长难句分析

英语专八 2024年 Passage Three · 想出人头地的父母与失败的养鸡场 · 本篇 8 句（红色加粗 = 句子主干；红色“/” = 意群切分处）

专八长难句通用拆解法（每句都按这五步走）

1. **切意群**：先看标点（逗号、破折号、括号、分号）和“信号词”——连词（and / but / because / although / if / when）、关系词（who / which / that / where）、 非谓语（to do / doing / done）、介词短语开头处——在这些地方画“/”，把长句切成几小块，每块单独都能看懂。
2. **找主干**：在各块里找**真正的谓语动词**（有时态、跟主语一致的那个动词；to do、doing、done 不是谓语），它前面的核心名词是主语，后面的是宾语或表语。主干所在的块是第 1 层。
3. **挂修饰**：其余每块都问一句“它修饰谁 / 说明什么”——修饰主干的是第 2 层，修饰第 2 层的是第 3 层……把层次理清，句子就不乱了。
4. **顺着读**：按意群顺序一块一块往下理解（顺译），不要回头找、不要逐词死抠；遇到“插入语”先跳过，读完主干再回来看。
5. **调成中文**：把顺译的草稿按中文习惯调整——长定语往前放或拆成短句、被动改主动、名词化改动词——得到通顺的译文。

第 8 句　33 词

It was in the spring of his thirty-fifth year that **father married my mother**, then a country school teacher, and in the following spring I came wriggling and crying into the world.

结构：强调句 It was + 被强调的时间状语 in the spring of his thirty-fifth year + that + 其余部分〔主语 father + 谓语 married + 宾语 my mother（then a country school teacher 作同位语）〕+ and + 并列分句〔时间状语 in the following spring + 主语 I + 谓语 came（现在分词 wriggling and crying 作伴随状语）+ into the world〕

① 切意群：先在哪里画“/”

①**It was in the spring of his thirty-fifth year** / ②**that father married my mother,** / ③then a country school teacher, / ④and in the following spring / ⑤**I came wriggling and crying into the world.**

块	意群（缩进 = 层级）	这一块的意思（顺着英文语序）
①	主干 It was in the spring of his thirty-fifth year	正是在他三十五岁那年的春天
②	主干 that father married my mother,	父亲娶了我母亲
③	一层修饰 then a country school teacher,	（她）当时是一位乡村教师

④	一层修饰 and in the following spring	而在第二年春天
⑤	主干 I came wriggling and crying into the world.	我扭动着、哭着来到了这个世界

② 找主干

主语：father　谓语：married　宾语/表语：my mother

③ 层层拆解：每个修饰成分挂在谁身上

片段	成分	作用（修饰谁 / 做什么）	说明
It was in the spring of his thirty-fifth year that father married my mother	强调句	强调父亲结婚的时间	去掉 It was … that 后句子仍完整：Father married my mother in the spring of his thirty-fifth year，所以是强调句，不是 it 作形式主语。his thirty-fifth year 是“他三十五岁那年”。
father	主语（that 后面部分的主语）	结婚的人：父亲	father 前没有 my、小写，是叙述者家里对父亲的称呼，相当于专名。
then a country school teacher	同位语	补充说明母亲当时的身份	then 是“当时”，修饰后面的名词短语：当时是一位乡村教师；不是“然后”。
and in the following spring I came wriggling and crying into the world	并列分句	接着叙述：第二年春天“我”出生	in the following spring：接下来的那个春天，即第二年春天；come into the world：出生。
wriggling and crying	现在分词短语（作伴随状语）	描写“我”出生时的样子	两个现在分词并列，插在 came 和 into the world 之间：come + 分词 表示“……着来”。

④ 一步步读懂

1. 第一步：看到 It was … that …，试着去掉 It was 和 that：father married my mother in the spring of his thirty-fifth year 仍完整，所以是强调句，强调时间。
2. 第二步：主干：father married my mother——父亲娶了我母亲；then a country school teacher 是母亲的同位语：她当时是乡村教师。
3. 第三步：and 后是并列分句：in the following spring I came … into the world——第二年春天我出生了。
4. 第四步：wriggling and crying 插在 came 和 into the world 之间，作伴随状语：扭动着、哭着。
5. 第五步：连起来：父亲是在三十五岁那年春天娶的我母亲，她当时是一位乡村教师；到了第二年春天，我扭动着身子、哇哇哭着来到了这个世界。

⑤ 易错点：最容易读错的地方

✗ **误读：**把 It was … that 读成形式主语句："那是在……的春天，那个父亲娶了我母亲"。

✓ **正解：**这是强调句，强调时间状语；汉语常用"是……的"表达："父亲是在三十五岁那年春天娶的我母亲"。

✗ **误读：**把 then 读成"然后"："娶了我母亲，然后（成了）一个乡村教师"。

✓ **正解：**then 是"当时"，then a country school teacher 是 my mother 的同位语：她当时是乡村教师。

✗ **误读：**把 came wriggling and crying into the world 拆成"来了，然后扭动、哭进世界"。

✓ **正解：**come into the world 是"出生"，wriggling and crying 是插在中间的伴随状语：扭动着、哭着出生。

⑥ 怎么翻译

> 顺译草稿：正是在他三十五岁那年春天，父亲娶了我的母亲，她当时是一位乡村教师，而在第二年春天，我扭动着、哭着来到了这个世界。

调整方法：顺译、增译、拆分译。强调句用汉语"是……的"结构译出："父亲是在……娶的我母亲"；同位语 then a country school teacher 拆成小句，增译主语"她"；并列分句用分号隔开，按时间顺序顺译，wriggling 增译"身子"、crying 译成"哇哇哭着"，保留生动的画面。

> 参考译文：父亲是在三十五岁那年春天娶的我母亲，她当时是一位乡村教师；到了第二年春天，我扭动着身子，哇哇哭着来到了这个世界。

⑦ 知识点

强调句：It was in the spring of his thirty-fifth year that father married my mother —— It is / was + 被强调部分 + that + 其余部分；去掉 It was … that 句子仍完整。

同位语：my mother, then a country school teacher —— then + 名词短语作同位语：当时是……

现在分词短语：came wriggling and crying into the world —— come + 现在分词：……着来，分词作伴随状语。

并列分句：and in the following spring I came —— and 连接两个完整的分句，按时间先后叙述。

第 14 句　41 词

She had, I presume, **read of how some people rose from poverty to fame and greatness** and as I lay beside her—in the days of her lying-in—she may have dreamed that I would someday rule men and cities.

