”，“怎么做”只在结尾两三句提出，不要喧宾夺主
- necessity 和 necessary 不要混用：is a necessity（名词）、is necessary（形容词），不能写 is a necessary

3 题目要求逐条落实

每一条要求 → 范文里的哪一句

题目要求	范文原句	怎么做到的
引出话题，提出论点	For college students, developing social skills is a necessity rather than a choice.	第一句先说大学既是学知识的地方，也是学与人相处的地方；第二句用 a necessity rather than a choice 提出论点，正好回应题目的 necessity。
论证必要性之一：大学生活	good social skills make college life smoother and happier	第一层写眼前：善于沟通的学生更容易交朋友、化解与室友的矛盾、在小组项目中高效合作，三个例子都是大学生熟悉的场景。
论证必要性之二：将来的职业	social skills are essential for future careers	第二层写将来：先写雇主看重哪些能力，再用 No matter how … 从反面说明“没有合作能力，知识再多也难成功”，把“必要”说透。
论证必要性之三：人际网络	social skills help students build a wide network of relationships	第三层写长远：广泛的人际关系网将来能提供支持和机会，论证由校园延伸到社会。
给出做法，总结全文	For these reasons, college students should seize every chance to improve their social skills.	用 For these reasons 收拢三层论证，提出建议，再给出参加社团、做志愿者、课堂发言三条具体做法，最后一句展望结果。

4 写作思路

先列提纲，每段一个任务

第一段

引出话题，提出论点

大学不仅是获取知识的地方，也是学习与人相处的地方 → 对大学生来说，培养社交能力是必需的，而不是可有可无的选择

第二段

分三层论证必要性

第一，让大学生活更顺利快乐（交朋友、化解与室友的矛盾、小组合作）→ 第二，对将来的职业至关重要（雇主看重表达、合作、与客户打交道；没有合作能力，知识再多也难成功）→ 第三，建立广泛的人际关系网，将来提供支持和机会

第三段

提出做法，展望结果

大学生应该抓住每一个机会提高社交能力 → 参加社团、做志愿者、课堂上大胆发言 → 一步一步成为自信的沟通者，迎接未来的挑战

5 满分范文

荧光笔 + 圆圈编号 = 下面讲的高分句式

[1] College is not only a place to gain knowledge but also a place to learn how to get along with others. ① [2] For college students, developing social skills is a necessity rather than a choice. ②

[3] First, good social skills make college life smoother and happier. [4] Students who communicate well find it easier to make friends, resolve conflicts with roommates and work effectively in group projects.③ [5] Second, social skills are essential for future careers. [6] Employers value graduates who can express their ideas clearly, cooperate with colleagues and deal with clients. [7] No matter how much knowledge students have, they will find it hard to succeed without the ability to work with others.④ [8] Moreover, social skills help students build a wide network of relationships, which can provide support and opportunities in the future.

[9] For these reasons, college students should seize every chance to improve their social skills.⑤ [10] They can join clubs, do volunteer work and speak up in class discussions. [11] Step by step, they will become confident communicators ready for the challenges of work and life ahead.⑥

参考译文

大学不仅是获取知识的地方，也是学习如何与他人相处的地方。对大学生来说，培养社交能力是必需的，而不是一种可有可无的选择。

首先，良好的社交能力让大学生活更顺利、更快乐。善于沟通的学生会发现更容易交到朋友、化解与室友的矛盾，并在小组项目中高效合作。其次，社交能力对未来的职业至关重要。雇主看重那些能清楚表达自己想法、与同事合作并与客户打交道的毕业生。无论学生拥有多少知识，如果没有与他人合作的能力，他们都会发现很难取得成功。此外，社交能力能帮助学生建立广泛的人际关系网，将来可以为他们提供支持和机会。

由于这些原因，大学生应该抓住每一个机会提高自己的社交能力。他们可以参加社团、做志愿者工作，并在课堂讨论中大胆发言。一步一步地，他们将成为自信的沟通者，做好准备迎接未来工作和生活中的挑战。

6 一步一步写出这篇范文

01 开头：not only … but also … 引出话题，再提出论点

第一句用 not only a place to … but also a place to … 改变人们对大学的一般印象（只是学知识），引出“与人相处”；第二句用 a necessity rather than a choice 提出论点，直接回应题目的 necessity，而且比 very important 语气更强。

> 1 College is not only a place to gain knowledge but also a place to learn how to get along with others.
> 大学不仅是获取知识的地方，也是学习如何与他人相处的地方。
> 2 For college students, developing social skills is a necessity rather than a choice.
> 对大学生来说，培养社交能力是必需的，而不是一种可有可无的选择。

02 第一层：大学生活，用三个场景说明

用 First 引出第一层，先下结论（smoother and happier）；下一句用 who 定语从句写“善于沟通的学生”，再用 find it easier to 加三个动词短语（交朋友、化解矛盾、小组合作），每个都是大学里的真实场景。

> 3 First, good social skills make college life smoother and happier.
> 首先，良好的社交能力让大学生活更顺利、更快乐。
> 4 Students who communicate well find it easier to make friends, resolve conflicts with roommates and work effectively in group projects.
> 善于沟通的学生会发现更容易交到朋友、化解与室友的矛盾，并在小组项目中高效合作。

03 第二层：职业，正反两面论证

用 Second 引出第二层；先从正面写雇主看重的三种能力（表达、合作、与客户打交道），再用 No matter how much knowledge students have 从反面说：没有与人合作的能力就很难成功。正反结合，“必要性”就说透了。

> 5 Second, social skills are essential for future careers.
> 其次，社交能力对未来的职业至关重要。
> 6 Employers value graduates who can express their ideas clearly, cooperate with colleagues and deal with clients.
> 雇主看重那些能清楚表达自己想法、与同事合作并与客户打交道的毕业生。
> 7 No matter how much knowledge students have, they will find it hard to succeed without the ability to work with others.
> 无论学生拥有多少知识，如果没有与他人合作的能力，他们都会发现很难取得成功。

04 第三层：人际网络，写到将来

用 Moreover 引出第三层，写社交能力帮助学生建立 a wide network of relationships，再用 which 从句说明这张网将来能提供支持和机会，论证由现在延伸到将来。

> 8 Moreover, social skills help students build a wide network of relationships, which can provide support and opportunities in the future.
> 此外，社交能力能帮助学生建立广泛的人际关系网，将来可以为他们提供支持和机会。

05 结尾：建议 + 三条做法 + 展望

用 For these reasons 收拢上面三层理由，提出 seize every chance to improve；下一句给出三条具体做法（参加社团、做志愿者、课堂发言）；最后用 Step by step 写出循序渐进的结果：成为自信的沟通者。

> 9 For these reasons, college students should seize every chance to improve their social skills.
> 由于这些原因，大学生应该抓住每一个机会提高自己的社交能力。
> 10 They can join clubs, do volunteer work and speak up in class discussions.
> 他们可以参加社团、做志愿者工作，并在课堂讨论中大胆发言。
> 11 Step by step, they will become confident communicators ready for the challenges of work and life ahead.
> 一步一步地，他们将成为自信的沟通者，做好准备迎接未来工作和生活中的挑战。

7 为什么是满分档

切题

题目要写“大学生培养社交能力的必要性”，范文的论点直接用上 a necessity rather than a choice；第二段从大学生活、将来的职业、人际网络三方面论证，并用 No matter how … without … 从反面说明“没有社交能力不行”，把“必要性”说透；结尾给出具体做法。主体始终在回答“为什么必要”，没有写成社交技巧清单。满分档作文就是这样：切合题意，每一部分都在为中心服务。

- developing social skills is a necessity rather than a choice
- good social skills make college life smoother and happier
- social skills are essential for future careers
- they will find it hard to succeed without the ability to work with others
- social skills help students build a wide network of relationships

结构与连贯

三段式清楚：引出话题与论点 → 三层论证 → 做法与展望。第二段用 First、Second、Moreover 分三层，每层先写结论再写理由，由眼前的大学生活写到将来的职业和人际网络；第三段用 For these reasons 收拢三层理由，再给做法，Step by step 承接做法写结果。层次分明、衔接自然，正是满分档在结构上的表现。

- First
- Second
- No matter how much knowledge students have
- Moreover
- For these reasons
- Step by step

语言

句式丰富又准确：not only … but also …、a necessity rather than a choice 对比、who 定语从句、形式宾语 find it easier to 和 find it hard to、No matter how 让步状语从句、which 非限制性定语从句、形容词短语作后置定语 ready for …；用词正式贴切，如 resolve conflicts、essential、cooperate with colleagues、a wide network of relationships、seize every chance、confident communicators。几乎没有错误，符合满分档的要求。

- College is not only a place to gain knowledge but also a place to learn how to get along with others.
- resolve conflicts with roommates
- Employers value graduates who can express their ideas clearly, cooperate with colleagues and deal with clients.
- seize every chance to improve their social skills
- confident communicators ready for the challenges of work and life ahead

8 升格示范

普通写法一步一步改成满分句

升格 1

第 1 步 Social skills are important.
只说“重要”，没有说是对谁，也没回应题目的“必要性”。

第 2 步 For college students, social skills are very necessary.
说清了对象，用上了 necessary；但 very necessary 语气平淡，题目问的“培养（developing）”也没写出来。

第 3 步 For college students, developing social skills is very important.
用动名词短语 developing social skills 作主语，回应了题目的 developing；再把 very important 换成 a necessity rather than a choice，用对比说出“不是可有可无”，论点才鲜明有力。

满分句 **For college students, developing social skills is a necessity rather than a choice.**

升格 2

第 1 步 Knowledge is not enough for success.
说出了观点，但没说缺了什么，读者不知道和社交能力有什么关系。

第 2 步 If students only have knowledge, they cannot be successful.
有了条件和结果，但 cannot be successful 说得太绝对，也没点明缺的是合作能力。

第 3 步 Even if students have a lot of knowledge, they will find it hard to succeed without teamwork.
Even if 让步、find it hard to succeed 语气客观、without 点出缺的东西；再换成 No matter how much knowledge students have 和 the ability to work with others，让步更有力，表达更完整准确。

满分句 **No matter how much knowledge students have, they will find it hard to succeed without the ability to work with others.**

9 高分句式

公式 → 原句 → 讲解 → 仿写

① not only … but also … 引出话题

这个句式表达 表达“……不仅是……的地方，也是……的地方”，先说人们熟悉的一面，再引出要讨论的另一面

公式 主语 + is not only + 名词 A + but also + 名词 B

范文原句 College is not only a place to gain knowledge but also a place to learn how to get along with others.

大学不仅是获取知识的地方，也是学习如何与他人相处的地方。

not only A but also B 把“获取知识”和“与人相处”并列，读者先认同前一半，后一半自然引出话题“社交能力”。两个 a place to do 结构相同，读起来整齐。get along with others 意思是“与他人相处”，是写人际关系最常用的短语。

例1 Reading is not only a way to gain knowledge but also a way to relax.
阅读不仅是获取知识的途径，也是放松的方式。

例2 A part-time job is not only a way to earn money but also a chance to learn about society.
兼职工作不仅是挣钱的方式，也是了解社会的机会。

也可以这样说

Apart from ..., ... also ...
除了……之外，……还……

... is more than just a place to ...
……不仅仅是一个……的地方

② a necessity rather than a choice 论点句

这个句式表达 表达“做……是必需的，而不是可有可无的选择”，用对比提出强有力的论点

公式 For + 人, + doing … + is a necessity rather than a choice.

范文原句 For college students, developing social skills is a necessity rather than a choice.
对大学生来说，培养社交能力是必需的，而不是一种可有可无的选择。

necessity 是名词，意思是“必需品、必要的事”，正好回应题目的 necessity。rather than a choice 用对比说出“不是可选可不选的”，语气比 is very important 强得多。动名词短语 developing social skills 作主语。题目写 the necessity of …，论点就这样写，切题又有力。

例1 For young people today, learning to use computers is a necessity rather than a choice.
对今天的年轻人来说，学会使用电脑是必需的，而不是可有可无的选择。

例2 For college students, managing their time well is a necessity rather than a choice.
对大学生来说，合理安排时间是必需的，而不是可有可无的选择。

也可以这样说

It is necessary for ... to ...
……有必要……

... is essential for ...
……对……至关重要

③ who 定语从句 + find it easier to … 写好处

这个句式表达 表达“具备……的人会发现做……更容易”，说明一种能力带来的具体好处

公式 人 + who + 能力 + find it easier to + 动词 A, 动词 B + and + 动词 C

范文原句 Students who communicate well find it easier to make friends, resolve conflicts with roommates and work effectively in group projects.

善于沟通的学生会发现更容易交到朋友、化解与室友的矛盾，并在小组项目中高效合作。

who communicate well 是定语从句，说明是哪些学生；find it easier to do 中 it 是形式宾语，easier 是比较级，表示“比别人更容易”。后面并列三个动词短语，每个都是大学里的真实场景，把“大学生活更顺利”写得具体可信。

例1 Students who plan their time well find it easier to balance study and hobbies.

善于安排时间的学生会发现更容易兼顾学习和爱好。

例2 People who read widely find it easier to express their ideas and understand others.

广泛阅读的人会发现更容易表达自己的想法、理解别人。

也可以这样说

… are more likely to …

……更有可能……

It is easier for … to …

……做……更容易

④ No matter how … 从反面论证必要性

这个句式表达 表达“无论……多么……，没有……都很难……”，从反面说明某种能力不可缺少

公式 No matter how much / how + 形容词 + 主语 + 谓语, + 主语 + will find it hard to + 动词 + without + 名词

范文原句 No matter how much knowledge students have, they will find it hard to succeed without the ability to work with others.

无论学生拥有多少知识，如果没有与他人合作的能力，他们都会发现很难取得成功。

No matter how much 意思是“无论多少”，先承认知识重要，再用 without the ability to … 说出“缺了合作能力还是不行”。这种从反面说的句子最能证明“必要性”，比正面说“社交能力很重要”更有说服力。注意 No matter how 后面用陈述语序（students have）。

例1 No matter how clever students are, they will find it hard to make progress without hard work.

无论学生多么聪明，不努力都很难进步。

例2 No matter how many words we know, we will find it hard to speak English well without practice.

无论我们认识多少单词，不练习都很难把英语说好。

也可以这样说

However ..., ... cannot ... without ...

无论多么……，没有……都不能……

Without ..., even ... will ...

没有……，即使……也会……

⑤ seize every chance to ... 提建议

这个句式表达 表达“由于这些原因，……应该抓住每一个机会……”，在论证之后提出建议

公式 For these reasons, + 人 + should seize every chance to + 动词原形 …

范文原句 For these reasons, college students should seize every chance to improve their social skills.

由于这些原因，大学生应该抓住每一个机会提高自己的社交能力。

For these reasons 把第二段的三层理由一次收拢，自然过渡到建议。seize every chance to do 意思是“抓住每一个机会做……”，seize 比 take 更有力，写出积极主动的态度。写任何“谈必要性、重要性”的议论文，结尾段第一句都可以这样写。

例1 For these reasons, students should seize every chance to practice speaking English.

由于这些原因，学生应该抓住每一个机会练习说英语。

例2 For these reasons, young people should seize every chance to learn new skills.

由于这些原因，年轻人应该抓住每一个机会学习新技能。

也可以这样说

Therefore, ... should make every effort to ...

因此，……应该尽一切努力……

It is high time that ... took action to ...

……是时候采取行动……了

⑥ Step by step + ready for ... 展望句

这个句式表达 表达“一步一步地，人们将成为……，做好准备迎接……”，结尾写出坚持下去的结果

公式 Step by step, + 人 + will become + 形容词 + 名词 + ready for + 名词

范文原句 Step by step, they will become confident communicators ready for the challenges of work and life ahead.

一步一步地，他们将成为自信的沟通者，做好准备迎接未来工作和生活中的挑战。

Step by step 意思是“一步一步地”，呼应上一句的具体做法，说明能力是慢慢练出来的。confident communicators 意思是“自信的沟通者”，比 good at communicating 更简洁有力。ready for … 是形容词短语，放在名词后面作定语；ahead 意思是“在前面的、未来的”。用积极的展望收尾，文章有力。

例1 Step by step, they will become fluent speakers ready for international exchanges.

一步一步地，他们将成为说得流利的人，做好准备参加国际交流。

例2 Step by step, students will become independent learners ready for any new challenge.

一步一步地，学生们将成为独立的学习者，做好准备迎接任何新的挑战。

也可以这样说

In this way, ... will be well prepared for ...

这样，……就能为……做好充分准备

Over time, ...

久而久之，……

10 亮点词汇

把普通说法换成高分说法

高分表达	意思	替代的普通说法
get along with	与……相处	be on good terms with
social skills	社交能力	people skills
necessity	n. 必需的事；必要性	must
resolve conflicts	化解矛盾	settle disagreements
essential	adj. 至关重要的；必不可少的	necessary / vital
employers	n. 雇主	companies
colleagues	n. 同事	co-workers
network	n. 关系网（a network of relationships）	circle of contacts
seize	v. 抓住	take

关于改进图书馆服务的建议

2022年6月大学英语四级 第1套 · 写作 Part I
建议书 · 范文 177 词

1 原题

Part I **Writing** **(30minutes)**

Directions: *Suppose you are going to write a proposal to your school library for improving its service. You are to write about its current problems and possible solutions to these problems. You will have 30 minutes to write the proposal. You should write at least 120 words but no more than 180 words.*

题目译文

假设你打算给学校图书馆写一份建议书（proposal），帮助图书馆改进服务（improving its service）。

内容要写两点：① 图书馆目前存在的问题（its current problems）；② 解决这些问题的可行办法（possible solutions to these problems）。

你有 30 分钟（30 minutes）写这份建议书（proposal）。

字数：至少 120 词（at least 120 words），但不超过 180 词（no more than 180 words）。

2 审题

先弄清楚要写什么，再动笔

应用文（建议书）：给学校图书馆写一份改进服务的建议书

120—180 词（题目要求 at least 120 words but no more than 180 words）；标题不计入字数，本篇正文 177 词。写到 160—180 词最稳，绝不能超过 180 词

- [ ] 写一个标题，点明这是一份关于改进图书馆服务的建议书
- [ ] 开头说明自己的身份和写建议书的目的
- [ ] 写出图书馆目前存在的问题（题目要求 current problems，至少两三个，每个说清具体表现）
- [ ] 针对这些问题提出可行的解决办法（possible solutions），最好一个问题对应一个办法
- [ ] 结尾说明这些改进能带来的效果，礼貌收尾

语气与身份：正式、礼貌、有建设性：以“常来图书馆的同学”的身份说话，指出问题时就事论事，不抱怨、不指责；提建议用 I suggest、could、would 这类委婉的说法，不用 must 命令图书馆

容易失分的地方

- 标题写在正文上方，实词首字母大写：A Proposal for Improving Library Service，句末不加句号
- 题目要求“问题”和“办法”两部分都写，不能只抱怨问题、不给办法，也不能只提办法、不说问题
- 办法要和问题一一对应：座位难找 → 在线预约，书太少 → 增购和电子版，闭馆太早 → 延长开放时间；提出和问题无关的办法就是跑题
- 问题要写具体：只写 there are not enough seats 太空泛，要写出什么时候、为什么（考前、有人用书占座）
- 同一组建议情态动词保持一致：本篇都用 could、would，不要一会儿 could、一会儿 must

3 题目要求逐条落实

每一条要求 → 范文里的哪一句

题目要求	范文原句	怎么做到的
写给学校图书馆的建议书（标题）	A Proposal for Improving Library Service	标题用 A Proposal for + 动名词短语，一眼看出文体（建议书）和目的（改进服务），写在正文上方，不计入字数。
说明身份和写信目的	As a frequent user of our school library, I would like to point out some of its current problems and propose possible solutions, in the hope of improving its service.	第一段只有一句：先说“我是图书馆的常客”，说明自己有发言权；再用 point out … and propose … 预告全文的两部分（问题、办法），最后用 in the hope of 说明目的。
写出目前存在的问题	At present, the library has three main problems.	第二段第一句总起，说明有三个问题，下面用 First、Second、Third 逐条展开，题目的 current problems 落实得一目了然。
问题写具体（表现 + 原因或后果）	because some students save seats with books and then leave them empty for hours	每个问题都不只是一句空话：座位难找写出原因（有人用书占座），书少写出后果（要等几周才借到），闭馆早写出影响（爱晚上学习的同学不方便）。
提出可行的解决办法	To solve these problems, I suggest the following measures.	第三段第一句承上启下，从“问题”转到“办法”，题目的 possible solutions 有了明确的开头。
办法与问题一一对应	The library could introduce an online seat reservation system that releases a reserved seat if it is left empty for thirty minutes.	三个办法按问题的顺序写：预约系统解决占座，增购和电子版解决书少，延长到晚上十一点解决闭馆早；每个办法都具体可行，不是空喊“加强管理”。

说明效果，礼貌收尾	These changes would make the library a more welcoming place for learning.	最后一句用 would 说出这些改变会带来的好处，回扣标题的 Improving Library Service，语气礼貌、积极。
字数 120—180 词	At present, the library has three main problems.	正文共 177 词（标题不计）：第一段 1 句，第二段 4 句，第三段 5 句，问题和办法各占一段，篇幅均衡，没有超过 180 词。

4 写作思路

先列提纲，每段一个任务

标题

点明文体和目的

A Proposal for Improving Library Service（关于改进图书馆服务的建议），写在正文上方

第一段

亮身份，说目的

我是图书馆的常客 → 想指出问题、提出办法 → 希望改进图书馆的服务

第二段

列出三个问题

总起：三个主要问题 → 第一，座位难找（考前尤其严重，有人用书占座）→ 第二，热门书和教材太少（要等几周）→ 第三，晚上九点就闭馆（对夜里学习的同学太早）

第三段

逐条提出办法，说明效果

总起：建议以下措施 → 在线座位预约，空置三十分钟自动释放 → 增购热门书，尽量提供电子版 → 开放到晚上十一点 → 这些改变让图书馆成为更温馨宜人的学习场所

5 满分范文

荧光笔 + 圆圈编号 = 下面讲的高分句式

[1] **A Proposal for Improving Library Service**

[2] As a frequent user of our school library, I would like to point out some of its current problems and propose possible solutions①, in the hope of improving its service.

[3] At present, the library has three main problems. [4] First, it is hard to find a seat, especially before exams, because some students save seats with books and then leave them empty for hours②. [5] Second, many popular books and textbooks have only one or two copies, so students often have to wait weeks to borrow them③. [6] Third, the library closes at nine in the evening, which is too early for students who like to study at night④.

[7] To solve these problems, I suggest the following measures. [8] The library could introduce an online seat reservation system that releases a reserved seat if it is left empty for thirty minutes. [9] It could also buy more copies of popular books and offer electronic versions whenever possible.

[10] Finally, extending the opening hours to eleven at night would greatly benefit students⑤. [11] These changes would make the library a more welcoming place for learning⑥.

参考译文

关于改进图书馆服务的建议

作为学校图书馆的常客，我想指出它目前存在的一些问题，并提出可行的解决办法，希望能改进它的服务。

目前，图书馆主要存在三个问题。第一，座位很难找，尤其是在考试前，因为有些同学用书占座，然后让座位一空就是好几个小时。第二，许多热门书和教材只有一两本，所以同学们常常要等上好几周才能借到。第三，图书馆晚上九点就闭馆，这对喜欢在晚上学习的同学来说太早了。

为了解决这些问题，我建议采取以下措施。图书馆可以引入在线座位预约系统，如果预约的座位空置三十分钟，系统就自动将其释放。它还可以增购热门书，并尽可能提供电子版。最后，把开放时间延长到晚上十一点会让同学们大大受益。这些改变会让图书馆成为一个更温馨宜人的学习场所。

6 一步一步写出这篇范文

01 写标题

用 A Proposal for + 动名词短语（Improving Library Service），实词首字母大写，写在正文上方。题目说的是 improving its service，标题就用 Improving Library Service，紧扣题目。

> 1 A Proposal for Improving Library Service
> 关于改进图书馆服务的建议

02 一句话说清身份和目的

用 As a frequent user of our school library 说明身份；用 I would like to point out … and propose … 预告“问题 + 办法”两部分；句末用 in the hope of improving its service 点明目的。

> 2 As a frequent user of our school library, I would like to point out some of its current problems and propose possible solutions, in the hope of improving its service.
> 作为学校图书馆的常客，我想指出它目前存在的一些问题，并提出可行的解决办法，希望能改进它的服务。

03 总起问题段

第二段第一句用 At present, the library has three main problems. 先告诉读者有几个问题，下文就按这个数字逐条写。

> 3 At present, the library has three main problems.
> 目前，图书馆主要存在三个问题。

04 逐条写问题，每条都写出原因或后果

用 First、Second、Third 排列三个问题。第一个用 it is hard to …, especially …, because … 写出表现和原因；第二个用 …, so … 写出后果；第三个用 …, which is too early for … 写出对谁有影响。

> 4 First, it is hard to find a seat, especially before exams, because some students save seats with books and then leave them empty for hours.
> 第一，座位很难找，尤其是在考试前，因为有些同学用书占座，然后让座位一空就是好几个小时。
>
> 5 Second, many popular books and textbooks have only one or two copies, so students often have to wait weeks to borrow them.
> 第二，许多热门书和教材只有一两本，所以同学们常常要等上好几周才能借到。
>
> 6 Third, the library closes at nine in the evening, which is too early for students who like to study at night.
> 第三，图书馆晚上九点就闭馆，这对喜欢在晚上学习的同学来说太早了。

05 过渡到办法

第三段第一句 To solve these problems, I suggest the following measures. 用 these problems 回指上一段，用 the following measures 引出下文。

> 7 To solve these problems, I suggest the following measures.
> 为了解决这些问题，我建议采取以下措施。

06 按问题的顺序逐条给办法

办法的顺序和问题一样：座位 → 书 → 开放时间。前两条用 could 提建议，第三条用动名词作主语 + would greatly benefit students，同时写出好处；用 also、Finally 连接。

> 8 The library could introduce an online seat reservation system that releases a reserved seat if it is left empty for thirty minutes.
> 图书馆可以引入在线座位预约系统，如果预约的座位空置三十分钟，系统就自动将其释放。
>
> 9 It could also buy more copies of popular books and offer electronic versions whenever possible.
> 它还可以增购热门书，并尽可能提供电子版。
>
> 10 Finally, extending the opening hours to eleven at night would greatly benefit students.
> 最后，把开放时间延长到晚上十一点会让同学们大大受益。

07 用效果收尾

最后一句用 These changes 总括三条办法，用 would make the library a more welcoming place for learning 说出预期效果，回扣标题。

> 11 These changes would make the library a more welcoming place for learning.
> 这些改变会让图书馆成为一个更温馨宜人的学习场所。

7 为什么是满分档

切题

题目要求写图书馆目前的问题和可能的解决办法，范文两项都写到，而且一一对应：座位难找 → 在线预约，书太少 → 增购和电子版，闭馆早 → 延长开放时间。标题点明文体，开头说明目的，结尾说明效果，建议书该有的部分一样不缺。每个问题都写出了具体表现和原因，每个办法都具体可行，没有一句空话，这正是满分档“切题、内容充实”的表现。

A Proposal for Improving Library Service

I would like to point out some of its current problems and propose possible solutions

At present, the library has three main problems.

To solve these problems, I suggest the following measures.

These changes would make the library a more welcoming place for learning.

结构与连贯

结构是建议书的标准格局：第一段说目的，第二段写问题，第三段写办法和效果。两段各有一句总起（three main problems、the following measures），段内用 First、Second、Third 和 also、Finally 排列要点；办法的顺序和问题完全一致，读者一眼就能对上。These changes 一词总括全部办法，收尾自然。条理清楚、衔接得当，这是满分档在结构上的表现。

At present

First

Second

Third

To solve these problems

It could also

Finally

These changes

语言

语言正式、礼貌又具体：As a frequent user 交代身份，in the hope of 说明目的；问题部分用 it is hard to …, especially …, because …、…, so …、…, which is too early for … 三种不同的句式；办法部分有 that 引导的定语从句、if 条件句、whenever possible、动名词作主语。save seats、online seat reservation system、electronic versions、opening hours 都是地道准确的说法，全文没有语法错误，句式富于变化，符合满分档对语言的要求。

As a frequent user of our school library

in the hope of improving its service

some students save seats with books and then leave them empty for hours

which is too early for students who like to study at night

an online seat reservation system that releases a reserved seat if it is left empty for thirty minutes

offer electronic versions whenever possible

extending the opening hours to eleven at night would greatly benefit students

8 升格示范

普通写法一步一步改成满分句

升格 1

第 1 步 First, there are not enough seats in the library.
问题说出来了，但很空泛：什么时候不够？为什么不够？读者不知道该怎么解决。

第 2 步 First, it is hard to find a seat, especially before exams.
换成 it is hard to find a seat，更贴近同学的真实感受；加上 especially before exams，点出问题最严重的时候。但还没说原因。

第 3 步 First, it is hard to find a seat, especially before exams, because some students save seats with books.
加上 because 从句说出原因（有人用书占座），后面的预约办法才有针对性；最后再补上 and then leave them empty for hours，写出“占了座却不来”，问题就更具体、更有说服力。

满分句 **First, it is hard to find a seat, especially before exams, because some students save seats with books and then leave them empty for hours.**

升格 2

第 1 步 The library should manage the seats better.
只是一句空话，“更好地管理”具体怎么做？should 的语气也有点像命令。

第 2 步 The library could introduce an online seat reservation system.
提出了具体的办法（在线座位预约系统），could 语气委婉；但还看不出这个系统怎么解决“占座不来”的问题。

第 3 步 The library could introduce an online seat reservation system that releases a seat if nobody uses it.
用 that 定语从句说明系统怎么起作用，正对着占座的问题；最后把 if nobody uses it 改成 if it is left empty for thirty minutes，给出具体的时间，办法就清楚可行了。

满分句 **The library could introduce an online seat reservation system that releases a reserved seat if it is left empty for thirty minutes.**

升格 3

第 1 步 I hope the library will be better.
结尾太笼统，better 什么都没说清楚，也没有和前面的办法联系起来。

第 2 步 These changes would make the library better.
用 These changes 总括前面的办法，would 说出效果；但 better 还是太普通。

第 3 步 These changes would make the library a better place for learning.
用 make + 宾语 + a … place for learning 点明“学习场所”，紧扣图书馆的用途；最后把 better 换成 more welcoming，写出“让人愿意来”的感觉，结尾就有了画面感。

满分句 **These changes would make the library a more welcoming place for learning.**

9 高分句式

公式 → 原句 → 讲解 → 仿写

① As a … I would like to 身份目的句

这个句式表达 表达“作为……，我想……”，在应用文开头同时交代身份和写作目的

公式 As a / an + 身份, I would like to + 动词1 … and + 动词2 …

范文原句 As a frequent user of our school library, I would like to point out some of its current problems and propose possible solutions

作为学校图书馆的常客，我想指出它目前存在的一些问题，并提出可行的解决办法

As a … 说明“我以什么身份说话”，让建议显得有根据；I would like to 比 I want to 礼貌、正式，是应用文的标准说法。point out（指出）和 propose（提出）两个动词正好预告全文的两部分，读者看完第一句就知道文章怎么展开。

例1 As a member of the student union, I would like to share some ideas about our sports festival.

作为学生会的一员，我想就我们的运动会分享一些想法。

例2 As a regular customer of the campus canteen, I would like to point out some problems and offer a few suggestions.

作为学校食堂的常客，我想指出一些问题，并提出几点建议。

也可以这样说

I am writing to ...

我写信是为了……

As one of the ..., I feel it necessary to ...

作为……之一，我觉得有必要……

② it is hard to … especially … because 问题描述句

这个句式表达 表达“很难做某事，尤其是在……时候，因为……”，把一个问题的表现、严重的时候和原因一次写清

公式 it is hard to + 动词原形 …, especially + 时间 / 场合, because + 原因句

范文原句 it is hard to find a seat, especially before exams, because some students save seats with books and then leave them empty for hours

座位很难找，尤其是在考试前，因为有些同学用书占座，然后让座位一空就是好几个小时

it is hard to 用形式主语 it 说出问题；especially before exams 插在中间，点出问题最严重的时候；because 从句说出原因。原因写清楚，后面的办法（预约系统）才有针对性。leave them empty 是“让它们空着”，leave + 宾语 + 形容词。

例1 It is hard to buy lunch in the canteen, especially at noon, because there are only two serving windows.
在食堂很难买到午饭，尤其是中午，因为只有两个打饭窗口。

例2 It is hard to concentrate in the dormitory, especially in the evening, because some students play music loudly.
在宿舍里很难集中注意力，尤其是在晚上，因为有些同学大声放音乐。

也可以这样说

It is difficult for students to ...
同学们很难……

..., particularly when ...
……，尤其是在……的时候

③ …, so … 后果句

这个句式表达 表达“情况是这样，所以造成了……的后果”，说明一个问题带来的麻烦

公式 主语 + 谓语（问题）…, so + 主语 + often have to + 动词原形 …（后果）

范文原句 many popular books and textbooks have only one or two copies, so students often have to wait weeks to borrow them
许多热门书和教材只有一两本，所以同学们常常要等上好几周才能借到

前半句说事实（只有一两本），so 后面说后果（要等几周）。only one or two copies 和 wait weeks 都是具体的数量，比 there are not enough books 有说服力得多。copy 在这里是“（书的）一本”，不是“复印件”。

例1 The campus has only one printing shop, so students often have to wait in long lines.
校园里只有一家打印店，所以同学们常常要排长队。

例2 The school bus runs only once an hour, so many students often have to walk to class.
校车一小时才一班，所以很多同学常常只能走路去上课。

也可以这样说

..., which means that ...
……，这意味着……

As a result, ...
结果，……

④ , which is too … for 评论句

这个句式表达 表达“……，这对……来说太……了”，用定语从句对前面的事实加一句评论

公式 主语 + 谓语（事实）…, which is too + 形容词 + for + 人 + who …

范文原句 which is too early for students who like to study at night

这对喜欢在晚上学习的同学来说太早了

which 指代前面整件事（九点闭馆），后面跟评论 too early；for students who like to study at night 说出受影响的人。一个事实加一句评论，问题就说得有理有据，而且不带抱怨的语气。

例1 The gym opens only on weekends, which is too inconvenient for students who want to exercise every day.

体育馆只在周末开放，这对想每天锻炼的同学来说太不方便了。

例2 The dormitory turns off the hot water at ten, which is too early for students who come back late from the library.

宿舍晚上十点就停热水，这对从图书馆很晚才回来的同学来说太早了。

也可以这样说

…, which causes trouble for …

……，这给……带来了麻烦

…, which is not convenient for …

……，这对……来说不方便

⑤ doing … would greatly benefit 动名词主语建议句

这个句式表达 表达“做某事会让……大大受益”，提出一条建议的同时说出它的好处

公式 动名词短语（建议的做法）+ would greatly benefit + 受益的人

范文原句 extending the opening hours to eleven at night would greatly benefit students

把开放时间延长到晚上十一点会让同学们大大受益

用动名词短语 extending the opening hours 作主语，把“建议的做法”放在句首；would 表示“如果这样做，就会”，语气委婉；greatly benefit 说出好处。三条建议不全用 could，换一种句式，语言就有变化。

例1 Adding more vegetarian dishes would greatly benefit students who care about their health.

增加素菜会让关注健康的同学大大受益。

例2 Setting up more bike racks would greatly benefit students who ride to class.

多设一些自行车停放架会让骑车上课的同学大大受益。

也可以这样说

It would be helpful to ...

……会很有帮助

... would make a big difference to ...

……会给……带来很大的改变

⑥ make … a more … place 效果句

这个句式表达 表达“这些改变会让某地成为一个更……的地方”，在建议书结尾说出预期效果

公式 These changes / measures + would make + 地方 + a more + 形容词 + place for + 名词 / 动名词

范文原句 These changes would make the library a more welcoming place for learning

这些改变会让图书馆成为一个更温馨宜人的学习场所

make + 宾语 + 名词（a more welcoming place）是“使……成为……”；These changes 一词总括前面所有办法；welcoming 意思是“让人感到亲切、乐意来的”。结尾说出效果，建议书就完整了，也回扣了标题。

例1 These measures would make our canteen a more pleasant place for students to eat.

这些措施会让我们的食堂成为同学们更乐意去吃饭的地方。

例2 These changes would make our campus a safer place for everyone.

这些改变会让我们的校园对每个人来说都更安全。

也可以这样说

I believe these measures will ...

我相信这些措施会……

In this way, ... will become ...

这样，……就会成为……

10 亮点词汇

把普通说法换成高分说法

高分表达	意思	替代的普通说法
proposal	n. 建议；提议（书）	suggestion
frequent	adj. 经常的；频繁的	regular

release	v. 释放；放出	free up
electronic version	电子版	e-book
extend	v. 延长	lengthen
benefit	v. 使受益；对……有利	help
welcoming	adj. 温馨的；让人感到亲切的	friendly

关于丰富课外活动的建议

2022年6月大学英语四级 第2套 · 写作 Part I
建议书 · 范文 174 词

1 原题

Part I **Writing** **(30minutes)**

Directions: *Suppose you are going to write a proposal to your student union for enriching students' extracurricular activities. You are to write about what activities to organize and why. You will have 30 minutes to write the proposal. You should write at least 120 words but no more than 180 words.*

题目译文

假设你打算给学生会（student union）写一份建议书（proposal），目的是丰富学生的课外活动（enriching students' extracurricular activities）。

内容要写两点：① 组织哪些活动（what activities to organize）；② 为什么要组织这些活动（why）。

你有 30 分钟（30 minutes）写这份建议书（proposal）。

字数：至少 120 词（at least 120 words），但不超过 180 词（no more than 180 words）。

2 审题

先弄清楚要写什么，再动笔

应用文（建议书）：给学生会写一份丰富课外活动的建议书

120—180 词（题目要求 at least 120 words but no more than 180 words）；标题不计入字数，本篇正文 174 词。写到 160—180 词最稳，绝不能超过 180 词

- [ ] 写一个标题，点明这是一份关于丰富课外活动的建议书
- [ ] 开头说明现状（目前的活动太单一）和写建议书的目的
- [ ] 写出建议组织哪些活动（题目要求 what activities to organize），两三项为宜，每项说清具体做什么
- [ ] 每项活动都要说明为什么组织（题目要求 why），即对同学有什么好处
- [ ] 结尾总结这些活动的整体意义，礼貌收尾

语气与身份：正式、礼貌、积极：以普通同学的身份给学生会提建议，用 I would like to propose、could、I suggest、should 这类说法，不用命令的口气；说现状时客观陈述，不批评学生会

容易失分的地方

- 标题写在正文上方，实词首字母大写：A Proposal for Enriching Extracurricular Activities，句末不加句号
- 题目要求 what 和 why 两部分：只列活动、不说理由，等于只完成了一半要求；每项活动后面都要跟一句好处
- propose that 后面的从句用动词原形：propose that the student union organize …，不写 organizes
- 活动要具体：只写 more activities、interesting activities 太空泛，要写出是什么活动、多久一次、做什么
- “体育比赛”是 sports competitions，不写 sports games（总论中式英语黑名单）

3 题目要求逐条落实

每一条要求 → 范文里的哪一句

题目要求	范文原句	怎么做到的
写给学生会的建议书（标题）	A Proposal for Enriching Extracurricular Activities	标题用 A Proposal for + 动名词短语，直接用题目的 enriching extracurricular activities，文体和目的一目了然，写在正文上方，不计入字数。
说明现状，引出建议	Extracurricular activities are an important part of college life, but at present most of the activities on our campus are limited to sports competitions and evening shows.	先肯定课外活动重要，再用 but at present 指出现在的活动太单一，说明为什么需要“丰富”，建议就有了理由。
说明写建议书的目的	To make campus life more rewarding, I would like to propose that the student union organize the following activities.	用 To make campus life more rewarding 说明目的，用 the following activities 引出第二段，对象（学生会）也写清了。
活动一及理由	This would not only broaden their knowledge but also help them think critically and express themselves clearly.	第一项是读书会（每周聚会、分享书籍、交流想法），紧接着用一整句说理由：拓宽知识、学会批判性思考和清楚表达。
活动二及理由	These skills are seldom taught in class but are very useful in daily life and future careers.	第二项是实用技能工作坊（摄影、公开演讲、基础编程），理由是课堂上很少教、但生活和工作都用得上，正好补上课堂的空白。
活动三及理由	because they help students develop a sense of responsibility	第三项是志愿活动（给社区孩子辅导、去养老院帮忙），句末用 because 说出理由：培养责任感。三项活动都有“做什么 + 为什么”。

总结意义，礼貌收尾	These activities would appeal to students with different interests and help them grow into well-rounded individuals.	最后一段用 These activities 总括三项，说出整体意义（吸引不同兴趣的同学、促进全面发展），再用 I hope … worth trying 礼貌收尾。
字数 120—180 词	I hope the student union will find these ideas worth trying.	正文共 174 词（标题不计）：第一段 2 句，第二段 5 句，第三段 2 句，三项活动各占一两句，篇幅均衡，没有超过 180 词。

4 写作思路

先列提纲，每段一个任务

标题

点明文体和目的

A Proposal for Enriching Extracurricular Activities（关于丰富课外活动的建议），写在正文上方

第一段

说现状，提出建议

课外活动很重要 → 但现在大多只有体育比赛和晚会 → 为了让校园生活更有收获，建议学生会组织以下活动

第二段

三项活动，每项都说理由

第一，读书会（每周聚会、分享交流）→ 拓宽知识、批判性思考、清楚表达 → 第二，实用技能工作坊（摄影、演讲、编程）→ 课上很少教、生活工作都有用 → 第三，志愿活动（辅导孩子、养老院帮忙）→ 培养责任感

第三段

总结意义，礼貌收尾

这些活动吸引兴趣不同的同学，帮助他们全面发展 → 希望学生会觉得这些想法值得一试

5 满分范文

荧光笔 + 圆圈编号 = 下面讲的高分句式

[1] **A Proposal for Enriching Extracurricular Activities**

[2] Extracurricular activities are an important part of college life, but at present most of the activities on our campus are limited to sports competitions and evening shows①. [3] To make campus life more rewarding, I would like to propose that the student union organize the following activities②.

[4] First, the union could set up reading clubs in which students meet every week to share books and exchange ideas③. [5] This would not only broaden their knowledge but also help them think critically and express themselves clearly④. [6] Second, I suggest holding regular workshops on practical skills such as photography, public speaking and basic coding⑤. [7] These skills are seldom taught in class but are very useful in daily life and future careers⑥. [8] Third, volunteer activities, such as tutoring children in nearby communities or helping at local nursing homes, should also be organized regularly, because they help students develop a sense of responsibility.

[9] These activities would appeal to students with different interests and help them grow into well-rounded individuals⑦. [10] I hope the student union will find these ideas worth trying.