> **结构：分句①〔主语 She + 谓语 had … read（插入语 I presume 把 had 和 read 隔开）+ of how 引导的宾语从句〕+ and + 分句②〔as 引导的时间状语从句 as I lay beside her（破折号之间 in the days of her lying-in 补充说明时间）+ 主语 she + 谓语 may have dreamed + that 引导的宾语从句〕**

① 切意群：先在哪里画“/”

①She had, / ②I presume, / ③read of how some people rose / ④from poverty to fame and greatness / ⑤and as I lay beside her— / ⑥in the days of her lying-in— / ⑦she may have dreamed / ⑧that I would someday rule men and cities.

块	意群（缩进 = 层级）	这一块的意思（顺着英文语序）
①	主干 She had,	她曾经
②	一层修饰 I presume,	我猜想
③	主干 read of how some people rose	读到过有些人如何发迹
④	一层修饰 from poverty to fame and greatness	从贫困（升到）名声显赫、成就伟大
⑤	一层修饰 and as I lay beside her—	而当我躺在她身边时
⑥	二层修饰 in the days of her lying-in—	（那是）她坐月子的日子
⑦	主干 she may have dreamed	她也许梦想过
⑧	一层修饰 that I would someday rule men and cities.	有朝一日我会统治众人、主宰城市

② 找主干

主语：She　谓语：read　宾语/表语：of how some people rose from poverty to fame and greatness

③ 层层拆解：每个修饰成分挂在谁身上

片段	成分	作用（修饰谁 / 做什么）	说明
She had, I presume, read of how some people rose from poverty to fame and greatness	并列分句（第一个分句）	说母亲读过的东西：穷人如何成名、成就伟业	谓语是过去完成时 had read，被插入语 I presume 隔开；接上一句：她当过教师，肯定读过书。

I presume	插入语	表示叙述者的推测：我猜想	presume：推测、假定；插在助动词 had 和过去分词 read 之间，读时先跳过。
of how some people rose from poverty to fame and greatness	宾语从句（how 从句作介词 of 的宾语）	说明读到的内容	read of：读到关于……的内容。rise from A to B：从 A 上升到 B；fame and greatness 并列，都是 to 的宾语。
and as I lay beside her	时间状语从句（and 连接第二个分句，as 引导时间状语从句）	交代第二个分句的时间：我躺在她身边时	这个 and 连接的是两个分句，不是 fame and greatness 的延续；as = when。lay 是 lie（躺）的过去式。
in the days of her lying-in	介词短语（作时间状语，放在破折号之间）	补充说明“我躺在她身边”是什么时候	lying-in 是名词：产褥期、坐月子；不是 lie 的分词“说谎”。
she may have dreamed that I would someday rule men and cities	主句（第二个分句的主干）	叙述者推测母亲当时的梦想	may have done：对过去的推测“也许曾……”；would 是过去将来时，someday：总有一天；rule men and cities 两个宾语共用 rule。

④ 一步步读懂

1. 第一步：She had, I presume, read …：插入语 I presume 把 had 和 read 隔开，合起来是 had read——“我猜，她曾读到过……”。
2. 第二步：of how some people rose from poverty to fame and greatness：读到过有些人如何由贫寒起家，终至声名显赫、成就伟业。
3. 第三步：第二个 and 后面是新的分句：as I lay beside her 是时间状语从句，破折号之间补充“那是她坐月子的日子”。
4. 第四步：这个分句的主干是 she may have dreamed that …——她也许梦想过……；that I would someday rule men and cities：有朝一日我会统治众人、主宰城市。
5. 第五步：连起来：我猜想，她曾读到过有些人如何由贫寒起家、成就伟业；我躺在她身边的时候——那是她坐月子的日子——她也许梦想过，有朝一日我会统治众人、主宰城市。

⑤ 易错点：最容易读错的地方

✗ **误读：**把第二个 and 当成接着 fame and greatness 的并列，读成“从贫困上升到名声、伟大，以及当我躺在……”。

✓ **正解：**and as I lay … 开始了第二个分句，主干是后面的 she may have dreamed；and 前虽然没有逗号，但它连接的是两个分句。

✗ **误读：**把 lay 当成 lay（放）的现在式，或把 lying-in 理解为“躺在里面”“说谎”。

✓ **正解：**lay 是 lie（躺）的过去式；lying-in 是名词“产褥期、坐月子”。

✗ **误读：**把 may have dreamed 读成“可能会梦到”（将来）。
✓ **正解：**may have done 是对过去的推测：她当时也许梦想过。

⑥ 怎么翻译

> 顺译草稿：她，我猜想，曾读到过有些人怎样从贫困上升到名声和伟大，而当我躺在她身边——在她坐月子的日子里——她也许梦想过，我有一天会统治人们和城市。

调整方法：插入语处理、拆分译、词性转换。插入语 I presume 提到句首译成“我猜想”；两个分句之间改用分号，分清层次；fame and greatness 两个名词转成四字动宾短语“声名显赫、成就伟业”，rise from poverty 译成“由贫寒起家”；破折号内容保留破折号；rule men and cities 拆成“统治众人、主宰城市”两个动宾短语。

> 参考译文：我猜想，她曾读到过有些人如何由贫寒起家，终至声名显赫、成就伟业；我躺在她身边的时候——那是她坐月子的日子——她也许梦想过，有朝一日我会统治众人、主宰城市。

⑦ 知识点

插入语：I presume —— 插在助动词和过去分词之间的插入语，读时先把 had … read 合起来。
情态动词：she may have dreamed —— may / might have done：对过去情况的推测。
时间状语从句：as I lay beside her —— as 引导时间状语从句，lay 是 lie 的过去式。
并列分句：and as I lay beside her —— and 前没有逗号也可能连接两个分句，要看后面是否出现新的主谓（she may have dreamed）。

第 22 句　51 词

From the beginning they were impressions of disaster and if, in my turn, I am a gloomy man inclined to see the darker side of life, **I attribute it** to the fact that what should have been for me the happy joyous days of childhood were spent on a chicken farm.

> **结构：分句①〔主语 they + 系动词 were + 表语 impressions of disaster〕+ and + 分句②〔if 引导的条件状语从句（插入语 in my turn；形容词短语 inclined to … 修饰 man）+ 主语 I + 谓语 attribute + 宾语 it + to the fact + that 引导的同位语从句（从句主语为 what 主语从句 + 谓语 were spent）〕**

① 切意群：先在哪里画“/”

①**From the beginning they were impressions of disaster** / ②and if, in my turn, I am a gloomy man / ③inclined to see the darker side of life, / ④**I attribute it to the fact** / ⑤that what should have been for me the happy joyous days of childhood / ⑥were spent on a chicken farm.

块	意群（缩进 = 层级）	这一块的意思（顺着英文语序）
①	主干 From the beginning they were impressions of disaster	从一开始，那些（印象）就是关于灾难的印象
②	一层修饰 and if, in my turn, I am a gloomy man	而如果说我也是个阴郁的人
③	二层修饰 inclined to see the darker side of life,	（这个人）总爱看人生的阴暗面
④	主干 I attribute it to the fact	我把这归因于一个事实
⑤	一层修饰 that what should have been for me the happy joyous days of childhood	（事实是）本该是我快乐欢欣的童年时光的那段日子
⑥	一层修饰 were spent on a chicken farm.	却是在一个养鸡场上度过的

② 找主干

主语：I　谓语：attribute　宾语/表语：it

③ 层层拆解：每个修饰成分挂在谁身上

片段	成分	作用（修饰谁 / 做什么）	说明
From the beginning they were impressions of disaster	并列分句（第一个分句）	概括“我”最早的印象：都是关于灾难的	they 指上一句说的 my first impressions of life（我对生活的最初印象）。

if, in my turn, I am a gloomy man inclined to see the darker side of life	条件状语从句	提出前提：如果说我是个阴郁的人	这里的 if 相当于“如果说（确实如此）”，引出后面的解释。in my turn：轮到我、我也（像父辈一样）。
inclined to see the darker side of life	形容词短语（作后置定语）	修饰 a gloomy man，说明是什么样的阴郁	be inclined to do：倾向于、总爱做；the darker side of life：人生的阴暗面。
I attribute it to the fact	主句	叙述者给出的解释	attribute A to B：把 A 归因于 B。it 指 if 从句里说的情况（我是个阴郁的人），不是指 disaster。
that what should have been for me the happy joyous days of childhood were spent on a chicken farm	同位语从句	说明 the fact 的内容	that 后是完整的句子，that 不作成分；从句主语是 what 从句，谓语是 were spent。
what should have been for me the happy joyous days of childhood	主语从句（同位语从句的主语）	指“本该是我快乐童年的那段日子”	what = the time that；should have been 是虚拟语气：本该是（实际却不是）。for me 插在 been 和表语之间。谓语用复数 were，是按表语 days 的意思一致。

④ 一步步读懂

1. 第一步：第一个分句很短：From the beginning they were impressions of disaster——那些印象从一开始就是关于灾难的。
2. 第二步：and 后先是条件句 if, in my turn, I am a gloomy man inclined to see the darker side of life——如果说我也是个总爱看人生阴暗面的阴郁的人。
3. 第三步：第二个分句的主干：I attribute it to the fact——我把这（我的阴郁）归因于一个事实。
4. 第四步：that 从句说明事实：what should have been for me the happy joyous days of childhood 是从句主语，一直到 were spent 才是谓语——本该是快乐童年的日子，却是在养鸡场度过的。
5. 第五步：连起来：那些印象从一开始就是关于灾难的；如果说我也是个阴郁的人，总爱看人生的阴暗面，那么我把这归因于：本该是我快乐欢欣的童年时光，却是在一个养鸡场上度过的。

⑤ 易错点：最容易读错的地方

✗ **误读：**把 what should have been for me the happy joyous days 中的 should have been 读成“应该已经是”，忽略了虚拟意味。

✓ **正解：**should have done 表示“本该……而实际没有”：童年本该快乐，实际却在养鸡场上度过，带着遗憾和讽刺。

✗ **误读：**在 that 从句里把 the happy joyous days of childhood 当成主语，找不到 what 的作用。

✓ **正解：**what 引导主语从句 what should have been … childhood，整个是 that 从句的主语，谓语是 were spent；days 是 what 从句里的表语。

✗ **误读：**把 it 理解为前面的 disaster。
✓ **正解：**it 指 if 从句描述的情况：我是个阴郁、总看人生阴暗面的人；attribute it to …：把这一点归因于……

⑥ 怎么翻译

> 顺译草稿：从一开始，它们就是灾难的印象，而如果，轮到我，我是一个阴郁的人，倾向于看人生较暗的一面，我把它归因于这个事实，即本该是我快乐欢欣的童年日子的，是在一个养鸡场上度过的。

调整方法：拆分译、增译、被动转主动。两个分句用分号拆开；if 增译成“如果说……那么……”；inclined to … 拆成小句“总爱看人生的阴暗面”；the fact that 用冒号引出内容；were spent 译成“是……度过的”，并增译“却”，把 should have been 的“本该如此、实际不然”译出来。

> 参考译文：那些印象从一开始就是关于灾难的；如果说我也是个阴郁的人，总爱看人生的阴暗面，那么我把这归因于：本该是我快乐欢欣的童年时光，却是在一个养鸡场上度过的。

⑦ 知识点

虚拟语气：what should have been for me the happy joyous days of childhood —— should have done：本该……（实际没有），表遗憾、责备。
what 从句：what should have been for me the happy joyous days of childhood were spent —— what 从句作主语；谓语可按表语的意思用复数。
同位语从句：the fact that what should have been —— the fact that + 完整句子：说明事实的内容。
固定搭配：I attribute it to the fact —— attribute A to B：把 A 归因于 B。

第 24 句　64 词

It is born out of an egg, lives for a few weeks as a tiny fluffy thing such as you will see pictured on Easter cards, then becomes hideously naked, eats quantities of corn and meal bought by the sweat of your father's brow, gets diseases called pip, cholera, and other names, stands looking with stupid eyes at the sun, becomes sick and dies.