参考译文

关于丰富课外活动的建议

课外活动是大学生活的重要组成部分，但目前我们校园里的活动大多局限于体育比赛和晚会。为了让校园生活更有收获，我想建议学生会组织以下活动。

第一，学生会可以成立读书会，让同学们每周聚会，分享书籍、交流想法。这不仅能拓宽他们的知识面，还能帮助他们进行批判性思考，并清楚地表达自己。第二，我建议定期举办实用技能工作坊，比如摄影、公开演讲和基础编程。这些技能课堂上很少教，但在日常生活和未来的职业中非常有用。第三，还应该定期组织志愿活动，比如为附近社区的孩子辅导功课或者去本地的养老院帮忙，因为这些活动能帮助同学们培养责任感。

这些活动会吸引兴趣各不相同的同学，并帮助他们成长为全面发展的人。我希望学生会觉得这些想法值得一试。

6 一步一步写出这篇范文

01 写标题

用 A Proposal for + 动名词短语，直接借用题目里的 enriching extracurricular activities，实词首字母大写，写在正文上方。

> 1 A Proposal for Enriching Extracurricular Activities
> 关于丰富课外活动的建议

02 先肯定重要，再指出现状不足

用 … are an important part of college life 肯定课外活动的价值，再用 but at present … are limited to … 指出活动太单一，自然说明“为什么要丰富”。

> 2 Extracurricular activities are an important part of college life, but at present most of the activities on our campus are limited to sports competitions and evening shows.
> 课外活动是大学生活的重要组成部分，但目前我们校园里的活动大多局限于体育比赛和晚会。

03 说明目的，引出活动

用 To make campus life more rewarding 说目的，用 I would like to propose that the student union organize the following activities 提出建议，注意 organize 用动词原形。

> 3 To make campus life more rewarding, I would like to propose that the student union organize the following activities.
> 为了让校园生活更有收获，我想建议学生会组织以下活动。

04 活动一：读书会 + 好处

First 引出活动，用 in which 定语从句写清读书会做什么（每周聚会、分享书籍、交流想法）；下一句用 This would not only … but also … 写出两层好处。

> 4 First, the union could set up reading clubs in which students meet every week to share books and exchange ideas.
> 第一，学生会可以成立读书会，让同学们每周聚会，分享书籍、交流想法。
> 5 This would not only broaden their knowledge but also help them think critically and express themselves clearly.
> 这不仅能拓宽他们的知识面，还能帮助他们进行批判性思考，并清楚地表达自己。

05 活动二：技能工作坊 + 好处

Second 引出活动，用 I suggest holding … such as … 列出三种具体技能；下一句用 are seldom taught in class but are very useful … 说明理由，前后对比。

> 6 Second, I suggest holding regular workshops on practical skills such as photography, public speaking and basic coding.
> 第二，我建议定期举办实用技能工作坊，比如摄影、公开演讲和基础编程。
> 7 These skills are seldom taught in class but are very useful in daily life and future careers.
> 这些技能课堂上很少教，但在日常生活和未来的职业中非常有用。

06 活动三：志愿活动 + 好处

Third 引出活动，用 such as … or … 举出两个具体的志愿活动，用 should also be organized regularly 提建议，句末用 because 从句说出理由。一句话里“做什么 + 为什么”都有。

> 8 Third, volunteer activities, such as tutoring children in nearby communities or helping at local nursing homes, should also be organized regularly, because they help students develop a sense of responsibility.
> 第三，还应该定期组织志愿活动，比如为附近社区的孩子辅导功课或者去本地的养老院帮忙，因为这些活动能帮助同学们培养责任感。

07 总结意义，礼貌收尾

用 These activities would appeal to … and help them grow into … 总括三项活动的意义；最后用 I hope the student union will find these ideas worth trying. 礼貌结束。

> 9 These activities would appeal to students with different interests and help them grow into well-rounded individuals.
> 这些活动会吸引兴趣各不相同的同学，并帮助他们成长为全面发展的人。
> 10 I hope the student union will find these ideas worth trying.
> 我希望学生会觉得这些想法值得一试。

7 为什么是满分档

切题

题目要求写组织什么活动、为什么组织，范文三项活动个个都有“做什么 + 为什么”：读书会 → 拓宽知识、学会思考和表达，技能工作坊 → 课上不教、生活工作有用，志愿活动 → 培养责任感。开头先说活动太单一，回应题目的“丰富”；结尾说明活动能吸引兴趣不同的同学，再次扣题。题目的两项要求全部落实，内容具体充实，符合满分档“切题”的要求。

- A Proposal for Enriching Extracurricular Activities
- most of the activities on our campus are limited to sports competitions and evening shows
- I would like to propose that the student union organize the following activities
- This would not only broaden their knowledge but also help them think critically and express themselves clearly.
- These skills are seldom taught in class but are very useful in daily life and future careers.
- because they help students develop a sense of responsibility
- These activities would appeal to students with different interests

结构与连贯

三段各管一件事：第一段说现状和目的，第二段列活动，第三段总结。第二段用 First、Second、Third 排列三项活动，每项后面紧跟理由；This、These skills 回指上一句，句与句之间衔接紧密；第三段用 These activities 总括三项，再礼貌收尾。思路清晰、连接自然，体现了满分档的连贯性。

- but at present
- the following activities
- First
- This would not only
- Second
- These skills
- Third
- These activities

语言

句式多样而准确：propose that 从句用动词原形（organize），in which 定语从句写活动内容，not only … but also … 写两层好处，suggest holding 后接动名词，seldom … but … 形成对比，because 从句说理由。用词地道，如 more rewarding、broaden their knowledge、think critically、tutoring children、well-rounded individuals。全文没有语法错误，这正是满分档语言的样子。

- propose that the student union organize
- reading clubs in which students meet every week to share books and exchange ideas
- think critically and express themselves clearly
- I suggest holding regular workshops on practical skills
- tutoring children in nearby communities or helping at local nursing homes
- grow into well-rounded individuals

8 升格示范

普通写法一步一步改成满分句

升格 1

第 1 步 Reading clubs are very good for students.
只说“很好”，好在哪里没说出来，等于没有回答题目的 why。

第 2 步 This would broaden their knowledge.
用 This 回指读书会，说出了一个具体好处（拓宽知识）；但只有一层，理由还不够充分。

第 3 步 This would not only broaden their knowledge but also improve their abilities.
用 not only … but also … 写出两层好处；但 improve their abilities 太空泛（总论黑名单），最后改成 help them think critically and express themselves clearly，写出具体是哪两种能力。

满分句 **This would not only broaden their knowledge but also help them think critically and express themselves clearly.**

升格 2

第 1 步 Second, we can learn some useful skills.
看不出要组织什么活动，也看不出是什么技能，建议无法执行。

第 2 步 Second, I suggest holding workshops on practical skills.
有了具体的活动形式（工作坊），suggest 后面正确地接了动名词 holding；但 practical skills 还是抽象。

第 3 步 Second, I suggest holding workshops on practical skills such as photography and coding.
用 such as 举出具体技能，建议一下子清楚了；最后加上 regular（定期）、补上 public speaking、把 coding 写成 basic coding，三个例子更完整，也说明活动是长期的。

满分句 **Second, I suggest holding regular workshops on practical skills such as photography, public speaking and basic coding.**

升格 3

第 1 步 These activities are interesting and useful.
结尾太笼统，interesting and useful 什么都没说清楚，也没有回应题目的“丰富”。

第 2 步 These activities would attract many students and help them grow.
说出了“吸引同学”和“帮助成长”两层意义；但 many students、grow 还不够具体。

第 3 步 These activities would appeal to students with different interests and help them grow.
with different interests 说明活动种类多，正好回应“丰富”，appeal to 也比 attract 更贴切（强调活动正合同学们的兴趣）；最后补上 into well-rounded individuals，说出成长的方向（全面发展），结尾更有分量。

满分句 **These activities would appeal to students with different interests and help them grow into well-rounded individuals.**

9 高分句式

公式 → 原句 → 讲解 → 仿写

① …, but at present … are limited to 现状转折句

这个句式表达 表达“……很重要，但目前……只局限于……”，先肯定再指出不足，引出建议

公式 A + is / are an important part of + 名词, but at present + 主语 + are limited to + 名词 …

范文原句 Extracurricular activities are an important part of college life, but at present most of the activities on our campus are limited to sports competitions and evening shows

课外活动是大学生活的重要组成部分，但目前我们校园里的活动大多局限于体育比赛和晚会

前半句肯定话题的重要性，后半句用 but at present 转到现状的不足。be limited to 意思是“局限于”，说明活动种类太少，正好引出“丰富”的建议。先肯定、后指出问题，语气客观，不像在抱怨。

例1 Sports are an important part of student life, but at present our sports facilities are limited to a few basketball courts.

体育运动是学生生活的重要组成部分，但目前我们的体育设施只有几个篮球场。

例2 Reading is an important part of learning, but at present most students' reading is limited to textbooks.

阅读是学习的重要组成部分，但目前大多数同学的阅读只局限于课本。

也可以这样说

However, there is still room for improvement.

然而，仍有改进的空间。

... mainly consist of ...

……主要由……组成

② propose that … do 建议句

这个句式表达 表达“我想建议某人做某事”，正式地提出建议

公式 I would like to propose that + 主语 + 动词原形 …（从句里不用三单、不用过去时）

范文原句 I would like to propose that the student union organize the following activities

我想建议学生会组织以下活动

propose、suggest 后面的 that 从句表示“建议做的事”，谓语用动词原形（其实是省略了 should）：the student union organize，不写 organizes。the following activities 意思是“以下活动”，引出下一段。这是建议书里最正式、也最容易写错的一句。

例1 I would like to propose that the school open the gym on weekends.

我想建议学校周末开放体育馆。

例2 I would like to suggest that every class hold a reading week each term.

我想建议每个班每学期举办一次读书周。

也可以这样说

I suggest that ... (should) ...

我建议……

It would be a good idea for ... to ...

……做……会是个好主意

③ in which 定语从句

这个句式表达 表达“一种……，在其中人们……”，把一项活动具体做什么说清楚

公式 名词（活动、场所）+ in which + 主语 + 谓语 + to do …

范文原句 set up reading clubs in which students meet every week to share books and exchange ideas

成立读书会，让同学们每周聚会，分享书籍、交流想法

in which 引导定语从句修饰 reading clubs，说明读书会里同学们做什么；every week 写出频率，to share books and exchange ideas 写出目的。比只写 set up reading clubs 具体得多，读者能想象出活动的样子。

例1 The school could set up a language corner in which students practice speaking English every Friday.

学校可以设立一个英语角，让同学们每周五在那里练习说英语。

例2 We could hold a cooking class in which students learn to make simple and healthy meals.

我们可以开一门烹饪课，让同学们学做简单健康的饭菜。

也可以这样说

... where students can ...

……，同学们可以在那里……

..., so that students can ...

……，以便同学们能……

④ not only … but also 双重好处句

这个句式表达 表达“这不仅能……，还能……”，说明一项活动带来的两层好处

公式 This would not only + 动词1 … but also + 动词2 …

范文原句 This would not only broaden their knowledge but also help them think critically and express themselves clearly

这不仅能拓宽他们的知识面，还能帮助他们进行批判性思考，并清楚地表达自己

This 指上一句的读书会；not only … but also … 连接两个动词短语，第一层是知识（broaden their knowledge），第二层是能力（think critically、express themselves clearly），层层递进。would 表示“如果这样做，就会”，是建议书里说好处的常用语气。

例1 This would not only make the canteen less crowded but also save students' time.
这不仅能让食堂没那么拥挤，还能节省同学们的时间。

例2 Joining a sports team would not only keep students fit but also teach them teamwork.
加入运动队不仅能让同学们保持健康，还能教会他们团队合作。

也可以这样说

This would help students ... as well as ...
这能帮助同学们……，还能……

In addition to ..., it would also ...
除了……，它还能……

⑤ I suggest doing ... such as 举例建议句

这个句式表达 表达“我建议做某事，比如……”，提出建议并马上举出具体例子

公式 I suggest + 动名词 … + such as + 例子1, 例子2 and 例子3

范文原句 I suggest holding regular workshops on practical skills such as photography, public speaking and basic coding
我建议定期举办实用技能工作坊，比如摄影、公开演讲和基础编程

suggest 后面直接接动名词（holding），不接 to do；such as 后面列出三个具体技能，让 practical skills 不再空泛。regular 写出“定期”，建议就更像一个可以执行的计划。

例1 I suggest offering more elective courses such as music, painting and drama.
我建议多开一些选修课，比如音乐、绘画和戏剧。

例2 I suggest organizing outdoor activities such as hiking, cycling and camping.
我建议组织户外活动，比如徒步、骑行和露营。

也可以这样说

It would be helpful to hold ...
举办……会很有帮助

..., including ...
……，包括……

⑥ are seldom … but are very useful 对比理由句

这个句式表达 表达“这些……课上很少……，但在……中非常有用”，用对比说明一项活动为什么值得做

公式 These + 名词 + are seldom + 过去分词 + in class but are very useful in + 场合1 and 场合2

范文原句 These skills are seldom taught in class but are very useful in daily life and future careers

这些技能课堂上很少教，但在日常生活和未来的职业中非常有用

seldom 意思是“很少”，和 but are very useful 形成对比：课上学不到，生活工作又用得上，所以学生会应该组织。用一句对比说理由，比只说 They are useful 有力得多。

例1 Cooking and first aid are seldom taught at school but are very useful in everyday life.

烹饪和急救在学校里很少教，但在日常生活中非常有用。

例2 Such abilities are seldom tested in exams but are very important in the workplace.

这样的能力考试很少考，但在职场上非常重要。

也可以这样说

Although ... are not taught in class, they are ...

虽然……课上不教，但它们……

... fill a gap in our regular courses

……弥补了常规课程的空白

⑦ appeal to … and help them grow into 总结意义句

这个句式表达 表达“这些活动会吸引……，并帮助他们成长为……”，在结尾总结建议的整体意义

公式 These activities would appeal to + 人 + and help them grow into + 名词

范文原句 These activities would appeal to students with different interests and help them grow into well-rounded individuals

这些活动会吸引兴趣各不相同的同学，并帮助他们成长为全面发展的人

appeal to 意思是“吸引”，students with different interests 说明活动种类多、人人都能找到喜欢的，正好回应“丰富”；grow into well-rounded individuals 说明长远的意义。用 These activities 总括前面三项，结尾就收住了。

例1 These clubs would appeal to students of all majors and help them grow into confident speakers.

这些社团会吸引各个专业的同学，并帮助他们成长为自信的演讲者。

例2 Such programs would appeal to young people and help them grow into responsible citizens.

这样的项目会吸引年轻人，并帮助他们成长为有责任感的公民。

也可以这样说

... would attract ...

……会吸引……

... would contribute to students' all-round development

……会促进同学们的全面发展

10 亮点词汇

把普通说法换成高分说法

高分表达	意思	替代的普通说法
extracurricular	adj. 课外的	after-class
be limited to	局限于；仅限于	only include
rewarding	adj. 有收获的；值得做的	worthwhile
broaden	v. 拓宽；扩大	widen
critically	adv. 批判性地	carefully and independently
workshop	n. 工作坊；研讨会	training class
seldom	adv. 很少	rarely
tutor	v. 辅导	teach
appeal to	吸引；对……有吸引力	attract
well-rounded	adj. 全面发展的	all-round

关于新生入学教育活动的建议

2021年12月大学英语四级 第1套 · 写作 Part I
建议书 · 范文 177 词

1 原题

Part I **Writing** **(30minutes)**

Directions: *Suppose your school is organizing an orientation program to help the freshmen adapt to the new environment and academic studies. You are now to write a proposal, which may include its aim, duration, participants and activities. You will have 30 minutes to write the proposal. You should write at least 120 words but no more than 180 words.*

题目译文

假设你们学校正在组织一个新生入学引导项目（orientation program），帮助新生（freshmen）适应新的环境和大学的学习（adapt to the new environment and academic studies）。

现在请你为这个项目写一份建议书（proposal），内容可以包括（may include）：项目的目的（aim）、时长（duration）、参加人员（participants）和活动安排（activities）。

你有 30 分钟（30 minutes）写这份建议书（proposal）。

字数：至少 120 词（at least 120 words），但不超过 180 词（no more than 180 words）。

2 审题

先弄清楚要写什么，再动笔

应用文（建议书）：为学校的新生入学教育活动写一份建议书

120—180 词（题目要求 at least 120 words but no more than 180 words）；标题不计入字数，本篇正文 177 词。写到 160—180 词最稳，绝不能超过 180 词

- [ ] 写一个标题，点明这是一份关于新生入学教育活动的建议书
- [ ] 写出活动的目的（aim）：帮助新生适应新环境和大学学习
- [ ] 写出活动的时长（duration）：什么时候开始、持续多久
- [ ] 写出参与者（participants）：谁组织、谁参加、还请谁来
- [ ] 写出活动内容（activities）：按时间顺序列出几项具体安排，最后表达信心、礼貌收尾

语气与身份：正式、清楚、有条理：建议书写的是还没举办的活动，通篇用一般将来时 will 描述安排；语气积极、肯定，像一份可以直接执行的计划

容易失分的地方

- 标题写在正文上方，实词首字母大写：A Proposal for a Freshman Orientation Program，句末不加句号
- 题目列出的 aim、duration、participants、activities 四项，每一项都要在文中找得到，漏掉一项就是没有完全切题
- 活动还没举办，描述安排要用一般将来时 will，不要写成过去时（写报告才用过去时）
- 活动不要只写 some activities，要写出具体做什么、谁来做，最好按时间顺序（On the first day、Next、Then、Finally）
- adapt to 后面接名词：adapt to their new environment，不写 adapt the new environment

3 题目要求逐条落实

每一条要求 → 范文里的哪一句

题目要求	范文原句	怎么做到的
建议书（标题）	A Proposal for a Freshman Orientation Program	标题用 A Proposal for + 名词短语，点明文体和内容（新生入学教育活动），写在正文上方，不计入字数。
活动目的（aim）	To help freshmen adapt to their new environment and academic studies as quickly as possible	第一段开头就用 To help … 说出目的，几乎就是题目里的原意，用自己的话写出来，并加上 as quickly as possible。
活动时长（duration）	The program will last one week, starting on the day after registration.	第二段第一句写清持续多久（一周）和从哪天开始（报到后第二天），开学时间第一段也交代了（at the start of the coming semester）。
参与者（participants）	It will be organized by the Student Affairs Office with the help of student volunteers, and all freshmen are expected to take part.	组织者（学生事务处和学生志愿者）、参加者（全体新生）写在一句里，下一句再补上受邀的老师和高年级学生，参与者交代得很完整。
活动内容（activities）	The program will include a variety of activities.	第三段先总起，再按时间顺序列出四项：参观校园、老师介绍课程和学习方法、学长学姐分享经验、欢迎会。每项都写清做什么，大多还用 to do、so that 说出为什么。
活动与目的对应	teachers will hold meetings to introduce the curriculum, credit requirements and effective study methods	题目说的是适应“新环境”和“大学学习”两方面：参观校园、欢迎会对应新环境，老师讲课程和学习方法对应学习，学长学姐的经验两方面都管。

表达信心，收尾	I am confident that this program will help freshmen settle in smoothly and get off to a good start in college.	最后一段用 I am confident that … 说出预期效果，回扣第一段的目的，首尾呼应。
字数 120—180 词	The program will include a variety of activities.	正文共 177 词（标题不计）：目的 1 句，时长和参与者 3 句，活动 5 句，结尾 1 句，题目的四项要求篇幅都照顾到了，没有超过 180 词。

4 写作思路

先列提纲，每段一个任务

标题

点明文体和内容

A Proposal for a Freshman Orientation Program（关于新生入学教育活动的建议），写在正文上方

第一段

目的（aim）

为了帮助新生尽快适应新环境和大学学习 → 建议在下学期开学时举办入学教育活动

第二段

时长和参与者（duration、participants）

为期一周，报到后第二天开始 → 学生事务处组织、学生志愿者协助，全体新生参加 → 各院系老师和高年级学生受邀参加

第三段

活动内容（activities）

总起：多种多样的活动 → 第一天参观校园，熟悉图书馆、实验室、食堂、医务室 → 老师介绍课程、学分要求和学习方法 → 高年级学生分享经验、分组答疑 → 欢迎会结交新朋友

第四段

表达信心

相信这项活动能帮助新生顺利适应，在大学开个好头

5 满分范文

荧光笔 + 圆圈编号 = 下面讲的高分句式

[1] **A Proposal for a Freshman Orientation Program**

[2] To help freshmen adapt to their new environment and academic studies as quickly as possible, I would like to propose an orientation program at the start of the coming semester①.

[3] The program will last one week, starting on the day after registration②. [4] It will be organized by the Student Affairs Office with the help of student volunteers, and all freshmen are expected to take part③. [5] Teachers from each department and senior students will also be invited.

[6] The program will include a variety of activities. [7] On the first day, freshmen will take a guided tour of the campus to become familiar with the library, laboratories, canteens and the medical center④. [8] Next, teachers will hold meetings to introduce the curriculum, credit requirements and effective study methods. [9] Then senior students will share tips on balancing study and social life and

answer questions in small groups⑤. [10] Finally, a welcome party will be held so that freshmen can make new friends⑥.

[11] I am confident that this program will help freshmen settle in smoothly and get off to a good start in college⑦.

参考译文

关于新生入学教育活动的建议

为了帮助新生尽快适应新环境和大学学习，我想建议在下学期开学时举办一次入学教育活动。

活动为期一周，从报到后的第二天开始。活动将由学生事务处在学生志愿者的协助下组织，全体新生都要参加。各院系的老师和高年级学生也会受邀参加。

活动将包括多种多样的内容。第一天，新生将在引导下参观校园，熟悉图书馆、实验室、食堂和医务室。接下来，老师们会召开会议，介绍课程设置、学分要求和有效的学习方法。然后，高年级学生会分享兼顾学习和社交生活的诀窍，并分小组回答问题。最后，将举行一场欢迎会，让新生结交新朋友。

我相信这项活动将帮助新生顺利适应大学生活，并在大学里开个好头。

6 一步一步写出这篇范文

01 写标题

用 A Proposal for a Freshman Orientation Program，freshman 在这里作定语用单数，实词首字母大写，写在正文上方。

> 1 A Proposal for a Freshman Orientation Program
> 关于新生入学教育活动的建议

02 第一句同时写出目的和建议

用 To help freshmen adapt to … as quickly as possible 开头说目的（aim），主句 I would like to propose an orientation program 提出建议，句末 at the start of the coming semester 交代时间。

> 2 To help freshmen adapt to their new environment and academic studies as quickly as possible, I would like to propose an orientation program at the start of the coming semester.
> 为了帮助新生尽快适应新环境和大学学习，我想建议在下学期开学时举办一次入学教育活动。

03 写时长

用 The program will last one week 写持续多久，再用现在分词短语 starting on the day after registration 补充从哪天开始，一句话写清 duration。

> 3 The program will last one week, starting on the day after registration.
> 活动为期一周，从报到后的第二天开始。

04 写参与者

用被动语态 It will be organized by … with the help of … 写组织者，用 all freshmen are expected to take part 写参加者；下一句用 will also be invited 补上受邀的老师和高年级学生。

> 4 It will be organized by the Student Affairs Office with the help of student volunteers, and all freshmen are expected to take part.
> 活动将由学生事务处在学生志愿者的协助下组织，全体新生都要参加。
> 5 Teachers from each department and senior students will also be invited.
> 各院系的老师和高年级学生也会受邀参加。

05 总起活动，按时间顺序列出

先用 The program will include a variety of activities. 总起；再用 On the first day、Next、Then、Finally 按时间顺序写四项活动，参观校园、老师讲解、欢迎会分别用 to do 或 so that 说明目的。

> 6 The program will include a variety of activities.
> 活动将包括多种多样的内容。
> 7 On the first day, freshmen will take a guided tour of the campus to become familiar with the library, laboratories, canteens and the medical center.
> 第一天，新生将在引导下参观校园，熟悉图书馆、实验室、食堂和医务室。
> 8 Next, teachers will hold meetings to introduce the curriculum, credit requirements and effective study methods.
> 接下来，老师们会召开会议，介绍课程设置、学分要求和有效的学习方法。
> 9 Then senior students will share tips on balancing study and social life and answer questions in small groups.
> 然后，高年级学生会分享兼顾学习和社交生活的诀窍，并分小组回答问题。
> 10 Finally, a welcome party will be held so that freshmen can make new friends.
> 最后，将举行一场欢迎会，让新生结交新朋友。

06 表达信心，首尾呼应

用 I am confident that this program will help freshmen … 收尾，settle in smoothly 和 get off to a good start 回扣第一段的“尽快适应”。

> 11 I am confident that this program will help freshmen settle in smoothly and get off to a good start in college.
> 我相信这项活动将帮助新生顺利适应大学生活，并在大学里开个好头。

7 为什么是满分档

切题

题目提示的四项内容一项不漏：目的（帮助新生尽快适应新环境和学习）、时长（一周，报到后第二天开始）、参与者（学生事务处组织、志愿者协助、全体新生参加、老师和高年级学生受邀）、活动（参观校园、介绍课程、分享经验、欢迎会）。而且每项活动都对得上目的，结尾回扣目的，内容完整具体，符合满分档“切题、内容充实”的要求。

To help freshmen adapt to their new environment and academic studies as quickly as possible

The program will last one week, starting on the day after registration.

all freshmen are expected to take part

Teachers from each department and senior students will also be invited.

The program will include a variety of activities.

I am confident that this program will help freshmen settle in smoothly

结构与连贯

按题目提示的顺序分段：第一段目的，第二段时长和参与者，第三段活动，第四段收尾，每段各管一件事。活动部分先总起，再用 On the first day、Next、Then、Finally 按时间顺序排列，读者像看日程表一样清楚；It、The program 反复回指活动，also 补充参与者。条理清楚、衔接自然，这是满分档在结构上的表现。

The program will last one week

It will be organized by

will also be invited

The program will include a variety of activities.