> **结构：主语 It + 七组并列谓语：is born out of an egg, lives for a few weeks as a tiny fluffy thing（such as 引导的定语从句）, then becomes hideously naked, eats quantities of corn and meal（过去分词短语 bought by … 作后置定语）, gets diseases（过去分词短语 called … 作后置定语）, stands looking … at the sun, becomes sick and dies**

① 切意群：先在哪里画"/"

①**It is born out of an egg, /** ②**lives for a few weeks as a tiny fluffy thing /** ③such as you will see pictured on Easter cards, **/** ④**then becomes hideously naked, /** ⑤**eats quantities of corn and meal /** ⑥bought by the sweat of your father's brow, **/** ⑦**gets diseases called pip, cholera, and other names, /** ⑧**stands looking with stupid eyes at the sun, /** ⑨**becomes sick and dies.**

块	意群（缩进 = 层级）	这一块的意思（顺着英文语序）
①	主干 It is born out of an egg,	它从蛋里出生
②	主干 lives for a few weeks as a tiny fluffy thing	作为一个毛茸茸的小东西活上几个星期
③	一层修饰 such as you will see pictured on Easter cards,	就像你会在复活节贺卡上看到画着的那样
④	主干 then becomes hideously naked,	接着变得光秃秃的，丑得吓人
⑤	主干 eats quantities of corn and meal	吃掉大量玉米和粗粉
⑥	一层修饰 bought by the sweat of your father's brow,	（这些粮食是）你父亲用汗水换来的
⑦	主干 gets diseases called pip, cholera, and other names,	得上名叫舌瘟、霍乱和别的名目的病
⑧	主干 stands looking with stupid eyes at the sun,	站着，两眼呆呆地望着太阳
⑨	主干 becomes sick and dies.	病倒，死去

② 找主干

主语：It　谓语：is born

③ 层层拆解：每个修饰成分挂在谁身上

片段	成分	作用（修饰谁 / 做什么）	说明
It is born out of an egg	主句（主语 + 第一个谓语）	小鸡一生的第一步：出生	It 指上一句的 a chicken（一只鸡）；用一般现在时叙述普遍的、反复发生的经历。
lives for a few weeks as a tiny fluffy thing	并列谓语	第二步：毛茸茸的幼雏期	as 是介词“作为、以……的样子”；fluffy：毛茸茸的。
such as you will see pictured on Easter cards	定语从句（such as 引导）	修饰 a tiny fluffy thing：就是复活节贺卡上画的那种	as 在从句里作 see 的宾语，pictured 是宾语补足语：see sth pictured，看到某物被画出来。will 表示习惯性、一般情况。
then becomes hideously naked	并列谓语	第三步：褪去绒毛、光秃难看	hideously：丑陋地、可怕地，修饰 naked；系动词 become + 形容词。
eats quantities of corn and meal bought by the sweat of your father’s brow	并列谓语	第四步：吃掉大量辛苦换来的饲料	quantities of：大量的；meal 是“粗粉、谷物粉”，不是“饭”。bought by … 是过去分词短语作后置定语，修饰 corn and meal。
bought by the sweat of your father’s brow	过去分词短语（作后置定语）	说明饲料来之不易	by the sweat of one’s brow：靠辛苦劳动、用汗水；your 是泛指的“你”，把读者拉进叙述。
gets diseases called pip, cholera, and other names	并列谓语	第五步：生病	called … 是过去分词短语作后置定语，修饰 diseases；pip：（家禽的）舌瘟；cholera：霍乱。
stands looking with stupid eyes at the sun	并列谓语	第六步：呆立望着太阳	stand + 现在分词：站着做……，looking 作伴随状语；with stupid eyes 插在 looking 和 at the sun 之间。
becomes sick and dies	并列谓语	最后：病倒、死去	全句只在最后一个谓语里用 and；前面都用逗号，营造一口气说完的、冷漠的节奏。

④ 一步步读懂

1. 第一步：主语只有一个 It（一只鸡），后面是一长串用逗号隔开的并列谓语，按鸡的一生排列。
2. 第二步：先只抓每段开头的动词：is born → lives → becomes → eats → gets → stands → becomes sick and dies。
3. 第三步：再看各段里的修饰：such as you will see pictured on Easter cards 修饰 a tiny fluffy thing；bought by the sweat of your father’s brow 修饰 corn and meal；called pip, cholera, and other names 修饰 diseases。

4. 第四步：stands looking with stupid eyes at the sun：站着，两眼呆呆地望着太阳；looking 是伴随状语，不是新的谓语。
5. 第五步：连起来：它从蛋里出生，像复活节贺卡上画的那样毛茸茸地活上几个星期，接着变得光秃难看，吃掉父亲用汗水换来的大量玉米和粗粉，得上舌瘟、霍乱等病，站着呆望太阳，然后病倒、死去。

⑤ 易错点：最容易读错的地方

✗ **误读：**把 bought 当成谓语：“它吃了大量玉米，粗粉被你父亲买来”。
✓ **正解：**bought by … 是过去分词短语，修饰 corn and meal：你父亲用汗水换来的玉米和粗粉。
✗ **误读：**把 meal 译成“一顿饭”。
✓ **正解：**与 corn 并列的 meal 是“粗粉、谷物粉”（饲料），quantities of corn and meal：大量的玉米和粗粉。
✗ **误读：**把 such as you will see pictured 当成举例“比如”，或以为 you will see 是对读者的预告。
✓ **正解：**such as 引导定语从句修饰 a tiny fluffy thing，as 作 see 的宾语：就像你在复活节贺卡上会看到画着的那种（小东西）。

⑥ 怎么翻译

> 顺译草稿：它从蛋里出生，作为一个毛茸茸的小东西活几个星期，就像你在复活节卡片上会看到画的那样，然后变得丑陋地光秃，吃掉大量你父亲用额头的汗水买来的玉米和粗粉，得上叫舌瘟、霍乱和其他名字的病，带着愚蠢的眼睛站着看太阳，生病然后死去。

调整方法：拆分译、增译、词性转换。并列谓语按顺序拆成一个个分句，用分号分隔，前面重复主语“它”，保持一气呵成的节奏；hideously naked 拆成“光秃秃的，丑得吓人”；bought by the sweat of your father’s brow 较长，拆成“那都是你父亲用汗水换来的”；stupid eyes 转成副词性的“两眼呆呆地”。

> 参考译文：它从蛋里出生，活上几个星期，模样小小的、毛茸茸的，就像复活节贺卡上画的那样；接着就变得光秃秃的，丑得吓人；它吃掉大量玉米和粗粉，那都是你父亲用汗水换来的；它会得上名叫舌瘟、霍乱以及其他名目的病；它站在那儿，两眼呆呆地望着太阳，然后病倒，死去。

⑦ 知识点

并列谓语：It is born out of an egg, lives for a few weeks —— 一个主语带一长串并列谓语，只在最后用 and。
定语从句：such as you will see pictured on Easter cards —— such … as / such as 引导定语从句时，as 是关系代词，在从句中作成分（这里作 see 的宾语）。
过去分词短语：corn and meal bought by the sweat of your father’s brow —— 过去分词短语作后置定语，表示被动。
固定搭配：by the sweat of your father’s brow —— by the sweat of one’s brow：靠辛苦劳动、用汗水换来。

第 36 句　73 词

After ten years of worry with incubators that did not hatch, and with tiny—and in their own way lovely—balls of fluff that passed on into semi-naked pullethood and from that into dead henhood, **we threw all** aside, packed our belongings on a wagon and drove down Griggs's Road toward Bidwell, a tiny caravan of hope looking for a new place from which to start on our upward journey through life.

> **结构：介词短语 After ten years of worry with incubators（定语从句 that did not hatch），and with tiny—and in their own way lovely—balls of fluff（定语从句 that passed on into … and from that into …）作时间状语 + 主句〔主语 we + 三个并列谓语 threw all aside, packed our belongings on a wagon and drove down Griggs's Road toward Bidwell〕+ 同位语 a tiny caravan of hope（现在分词短语 looking for a new place + 介词 + which + 不定式 from which to start … 作后置定语）**

① 切意群：先在哪里画"/"

①After ten years of worry with incubators / ②that did not hatch, / ③and with tiny—and in their own way lovely—balls of fluff / ④that passed on into semi-naked pullethood / ⑤and from that into dead henhood, / ⑥**we threw all aside,** / ⑦**packed our belongings on a wagon** / ⑧**and drove down Griggs's Road toward Bidwell,** / ⑨a tiny caravan of hope / ⑩looking for a new place / ⑪from which to start on our upward journey through life.

块	意群（缩进 = 层级）	这一块的意思（顺着英文语序）
①	一层修饰 After ten years of worry with incubators	在为孵化器操心了十年之后
②	二层修饰 that did not hatch,	（这些孵化器）孵不出小鸡
③	一层修饰 and with tiny—and in their own way lovely—balls of fluff	也为一团团小小的——自有其可爱之处的——绒球（操心）
④	二层修饰 that passed on into semi-naked pullethood	（这些绒球）进入了半秃的小母鸡期
⑤	二层修饰 and from that into dead henhood,	又从那里进入了死母鸡期
⑥	主干 we threw all aside,	我们把一切都抛到一边
⑦	主干 packed our belongings on a wagon	把家当装上一辆大车
⑧	主干 and drove down Griggs's Road toward Bidwell,	沿着格里格斯路朝比德韦尔驶去
⑨	一层修饰 a tiny caravan of hope	（我们是）一支小小的希望车队
⑩	二层修饰 looking for a new place	（车队）寻找一个新的地方

⑪	三层修饰 from which to start on our upward journey through life.	从那里出发，踏上向上攀登的人生旅程

② 找主干

主语：we　谓语：threw　宾语/表语：all

③ 层层拆解：每个修饰成分挂在谁身上

片段	成分	作用（修饰谁 / 做什么）	说明
After ten years of worry with incubators that did not hatch, and with tiny—and in their own way lovely—balls of fluff that passed on into semi-naked pullethood and from that into dead henhood	介词短语（作时间状语）	交代背景：十年来的种种烦恼	worry with A, and with B：为 A 和 B 操心；两个 with 短语并列，都挂在 worry 上。这一大段都在 we 之前，主句要到第 37 个词才出现。
that did not hatch	定语从句	修饰 incubators：孵不出小鸡的孵化器	hatch 在这里是不及物，“孵化、出壳”；说孵化器“不孵化”，即孵不出小鸡。
and in their own way lovely	插入语（放在破折号之间）	插入作者的感情：（这些绒球）自有其可爱之处	tiny 和 lovely 都修饰 balls of fluff，破折号把 lovely 隔了出来，表达叙述者对这些小鸡又怜又爱的复杂心情。
that passed on into semi-naked pullethood and from that into dead henhood	定语从句	修饰 balls of fluff，说明小鸡的“一生”	pass on into：进入（下一阶段）；from that 的 that 指 semi-naked pullethood；第二部分省略了 passed on。pullethood、henhood 是作者用 -hood 造的词：小母鸡期、母鸡期，带调侃意味。
we threw all aside, packed our belongings on a wagon and drove down Griggs's Road toward Bidwell	主句（主语 + 三个并列谓语）	全句主干：放弃一切，装车上路	threw … aside：抛开、放弃；三个过去式谓语共用主语 we。
a tiny caravan of hope	同位语	给“我们”一个比喻性的称呼：一支小小的希望车队	说明的是 we（我们一家和大车），不是紧挨着的 Bidwell；caravan：车队、旅行队。

looking for a new place	现在分词短语（作后置定语）	修饰 a tiny caravan of hope：寻找新地方的车队	相当于 which was looking for a new place。
from which to start on our upward journey through life	后置定语（介词 + which + 不定式）	修饰 a new place：可以从那里出发的地方	from which to start = from which we could start；start on a journey：踏上旅程；upward：向上的，指改善生活、往上爬。

④ 一步步读懂

1. 第一步：句首 After … 一直延续到 dead henhood，都是时间状语；跳过它找到逗号后的主语 we。
2. 第二步：主干：we threw all aside, packed our belongings on a wagon and drove down Griggs's Road toward Bidwell——我们抛开一切，把家当装上大车，沿格里格斯路驶向比德韦尔。
3. 第三步：回头读状语：ten years of worry with incubators that did not hatch（孵不出小鸡的孵化器），and with … balls of fluff（绒球，即小鸡）；破折号里的 and in their own way lovely 是插入的感情色彩，tiny 和 lovely 都修饰 balls of fluff。
4. 第四步：that passed on into semi-naked pullethood and from that into dead henhood：小鸡长成半秃的小母鸡，又变成死母鸡。
5. 第五步：句末 a tiny caravan of hope 是 we 的同位语；looking for a new place from which to start …：寻找一个新地方，好从那里踏上向上的人生旅程。

⑤ 易错点：最容易读错的地方

✗ **误读：**把 a tiny caravan of hope 当成 Bidwell 的同位语，读成"比德韦尔是一支小小的希望车队"。

✓ **正解：**caravan（车队）只能指正在赶路的"我们"一家；它是主语 we 的同位语，用比喻描写全家。

✗ **误读：**把 tiny—and in their own way lovely—balls 读断，以为 tiny 后面缺了名词。

✓ **正解：**破折号之间是插入语，tiny 和 lovely 并列，共同修饰 balls of fluff：小小的、自有其可爱之处的绒球。

✗ **误读：**把 from which to start 当成"从哪里开始"的疑问，或不知道 which 指什么。

✓ **正解：**介词 + which + 不定式作后置定语，which 指 a new place：一个可以从那里出发的新地方。

⑥ 怎么翻译

> 顺译草稿：在为不孵化的孵化器、为小小的——并且以它们自己的方式可爱的——绒球操了十年心之后，这些绒球进入半秃的小母鸡期、又从那里进入死母鸡期，我们把一切扔到一边，把家当装上一辆大车，沿着格里格斯路朝比德韦尔驶去，一支小小的希望车队，寻找一个新的地方，从那里开始我们向上的人生旅程。