On the first day

Next

Then

Finally

语言

通篇用一般将来时描述还没举办的活动，时态统一准确。句式多样：不定式作目的状语、现在分词短语补充时间、被动语态 will be organized by、will be held so that 目的从句。用词地道准确，如 adapt to、the day after registration、take a guided tour、credit requirements、balancing study and social life、settle in smoothly、get off to a good start。没有语法错误，符合满分档对语言的要求。

as quickly as possible

starting on the day after registration

with the help of student volunteers

take a guided tour of the campus to become familiar with

credit requirements and effective study methods

a welcome party will be held so that freshmen can make new friends

get off to a good start in college

8 升格示范

普通写法一步一步改成满分句

升格 1

第 1 步 The school will organize it and all freshmen must join it.
参与者写到了，但 the school 太笼统，must 有命令的口气，句子也平淡。

第 2 步 It will be organized by the Student Affairs Office, and all freshmen are expected to take part.
用被动语态突出活动由谁组织，写出具体部门；are expected to take part 比 must join 委婉、正式。

第 3 步 It will be organized by the Student Affairs Office with the help of volunteers, and all freshmen are expected to take part.
加上 with the help of volunteers，参与者更完整；最后写成 student volunteers，说明是学生帮学生，更贴近新生。

满分句 **It will be organized by the Student Affairs Office with the help of student volunteers, and all freshmen are expected to take part.**

升格 2

第 1 步 First, freshmen will visit the campus.
活动有了，但看不出为什么参观、参观哪里。

第 2 步 On the first day, freshmen will take a guided tour of the campus.
On the first day 写出时间，和后面的 Next、Then、Finally 组成日程；take a guided tour 写出“有人带着参观”，比 visit 具体。

第 3 步 On the first day, freshmen will take a guided tour of the campus to become familiar with it.
加上 to become familiar with 说出目的；最后把 it 换成 the library, laboratories, canteens and the medical center，列出新生最常去的四个地方，活动就具体可感了。

满分句 **On the first day, freshmen will take a guided tour of the campus to become familiar with the library, laboratories, canteens and the medical center.**

升格 3

第 1 步 I think this program is very helpful.
结尾太普通，helpful 对谁、有什么帮助都没说，也没有回扣目的。

第 2 步 I am confident that this program will help freshmen adapt to college life.
I am confident that 比 I think 更肯定；help freshmen adapt to college life 说出效果，回扣第一段。

第 3 步 I am confident that this program will help freshmen settle in smoothly.
settle in smoothly（顺利安顿下来）比重复 adapt to 更有变化；最后再补上 and get off to a good start in college，从“适应”上升到“开个好头”，结尾更有分量。

满分句 **I am confident that this program will help freshmen settle in smoothly and get off to a good start in college.**

① To help … I would like to propose 目的建议句

这个句式表达 表达“为了帮助……，我想建议举办……”，在建议书开头一句话说出目的和建议

公式 To help + 人 + 动词原形 … (as quickly as possible), I would like to propose + 名词 + 时间

范文原句 To help freshmen adapt to their new environment and academic studies as quickly as possible, I would like to propose an orientation program at the start of the coming semester

为了帮助新生尽快适应新环境和大学学习，我想建议在下学期开学时举办一次入学教育活动

不定式 To help … 放句首表示目的，读者第一眼就知道“为什么要办”；help 后面直接接动词原形 adapt；adapt to 意思是“适应”，后接名词。主句 I would like to propose 后面直接接名词（an orientation program）。目的、建议、时间一句写完，开头干净利落。

例1 To help students relax before exams, I would like to propose a music night at the end of this month.
为了帮助同学们考前放松，我想建议在本月底举办一场音乐晚会。

例2 To help international students learn about Chinese culture, I would like to propose a culture week next term.
为了帮助留学生了解中国文化，我想建议下学期举办一个文化周。

也可以这样说

In order to ..., I suggest that we ...
为了……，我建议我们……

The aim of the program is to ...
这项活动的目的是……

② will last …, starting on 时长句

这个句式表达 表达“活动将持续多久，从某天开始”，交代活动的时间安排

公式 The program / event + will last + 时长, starting on / in + 时间

范文原句 The program will last one week, starting on the day after registration

活动为期一周，从报到后的第二天开始

last 在这里是动词“持续”，后面直接接时长，不加 for 也可以；starting on … 是现在分词短语，补充开始的时间，比再写一句 It will start on … 更紧凑。the day after registration 意思是“报到后的第二天”。

例1 The book fair will last three days, starting on the first Monday of May.
书市将持续三天，从五月的第一个星期一开始。

例2 The training course will last two weeks, starting on the day after the final exam.
培训课程将持续两周，从期末考试后的第二天开始。

也可以这样说

The program will run from ... to ...

活动将从……持续到……

It will take place over ...

活动将持续……

③ be organized by … with the help of 组织者句

这个句式表达 表达“活动将由……在……的协助下组织，……都要参加”，交代组织者和参与者

公式 It will be organized by + 组织者 + with the help of + 协助者, and all + 人 + are expected to take part

范文原句 It will be organized by the Student Affairs Office with the help of student volunteers, and all freshmen are expected to take part

活动将由学生事务处在学生志愿者的协助下组织，全体新生都要参加

被动语态 will be organized by 突出“活动由谁组织”；with the help of 补充协助者；and 后面的 are expected to take part 意思是“应当参加”，比 must take part 委婉。一句话里组织者、协助者、参加者全写到了，题目的 participants 一次落实。

例1 The sports meeting will be organized by the student union with the help of PE teachers, and all classes are expected to take part.

运动会将由学生会在体育老师的协助下组织，各班都要参加。

例2 The tree-planting day will be organized by the Youth League with the help of local volunteers, and all first-year students are expected to join.

植树日将由团委在当地志愿者的协助下组织，全体一年级学生都要参加。

也可以这样说

The program is open to all ...

活动面向全体……

... will be in charge of ...

……将负责……

④ take a guided tour … to become familiar with 目的活动句

这个句式表达 表达“在引导下参观……，以便熟悉……”，写一项活动并说出它的目的

公式 主语 + will take a guided tour of + 地方 + to become familiar with + A, B, C and D

范文原句 freshmen will take a guided tour of the campus to become familiar with the library, laboratories, canteens and the medical center

新生将在引导下参观校园，熟悉图书馆、实验室、食堂和医务室

take a guided tour of 意思是“在引导下参观”；后面的不定式 to become familiar with 说出参观的目的；列出四个具体地点，活动一下子就具体了。be / become familiar with 意思是“熟悉”，是四级常用短语。

例1 Visitors will take a guided tour of the museum to become familiar with the history of the city.
参观者将在讲解员带领下参观博物馆，了解这座城市的历史。

例2 New members will take a guided tour of the club to become familiar with its rules and equipment.
新会员将在引导下参观俱乐部，熟悉它的规章和器材。

也可以这样说

... will be shown around ...
……将被带着参观……

... to get to know ...
……以便了解……

⑤ share tips on doing 经验分享句

这个句式表达 表达“分享做某事的诀窍，并回答问题”，写一项交流类活动

公式 主语 + will share tips on + 动名词 … and answer questions in small groups

范文原句 senior students will share tips on balancing study and social life and answer questions in small groups

高年级学生会分享兼顾学习和社交生活的诀窍，并分小组回答问题

share tips on 后面接动名词（balancing），意思是“分享做某事的诀窍”；balance study and social life 意思是“兼顾学习和社交”，正是新生最关心的问题；and answer questions in small groups 写出活动形式。两个动词并列，交流活动写得很生动。

例1 Graduates will share tips on preparing for job interviews and answer questions in small groups.
毕业生将分享准备求职面试的诀窍，并分小组回答问题。

例2 Top students will share tips on improving English listening and answer questions from younger students.
优秀学生将分享提高英语听力的诀窍，并回答低年级同学的问题。

也可以这样说

... will talk about their own experience of ...

……将谈谈自己……的经验

... will give advice on ...

……将就……提出建议

⑥ will be held so that 目的被动句

这个句式表达 表达“将举办……，以便……”，写一项活动及其目的

公式 a / an + 活动 + will be held so that + 主语 + can + 动词原形 …

范文原句 a welcome party will be held so that freshmen can make new friends

将举行一场欢迎会，让新生结交新朋友

will be held 是被动语态“将被举办”，活动作主语，不用说出谁办；so that 引导目的状语从句，从句里常用 can。前面几项活动用 to do 说目的，这一项换成 so that，句式有变化。

例1 A suggestion box will be set up so that students can share their ideas freely.

将设一个意见箱，让同学们能自由地提出想法。

例2 An online group will be created so that parents can keep in touch with teachers.

将建一个网上群，方便家长和老师保持联系。

也可以这样说

..., in order that ...

……，以便……

..., which will give ... a chance to ...

……，这会给……一个……的机会

⑦ I am confident that … get off to a good start 信心收尾句

这个句式表达 表达“我相信……会帮助……顺利适应，开个好头”，在建议书结尾说出预期效果

公式 I am confident that + 活动 + will help + 人 + 动词原形 … and get off to a good start in + 名词

范文原句 I am confident that this program will help freshmen settle in smoothly and get off to a good start in college

我相信这项活动将帮助新生顺利适应大学生活，并在大学里开个好头

I am confident that 意思是“我相信”，比 I think 更肯定、更正式；settle in 意思是“适应新环境、安顿下来”；get off to a good start 意思是“开个好头”，地道又形象。说出效果，正好回扣第一段的目的。

例1 I am confident that this training will help new members settle in quickly and get off to a good start.

我相信这次培训会帮助新成员尽快适应，开个好头。

例2 I am confident that the activity will help students relieve stress and enjoy their campus life.
我相信这项活动会帮助同学们缓解压力，享受校园生活。

也可以这样说

I believe that ... will ...
我相信……会……

I hope my proposal will be considered.
希望我的建议能被考虑。

10 亮点词汇

把普通说法换成高分说法

高分表达	意思	替代的普通说法
freshman	n. 大学一年级学生；新生	first-year student
orientation	n. 入学教育；（新人的）情况介绍	introduction
adapt to	适应	get used to
registration	n. 报到；注册	enrollment
be expected to	应当；被期望	should
familiar	adj. 熟悉的（become familiar with 熟悉）	get to know
curriculum	n. 课程设置	courses
credit	n. 学分	points
settle in	适应新环境；安顿下来	feel at home
get off to a good start	开个好头	start well

关于组织演讲比赛的建议

2021年12月大学英语四级 第2套 · 写作 Part I

建议书 · 范文 176 词

1 原题

Part I **Writing** **(30minutes)**

Directions: *Suppose your university student union is planning to hold a speech contest. You are now to write a proposal for organizing the contest. The proposal may include the topic, aim , procedure and selection of contestants. You will have 30 minutes to write the proposal. You should write at least 120 words but no more than 180 words.*

题目译文

假设你们学校的学生会（student union）打算举办一场演讲比赛（speech contest）。

现在请你写一份组织这场比赛的建议书（a proposal for organizing the contest）。

建议书可以包括（may include）：比赛的主题（topic）、目的（aim）、流程（procedure）以及选手的选拔办法（selection of contestants）。

你有 30 分钟（30 minutes）写这份建议书（proposal）。

字数：至少 120 词（at least 120 words），但不超过 180 词（no more than 180 words）。

2 审题

先弄清楚要写什么，再动笔

应用文（建议书）：为学生会举办演讲比赛写一份组织方案

120—180 词（题目要求 at least 120 words but no more than 180 words）；标题不计入字数，本篇正文 176 词。写到 160—180 词最稳，绝不能超过 180 词

- [ ] 写一个标题，点明这是一份关于组织演讲比赛的建议书
- [ ] 开头交代背景（学生会要办演讲比赛）和写作目的（提出组织方案）
- [ ] 写出比赛的主题（topic）和目的（aim）
- [ ] 写出选手怎么选拔（selection of contestants）和比赛流程（procedure）
- [ ] 结尾说明比赛的意义，礼貌收尾

语气与身份：正式、清楚、有条理：写的是还没举办的比赛，通篇用一般将来时 will 描述安排；像一份可以直接照着执行的方案，时间、地点、人数、规则都写具体

容易失分的地方

- 标题写在正文上方，实词首字母大写：A Proposal for Organizing a Speech Contest，句末不加句号
- 题目提示的 topic、aim、procedure、selection of contestants 四项都要写到，而且最好用 The topic、The aim、As for the procedure 这样的词直接点明，阅卷老师一眼就能找到
- 主题要写出具体的题目，并用引号括起来，实词首字母大写：“My Dream and My Responsibility”；只写 an interesting topic 等于没写
- 比赛还没办，描述安排一律用 will，不要混进过去时
- 流程要写具体：在哪里、什么时候、每人讲几分钟、怎么评分、怎么奖励，避免只写 There will be a final.

3 题目要求逐条落实

每一条要求 → 范文里的哪一句

题目要求	范文原句	怎么做到的
建议书（标题）	A Proposal for Organizing a Speech Contest	标题用 A Proposal for + 动名词短语，紧扣题目的 a proposal for organizing the contest，写在正文上方，不计入字数。
交代背景和目的	Our student union is planning to hold a speech contest this semester.	第一段两句：先说学生会要办演讲比赛（背景），再用 Here is my proposal for organizing it. 说明写作目的，简洁明了。
比赛主题（topic）	The topic of the contest will be “My Dream and My Responsibility,”	用 The topic 开头直接点明主题，给出具体题目，并用 which 从句说明这个主题能让同学们思考什么。
比赛目的（aim）	The aim is to improve students’ public speaking skills, build their confidence and make campus life more vibrant.	用 The aim is to 点明目的，三个并列的动词短语从能力、自信到校园生活，写得具体而全面。
选手选拔（selection of contestants）	The contest will be open to all students, and contestants will be selected in two rounds.	先说比赛面向全体学生，再说分两轮选拔；下一句写清初赛的做法：各院系初赛，每院系推荐两名选手进入决赛。
比赛流程（procedure）	As for the procedure, the final will be held in the university auditorium in late November.	用 As for the procedure 直接点题，再写时间、地点、每人五分钟备稿演讲加一个评委提问、评分标准和奖励，流程完整具体。
说明意义，礼貌收尾	The contest will be a valuable opportunity for students to show their talents and learn from one another.	最后一段先说比赛的意义（展示才华、互相学习），再用 I hope my proposal will be helpful. 礼貌收尾。

字数 120—180 词	Here is my proposal for organizing it.	正文共 176 词（标题不计）：开头 2 句，主题和目的 2 句，选拔和流程 5 句，结尾 2 句，题目四项要求都写到了，没有超过 180 词。

4 写作思路

先列提纲，每段一个任务

标题

点明文体和内容

A Proposal for Organizing a Speech Contest（关于组织演讲比赛的建议），写在正文上方

第一段

背景和目的

学生会本学期要办演讲比赛 → 下面是我的组织方案

第二段

主题和目的（topic、aim）

主题：“我的梦想与我的责任”，鼓励同学们思考目标和社会角色 → 目的：提高公开演讲能力、增强自信、让校园生活更有活力

第三段

选拔和流程（selection、procedure）

面向全体学生，两轮选拔 → 各院系初赛，推荐两人进决赛 → 决赛十一月下旬在礼堂举行 → 五分钟备稿演讲 + 回答评委一个问题 → 教师评审团按内容、语言、表达打分，前三名获证书和奖品

第四段

意义和收尾

比赛是展示才华、互相学习的宝贵机会 → 希望我的建议有帮助

5 满分范文

荧光笔 + 圆圈编号 = 下面讲的高分句式

[1] **A Proposal for Organizing a Speech Contest**

[2] Our student union is planning to hold a speech contest this semester. [3] Here is my proposal for organizing it.

[4] The topic of the contest will be “My Dream and My Responsibility,” which encourages students to think about their goals and the role they can play in society①. [5] The aim is to improve students’ public speaking skills, build their confidence and make campus life more vibrant②.

[6] The contest will be open to all students, and contestants will be selected in two rounds③. [7] Each department will hold a preliminary round and recommend two speakers for the final. [8] As for the procedure, the final will be held in the university auditorium in late November④. [9] Each contestant will give a five-minute prepared speech and then answer a question from the judges. [10] A panel of teachers will score the speeches based on content, language and delivery, and the top three speakers will receive certificates and prizes⑤.

[11] The contest will be a valuable opportunity for students to show their talents and learn from one another⑥. [12] I hope my proposal will be helpful.

参考译文

关于组织演讲比赛的建议

我们学生会正计划在本学期举办一场演讲比赛。下面是我关于如何组织这次比赛的建议。

比赛的主题是“我的梦想与我的责任”，鼓励同学们思考自己的目标以及他们能在社会中发挥的作用。比赛的目的是提高同学们的公开演讲能力，增强他们的自信，并让校园生活更有活力。

比赛面向全体学生，选手将通过两轮比赛选拔产生。各院系将举行一轮初赛，推荐两名选手参加决赛。至于比赛流程，决赛将于十一月下旬在学校礼堂举行。每位选手先做一段五分钟的备稿演讲，然后回答评委提出的一个问题。由教师组成的评审团将根据内容、语言和表达给演讲打分，前三名选手将获得证书和奖品。

这次比赛将是同学们展示才华、互相学习的宝贵机会。希望我的建议能有所帮助。

6 一步一步写出这篇范文

01 写标题

用 A Proposal for Organizing a Speech Contest，直接借用题目的 organizing the contest，实词首字母大写，写在正文上方。

> 1 A Proposal for Organizing a Speech Contest
> 关于组织演讲比赛的建议

02 两句话交代背景和目的

第一句用现在进行时 is planning to 说学生会正在筹划比赛；第二句 Here is my proposal for organizing it. 说明下面是我的方案，开头不绕弯子。

> 2 Our student union is planning to hold a speech contest this semester.
> 我们学生会正计划在本学期举办一场演讲比赛。
>
> 3 Here is my proposal for organizing it.
> 下面是我关于如何组织这次比赛的建议。

03 写主题和目的

用 The topic of the contest will be “…” 给出具体题目，再用 which encourages … 说明主题的意义；下一句用 The aim is to + 三个动词短语写目的。

> 4 The topic of the contest will be “My Dream and My Responsibility,” which encourages students to think about their goals and the role they can play in society.
> 比赛的主题是“我的梦想与我的责任”，鼓励同学们思考自己的目标以及他们能在社会中发挥的作用。
>
> 5 The aim is to improve students’ public speaking skills, build their confidence and make campus life more vibrant.
> 比赛的目的是提高同学们的公开演讲能力，增强他们的自信，并让校园生活更有活力。

04 写选手选拔

先用 will be open to all students 说明谁能报名，再用 will be selected in two rounds 说明分两轮；下一句写清初赛：Each department will hold a preliminary round and recommend two speakers for the final.

> 6 The contest will be open to all students, and contestants will be selected in two rounds.
> 比赛面向全体学生，选手将通过两轮比赛选拔产生。
> 7 Each department will hold a preliminary round and recommend two speakers for the final.
> 各院系将举行一轮初赛，推荐两名选手参加决赛。

05 写比赛流程

用 As for the procedure 点题，依次写决赛的时间地点、选手要做什么（five-minute prepared speech、answer a question）、谁来评分、按什么评分、怎么奖励。

> 8 As for the procedure, the final will be held in the university auditorium in late November.
> 至于比赛流程，决赛将于十一月下旬在学校礼堂举行。
> 9 Each contestant will give a five-minute prepared speech and then answer a question from the judges.
> 每位选手先做一段五分钟的备稿演讲，然后回答评委提出的一个问题。
> 10 A panel of teachers will score the speeches based on content, language and delivery, and the top three speakers will receive certificates and prizes.
> 由教师组成的评审团将根据内容、语言和表达给演讲打分，前三名选手将获得证书和奖品。

06 说明意义，礼貌收尾

用 a valuable opportunity for students to … 说出比赛的意义，回扣第二段的目的；最后用 I hope my proposal will be helpful. 结束。

> 11 The contest will be a valuable opportunity for students to show their talents and learn from one another.
> 这次比赛将是同学们展示才华、互相学习的宝贵机会。
> 12 I hope my proposal will be helpful.
> 希望我的建议能有所帮助。

7 为什么是满分档

切题 · 结构与连贯 · 语言

切题

题目提示的四项内容全部写到，而且用 The topic、The aim、selected in two rounds、As for the procedure 直接点明，一眼就能找到：主题（“我的梦想与我的责任”）、目的（演讲能力、自信、校园活力）、选拔（面向全体、院系初赛各推两人）、流程（时间地点、演讲加提问、评分标准和奖励）。每一项都写得具体、可执行，结尾说明比赛的意义，完全符合满分档“切题、内容充实”的要求。

Here is my proposal for organizing it. | The topic of the contest will be “My Dream and My Responsibility,” | The aim is to improve students’ public speaking skills | contestants will be selected in two rounds | As for the procedure | Each contestant will give a five-minute prepared speech and then answer a question from the judges.

结构与连贯

四段各管一件事：背景和目的 → 主题和目的 → 选拔和流程 → 意义和收尾。第三段先写两轮选拔，再写决赛，顺序就是比赛进行的顺序；The topic、The aim、As for the procedure 这些标志词把题目的四项清楚地分开，and then、and 把每一步连起来。结构清晰、衔接自然，这正是满分档在结构上的表现。

Here is my proposal for organizing it. | The topic of the contest | The aim is to | in two rounds | As for the procedure | and then answer a question from the judges | I hope my proposal will be helpful.

语言

通篇用一般将来时描述还没举办的比赛，时态统一。句式有变化：which 引导的非限制性定语从句、The aim is to 后接三个并列动词短语、被动语态 will be selected / will be held、As for 点题、based on 说明评分标准。用词准确又地道，如 vibrant、preliminary round、auditorium、a panel of teachers、delivery、learn from one another。全文没有语法错误，符合满分档对语言的要求。

which encourages students to think about their goals and the role they can play in society | make campus life more vibrant | Each department will hold a preliminary round | the final will be held in the university auditorium in late November | A panel of teachers will score the speeches based on content, language and delivery | learn from one another

8 升格示范

普通写法一步一步改成满分句

升格 1

第 1 步 The aim is to improve students' ability.

目的写到了，但 ability 太空泛（总论黑名单），看不出是什么能力。

第 2 步 The aim is to improve students' public speaking skills.

写出具体是公开演讲能力，和演讲比赛紧扣；但只有一个目的，略显单薄。

第 3 步 The aim is to improve students' public speaking skills and build their confidence.