调整方法：拆分译、词性转换、插入语处理。长状语拆成几个小句先说事情："孵化器孵不出小鸡，一团团小小的绒球……"，最后用"为这些操了十年心之后"收住，再接主句；插入语保留破折号译成"它们自有其可爱之处"；pullethood、henhood 名词照译成"小母鸡期""死母鸡期"保留幽默；同位语前用破折号，点明是"我们"这支车队。

> 参考译文：孵化器孵不出小鸡，一团团小小的绒球——它们自有其可爱之处——进入了半秃的小母鸡期，又由此进入了死母鸡期；为这些操了十年心之后，我们把一切都抛到一边，把家当装上一辆大车，沿着格里格斯路朝比德韦尔驶去——一支小小的希望车队，要寻找一个新的地方，好从那里出发，踏上向上攀登的人生旅程。

⑦ 知识点

插入语：and in their own way lovely —— 破折号把并列的形容词之一隔开，作插入，表达作者感情。

同位语：a tiny caravan of hope —— 句末同位语可以说明远处的主语 we，要按意思找对象。

介词 + which/whom：from which to start on our upward journey through life —— 介词 + which + 不定式作后置定语，= from which we could start。

并列谓语：threw all aside, packed our belongings on a wagon and drove down Griggs's Road toward Bidwell —— 三个谓语共用主语 we，只在最后用 and。

第 40 句　50 词

Out of its sides **stuck the legs of cheap chairs** and at the back of the pile of beds, tables, and boxes filled with kitchen utensils was a crate of live chickens, and on top of that the baby carriage in which I had been wheeled about in my infancy.

> **结构：倒装句①〔地点状语 Out of its sides + 谓语 stuck + 主语 the legs of cheap chairs〕+ and + 倒装句②〔地点状语 at the back of the pile of beds, tables, and boxes（过去分词短语 filled with … 修饰 boxes）+ 谓语 was + 主语 a crate of live chickens〕+ and + 省略句③〔地点状语 on top of that +（省略 was）+ 主语 the baby carriage（in which 引导的定语从句）〕**

① 切意群：先在哪里画“/”

①**Out of its sides stuck the legs of cheap chairs** / ②and at the back of the pile of beds, tables, and boxes / ③filled with kitchen utensils / ④**was a crate of live chickens,** / ⑤**and on top of that the baby carriage** / ⑥in which I had been wheeled about in my infancy.

块	意群（缩进 = 层级）	这一块的意思（顺着英文语序）
①	主干 Out of its sides stuck the legs of cheap chairs	从车子两侧伸出廉价椅子的腿
②	一层修饰 and at the back of the pile of beds, tables, and boxes	在一堆床、桌子和箱子的后部
③	二层修饰 filled with kitchen utensils	（箱子）装满了厨房用具
④	主干 was a crate of live chickens,	是一板条箱活鸡
⑤	主干 and on top of that the baby carriage	那上面是婴儿车
⑥	一层修饰 in which I had been wheeled about in my infancy.	我婴儿时曾被放在里面推着到处转

② 找主干

主语：the legs of cheap chairs　谓语：stuck

③ 层层拆解：每个修饰成分挂在谁身上

片段	成分	作用（修饰谁 / 做什么）	说明
Out of its sides stuck the legs of cheap chairs	倒装结构（地点状语提前，主谓倒装）	第一个画面：车两侧伸出椅子腿	正常语序：The legs of cheap chairs stuck out of its sides。its 指上一句的 the wagon（大车）。stuck 是 stick 的过去式，stick out of：从……伸出来。

at the back of the pile of beds, tables, and boxes	介词短语（作地点状语，提前）	第二个画面的位置：家当堆的后部	the pile of A, B, and C：床、桌子、箱子堆成的一堆。
filled with kitchen utensils	过去分词短语（作后置定语）	修饰 boxes：装满厨房用具的箱子	按意思只修饰 boxes（床和桌子不能“装满”）。utensils：器具。
was a crate of live chickens	倒装结构（谓语 was + 主语）	说明家当堆后部放的是什么：一板条箱活鸡	主语是 a crate of live chickens，谓语 was 提到主语前；live 读 /laɪv/，形容词“活的”。
and on top of that the baby carriage	省略结构（省略了 was）	第三个画面：板条箱上面是婴儿车	完整形式 on top of that (was) the baby carriage；that 指 a crate of live chickens。
in which I had been wheeled about in my infancy	定语从句	修饰 the baby carriage	in which = in the carriage；had been wheeled about：过去完成时的被动，曾被（人）推着到处走；in my infancy：在我婴儿时期。

④ 一步步读懂

1. 第一步：句首 Out of its sides 是地点，后面紧接动词 stuck，说明是倒装：主语是 the legs of cheap chairs——廉价椅子的腿从车两侧伸出来。
2. 第二步：and 后又是一个地点状语 at the back of the pile of beds, tables, and boxes filled with kitchen utensils，读到 was 才遇到谓语，主语在后面：a crate of live chickens——一板条箱活鸡。
3. 第三步：再一个 and：on top of that the baby carriage——省略了 was：那上面是婴儿车，that 指装活鸡的板条箱。
4. 第四步：in which I had been wheeled about in my infancy 修饰婴儿车：我还是婴儿时曾被放在里面推着到处转。
5. 第五步：连起来：车子两侧支棱出廉价椅子的腿；床、桌子和装满厨房用具的箱子堆成一堆，这堆东西后部放着一板条箱活鸡，板条箱上面是我婴儿时坐过的那辆婴儿车。

⑤ 易错点：最容易读错的地方

✗ **误读：**把 Out of its sides stuck 读成“它的两侧卡住了”，以为 stuck 是形容词“卡住的”。
✓ **正解：**这是倒装：stuck 是 stick 的过去式作谓语，stick out of：伸出来；主语是后面的 the legs of cheap chairs。

✗ **误读：**以为 the pile of beds, tables, and boxes 是第二个分句的主语。
✓ **正解：**at the back of the pile … 是提前的地点状语，谓语 was 后的 a crate of live chickens 才是主语。