加上 build their confidence，从能力写到心理；最后再加 make campus life more vibrant，从个人写到整个校园，三个目的由近及远，内容更充实。

满分句 **The aim is to improve students' public speaking skills, build their confidence and make campus life more vibrant.**

升格 2

第 1 步 Each contestant will give a speech.
流程只写了一步，演讲多长、有没有准备、还要不要答题，都没说。

第 2 步 Each contestant will give a five-minute speech.
five-minute 作定语（中间有连字符，minute 用单数）写出时长，规则具体了一些。

第 3 步 Each contestant will give a five-minute prepared speech and answer some questions.
prepared 说明是备稿演讲，又加上答题环节，流程更完整；最后改成 and then answer a question from the judges，用 then 写出先后顺序，说清是谁提问、问几个。

满分句 **Each contestant will give a five-minute prepared speech and then answer a question from the judges.**

升格 3

第 1 步 Teachers will choose the winners.
只说谁来选，没说按什么标准选、获奖者得到什么。

第 2 步 A panel of teachers will score the speeches based on content and language.
a panel of teachers 写出评审团，based on 写出评分标准，评选变得公正透明。

第 3 步 A panel of teachers will score the speeches based on content, language and delivery, and the winners will get prizes.
补上 delivery（演讲时的表达），演讲比赛的三项标准齐了，又加上奖励；最后把 the winners will get prizes 改成 the top three speakers will receive certificates and prizes，写清几个人获奖、得到什么，receive 也比 get 正式。

满分句 **A panel of teachers will score the speeches based on content, language and delivery, and the top three speakers will receive certificates and prizes.**

9 高分句式

公式 → 原句 → 讲解 → 仿写

① The topic will be …, which encourages 主题说明句

这个句式表达 表达“比赛的主题是……，它鼓励大家……”，给出主题并说明主题的意义

公式 The topic of + 活动 + will be “主题”, which encourages + 人 + to + 动词原形 …

范文原句 The topic of the contest will be “My Dream and My Responsibility,” which encourages students to think about their goals and the role they can play in society

比赛的主题是“我的梦想与我的责任”，鼓励同学们思考自己的目标以及他们能在社会中发挥的作用

The topic of … will be 直接点明主题，主题的题目用引号括起，实词首字母大写；which 指代这个主题，encourage sb. to do 意思是“鼓励某人做某事”；the role they can play in society 里 play a role 是“发挥作用”。只给题目不说意义，读者不知道为什么选它。

例1 The theme of the exhibition will be “Green Campus,” which encourages students to protect the environment.
展览的主题是“绿色校园”，鼓励同学们保护环境。

例2 The topic of the essay contest will be "My Hometown," which encourages students to write about their own lives.

征文比赛的主题是"我的家乡"，鼓励同学们写自己的生活。

也可以这样说

The contest will focus on ...

比赛将围绕……展开

..., which aims to ...

……，旨在……

② The aim is to do A, B and C 目的句

这个句式表达 表达"目的是做 A、B 并做 C"，一句话说出活动的几个目的

公式 The aim is to + 动词1 …, 动词2 … and 动词3 …

范文原句 The aim is to improve students' public speaking skills, build their confidence and make campus life more vibrant

比赛的目的是提高同学们的公开演讲能力，增强他们的自信，并让校园生活更有活力

The aim is to 后面接三个并列的动词短语，to 只写一次；三个目的从个人能力（public speaking skills）到心理（confidence）再到集体（campus life），由近及远。make campus life more vibrant 用 make + 宾语 + 形容词，vibrant 意思是"充满活力的"。

例1 The aim is to raise students' awareness of health, encourage them to exercise and build a healthier campus.

目的是提高同学们的健康意识，鼓励他们锻炼，建设更健康的校园。

例2 The aim is to help students learn new skills, make friends and enjoy their free time.

目的是帮助同学们学习新技能、结交朋友、享受空闲时光。

也可以这样说

The contest is intended to ...

比赛旨在……

By holding ..., we hope to ...

通过举办……，我们希望……

③ will be open to … selected in two rounds 选拔句

这个句式表达 表达“比赛面向……，选手将分两轮选拔产生”，说明谁能参加、怎么选人

公式 The contest will be open to + 人, and contestants will be selected in + 轮数

范文原句 The contest will be open to all students, and contestants will be selected in two rounds

比赛面向全体学生，选手将通过两轮比赛选拔产生

be open to 意思是“对……开放、面向……”；will be selected 用被动语态，重点是“选手怎样产生”；in two rounds 说出选拔办法，下一句再具体解释每一轮。题目的 selection of contestants 用这一句直接落实。

例1 The club will be open to all students, and new members will be chosen through an interview.

社团面向全体学生，新成员将通过面试选出。

例2 The competition will be open to students of all grades, and winners will be selected by online voting.

比赛面向各年级学生，获胜者将通过网络投票选出。

也可以这样说

Anyone who is interested can sign up.

感兴趣的人都可以报名。

Contestants will be chosen through ...

选手将通过……选出

④ As for the procedure 点题过渡句

这个句式表达 表达“至于……（流程），……”，用短语直接点出下面要写题目的哪一项

公式 As for + 名词（the procedure / the time / the activities），主语 + 谓语 …

范文原句 As for the procedure, the final will be held in the university auditorium in late November

至于比赛流程，决赛将于十一月下旬在学校礼堂举行

As for 意思是“至于、说到”，后面直接用题目里的词 the procedure，阅卷老师一眼就能找到这一项。主句写决赛的地点和时间，in late November 意思是“十一月下旬”。按题目提示写应用文时，用 As for 点出每一项是非常实用的办法。

例1 As for the time, the event will be held on the last Saturday of this month.

至于时间，活动将在本月最后一个星期六举行。

例2 As for the activities, volunteers will clean the streets and plant trees.

至于活动内容，志愿者们将清扫街道、植树。

也可以这样说

When it comes to ..., ...

说到……，……

In terms of ..., ...

在……方面，……

⑤ score … based on …, and the top three 评分奖励句

这个句式表达 表达“评委将根据……打分，前几名将获得……”，写清评分标准和奖励

公式 A panel of + 人 + will score + 名词 + based on + A, B and C, and the top three + 人 + will receive + 奖励

范文原句 A panel of teachers will score the speeches based on content, language and delivery, and the top three speakers will receive certificates and prizes

由教师组成的评审团将根据内容、语言和表达给演讲打分，前三名选手将获得证书和奖品

a panel of teachers 意思是“由教师组成的评审团”；score 在这里是动词“打分”；based on 后面列出三项评分标准，delivery 指演讲时的表达（语音、语调、仪态）；and 后面写奖励，the top three 意思是“前三名”。一句话把“谁评、怎么评、奖什么”写全。

例1 A panel of students will judge the paintings based on creativity and skill, and the top five works will be shown in the library.

由学生组成的评审团将根据创意和技巧评选画作，前五名的作品将在图书馆展出。

例2 Teachers will grade the essays based on content and language, and the top three writers will receive book prizes.

老师们将根据内容和语言给文章打分，前三名作者将获得图书奖品。

也可以这样说

... will be judged on ...

……将根据……评判

Prizes will be given to ...

奖品将颁给……

⑥ a valuable opportunity for … to 意义句

这个句式表达 表达“这将是……做某事的宝贵机会”，在结尾说出活动的意义

公式 活动 + will be a valuable opportunity for + 人 + to + 动词1 … and + 动词2 …

范文原句 The contest will be a valuable opportunity for students to show their talents and learn from one another

这次比赛将是同学们展示才华、互相学习的宝贵机会

opportunity for sb. to do sth. 意思是“某人做某事的机会”，valuable 意思是“宝贵的”；show their talents 和 learn from one another 两个动词短语，一个对个人、一个对大家。learn from one another（互相学习）是地道说法，不写 make progress together（总论中式英语黑名单）。

例1 The trip will be a valuable opportunity for students to see the world and learn about other cultures.

这次旅行将是同学们开阔眼界、了解其他文化的宝贵机会。

例2 The job fair will be a valuable opportunity for graduates to meet employers and find suitable jobs.

招聘会将是毕业生接触用人单位、找到合适工作的宝贵机会。

也可以这样说

… will provide a good chance for … to …

……将为……提供一个……的好机会

… will allow students to …

……将让同学们能够……

10 亮点词汇

certificate	n. 证书	award

关于旧书回收活动的报告

2021年12月大学英语四级 第3套 · 写作 Part I
报告 · 范文 171 词

1 原题

Part I **Writing** **(30 minutes)**

Directions: *Suppose you have just participated in a school project of collecting used books on campus. You are now to write a report about the project, which may include its aim, organizers, participants and activities. You will have 30 minutes to write the report. You should write at least 120 words but no more than 180 words.*

题目译文

假设你刚刚参加了学校的一个项目：在校园里收集旧书（collecting used books on campus）。

现在请你写一份关于这个项目的报告（report），内容可以包括（may include）：项目的目的（aim）、组织者（organizers）、参与者（participants）和开展的活动（activities）。

你有 30 分钟（30 minutes）写这份报告（report）。

字数：至少 120 词（at least 120 words），但不超过 180 词（no more than 180 words）。

2 审题

先弄清楚要写什么，再动笔

应用文（报告）：写一份校园旧书回收活动的报告

120—180 词（题目要求 at least 120 words but no more than 180 words）；标题不计入字数，本篇正文 171 词。写到 160—180 词最稳，绝不能超过 180 词

- [ ] 写一个标题，点明这是一份关于旧书回收活动的报告
- [ ] 开头交代是什么活动、自己以什么身份写报告（题目说你刚参加过这个活动）
- [ ] 写出活动的目的（aim）、组织者（organizers）和参与者（participants）
- [ ] 写出活动经过（activities）：按时间顺序写清做了哪几件事
- [ ] 结尾总结活动的效果和意义

语气与身份：正式、客观、简明：报告写的是已经发生的事，通篇用一般过去时；多用被动语态（was carried out、were placed、was donated）突出“事情”本身，用事实和数字说话，不写空洞的感想

容易失分的地方

- 标题写在正文上方，实词首字母大写：A Report on the Used Book Collection Project，句末不加句号；报告用 A Report on …，不要写成 A Proposal
- 活动已经结束，时态用一般过去时（was organized、lasted、sorted），不要写成 will（写建议书才用将来时）
- 题目列出的 aim、organizers、participants、activities 四项都要写到，漏一项就是没有完全切题
- 在宿舍楼里一间一间收书用 go from room to room 最贴切；go door to door 多指挨家挨户上门，用在宿舍不如 room to room 准确
- 活动经过要写具体：时间（第一周、第二周）、地点（宿舍楼、图书馆）、做了什么（收书、分类、义卖、捐款），不要只写 We did many things.

3 题目要求逐条落实

每一条要求 → 范文里的哪一句

题目要求	范文原句	怎么做到的
报告（标题）	A Report on the Used Book Collection Project	标题用 A Report on + 名词短语，点明文体（报告）和内容（旧书回收活动），写在正文上方，不计入字数。
交代活动和写报告的身份	As a volunteer, I would like to give a brief report on it.	第一段两句：先用被动语态说明校园里开展了旧书回收活动，再说明自己是志愿者，要做一个简要的报告。
组织者（organizers）	The project was organized by the student union together with the university library.	用被动语态 was organized by 写组织者，together with 说明是学生会和图书馆联合组织。
目的（aim）	Its aim was to give used books a second life and to help children in need.	用 Its aim was to 直接点明两个目的：让旧书重获新生、帮助有需要的孩子，后面的活动经过正好对应这两个目的。
参与者（participants）	Students and teachers from all departments were invited to take part, and more than two hundred volunteers helped with the work.	写出参加的人（各院系师生）和帮忙的人（二百多名志愿者），用具体数字说明规模。
活动经过（activities）	The activities lasted two weeks.	第三段先说活动持续两周，再按时间顺序写四件事：第一周放回收箱、挨个寝室收书，第二周分类，然后义卖，最后把钱捐给慈善机构。

总结效果和意义	It not only put unused books to good use but also showed participants how they could serve others.	最后一段先用一句话评价（非常成功），再用 not only … but also … 写出两层意义，正好回扣第二段的两个目的。
字数 120—180 词	The project was a great success.	正文共 171 词（标题不计）：开头 2 句，组织者、目的、参与者 3 句，活动经过 4 句，总结 2 句，题目四项要求都写到了，没有超过 180 词。

4 写作思路

先列提纲，每段一个任务

标题

点明文体和内容

A Report on the Used Book Collection Project（关于旧书回收活动的报告），写在正文上方

第一段

交代活动和身份

最近校园里开展了旧书回收活动 → 我作为志愿者做一个简要报告

第二段

[1] **A Report on the Used Book Collection Project**

[2] Recently, a used book collection project was carried out on our campus①. [3] As a volunteer, I would like to give a brief report on it②.

[4] The project was organized by the student union together with the university library③. [5] Its aim was to give used books a second life and to help children in need④. [6] Students and teachers from all departments were invited to take part, and more than two hundred volunteers helped with the work.

[7] The activities lasted two weeks. [8] During the first week, collection boxes were placed in every dormitory building and in the library, and volunteers went from room to room to collect textbooks, novels and reference books⑤. [9] In the second week, the volunteers sorted the books into different

categories. [10] The books were then sold cheaply at a campus book fair, and all the money raised was donated to a charity that supports disadvantaged children⑥.

[11] The project was a great success. [12] It not only put unused books to good use but also showed participants how they could serve others⑦.

参考译文

关于旧书回收活动的报告

最近，我们校园里开展了一次旧书回收活动。作为一名志愿者，我想就这次活动做一个简要的报告。

这次活动由学生会和学校图书馆联合组织。活动的目的是让旧书重获新生，并帮助有需要的孩子。各院系的老师和学生都受邀参加，二百多名志愿者帮助完成了这项工作。

活动持续了两周。第一周，每栋宿舍楼和图书馆里都放置了回收箱，志愿者们挨个寝室去收集教材、小说和参考书。第二周，志愿者们把书分成了不同的类别。随后，这些书在校园书市上低价出售，筹集到的钱全部捐给了一家帮助贫困儿童的慈善机构。

这次活动非常成功。它不仅让闲置的书得到了充分利用，还让参与者明白了如何为他人服务。

6 一步一步写出这篇范文

01 写标题

用 A Report on the Used Book Collection Project，used book collection 是三个名词连用作定语，实词首字母大写，写在正文上方。

> 1 A Report on the Used Book Collection Project
> 关于旧书回收活动的报告

02 开头交代活动和身份

第一句用 Recently 和被动语态 was carried out 说明开展了什么活动；第二句用 As a volunteer, I would like to give a brief report on it. 交代身份和写作目的。

> 2 Recently, a used book collection project was carried out on our campus.
> 最近，我们校园里开展了一次旧书回收活动。
> 3 As a volunteer, I would like to give a brief report on it.
> 作为一名志愿者，我想就这次活动做一个简要的报告。

03 写组织者、目的、参与者

一句一项：was organized by … together with … 写组织者，Its aim was to … and to … 写目的，were invited to take part 加具体人数写参与者。

> 4 The project was organized by the student union together with the university library.
> 这次活动由学生会和学校图书馆联合组织。
> 5 Its aim was to give used books a second life and to help children in need.
> 活动的目的是让旧书重获新生，并帮助有需要的孩子。
> 6 Students and teachers from all departments were invited to take part, and more than two hundred volunteers helped with the work.
> 各院系的老师和学生都受邀参加，二百多名志愿者帮助完成了这项工作。

04 按时间顺序写活动经过

先用 The activities lasted two weeks. 交代时长，再用 During the first week、In the second week、then 排列四件事，每件事都写出地点、人和做法，多用被动语态。

> 7 The activities lasted two weeks.
> 活动持续了两周。
> 8 During the first week, collection boxes were placed in every dormitory building and in the library, and volunteers went from room to room to collect textbooks, novels and reference books.
> 第一周，每栋宿舍楼和图书馆里都放置了回收箱，志愿者们挨个寝室去收集教材、小说和参考书。
> 9 In the second week, the volunteers sorted the books into different categories.
> 第二周，志愿者们把书分成了不同的类别。
> 10 The books were then sold cheaply at a campus book fair, and all the money raised was donated to a charity that supports disadvantaged children.
> 随后，这些书在校园书市上低价出售，筹集到的钱全部捐给了一家帮助贫困儿童的慈善机构。

05 评价效果，回扣目的

先用一句短句 The project was a great success. 下结论，再用 not only … but also … 写两层意义：书得到利用（对应 a second life），参与者学会服务他人。

> 11 The project was a great success.
> 这次活动非常成功。
> 12 It not only put unused books to good use but also showed participants how they could serve others.
> 它不仅让闲置的书得到了充分利用，还让参与者明白了如何为他人服务。

7 为什么是满分档

切题・结构与连贯・语言

切题

文体是“刚参加过活动的人写的报告”，范文开头就交代了身份（志愿者）；题目提示的四项全部写到：组织者（学生会和图书馆）、目的（旧书重获新生、帮助有需要的孩子）、参与者（各院系师生、二百多名志愿者）、活动（放回收箱、收书、分类、义卖、捐款）。结尾的两层意义正好回扣两个目的。内容具体、要求全部落实，符合满分档“切题”的要求。

A Report on the Used Book Collection Project | As a volunteer, I would like to give a brief report on it.
The project was organized by the student union together with the university library.
Its aim was to give used books a second life and to help children in need.
more than two hundred volunteers helped with the work | The activities lasted two weeks.
It not only put unused books to good use but also showed participants how they could serve others.

结构与连贯

报告的标准结构：交代活动 → 基本信息（组织者、目的、参与者）→ 活动经过 → 效果。活动经过先交代时长，再用 During the first week、In the second week、then 按时间顺序写，读者跟着时间一步步看清整个过程；The project、Its、It 反复回指活动，衔接紧密；结尾先下结论再说意义，层次分明。这正是满分档在结构上的表现。

Recently | Its aim was to | The activities lasted two weeks. | During the first week | In the second week | The books were then sold cheaply | The project was a great success.

语言

通篇用一般过去时，时态统一准确；被动语态用得恰当（was carried out、was organized by、were placed、were then sold、was donated），让报告客观、正式。用词地道：give used books a second life、children in need、went from room to room、sorted the books into different categories、disadvantaged children、put unused books to good use，没有中式英语。全文没有语法错误，符合满分档对语言的要求。

a used book collection project was carried out on our campus | give used books a second life | collection boxes were placed in every dormitory building and in the library | volunteers went from room to room to collect textbooks, novels and reference books | sorted the books into different categories | all the money raised was donated to a charity that supports disadvantaged children | put unused books to good use

8 升格示范

普通写法一步一步改成满分句

升格 1

第 1 步 The aim was to collect used books.
把“收书”这个做法当成了目的，没有说出为什么要收书。

第 2 步 Its aim was to reuse old books and help poor children.
说出了两个真正的目的；但 reuse old books、poor children 比较平淡。

第 3 步 Its aim was to give used books a second life and help poor children.
give used books a second life（让旧书重获新生）形象又地道；最后把 help poor children 改成 to help children in need，重复 to 让两个目的更分明，children in need 也更得体。

满分句 **Its aim was to give used books a second life and to help children in need.**

升格 2

第 1 步 In the first week, we collected many books.
只说收了很多书，在哪里收、怎么收、收了什么书都没写。

第 2 步 During the first week, collection boxes were placed in every dormitory building and in the library.
用被动语态写出在哪里放回收箱，地点具体了；但还只是一种收书方式。

第 3 步 During the first week, collection boxes were placed in every dormitory building and in the library, and volunteers went door to door to collect books.
加上志愿者上门收书，做法更完整；但宿舍里是一间一间的寝室，最后把 door to door 改成 from room to room，再把 books 写成 textbooks, novels and reference books，内容就具体、地道了。

满分句 **During the first week, collection boxes were placed in every dormitory building and in the library, and volunteers went from room to room to collect textbooks, novels and reference books.**

升格 3

第 1 步 It was very meaningful and we learned a lot.
结尾空洞：meaningful 在哪里、learned 了什么，都没说。

第 2 步 It made full use of unused books and taught us a lot.
说出了第一层意义（书被利用），但 make full use of 是总论黑名单里的中式表达，taught us a lot 还是空泛。

第 3 步 It not only put unused books to good use but also taught participants a lot.
换成地道的 put … to good use，用 not only … but also … 连成两层；最后把 taught participants a lot 改成 showed participants how they could serve others，说出学到的是“如何为他人服务”，回扣“帮助孩子”的目的。

满分句 **It not only put unused books to good use but also showed participants how they could serve others.**

9 高分句式

公式 → 原句 → 讲解 → 仿写

① was carried out 被动开头句

这个句式表达 表达“最近，……开展了一项……活动”，在报告开头交代发生了什么事

公式 Recently, a / an + 活动 + was carried out / held + 地点

范文原句 Recently, a used book collection project was carried out on our campus

最近，我们校园里开展了一次旧书回收活动

carry out 意思是“开展、实施”，用被动语态 was carried out 让活动作主语，重点放在“开展了什么活动”上，不用先说谁办的。Recently 放句首交代时间，一般过去时说明事情已经发生，报告一开头就进入正题。

例1 Recently, a campus clean-up campaign was carried out by our class.
最近，我们班开展了一次校园清洁活动。

例2 Last month, a survey on students' sleeping habits was carried out at our university.
上个月，我们学校开展了一项关于学生睡眠习惯的调查。

也可以这样说

... was held ...

……举行了……

Our university has just organized ...

我们学校刚刚组织了……

② As a …, I would like to give a brief report on 报告身份句

这个句式表达 表达“作为……，我想就……做一个简要的报告”，交代写报告的身份和目的

公式 As a / an + 身份, I would like to give a brief report on + 名词

范文原句 As a volunteer, I would like to give a brief report on it

作为一名志愿者，我想就这次活动做一个简要的报告

As a volunteer 说明自己亲身参加过，报告的内容可信；give a report on 意思是“就……做报告”，brief 意思是“简要的”。题目说 you have just participated，这一句正好落实“参加者写报告”的身份。

例1 As a member of the organizing team, I would like to give a brief report on the sports meeting.

作为组委会的一员，我想就这次运动会做一个简要的报告。

例2 As one of the participants, I would like to give a brief report on the summer camp.

作为参加者之一，我想就这次夏令营做一个简要的报告。

也可以这样说

I am writing to report on ...

我写这份报告是为了汇报……

The following is a report on ...

以下是关于……的报告

③ was organized by … together with 组织者句

这个句式表达 表达“活动由 A 和 B 联合组织”，交代报告里的组织者

公式 The project / event + was organized by + 组织者1 + together with + 组织者2

范文原句 The project was organized by the student union together with the university library

这次活动由学生会和学校图书馆联合组织

was organized by 是一般过去时的被动语态，by 后面是组织者；together with 意思是“和……一起”，说明是联合组织。题目的 organizers 用一句话写清，而且用被动语态，报告的语气更客观。

例1 The concert was organized by the music club together with the student union.

这场音乐会由音乐社和学生会联合组织。

例2 The lecture was organized by the English department together with a local company.
这场讲座由英语系和当地一家公司联合组织。

也可以这样说

... was jointly organized by ... and ...
……由……和……联合组织

... was sponsored by ...
……由……赞助

④ Its aim was to … and to 目的句

这个句式表达 表达“它的目的是……，并且……”，在报告里写出活动的两个目的

公式 Its aim was to + 动词1 … and to + 动词2 …

范文原句 Its aim was to give used books a second life and to help children in need
活动的目的是让旧书重获新生，并帮助有需要的孩子

Its aim was to 直接点明题目的 aim，用过去时 was；两个不定式用 and 连接，第二个 to 重复写出，两个目的更清楚。give used books a second life 意思是“让旧书重获新生”，形象生动；children in need 意思是“有需要的孩子”。

例1 Its aim was to raise money for the hospital and to call attention to children's health.
它的目的是为医院筹款，并唤起人们对儿童健康的关注。

例2 Its aim was to reduce food waste and to teach students to value every meal.
它的目的是减少食物浪费，并教会同学们珍惜每一餐。

也可以这样说

The project was intended to ...
这项活动旨在……

The purpose of ... was to ...
……的目的是……

⑤ went from room to room to collect 动作目的句

这个句式表达 表达“一间一间屋子地去做某事”，在报告里生动地写出志愿者的做法

公式 主语 + went from room to room + to + 动词原形 + A, B and C

范文原句 volunteers went from room to room to collect textbooks, novels and reference books
志愿者们挨个寝室去收集教材、小说和参考书

go from room to room 意思是“挨个房间走”，宿舍里是一间一间寝室，不写 go door to door；to collect 说出目的，后面列出三类具体的书。动作、目的、对象一句写完，活动经过就有了画面感。

例1 The students went from classroom to classroom to collect old clothes for the poor.

同学们挨个教室去收集旧衣服，捐给穷人。

例2 The volunteers went from shop to shop to hand out leaflets about recycling.

志愿者们一家店一家店地去发关于垃圾回收的传单。

也可以这样说

... visited every dormitory to ...

……走访每一栋宿舍去……

... one by one

……一个接一个地

⑥ the money raised was donated to 捐款句

这个句式表达 表达“筹集到的钱全部捐给了一家……的机构”，写出活动的结果去向

公式 all the money raised + was donated to + a / an + 机构 + that + 动词 …

范文原句 all the money raised was donated to a charity that supports disadvantaged children

筹集到的钱全部捐给了一家帮助贫困儿童的慈善机构

the money raised 里 raised 是过去分词作后置定语，意思是“筹集到的钱”；was donated to 是被动语态“被捐给”；that 引导定语从句说明这家慈善机构做什么。disadvantaged children 意思是“贫困儿童、处境不利的儿童”，比 poor children 更正式。

例1 All the money raised was donated to a school in a mountain village.

筹集到的钱全部捐给了一所山村学校。

例2 All the books collected were given to a library that serves rural children.

收集到的书全部送给了一家为农村孩子服务的图书馆。

也可以这样说

The money we raised went to ...

我们筹集的钱给了……

... was used to help ...

……被用来帮助……

⑦ not only put … to good use but also 双重意义句

这个句式表达 表达“它不仅让……得到了充分利用，还让……明白了……”，在报告结尾总结活动的两层意义

公式 It + not only + 动词过去式1 … but also + 动词过去式2 + 人 + how + 主语 + could …

范文原句 It not only put unused books to good use but also showed participants how they could serve others

它不仅让闲置的书得到了充分利用，还让参与者明白了如何为他人服务

put … to good use 意思是“充分利用”，地道又简洁，不写 make full use of（总论中式英语黑名单）；not only … but also … 连接两个过去式动词（put、showed），时态一致；show sb. how … 意思是“让某人明白怎样……”。两层意义正好对应第二段的两个目的，首尾呼应。

例1 The activity not only cleaned up the park but also taught us how we could protect the environment.

这次活动不仅清理了公园，还让我们明白了如何保护环境。

例2 The program not only put old computers to good use but also helped rural students learn online.

这个项目不仅让旧电脑得到了充分利用，还帮助农村学生在网上学习。

也可以这样说

... and, more importantly, ...

……，更重要的是，……

... benefited both ... and ...

……让……和……都受益

人们正在对科技上瘾吗?

2021年6月大学英语四级 第1套 · 写作 Part I
议论文 · 范文 169 词

1 原题

Part Ⅰ Writing (30 minutes)

Directions: *For this part, you are allowed 30 minutes to write an essay titled "Are people becoming addicted to technology?". The statement given below is for your reference. You should write at least 120 words but no more than 180 words.*

Numerous studies claim that addiction to technology is real and it has the same effect on the brain as drug addiction.

题目译文

这一部分（For this part），你有 30 分钟（30 minutes）写一篇文章（essay），题目是“人们是否正在对科技上瘾？”（Are people becoming addicted to technology?）。

下面给出的这段说法供你参考（for your reference），不必照着它写。

字数：至少 120 词（at least 120 words），但不超过 180 词（no more than 180 words）。

参考说法：大量研究声称（Numerous studies claim），科技成瘾（addiction to technology）是真实存在的，它对大脑的影响和吸毒成瘾（drug addiction）一样。

2 审题

先弄清楚要写什么，再动笔

命题作文（标题 + 参考陈述）：人们正在对科技上瘾吗?

120—180 词（题目要求 at least 120 words but no more than 180 words）；标题不计入字数，本篇正文 169 词。写到 160—180 词最稳，绝不能超过 180 词

- [ ] 把题目给的标题 Are people becoming addicted to technology? 写在正文上方
- [ ] 开头用自己的话转述参考陈述（研究称科技成瘾真实存在，对大脑的影响和毒瘾一样）
- [ ] 直接回答标题的问题，亮明观点：是，许多人正在对科技上瘾
- [ ] 用常见的现象和原因支撑观点：上瘾有哪些表现、为什么会上瘾
- [ ] 提出对策或给出平衡的看法，最后回扣标题

语气与身份：客观、理性的议论语气：论证用 many people、students 这类第三人称，提对策时用 we should，把自己也包括进去；不夸张、不说教，用身边的具体现象说话

容易失分的地方

- 标题照抄题目，写在正文上方，保留问号：Are people becoming addicted to technology?
- 参考陈述只能改写，不能照抄：Numerous studies claim that addiction to technology is real … 原样抄进开头会被看作没有自己的语言
- 标题是一个问句，正文一开头就要明确回答（本篇：many people today are indeed becoming addicted），不能写到最后还没表态
- 不要写成“科技的利与弊”：题目问的是“是否上瘾”，重点是上瘾的表现、原因和怎么办
- be addicted to 的 to 是介词，后接名词或动名词：addicted to technology、addicted to playing games

3 题目要求逐条落实

每一条要求 → 范文里的哪一句

题目要求	范文原句	怎么做到的
标题写在正文上方	Are people becoming addicted to technology?	标题一字不差照抄题目，保留问号，不计入字数。
用自己的话转述参考陈述	Some researchers warn that heavy use of technology can affect the brain much as drugs do.	参考陈述是 Numerous studies claim that … the same effect on the brain as drug addiction；范文换成 Some researchers warn that、heavy use of technology、much as drugs do，意思不变，说法全换了。
回答标题，亮明观点	many people today are indeed becoming addicted to technology	第一段第二句就明确回答：是的，许多人确实正在对科技上瘾，用 indeed 加强语气，直接呼应标题。
用现象支撑观点	Signs of this addiction are everywhere.	第二段先总起，再写三个人人都见过的场景：地铁上盯手机、吃饭时看消息、深夜刷短视频、离了手机就焦虑。
分析原因	One reason for this is that apps are designed to keep users hooked with endless updates, likes and notifications, which give people constant small rewards.	现象之后说原因：应用程序的设计本来就是让人停不下来，不断给人小小的奖赏，回应了参考陈述里“和毒瘾一样”的说法。
给出平衡的看法	However, technology is not the enemy; the real problem is our lack of self-control.	第三段用 However 转折：问题不在科技本身，而在自制力，观点更全面，避免一味否定科技。
提出对策，回扣标题	Only when we stay in control can technology truly serve us.	先给出三条具体做法（限制屏幕时间、关闭通知、多参加现实活动），最后用 Only when … can … 收尾：保持掌控，科技才能为我们服务，回扣“上瘾”的话题。

字数 120—180 词	Signs of this addiction are everywhere.	正文共 169 词（标题不计）：第一段 2 句，第二段 5 句，第三段 3 句，现象和原因占篇幅最多，没有超过 180 词。

4 写作思路

先列提纲，每段一个任务

标题

照抄题目

Are people becoming addicted to technology?（人们正在对科技上瘾吗？），写在正文上方

第一段

转述参考陈述，回答标题

研究者警告：过度使用科技对大脑的影响像毒品 → 环顾四周，很难不同意：许多人确实正在对科技上瘾

第二段

现象和原因

总起：上瘾的迹象随处可见 → 地铁上人人盯手机 → 吃饭时朋友各看消息 → 学生深夜刷短视频，离了手机就焦虑 → 原因：应用程序用没完没了的更新、点赞、通知让人欲罢不能

第三段

平衡看法和对策

科技不是敌人，问题在于缺乏自制力 → 限制屏幕时间、关闭不必要的通知、多参加现实活动 → 只有保持掌控，科技才能真正为我们服务

5 满分范文

荧光笔 + 圆圈编号 = 下面讲的高分句式

[1] **Are people becoming addicted to technology?**

[2] Some researchers warn that heavy use of technology can affect the brain much as drugs do①. [3] When we look around, it is hard to disagree: many people today are indeed becoming addicted to technology②.

[4] Signs of this addiction are everywhere. [5] On the subway, almost everyone is staring at a phone screen. [6] At dinner, friends check their messages instead of talking to each other③. [7] Many students scroll through short videos late into the night and feel anxious whenever their phones are out of reach. [8] One reason for this is that apps are designed to keep users hooked with endless updates, likes and notifications④, which give people constant small rewards.

[9] However, technology is not the enemy; the real problem is our lack of self-control⑤. [10] To avoid becoming slaves to technology, we should set limits on our screen time, turn off unnecessary notifications and spend more time on real-world activities⑥ such as reading, sports and face-to-face conversations with family and friends. [11] Only when we stay in control can technology truly serve us⑦.

参考译文

人们正在对科技上瘾吗？

一些研究者警告说，过度使用科技对大脑的影响和毒品很相似。环顾四周，我们很难不同意：如今许多人确实正在对科技上瘾。

这种上瘾的迹象随处可见。地铁上，几乎人人都盯着手机屏幕。吃饭时，朋友们各自看手机消息，而不是互相交谈。许多学生刷短视频一直刷到深夜，手机一不在身边就感到焦虑。原因之一是，应用程序的设计就是用没完没了的更新、点赞和通知让用户欲罢不能，这些不断给人带来小小的奖赏。

然而，科技并不是敌人；真正的问题在于我们缺乏自制力。为了避免沦为科技的奴隶，我们应该限制屏幕使用时间，关闭不必要的通知，并多花时间参加现实生活中的活动，比如阅读、运动以及与家人朋友面对面交谈。只有我们保持掌控，科技才能真正为我们服务。

6 一步一步写出这篇范文

01 照抄标题

把题目给的标题原样写在正文上方，保留问号，抄完逐词核对一遍。

> 1 Are people becoming addicted to technology?
> 人们正在对科技上瘾吗？

02 改写参考陈述

把 Numerous studies claim 换成 Some researchers warn，把 addiction to technology 换成 heavy use of technology，把 the same effect … as drug addiction 换成 much as drugs do，意思不变，说法全换。

> 2 Some researchers warn that heavy use of technology can affect the brain much as drugs do.
> 一些研究者警告说，过度使用科技对大脑的影响和毒品很相似。

03 回答标题，亮明观点

用 When we look around, it is hard to disagree: 引出观点，冒号后面直接回答标题：many people today are indeed becoming addicted to technology.

> 3 When we look around, it is hard to disagree: many people today are indeed becoming addicted to technology.
> 环顾四周，我们很难不同意：如今许多人确实正在对科技上瘾。

04 总起后写三个日常场景

先用 Signs of this addiction are everywhere. 总起；再用 On the subway、At dinner、Many students 写三个具体场景，用现在进行时和 instead of、whenever 写出上瘾的样子。

> 4 Signs of this addiction are everywhere.
> 这种上瘾的迹象随处可见。
>
> 5 On the subway, almost everyone is staring at a phone screen.
> 地铁上，几乎人人都盯着手机屏幕。
>
> 6 At dinner, friends check their messages instead of talking to each other.
> 吃饭时，朋友们各自看手机消息，而不是互相交谈。
>
> 7 Many students scroll through short videos late into the night and feel anxious whenever their phones are out of reach.
> 许多学生刷短视频一直刷到深夜，手机一不在身边就感到焦虑。

05 分析原因

用 One reason for this is that … 说原因：apps are designed to keep users hooked；再用 which 从句补充 constant small rewards，说明为什么会像毒瘾一样停不下来。

> 8 One reason for this is that apps are designed to keep users hooked with endless updates, likes and notifications, which give people constant small rewards.
> 原因之一是，应用程序的设计就是用没完没了的更新、点赞和通知让用户欲罢不能，这些不断给人带来小小的奖赏。

06 转折，给出平衡的看法

第三段用 However 转折，用分号连接两层意思：technology is not the enemy; the real problem is our lack of self-control.

> 9 However, technology is not the enemy; the real problem is our lack of self-control.
> 然而，科技并不是敌人；真正的问题在于我们缺乏自制力。

07 给出对策，用倒装句收尾

用 To avoid becoming slaves to technology, we should … 列出三条具体做法；最后用 Only when we stay in control can technology truly serve us. 收尾，倒装句有力。

> 10 To avoid becoming slaves to technology, we should set limits on our screen time, turn off unnecessary notifications and spend more time on real-world activities such as reading, sports and face-to-face conversations with family and friends.
> 为了避免沦为科技的奴隶，我们应该限制屏幕使用时间，关闭不必要的通知，并多花时间参加现实生活中的活动，比如阅读、运动以及与家人朋友面对面交谈。
> 11 Only when we stay in control can technology truly serve us.
> 只有我们保持掌控，科技才能真正为我们服务。

7 为什么是满分档

切题 · 结构与连贯 · 语言

切题

紧扣标题的问题：开头用自己的话转述参考陈述，紧接着明确回答“是，许多人确实正在对科技上瘾”；第二段用三个日常场景证明上瘾的存在，再说原因；第三段给出平衡的看法和对策，结尾仍落在“不被科技控制”上。全文没有写成“科技的利与弊”，每一句都在回答标题，符合满分档“切题、观点明确”的要求。

Are people becoming addicted to technology?

Some researchers warn that heavy use of technology can affect the brain much as drugs do.

many people today are indeed becoming addicted to technology

Signs of this addiction are everywhere.

One reason for this is that apps are designed to keep users hooked

Only when we stay in control can technology truly serve us.

结构与连贯

命题作文的标准三段式：转述 + 观点 → 现象 + 原因 → 转折 + 对策。第二段先用 Signs of this addiction are everywhere. 总起，再用 On the subway、At dinner、Many students 三个场景平行展开，One reason for this 从现象过渡到原因；第三段用 However 转折，To avoid … 引出对策，Only when … 收尾。this addiction、this 等词回指上文，衔接紧密，这是满分档在结构上的表现。

When we look around | Signs of this addiction are everywhere. | On the subway | At dinner | One reason for this is that | However | To avoid becoming slaves to technology

语言

句式丰富：much as drugs do 的比较、冒号引出观点、instead of 的对比、whenever 从句、which 定语从句、分号连接、To avoid 目的状语、Only when 倒装。用词生动准确，如 staring at a phone screen、scroll through short videos、out of reach、keep users hooked、slaves to technology、self-control。全文没有语法错误，语言准确又地道，符合满分档的要求。

much as drugs do | almost everyone is staring at a phone screen | scroll through short videos late into the night | feel anxious whenever their phones are out of reach | keep users hooked with endless updates, likes and notifications | technology is not the enemy; the real problem is our lack of self-control | Only when we stay in control can technology truly serve us.

8 升格示范

普通写法一步一步改成满分句

升格 1

第 1 步 Numerous studies claim that addiction to technology is real and it has the same effect on the brain as drug addiction.

这是参考陈述的原句，照抄进开头，阅卷老师会认为没有自己的语言。

第 2 步 Many studies say that technology addiction has the same effect on the brain as drug addiction.

换了几个词（Many studies say），但句子结构和参考陈述几乎一样，还是像在抄。

第 3 步 Some researchers warn that heavy use of technology can affect the brain like drugs.

主语换成 Some researchers，动词换成 warn，heavy use of technology 换了说法，结构也变了；最后把 like drugs 改成 much as drugs do，比较的是“影响大脑的方式”，表达更准确。

满分句 **Some researchers warn that heavy use of technology can affect the brain much as drugs do.**

升格 2

第 1 步 The reason is that phones are very interesting.
原因太表面，interesting 说不清为什么让人停不下来。

第 2 步 One reason for this is that apps are designed to keep users hooked.
用 One reason for this is that 分析原因，指出是应用程序的设计让人上瘾；keep users hooked 形象地写出“停不下来”。

第 3 步 One reason for this is that apps are designed to keep users hooked with endless updates, likes and notifications.
用 with 列出三种具体手段，原因有了细节；最后再加 which give people constant small rewards，说出为什么这些手段管用，正好呼应参考陈述的“像毒瘾一样”。

满分句 **One reason for this is that apps are designed to keep users hooked with endless updates, likes and notifications, which give people constant small rewards.**

升格 3

第 1 步 We should use technology in a right way.
结尾是一句空话，in a right way 不地道（应为 in the right way），也没有力量。

第 2 步 If we control ourselves, technology will serve us.
说出了条件和结果，和上文的“自制力”相连；但句子平淡，强调不够。

第 3 步 Only when we control ourselves can technology serve us.
用 Only when … can … 倒装强调条件，语气有力；最后把 control ourselves 改成 stay in control，和上文的 slaves to technology 形成对比，再加 truly，结尾更有分量。

满分句 **Only when we stay in control can technology truly serve us.**

9 高分句式

公式 → 原句 → 讲解 → 仿写

① Some researchers warn that … much as … do 转述句

这个句式表达 表达“一些研究者警告说，……会像……一样……”，用自己的话转述参考陈述

公式 Some researchers warn / Studies show that + 主语 + can + 动词 + 宾语 + much as + 名词 + do

范文原句 Some researchers warn that heavy use of technology can affect the brain much as drugs do
一些研究者警告说，过度使用科技对大脑的影响和毒品很相似

warn that 意思是“警告说”，比 claim 更能显出这件事的严重性；heavy use of 意思是“过度使用”；much as drugs do 意思是“和毒品（影响大脑）的方式很相似”，do 代替前面的 affect the brain。命题作文的参考陈述只能这样改写，不能照抄。

例1 Some doctors warn that sitting for long hours can harm our health much as smoking does.
一些医生警告说，久坐对健康的危害和吸烟很相似。

例2 Some experts warn that fast food can affect children's weight much as sugary drinks do.
一些专家警告说，快餐对孩子体重的影响和含糖饮料很相似。

也可以这样说

It has been found that ...

研究发现……

..., just as ... does

……，就像……一样

② it is hard to disagree: 亮明观点句

这个句式表达 表达“环顾四周，我们很难不同意：……”，承接参考陈述，引出自己的观点

公式 When we look around, it is hard to disagree: + 观点句

范文原句 When we look around, it is hard to disagree: many people today are indeed becoming addicted to technology

环顾四周，我们很难不同意：如今许多人确实正在对科技上瘾

When we look around 从身边的观察出发，主语是 we，不写 Looking around, it is …（悬垂结构，总论语法扣分点）；it is hard to disagree 表示同意上一句的说法；冒号后面直接给出观点，indeed 意思是“确实”，加强语气。标题问“是不是”，这一句就明确回答了“是”。

例1 When we look around, it is hard to disagree: young people today are spending too much time online.

环顾四周，我们很难不同意：如今的年轻人上网的时间太长了。

例2 When we look at the facts, it is hard to disagree: reading habits are changing quickly.

看看事实，我们很难不同意：人们的阅读习惯正在迅速改变。

也可以这样说

I fully agree with this view.

我完全同意这个观点。

There is no denying that ...

不可否认，……

③ do A instead of doing B 对比场景句

这个句式表达 表达“人们做 A，而不是做 B”，用对比写出一种不正常的现象

公式 地点 / 时间状语, 主语 + 动词 A … instead of + 动名词 B …

范文原句 friends check their messages instead of talking to each other

朋友们各自看手机消息，而不是互相交谈

instead of 后接动名词（talking），表示“本该做的事却没做”；吃饭时本该聊天，却在看手机，一对比，上瘾的现象就很鲜明。句首的 At dinner 和上一句的 On the subway 都是场景状语，三个场景排列整齐。

例1 In class, some students play games on their phones instead of listening to the teacher.

课堂上，一些学生玩手机游戏，而不是听老师讲课。

例2 On weekends, many children watch videos at home instead of playing outdoors.

周末，许多孩子在家看视频，而不是去户外玩耍。

也可以这样说

..., rather than ...

……，而不是……

... while ignoring ...

……，却忽视了……

④ One reason for this is that 原因句

这个句式表达 表达“造成这种情况的一个原因是……”，在描述现象之后分析原因

公式 One reason for this is that + 主语 + are designed to + 动词原形 …, which …

范文原句 One reason for this is that apps are designed to keep users hooked with endless updates, likes and notifications

原因之一是，应用程序的设计就是用没完没了的更新、点赞和通知让用户欲罢不能

One reason for this is that 是分析原因最常用的句式，this 指上面的现象，that 后面接完整的句子；be designed to 意思是“被设计来……”；keep users hooked 意思是“让用户上钩、停不下来”，hooked 形象生动；with 后面列出三种具体手段。

例1 One reason for this is that online shopping is fast and easy.

原因之一是，网上购物又快又方便。

例2 One reason for this is that many students do not get enough sleep.

原因之一是，许多学生睡眠不足。

也可以这样说

This is partly because ...

这部分是因为……

The main reason is that ...

主要原因是……

⑤ A is not …; the real problem is … 转折观点句

这个句式表达 表达“A 并不是……；真正的问题在于……”，纠正一种片面的看法，给出更深入的观点

公式 However, A is not the enemy / the cause; the real problem is + 名词

范文原句 However, technology is not the enemy; the real problem is our lack of self-control

然而，科技并不是敌人；真正的问题在于我们缺乏自制力

However 转折，先否定“科技是坏东西”的看法，再用分号连接真正的问题；分号连接两个意思紧密的句子，比用 and 更有力。lack of self-control 意思是“缺乏自制力”。这一句让文章不只是批评科技，观点更全面、更深入。

例1 However, video games are not the enemy; the real problem is spending too much time on them.

然而，电子游戏并不是敌人；真正的问题在于花在上面的时间太多。

例2 However, money is not the problem; the real problem is how we use it.

然而，钱并不是问题；真正的问题在于我们如何使用它。

也可以这样说

The problem lies not in ... but in ...

问题不在于……，而在于……

What really matters is ...

真正重要的是……

⑥ To avoid …, we should 对策句

这个句式表达 表达“为了避免……，我们应该做 A、B 和 C”，一句话提出几条具体对策

公式 To avoid + 动名词 …, we should + 动词1 …, 动词2 … and 动词3 …

范文原句 To avoid becoming slaves to technology, we should set limits on our screen time, turn off unnecessary notifications and spend more time on real-world activities

为了避免沦为科技的奴隶，我们应该限制屏幕使用时间，关闭不必要的通知，并多花时间参加现实生活中的活动

To avoid 后面接动名词（becoming），放句首说明目的；become slaves to technology 意思是“沦为科技的奴隶”，比喻生动；we should 后面接三个并列的动词短语，每一条都具体可做，第二条 turn off unnecessary notifications 正好对着上文的原因。

例1 To avoid wasting food, we should order only what we can eat and take leftovers home.

为了避免浪费食物，我们应该吃多少点多少，并把剩菜打包带回家。

例2 To avoid feeling stressed, we should plan our time well, exercise regularly and get enough sleep.