✗ **误读：**读到 on top of that the baby carriage 找不到谓语，以为句子残缺。
✓ **正解：**这里承前省略了 was：on top of that (was) the baby carriage，that 指装活鸡的板条箱。

⑥ 怎么翻译

> 顺译草稿：从它的两侧伸出廉价椅子的腿，在床、桌子和装满厨房用具的箱子堆成的一堆的后面，是一板条箱活鸡，在那上面是婴儿车，我在婴儿期曾被放在里面推来推去。

调整方法：顺译、拆分译、增译。三个倒装句都是“地点 + 存在的东西”，正好符合汉语存现句的语序，顺着译即可；its 增译为“车子”，that 增译为“板条箱”；第二个分句的地点状语太长，先拆出“床、桌子和……箱子堆成一堆”，再说“这堆东西的后部放着……”；定语从句拆成“我还是婴儿时，曾被人放在里面推着到处转”。

> 参考译文：车子两侧支棱出廉价椅子的腿；床、桌子和装满厨房用具的箱子堆成一堆，这堆东西的后部放着一板条箱活鸡，板条箱上面是那辆婴儿车，我还是婴儿时，曾被人放在里面推着到处转。

⑦ 知识点

倒装结构：Out of its sides stuck the legs of cheap chairs —— 地点状语放在句首、主语较长时，常用“地点 + 谓语 + 主语”的全倒装。
省略结构：and on top of that the baby carriage —— 并列分句中与前面相同的谓语 was 可省略。
介词 + which/whom：in which I had been wheeled about in my infancy —— 介词 + which 引导定语从句，which 指 the baby carriage。
被动语态：had been wheeled about —— 过去完成时的被动：had been + 过去分词。

第 49 句　31 词

I remember that as a child I used to sit looking at him when he had gone to sleep in a chair before the stove on Sunday afternoons in the winter.

> **结构：主句〔主语 I + 谓语 remember + that 引导的宾语从句（介词短语 as a child 作时间状语 + 主语 I + 谓语 used to sit + 现在分词 looking at him 作伴随状语 + when 引导的时间状语从句）〕**

① 切意群：先在哪里画“/”

①I remember / ②that as a child / ③I used to sit looking at him / ④when he had gone to sleep in a chair before the stove / ⑤on Sunday afternoons in the winter.

块	意群（缩进 = 层级）	这一块的意思（顺着英文语序）
①	主干 I remember	我记得
②	一层修饰 that as a child	（记得）小时候
③	一层修饰 I used to sit looking at him	我常常坐着看他
④	二层修饰 when he had gone to sleep in a chair before the stove	当他在炉子前的椅子上睡着以后
⑤	二层修饰 on Sunday afternoons in the winter.	（在）冬天的星期天下午

② 找主干

主语：I　谓语：remember　宾语/表语：that as a child I used to sit looking at him when he had gone to sleep in a chair before the stove on Sunday afternoons in the winter

③ 层层拆解：每个修饰成分挂在谁身上

片段	成分	作用（修饰谁 / 做什么）	说明
that as a child I used to sit looking at him when he had gone to sleep in a chair before the stove on Sunday afternoons in the winter	宾语从句	作 remember 的宾语，是“我”记得的内容	从句主干是 I used to sit looking at him；其余都是时间、地点修饰。
as a child	介词短语（作时间状语）	交代时间：我小时候	as 是介词“作为、在……时”，as a child = when I was a child；放在从句主语 I 前面。
used to sit looking at him	谓语（从句的谓语 + 伴随状语）	过去的习惯：常常坐着看他	used to do：过去常常做（现在不再）；sit + 现在分词：坐着做……；him 指上文的父亲。

when he had gone to sleep in a chair before the stove	时间状语从句	说明“我”什么时候看他：他睡着以后	过去完成时 had gone to sleep 表示“已经睡着了”，先于“我看他”；before the stove 是“在炉子前面”，before 表示位置，不是时间。
on Sunday afternoons in the winter	介词短语（作时间状语）	说明习惯发生的时间：冬天的星期天下午	Sunday afternoons 用复数，配合 used to 表示反复发生。

④ 一步步读懂

1. 第一步：主干：I remember that …——“我记得……”。
2. 第二步：that 后先是 as a child（我小时候），从句主语是 I，谓语 used to sit looking at him——常常坐着看他。
3. 第三步：when he had gone to sleep in a chair before the stove：他在炉子前的椅子上睡着以后；before 表示位置“在……前面”。
4. 第四步：on Sunday afternoons in the winter：每逢冬天的星期天下午，与 used to 一起表示反复的习惯。
5. 第五步：连起来：我记得，小时候，每逢冬天的星期天下午，他在炉子前的椅子上睡着以后，我常常坐着看他。

⑤ 易错点：最容易读错的地方

✗ **误读：**把 before the stove 读成时间“在炉子之前”或“生炉子之前”。
✓ **正解：**before 在这里表示位置：在炉子前面；in a chair before the stove = 炉子前的椅子上。

✗ **误读：**把 used to sit 读成 be used to doing（习惯于坐着）。
✓ **正解：**used to do 是“过去常常做”；be used to doing 才是“习惯于”。这里 used 前没有 be，后面接动词原形 sit。

✗ **误读：**把 as a child 读成“像个孩子一样（坐着看他）”。
✓ **正解：**as a child 是“小时候、作为孩子的时候”，作时间状语。

⑥ 怎么翻译

> 顺译草稿：我记得，作为一个孩子，我过去常常坐着看他，当他在炉子前的一把椅子上睡着了的时候，在冬天的星期天下午。

调整方法：逆序译、顺译、增译。英语把时间状语放在后面，汉语习惯时间在前，所以把 on Sunday afternoons in the winter 和 when 从句提到“我常常坐着看他”之前，并增译“每逢”体现反复；as a child 译成“小时候”。

> 参考译文：我记得，小时候，每逢冬天的星期天下午，他在炉子前的椅子上睡着以后，我常常坐着看他。

⑦ 知识点

宾语从句：I remember that as a child —— that 后先出现状语（as a child），再出现从句主语 I。
固定搭配：used to sit —— used to do：过去常常做；区别于 be used to doing。
时间状语从句：when he had gone to sleep in a chair before the stove —— 过去完成时表示从句动作先发生。

现在分词短语：sit looking at him —— sit / stand + 现在分词：坐着 / 站着做某事。

第 50 句　61 词

I had at that time already begun to read books and have notions of my own and **the bald path** that led over the top of his head **was**, I fancied, **something like a broad road**, such a road as Caesar might have made on which to lead his legions out of Rome and into the wonders of an unknown world.