为了避免感到压力大，我们应该合理安排时间、经常锻炼、保证睡眠。

也可以这样说

It is necessary for us to ...

我们有必要……

Several measures can be taken. First, ...

可以采取几项措施。第一，……

⑦ Only when ... can ... 倒装收尾句

这个句式表达 表达“只有……，才能……”，强调条件，用来有力地收尾

公式 Only when + 主语 + 谓语 … + can + 主语 + 动词原形 …（主句倒装）

范文原句 Only when we stay in control can technology truly serve us

只有我们保持掌控，科技才能真正为我们服务

Only when 放句首时，后面的主句要倒装：把 can 提到主语 technology 前面（can technology truly serve us），when 从句本身不倒装。stay in control 意思是“保持掌控”，和上文的 slaves 对比。倒装句强调条件，读起来有力，是很好的结尾句。

例1 Only when we work together can we protect our environment.

只有我们齐心协力，才能保护我们的环境。

例2 Only when students manage their time well can they balance study and rest.

只有学生管理好时间，才能兼顾学习和休息。

也可以这样说

We can ... only if ...

只有……，我们才能……

As long as ..., ... will ...

只要……，……就会……

10 亮点词汇

把普通说法换成高分说法

高分表达	意思	替代的普通说法
be addicted to	对……上瘾	cannot stop using
addiction	n. 上瘾；成瘾	dependence
stare at	盯着看	look at
scroll through	（在屏幕上）滑动浏览；刷	browse
anxious	adj. 焦虑的	worried
out of reach	够不着；不在身边	not nearby
hooked	adj. 着迷的；上瘾的	addicted
notification	n. 通知；提醒	alert
self-control	n. 自制力	self-discipline
unnecessary	adj. 不必要的	useless

科技正在让人变懒吗?

2021年6月大学英语四级 第2套 · 写作 Part I
议论文 · 范文 172 词

1 原题

Part Ⅰ Writing (30 minutes)

Directions: *For this part, you are allowed 30 minutes to write an essay titled "Is technology making people lazy?". The statement given below is for your reference. You should write at least 120 words but no more than 180 words.*

Many studies claim that computers distract people, make them lazy thinkers and even lower their work efficiency.

题目译文

这一部分（For this part），你有 30 分钟（30 minutes）写一篇文章（essay），题目是“科技是否正在让人变懒？”（Is technology making people lazy?）。

下面给出的这段说法供你参考（for your reference），不必照着它写。

字数：至少 120 词（at least 120 words），但不超过 180 词（no more than 180 words）。

参考说法：许多研究声称（Many studies claim），电脑会让人分心（distract people），让人变成懒于思考的人（lazy thinkers），甚至降低他们的工作效率（lower their work efficiency）。

2 审题

先弄清楚要写什么，再动笔

命题作文（标题 + 参考陈述）：科技正在让人变懒吗?

120—180 词（题目要求 at least 120 words but no more than 180 words）；标题不计入字数，本篇正文 172 词。写到 160—180 词最稳，绝不能超过 180 词

- [ ] 把题目给的标题 Is technology making people lazy? 写在正文上方
- [ ] 开头用自己的话转述参考陈述（研究称电脑让人分心、思想懒惰、工作效率降低）
- [ ] 直接回答标题的问题，亮明观点：科技本身不会让人变懒，关键在于怎么用
- [ ] 两面论证：先承认科技确实可能助长懒惰（举例），再说明用得好能让人更有效率（举例）
- [ ] 最后点出关键（自律），回扣标题

语气与身份：客观、理性、辩证的议论语气：用 some people、others 举例，用 It is true that、On the other hand 承认和转折，不走极端；观点句用 In my view 明确表态

容易失分的地方

- 标题照抄题目，写在正文上方，保留问号：Is technology making people lazy?
- 参考陈述只能改写，不能照抄：Many studies claim that computers distract people … 原样抄进开头会被看作没有自己的语言
- 两面都写时，观点必须明确：开头就说清自己的立场（科技本身不让人变懒），两面论证都为这个立场服务，结尾再回扣，不要写成“有利有弊、因人而异”就结束
- 让步部分要有例子，不能只写 Technology has some bad effects.；本篇用搜索引擎、导航软件、弹窗广告三个例子
- 比较级 lazy → lazier（y 变 i 加 er），不写 more lazy

3 题目要求逐条落实

每一条要求 → 范文里的哪一句

题目要求	范文原句	怎么做到的
标题写在正文上方	Is technology making people lazy?	标题一字不差照抄题目，保留问号，不计入字数。
用自己的话转述参考陈述	It is often claimed that computers leave people easily distracted, mentally lazy and less efficient at work.	参考陈述是 Many studies claim that computers distract people, make them lazy thinkers and even lower their work efficiency；范文换成 It is often claimed that、leave people + 三个形容词，意思不变，结构全换了。
回答标题，亮明观点	In my view, technology itself does not make people lazy; what matters is how they use it.	第一段第二句就明确表态：科技本身不会让人变懒，重要的是怎么用，全文都围绕这个观点展开。
承认科技可能助长懒惰（举例）	It is true that technology can encourage laziness.	第二段先让步，再用三个例子说明：有了搜索引擎不再记事实、出门全靠导航、弹窗广告打断工作，正好对应参考陈述里的“懒于思考”“分心”“效率低”。
说明用得好能让人更有效率（举例）	On the other hand, technology can make people more productive when it is used wisely.	第三段用 On the other hand 转折，举出两个例子：把人从重复劳动中解放出来、网络课程让人随时学习，证明“关键在怎么用”。
点出关键，回扣标题	If people treat technology as a tool rather than a crutch, it will make them smarter, not lazier.	先用 The key, therefore, is self-discipline. 点出关键，最后用 smarter, not lazier 直接回答标题的问题。

字数 120—180 词	The key, therefore, is self-discipline.	正文共 172 词（标题不计）：第一段 2 句，第二段 4 句，第三段 5 句，两面论证篇幅相当，没有超过 180 词。

4 写作思路

先列提纲，每段一个任务

标题

照抄题目

Is technology making people lazy?（科技正在让人变懒吗？），写在正文上方

第一段

转述参考陈述，亮明观点

常有人说电脑让人分心、思想懒惰、效率降低 → 我认为科技本身不会让人变懒，重要的是怎么用

第二段

让步：科技可能助长懒惰

诚然科技可能助长懒惰 → 有了搜索引擎，不再记事实、不再把问题想透 → 出行全靠导航，很少自己认路 → 消息和弹窗广告打断工作，难以集中、效率降低

第三段

转折：用得好更有效率，点出关键

用得好，科技让人更有效率 → 把人从重复性工作中解放出来，有更多时间做创造性工作 → 网络课程和数字图书馆让人随时随地学新技能 → 关键在于自律 → 把科技当工具而不是拐杖，它让人更聪明而不是更懒

5 满分范文

荧光笔 + 圆圈编号 = 下面讲的高分句式

[1] **Is technology making people lazy?**

[2] It is often claimed that computers leave people easily distracted, mentally lazy and less efficient at work①. [3] In my view, technology itself does not make people lazy; what matters is how they use it②.

[4] It is true that technology can encourage laziness③. [5] With search engines at hand, some people no longer bother to remember facts or think problems through④. [6] Others rely on navigation apps for every trip and rarely try to find their own way. [7] Constant messages and pop-up advertisements also interrupt their work, making it hard to concentrate and lowering their efficiency⑤.

[8] On the other hand, technology can make people more productive when it is used wisely. [9] It frees people from repetitive tasks such as calculating figures and copying documents, giving them more time for creative work⑥. [10] Online courses and digital libraries also allow them to learn new skills and explore new fields whenever and wherever they like. [11] The key, therefore, is self-discipline. [12] If people treat technology as a tool rather than a crutch, it will make them smarter, not lazier⑦.

参考译文

科技正在让人变懒吗?

常有人说，电脑让人容易分心、思想懒惰，工作效率也更低。在我看来，科技本身并不会让人变懒；重要的是人们如何使用它。

诚然，科技可能会助长懒惰。有了随手可用的搜索引擎，一些人不再费心去记住事实，也不再把问题想透。还有些人每次出行都依赖导航软件，很少尝试自己认路。不断的消息和弹出式广告也会打断他们的工作，使人难以集中注意力，降低工作效率。

另一方面，如果使用得当，科技能让人们更有效率。它把人们从计算数字、复制文件等重复性工作中解放出来，让他们有更多时间从事创造性工作。网络课程和数字图书馆还让他们能够随时随地学习新技能、探索新领域。因此，关键在于自律。如果人们把科技当作工具而不是拐杖，它就会让人们更聪明，而不是更懒惰。

6 一步一步写出这篇范文

01 照抄标题

把题目给的标题原样写在正文上方，保留问号，抄完逐词核对一遍。

> 1 Is technology making people lazy?
> 科技正在让人变懒吗?

02 改写参考陈述

用 It is often claimed that 代替 Many studies claim that；把三个动词短语（distract people、make them lazy thinkers、lower their work efficiency）改成 leave people + 三个形容词（easily distracted、mentally lazy、less efficient at work）。

> 2 It is often claimed that computers leave people easily distracted, mentally lazy and less efficient at work.
> 常有人说，电脑让人容易分心、思想懒惰，工作效率也更低。

03 亮明辩证的观点

用 In my view 表态，前半句否定（technology itself does not make people lazy），分号后用 what matters is how they use it 说出关键，为下面两段定好方向。

> 3 In my view, technology itself does not make people lazy; what matters is how they use it.
> 在我看来，科技本身并不会让人变懒；重要的是人们如何使用它。

04 先让步，用三个例子写坏处

用 It is true that … 承认科技可能助长懒惰；再用 With search engines at hand、Others、Constant messages 写三个例子，分别对应“懒于思考”“依赖”“分心、效率低”。

> 4 It is true that technology can encourage laziness.
> 诚然，科技可能会助长懒惰。
>
> 5 With search engines at hand, some people no longer bother to remember facts or think problems through.
> 有了随手可用的搜索引擎，一些人不再费心去记住事实，也不再把问题想透。
>
> 6 Others rely on navigation apps for every trip and rarely try to find their own way.
> 还有些人每次出行都依赖导航软件，很少尝试自己认路。
>
> 7 Constant messages and pop-up advertisements also interrupt their work, making it hard to concentrate and lowering their efficiency.
> 不断的消息和弹出式广告也会打断他们的工作，使人难以集中注意力，降低工作效率。

05 转折，用两个例子写好处

用 On the other hand, technology can make people more productive when it is used wisely. 转折，when 从句点出条件；再写两个例子：frees people from repetitive tasks、allow them to learn new skills。

> 8 On the other hand, technology can make people more productive when it is used wisely.
> 另一方面，如果使用得当，科技能让人们更有效率。
> 9 It frees people from repetitive tasks such as calculating figures and copying documents, giving them more time for creative work.
> 它把人们从计算数字、复制文件等重复性工作中解放出来，让他们有更多时间从事创造性工作。
> 10 Online courses and digital libraries also allow them to learn new skills and explore new fields whenever and wherever they like.
> 网络课程和数字图书馆还让他们能够随时随地学习新技能、探索新领域。

06 点出关键，回答标题

用插入语 therefore 写短句 The key, therefore, is self-discipline. 下结论；最后用 If … as a tool rather than a crutch 和 smarter, not lazier 收尾，直接回答标题。

> 11 The key, therefore, is self-discipline.
> 因此，关键在于自律。
> 12 If people treat technology as a tool rather than a crutch, it will make them smarter, not lazier.
> 如果人们把科技当作工具而不是拐杖，它就会让人们更聪明，而不是更懒惰。

7 为什么是满分档

切题・结构与连贯・语言

切题

紧扣标题的问题：开头改写参考陈述，紧接着明确回答“科技本身不会让人变懒，关键在怎么用”；第二段承认科技可能助长懒惰，三个例子正好对应参考陈述里的分心、懒于思考、效率低；第三段说明用得好能让人更有效率，最后用 smarter, not lazier 直接回答标题。观点明确，两面论证都为观点服务，符合满分档“切题、思想表达清楚”的要求。

Is technology making people lazy?

It is often claimed that computers leave people easily distracted, mentally lazy and less efficient at work.

In my view, technology itself does not make people lazy; what matters is how they use it.

It is true that technology can encourage laziness.

technology can make people more productive when it is used wisely

it will make them smarter, not lazier

结构与连贯

辩证类作文的标准结构：转述 + 观点 → 让步（坏处）→ 转折（好处）+ 结论。第二段用 It is true that 让步，some people、Others、also 排列三个例子；第三段用 On the other hand 转折，also 补充第二个例子，therefore 引出结论。两段一反一正、篇幅相当，衔接词用得恰当，思路一目了然，这是满分档在结构上的表现。

In my view | It is true that | some people | Others | On the other hand | Online courses and digital libraries also | The key, therefore, is self-discipline.

语言

句式丰富：It is often claimed that 转述、what matters 主语从句、With … at hand 复合结构、句末现在分词作结果状语（making …、giving …）、when 条件从句、If … rather than … 的对比。用词准确又地道，如 easily distracted、mentally lazy、think problems through、pop-up advertisements、repetitive tasks、self-discipline、a tool rather than a crutch。全文没有语法错误，符合满分档对语言的要求。

leave people easily distracted, mentally lazy and less efficient at work | what matters is how they use it | With search engines at hand, some people no longer bother to remember facts or think problems through. | making it hard to concentrate and lowering their efficiency | giving them more time for creative work | a tool rather than a crutch

8 升格示范

普通写法一步一步改成满分句

升格 1

第 1 步 I think technology has advantages and disadvantages.
没有回答标题“是否让人变懒”，写成了万能的“有利有弊”，观点不明确。

第 2 步 In my view, technology does not make people lazy.
明确回答了标题；但只是否定，没说出为什么有人会变懒，下文的让步就接不上。

第 3 步 In my view, technology itself does not make people lazy; it depends on people.
加了 itself，强调“科技本身”；分号后补出关键。最后把空泛的 it depends on people 改成 what matters is how they use it，说清关键是“怎么用”，为下文两段定好方向。

满分句 **In my view, technology itself does not make people lazy; what matters is how they use it.**

升格 2

第 1 步 Some people search everything on the Internet.
只描述了一个行为，看不出和“懒”有什么关系；search everything 也不地道（应为 search for）。

第 2 步 Because of search engines, some people do not remember facts.
说出了坏处（不再记事实），和“懒于思考”挂上了钩；但句子平淡。

第 3 步 With search engines at hand, some people no longer bother to remember facts.
With … at hand 写出“随手可得”，no longer bother to 写出“懒得去”，“懒”的意思出来了；最后补上 or think problems through，从“懒得记”写到“懒得想”，对应参考陈述的 lazy thinkers。

满分句 **With search engines at hand, some people no longer bother to remember facts or think problems through.**

升格 3

第 1 步 So we should use technology correctly.
结尾是一句空话，correctly 怎么才算正确？也没有回答标题。

第 2 步 If people use technology wisely, it will make them smarter.
说出了条件和结果，smarter 开始回应标题；但 use wisely 前文已经用过，有重复。

第 3 步 If people treat technology as a tool, it will make them smarter, not lazier.
treat … as a tool 把科技比作工具，smarter, not lazier 直接回答标题；最后加上 rather than a crutch，和“拐杖”一对比，“用”和“靠”的区别就形象地说出来了。

满分句 **If people treat technology as a tool rather than a crutch, it will make them smarter, not lazier.**

9 高分句式

公式 → 原句 → 讲解 → 仿写

① It is often claimed that … leave people 转述句

这个句式表达 表达“常有人说，……让人变得……”，用自己的话转述参考陈述

公式 It is often claimed that + 主语 + leave + 人 + 形容词1, 形容词2 and 形容词3

范文原句 It is often claimed that computers leave people easily distracted, mentally lazy and less efficient at work
常有人说，电脑让人容易分心、思想懒惰，工作效率也更低

It is often claimed that 意思是“常有人说”，用形式主语转述别人的观点，后面再提出自己的看法；leave + 宾语 + 形容词 意思是“使……处于某种状态”；三个形容词短语并列，把参考陈述的三层意思（分心、懒于思考、效率低）一句说完。

例1 It is often claimed that online games leave children tired, lonely and less interested in their studies.
常有人说，网络游戏让孩子疲惫、孤独，对学习也没那么感兴趣。

例2 It is often claimed that city life leaves people busy, stressed and short of sleep.
常有人说，城市生活让人忙碌、压力大、睡眠不足。

也可以这样说

Some people argue that ...

一些人认为……

It is widely believed that ...

人们普遍认为……

② A itself does not ...; what matters is how 辩证观点句

这个句式表达 表达“A 本身并不会……；重要的是人们如何……”，给出辩证、明确的观点

公式 In my view, A itself does not + 动词 …; what matters is how + 主语 + 动词 + it

范文原句 In my view, technology itself does not make people lazy; what matters is how they use it

在我看来，科技本身并不会让人变懒；重要的是人们如何使用它

itself 强调“科技本身”，把问题从工具转到人身上；what matters is … 是主语从句，意思是“重要的是……”，how they use it 作表语。分号前否定、分号后说出关键，观点既明确又辩证，下文两段正好分别论证。

例1 In my view, money itself does not bring happiness; what matters is how we spend it.

在我看来，金钱本身并不会带来幸福；重要的是我们如何花钱。

例2 In my view, social media itself is not harmful; what matters is how much time we spend on it.

在我看来，社交媒体本身并没有害处；重要的是我们在上面花多少时间。

也可以这样说

The key lies in how ...

关键在于如何……

It all depends on ...

这完全取决于……

③ It is true that ... On the other hand 让步转折

这个句式表达 表达“诚然……；另一方面……”，先承认对方说法有道理，再转到自己的观点

公式 It is true that + 句子（让步）… On the other hand, + 句子（转折）…

范文原句 It is true that technology can encourage laziness

诚然，科技可能会助长懒惰

It is true that 意思是“诚然、的确”，先承认对方的观点，显得客观；第二段写完坏处之后，第三段用 On the other hand 转到好处。这一对让步转折是辩证类作文最常用的结构，能让论证更全面、更有说服力。encourage laziness 意思是“助长懒惰”。

例1 It is true that online learning has some problems, such as a lack of face-to-face communication.

诚然，网上学习有一些问题，比如缺少面对面的交流。

例2 It is true that part-time jobs take up students' time, but they also teach useful skills.
诚然，兼职会占用学生的时间，但兼职也能教会他们有用的技能。

也可以这样说

Admittedly, ...
诚然，……

However, ...
然而，……

④ With … at hand, … no longer bother to 举例句

这个句式表达 表达“有了随手可用的……，一些人不再费心去……”，举例说明某种便利带来的坏处

公式 With + 名词 + at hand, some people no longer bother to + 动词1 … or + 动词2 …

范文原句 With search engines at hand, some people no longer bother to remember facts or think problems through
有了随手可用的搜索引擎，一些人不再费心去记住事实，也不再把问题想透

With + 名词 + at hand 是 with 复合结构，意思是“有了随手可得的……”；no longer 意思是“不再”；bother to do 意思是“费心去做”，常用在否定句里；think problems through 意思是“把问题想透”。用一个具体例子说明“懒于思考”，比只说 make people lazy 有说服力。

例1 With delivery apps at hand, some people no longer bother to cook or even go out.
有了随手可用的外卖软件，一些人不再费心做饭，甚至不出门了。

例2 With translation tools at hand, some students no longer bother to look up new words.
有了随手可用的翻译工具，一些学生不再费心去查生词。

也可以这样说

Since ... is so easy to use, ...
因为……用起来非常方便，……

... are too lazy to ...
……懒得去……

⑤ …, making it hard to … 结果状语句

这个句式表达 表达“……，使人难以……，并降低……”，用现在分词写出前面一件事造成的结果

公式 主语 + 谓语 …, making it hard to + 动词原形 … and lowering + 名词

范文原句 making it hard to concentrate and lowering their efficiency

使人难以集中注意力，降低工作效率

现在分词短语 making …、lowering … 放在句末，表示前面的事（消息和广告打断工作）带来的结果，主语和前半句一样；make it hard to do 里 it 是形式宾语，真正的宾语是 to concentrate。一句话写出原因和两个结果，比再写一句 This makes … 更紧凑。

例1 The noise from the street kept me awake, making it hard to study the next day.

街上的噪音让我睡不着，第二天很难学习。

例2 Heavy rain flooded the roads, making it hard to travel and closing many shops.

大雨淹没了道路，出行很困难，许多商店也关了门。

也可以这样说

…, which makes it difficult to …

……，这让人很难……

As a result, …

结果，……

⑥ frees people from …, giving them 好处句

这个句式表达 表达“它把人们从……中解放出来，让他们有更多时间……”，说明一样东西带来的好处

公式 It frees people from + 名词 + such as + 动名词 …, giving them more time for + 名词

范文原句 It frees people from repetitive tasks such as calculating figures and copying documents, giving them more time for creative work

它把人们从计算数字、复制文件等重复性工作中解放出来，让他们有更多时间从事创造性工作

free sb. from sth. 意思是“把某人从……中解放出来”；such as 后面举出两个具体的重复劳动；句末现在分词 giving them more time 写出结果。repetitive 和 creative 一对比，说明科技把时间从低价值的工作转到高价值的工作，正好反驳“科技让人懒”。

例1 Washing machines free people from heavy housework, giving them more time to rest.

洗衣机把人们从繁重的家务中解放出来，让他们有更多时间休息。

例2 Online banking frees us from waiting in long lines, giving us more time for other things.

网上银行让我们不用排长队，给了我们更多时间做别的事。

也可以这样说

... saves people a lot of time and energy

……为人们节省大量时间和精力

... so that people can ...

……，这样人们就能……

⑦ treat A as a tool rather than a crutch 结论句

这个句式表达 表达“如果把 A 当作工具而不是拐杖，它就会让人更……，而不是更……”，用比喻和对比收尾

公式 If people treat A as + 名词1 + rather than + 名词2, it will make them + 比较级1, not + 比较级2

范文原句 If people treat technology as a tool rather than a crutch, it will make them smarter, not lazier

如果人们把科技当作工具而不是拐杖，它就会让人们更聪明，而不是更懒惰

treat A as B 意思是“把 A 当作 B”；a tool（工具）和 a crutch（拐杖，比喻离了它就走不了路的依赖）对比，形象地说出“用”和“靠”的区别；smarter, not lazier 两个比较级对照，直接回答标题 Is technology making people lazy?。

例1 If students treat the Internet as a library rather than a playground, it will make them better informed, not more distracted.

如果学生把互联网当作图书馆而不是游乐场，它会让他们知识更丰富，而不是更容易分心。

例2 If we treat failure as a lesson rather than an end, it will make us stronger, not weaker.

如果我们把失败当作一次教训而不是终点，它会让我们更强大，而不是更脆弱。

也可以这样说

As long as we use it wisely, ...

只要我们合理使用它，……

..., not ... but ...

……，不是……而是……

10 亮点词汇

把普通说法换成高分说法

高分表达	意思	替代的普通说法
distracted	adj. 分心的；注意力不集中的	unfocused
mentally	adv. 精神上；思想上	in the mind
efficient	adj. 效率高的	productive
laziness	n. 懒惰	idleness
at hand	在手边；随手可用	within easy reach
concentrate	v. 集中注意力	focus
productive	adj. 富有成效的；效率高的	efficient
repetitive	adj. 重复的	routine
self-discipline	n. 自律	self-control
crutch	n. 拐杖；（比喻）依赖的东西	support

暴力电子游戏会导致暴力吗?

2021年6月大学英语四级 第3套 · 写作 Part I
议论文 · 范文 171 词

1 原题

Part Ⅰ **Writing** **(30 minutes)**

Directions: *For this part, you are allowed 30 minutes to write an essay titled "Do violent video games lead to violence?". The statement given below is for your reference. You should write at least 120 words but no more than 180 words.*

A growing body of research finds that violent video games can make kids act aggressively in their real world relationships, causing an increase in violence.

题目译文

这一部分（For this part），你有 30 分钟（30 minutes）写一篇文章（essay），题目是“暴力电子游戏会导致暴力吗？”（Do violent video games lead to violence?）。

下面给出的这段说法供你参考（for your reference），不必照着它写。

字数：至少 120 词（at least 120 words），但不超过 180 词（no more than 180 words）。

参考说法：越来越多的研究（A growing body of research）发现，暴力电子游戏（violent video games）会让孩子在现实生活的人际交往中表现出攻击性（act aggressively in their real world relationships），导致暴力事件增多（causing an increase in violence）。

2 审题

先弄清楚要写什么，再动笔

命题作文（标题 + 参考陈述）：暴力电子游戏会导致暴力吗?

120—180 词（题目要求 at least 120 words but no more than 180 words）；标题不计入字数，本篇正文 171 词。写到 160—180 词最稳，绝不能超过 180 词

- [ ] 把题目给的标题 Do violent video games lead to violence? 写在正文上方
- [ ] 开头用自己的话转述参考陈述（研究发现暴力游戏会让孩子在现实中更具攻击性，导致暴力增加）
- [ ] 直接回答标题的问题，亮明观点：游戏本身很少直接让人变得暴力，但确实会助长攻击性行为
- [ ] 分析暴力游戏怎样影响孩子（原因和表现），再承认暴力还有别的成因，让观点更客观
- [ ] 提出对策（家长、游戏公司分别该做什么），最后回扣标题

语气与身份：客观、谨慎、理性的议论语气：用 may、can、seldom 这类留有余地的词，不说“游戏一定让人变坏”这种绝对的话；提对策时语气明确，用 should

容易失分的地方

- 标题照抄题目，写在正文上方，保留问号：Do violent video games lead to violence?
- 参考陈述只能改写，不能照抄：A growing body of research finds that … 原样抄进开头会被看作没有自己的语言
- 观点不要说得太绝对：写 violent games turn all players into criminals 不合事实，容易被认为论证不严谨；本篇用 seldom … alone、can indeed encourage，既有立场又有分寸
- 写对策要分清对象，一类人一句：家长做什么、游戏公司做什么，不要笼统写 We should do something.
- lead to 意思是“导致”，to 是介词，后接名词：lead to violence，不写 lead to be violent

3 题目要求逐条落实

每一条要求 → 范文里的哪一句

题目要求	范文原句	怎么做到的
标题写在正文上方	Do violent video games lead to violence?	标题一字不差照抄题目，保留问号，不计入字数。
用自己的话转述参考陈述	Many studies suggest that violent video games may make children more aggressive in real life.	参考陈述是 A growing body of research finds that violent video games can make kids act aggressively in their real world relationships；范文换成 Many studies suggest、make children more aggressive、in real life，意思不变，说法更简洁。
回答标题，亮明观点	although such games alone seldom turn a person violent, they can indeed encourage aggressive behavior, especially among young players	用 although 先说游戏很少单独让人变得暴力，再说它确实会助长攻击性行为，尤其是对年轻玩家，观点明确又有分寸。
分析暴力游戏的影响	Children are still developing their sense of right and wrong.	第二段先说原因：孩子的是非观还没成熟；再写三种影响：把暴力当成解决问题的办法、模仿脏话和暴力动作、对他人的痛苦变得麻木。
承认暴力还有别的成因	Of course, violence has many causes, such as family problems and peer pressure, and not everyone who plays these games becomes violent.	第三段用 Of course 让步，承认暴力不全是游戏造成的；紧接着用 Still, the risks cannot be ignored. 回到观点，论证更客观。
提出对策	Parents should choose games suitable for their children’s age and limit their playing time, and game companies should take their social responsibility seriously.	对策分两类人：家长选适龄游戏、限制游戏时间；游戏公司承担社会责任，具体又有针对性。

收尾，回扣标题	With such measures, young people can enjoy games without being harmed by them.	最后一句说明采取措施后的效果：既能享受游戏，又不受伤害，回扣“游戏是否导致暴力”的话题，结尾积极。
字数 120—180 词	Still, the risks cannot be ignored.	正文共 171 词（标题不计）：第一段 2 句，第二段 4 句，第三段 4 句，影响分析和让步对策篇幅均衡，没有超过 180 词。

4 写作思路

先列提纲，每段一个任务

标题

照抄题目

Do violent video games lead to violence?（暴力电子游戏会导致暴力吗？），写在正文上方

第一段

转述参考陈述，亮明观点

许多研究表明暴力游戏可能让孩子在现实中更具攻击性 → 我认为游戏本身很少直接让人变暴力，但确实会助长攻击性行为，尤其是对年轻玩家

第二段

分析影响

孩子的是非观还在形成 → 打斗杀戮能得分，可能把暴力看作解决问题的办法 → 有的甚至模仿脏话和暴力动作 → 长时间玩会对他人的痛苦变得麻木

第三段

让步、对策、收尾

当然，暴力有很多成因，不是每个玩家都会变暴力 → 但风险不容忽视 → 家长选适龄游戏、限制时间；游戏公司承担社会责任 → 这样年轻人就能享受游戏而不受伤害

companies should take their social responsibility seriously⑥. [11] With such measures, young people can enjoy games without being harmed by them⑦.

参考译文

暴力电子游戏会导致暴力吗?

许多研究表明，暴力电子游戏可能会让孩子在现实生活中更具攻击性。在我看来，虽然这类游戏本身很少会让一个人变得暴力，但它们确实会助长攻击性行为，在年轻玩家中尤其如此。

孩子们的是非观仍在形成之中。当他们花几个小时玩那些打斗和杀戮能得分的游戏时，他们可能会逐渐把暴力看作解决问题的一种可以接受的方式。有些孩子甚至会模仿他们在屏幕上看到的脏话和暴力动作。此外，长时间玩这类游戏会让玩家对他人的痛苦变得不那么敏感。

当然，暴力有很多成因，比如家庭问题和同伴压力，而且并不是每个玩这些游戏的人都会变得暴力。尽管如此，这些风险不容忽视。家长应当选择适合孩子年龄的游戏，并限制他们玩游戏的时间；游戏公司也应当认真承担起自己的社会责任。有了这些措施，年轻人就能享受游戏，而不会受到游戏的伤害。

6 一步一步写出这篇范文

01 照抄标题

把题目给的标题原样写在正文上方，保留问号，抄完逐词核对一遍。

> 1 Do violent video games lead to violence?
> 暴力电子游戏会导致暴力吗?

02 改写参考陈述

把 A growing body of research finds 换成 Many studies suggest，把 kids act aggressively in their real world relationships 换成 make children more aggressive in real life；不写后半句 causing an increase in violence，留给下一句表态。

> 2 Many studies suggest that violent video games may make children more aggressive in real life.
> 许多研究表明，暴力电子游戏可能会让孩子在现实生活中更具攻击性。

03 用 although 亮明有分寸的观点

用 In my opinion 表态；although 从句先承认“游戏很少单独让人变暴力”，主句用 can indeed encourage aggressive behavior 说出立场，句末 especially among young players 点明重点人群。

> 3 In my opinion, although such games alone seldom turn a person violent, they can indeed encourage aggressive behavior, especially among young players.
> 在我看来，虽然这类游戏本身很少会让一个人变得暴力，但它们确实会助长攻击性行为，在年轻玩家中尤其如此。

04 先说原因，再写三种影响

第二段第一句说孩子的是非观还在形成（为什么孩子容易受影响）；然后用 When they spend hours …、Some may even …、Moreover … 写出三种影响，从想法到行为再到情感，一层比一层深。

> 4 Children are still developing their sense of right and wrong.
> 孩子们的是非观仍在形成之中。
> 5 When they spend hours playing games in which fighting and killing are rewarded with points, they may come to see violence as an acceptable way to solve problems.
> 当他们花几个小时玩那些打斗和杀戮能得分的游戏时，他们可能会逐渐把暴力看作解决问题的一种可以接受的方式。
> 6 Some may even copy the foul language and violent actions they see on the screen.
> 有些孩子甚至会模仿他们在屏幕上看到的脏话和暴力动作。
> 7 Moreover, playing such games for long periods can make players less sensitive to the suffering of others.
> 此外，长时间玩这类游戏会让玩家对他人的痛苦变得不那么敏感。

05 让步后回到观点

第三段用 Of course … such as …, and not everyone who … 承认别的成因；紧接着用一句短句 Still, the risks cannot be ignored. 转回观点，引出对策。

> 8 Of course, violence has many causes, such as family problems and peer pressure, and not everyone who plays these games becomes violent.
> 当然，暴力有很多成因，比如家庭问题和同伴压力，而且并不是每个玩这些游戏的人都会变得暴力。
> 9 Still, the risks cannot be ignored.
> 尽管如此，这些风险不容忽视。

06 分对象提出对策，说明效果

用 Parents should … and …, and game companies should … 一句话给两类人提出对策；最后用 With such measures, … can enjoy games without being harmed by them. 说出效果，结尾积极。

> 10 Parents should choose games suitable for their children's age and limit their playing time, and game companies should take their social responsibility seriously.
> 家长应当选择适合孩子年龄的游戏，并限制他们玩游戏的时间；游戏公司也应当认真承担起自己的社会责任。
> 11 With such measures, young people can enjoy games without being harmed by them.
> 有了这些措施，年轻人就能享受游戏，而不会受到游戏的伤害。

7 为什么是满分档

切题

紧扣标题的问题：开头改写参考陈述，紧接着明确表态——游戏很少单独让人变暴力，但确实会助长攻击性行为；第二段分析暴力游戏怎样影响孩子的想法、行为和情感；第三段承认暴力有别的成因，再回到“风险不容忽视”，提出对策。全文观点明确、有分寸，每一段都在回答“暴力游戏是否导致暴力”，符合满分档“切题、思想表达清楚”的要求。

Do violent video games lead to violence?

Many studies suggest that violent video games may make children more aggressive in real life.

although such games alone seldom turn a person violent, they can indeed encourage aggressive behavior

they may come to see violence as an acceptable way to solve problems

Still, the risks cannot be ignored.

With such measures, young people can enjoy games without being harmed by them.

结构与连贯

命题作文的标准三段式：转述 + 观点 → 影响分析 → 让步 + 对策。第二段先说原因（孩子的是非观还在形成），再用 When …、Some may even、Moreover 层层递进；第三段 Of course 让步、Still 转回、With such measures 收尾。such games、these games、such measures 等词不断回指上文，衔接紧密，思路清楚，这是满分档在结构上的表现。

In my opinion

Children are still developing their sense of right and wrong.

Some may even

Moreover

Of course

Still

With such measures

语言

句式丰富：although 让步从句、in which 定语从句、被动语态 are rewarded with points、come to see A as B、动名词作主语、not everyone who 部分否定、形容词短语后置（games suitable for …）、without being harmed 被动动名词。用词准确，如 aggressive、sense of right and wrong、foul language、less sensitive to、peer pressure、social responsibility；may、can、seldom 等词让语气有分寸。全文没有语法错误，符合满分档对语言的要求。

although such games alone seldom turn a person violent

fighting and killing are rewarded with points

copy the foul language and violent actions they see on the screen

less sensitive to the suffering of others

not everyone who plays these games becomes violent

games suitable for their children’s age

without being harmed by them

8 升格示范

普通写法一步一步改成满分句

升格 1

第 1 步 In my opinion, violent video games make people violent.
观点太绝对，不合事实（大多数玩家并不暴力），论证容易被认为不严谨。

第 2 步 In my opinion, violent video games can encourage aggressive behavior.
把 make people violent 改成 can encourage aggressive behavior，用 can 和 encourage 让说法有分寸；但还没回应“游戏是不是唯一原因”。

第 3 步 In my opinion, although such games alone seldom turn a person violent, they can encourage aggressive behavior.
加上 although 从句，先承认游戏很少单独让人变暴力，观点更客观；最后加上 indeed 强调立场，再补上 especially among young players，点出最需要关注的人群。

满分句 **In my opinion, although such games alone seldom turn a person violent, they can indeed encourage aggressive behavior, especially among young players.**

升格 2

第 1 步 Violent games teach children bad things.
只说“教坏”，看不出游戏怎样影响孩子、教了什么坏东西。

第 2 步 When children play violent games, they may think violence is acceptable.
说出了影响（认为暴力可以接受），may 语气谨慎；但没说出游戏的什么特点造成了这种影响。

第 3 步 When they spend hours playing games in which fighting and killing are rewarded with points, they may think violence is acceptable.
用 spend hours 写出时间长，用 in which 从句写出游戏的特点（打斗杀戮能得分），原因就清楚了；最后把 think violence is acceptable 改成 come to see violence as an acceptable way to solve problems，come to 写出“逐渐形成”，to solve problems 说清危害在哪里。

满分句 **When they spend hours playing games in which fighting and killing are rewarded with points, they may come to see violence as an acceptable way to solve problems.**

升格 3

第 1 步 We should pay attention to this problem.
对策是一句空话：谁来做、做什么都没说。

第 2 步 Parents should limit their children's playing time.
有了具体对象（家长）和具体做法（限制游戏时间），对策可以执行了；但只有一条。

第 3 步 Parents should choose games suitable for their children's age and limit their playing time.
加上“选择适龄游戏”，家长的对策更完整；最后再用 and game companies should take their social responsibility seriously 加上第二类对象，对策从家庭扩展到社会，更全面。

满分句 **Parents should choose games suitable for their children's age and limit their playing time, and game companies should take their social responsibility seriously.**

9 高分句式

公式 → 原句 → 讲解 → 仿写

① Many studies suggest that … may make 转述句

这个句式表达 表达“许多研究表明，……可能会让……更……”，用自己的话转述参考陈述

公式 Many studies suggest that + 主语 + may make + 人 + 比较级形容词 + 地点 / 场合

范文原句 Many studies suggest that violent video games may make children more aggressive in real life

许多研究表明，暴力电子游戏可能会让孩子在现实生活中更具攻击性

suggest that 在这里是“表明”，不是“建议”，所以从句不用动词原形；may 表示“可能”，语气谨慎；make + 宾语 + 形容词比较级（more aggressive）写出变化；in real life 和游戏里的世界形成对比。把参考陈述的 act aggressively in their real world relationships 改成更简洁的说法。

例1 Many studies suggest that regular exercise may make students more focused in class.

许多研究表明，经常锻炼可能会让学生上课更专注。

例2 Many studies suggest that reading before bed may make children more relaxed.

许多研究表明，睡前阅读可能会让孩子更放松。

也可以这样说

Research shows that ...

研究表明……

It has been found that ...

人们发现……

② although … alone seldom …, … can indeed 有分寸的观点句

这个句式表达 表达“虽然……本身很少会……，但它确实会……，尤其是在……中”，表明一个既有立场又不绝对的观点

公式 In my opinion, although A alone seldom + 动词 …, it / they can indeed + 动词 …, especially among + 人

范文原句 In my opinion, although such games alone seldom turn a person violent, they can indeed encourage aggressive behavior, especially among young players

在我看来，虽然这类游戏本身很少会让一个人变得暴力，但它们确实会助长攻击性行为，在年轻玩家中尤其如此

although 从句先让一步：alone 意思是“单单、仅凭”，seldom 意思是“很少”；主句用 can indeed 说出立场，indeed 意思是“确实”；especially among young players 点出重点人群。注意 although 和 but 不能同时用。这样表态既回答了标题，又不会说得太绝对，显得思考周全。

例1 In my opinion, although fast food alone seldom makes people ill, it can indeed lead to poor health, especially among children.

在我看来，虽然快餐本身很少会让人生病，但它确实会损害健康，在孩子中尤其如此。

例2 In my opinion, although social media alone seldom causes loneliness, it can indeed make some people feel left out.

在我看来，虽然社交媒体本身很少会造成孤独，但它确实会让一些人觉得被冷落。

也可以这样说

While it is true that ..., ...

虽然……确实如此，但……

... to some extent

在一定程度上……

③ come to see A as B 观念变化句

这个句式表达 表达“当他们……时，他们可能会逐渐把 A 看作 B”，分析一种行为怎样改变人的想法

公式 When + 主语 + spend hours + 动名词 …, they may come to see A as B

范文原句 When they spend hours playing games in which fighting and killing are rewarded with points, they may come to see violence as an acceptable way to solve problems

当他们花几个小时玩那些打斗和杀戮能得分的游戏时，他们可能会逐渐把暴力看作解决问题的一种可以接受的方式

spend hours doing 意思是“花几个小时做某事”；in which 定语从句说明游戏的特点（打斗杀戮能得分），are rewarded with points 是被动语态；come to see A as B 意思是“逐渐把 A 看作 B”，come to do 表示慢慢形成的变化。把“为什么会有影响”讲清楚，论证就有深度。

例1 When children spend hours watching ads, they may come to see expensive things as a sign of success.

当孩子花几个小时看广告时，他们可能会逐渐把昂贵的东西看作成功的标志。

例2 When students spend hours preparing for exams, they may come to see learning as a heavy burden.

当学生花几个小时准备考试时，他们可能会逐渐把学习看作沉重的负担。

也可以这样说

... may begin to believe that ...

……可能会开始相信……

... regard A as B

……把 A 看作 B

④ Moreover, doing … can make … less sensitive to 递进影响句

这个句式表达 表达“此外，长时间做某事会让人对……变得不那么敏感”，用递进写出又一种影响

公式 Moreover, + 动名词短语（主语）… for long periods + can make + 人 + less sensitive to + 名词

范文原句 Moreover, playing such games for long periods can make players less sensitive to the suffering of others

此外，长时间玩这类游戏会让玩家对他人的痛苦变得不那么敏感

Moreover 表示递进，引出更深一层的影响；动名词短语 playing such games for long periods 作主语；make + 宾语 + less sensitive to 写出“变得麻木”，less + 形容词表示“不那么……”。前面写想法和行为，这一句写情感，影响分析就完整了。

例1 Moreover, watching too many violent films can make viewers less sensitive to real pain.

此外，看太多暴力电影会让观众对真实的痛苦变得不那么敏感。

例2 Moreover, staying up late for long periods can make students less able to concentrate.

此外，长期熬夜会让学生的注意力越来越难集中。

也可以这样说

What is worse, ...

更糟的是，……

In addition, ...

此外，……

⑤ Of course, … has many causes, and not everyone who 让步句

这个句式表达 表达“当然，……有很多成因，比如……，而且并不是每个……的人都会……”，承认问题的复杂性

公式 Of course, A has many causes, such as + 名词1 and 名词2, and not everyone who + 动词 … + becomes …

范文原句 Of course, violence has many causes, such as family problems and peer pressure, and not everyone who plays these games becomes violent

当然，暴力有很多成因，比如家庭问题和同伴压力，而且并不是每个玩这些游戏的人都会变得暴力

Of course 表示让步，承认对方可能提出的反驳；such as 举出两个别的成因；not everyone 是部分否定，意思是“并非人人都”，who 引导定语从句修饰 everyone，从句和主句的谓语都用单数（plays、becomes）。先让步，再用 Still 转回，论证更客观、更有说服力。

例1 Of course, poor grades have many causes, such as illness and family problems, and not everyone who plays games does badly at school.

当然，成绩差有很多原因，比如生病和家庭问题，而且并不是每个玩游戏的人学习都不好。

例2 Of course, stress has many causes, and not everyone who works long hours feels stressed.

当然，压力有很多来源，而且并不是每个长时间工作的人都会感到压力大。

也可以这样说

Admittedly, ...

诚然，……

It would be unfair to blame ... alone.

把责任全推给……是不公平的。

⑥ Parents should ..., and ... should 分对象对策句

这个句式表达 表达“家长应当……，……也应当……”，一句话分别给不同的人提出对策

公式 Parents should + 动词1 … and + 动词2 …, and + 另一类人 + should + 动词3 …

范文原句 Parents should choose games suitable for their children's age and limit their playing time, and game companies should take their social responsibility seriously

家长应当选择适合孩子年龄的游戏，并限制他们玩游戏的时间；游戏公司也应当认真承担起自己的社会责任

两个 should 分句用 and 连接，分别对家长和游戏公司提出要求；games suitable for their children's age 是形容词短语作后置定语，意思是“适合孩子年龄的游戏”；take … seriously 意思是“认真对待”。对策分清对象、具体可做，比 We should pay attention to this problem 有用得多。

例1 Schools should offer more sports classes, and parents should encourage their children to exercise.

学校应当多开体育课，家长也应当鼓励孩子锻炼。

例2 The government should make stricter rules, and companies should take their duty to protect the environment seriously.

政府应当制定更严格的规定，企业也应当认真履行保护环境的责任。

也可以这样说

For parents, ... For game companies, ...

对家长来说，……；对游戏公司来说，……

It is also necessary for ... to ...

……也有必要……

⑦ With such measures, … without being harmed 效果收尾句

这个句式表达 表达“有了这些措施，……就能……，而不会受到……的伤害”，说明对策的效果，积极收尾

公式 With such measures, + 人 + can + 动词原形 … without being + 过去分词 + by …

范文原句 With such measures, young people can enjoy games without being harmed by them

有了这些措施，年轻人就能享受游戏，而不会受到游戏的伤害

With such measures 意思是“有了这些措施”，回指上一句的对策；without 后接动名词，being harmed by 是动名词的被动形式，意思是“不被……伤害”；them 指 games。这一句不是否定游戏，而是说怎样健康地玩，结尾积极、平衡。

例1 With such measures, students can use their phones without being controlled by them.

有了这些措施，学生就能使用手机，而不会被手机控制。

例2 With proper guidance, children can surf the Internet without being harmed by harmful content.

有了恰当的引导，孩子们就能上网，而不会受到不良信息的伤害。

也可以这样说

In this way, ...

这样，……

Only in this way can ...

只有这样，……才能……

10 亮点词汇

把普通说法换成高分说法

高分表达	意思	替代的普通说法
violent	adj. 暴力的	brutal
aggressive	adj. 有攻击性的；好斗的	hostile
seldom	adv. 很少	rarely
sense of right and wrong	是非观	moral sense
reward	v. 奖励；回报	give points for
acceptable	adj. 可以接受的	proper
foul	adj. 下流的；肮脏的（foul language 脏话）	rude
sensitive	adj. 敏感的；体察的（sensitive to 对……敏感）	aware
peer pressure	同伴压力	pressure from friends
ignore	v. 忽视；不理会	overlook