> **结构：分句①〔主语 I + 谓语 had already begun + 不定式 to read books and (to) have notions of my own〕+ and + 分句②〔主语 the bald path（that 引导的定语从句）+ 系动词 was（插入语 I fancied）+ 表语 something like a broad road + 同位语 such a road（such … as 定语从句 as Caesar might have made；介词 + which + 不定式 on which to lead … 作后置定语）〕**

① 切意群：先在哪里画“/”

①**I had at that time already begun to read books** / ②and have notions of my own / ③**and the bald path** / ④that led over the top of his head / ⑤**was, I fancied, something like a broad road,** / ⑥such a road as Caesar might have made / ⑦on which to lead his legions / ⑧out of Rome and into the wonders of an unknown world.

块	意群（缩进 = 层级）	这一块的意思（顺着英文语序）
①	主干 I had at that time already begun to read books	那时我已经开始读书
②	一层修饰 and have notions of my own	并且有了自己的想法
③	主干 and the bald path	而那条光秃秃的小道
④	一层修饰 that led over the top of his head	（这条小道）从他头顶上越过
⑤	主干 was, I fancied, something like a broad road,	我觉得，有点像一条宽阔的大路
⑥	一层修饰 such a road as Caesar might have made	就是恺撒或许会修筑的那种路
⑦	二层修饰 on which to lead his legions	好沿着它率领他的军团
⑧	三层修饰 out of Rome and into the wonders of an unknown world.	走出罗马，进入一个未知世界的种种奇观

② 找主干

主语：the bald path　谓语：was　宾语/表语：something like a broad road

③ 层层拆解：每个修饰成分挂在谁身上

片段	成分	作用（修饰谁 / 做什么）	说明

I had at that time already begun to read books and have notions of my own	并列分句（第一个分句）	交代“我”那时的成长：开始读书、有了想法	had begun：过去完成时；at that time 和 already 插在 had 与 begun 之间。have notions 与 read books 并列，共用 to（to read … and (to) have …），不是与 had begun 并列。
the bald path	主语（第二个分句的主语）	比喻父亲头顶秃了的那一道	bald：秃的；path：小路。把秃顶比作一条“光秃秃的小道”，为后面的“大路”比喻作铺垫。
that led over the top of his head	定语从句	修饰 the bald path：从他头顶上越过的	that 指 path；lead over：通过、越过。his 指父亲。
I fancied	插入语	表明这是“我”的想象	fancy：想象、觉得；插在系动词 was 和表语之间，读时先跳过。
something like a broad road	表语	比喻：（秃顶的那道）有点像一条宽阔的大路	something like：有点像、类似于。
such a road as Caesar might have made	同位语（含 such … as 定语从句）	进一步具体化：恺撒或许会修的那种路	such a road 是 a broad road 的同位语；as 是关系代词，在从句中作 made 的宾语。might have made：对过去的推测“或许会修”。
on which to lead his legions out of Rome and into the wonders of an unknown world	后置定语（介词 + which + 不定式）	修饰 such a road：可以沿着它率领军团的路	on which to lead = on which he could lead；which 指 road。out of Rome 和 into the wonders … 两个介词短语并列，都修饰 lead。legions：（古罗马的）军团。

④ 一步步读懂

1. 第一步：第一个分句：I had at that time already begun to read books and have notions of my own——那时我已开始读书、有了自己的想法；have 与 read 并列，共用 to。
2. 第二步：第二个 and 引出新的分句：主语 the bald path，that led over the top of his head 修饰它：从他头顶越过的那条光秃秃的小道。
3. 第三步：谓语 was，插入语 I fancied 先跳过，表语 something like a broad road——（我觉得）有点像一条宽阔的大路。
4. 第四步：such a road as Caesar might have made 进一步说明是哪种路：恺撒或许会修的那种路；on which to lead his legions … 修饰这条路：可以沿着它率领军团走出罗马、进入未知世界的奇观。
5. 第五步：连起来：那时我已开始读书、有了自己的想法；我觉得，他头顶那条光秃秃的小道有点像一条宽阔的大路，就是恺撒或许会修筑的那种路，好沿着它率领军团走出罗马，奔向一个未知世界的种种奇观。

⑤ 易错点：最容易读错的地方

✗ **误读：**把 and have notions of my own 当成与 had begun 并列（“我已经开始读书，并且有自己的想法”中 have 是现在时谓语）。

✓ **正解：**have 是动词原形，与 read 并列，共用 begun to：begun to read books and (to) have notions of my own。

✗ **误读：**把第二个 and 后的 the bald path 当成 read 的第二个宾语（读书和读光秃的小路）。

✓ **正解：**the bald path 是新分句的主语，谓语是后面的 was；and 连接的是两个分句。

✗ **误读：**把 such a road as Caesar might have made 中的 as 当成“因为”或“像……一样”，把 might have made 读成“可能已经修了”。

✓ **正解：**such … as 引导定语从句，as 作 made 的宾语；might have made 是想象中的推测：恺撒或许会修的那种路，不是事实。

⑥ 怎么翻译

> 顺译草稿：那时我已经开始读书和有自己的想法，而那条越过他头顶的光秃秃的小路，我想象，有点像一条宽阔的大路，像恺撒可能修过的那样一条路，在上面率领他的军团走出罗马、进入一个未知世界的奇观。

调整方法：拆分译、插入语处理、增译。两个分句用分号隔开；插入语 I fancied 提到第二个分句开头，译成“我觉得”；短定语从句 that led … 前置为“从他头顶上越过的那条……小道”；such a road as … 用“就是……那种路”承接；on which to lead … 拆成目的小句，增译“好沿着它”；out of … and into … 译成“走出……奔向……”两个动作。

> 参考译文：那时我已经开始读书，有了自己的想法；我觉得，从他头顶上越过的那条光秃秃的小道有点像一条宽阔的大路，就是恺撒或许会修筑的那种路，好沿着它率领自己的军团走出罗马，奔向一个未知世界的种种奇观。

⑦ 知识点

插入语：was, I fancied, something like a broad road —— 插在系动词和表语之间的 I fancied，读时先跳过。

定语从句：such a road as Caesar might have made —— such … as：as 是关系代词，在从句里作宾语。

介词 + which/whom：on which to lead his legions —— 介词 + which + 不定式作后置定语。

平行结构：to read books and have notions of my own —— 两个动词原形共用一个 to。

情态动词：Caesar might have made —— might have done：对过去的推测，语气较弱。
